Making of a scholars' bowl powerhouse

Coach Lee Henry reviews busy year for West Point scholars' bowl teams

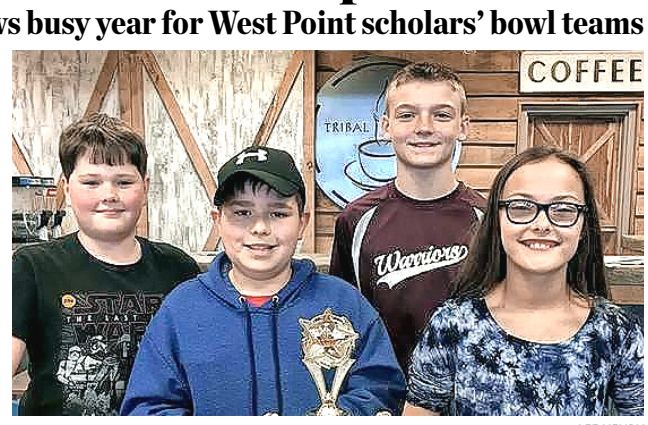

W.C. Mann
craig@cullmantribune.com

WEST POINT – The 2017-18 school year was a huge one for Lee Henry and the students he coached on multiple scholars' bowl teams at West Point Intermediate (WPI), Middle (WPM) and High (WPH) Schools: an undefeated "regular season" for his high schoolers going into the state tournament, national tournament bids for his high school and middle school teams, and an all-fifth grade intermediate school team (which included his son Brodie) that swept the all-sixth grade field in an invitational tournament.

Henry stayed in touch with The Tribune through the spring, updating the progress of his teams and taking time at the end of the season to reflect on the experience.

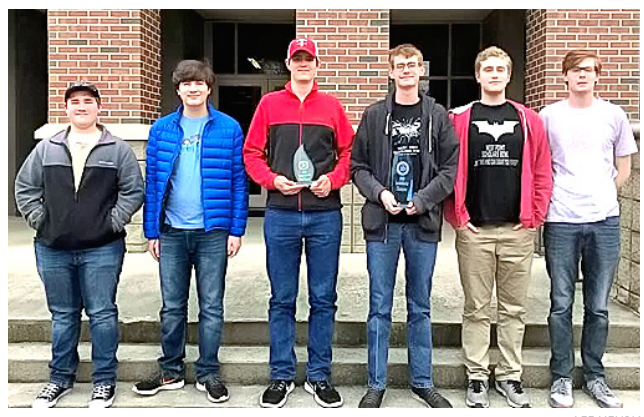

County tournament

On January 26, the high school and middle school teams swept the county tournament without the loss of a single match. WPM's Carter Duke took the top individual middle school spot, while the top three high school individuals were all from WPH: Will Parker, Tom Parker and Kohan Lovett.

West Point Invitational
The invitational tournament held on West Point's "home court" challenged the all-fifth-grade team from WPI. It proved itself, though, sweeping a field otherwise made up entirely of sixth graders. With their season officially ended, the intermediate students were allowed to join WPM for the state and national tournaments.

Snead State Invitational
Missing senior starter Billy Ellis, Henry put in Gabe Aufderhaar, then brought in sophomore Garrett Willingham for the match against powerhouse Hoover, which WPH won. Henry said of Willingham's breakout performance, "He made the difference for sure. We wouldn't have won that match without him."

In the championship match against Gadsden City, senior captain Will Parker solved a math computation "insanely fast" (in Henry's words) to win the match on the last question.

State tournaments
WPH went into the April state tournament undefeated, looking to land its third consecutive state 5A division title, but fell to Sylacauga on the final question in the championship match, leaving the scholars disappointed runners up, but still eyeing the national tournament.

WPM won only one match at state and did not place but had already qualified to attend nationals in May.

2018 Small School National Championship
Henry took three WPH teams (A, B, and C) to nationals in Rosemont, Illinois at the end of April and provided a rundown on the group experience, with a special focus on all-senior Team A:

"The top 96 Quiz Bowl teams from small schools (500 students or less in grades 10-12) were at the tournament.

"After failing to three-peat as the 5A State Champions due to a heartbreaking loss to Sylacauga in the championship round a couple of weeks ago, I think my guys had something to prove.

"They didn't play great during Saturday's prelims. Every team played 10 prelim matches. Teams that went 6-4 or better moved on to the double-elimination playoffs on Sunday. The team went 7-3 and went into Sunday's playoffs seeded number 10. That was the lowest seed we've ever gotten in this tournament.

"But something happened on Sunday. The team came alive like I hadn't seen from them in a while. It was like a different team. For example, one of our prelim losses on Saturday was against Southwestern High School for Piasa, Illinois. They destroyed us by a whopping 660-135. In the second round of the playoffs, we came against them again. I could see how confident Southwestern was to be playing us again. Except this time, we beat them 480-220.

"After that, we played Ottawa Hills, Ohio, who would eventually place second. We only lost by 20 points. After that, it was do-or-die. These kids knew that their next loss would be their last round together.

"And, they were just determined to stay alive. We beat teams that statistically were way better than us. On paper, we were lucky to be in the top 10. But, thanks to some great play, some miraculous comebacks, and some amazing luck, we managed to finish the tournament in fifth place.

"In addition to the fifth-place finish for the seniors on the A team, our B team went five and five in the prelims and were only a win away from making the playoffs themselves. The highlight there was that sophomore Garrett Willingham received a "Rising Star" trophy for being the second-highest scoring sophomore in the tournament.

"Obviously, this makes me confident that we can continue to have success over the next few years. Even our young C team was able to go two and eight!"

Henry, whose entire A Team is graduating (something the coach has never faced in his 20 years), said of Willingham, "Knowing that Garrett is there as the rising star, and I'm going to have two more years with him, that makes me feel confident that we're going to keep moving forward. And we've got a lot of talent moving up."

2018 National Middle School Championship Tournament
Two weeks after his high school team saw a top five national finish, Henry was back at the same hotel in Illinois with two WPM teams which, by that time, included his own son, fifth-grader Brodie Henry. Henry said of that experience:

"I kind of knew they were going to struggle, and I had no illusions that we were going to win that or even make the playoffs, but I told them--they won one match at state; I wanted them to win two matches at nationals. And (the A Team) did that.

"So, in less than two months, they went from one win at state to two wins at nationals, and that shows a lot of improvement in a short amount of time."

As proud as Henry was of all his players, no parent would fault him for taking time to point out that his son Brodie, on the WPM B Team, was ranked as the number five fifth grader at the national tournament. Said Henry, "I'm proud of him, and he loves it, and I can only imagine what he's going to be like when he's in high school."

To his seniors
WPH's A team is composed of four seniors: Will Parker, Tom Parker, Kohan Lovett and Billy Ellis. Of his players about to graduate, Henry said:
"It's always hard to say goodbye to your seniors--the kids you've worked with and watched grow as players and as people for several years--but this group is just special to me. They have gone to war together for four-plus years.

"They've also gone to war against each other, and even against me a few times! But I thanked them from the heart before their last match on Sunday. Sunday was one of the most-fun days of my 20-year coaching career. It was an absolute blast watching them succeed at such a high level. Of course, I'd have loved to have won the whole thing, but these kids played their hearts out and I couldn't ask for much more. I'm going to miss them dearly."

Of those coming up
Henry also talked about the group of players he still has for next year and beyond; who, from the sixth grade up, all have national championship competitive experience:

"I'm trying to build something, and I think it's going to come together. Having them from fifth grade to 12th grade is huge. Of course, that's going to make saying goodbye even harder in the years to come, especially since my son, Brodie Henry, is currently on the fifth-grade team. But I'm very excited to see how far I can take a team with seven consecutive years of coaching!"

Elect GARLAN GUDGER ★ SENATE ★

ELECT GARLAN GUDGER FOR ALABAMA STATE SENATE DISTRICT 4

"I was elected to the Cullman City Council in 2004. In 2008, I was elected President of the City Council and still hold that position today. No longer was it 'What can I do to make Cullman better?', It became 'What can WE do to make Cullman better?" Our primary objective was to build up the city to make it the best place for its citizens to live, work, play and worship. We've seen unprecedented economic growth from 2004-2018, surviving the recession of 2008 and rebuilding after the 2011 tornadoes. We invested back into our community continuously, improving the quality of life, and empowering all citizens to care a little more, work together a little more, and to believe a little more until our aspirations started to meet our achievements! This campaign is no different than my story above. It's going to take hard work, determination, and honest, open conversation, but I believe that together, we can make District 4 a Powerhouse in Alabama, in which all other communities are able to look at for a blueprint for success!"

– Garlan Gudger

Remember to cast your ballot for a man who cares as much for your community as you do your own. Vote Garlan Gudger for Alabama Senate District 4, which includes Cullman County, most of Lawrence County, and portions of Marion and Winston Counties, on June 5.

CULLMAN – The Cullman Area Chamber of Commerce celebrated the graduation of its 2017-18 Youth Leadership Class Thursday evening, with 22 local high school students and their families gathered at Stone Bridge Farms for the event.

This year's graduating class included: Sydney Newton and Matthew Blair from Cold Springs High School; Mary Kate Stanford from Cullman High School; Klowy Barrett, Iva Burdette and Nolan Warner from Cullman Christian School; Kristen Hayes and Riley Carroll from Fairview High School; Lindsey Couch and James McWhorter from Good Hope High School; Chandler Lane and Tess Mirella Brown from Hanceville High School; Kara Hollis, Hailey Crumbley, Korey Butler and Seth Self from Holly Pond High School; Paige Tackett and Shiloh Walker, who are home-schooled; Elliott Deep and Emma Pierce from St. Bernard Preparatory School; Trey Boland from Vinemont High School; and Sadie Junkins from West Point High School.

Youth Leadership Co-Chair Wes Moore was one of the ceremony's speakers; he talked about some of the opportunities he has seen this program yield in the past as well as the potential he sees in this year's class.

"Some of the things that I wanted to let you know, I went back through and looked at some of my friends that went through this program, those after me and those in my class, and through this program we have had graduates who have become doctors, lawyers, veterinarians, managers of different businesses, educators, administrators, accountants, engineers, pharmacists, nurse practitioners, business owners, a newspaper editor in Los Angeles, and the list goes on and on. Looking through the students in this class, these graduates, you're going to do the same thing. You're going to make a difference in this world," Moore said. "There's a couple of things I want you to remember. I want you to remember that a leader is honest, that they're inspiring, committed, passionate, decisive, accountable, creative, thankful, empowering and they have to be a good communicator. You may not have all those characteristics right now, but you're molding and you're working towards that, to become a better leader. I'm just so proud of this class, they've done a great job, they've worked really hard and we've really enjoyed it."

Before the graduates were officially presented, they divided into groups and made their way to the podium to talk about some of their favorite activities or programs they participated in during the year. Sydney Newton, Matthew Blair and Sadie Junkins talked about "Experiencing Leadership day;" Mary Kate Stanford and Klowy Barrett recapped "Tourism & Community Day;" Iva Burdette and Nolan Warner discussed "Education & Etiquette Day;" Kristen Hayes and Riley Carrol took "Quality of Life Day;" Lindsey Couch and James McWhorter touched on "Public Safety Day;" Chandler Lane and Tess Brown covered "Local Government Day;" Hailey Crumbley and Korey Butler talked about "Business & Industry Day;" Trey Boland and Emma Pierce spoke about "State Government Day;" and Paige Tackett, Shiloh Walker and Elliot Deep explained "Agriculture Day." All the groups of students had different takeaways and things they remembered the most, but the common theme was that they got to see parts of the community they hadn't experienced before, whether it be agriculture, government, education or industry.

Chamber President and CEO Leah Bolin sent the graduates home with a message about how much this program means to her and how much she enjoys seeing students grow throughout the year.

"Tonight is always one of my very favorite nights because when these students come in on those first interviews and they're trickling through the Chamber and they're scared and they're nervous and then today they come up here and they get in front of all of you and give a speech and talk about the things they've done. The growth that occurs in this year is always amazing to me," she said.

"Thank you for letting us have your students for a year; you have done such a great job raising them. We're excited about their career path and the things they're going to do in the future and like many have said tonight, our hopes and dream are that these students will come back to Cullman or they stay in Cullman and they will be the leaders of tomorrow," smiled Bolin.

"We're working on things at the Chamber right now to make sure that the quality of life that you've come to love and hope that you have for your children and grandchildren is here in 10, 20, 30 years. That your students have a job to come back to and that we can continue to make Cullman County the best place to live, work and play."

As your state Representative, I fully support and appreciate local law enforcement leaders like Sheriff Matt Gentry and their efforts to protect and serve our community.

The School Resource Officer programs are vital to prevention and response to issues facing our schools, and deserve stronger funding that I am working to secure.

I will work with our Police Chiefs, Sheriffs and Superintendents to support their efforts to provide safe schools for our children.
