CULLMAN COUNTY FAIR 2018

'ALL THESE YEARS LATER'

Crane Hill couple who met at the fair 58 years ago enjoys Senior Day

CULLMAN – Wednesday was the annual Senior Day at the Cullman County Fair, and one couple with a special connection to the fair, John and Geneva Sellers of Crane Hill, was especially enjoying the day's festivities. The couple first met on Oct. 1, 1960 at the fair's Ferris wheel. John was 19 and Geneva was 17.

John smiled, "I was there with a few buddies and I saw her from the Ferris wheel. I told my friends that the girl in the leopard print pants is mine!"

Recalled Geneva, "My girlfriends convinced me to buy those pants and wear them to the fair. All these years later and he remembers those leopard print pants!"

Geneva admits that she and her girlfriends were hoping to meet some boys. As for John, he was looking for the right girl.

Geneva said, "He introduces himself and I thought he was cute. Something just sparked."

John had wanted to drive Geneva home that night, but she wouldn't let him. She had driven her own car to the fair. She agreed to meet him again the next day. John went the next day and picked up Geneva in his black convertible Chevy with red interior.

John laughed, "She had her own car, so at least I knew she didn't just agree because of my car." After picking her up, John took Geneva to meet his parents.

The couple would eventually marry in 1962. They have been to the fair almost every year since the "love at first sight" meeting at the fair 58 years ago. They recently celebrated their 50th wedding anniversary with a six-week trip to Venezuela. John and Geneva also deliver meals for Meals on Wheels in Crane Hill.

The couple has four children, 11 grandchildren and one great grandchild. Their grandchildren have won many awards at the fair in the past few years for singing and art. The Cullman County Fair continues to be a special place and time for their family.

More on Senior Day

A huge crowd came out to enjoy music, exhibits and fellowship. Comfort Care Home Health was on hand giving fair goers T-shirts and tote bags, which were great for the seniors as they picked up swag from the many vendors at this year's fair.

Admission to the fair was free and the Lion's Club concessions were available with hamburgers, hotdogs and fried pies. All of the fair buildings were open for people to browse the contest entries. A variety of vendors were also busy passing out information. Some had special drawings for the seniors to enter. Wallace State offered free health screenings

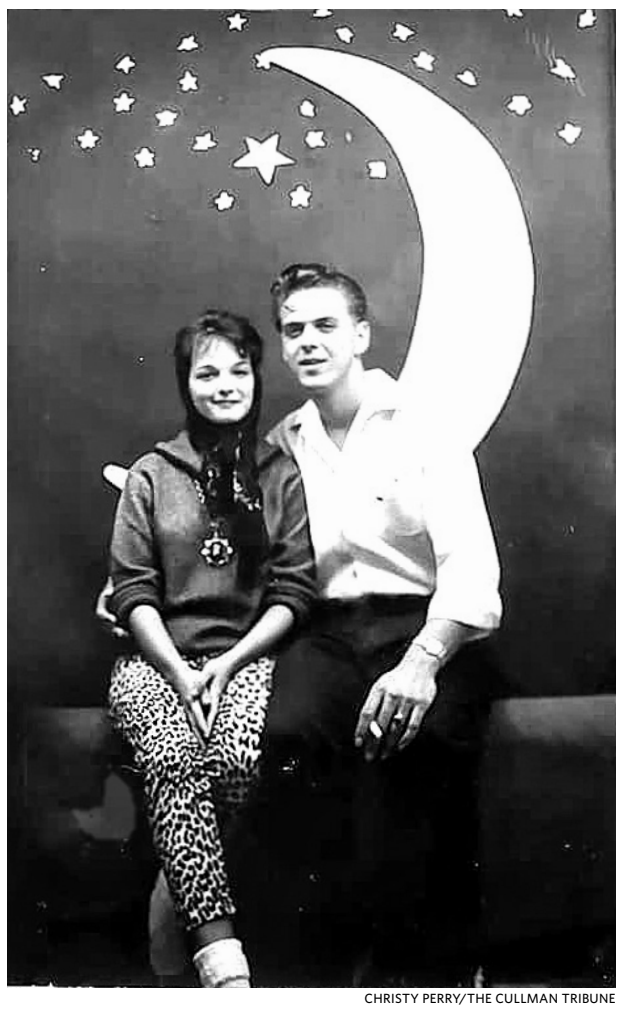

Seniors filled the Coca-Cola Theatre to enjoy gospel singing and other crowd favorites. Volunteers with Comfort Care danced with a handful of seniors while many clapped along.

Jim and Tammy Melton were at the fair laughing and enjoying time with their friends, Mike and Doris Vinson, Calvin Wright and Linda Murray. They were a little » PAGE 6

Cullman Regional Family Care Clinic hosting walk-in flu shot clinic

Wendy Sack
wendy@cullmantribune.com

CULLMAN – Cullman Regional's Family Care Clinic is hosting a walk-in flu shot clinic in October and November. According to the hospital, most major insurance providers will cover the cost of the vaccination. The flu shot is available for ages 6 and older with limited pediatric vaccinations available. High-dosage shots are available for ages 65+ and are covered by Medicare.

The clinic will be open from 9-11 a.m. and 2-4 p.m. on the following days:

- Thursday, Oct. 11
- Tuesday, Oct. 16
- Thursday, Oct. 18
- Tuesday, Oct. 23
- Thursday, Oct. 25
- Tuesday, Oct. 30
- Thursday, Nov.1
- Tuesday, Nov. 6
- Thursday, Nov. 8
- Tuesday, Nov.13
- Thursday, Nov. 15
- Tuesday, Nov. 20
- Tuesday, Nov.27
- Thursday, Nov. 29

According to the Centers for Disease Control and Prevention (CDC), "Influenza is a potentially serious disease that can lead to hospitalization and sometimes even death. Every flu season is different, and influenza infection can affect people differently, but millions of people get the flu every year, hundreds of thousands of people are hospitalized and thousands or tens of thousands of people die from flu-related causes every year. An annual seasonal flu vaccine is the best way to help protect against flu. Vaccination has been shown to have many benefits including reducing the risk of flu illnesses, hospitalizations and even the risk of flu-related death in children."

The Cullman Regional Family Care Clinic is located on the Cullman Regional campus, in Professional Office Building 1, on the 4th floor and in Suite 450.

Walk-ins are accepted for the flu shot clinic on the specified dates and times only. For more information, contact the Cullman Regional Family Care Clinic at 256-735-5075 or visit www.CullmanRegionalFamilyCare.com.

Jacobs proclaims 'Dysautonomia Awareness Month' in Cullman

Leanne West
City of Cullman

CULLMAN – Cullman Mayor Woody Jacobs on Tuesday officially proclaimed the month of October "Dysautonomia Awareness Month" in the city of Cullman. On hand to receive the proclamation were Kyle Guess, Sean, Cassidy, Athan Landman and Cory, Heather, Karlee and Kasen Johnson.

Dysautonomia is a group of medical conditions that result in a malfunction of the autonomic nervous system. The autonomic nervous system is responsible for "automatic" bodily functions such as respiration, heart rate, blood pressure, digestion, temperature control, and so forth. Over 70 million people worldwide are affected by dysautonomia manifested in conditions such as Diabetic Autonomic Neuropathy, Neurocardiogenic (Vasovagal) Syncope, Pure Autonomic Failure (PAF), and Postural Orthostatic Tachycardia Syndrome (POTS). Dysautonomia can affect anyone, regardless of age, gender, race or socioeconomic background. It can be very disabling and can result in social isolation, stress on the families of those impacted, and financial hardship. Some forms of dysautonomia can even result in death. Increased awareness can help patients get diagnosed and treated earlier and foster support for individuals and families coping with dysautonomia.

Dysautonomia International, a 501(c)(3) non-profit organizations, advocates on behalf of patients living with dysautonomia, recognizes the contributions of medical professionals and family members who are working to educate others about dysautonomia, and encourages communities around the world to celebrate Dysautonomia Awareness Month each October.

Good Hope passes sewer rate increase

Christy Perry
christy@cullmantribune.com

GOOD HOPE – The Good Hope City Council on Monday night voted to increase the City's sewer rates.

Mayor Jerry Bartlett said, "The average customer will likely see an increase of just $1 as a result of the new rates."

Monday was the second reading of the new ordinance, and those present voted in favor of the new rate plan.

According to Ordinance No. 020-2018, the new rates for residential customers are $11.23 for the first 3,000 gallons of water and $3.21 per 1,000 gallons from 3,000 up to 10,000 gallons.

New rates for businesses are $38.49 for the first 3,000 gallons of water, $6.41 per 1,000 gallons from 3,000 up to 10,000 gallons, $5.78 per 1,000 gallons from 10,000 up to 15,000 gallons and $5.25 per 1,000 gallons for all over 15,000 gallons.

In other business, the council reversed its decision to sell a 4 wheeler it had listed as surplus.

After a new tank of gas and battery, it was determined that the vehicle was in good condition.

The mayor ordered a spreader, and the vehicle will be used with the spreader to treat the ball fields and parks with fertilizer and ant killer, as well as other needs.

The council also discussed plans for Halloween.

As a community event, Bartlett suggested encouraging kids to come by city hall after school on the 31st between 3-4:30 p.m. for candy.

Pictures will be taken and placed on Facebook to allow community members to vote in costume contests.

More details will be worked out and announced soon.

A new study in *JAMA Cardiology* shows that the drug fenofibrate might reduce the risk of cardiovascular events in patients with type 2 diabetes who have high levels of triglycerides and low levels of "good" cholesterol, despite being treated with statins. Fenofibrate is primarily used to help reduce elevated levels of triglycerides, or fat, in the blood. But the researchers wanted to know if the drug, when combined with statin treatment, could also reduce the risk of heart disease in people with type 2 diabetes. People with type 2 diabetes are at high risk of cardiovascular-related events, such as heart attacks, stroke and even death, often because their levels of triglycerides are so high and their high-density lipoprotein (HDL) cholesterol levels are low.

The U.S. Food and Drug Administration has approved Ocrevus (ocrelizumab) to treat adult patients with relapsing forms of multiple sclerosis (MS) and primary progressive multiple sclerosis (PPMS). This the first drug approved by the FDA for PPMS. MS is a chronic, inflammatory, autoimmune disease of the central nervous system that disrupts communication between the brain and other parts of the body. It is among the most common causes of neurological disability in young adults and occurs more frequently in women than men. For most people with MS, episodes or worsening function (relapses) are initially followed by recovery periods (remissions). Over time, recovery may be incomplete, leading to progressive decline in function and increased disability. Most people experience their first symptoms of MS between the ages of 20 and 40. PPMS is characterized by steadily worsening function from the onset of symptoms, often without early relapses or remissions. The U.S. Centers for Disease Control and Prevention estimates that approximately 15 percent of patients with MS have PPMS.

Vinemont rolls past Falkville, 32-6, in MS game; late touchdown lifts Eagles past Hanceville, 20-18, in JV contest

Sammy Confer
sammy@cullmantribune.com

Vinemont 32, Falkville 6 (MS)

The Eagles didn't waste any time finding the end zone on their opening possession as Isaac Moody started with a 52-yard run and Ayden Thomason finished the drive off with a 5-yard score to give the Eagles an early 8-0 lead with 6:07 remaining in the opening quarter. Thomason threw an interception later in the quarter, but the defense tackled Falkville's running back in the end zone for a safety to make it a 10-0 score.

Moody then found the end zone on a 50-yard run to increase Vinemont's lead to 18-0. The Blue Devils scored for the first time in the game on a 4-yard touchdown pass to make it an 18-6 game, which was the score at the half.

Luke Gay got things started for the Eagle defense to start out the second half when he sacked Falkville's quarterback for an 8-yard loss, then later on in the drive, Connor Gibbs picked off the quarterback to set up Vinemont at the 44-yard line after a holding call.

Long runs by Brody Speer and Thomason later set up a 21-yard touchdown pass from Thomason to Moody to increase the lead to 24-6. The Eagles later added to their lead on a 1-yard touchdown run by Kyser Campbell to put the final score at 32-6.

Moody finished with 126 yards on just six carries and a touchdown, plus a 21-yard touchdown reception. Thomason completed five passes for 56 yards and a touchdown, plus a rushing score; the defense dominated the Blue Devils from start to finish. The Eagles improve to 2-4 on the season; they will finish the season on the road at Fairview next Monday.

Vinemont 20, Hanceville 18 (JV)

The first quarter saw both defenses dominate as the period ended scoreless. Hanceville started the second quarter strong as Bo Joles found Brodie Malcom for a 42-yard connection on the first play, then Logan Guthery broke free down the middle for a 26-yard gain. Joles finished the drive off with a 2-yard score to put the Bulldogs on the board with 6:48 remaining in the first half.

Later in the quarter, the Eagle defense forced the Bulldogs to turn the ball over on downs, and on the first play of its series Deacon Samples found Colby Miller for a 66-yard score to tie the game up at 6 with 2:17 remaining in the half after the failed two-point conversion.

Hanceville quickly countered on its next drive when Joles connected with Garrett Riggs for a 73-yard touchdown pass on a third-and-18 play. Hanceville took a 12-6 lead into the half.

The third quarter went like the first, scoreless, and it was 12-6 going into the final stanza. On the first play of the quarter, Hanceville fumbled, and Chandler Reese recovered the ball for the Eagles; they quickly capitalized on the turnover as Samples found Nathan Whitney for a 15-yard score to tie the game at 12 with 6:32 remaining.

On the Bulldogs' next possession, Joles pitched the ball to Guthery, who couldn't quite handle it and Easton Whatley ended up recovering the ball for Vinemont; the Eagles picked up a huge first down on a fourth-and-1 play, which put them at the 28. On a third-and-7 play from the 25-yard line, Samples found Miller for the biggest pass off the game as the two connected for the big score to put Vinemont up top, 20-12, with 1:25 remaining in the contest after Samples scored on a huge two-point conversion.

But there was no quit in the Bulldogs as Joles ran for 17 yards to start off the next drive, then he found Guthery for 31 more. Two plays later, Joles found Riggs for a 15-yard touchdown pass to cut the lead to 20-18 as they looked to tie the game on the 2-point conversion. But a bad snap forced Joles to fall on the ball and the Eagles hung on to win.

Joles completed five passes for 171 yards and a pair of scores, plus one on the ground, for the Bulldogs. The defense forced two Eagle turnovers in the game. Malcom added an interception for Hanceville.

Samples completed six passes for 117 yards, had three touchdowns and an interception for the Eagles. Miller caught three of those passes for 101 yards and a pair of scores. Whitney added a 15-yard touchdown reception in the game as well. The defense forced three Bulldog turnovers, two of those coming in the final period.

TUESDAY-NIGHT FOOTBALL: MIDDLE SCHOOL/JV

Good Hope MS, JV teams pick up road wins over West Point, 34-12, 24-6

Sammy Confer
sammy@cullmantribune.com

Good Hope 34, West Point 12 (MS)

The Raiders' running game, led by Russ Wooten, Konner Stevens, Jed Clements and Charlie O'Neil, started out strong, wearing down the Warrior defense early, with Clements finishing the drive with a 2-yard quarterback sneak for the score to put the Raiders on the board first with 5:17 remaining in the opening quarter. Next up, Good Hope recovered the onside kick and O'Neil broke free for a 27-yard run that put the Raiders at the 2, and he found the end zone two plays later to make it a 12-0 lead for the Raiders.

The Warriors' first offensive possession saw them mix the run and pass as Parker Marks picked up a key first down during the drive and found Elisha Sims for 19 yards; then he found Damian Raymond for 4 yards, the running game picked up another big first down.

West Point finished the drive by getting on the scoreboard as Marks found Sims for a 24-yard touchdown completion on another key fourth-down play to cut the Raider lead to 12-6.

Good Hope, though, struck back on its next possession thanks to a pass interference penalty on the Warriors on fourth down. After Clements found Stevens for a 23-yard pass play, Wooten finished the drive with a 5-yard touchdown run to increase the Raiders' advantage to 20-6. The Warriors looked to answer, but Marks got picked off by Fernando Dominguez. It was 20-6 at the half.

West Point got something going to start out the second half when Marks picked up another first down with 18 yards to put the ball at the 28-yard line. Back-to-back completions gave the Warriors another first down at the 17, but Raymond later fumbled and Wooten recovered the ball.

The Raiders started the drive at the 3-yard line, but they stuck with their game plan as they continued to run the ball successfully. A 41-yard run by Stevens got them out of trouble, then Wooten, Stevens and O'Neil got the ball on the final three plays, with O'Neil finding the end zone on a 14-yard run to widen Good Hope's lead to 28-6.

The Raiders recovered another onside kick and O'Neil added his third touchdown of the day on a 30-yard run down the left side to make it a 34-6 score. West Point put up the final score on a Marks 22-yard run to put the final score at 34-12.

Stevens finished with 102 yards on just seven carries. O'Neil added 84 more on the ground and three scores. Wooten finished with 46 rushing yards and a touchdown. The Raider defense forced two turnovers. They improve to 2-3 overall and will finish the season at home against Holly Pond.

Marks finished the game going 8/14 for 96 yards and a touchdown, plus a rushing score, for the Warriors. West Point is now 3-3 overall on the season and will finish the drive at home against Priceville.

Good Hope 24, West Point 6 (JV)

Good Hope got things started quickly as the ground game got them going behind the duo of Michael Owens and Tanner Malin; the latter finished the drive with a 2-yard run to put the Raiders on the scoreboard first. The next three drives saw both defenses force punts; Good Hope added to its lead on a fourth-and-11 when Malin found Jager Burns for a 39-yard touchdown pass to make it 16-0.

The Warrior offense was forced to punt on its next series, and the running game, led by Owens, Malin and Burns, got things started on the right track once again for the Raiders. Malin found Cameron Twilley for 11 yards, then he found him on the next play on a 34-yard touchdown pass to make it a 24-0 score at the half.

The second half saw a battle of the defenses, and the Warriors broke the Raiders' shutout bid when Will Cochran broke multiple tackles for a 25-yard touchdown run late in the final period to put the final score at 24-6.

Malin finished 5/8 for 99 yards and a pair of scores, plus 85 more on the ground and a touchdown. Owens added 69 yards on the ground. Twilley added two receptions for 45 yards and a pair of touchdowns. The Raider defense forced a turnover on a Paydon Bagwell interception and held the Warriors to just 25 first-half yards and 129 for the game. Good Hope is now 5-0 on the season.

Cochran finished with 51 rushing yards and a touchdown for West Point. The defense held the Raiders to just 89 second-half yards.

COMMUNITY PROFILE

Meet Mrs. Wynell Ray Lee, who will be 100 on Oct. 24

Christy Perry
christy@cullmantribune.com

On Oct. 24, Mrs. Wynell Ray Lee will celebrate her 100th birthday! She still lives at home next door to her childhood home and has many fond memories of her years growing up in the Providence community.

Her parents, John and Gertie Ray, made a living as farmers and had four children, including Wynell. Wynell's only sister, Jeanelle, died as an infant, leaving Wynell with two brothers to pal around with. The family grew potatoes, strawberries, cotton and other crops depending on the season. Her daddy would take the truck to markets to sell the vegetables.

Wynell remembers her childhood fondly with the exception of digging up potatoes.

She and her brothers would often compete when working in the fields, she shared, "We were paid by the pound of cotton. It was best to pick early in the morning when the cotton was still wet. I picked 300 pounds of cotton in one day. That was my record. We had to make a game out of it so there would be some fun to it."

The family was self-sufficient. They grew their own vegetables and raised hogs and cows. They milked cows and made their own butter.

Wynell and her brothers (Ferrell and Jack) did have fun when they weren't working on the farm.

She recalled, "We made truck wagons. We would clear the hillside and start at the top. A truck wagon was four wheels with a wooden plank down the center to sit on. We tied ropes to the front wheels for steering. We were so silly! We would make stop signs on our course down the hill. Guess what we didn't have? BRAKES!!"

She laughed as she explained that brakes were hoping your feet would stop the wagon.

"Oh, we had so much fun!! Back then we didn't have nothing but what you made to play with. Our favorite thing was a big tree on top of the hill. It was by the water and we loved swinging on the muscadine vines in the tree.

"We would swing around and out into the water. We also took an old chain and tied it up in that tree. We would swing around and around. One day my brother, Ferrell, swung around and into the tree, breaking his arm. Lord, Daddy was so mad! He went straight to that tree and chopped it down."

Wynell recalled a story from when she was 12 years old: "One year we had a big snow and a big crowd of snow ballers went out to play.

"I wanted to go so bad, but I only had on a little pair of slippers on my feet. So I went snowballing in my slippers. I ended up catching pneumonia.

"We made lots of snowmen. We would attach corn cobs to sticks so it looked like they were smoking," she laughed.

Wynell attended Providence School. She said that the small school only had four rooms. The kids would attend high school at Eva High School, but Wynell never finished school. Sadly, her brother Ferrell, who had a heart condition, passed away three days shy of his 17th birthday.

Wynell married for the first time at the age of 16. Two years later, she said, "I got mad and just went back home."

When Wynell was around 20 years old she went to a singin' with a friend. Her friend had a boyfriend and he had a friend named Ithel Lee. Wynell and Ithel started dating and eventually married. Ithel was in the U.S. Navy.

Ithel Lee was serving on the U.S.S. Wasp during World War II and in 1942 the ship was attacked by the Japanese.

The ship sank, and 193 men lost their lives. Ithel Lee survived and was then sent to San Diego. Young Wynell would join her husband in California. Scared to death, Wynell boarded her first train headed for California.

She said, "I thought we would never get there! I took the L&N Railroad and we missed our connection in Yuma, Arizona and ended up in Los Angeles. We then took the Southern Pacific Railroad to San Diego. We were 11 hours late."

As she finally arrived in San Diego, she didn't see her husband and she thought, "What in the world am I going to do?" Ithel had met every train at the station that day. He wasn't expecting her to be coming from Los Angeles on a different railroad company.

She said, "I finally looked up and saw Ithel pacing frantically and he finally saw me. Ithel said to me, 'Lord have mercy! Where have you been???'"

As the young couple got settled in San Diego, Wynell saw and experienced a very different world than what she had known in Providence, Alabama.

Two things she especially remembers: "There was no lightning and thunder. Just rain. Also, buses! They had buses that could take you everywhere."

Wynell found work at Woolworths working the counters and floor.

She laughed, "They loved my Southern accent! They were always asking me where I was from. Florida? Georgia? I would never tell them. One day as I was getting to work, it had rained and there was a great big puddle of water.

"Woolworths was kind of in a hole, so I wasn't sure how I was going to get around it to the door. Suddenly this sailor came over and picked me up, carried me through the puddle and sat me down at the door. He told me to have a good day and off he went. Can you believe that?"

After three years in San Diego, Ithel and Wynell returned to Cullman. They had a house built next door to Wynell's childhood home. They had three children: Ronnie, Janice and Terry. In the early 1950s the family moved to Michigan, as many did, to work for Ford Motor Company. Ithel worked while Wynell stayed home with the children.

After a short time in Michigan, the Lees returned to Providence. Wynell still lives in the home she and Ithel had built next to the old house.

Wynell's youngest son Terry has renovated the old house and lives next to his mother. Wynell's daughter Janice also lives nearby. Ithel Lee passed away in 1968.

Wynell's brother Jack passed in 1995 and her oldest son Ronnie passed away in 2011.

These days Wynell stays busy with grandkids, four great grandchildren and one more great grandchild on the way. Wynell loves watching all sports, especially Bama football.

She also loves to watch game shows. She loves Steve Harvey and "The Family Feud."

According to Wynell's daughter Janice, her mother lives for Bama's first game every year and is very excited about her 100th birthday saying, "She's talked about it all year!"

Happy Birthday, Wynell Lee, and Roll Tide!!!

disappointed that the rides and games weren't open.

Doris Vinson joked, "We've been sitting here wanting to play this water balloon game."

Calvin Wright, added, "I'm more interested in that fresh lemonade booth."

The friends were very lighthearted in their critiques.

Mike Vinson said, "We are having a great time. We love a chance to get together to joke around. Several had hoped to ride the carousel, but they did enjoy the Ferris wheel."

Bands (from Front)

Four marching bands from Cullman County competed at the Southern Hospitality Marching Festival (SHMF) in Hartselle, and each brought home superior ratings in all categories.

Of the four bands (Holly Pond, Vinemont, Hanceville and Cold Springs), three also brought back trophies for Best-in-Class performances by different components of the bands.

In these competitions, each band is judged on the different components that make up the band, such as the drum major, majorettes, dance line, color guard, percussion, and the band as a whole.

Bands that don't have one or more of these components don't get any points taken off, and the SHMF included an extra category for bands that included a feature twirler.

VINEMONT (Class A)
- Drum major: Superior
- Color guard: Superior
- Feature twirler: Superior
- Percussion: Superior, Best in Class
- Band: Superior

HOLLY POND (Class A)
- Drum major: Superior, Best in Class
- Majorettes: Superior
- Color guard: Superior
- Percussion: Superior
- Band: Superior

Drum Major Leah Tarvin also received the highest category score in the entire competition.

HANCEVILLE (Class A)
- Drum major: Superior
- Majorettes: Superior
- Color guard: Superior
- Feature twirler: Superior
- Percussion: Superior
- Band: Superior, Best in Class

Hanceville also won the Challenge Cup for Class A, which is given to the band with the highest average score.

COLD SPRINGS (Class AA)
- Drum major: Superior
- Color guard: Superior
- Percussion: Superior
- Band: Superior

Meanwhile, at the Covered Bridge Marching Festival in Oneonta, the Fairview High School band, percussion, drum major, majorettes and color guard received all 1s.

Fairview's majorettes also won the Amanda Marks Memorial Award (best majorettes out of all bands competing) and Best In Class Majorettes.

The Cullman Bearcat Band received all superior ratings and Best-in-Class Drum Major, Dance Line and Band at the Trussville Marching Invitational.

The band was also awarded the grand championship.

Cullman Regional's 4th annual Trunk or Treat Oct. 25

Mary Beth Sellers
Cullman Regional

CULLMAN – Cullman Regional's fourth-annual Trunk or Treat event will be held on Thursday, Oct. 25, 2018 from 4-7 p.m. on the Cullman Regional campus.

Last year's event was a huge success with more than 8,000 community members attending. Main features of this year's event include free food, games, free health screenings and more candy than ever before.

The event also features elaborate trunks decorated and hosted by various departments and physician offices from across Cullman Regional's campus.

"This event continues to grow and exceed our expectations every year," Cullman Regional's Vice President of Marketing, Lindsey Dossey said. "We love being able to host this event for our community and look forward to a fun-filled night."

Cullman Regional departments compete to win "Best Trunk" as voted on by the event attendees; it has become a coveted title and has sparked some amazing creativity in the trunks featured each year. Last year's winner was the Critical Care Unit and Float Pool team who created an elaborate "Moana" trunk.

"The level of creativity displayed from our departments blows us away each year," Dossey said. "We are excited to see the ideas our teams come up with this year."

The Trunk or Treat event will be held in the main parking lots in front of the hospital. For more information on upcoming events at Cullman Regional, visit www.cullmanregional.com.
