3 MILLION MILES

Local Wal-Mart driver celebrated for 3 million accident-free miles

MAGGIE DARNELL/THE CULLMAN TRIBUNE

Cullman Wal-Mart driver Ken "Moose" Phillips crosses the "finish line" marking 3 million miles driven without an accident. Phillips was recognized with a celebration on Thursday and will soon have his very own custom truck.

Maggie Darnell
maggie@cullmantribune.com

CULLMAN – Twenty-nine years. That's how long 71-year-old Ken "Moose" Phillips has been driving a truck for Wal-Mart. In that time, Phillips has racked up a whopping 3 million miles on the road. Three million accident-free miles. On Thursday, he was recognized for his achievement.

Family members and co-workers waited anxiously for Phillips to arrive at the Wal-Mart Distribution Center, his home base since 1994. He spent the first part of his career in Georgia. Phillips was happily surprised when he pulled into the truck entrance gate to be greeted by his General Transportation Manager, Eugene Reynolds, who was the first to congratulate him on his tremendous achievement.

Reynolds and another Wal-Mart employee then set up a "finish line" checkered ribbon for Phillips to drive through, marking his achievement.

Phillips is the first driver managed by Reynolds to receive the 3 Million Safe Miles award. In fact, Phillips is one of just four drivers out of 155 to achieve this mileage from Wal-Mart's Cullman transportation office; that's less than two percent of the Cullman drivers.

Phillips' family from Georgia and Cullman came to a surprise party held just for him at the Wal-Mart Transportation Office, where cake and ice cream were served. Many of his coworkers stopped by to celebrate and congratulate him for his achievement.

Wal-Mart drivers who accomplish 3 Million Safe Miles get their own custom trucks assigned to them. The recipient gets to customize his or her truck, getting to pick the actual truck, color, seats and other parts. The driver's name and number of safe miles are added to the door of the truck. When Phillips gets to customize his truck, the finished product will be delivered right to the Cullman location, where it will then be assigned only to him.

Christy Perry

CULLMAN - The 2018 Tiny Miss Cullman County Fair Princess and Petite Miss Cullman County Fair Princess pageants took place at the Coca-Cola Theater on the Cullman County Fairgrounds Thursday evening, the opening night of the fair. The Tiny Miss pageant was open to 3-4-year-old girls. The Petite Miss pageant featured 5-6-year-old girls. Three judges had the difficult task of selecting the winners from a field of exquisite beauties.

Chris Robinson was the master of ceremonies for Thursday night's festivities. Judges were Sara Neal, Madison Neal and Samantha McDonald.

First up were the 10 contestants in the Tiny Miss division. Participants and their parents:

- Ansley Joiner, 3, Adam and Michelle Joiner

The 2017 Tiny Miss Cullman County Fair Princess, Emma Lousby (Andy and Ashley Lousby) made her way across the stage before crowning her successor. Each contestant took the stage for a few poses and turns in her beautiful gown. They dazzled the large crowd as they waved and blew kisses.

As the judges tallied the results, The Tribune spoke with the family of Katie Downs from Crane Hill. Katie wore a stunning gown with a sweetheart neckline and flowing pale pink ruffles.

Her mom, Eshawnae, was proud of her daughter, saying, "This is her first time being on stage alone and she did so good. Her dress reminded us of something Jackie O. might have worn."

The winners:

- Ansley Joiner - Most Photogenic
- 2nd Runner-Up- Kathryn Harp Lamar
- 1st Runner-Up- Ansley Joiner
- 2018 Tiny Miss Cullman County Fair Princess- Autumn Rose Cook

Autumn's personality shined through while on stage.

"We (her family) were so excited as her name was announced, Autumn got a bit scared," Kaye said.

Pedestrian hit by 18-wheeler on Hwy. 278 W in Cullman

Wendy Sack
wendy@cullmantribune.com

CULLMAN – A pedestrian was hit by an 18-wheeler on U.S. Highway 278 West near Johnny's Bar-B-Q Thursday evening. The incident happened a little before 8 p.m.

The pedestrian, Tony Speegle, 63, of Cullman was airlifted to Huntsville Hospital with head injuries.

Cullman Police Department (CPD) Chief Kenny Culpepper said an Air Evac Lifeteam helicopter landed at the ball fields by West Elementary.

Speegle was crossing U.S. 278 when he was hit. Culpepper described the impact as "a glancing blow."

According to CPD Traffic Homicide Investigator Joey Duncan, Speegle was alert after the impact. Duncan said Speegle was thrown approximately 15 feet from the point of impact, which was the inside, eastbound lane of U.S. 278 just east of the intersection of Denson Avenue, about a block east of Johnny's. Duncan said the 18-wheeler, driven by Glen Hunt, 70, of Eva was hauling gasoline.

Duncan and CPD Traffic Homicide Investigator Jonathan England traveled to Huntsville Hospital to gather more information.

"Mr. Speegle left his residence, which is close to the scene of the accident, walking to Charlie's Leather, where they were having barbecue sandwiches," said Duncan. "He crossed the highway and was struck by the semi."

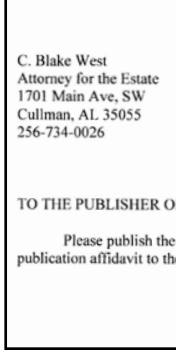

Duncan continued, "Upon investigating, it was determined that the pedestrian, Mr. Speegle, was the at-fault party. He was issued a citation for pedestrian on roadway."

Duncan said Speegle is talking and fully alert and has "serious, but not life-threatening injuries." Of Hunt, Duncan said, "He's obviously is a little shaken up due to the accident, but he had no physical injuries."

As for what caused the incident, Duncan said, "There is low visibility in that area for a pedestrian to cross the road in a non-designated area. Mr. Speegle said he didn't see the semi. But the semi had its lights on. Witnesses told us the truck had its lights on, and there is nothing to lead us to believe that he (Hunt) was going above the speed limit. The pedestrian was not observant of his surroundings. There's no designated crosswalk where he crossed, but 30 feet east there is one, but he did not choose to use that."

CULLMAN – The Cullman County Animal Shelter is getting full! Volunteer Donna Ruttkay introduces us to an extra Pet of the Week:

Patton is a bull terrier mix (yes, that Patton, whose own bull terrier, Willie, was almost as highly regarded as the general was among his troops) who's around 2 years old.

He's a medium-energy pet described as "one sweet, jovial fellow" who has the makings of a good companion or comfort dog.

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior. Several of the shelter's dogs have even been "hired" to work as special needs service dogs.

Patton's adoption fee is $90, which includes: DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, neutering, microchip, free 45-day health insurance policy issued by 24PetWatch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).Please consider adopting to give a rescued pet a chance at a happy and healthy life.

Bearcats fall in overtime, 19-16, to Athens

Noah Galilee
noah@cullmantribune.com

CULLMAN – Cullman was explosive in the first half Friday night, but several defensive stances forced the game into overtime where the 'Cats fell to Athens, 16-13.

The Bearcats got the scoring started on the first drive of the game as Seth Gable, Jayden Sullins, Dylon Wallace, Gabe Sosa, Noah Bussman and Alex Sheppard followed the lead of quarterback Max Dueland to make way for an opening drive touchdown by Sullins that put Cullman up 7-0.

Both offensives struggled to find the red zone but could move ball in the middle of the field. This changed when the Golden Eagles' quarterback rushed 60-yards for the tying touchdown just two plays into the second quarter.

The offenses stalled for both teams, but a big defensive strip and recovery by Carter Lindsey helped to pump up the Cullman crowd.

Though the Bearcats couldn't score off the ensuing drive, it would help set the 'Cats up for a late-scoring drive to end the first half.

Dueland found Brock, Sullins, Wallace and Burks before airing it out to Peyton Colvard for a go-ahead 12-yard touchdown pass to put Cullman up 13-7, following a missed extra point, over Athens going into the break.

The second half saw both teams struggle to find their offensive rhythms.

This rang true after a scampering Dueland was picked off inside Athens territory.

However, an illegal block in the back negated the long return, setting the Golden Eagles up at their own 10-yard line.

Athens managed a couple first downs before being forced into a fourth-and-3 from the Golden Eagles' 22-yard line to set up a long 37-yard field goal attempt.

That's when Cullman's Gable came up big, breaking through the front to block the kick and give Cullman excellent field position with 3:33 left in the third quarter.

The thrill was short-lived as Cullman could not convert on the turnover and ultimately missed a 37-yard field goal attempt, which skirted just past the uprights.

Cullman's defense stood up again when it forced Athens into a short fourth-down run, but Gable plugged the hole and stopped the attempt just short of the first-down mark to force a turnover on downs with less than 10 minutes left in the game.

The Bearcat offense couldn't find its stride following the turnover, resulting in a punt; this punt return went 80-yards for the tying touchdown for the Golden Eagles. Athens was flagged for excessive celebration following the touchdown when the ball was thrown into the air.

This forced Athens to attempt a 35-yard extra point which was no good, leaving the game tied at 13-13.

On Athens' next series Cullman's defense stepped up as Dustin Speake snagged an interception and set the 'Cats up at Athens' 39-yard line with 5:19 remaining in the game. Cullman's offense got close to putting one in for six points, but the leg of Luke Andrews tacked on 3-points as he nailed the 21-yard field goal to put Cullman in the lead, 16-13, with 2:11 left in the game.

Athens was not intimidated and drove back down the field to set up a game-tying field goal from Cullman's 8-yard line. With 3.2 seconds left the kick was up and good, sending the game into overtime.

Cullman took to the field first, but it was the force of Athens' defense that pushed the 'Cats backwards until Dueland lost the ball on a fumble that was recovered by the Golden Eagles. Three plays later Athens sealed the game with a chip-shot field goal, topping Cullman 19-16.

The Bearcats (3-4, 1-2) will have to regroup quickly after the dramatic finish and prepare for the Muscle Shoals Trojans coming to town next week.

Northside hands Good Hope first loss of the season, 42-27

Preston Prewett
Tribune Correspondent

NORTHPORT – Good Hope traveled to Tuscaloosa County to battle the Northside Rams and was met by a loud and hostile crowd. The Raiders fought hard but ended up being handed their first loss of the season, 42-27. The game was hard-hitting and penalty-ridden for the entire 48 minutes. Flags were being thrown on what seemed to be every single play. Tempers ran high on the field and in the stands.

Northside opened the game with a nice six-play, 68-yard drive to take the lead 7-0. Good Hope countered with a long, run-heavy, 17-play, 59-yard drive that was capped off by a 12-yard touchdown run by Colton Bagwell. At one point the drive was extended by a critical fourth-down encroachment call against the Rams. The extra point was not good, and the Raiders trailed by one (7-6).

The Rams didn't let the Raider score phase them as they came right back on the attack. They proceeded to march down the field on a 10-play, 62-yard touchdown drive to take the lead by 7.

Northside really started showing some of its size with this drive as the run game opened up.

On the kickoff, Northside executed a perfect onside kick and was able to get the recovery. Luckily the Raider defense stiffened up, stopping them for a three-and-out. The Rams' punter got off a beautiful punt while the special teams downed the ball and stuffed Good Hope at its own 1-yard line. The Raider offense struggled to get the ball out and Matt Dixon was tackled in the end zone for the Northside safety, extending the lead to 16-6.

Northside continued to flex its muscle on the next possession as the Rams punched in another touchdown off an eight-play, 40-yard drive extending their lead to 23-6.

This ended up being the final score of the first half as Good Hope just couldn't get much going on offense.

The Raiders received the ball to start the second half and managed to get a first down but ended up punting it away four plays later. Northside didn't fare any better on its first possession of the third quarter. The Rams' defense found its way through the line of scrimmage twice, sacking Bailey Quick for 11- and 6-yard losses on the Raiders' next outing.

Northside finally put together some offense and had a long 47-yard pass leading to another Ram touchdown and extended the lead to 29-6.

Good Hope countered and was able to find its way with the bull running of Dixon (19 carries, 129 yards, three receptions, 37 yards, two touchdowns) as he capped off a 7-yard run with the touchdown to set the scoreboard to 29-13.

The fourth quarter was a penalty fest. It seemed like flags were flying after every play. The players were frustrated as well as the fans as boos could be heard echoing throughout the stadium. Throughout the flags, both teams were able to find the end zone several times.

Northside really started airing it out on its outing and found the end zone on an 8-yard wheel route to set the score at 37-13.

Good Hope answered the air call as Quick (13-18, 92 yards in the air, two touchdowns) hit Dixon for a nice 7-yard touchdown strike. He backed it up with a nice toss over the middle to Isaiah Green for the 2-point conversion.

The Rams took it to the ground next with five straight run calls, but a big hit by the Raider defense caused a fumble allowing Dixon to recover and go 56 yards on the return.

Two plays later Quick called his own number and scampered in for the 8-yard score, putting the Raiders within striking distance at 36-27.

Northside took over with three minutes left in the game and pounded the ball on the ground to grind out the clock.

The Raider defense was tired and wasn't able to stop the Rams from punching it in the end zone to extend their lead to 42-27. This would be the final score of the game as Good Hope ran out of time.

The Raiders (5-1, 2-1) will look to bounce back into the win column next week when they host Haleyville in another big 4A, Region 5 matchup.

Jasper dominates West Point, 54-20

James Phillips
Daily Mountain Eagle

JASPER – The Jasper Vikings Improved to 5-1 on the season and remained unbeaten in Class 5A, Region 7 at 4-0 with a dominate 54-20 win on homecoming Friday night over region foe West Point.

The Vikings racked up 592 total yards in the game, 350 through the air and 242 on the ground.

"It is a region win, and it was a win on homecoming with a lot of other stuff going on," Jasper Coach Bryan Moore said. "We did some things early that we can't do as we move forward. We turned the ball over again in the first half. That is something that we have to correct. We had some bad penalties and made some bad decisions at times.

"We also did some good things," he added. "We moved the ball well, and we put points on the board, but we left some that we should have had. I'm proud of our guys. We are 5-1, and we are undefeated in the region. That is something to be happy about."

Quarterback Michael Crear continued to pace the Jasper with 306 yards and two touchdowns on 21-of-28 passing. The senior quarterback spread the ball around to seven different receivers.

Xavier Waldrop led the Vikings with nine catches for 119 yards and two touchdowns. Cole Bonner returned after a two-game absence due to injury to catch three passes for 82 yards and a score. Running back Kaden Shelton had a dynamic performance against West Point, running for 82 yards and two touchdowns on eight carriers, while also completing his only pass of the game for 44 yards and a score. Cam Lambert also scored two touchdowns in the game while carrying the ball 13 times for 72 yards.

The Jasper defense held West Point to only 74 yards on the ground but gave up 201 through the air. The Warriors finished with 275 total yards.

The Vikings opened the scoring on the night when Crear hit Waldrop on a 9-yard touchdown pass with 9:14 left in the first quarter. Both offenses stalled through the remainder of the first quarter with Jasper leading 7-0.

Shelton scored his first touchdown on the night after only 46 seconds had passed in the second quarter to give Jasper a 13-0 lead. The Warriors answered with their best executed drive of the night when Hunter Persall scored on a 1-yard run to cut the lead to 13-7 with 6:56 left in the first half. A few plays later, Jasper answered that score with a halfback pass from Shelton to Waldrop. Both teams added scores before halftime with Lambert and Shelton scoring for Jasper and Rylan Jones scoring for West Point. The Vikings led at halftime 34-13.

Jasper scored on the opening play of the second half when Crear hit Bonner on a 66-yard pass. Jasper led 41-13. Lambert scored on a 3-yard run later in the third quarter to give the Vikings a 48-13 advantage.

Jasper's final score of the night came at the 8:45 mark of the fourth quarter when freshman tailback Trayvon Stewart scored on a 3-yard run. With Jasper's junior varsity defense playing late in the fourth quarter, West Point scored on another Jones run to cut the final deficit to 54-20.

West Point drops to 1-5 on the year and is winless in the region. The Warriors will play Dora at home next week.

North Jackson handles Aggies, 78-12

Sammy Confer
Tribune Correspondent

STEVENSON – Fairview (Class 4A, Region 7) traveled to Jackson County to take on the North Jackson Chiefs (Class 4A, Region 7) in hopes of keeping their playoff chances alive. After getting off to a quick start, the Aggies quickly fell behind and wound up falling in dramatic fashion, 78-12. Fairview quickly got on the scoreboard on the opening kickoff as Dante Dumas took it 97 yards for the score with only 19 seconds off the clock.

The rest of the first half belonged to North Jackson as the Chiefs quickly put up 37 unanswered points, including a safety. Lee Witherspoon accounted for all of those touchdowns to make it a 37-6 lead for the Chiefs. But there was no quit in the Aggies as they got some help from North Jackson; a trio of penalties, plus big runs by Dayne Black and Tyvn Ellis, helped move Fairview closer and closer to the end zone and Black finished the drive off with a 5-yard score to whittle the deficit down to 37-12.

But Witherspoon added two more rushing touchdowns to put the score at 50-12 going into the half.

North Jackson added four more touchdowns in the second half, and though the Aggies kept battling on both sides of the ball, the Chiefs took the game, ,78-12.

Fairview was held to just 111 yards of total offense. One of the positives from the game is that Dumas finished with well over 200 yards on kickoff returns. The Aggies fall to 2-4 on the season and 1-3 in region play; they will look to bounce back at West Morgan next Friday.

Holly Pond (from Front)

Hunter Mann
Tribune Correspondent

HOLLY POND – Holly Pond started off on an exciting note Friday night against the Locust Fork Hornets when the Broncos took the opening kickoff and carried it out to their own 40-yard line. The Broncos then proceeded to carry the ball, play after play, to the end zone for the first touchdown of the game by quarterback Kyler Chaney.

Locust Fork then took the ball and immediately drove its way to the Hornets' first touchdown and an early 7-6 lead.

After that, the two teams seemed to be even for the rest of the quarter, until Chaney again managed to run through Locust Fork's defense.

The Broncos almost scored, but only made it to the 5-yard line by the end of the first quarter.

The second quarter started off just as thrilling as the first with Holly Pond scoring a touchdown and a 2-point conversion within seconds of the quarter's start.

However, this quarter quickly slowed down. The Hornets could just barely hold their own and weren't gaining enough ground to get into the end zone.

Eventually, Locust Fork drove close enough to the end zone to nab a field goal.

The quarter ended shortly after, leaving the halftime score at Holly Pond 14, Locust Fork 10.

The third quarter started slower than the first two.

Things didn't pick up until the Broncos' defense recovered a fumble.

Holly Pond quickly carried the ball to the end zone with Tyler Simmons finishing off the drive with a 30-yard score that stretched the Bronco lead to 28-10.

After that, Holly Pond kicked the ball back to the Hornets, but they fumbled the ball and the Broncos were able to recover.

The Broncos then drove their way into the end zone with a touchdown run from Jeremiah Holmes, this time with a 2-point conversion that made the lead 36-10.

The game continued from there with fumbles and recoveries from both sides, yet no scoring plays.

The fourth quarter was just a countdown to the end with no further scoring, allowing Holly Pond to pull away with the 36-10 win.

The Broncos (5-2, 2-2) will take on 3A, Region 5 foe J.B. Pennington next week on the road.

Meek picks up 36-14 homecoming win over Brilliant

Ryan Guthery
Tribune Correspondent

ARLEY – It was a battle of the Tigers as Meek hosted Brilliant Friday night, but it was Meek that was victorious, 36-14, in front of a homecoming crowd.

On the first possession of the game it was the Black and Orange Tigers with the ball, but on third down they threw an interception. Three plays later, Gabe Jones put Meek on the scoreboard thanks to a pick-six giving Meek an early 8-0 lead. The Meek defense forced a three-and-out giving the ball back to its offense with good field position. Five plays later, Nelson Martin scored from 28 yards out putting the Meek Tigers up 16-0 with 3:52 remaining in the opening quarter.

On the ensuing possession, Brilliant drove the ball down and was set up first-and-goal after a huge pickup through the air on fourth down.

However, after a penalty that set the Blue and White Tigers behind the chains, they were faced with a fourth-and-goal, and the Meek defense stepped up to force a turnover.

After a big third-down pickup through the air, Jones went 43 yards to put Meek up 22-0 with 7:18 left before halftime. After the Meek defense forced a turnover on downs, the offense put another touchdown on the board thanks to a 12-yard pass from Stuart Waldrep to Caleb Aaron to extend the lead to 30-0 with just 1:30 until halftime.

It wasn't until very late in the third quarter that Brilliant, thanks to a conversion on third-and-20, found the end zone on a 22-yard pass, cutting the Meek lead to 30-8 with 1:25 remaining in the third quarter. On the next Meek possession, an interception gave the ball back to the Brilliant offense, which took full advantage after a fourth-down conversion, scoring on a 37-yard pass to once again cut into the lead, 30-14, with 5:06 remaining in the game.

Looking to put the nail in the coffin, the Meek offense got the ball after an attempted onside kick, and several plays later Jones went 37 yards, putting the game out of reach and securing a homecoming victory as the home Tigers stretched the lead to 36-14 with 3:30 remaining in the game. Meek was able to keep Brilliant out of the end zone for the final 3:30 to cap of an impressive defensive performance.

Meek (3-4, 1-3) will be back on the road next week as the Tigers head to Pickens County for an important 1A, Region 6 matchup as the regular season starts to wind down.

Eagles fall to Fultondale, 33-12, at home

Nick Griffin

VINEMONT – The Eagles played a tough, physical game at home against Fultondale Friday night, but they just couldn't get enough offense going to keep them in the game after halftime. Vinemont came up short, 33-12.

The Wildcats scored on their first possession of the game with a 4-yard touchdown to go up 7-0, but the Eagles' defense responded by keeping Fultondale from finding the end zone until the third quarter.

It was a difficult night for Vinemont on offense. The Eagles had just 61 yards of offense at the half, all of which came on the ground, but the defense was able to keep them within reach by holding Fultondale to just two more field goals in the half. Senior safety Dustin Moore picked off a Wildcat pass in the final seconds of the second quarter and took it 98 yards the other way for a score, but a penalty on the return kept Vinemont off the board.

After running one more play to end the half, the Eagles went into the locker room trailing 13-0.

The second half started well for Vinemont with the defense forcing a punt on Fultondale's first possession of the third quarter. Unfortunately for Eagles fans, they were not able to capitalize on the defensive stop as Vinemont fumbled the ball inside its own 10-yard line, setting up a 2-yard touchdown run that put the Wildcats up 19-0.

After another Eagle punt, Fultondale stretched its lead to 26-0 with a screen pass that went 45 yards for a touchdown.

Vinemont fumbled the ball again on the ensuing possession, but senior defensive back Cam Carter got the ball back to his offense just a few plays later with an interception at the goal line.

Vinemont's offense was able to get on the scoreboard early in the fourth quarter after junior quarterback Jack Hill punched in a touchdown from 2-yards out to cut the lead to 26-6. The Wildcats responded quickly with a 28-yard touchdown run on their next possession to go up 33-6 and ice the 3A, Region 5 win.

Vinemont played every snap in this one, and the Eagle offense went down the field to score on a 10-yard touchdown pass from Hill to junior wideout Lucas Miller as time expired to make it a 33-12 final.

The loss brings Vinemont's record to 2-4 this fall with another regional matchup on the road against Locust Fork coming up next week.

Colbert Co. hands Addison first region loss, 35-8

Jacob Cole
TimesDaily

LEIGHTON – Ethan Smith ran for 382 yards on 33 carries and two touchdowns to lead Colbert County to a 35-8 win over Addison.

Colbert County has an edge in the 2A, Region 7 championship chase after staying undefeated against the no. 2 team in the region, Addison.

Smith broke free for runs of 81 and 85 yards during his massive game for the Indians.

Smith said the offensive line deserves all the credit, and he made sure to name every single offensive lineman.

Colbert County scored first on a 13-yard touchdown pass from Lucas Craft to Jay Olivis on a fourth-and-6. The extra point was missed.

The Indians owned the majority of the second quarter.

Jyrease Horton punched in a 7-yard touchdown run after Smith broke an 81-yard run to the Addison 7. Horton carried in the 2-point conversion.

With 4:20 left in the half, Colbert County stopped Addison on fourth down at the Indians' 15-yard line. One play later Smith busted an 85-yard touchdown run to give Colbert County a commanding 21-0 lead.

Addison scored after a nine-play, 59-yard drive with 33 seconds left. Weston Smith scored on a 3-yard touchdown and also scored the 2-point conversion for the Bulldogs.

Ethan Smith had 234 yards rushing at halftime for the Indians on 15 carries and a touchdown. Colbert County led 21-8 at halftime.

Addison received the second half kickoff and drove to the Indians' 44-yard line before the stingy Colbert County defense stopped them on fourth down.

After 11 plays, Ethan Smith scored on a 10-yard run to extend the lead to 28-8.

Colbert County added a late touchdown in the fourth quarter.

Craft hit Themetri Carter for a 16-yard touchdown to seal the 35-8 win for the Indians.

Addison (5-2, 2-1) will be back home next week to take on the Tanner Rattlers.

Hanceville hammered by Midfield, 70-18

Nick Griffin
nick@cullmantribune.com

BIRMINGHAM – It was a long night on the road for the Hanceville Bulldogs, who traveled to Birmingham to face the Midfield Patriots in a regional bout that saw the home-standing Patriots put the traveling Bulldogs to rest, 70-18.

The game got off to a great start for the road team as the Hanceville offense drove down the field and scored on the opening possession of the night with a 1-yard touchdown from senior running back RJ Evans.

Unfortunately for the Bulldogs, they weren't able to find the end zone again until midway through the third quarter.

Midfield ripped off 38 unanswered points to end the first half with a 38-6 lead.

The Patriots scored to start the third quarter and extended their lead to 46-6, but Bulldog quarterback Bo Joles ran one in from 9-yards out on the next Hanceville possession to make it 46-12.

Midfield continued to pull away after Joles' touchdown, going up 70-12 before Evans was able to score his second touchdown of the night and bring the final to 70-18 in favor of the Patriots.

The 3A, Region 5 Bulldogs (1-6, 0-4) will have a chance to regroup and rest up this week before hitting the field again on Oct. 19 when they host Fultondale for another regional showdown.

"10 THINGS FROM A TRIBUNE TASTEMAKER"

This week, meet Christine Chamblee Nishimura, head bartender, 412 Public House

Cullman has a gracious, savvy, fun, unofficial-but-true "Ambassadress of Hospitality," Christine Chamblee Nishimura, head bartender of 412 Public House.

In less than a year, Christine's briskly sparkling, bustling bar has become "THE" place to meet-and-greet in our part of Alabama.

Easing onto a popular perch at Christine's chic, Amy Wood-designed, nest feels like being welcomed to a friendly, classy, Southern home radiating charm. With the diplomacy of an ambassadress, Christine credits her hospitality skills to her family, who owned Chamblee's Italian and Steaks, and credits the impeccable professionalism of 412 to her superb associates.

When I compared her bar to the famed Highlands Bar & Grill (Birmingham. started by fellow Cullmanite, Frank Stitt, Christine said she shares Frank's standards for "consistent quality" and "refining the details."

She added, "At 412, we constantly practice our skills: the pours and recipes. We aspire for the cocktail you order to delight you exactly as the one you had with us on your last visit."

If Christine were not an "ambassadress," she would make a great captain of a ship; everything shipshape and smooth sailing.

HERE ARE: "10 THINGS FROM THIS TERRIFFIC TASTEMAKER:"

1. SOUTHERN BELLE—the signature cocktail on the 412 menu she wants ladies to try

2. WHISKEY SOUR—a 412 classic "traditional and tasty" for a Southern gent

3. LAMONT LANDERS—an Alabama musician Christine wants everyone in earshot to hear the next time he performs at 412

4. HER DAD, ROBIN WILLIAMS, PATRICK DEMPSEY—three people on Earth or above she'd most like to join her on a barstool at 412; "I'd make my daddy a bourbon with a twist, or maybe a beer cocktail with a PBR. Robin would get something I would call a 'Doubtfire,' and it would have to have a flame. And, I'm on a 'Grey's Anatomy' kick, so Dr. McDreamy would definitely get a warm and mellow Scotch."

5. GOAT ISLAND BREWING and KARMA'S COFFEE HOUSE—Cullman businesses she salutes for creativity and great customer service

6. NOAH MCCULLOUGH at The Collins Bar (Birmingham)—a fellow bar professional she admires; great gin concoctions and tiki drinks, some with a Tom Cruise, "Brian Flanagan" flare

7. BEST BAR JOKES—ask Luke at 412 who has some great ones, "He cracks up customers and the rest of us every day."

8. VERMOUTH—a weird word to hear in an Alabama bar, "It's so Bond. James Bond."

9. A CLOUDY GLASS—a pet peeve and something should it ever happen at 412 would "drive me insane."

10. WONTON NACHOS OR CHEESE STICKS—favorite bar food at 412, "Half the time, I end up getting both."

FUNNY THINGS FROM YESTERDAY

Working at the Busy Bee Café

Robert N. Tidwell, Sr.
Tribune Contributor

In the early 1950s my family was the proud owner of the Busy Bee Café. At that time the café was located at the corner of Third Avenue East and Third Street East, catty-corned across the street from O.P. Jackson's General Merchandise Store, which later became Joe Sapp's store and finally a part of the First Methodist Church. Across the street on the east side was the Imbusch building which housed the following businesses: Cullman Banana Supply, Modernistic Printers, Almond Butane Gas Co. and O.K. Rubber Welder, a tire shop.

The café at that time was a small building about 20 feet wide and about 40 feet long. It was an open building inside without any partitions, just a bar about 30 feet long down through the middle with bar stools on the left side and the cold drink box, refrigerator, cabinets for supplies, grill and warming trays on the right side.

At that time the only things on the menu were hamburgers and a variety of soft drinks. Hamburgers were made a little different in those days as they had loaf bread mixed in the meat to hold it together as it was grilled.

It also made the meat go a little further. The best thing about the Busy Bee was you could get two hamburgers and a large 12 oz. RC cola for 25 cents; that's right, only one quarter. And you would feel like you had a really big meal.

Since I was the oldest boy in our family it seems like I was always involved in working in whatever was going on.

I worked on Saturday as a waiter and then every morning before I went to school I had to go by and fill the drink box. The Busy Bee had an unusual fragrance that would get in your clothes and stay with you until your clothes were washed. There was one thing I hated about working at the Busy Bee was after I filled the drink box I would smell like a hamburger all day long.

If I had been smart, I would have gone by at night and filled the box. Live and learn. Our days of owning the Busy Bee are long gone, but the Busy Bee Café lives on.

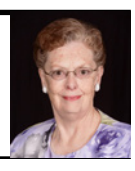

The Busy Bee Café is in a new location and a good place to eat. It is one of the oldest businesses in Cullman. I think it is almost 100 years old.

A few years back my wife and I met a lady that said she and her husband were from somewhere up north and they were headed to Florida to find a place to live. They stopped in Cullman to spend the night and were looking for a place to eat. They ate at the Busy Bee Café and liked it so much that they decided to stay and live in Cullman.

After the lady told us this, I was glad to say long ago I had worked at the Busy Bee Café.

News from the Pond

Good morning "Tribune" readers and families. Welcome to the warm fall (summer??) time of the year. You know it's fall when Octoberfest and the Cullman County Fair are both occurring. I cannot remember when we celebrated both events this close together.

The Holly Pond Civitans met on Sept. 25 in the Guy Hunt Library building with Mrs. Kay Stewart, outgoing president, presiding.

The theme for the past year has been "Kindle Your Fire for Civitan." This meeting marked the beginning of a new club year with the installation of new officers. The new theme for the 2018-2019 club year is "Civitan Hands – Making a Difference in the World."

We invited the officers from the Hanceville Civitan Club to attend out meeting also.

James Fields, Area Director and a member of the Hanceville Club was the installing officer.

He began the ceremony with a very inspiring talk about each member being involved in their local clubs and making a difference in their community.

Members of the Hanceville Club attending were James Fields, Pam Reid and Brenda Carter.

Members of the Holly Pond Club who were installed were: Kay Stewart, past-president; Bart Dye, president; Walter Floyd, president-elect; Julia Floyd, secretary; Sharon Oliver, treasurer; Gladys Wisener, sergeant-at- arms; Lynn Jetton, Elna Barnett, Mary Hickey and Bill Oliver are the new directors. Paul Brown will be the club chaplain also for the upcoming year.

Other members of the Holly Pond Club in attendance were Jimmie Dean Carnell and Lyndell House. The next meeting will be held on Oct. 9, in the library conference room. Refreshments were served to those attending.

Tribune Files from Yesteryear

From The Files Of 1955

James Ernest Owen, 55, was killed instantly on Friday morning, while working on a forty foot electric pole on Route Ten, Cullman.

He fell from the pole, some thirty or forty feet, when 7,200 volts of electricity went through his body. Efforts of a first aid man and the fire department's respirator to revive him were unsuccessful.

Mr. Owen was a native of Lawrence County, but had lived here for many years. He formerly was employed by the city, but for several years had been an employee of the R.E.A.

Surviving are his widow, Sarah Singleton Owen; two sons, Ed and Ted Owen; two brothers, Bill and Elmer Owen; three sisters, Mrs. Vera Brassel, Mrs. Homer Green and Mrs. Vernie Presley and two half- sisters, Mrs. Joe Speakman, Senior and Mrs. Bessie Patterson.

Funeral services were held at First Baptist Church, at 1:00 p.m., on May 8th, with Reverend A.J. Coltharp officiating and Moss Service directing interment in City Cemetery.

Active pallbearers were M.C. Lovvorn, T.J. Hudson, Lorea Barron, Gene Craft, G.B. Terry and Claude Wood.Honorary pallbearers were employees of the Electric Cooperative.

One of the biggest crowds ever attended the 4-H Club Rally on Saturday. The boys and girls, with a banner from their schools, formed the line for the parade with Marie Peinhardt, 4-H Club Queen, Fred Harbison, 4-H King and the other county officers riding on the green and white float, which led the parade.

The farm of C.L. Moody, in the Bethsadia Community, was the mystery farm of April.

Mr. Moody and his wife, the former Estelle Speegle, were married 36 years ago and have been on their present farm for the last 30 years. They bought the farm from the late John and Fred Buchmann and have erected all the buildings on the farm since they have owned it.

The Moodys grow a variety of crops – including ten acres of cotton, four acres of pepper, sweet and Irish potatoes, as well as other truck crops and chickens. Mr. Moody says that he believes cotton is his best money crop, year in and year out. He farms with a tractor.

Although Mr. Moody has a very fine farm pond he says he leaves the fishing to other members of the family. He is a member of the Farm Bureau Co-Op. The Moody's are Baptists.

The Moody's have two daughters, Mrs. Geneca Brown, of Birmingham and Mrs. Oleva Thompson, of Cullman and four sons, Kermit, Howard and Lee, of Cullman and Dan, who is now stationed in England with the United States Armed Forces. They also have eleven grandchildren.

They are looking forward to Dan's return home in about a month with triple interest. Dan has married an English girl, whom he's bringing home, along with their baby daughter.

BILLY BOB'S STORIES AND STUFF

Making muscadine memories and a little jam too

Bill King
Tribune Contributor

Our house in Opelika came with a few extra features which included a swimming pool, a backyard stream, and a muscadine vine. Drew was born the weekend we moved in. For the first few years there, neither Drew, nor I, was tall enough to reach most of the muscadines. As far back as I can remember I have enjoyed coming across wild muscadines in the woods. I found them as a boy when I roamed the woods behind our house. I have found them beside golf courses.

Okay, I spent a good deal of time in the woods when I played golf.

On good days, I came home with more golf balls than I took and a pocket full of muscadines.

I gave up golf and just starting walking in the woods. That is much more relaxing.

I think the vine behind my house is a wild vine. It is on the other side of the stream, near the edge of the woods.

It had crawled up a big tree. Except for a few low hanging ones, most of the muscadines were so high we needed a bucket truck, or a helicopter, to reach them.

Since I didn't have either and I was too old to climb the tree, I figured they weren't any good anyway. Yes, sour grapes.

Drew and I built a footbridge across the stream, directly under the vine.

With the help of a ladder placed on the bridge, we could reach more of them, but most were still out of reach.

A few years ago, I decided to pull the vine down from the tree.

A good portion of the vine broke off, but we had enough left to run on a wooden trellis we had built over the stream.

That first year, the vine didn't even stretch all the way across, but now it has reached the fence behind the pool and has run probably twelve feet along it. With that much vine, you might think we've had bumper crops of grapes every year but not so.

At first I didn't prune it, so I decided to see if that helped. The next summer we had a ton of little muscadines pop out, but before they reached maturity they mysteriously disappeared.

I decided birds or deer were thieves. Jean had a decorative scarecrow that she planted in the flower bed each fall.

It was simply for decoration or to scare off door-to-door salesmen. Drew and I borrowed it.

We stuck it in the ground beside the vine, on the side toward the woods. He guarded the crop fairly well. He even scared me one night. We had muscadines for the next couple of years but still not many. Then someone told me about dryer sheets. No, I don't mean for my clothes but for our muscadines. We used old fashioned wooden clothes pins to clip the sheets about every foot all around our vines. I guess the birds and deer enjoy wrinkles in

their clothes, because they didn't get close. I'm told the deer don't like the smell. This year we had a bumper crop.

Last weekend we picked them clean. Gigi even helped us. We ate our fill. Fifteen doesn't care for them but Sixty-Five ate a couple. Gigi used the rest to cook up some of the best jam I have ever smeared over a biscuit.

I smeared some over several biscuits just to make sure it was really that good – it was!

Sometimes, if we want to bear fruit, we must guard against those who will prevent it. It may be birds, deer, the devil, and two legged beings.

Poet's Corner

The Last Day Of September

By: Randy C. Hale

The Summer is gone
and the trees will soon
shake their aprons.

The crisp dry leaves
once green, turning loose,
to cascade away.

October with its orange
and red hues will soon
be earth's new attire.

The markets will fill with
pumpkins, gourds,
hay bales
and corn stalks for decor.

September departing,
closing summer dreams
for this Autumn affair.
