# Come in: Mae's Food Hall officially open for business

**W.C. Mann, Heather Mann**

**CULLMAN** – It's been open for about a week, but on Friday morning, developer Shane Quick made it official when he cut the ribbon on the much-anticipated Mae's Food Hall on First Avenue Northeast in the Warehouse District. The event marked the official start of business for the multi-vendor dining complex that has already completed several days of trial runs.

Quick shared about the last few days, "It's been amazing, honestly, way bigger than expected. For the past few nights, we've been really packed out and doing some amazing testing on all the equipment and systems, and where to put this and where to put that.

"It's been very helpful, and, hopefully, it's prepared us for today and the rest of the coming days."

Mae's is affectionately named after Quick's beloved grandmother Linnie Mae.

Said Quick, "She was a massive influence on my life. Her home was a place where everyone felt comfortable, everyone left with their bellies full. She loved to play board games and different kinds of games. If you came over to her house, you might find yourself staying three hours instead of 30 minutes, and that's what we hope this place is."

Mae's is set up like a food court rather than a traditional restaurant, with five different restaurants and a bar housed in the building.

Toward the back of the hall, there's Big E's Arcade, with vintage games like Pac-Man, Galaga, Ms. Pac Man, Donkey Kong and Mortal Kombat II (collected by Quick himself), Skee-ball and a dartboard. The back of the building also has a handicapped-accessible entrance and parking for those unable to climb the front stairs.

**As of Friday, all six vendors are up and running:**

**Strada di Napoli** - Neapolitan pizzeria with an oven and ingredients imported from Naples, Italy. Best sellers - Ciro (specialty pizza with sweet Italian sausage, ricotta, fresh mozzarella, basil, extra virgin olive oil and tomato sauce on top) and Cotto E Funghi (specialty pizza with ham, mushrooms, fresh mozzarella, aged mozzarella, pecorino Romano, tomato sauce and extra virgin olive oil)

**Ruckus** - Bar and lounge. Customers can rent darts for the dartboard in the arcade area, and Kernel Kullman gourmet popcorn sells a Ruckus Treat Mix. Best seller - Ruckus Daiquiri

**Lichita's** - Ice cream shop serving gourmet popsicles, milkshakes, scoops of ice cream and banana splits. Best seller - regular chocolate ice cream

**Link's** - Gourmet hot dogs and hamburgers. Get quarter-pound all-beef dogs and Wagyu beef burgers. Looks good- Bacon Jam Burger, which comes with bourbon bacon jam, lettuce, tomato, onion and pickle on a brioche bun

**I Love Bacon** - Sandwiches, wraps, etc., with bacon (of course). This place started out as a food truck business, but now has brick-and-mortar locations (one at Mae's, another underway in Huntsville). Best seller - hard to say, but the Carrie Underwood wrap is very popular (grilled chicken, bacon, house-made ranch, lettuce, tomato and a spinach tortilla)

**Cantina Taqueria** - A Mexican restaurant specializing in several different kinds of tacos. Best seller - Nachitos (crunchy tortilla chips, shredded chicken tingo, cheese dip, refried beans, crema and pico de gallo)

**Mae's is open seven days a week, serving lunch and dinner every day except Sunday, with an abbreviated Sunday schedule:**

- 11 a.m. - 9 p.m. Monday through Wednesday
- 11 a.m. - 11 p.m. Thursday through Saturday
- 11 a.m. - 2 p.m. Sunday, serving lunch only

# Berlin man sentenced to more than 10 years in federal prison on meth distribution charge

**Wendy Sack**
wendy@cullmantribune.com

**CULLMAN** – A Berlin man was sentenced this week to 10 years and 10 months in federal prison for unlawful possession with intent to distribute 5 grams or more of methamphetamine. United States District Judge L. Scott Coogler sentenced Jeffery Lee Cunningham, 47, on Oct. 10, 2017, to 130 months in prison, stemming from his January 2017 arrest in Cullman County.

Further, the judge ruled that upon release from prison, Cunningham will be on supervised release for a term of 120 months, or 10 years.

Cullman Narcotics Enforcement Team (CNET) and Drug Enforcement Agency (DEA) agents arrested Cunningham at his residence on County Road 759 on Jan. 30, 2017, where they recovered 1.5 ounces of meth.

Agents discovered the meth in a toilet in the residence before it could be destroyed. Cunningham was charged then with trafficking in methamphetamine.

"As I stated at that time we knew this suspect was a known drug dealer and I am glad we were able to work with DEA to get him off the streets. I am glad that the DEA was able to adopt this case and now this suspect will be in prison for many years," said Sheriff Matt Gentry.

"Again, I would also like to commend CNET and the DEA on the work they did in assuring this suspect is no longer a menace to our county."

Under federal truth in sentencing laws, Cunningham will have to serve at least 85 percent of his sentence.

**VINEMONT** – Another Cullman County resident is behind bars for distribution of methamphetamine. Chadwick Keith Wynn, 37, of Vinemont is being held in the Cullman County Detention Center.

The Cullman Police Department says Wynn was arrested on Wednesday, Oct. 11 by Sgt. Chris Thomason and Officers Dustin Colburn, Trey Higginbotham and Cole Kelley after Wynn allegedly sold methamphetamine during controlled buys on two separate occasions.

He is charged with two counts of unlawful distribution of a controlled substance, unlawful possession of a controlled substance and possession of drug paraphernalia.

# Hanceville firefighters make special delivery

**W.C. Mann**
craig@cullmansense.com

**HANCEVILLE** – Thursday was a less-than-usual day for three of Hanceville's firefighters, as they were called on to make a special delivery in town. For the first time in years, the Hanceville Fire Rescue (HFR) assisted in the birth of a baby.

At 7:22 a.m., the fire department received a call about a woman in labor at a location off Highway 31 at the north end of Hanceville. Britt Banks, Bradley Jones and Brennen Stricklin responded to the scene.

Assistant Chief Bart Absher explained, "Everything went well. Cullman EMS was on the scene and, as they were loading mom into the ambulance, the baby decided to come on out, come into the world. So they paused what they were doing and helped her, and got the baby, and made the announcement on the radio, because that's typical policy--to say that now you've got two patients."

From first call to delivery, the entire event only took about 15 minutes.

Absher continued, "Mom and baby boy were transported to Regional (Cullman Regional), and everything was healthy--baby was healthy and mom was doing well when they left her at the hospital, in the care of the ER."

According to the assistant chief, firefighters receive training in childbirth during basic EMT courses, and review the material at each level as they advance. They also receive periodic refresher classes.

"So it wasn't a shock," said Absher, "it's just the fact that it actually happened in the field. Usually it's 'load, grab, go, get 'em to the hospital,' and they deliver at the hospital. It's a rarity to do it out in the field.

"They did an absolute great job on the call, as always. They do a great job on all their calls. They always act professionally, and mitigate the situation with the utmost responsibility and training. They do a good job on everything they do."

## *The Tree And The Wolf*

**By: Randy C. Hale**

The old tree fell in the depth of
the forest without no one
to hear.

Overtime it became hollowed
as it lay unnoticed and lonely.

Until one day
a graying old wolf stop to rest
his bones
in the cool hollow of the tree.

And there in the deep forest
the wolf and the tree became friends.

And both could hear each other.

The wolf was thankful to the tree for
sanctuary and the tree was happy
to be needed and wanted again.

*BILLY BOB'S STORIES AND STUFF*

# A bad day for a foot washing

**Bill King**
Tribune
Contributor

My alter ego, Billy Bob Bohannon, had been invited to speak at the Left Fork Baptist Church. The opportunity excited him so, that he failed to get all the information he needed. First, he should have asked what time zone the church operated in. Many people believe that the entire state of Alabama falls within the Central Time Zone. While this may be officially true, a few towns and communities along the eastern border of Alabama operate on Eastern Time. Billy Bob had assumed that the church operated on Central Time. When Sunday morning came, he lounged around, thinking he had plenty of time to get ready. That was until Thelma Lou Jean asked, "Why are you not dressed? You do know they run on fast time, don't you?" Instead of an hour and fifteen minutes to get ready, he had only fifteen minutes! He hurriedly shaved, brushed his teeth, combed his hair and smeared on a little extra deodorant, but skipped the shower. To be on the safe side, he splashed on enough dollar-store cologne to drown out the stench of a chicken-house. He jerked on his clothes, socks and shoes and said, "I'm ready!" His wife gave that look that said, "I doubt it."

The second thing Billy Bob should have asked was what kind of Baptist. Churches may have "Baptist" in their name, but there is as much variety beyond that as in the 120 count box of Crayola Crayons. Billy Bob is a Southern Baptist. Most modern Southern Baptists practice baptism and observe communion, but do not practice foot washings. Certain other kinds of Baptist churches do all three. Left Fork Baptist Church was one of those other kinds of Baptist. When the pastor stood and announced that they would begin the service with a foot washing, ole Billy Bob began to squirm. He leaned over to Thelma Lou Jean and said, "He ain't washing my feet!" She said, "You sound Simon Peter when Jesus tried to wash his feet?" Billy Bob answered, "Well, maybe he had skipped his bath too!"

Even with a shower, Billy Bob usually had a foot-odor problem. He put in odor- eaters once and they ate holes right through the soles of his shoes. Good thing they ate down instead of up, or ole Billy Bob might have lost both feet! When he finally slipped off his shoes and socks that morning, people began to look around. Thelma Lou Jean said, "Put your shoes back on!" He said, "Well, he can't wash my feet through my shoes." She answered, "He might want to try." The Barnhauser's nine year old boy said,

"What's that smell, Mama?" Ole Harley Ray Harcrow's wife, Louverne, elbowed him right in the stomach and gave him a disgusted look. Well, about that time Billy Bob heard Thelma Lou Jean say, "Oh, my goodness, I've got on panty hose." Billy Bob had seen Thelma Lou change clothes while riding down the road by putting on one outfit before she took off the other one. Back in the old days, when ladies wore dresses to church, her dilemma might not have posed a problem, but Thelma Lou Jean had on slacks. Billy Bob reached in his pants' pocket and pulled out his ever present Buck knife. He handed it to Thelma Lou Jean and said, "Just cut the toes out of those things and roll them up!" The only thing she rolled was her eyes!

Before we light out somewhere, or light in on someone, it's always best to possess all the correct information.

# Tigers bruise Vinemont Eagles, 49-6

**Ryan Guthery**
Tribune Correspondent

**BLOUNTSVILLE** – It was all J.B. Pennington Tigers Friday for homecoming night; they beat the visiting Vinemont Eagles, 49-6.

Vinemont won the toss and elected to receive hoping to get on the scoreboard first, but instead got a quick three-and out. The Tigers didn't seem to have a problem on their opening drive, going 83 yards, and capping it off with Jalon Bullard rumbling in from 3 yards out with 6:09 remaining in the opening quarter to put the Tigers up 7-0 after the PAT.

After another quick three-and-out by the Eagles, the Tigers only needed one play to find the end zone again, when Noah Allison found Austin Hyatt for a 48-yard touchdown to put the Tigers up, 14-0, after the good extra point.

Pennington found the end zone again with ease when Allison found Cole Littleton for a 46-yard touchdown, stretching the Tigers' lead to 21-0 with 11:50 to go in the second quarter.

It just wasn't the Eagles' night as they seemed to have everything go against them, giving the ball back to the Tigers by way of a fumble.

Two plays later Sheldon Blythe scored from 1 yard out to make the score 28-0 with 10:53 remaining in the first half.

The Eagles didn't lay down, continuing to fight, and a Jack Hill to Dustin Moore 80-yard catch and run set up a Carl Price 1-yard touchdown at the 7:50 mark of the second quarter, putting the Eagles on the board 28-6.

Pennington's Allison to Littleton combination struck again, this time from 19 yards out, stretching the Tigers' lead to 35-6.

Halftime couldn't come quickly enough for the Eagles as Pennington tacked on another score when Nikolas Brown ran it in to make it 42-6 with 2:39 til the break.

Late in the third, Allison added a 1-yard touchdown run to his already impressive night.

To start the final quarter, the Eagles' defense stepped up on fourth-and-goal, forcing the Tigers to turn the ball over on downs.

Vinemont's offense took over at the Eagles' 10-yard line and marched almost the whole length of the field, using up the entire fourth-quarter clock.

Taking one last shot, the Eagles saw the final seconds run off the clock as the pass fell incomplete, ending a miserable night for Vinemont.

Final score: J.B. Pennington 49, Vinemont 6

# Blue Devils hand West Point 2nd region loss, 41-7

**Bill Piper**
Tribune Correspondent

**WEST POINT** – The Blue Devils of Mortimer Jordan were all over the West Point Warriors from the opening kickoff to the last play of the game, claiming a resounding 41-7 victory to drop West Point to 4-3 and 3-2 in region play.

From nearly blocked punts to fumbles near the goal line, the Warriors kept putting themselves in a hole for the entirety of the first half.

It took less than 60 seconds for the Blue Devils to hit the scoreboard first, 7-0, over West Point.

The Warriors' Rylan Jones completed a 60-yard pass to Skyler Bowers to give the West Point faithful hope. However, that was dashed just moments later as Jones fumbled just outside the end zone and the Blue Devils quickly recovered the ball.

The Blue Devils were forced to punt after making it 22 yards following the recovered fumble just minutes earlier.

The Warrior defense began to put pressure on Mortimer Jordan and eventually forced a punt to take back possession at its 19-yard line.

Not even a minute ticked off the clock before West Point was forced into yet another three-and-out. A mid-range punt gave the Blue Devils possession inside West Point territory.

Warrior Austin Dubberly brought a spark to the defense when he forced a long third-down attempt.

This momentum did not last long following a short screen pass on the following play to back the Warriors into their own goal line.

Multiple penalties put the Blue Devils back to the 28-yard line, setting up a long third-and-26 attempt. The deep setback proved to be a disadvantage as the ensuing 42-yard field goal attempt fell short, giving the ball back to the Warriors with just a few ticks left in the first quarter.

The struggles continued into the second quarter as Brayden Martin fumbled the snap on the punt. The botched punt resulted in a first-and-goal from West Point's 3-yard line. A quick run up the gut extended the lead to 14-0.

The following kickoff was fumbled as well as Anthony Woods attempted the catch, but he was able recover at the Warriors' 11-yard line.

Another quick three-and-out forced West Point to punt again which backed the Blue Devils to midfield. However, just two quick plays later Mortimer Jordan scored again, putting them comfortably ahead 21-0.

The Warriors' Hunter Persall kept the team pushing forward on the next drive, though the Blue Devils had different plans as the Warriors were forced to punt yet again with just more than two minutes left in the half. Mortimer Jordan took over at its 12-yard line.

A couple quick plays and the Blue Devils exploded for a huge 92-yard touchdown to extend their lead to 27-0, following a missed extra point attempt, to end the first half of play.

The second half did not improve for the Warriors, as Mortimer Jordan took the kickoff to the house to increase the Blue Devil lead to 34-0.

A fast three-and-out by the Warriors put the ball back in hands of the Blue Devils. A few short plays later, including a 40-yard pass play, Mortimer Jordan scored yet again to increase its lead to 41-0.

West Point was determined not to end the evening scoreless.

With two consecutive fourth-down plays the Warriors finally broke through the Blue Devils' defense as Martin carried the ball in for a 1-yard touchdown run to bring the score to 41-7.

Mortimer Jordan replied instantly with a 50-yard run deep into West Point territory.

The Warrior defense stepped up to take over the ball on downs at its 8-yard line. West Point allowed the clock to run out as the Blue Devils took the region win, 41-7.

The Warriors will travel to Good Hope on Friday, Oct. 20.

# Curry wins 8-3 defensive battle against Fairview

**Brett Garner**
Tribune Correspondent

**JASPER** – The Fairview Aggies traveled to Jasper Friday night to face the Curry Yellow Jackets in a regional battle. It was a low-scoring, defensive affair, and the Yellow Jackets came out on top, 8-3.

The Yellow Jackets received the opening kickoff and started at their own 35-yard line. Curry was no match for the Aggie defense, however, and went three-and-out.

The Aggies started at the 47-yard line. Running back Grant Howard rushed for a 7-yard gain before going down with an apparent leg injury. He did not return. Curry forced a three-and-out and the Aggies gave up the ball.

Curry took the ball on the 10 after the punt by Ethan Satterfield.

The Yellow Jackets rushed for 59 yards on the drive, with carries by Payton Key, Tristan Jones, Kaden Williams, Hunter Glass and Wendall Ball, all the way to the Aggies' 32-yard line.

Then Scoot Bennett, on the next play, picked off Curry quarterback John Moon.

On their next drive, the Aggies took it 49 yards. Dayne Black and Tyvn Ellis rushed for a combined 22 yards with Garret Dunn chipping in with a 26-yard reception.

Fairview couldn't quite find the end zone, though, and settled for a field goal. Jaxxon Swann kicked the 23-yarder through the uprights and the Aggies took a 3-0 lead with no time left in the first quarter.

Nothing else was doing for the rest of the half, and the teams went to the break with Fairview up 3-0.

Fairview received the ball coming out of halftime, only to surrender a safety to trim the lead to 3-2 with 10:37 remaining in the third.

The free kick to Curry went down to the 21-yard line, but after gaining just 5 yards, the Yellow Jackets punted the ball away.

After a quick Aggie three-and-out, the Yellow Jackets drove the ball 57 yards and punched it in the end zone on a 6-yard touchdown run by Key. After the 2-point conversion failed, the score was 8-3 with Curry in the lead and 2:54 left in the third.

Following a big lull in the action, with 2:56 left in the game, the Aggies controlled the ball, and Black hit Ethan Holland for a 16-yard reception and Bennett for 21 yards to put the Aggies at the Curry 30-yard line.

Ellis and Black rushed for a gain of 9 yards to put the Aggies at fourth-and-1, then a bad snap ended the Aggies' hopes of a comeback as the ball went all the way to the 34-yard line and Curry recovered.

The Yellow Jackets took the victory formation and the football game 8-3 over region rival Fairview.

Key rushed for 84 yards for the Yellow Jackets with Ball and Jones having big nights as well.

For the Aggies, Bennett led with 37 yards receiving with Dunn and Holland also contributing.

The Aggies will host the Hayden Wildcats next week to continue region play.

# Yellow Jackets clip turnover- prone Eagles, 38-7

**DOUBLE SPRINGS** – The Eagles of Cold Springs traveled to Double Springs Friday night to face the Winston County Yellow Jackets. They came home with a loss, 38-7.

The Eagles won the toss to start the game and were forced into a three-and-out. After a seven-play drive, the Eagles defense forced the Yellow Jackets to punt.

On Winston County's next series, Austin Owens broke free for a 74-yard run and a touchdown.

With a good extra point, the score was 7-0 in favor of the home team with 5:36 to go in the first.

Not much later, Cold Springs' Brodi Williams was picked off by Owens, who turned it in for a 30-yard TD.

With just more than two minutes left in the quarter, the Yellow Jackets went up 14-0.

The Eagles put together a nice drive next, but they fumbled the ball and Yellow Jacket Andrew Kelley recovered it at the 25-yard line.

Defenses stepped up for both teams, forcing punts, before the Eagles put together another great drive, only to fumble the ball again, this time at the Yellow Jackets' 30-yard line. Jacob Elliot made the recovery for Winston County.

Seven plays later Justin Richie rushed in for a 26-yard TD.

The extra point was no good. At the half, the score stood at Winston County 20, Cold Springs 0.

The Yellow Jackets got the ball to start the second half, and get it they did.

Owens exploded for 95 yards, returning the kickoff for a touchdown.

With 11:45 to go in the third, it was Winston County 26, Cold Springs 0.

The Eagles dug in for a 12-play drive, but came up short on fourth down.

On Winston County's next series, Ethan Moore passed to Zachary Wright for a 55-yard TD, and it was 32-0 with 2:55 to go in the quarter.

The Eagles continued to have trouble holding onto the ball. They fumbled again, and this time Kelley recovered at the Cold Springs' 24.

The Eagles got some revenge, however, when two plays later, Francisco Ayala intercepted Moore in the Yellow Jackets' first turnover of the game.

The Yellow Jackets defense held, though, and the Eagles were forced to punt.

Kelley ran the ball in from 32 yards for another TD, making the score Winston County 38, Cold Springs 0 with 7:51 in the contest.

With 24 seconds to go in the game, Cold Springs scored on an Ayala 3-yard TD run.

Final score: Winston County 38, Cold Springs 7

Cold Springs falls to 1-6 and 0-4 in region play. Winston County is now 2-5 and 2-2 in the region.

Cold Springs will host Tanner next week.

# Broncos' ground game too much for Hanceville, 40-20

**Nick Griffin**
Tribune Correspondent

**HANCEVILLE** – The Hanceville Bulldogs hosted the Broncos of Holly Pond Friday night at Ray Talley Stadium for a critical matchup in Region 6 of Class 3A. Both teams leaned on the running game in a physical matchup that favored Holly Pond, who came away with a 40-20 win.

The ground game for Holly Pond was effective for the entire contest thanks in large part to a stellar performance from junior running back Jeremiah Holmes. Holmes put up 217 yards and four touchdowns on 20 carries. Three of those touchdowns came in the first half, including a 61-yard touchdown run on the first play of the game.

Holly Pond's front seven on defense also stood out, generating eight negative plays and holding the Bulldogs to just 115 yards of offense in the first half, 81 of which came on a single play.

Sophomore quarterback Kyler Chaney and junior running back Brody Rowell contributed in the running game, with 52- and 55-yard performances respectively. Each of them finished with a touchdown as well. As a unit, the Broncos ran the ball for 343 yards, controlling the clock and the line of scrimmage throughout the game. The Broncos won the game despite not completing a single pass.

The Bulldogs were unable to move the ball consistently on offense despite an impressive performance from junior running back Romael Simmons. Simmons ran for 189 yards and two long touchdown runs of 81 yards and 56 yards. He accounted for two-thirds of the Bulldogs' total offense.

Hanceville made a push late in the game with one of Simmons' touchdown runs and an 11-yard touchdown pass from freshman quarterback Bo Joles to senior wide out Brendan Flanigan after recovering a fumbled snap, but the Bulldogs couldn't get closer than two possessions behind the Broncos.

Holly Pond senior running back Dustin Stancill put the game out of reach on a 15-yard touchdown run with less than two minutes to play.

The win puts Holly Pond at 5-2 on the year and 2-2 in region play. The Broncos will look to keep their rushing attack going next week when they host Fultondale.

The loss at home drops the Bulldogs to 1-7 this season, 0-5 in region play. The Bulldogs will try to finish their season on a high note starting with a road trip next week to Locust Fork.

# Good Hope falls 20-13 to Haleyville in critical regional bout

**Sammy Confer**
Tribune Correspondent

**GOOD HOPE** – Good Hope's play-off hopes were hanging by a thread when the Raiders hosted Haleyville Friday night. It was a battle throughout the whole game, but Haleyville came out on top, 20-13.

After each defense forced a punt to start the game, the Lions started their second drive in excellent field position at the 33-yard line.

They kept the ball on the ground behind tough yards by Jarred Tucker, Jackson Kennedy and Ty Black.

They faced a third-and-7 at the 20, and Scott McAlpine found Tucker over the middle for a 20-yard score with 4:50 remaining in the opening quarter to put Haleyville on the scoreboard.

The Lions struck again after a three-and-out by Good Hope, when Morgan Long and Tucker had huge receptions for first downs during the drive, and Black finished the six-play, 31-yard drive with a 5-yard scamper to give the Lions a 13-0 lead with 1:04 remaining in the first.

Good Hope looked to get something going on offense.

A key catch by Kyle Carlton on second-and-10 from the 25-yard line gave the Raiders 12 yards and a big first down.

Will Dickerson got another first down during the drive as they looked to continue the momentum, but on a fourth-and-1 from the 44-yard line, Bailey Quick got stopped for no gain, and Good Hope turned the ball over on downs.

The Raider defense forced the first turnover of the game when Matthew Dixon laid a big hit on Black after he caught the ball, forcing a fumble, and Mason Moniz recovered it. But the Raiders turned the ball over on downs on the next drive. Dixon intercepted a McAlpine pass on the next series at the 30-yard line. On a second-and-11 from the 31-yard line, Quick found Carlton over an outstretched Lion defender for a 30-yard reception, and Quick scored on the next play to cut the deficit to 13-6, which mirrored the score at the half.

Good Hope came out fired up to start the second half, as a hard-fought run by Dixon and a 10-yard pass from Quick to Carlton put the Raiders close to midfield at the 41-yard line, but they went backward after that, as a Dixon 2-yard reception, followed by back-to-back sacks by the Lion defense, forced them to punt.

Haleyville tired out the Raider defense on the ground behind McAlpine and Kennedy. McAlpine completed big passes to Taylor and Nichols Sadler, but a touchdown run by McAlpine was taken away because of a block in the back penalty.

The Lions found the end zone later in the drive on an 8-yard end-around run by Tucker to stretch their lead to 20-6 with 2:53 remaining in the third.

Colton Bagwell gave Good Hope a big boost on the ground, gaining 52 yards on three carries, including a 48-yard run, to put Good Hope at the 22-yard line.

A few plays later, on a fourth-and-7 from the 19-yard line, a pass interference call gave the Raiders new life, and after a false start on the next play, Quick scrambled out of the pocket and found Dickerson over the middle for a 14-yard touchdown pass to make it a 20-13 game with 11:45 remaining in the contest.

The Raider defense got a big stop after Bagwell sacked McAlpine to force a turnover on downs, but they turned the ball over on downs themselves on their next drive.

The Raiders forced a missed field goal on their next defensive series and Good Hope had a chance to tie the game on its final series. After Quick got sacked for a 5-yard loss, the Raiders quickly turned the ball over on downs and Haleyville kneeled the final minute to end the game, along with Good Hope's play-off chances.

Final score: Haleyville 20, Good Hope 13

McAlpine finished 15-of-19 for 167 yards, a touchdown and an interception. Black had 16 rushing yards and a score, plus 29 receiving yards. Tucker had 62 yards on three receptions and a score, plus a touchdown on the ground. The defense sacked Quick three times on the night. Haleyville improves to 3-4 on the season and 2-2 in the region. The Lions will head home to take on Dora next week.

Quick finished 5-of-11 for 70 yards and a touchdown, plus 20 more on the ground and a touchdown.

Carlton had 42 yards on two catches. Bagwell finished with 57 yards on six carries. The entire Raider defense played another great game, forcing two Lion turnovers. Good Hope falls to 3-4 on the season and 1-4 in region play. The Raiders be at home next week against West Point.

"The defense played their hearts out tonight," Good Hope coach Alan Scott said. "We gave up some big plays early, one on a double move, and another on a busted play, and they were up 13-0, and to see the defense play the way they did for the rest of the game, it was great. I hate it for the kids though.

"Matt Dixon played big on both sides of the ball tonight. Haleyville has a great team and a great defense. We are in a tough region, but we keep competing.

"We just have to get over that hump. We will continue to do us right now, and then we will watch some film on West Point, and Don Farley has done a great job over there."

# Backyard Brawl: Addison over Meek, 36-14

**Josh McBrayer**
josh@cullmantribune.com

**ARLEY** – The annual gridiron matchup between the Addison Bulldogs and the Meek Tigers carries the moniker of the Backyard Brawl, and Friday night, the game lived up to the hype. The Bulldogs took the hard-fought victory, 36-14.

Big hits, stout defenses and smash-mouth football was the name of the game as Addison and Meek played to an 8-8 tie at halftime, thanks to a touchdown run by Zayne Guthrie for Addison and a matching one from Meek's John Mark Abercrombie.

As tight as the first half was, the second half was anything but as Addison came out firing on all cylinders and quickly blew the game wide open.

The Bulldogs took the ball first to start the second half and drove it methodically down the field, capping the drive with a 7-yard run from Tyler Borden. This made the score 14-8 in favor of Addison.

Addison then executed an onside kick and recovered the ball. It wasn't long before the Bulldogs were in the end zone again, this time on a 35-yard run. The PAT was no good and the score stood at 20-8.

Following a Meek punt, Addison got in the end zone for the third time in the third quarter when Guthrie found Logan Wilkins for the 69-yard touchdown. After adding the 2-point conversion, Addison took a 28-8 lead into the fourth quarter.

Down but not out, the Meek defense came up with a big stop and a forced fumble, recovering on the Addison 26. The Tigers moved the ball down the field on the ground and ended the drive with a 6-yard touchdown from Abercrombie. The 2-point conversion was no good, and the score stood at 28-14 with eight minutes left to play in the game.

Addison put the game away on its next drive when Borden helped the Bulldogs move the ball down the field and was rewarded with a carry in the red zone that resulted in a 10-yard touchdown, making the score 36-14 after the 2-point conversion.

That was the last score of the game, as the Addison Bulldogs took down the Meek Tigers 36-14 the 2017 edition of the Backyard Brawl.

# CCBOE declares October Dyslexia Awareness Month

**Heather Mann**
Tribune Correspondent

**VINEMONT** – The Cullman County Board of Education declared October 2017 to be Dyslexia Awareness Month for county schools at its meeting Thursday night.

**The board passed a resolution stating:**

WHEREAS, Dyslexia is a specific learning disability that is neurological in origin and is characterized by difficulty with accurate and/or fluent word recognition and by poor spelling and decoding abilities; and

WHEREAS, these difficulties typically are caused by a deficit in the phonological component of language that is unexpected in relation to other cognitive abilities and to the provision of effective classroom instruction; and

WHEREAS, secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge; and

WHEREAS, Dyslexia occurs on a continuum of severity affecting between 10 and 20 percent of the population according to the National Institutes of Health; and

WHEREAS, our district and community will benefit from increased awareness of the nature of Dyslexia, the early warning signs of Dyslexia, and the value of multisensory structured language interventions for students with Dyslexia; and

WHEREAS, greater recognition and understanding are necessary to ensure that individuals with Dyslexia living in Alabama and all other Americans with Dyslexia are accurately identified and provided with appropriate services so that they might lead maximally productive lives:

NOW, THEREFORE, THE CULLMAN COUNTY BOARD OF EDUCATION, do hereby proclaim October 2017 as Dyslexia Awareness Month in Cullman County Schools and encourage all teachers, parents, and community stakeholders to learn more about Dyslexia and to offer support to parents, educators, and individuals affected by Dyslexia.

Additionally, the board approved a proclamation recognizing the third week of October (October 16-20) as School Bus Safety Week.

**Other board business:**

• approved 2017-18 academic and athletic coaching supplements and assignments

• increased nurse substitute pay to $100/day effective November 1, as well as adjusted the County Schools Salary Schedule to reflect the change

• approved two Public Works projects from the maintenance department (asphalt and paving for Good Hope Middle School's parking lot, system-wide fuel tank painting)

• approved the maintenance department's bid for re-roofing and renovating the Vinemont High School building and cafeteria

• approved Good Hope Middle School, Good Hope High School and West Point High School to pay their athletic directors, as well as GHMS to pay its robotics team sponsor

**Approved the following assistant principals to be athletic coaches for the 2017-18 year:**

• George Redding (Fairview High) - senior high football coach

• Daniel Wakefield (Hanceville High) - senior high and ninth-grade boys' basketball coach

• Brent Barnett (Hanceville High) - cross country coach

**Approved professional leave days for Cullman County Education Support Professionals (CCESP) to send members to two assemblies in November:**

• Friday, Nov. 3 - 2017 ESP Minority Leadership Training Conference

• Thursday, Nov. 30 and Friday, Dec. 1 - 2017 ESP Delegate Assembly in Montgomery

**Approved two out-of-state field trip requests:**

• West Point High - four FFA officers will travel to Indianapolis Oct. 24-28 for the National FFA Convention

• Vinemont Elementary - third-grade students will travel to the Tennessee Aquarium to learn about animals and their different habitats

**Superintendent's report:**

• Oct. 16-17 - Varsity Volleyball County Tournament at Holly Pond

• Oct. 23 - Parent Teacher Conferences

• Nov. 1 - Early Release Day

The next regular board meeting will be Thursday, Nov. 9, at 6 p.m. in the Cold Springs Elementary Library, with a work session at 5:30 p.m.

# Andy Warhol expert to speak at The Evelyn Burrow Museum

**Gail Crutchfield**
WSCC

***In a photo taken after hours, The Evelyn Burrow Museum's exhibit "Fifteen Minutes Homage to Andy Warhol" is seen. Andy Warhol expert Seth Hopkins will offer a lecture and museum walk-through at an open house on Thursday, Oct. 19, at 6 p.m. The event is free and open to the public.***

**HANCEVILLE** – The Evelyn Burrow Museum at Wallace State Community College is pleased to announce it will host a talk by Warhol expert Seth Hopkins at 6 p.m. on Thursday, Oct. 19, with an accompanying open house for the exhibition, "Fifteen Minutes: Homage to Andy Warhol" from 5 p.m. to 7 p.m. that evening.

Hopkins will present information on Warhol based on his research, and answer questions during a museum walk-through. Hopkins is the Executive Director of the Booth Western Art Museum in Cartersville, Ga., a position he's held since 2000. The Booth Western Art Museum loaned two large Warhol prints for the Burrow Museum exhibit.

"We are extremely excited to have Mr. Hopkins speak at the museum on a subject in which he is so well-versed," said Kristen Holmes of The Evelyn Burrow Museum. "Anyone who attends the event will walk away with a bit more knowledge about and appreciation for one of America's most iconic artists, Andy Warhol."

Since 2003, Hopkins has also served as the Executive Director of Georgia Museums, Inc., which operates the Booth Museum, Bartow History Museum, and Tellus-Northwest Georgia Science Museum. Prior to entering the museum profession, Hopkins worked in the fields of journalism, public relations, and telecommunications management.

Under his guidance, the Booth Museum grew from an initial vision of a 30,000-square-foot regional art center, to a world-class, 120,000-square-foot Smithsonian Affiliated museum. The Booth Museum is now the largest permanent exhibition space for Western art in the country. Similarly, Hopkins led the team that transformed the 10,000-square-foot Weinman Mineral Museum into the 125,000-square-foot Tellus Science Museum, also a Smithsonian Affiliate. Southwest Art Magazine included Hopkins on its list of 10 prominent people who are "making noteworthy contributions to the art world."

He received a master's degree in Museum Studies from the University of Oklahoma in 2005. While at OU he completed his Master's Thesis: Andy Warhol Played Cowboys and Indians, under the direction of faculty advisor Byron Price. Among the nearly 100 exhibitions Hopkins has curated or co-curated are Ansel Adams: Before and After, Blazing the Trail: 50 Years of the Cowboy Artists of America, Selling the Sizzle: The Art of Movie Posters and American Spirit Remembered: The Art of Mort Kuntsler.

Hopkins twice served as a juror for the annual Arts for the Parks exhibition in Jackson Hole, Wyoming, and has also judged the annual Cowboy Artists of America Show and Sale in Phoenix, Arizona and the Coors Western Art Sale in Denver, Colorado. He has had articles published in American Art Review, Western Art Collector, and Persimmon Hill. In 2010, he was honored with the prestigious Flourish Award, given annually to a leader who has helped the arts flourish in Georgia. He recently served a two-year term as President of the Museums West Consortium, a group including the 15 largest and most important Western museums.

Hopkins is a native of Dexter, Maine, and currently resides in Cartersville, Ga., with his wife Joyce, son Stephen, step-son Alex, step-daughter Ansley and daughter Hadley.

"Fifteen Minutes Homage to Andy Warhol" will be on exhibit through the end of October. Admission to the Evelyn Burrow Museum is free, and the museum is open Tuesday through Friday, 9 a.m. to 5 p.m., and Saturday, 10 a.m. to 2 p.m. For more information about the museum, visit www.burrowmuseum.org or call 256-352-8457.

# Wallace State to compete for $1 million Aspen Prize

**Kristen Holmes**
WSCC

**HANCEVILLE** – Wallace State Community College was named this week one of 150 community colleges eligible to compete for the 2019 Aspen Prize for Community College Excellence, the nation's signature recognition of high achievement and performance in America's community colleges.

Wallace State was selected from a pool of nearly 1,000 public two-year colleges nationwide to compete for the $1 million Aspen Prize.

"An Aspen Prize nomination is among the highest accolades a community college can receive, and this recognition is especially gratifying for Wallace State.

"It represents the dedication of our administration, faculty and staff to student success as evidenced by our extensive work in Achieving the Dream and the American Association of Community Colleges' Guided Pathways Project, the addition of stackable credentials leading to greater opportunities for completion, and the investment we have made in success coaching for students. All of these efforts have contributed to ever increasing rates of students earning credentials before transferring and/or entering the workforce," said Wallace State President Dr. Vicki Karolewics.

This is the third time in five years Wallace State has been named to the list.

Awarded every two years since 2011, the Aspen Prize recognizes institutions with outstanding achievements in four areas: learning, certificate and degree completion, employment and earnings, and high levels of access and success for minority and low-income students.

Wallace State will move forward to the next round of the competition for the Aspen Prize for Community College Excellence by submitting an application to be reviewed through a rigorous evaluation for a spot on the top 10 Aspen Prize finalists list.

Top 10 finalists will be named in May 2018. The Aspen Institute will then conduct site visits to each of the finalists and collect additional quantitative data.

A distinguished Prize Jury will select a grand prize winner, finalist(s) with distinction and rising star(s) in spring 2019.

# Festival (from Front)

we keep hearing from people as they come in here," said Quick, "is they feel like they're in another city, they feel like they're in Europe, or they feel like they're in Nashville, or whatever. Cullman's open for business, and there's really nothing we can't accomplish here.

"You can build anything here, you can do anything here, and I'm hoping that this place inspires people to know that, to live that way, and to remember the Linnie Maes in their life--the people that helped them become who they are, and also inspire them to be a Linnie Mae to someone else. Hopefully, it's a place that inspires people.

"It's a great atmosphere. It's a beautiful building, amazing food. Every vendor in here has gone above and beyond to have the very best food possible. Great atmosphere, great food and a perfect area right here in the Warehouse District. We really believe it's going to be a big deal, and, hopefully, the start of many things; young entrepreneurs come to this city and do their own thing, build their own thing. We believe that Cullman's at a tipping point, and it's about to really do some massive things, like we have in the past."

"It is always a fun-filled, busy day for the Hanceville High School Boosters and Bulldog Band members," said Hanceville High School Band Director Steven Porter. "There are some great programs coming promising to entertain."

Porter said there are two special awards given out at Mud Creek, the Vanessa Watts Memorial Award and the Tam Easterwood Memorial Award.

The Vanessa Watts Memorial Award is presented to the drum major with the highest score of the festival, regardless of classification. The award is presented in honor of Vanessa Watts, who devoted her life to band and teaching young people to be the best that they can be. She graduated from German Town High School in Tennessee and received her degree in music education from the University of Mississippi. She taught at Good Hope High School for 23 years and retired in 2004. Watts taught music appreciation at Wallace State Community College, served as Alabama Bandmasters Association District 3 chairperson, was a member of the Cullman Community Band, and a Southeastern Music Camp instructor. Vanessa has always been a large supporter of bands, music education, and the Mud Creek Marching Festival. She served as a judge at Mud Creek and at many other marching festivals across the state.

The Tam Easterwood Memorial Award is presented to the color guard with the highest score of the festival, regardless of classification.

The award is presented in honor of a man who devoted his life to developing some of the best color guards, winter guards and bands across the United States. He graduated from Holly Pond High School and Jacksonville State University. Easterwood went on to march with the world-famous Madison Scouts Drum and Bugle Corps and other winter guards. His last judging assignment was at the third Annual Mud Creek Marching Festival. He was in wide demand as a judge and clinician.

Admission to the festival is $6, and parking is free. Attendees can access festival parking from the Commercial Street entrance.
