City Schools Foundation recognizes outstanding alumni, teachers

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – The Cullman City Schools Foundation on Friday held its 11th annual Distinguished Alumni and Service Awards Luncheon held in Tillman Hall on the campus of Cullman High School.

The late Dr. Rhonda Quick was awarded the 2019 Distinguished Alumna with her sister Regina Quick accepting the award in her sister's memory. A 1985 graduate, Rhonda Quick was valedictorian and received a full scholarship to Auburn in pre-medicine. She was a first-generation college student. She continued her education at Wake Forest University Bowling Green School of Medicine and received her doctor of medicine in 1993.

She completed her residency in general surgery at the University of Kentucky Chandler Medical Center in 1998. After a two-year vascular fellowship, she remained on faculty at the University of Kentucky's College of Medicine and the department of surgery. In 2003 she moved to Tucson, Arizona to work at VeinSolutions.

Quick passed away suddenly March 17, 2019.

"She did choose Tucson, Arizona, probably to many folks' dismay, and Dr. (Gregory) Windham who is here today. Dr, Windham, thank you, not just for allowing her to work with you during the summers when she was at Auburn, but he was the anonymous benefactor of her full-ride scholarship," her sister shared. Good Hope 7th graders create Rubik's Cube mosaic portrait of Abraham Lincoln

GOOD HOPE MIDDLE SCHOOL

One of Good Hope Middle School's seventh-grade classes poses with the mosaic portrait pieced together through the day by all the students of that grade level.

GOOD HOPE, Ala. – This week, the seventh-grade classes at Good Hope Middle School took turns creating patterns on 225 Rubik's Cubes and arranging them to create a mosaic portrait of President Abraham Lincoln. School Librarian Stephanie Hood secured the cubes and got the project rolling.

Hood told The Tribune, "I just happened to come across this-I guess it was on Facebook I saw about it or something-and it's called the Rubik's Cube Lending Program.

"They let me borrow these for six weeks, and I just have to pay to send them back, so I get to use them for free, basically. You can borrow up to 600, and I got 400 this time. I have 400 cubes in there, and it's a lot to keep up with!"

The image came from a template available through the lending program's website.

Hood said, "You go on their website and you download it. And you divide the kids up in groups, and each group has their specific patterns that they have to make.

"Then, when each group gets theirs done, we bring it to the table and put them all together, and it makes that mosaic."

How did the kids take to the project?

Hood responded, "Some of them love it. I mean, it takes a lot of problem-solving and critical-thinking skills, and things like that. Some of them are more energetic about that than others!"

According to the librarian, certain students, especially many of those who seem to struggle with traditional classroom approaches, seemed to thrive with the hands-on challenge.

Said Hood, "It builds their confidence, too. I mean, you would not believe » PAGE 6

MORTGAGE FORECLOSURE NOTICE

Default having been made in the terms of that mortgage executed on August 22, 2007 by Orville B. Sutfin and Toni J. Sutfin, husband and wife, to EvaBank, which said mortgage is recorded in Book MTG 1534, Page 545 in the Probate Office of Cullman County, Alabama, and default continuing, and by virtue of the power of sale contained in said mortgage, the following described property will be sold at public outcry, for cash, to the highest bidder, in front of the Courthouse door of said County, in Cullman, Alabama, during the legal hours of sale on October 15, 2019:

Surface rights only in and to all that part of the SE ¼ of the SE ¼ of Section 24, Township 12 South, Range 4 West, which lies east of Cone Mill Branch and north of the Gulf Branch, being more particularly described as follows: Commence at the intersection of the east forty line of said section, township and range with the south R.O.W. of the Hanceville-Shelton Grove Road; thence west along said south R.O.W. 315 feet to the point of beginning; thence south 330 feet to a point in Gulf Branch, thence southwesterly along Gulf Branch to where it intersects the south forty line of the SE ¼ of the SE ¼, Section 24, Township 12 South, Range 4 West and Cone Mill Branch, thence northwesterly along Cone Mill Branch to the southwest corner of Robert E. Brown's lot; thence east 465 feet, more or less, to a point, thence north 140 feet to a point on the most southerly R.O.W. of the Hanceville-Shelton Grove Road; thence easterly along said R.O.W. a distance of 330 feet to the point of beginning. Lying and being in the SE ¼ of the SE ¼, Section 24, Township 12 South, Range 4 West, and containing 13 acres, more or less.
LESS AND EXCEPT: Part of the SE ¼ of the SE ¼ of Section 24, Township 12 South, Range 4 West, and more particularly described as follows: Commence at the intersection of the east forty line of said section, township and range with the south R.O.W. of the Hanceville-Shelton Grove Road; thence west along said south R.O.W. 645 feet to the point of beginning; thence east along said south R.O.W. 261 feet to the west side of a private drive; thence south along said private drive 407 feet; thence west and parallel to the south line of Robert E. Brown's lot to the Cone Mill Branch; thence northerly along said Cone Mill Branch to the southwest corner of Robert E. Brown's lot; thence east along south line of said Brown's lot 465 feet to the southeast corner of said Brown's lot; thence north along the east line of said Brown's lot 140 feet to the south R.O.W. line of Hanceville-Shelton Grove Road and the point of beginning.

Said sale is made for the purpose of paying the mortgage debt and cost of foreclosure.

Alabama law gives some persons who have an interest in property the right to redeem the property under certain circumstances. Programs may also exist that help persons avoid or delay the foreclosure process. An attorney should be consulted to help you understand these rights and programs as part of the foreclosure process.

Funny Things from Yesterday: Movies were a nickel

Robert N. Tidwell, Sr.
Tribune Contributor

When I was in grammar school at East Elementary, movies cost a nickel on Friday afternoon at the Lyric Theatre. It seemed like half the children in school went to the Friday matinees. I guess this gave a lot of mothers an extra two hours of rest before the hungry children got home.

At the sound of the last bell at school, every child that was a proud possessor of a nickel would hit the hall in a brisk walk. You were lucky if you didn't get trampled in the stampede as the children poured out the doors and headed across the schoolyard. Once you hit the street, it was every man for himself. All the shortcuts known were used to help get ahead of the crowd.

The Lyric Theatre at that time was in the middle of the first block on the east side of the railroad viaduct on Highway 278 East. If you were late arriving at the theater, you had to stand in a line that stretched around the end of the block toward the Duchess Bakery. I'm glad the bakery is still there so you can tell where the theater was.

I can remember running so hard my tongue would almost be hanging out by the time I reached the theater. But it was worth it, to be able to avoid standing in a long line. We youngsters must have been in good physical condition or half of us would have died of a heart attack after that strenuous run.

You really got your money's worth at the movie. There was always a cartoon, a news reel, a cracker-jack of a western and a serial. The serial was always last and left you worrying about the predicament the hero was in until you returned the next week.

One time I carried my cap pistol to the movie with me. When the chase scene got exciting, I decided to help the good guys in the white hats shoot the bad guys in the black hats. The theater usher must have been wearing a black hat for it wasn't long before he held me up and took my gun. This was embarrassing, as well as a source of worry through the rest of the movie. I was afraid I might not get my cap pistol back. Toys in those days were few and far between, and I didn't want to lose this one. But I was able to recover it and breathed a sigh of relief when I had it back in my pocket.

One other good feature about the Friday afternoon movie- if you had another nickel you could get a big bag of popcorn.

BILLY BOB'S STORIES AND STUFF

Something special came with our house

Bill King
Tribune Contributor

Something special came with our house, at no extra charge. The first time I saw them, I wasn't sure if they were what I thought, but I sure did hope so. Jean and I moved into our current house a little over ten years ago.

Our grand-buddy Drew was born the same weekend we moved. What a weekend! Shortly after we moved in, I noticed a tree on the other side of the stream in our back yard with some berries hanging from it. Upon closer examination, I discovered they weren't growing directly on the tree, but on a vine that had woven itself up the tree.

It was already fall, so they were a deep shade of purple, almost black. I thought I knew what they were, so I picked one, pricked a small hole with my teeth in its skin, and then squeezed the sweet pulp inside my mouth.

I smiled when my taste buds confirmed that I had a muscadine vine in my backyard. In case you don't know what muscadines are, they are a type of grape that grows in the south. In case you've never tasted one, bless your heart! Homemade muscadine jelly, on a hot buttered biscuit, is good enough to cause you to be late for work...not that I've ever done that.

Muscadines often grow wild in the woods. As a boy, I used to find them in the woods behind our house. I've also spotted them in the woods alongside golf courses.

I wasn't searching for muscadines when I found them there; I was searching for golf balls. I enjoy spending time in the woods. That's why I used to play golf. On good days, I found more golf balls than I lost! On great days, I also found a wild muscadine vine, with ripe muscadines. The fact that I spent so much time in the woods may be why I don't play golf any longer! I'm sorry, I think I chased a rabbit there...no, not in the woods, but in my story. Anyway, my newly found vine sprouted from the ground at the base the tree. Its vines ran up almost to the treetop. Once Drew was old enough, I introduced him to my treasure.

He and I loved to pick the low hanging fruit and eat our fill, but we couldn't reach high for most of the grapes. I told Drew those out of reach grapes were probably sour anyway. He didn't know the old "Fox and Grapes" children's story, so I told it to him. Eventually, he and I decided to build a footbridge across the stream. We built it wide enough to hold a step ladder and directly under the muscadines. Low and behold, those higher muscadines were not sour after all!

I knew unless we rented a bucket truck, we would never be able to reach all the fruit, so we decided to pull the vine down out of the tree.

Part of it broke off and eventually died but another section still lives in the tree. We built a wooden trellis across the stream and ran the vine on it. The vine didn't stretch all the way across, but I knew it would grow and boy has it ever. Now it runs on our backyard fence for probably twenty feet or more.

It is low enough that we can stand right there on the ground and fill our bucket. The deer can also help themselves but there's enough to make us all happy.

Jesus once said, "I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit." I love a good crop of muscadines. God loves a crop of good in us.

The Quick family is currently working to establish a pre-med scholarship to Auburn University to be awarded beginning in the 20200-2021 school year.

Rhett Thompson, Class of 1987, was recognized as a 2018 Distinguished Alumnus and thanked the Cullman City School Foundation via a video from Finland. Thompson now works as an investor in technology companies in the Nordic countries.

He said, "I work to find great companies and help them expand. I think it's absolutely remarkable the basis of the education I received from Cullman High School.

"I never went to university. I just started working and I was able to leverage everything I learned there in great ways to go beyond and do great things.

"I will forever be grateful for what I have acquired: friendships, mentorships and all kinds of opportunities that came out of my experiences from Cullman."

Jacob Calahan, Class of 2013, was presented the 2019 Promising Alumnus Award. He attended Auburn University where he was in several honor societies and graduated Magna Cum Laude. He continued his education at Auburn in pharmacy school. This year, he was named Auburn University's Most Outstanding Pharmacy Student. He is also heavily involved in community and church organizations.

Calahan thanked many of his teachers throughout his years at Cullman City Schools, saying, "At East Elementary, I am from the class that is known for having a different principal all five years, but I am so thrilled that Mr. (David) Wiggins is still there today. Fun fact, I was his first office aide."

He continued, "Upon graduating in May with a doctorate in pharmacy, I plan to complete a residency in clinical pharmacotherapy and specialize in oncology and emergency medicine.

"If life goes as planned, you can even vote for me to represent Alabama in the U.S. Senate."

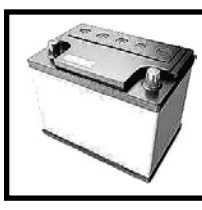

He thanked all of his family, girlfriend, teachers and administrators before giving a "Go Bearcats and War Eagle!"

Priceville comes from behind to defeat Fairview, 31-21

Doug Bates
Tribune Correspondent

PRICEVILLE, Ala. – After knocking off St. John Paul II a week ago, Fairview hit the road Friday night to take on the Priceville Bulldogs and after a strong start, couldn't quite finish the game and dropped the regional matchup 31-21.

Priceville received the opening kickoff, starting on their own 33-yard line. The Fairview Aggie defense seemed unable to stop the Bulldog running game as the Bulldogs drove the ball down to the Aggie 4-yard line. Facing first and goal at the 4-yard line, the Aggie defense came to life, not only stopping the Bulldogs but backing them up to the 10 with three straight stops for losses. Using up six minutes of the clock, the Bulldogs settled for a field goal.

Fairview started on its own 22-yard line and used just 49 seconds to score and take a 7-3 lead.

Priceville started its next series on its own 20-yard line and drove the ball all the way down to the Aggie 11-yard line. The first turnover of the game came when the Bulldog quarterback was picked off, giving the Aggies the ball at their own 10-yard line.

The Aggies drive the ball 90 yards for a score to extend their lead to 14-3 with 3:54 left in the half. Following another Bulldog turnover, this time a fumble on their own 20, Fairview took a 21-3 lead with 2:04 left in the second quarter.

The Bulldogs got the ball back and drove 72 yards in less than a minute for their first touchdown of the evening to make it a 21-10 game as the half.

The 3rd quarter began with the first onside kick of the evening by the bulldogs. The Bulldogs recovered the kick at the 50 and Priceville's running game was hard to stop in the second half. They drove 50 yards to score their second touchdown of the night and after the two-point try failed, Fairview's lead was down to 21-16.

After an exchange of punts, the Bulldogs took a 24-21 lead with 8:15 left in the 4th quarter and following the touchdown, they successfully executed their second onside kick of the night, giving them the ball again at mid-field.

The Bulldogs running game kept the Aggie defense on the field most of the fourth quarter and eventually found the endzone again to extend their lead with 3:52 left in the game.

The Aggies' hopes for a comeback were shattered as the Bulldogs intercepted the ball in the endzone with 2:06 left in the game, allowing Priceville to put away a 31-21 win over Fairview.

The Aggies may have come up short, but they have a well-coached football team with outstanding players. Fairview will be off next week before hosting North Jackson October 4th.

Good Hope remains undefeated after handling Oak Grove 34-25

Jason Russell
Tribune Correspondent

OAK GROVE, Ala. – After arriving from the long drive to Oak Grove, the Raiders showed up ready to defend their undefeated record in week five. After speaking with Good Hope Head Coach Alan Scott earlier this week, asking what his thoughts were going into this game undefeated, his response was simple.

"Oak grove isn't going to be an easy win despite their 1-3 record," Scott said. "They're a fighting team and they're going to come in with something to prove."

When asked about their recent top five ranking, Scott said the message to his team was to stay humble.

"We will have to stay humble, no doubt these guys have earned it, we're just hoping all this doesn't blind the fact that Oak Grove scored 48 points in their victory against Curry last week."

Oak Grove got the ball first and after a quick three and out, the Raiders took the ball at their own 16-yard line. the Raiders drove the ball down for a score and following the extra point, it was a 7-0 game. The Tigers responded with a scoring drive but after they missed the extra point, Good Hope still led it 7-6. The Raiders responded in the second quarter with a quick trip back to the end zone and following the extra point it brought us to 14-6 with the game still early in the second. Oak Grove answered immediately with a 63-yard touchdown pass but still could not make the extra point, making it 14-12 early in the second quarter. Good Hope intercepted the ball at midfield and ran it back to the 19-yard line and looked like they were going to score, but the Tigers defense stepped up and forced the Raiders to turn the ball over on downs, allowing Oak Grove to take a knee and end the half.

The Raiders came out in the third quarter and quickly gave the ball back to the Tigers. Oak Grove punted the ball right back to the Good Hope, who took the ball down the field for another score to take a 21-12 in the third. The Tigers and Raiders couldn't do anything on offense for several possessions, but the Raiders finally found the end zone again in the fourth quarter to bring their lead up to 27 -12 following the failed extra point.

The Tigers answered right back with a touchdown but were still unable to convert on the extra point score and trailed 27-18. Good Hope recovered an onside kick at the Tigers 48-yard line and scored to take a 34-18 lead late in the fourth.

Oak Grove found the end zone one more time but the Raiders lead was too much to overcome and Good Hope collected its fifth win of the season to stay undefeated.

The Raiders are off next week but will back home October 4th to face Northside, the only team to beat them in the regular season last year.

Vinemont (from Front)

Ryan Guthery
Tribune Correspondent

HANCEVILLE, Ala. – The Hanceville Bulldogs welcomed the Vinemont Eagles for homecoming Friday night and the Eagles played the role of spoiler, coming away with a 26-12 victory.

"We haven't always been able to overcome mistakes, to be able to overcome them says a lot for our guys" Vinemont Coach Stephen Robinson said. "Now we've got to take the next step and not make them."

Both teams started sloppy as Vinemont received the ball to start the game but gave the ball away after a fumble. Hanceville lined up to punt after just three plays, but a muffed snap set the Eagles up with first-and-10 at the 16-yard line.

After a successful first play, another fumble stalled the Eagle offense. The Eagle defense stepped up to force a three-and-out and Vinemont found the end zone on its third possession thanks to Dallin Dinkle getting loose from 19 yards out with 3:32 remaining in the opening quarter, giving the Eagles an 8-0 lead.

Both offenses failed to convert on fourth down on their next possessions, but with 5:05 in the second quarter, Hanceville's Zack Campbell found Brodie Malcom for a 20-yard touchdown to cut the lead to 8-6. Vinemont extended the lead to 14-6 with just five seconds remaining in the half when Jack Hill hooked up with Colby Miller for a 9-yard touchdown.

Vinemont came out and forced a three-and-out to start the second half and the Eagles' offense drove down the field on its next possession.

Hill found Miller to cap off the drive from 8-yards out and extend the lead to 20-6 with 8:03 left in the third.

Campbell then connected with Logan Guthery for a 43-yard answer with 5:20 left in the quarter to make it a 20-12 ball game.

The Bulldogs' defense forced a punt on the next possession; however, the Eagles defense forced a fumble and gave the ball back. The Eagles capitalized on the first play from scrimmage when Dinkle got loose for a 36-yard touchdown that put Vinemont up 26-12 with a minute to play in the third quarter.

Vinemont wasn't able to muster any points in the fourth, but its defense forced three interceptions, one by Colby Miller and two from Bryce Perkins, keeping the Bulldogs from finding the end zone and securing the 26-12 victory.

Vinemont moves to 2-2 on the season with the win and will be back home to face Addison next week. The loss makes the Bulldogs 3-2 at the halfway mark of the regular season and they'll be on the road next week to take on Curry.

Broncos drop region matchup against Fultondale 30-8

Nick Griffin
nick@cullmantribune.com

HOLLY POND, Ala. – After pulling off a big win at home over Hanceville last week to collect their first win of the season, the Holly Pond Broncos were back home for another regional showdown against the Fultondale Wildcats Friday night. After a scoring and taking a lead in the opening quarter, Holly Pond couldn't keep pace with Fultondale the rest of the way as the Wildcats ran off 30 unanswered points to win on the road.

Both teams were scoreless for the first half of the first quarter before the Broncos tacked on eight points with just under seven minutes to play and took an early lead.

Just over a minute later, Fultondale answered and found the end zone to cut the lead to just one for Holly Pond and the Broncos maintained a 1-point lead going into the second quarter.

The Wildcats scored just a few seconds into the second period to take a 14-8 lead and Holly Pond was never able to muster a response to the Fultondale scoring run.

The Wildcats stretched their lead to 20-8 by the halftime break and continued to pull away in the third.

Fultondale scored again midway through the third quarter to go up 27-8 and a field goal on its next possession made it a 30-8 game with five minutes to play in the third. Neither team was able to get on the scoreboard again and the Wildcats pulled away to win it 30-8.

The Broncos fall to 1-4 on the season with the loss and will be back on the road next week to take on Danville.

Addison collects 26-6 region win over Sheffield

Todd Walker
Tribune Correspondent

ADDISON, Ala. – On an absolutely gorgeous night for high school football, two teams, Addison and Sheffield, met in an important early season region matchup in beautiful Addison, Alabama. Addison came in at 2-2 (0-1) while Sheffield was 3-1 (1-0).

Addison received the opening kickoff and went into a "heavy offense" for the majority of the first half. Grant Rice started in place of Christian Roberts at quarterback and Addison loaded the backfield, having no receivers out wide. Addison basically told Sheffield, "We are going to run the ball and we don't think you can stop us."

Addison pounded the football, running between the tackles, and Sheffield could not stop the power running of the bulldogs. Addison chalked up a 14 play, 68-yard drive of all runs. Addison had a fourth and four from Sheffield's 9-yard line and it appeared that Luke Chambers was about to score on an impressive run when the ball was punched out of his arms at the 3-yard line and rolled into the end zone. Sheffield recovered the ball at the 4:47 mark of the first quarter.

Sheffield had difficulty moving against the stout Addison defense. Addison was consistently able to generate a pass rush using only three down linemen. Nelson Hernandez, Jeb Robinson and Jake Wilson pressured the Sheffield quarterback, Khori Bowling, all night.

Bowling was probably the largest quarterback Addison will face all year. He reminded me of the old Kentucky Quarterback Jarod Lorenzen. Bowling was about 5'10" and at least 230lbs. Bowling was surprisingly agile for a beefy signal caller.

After a Sheffield punt, Addison took over at their own 13. 10 pounding running plays later, Weston Smith took it in for the touchdown from 3-yards out. The two-point conversion was no good and the score stood at Addison 6, Sheffield 0 at the 6:13 mark of the second quarter.

Sheffield took the ball at their own 38yard line and had their most consistent drive of the evening. Using a combination of short passes, Sheffield drove to the Addison 4-yard line. Then facing a crucial third down and 4-yards to go, the shotgun snap sailed over the head of Bowling and was recovered by him at the Addison 21-yard line. A fourth-down incompletion pretty much settled the first half.

Addison led 6-0 at the break.

Sheffield took the opening kickoff and after two quick plays, Bowling threw an interception on a long pass. The pass was intercepted at Addison's 40-yard line by Quentin Barley.

After an exchange of possessions, Addison took over at their own 32. The Bulldogs drove 10 plays for 68 yards when Weston Smith scored again, running it in from the 3-yard line.

The two-point try was no good and the score stood at Addison 12, Sheffield 0 with 4:37 remaining in the third quarter.

Then the Bulldogs' special teams took over the game. Addison converted an on-sides kick and took possession at the Sheffield 47-yard line. Addison then drove 47 yards for the touchdown.

Christian Roberts, who had started the second half at quarterback, ran it in from 2-yards out. The two-point conversion was good, and Addison led 20-0 at the 9:30 mark of the fourth quarter.

Coach David Smothers again called for another onside kick and it too was successful. Addison took over at the Sheffield 46 and cashed another short field into a touchdown.

Caleb Crider ran it in from 9-yards out but the PAT was no good so Addison led 26-0 at 5:51 of the 4th quarter.

Addison tried another onside kick, but Sheffield was ready for this on and recovered it. Sheffield the drove 47 yards on six plays. Bowling found Devin Doss all alone on a 26-yard pass play. The two-point attempt was no good and that is how the final score was 26-6.

Addison travels to Vinemont next Friday while Sheffield will face R.A. Hubbard on the road.

West Point falls to Russellville on the road, 51-6

Nick Griffin
nick@cullmantribune.com

RUSSELLVILLE, Ala. – The West Point Warriors are coming off a 42-14 victory in their home opener against Lawrence County last week but couldn't find their rhythm offensively when they traveled to Russellville Friday night.

The Warriors were held to just six points in a 51-6 loss to the Golden Tigers and went home with their second loss in the region.

A touchdown run from the quarterback gave Russellville a 7-0 lead by the start of the second quarter and a bad snap on a punt play set the Golden Tigers up for an easy touchdown to go up 14-0 early in the quarter.

A second scoring run for the quarterback made it a 21-0 game midway through the second quarter and two more late touchdown runs gave Russellville a commanding 35-0 advantage at the break.

West Point found the end zone midway through the third quarter when quarterback Will Cochran found Logan Selby through the air for a 30-yard touchdown that made it 35-6 but that was all the offense the Warriors could muster and the Golden Tigers pulled away to win it 51-6, moving West Point to 2-3 on the season.

The Warriors are now 1-2 in region play and will have next week off before hosting Jasper for a huge showdown Oct. 4.

Cold Springs falls to Aliceville at home, 27-19

Sammy Confer
sammy@cullmantribune.com

BREMEN, Ala. – Cold Springs looked for a huge statement win at home as it took on Aliceville in another huge region game. Unfortunately, though, the night belonged to the Yellow Jackets as the Eagles wound up falling, 27-19.

Cold Springs used a mixture of the run and pass to start out the game, as big passes by Brodi Williams to the likes of Jordan Lacey and Lawson Burgess were huge in helping keep the drive alive, and Ayden Alexander finished off the drive with a 9-yard scamper to give the Eagles a 7-0 lead with 7:48 remaining in the opening quarter.

It took Aliceville just two plays on its opening possession to get inside the five-yard line, but Cold Springs' defense stood tall, as they wound up forcing a fumble, which was recovered by Jacob McClendon. But they were forced to punt on its next possession, and the Yellow Jackets wound up tying the game up at seven on an 18-yard touchdown pass.

The Eagles looked to take the lead right back, and big runs by Alexander, plus big completions by Williams, helped them get to the 14-yard line, but Williams threw an interception on fourth down. But Cold Springs got the ball right back as Chase Allcorn recovered a fumble. The Eagles got to the 20-yard line, but the offense stalled after that, as both teams went into their respective locker rooms tied at seven at the half.

Aliceville got great field position to start out the second half, and it took them just four plays to find the end zone as a 6-yard touchdown run gave the Yellow Jackets a 13-7 lead with 10:23 remaining in the third period. The Eagles responded to that with an amazing drive of their own, as they relied mostly on their running game, and Jordan Lacey finished off the 16-play, eight-plus minute drive with a 1-yard run to tie the game up at 13 with 2:47 remaining in the quarter.

Penalties hurt Aliceville on its next drive, and they were forced to punt, but Cold Springs returned the favor on its next series. The Yellow Jackets found the end zone on just their second play of the series, as a 44-yard touchdown run gave them a 21-13 lead with 10:26 remaining in the game. The Eagles went to more of a passing attack on its next series, as Williams went a perfect five for five for 46 yards, and Alexander finished off the drive with a 3-yard run to cut the deficit to 21-19 with 5:34 remaining in the contest.

Cold Springs forced yet another fumble on the first play of its next series as Seth Williams recovered the loose ball at the 44-yard line. Alexander picked up a key first down during the drive, but the drive stalled as Williams threw an interception on fourth down, and Aliceville, once again, scored quickly, as an 80-yard touchdown run increased their lead to 27-19 with 43 seconds remaining in the game. The Eagles looked to send the game into overtime, but Williams threw a pick on the first play of the series and the Yellow Jackets ran out the rest of the clock. Cold Springs (3-2, 2-1) wound up falling just short at the end, 27-19.

Alexander finished with 107 yards on 33 carries and two touchdowns. Williams went 18 of 34 for 145 yards and three interceptions. McClendon, Allcorn, and Williams each had fumble recoveries in the contest.

The Eagles will look to recover next week at home in a non-region game against Appalachian.

Meek loses in nail-biter to Berry, 36-30

Nick Griffin
nick@cullmantribune.com

ARLEY, Ala. – After suffering a tough loss on the road at Hubbertville last week, the Tigers were back home Friday night for a regional showdown against the Berry Wildcats.

The Wildcats took last year's matchup 33-15 so Meek was definitely hungry to bounce back and get revenge but fell just short late in the fourth quarter to fall at home 36-30.

Berry took a 6-0 lead late in the opening period and managed to stretch that lead to 12-0 early in the second. The Tigers found the end zone for the first time after that and were able to cut the lead to 12-6 but the Wildcats responded with another score to make it a 18-6 game late in the second quarter. However, Meek was able to get on the scoreboard once again before the break to trim the lead to 18-14 and claim some momentum going into the locker room.

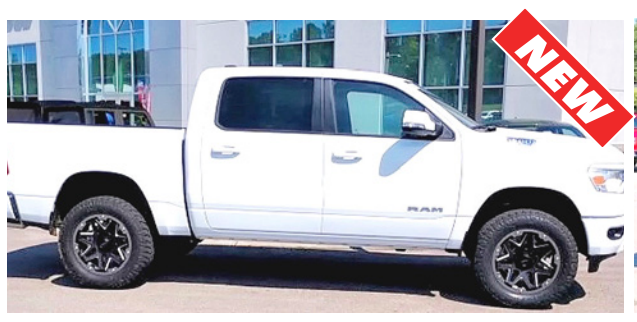

The Tigers came out swinging in the third quarter, finding the end zone early in the period to take a 22-18 lead. However, Berry was able to respond yet again and reclaim a 24-22 lead by the start of the fourth quarter.

The Wildcats tacked on another score to make it a 30-22 game early in the fourth quarter Meek was able to score again and successfully pick up a two-point conversion to tie the game at 30 in the final frame. The game looked like it may have been heading to overtime but Berry found a way to get on the scoreboard once again and edged the Tigers in a thrilling, 36-30 game.

Meek drops to 0-5 on the season with the loss and will travel to play Sumiton Christian next week.

how proud they were when they got their part done and they brought it over to me."

Good Hope's sixth- and eighth-grade classes have also done cube projects, and the eighth graders may get a shot at something even bigger before the cubes go back.

Hood told The Tribune that the eighth grade may attempt a mosaic with the whole 400 cube set.

Hood said of her students, "I'm very proud of the kids. They help each other-it's a lot of cooperative learning-and they seem to really be enjoying helping each other.

"I'm proud of them for that and just perseverance, just trying and keeping on and not giving up.

"These middle school kids, really, that builds their confidence when something like this happens, and they were so excited to see it when it was finished.

"I'm proud of them for not giving up, because they could have.

"The Rubik's Cube isn't as popular now, maybe, as it was when I was a kid, so they don't have as much experience with it. They wanted to know how to do it, so I was proud of that. They're good kids."

System (from Front)

in a single step.

According to the manufacturer, treatment by the system:

- Kills 99.9% of bacteria in 5 seconds
- 44 organism claims: Kills cold and flu viruses, MRSA and norovirus in 2 minutes or less
- One-step disinfecting
- Eliminates odors
- Sanitizes soft surfaces
- Inhibits the growth of mold and mildew for up to 7 days

The 2017-18 school year saw the entire county system shut down for days at a time with more than 1,000 students absent and not enough substitutes available to cover the number of teachers and bus drivers out sick. The situation improved during the 2018-19 year, and Superintendent Dr. Shane Barnette intends for the new measure to give CCBOE facilities as clean a bill of health as possible this season.

Said Barnette, "Our biggest thing is we truly believe it's hard for kids to learn if they're not in class.

"And if we can keep sickness down, keep sickness from spreading, our attendance is going to be better; kids are going to be in class, they're going to learn more.

"We're really excited about this Clorox apparatus, because it creates a fog that coats every desk. It can do any type of texture, if it's cloth or if it's hard surface, and it'll coat underneath it, the sides of it, the top of it without leaving any residue or anything to breathe in. It's bleach-free.

"We're just really excited that they can use this, and within two minutes, it'll kill the flu virus and many other germs. The kids can re-enter, they can touch the surfaces and everything within two minutes. And there's not many other-even Clorox Wipes-it won't dry within two minutes. We're really excited about that. We think it's going to help us, help our attendance and help our learning."

Lovely Things

By: Randy C. Hale

Inspired by Philippians 4:8 "Think on these things"

RANDY C. HALE

The mate that God
has given you to love
and to cherish

The smile of a special
friend A mother with her
children A father's hands

The ocean and its waves
A furry loyal pet

A fall colored
mountain that touches
a bright blue sky

A babbling brook flowing
through a field
A fresh fallen snow

The people of God
at worship and the
countenance of a
child given love.

Cullman COUNTY FAIR
FAIR PARADE THIS SATURDAY!!

•1874• **Alabama Tribune** •2019•

THE CULLMAN TRIBUNE • ALABAMA'S OLDEST CONTINUOUSLY PUBLISHED WEEKLY NEWSPAPER

"THE 67-COUNTY, ALABAMA GARDEN PARTY"

RANDOLPH COUNTY

Ben Johnson South
Tribune Correspondent

Beautifully green and still largely rural, Randolph County is on the Alabama-Georgia border. It was established in December 1832. Many white settlers were small-scale farmers moving west from the Carolinas and Georgia or south from Tennessee. These European-Americans were mainly English, Scots and Irish.

The men were skilled hunters, and abundant wildlife in Randolph County made for plentiful meat dishes. Women often gardened, planting the seeds they brought with them: beans, turnip seeds, pumpkin seeds and treasured flower seeds. The homesteaders had colorful zinnias which they called "Old Maids," balsam known as "Touch-Me-Nots" and flowering lilacs.

This is a good place on our Bicentennial plant tour to talk about food preservation techniques of early-Alabama settlers. Drying fruits and vegetables was the most common way to preserve them to enjoy in the cold months. The metal, screw-top, canning jars invented by the New Jersey tinsmith, John Landis Mason, were not available until 1858. (Interesting culinary trivia: Mr. Mason also invented the first screw-top, saltshaker in 1858.)

One of the popular dried foods was called "leather-britches" and was simply green beans, threaded onto a string and hung to dry. Dried beans take about 24 hours to soak and soften. This meant whoever was cooking needed to plan ahead for meals. Pumpkins were peeled, cut into narrow strips and dried for mid-winter use. Skilled cooks would soften dried fruits for flavorful sauces.

Corn was the main, year-round food staple. Any year when corn crops didn't flourish was going to be rough going. Popcorn for breakfast? Yes, it was popular during the early 1800s in Alabama. Ingenious cooks made their own cereal by folding popped corn into a bowl with sorghum and rich cream.

Apple seeds and peach pits were brought to Alabama by settlers. Once the trees fruited, the apples and peaches were peeled, cored and sliced into rings and then dried in the sun. Pears were usually dried with smaller seeds intact. Sun-dried fruits and vegetables have enjoyed a gastronomic revival, but you will need at least five straight days of 85F degree weather, preferably with direct sunlight and no insects. Dehydrators and oven-drying are other options.

Wild fruits such as strawberries, blackberries and muscadine grapes were dried and used as we use raisins. Preserved until needed, these prized, native fruits were soaked in water to use in tarts, cobblers, sonkers and pies.

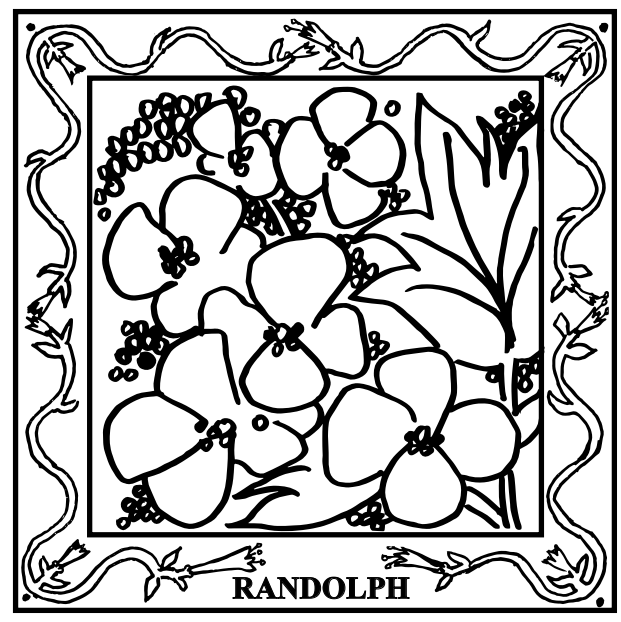

"Persimmon leather" was another dried treat and could last almost indefinitely. The tangy dried fruits were later soaked in water and plumped for pies.

All kinds of plants were dried and preserved. Dried flowers and fragrant potpourris added beauty in Alabama settlers' homes, especially in winter months. While researching traditional drying techniques, I found this easy, three-step process for drying hydrangea blossoms: 1) Cut blossoms in August-September with a 12"-18" stem. Remove all leaves. 2) Place flowers in a vase of fresh water covering half the height of the stems. 3) Keep the vase of flowers in a cool spot away from direct sun and enjoy the blossoms. Don't add more water. THAT'S IT. It seems counterintuitive, but as the water evaporates the blossoms are preserved.

The natural plant beauty and farmed vegetation of Randolph County have been treasured since the early days of Alabama statehood. Ecology-aware residents today are preserving those pleasures for the next generations.

- **BLOSSOMING, REVITALIZED ROANOKE**- This charming, historic city is a "must see" for everyone who needs an optimistic outlook on America these days. Call Randolph County cheerleader-in-charge, Dorothy Tidwell, at the Chamber of Commerce, and be prepared for a gushing lesson on all the ways the folks in this part of Alabama have come together to make it a great place to live, work and play. Ms. Tidwell told me about how gifted teacher, Merredith Sears, at Handley High School has made the area history come alive by leading archaeological digs especially of the Native Creek culture which goes back 6,000 years of agriculture and hunting before the Indian Removal Act. My favorite thing to learn about in Roanoke is how they transformed a burned-out movie theater into an amazing, grass-carpeted, open-air amphitheater; google "Main Street Theater Roanoke, Alabama" and be prepared to gush with oohs and aahs—take note other Alabama towns, this "green idea" and this lovely city are VERY INSPIRING!

- **PLANTING AN IDEA**-The Randolph County office of the Alabama Cooperative Extension System trains consumers on a variety of food preservation techniques. With a few additional resources, freeze-drying processes could be added to the educational offerings. (One supplier online offers a large freeze-drying machine for $3,000). Freeze-dried foods, think NASA astronauts, retain original flavor, color and 97% of nutrients. Food that is freeze-dried and stored in an airtight container with an oxygen absorber will preserve for up to 25 years. Adding this 21st century food preservation equipment and training could be done with grant money or corporate underwriting. Awareness of this technique could be shared in all 67 Alabama counties via the ZOOM teleconferencing network, which is installed in each county office of the Alabama Cooperative Extension System.

Many thanks to Tiffany Moore, coordinator of the Randolph County office of the Alabama Cooperative Extension System for the many local resources and highlights she shared. Also, thank you to Laurie Johnson for demonstrating the delicious way dried black-eyed peas and sun-dried tomatoes can be used to make a dee-lish Alabama garden party appetizer.

The Cullman Tribune is celebrating the Alabama Bicentennial (1819-2019) with statewide field reporting by Alabama Master Gardener/Botanical Artist Ben Johnson South. This year-long feature, "The 67-County Alabama Garden Party," will spotlight different counties each week. Each county will get its own "quilt block," along with a historical profile, and we'll share a recipe specific to the area. At the end of the year, all 67 counties will be put in a book to commemorate the Bicentennial.

BLACK-EYED PEA CAVIAR WITH SUN-DRIED TOMATO SPREAD

The art of drying food, at its seasonal peak, has been a valued preservation method for centuries, even before electric ovens or dehydrators were around. My dad, who grew up on a north Texas farm in the 1920s, told me of climbing up on their barn to place peach slices on its tin roof to dry in the summer sun after they couldn't eat any more pies and his mother ran out of canning supplies (or patience). Today, we can dry our foods electrically and have a plentiful supply of dried foods in our grocery stores. This recipe takes advantage of dried black-eyed peas (a Southern, "lucky" favorite) and sun-dried tomatoes – staples that can be pulled from the pantry at any time, combined with fresh flavors for a tasty and colorful topping for a crostini, or lettuce cups for those wanting a lighter bite.

INGREDIENTS IN ROUGH ORDER OF USE

- 1/2 lb. dried black-eyed peas
- Finely diced red onion, 1/2 each green and yellow bell pepper, 1/2 fresh jalapeno (no seeds or pith)
- Olive oil, salt and black pepper
- Balsamic vinegar and your favorite hot sauce
- Juice from 1/2 a lemon
- 1 bunch of fresh parsley or cilantro (to your taste), chopped – reserve some for garnish
- 1/2 block of cream cheese (about 4 oz.)
- About 1/2 of an 8.5 ounce jar of sun-dried tomatoes, drained
- Local honey
- Toasted or grilled crostini bread rounds and/or butter or romaine lettuce cups for serving

INSTRUCTIONS

1. Soak dried peas - Follow the overnight soaking method on the package. Once soaked, drain, rinse and discard soak water.
2. Cook peas – Using a large saucepan with a lid, cover peas with 2 inches of water, bring to a boil, reduce heat and simmer, covered until tender but not mushy – about an hour. Stir gently, occasionally, and check the liquid level, adding water if necessary. Season with black pepper and splashes of balsamic vinegar and hot sauce halfway through. Resist adding salt until the end of the cooking time since it makes the skins tough. Once tender, take off the heat, stir in about 3 tbsp. salt and let them stand in the hot, salted water for about 10 minutes - then drain well.
3. Prep vegetables - In a sauté pan or skillet, sauté the diced bell peppers and jalapeno very lightly in oil – put the red onion in last since it loses its color quickly. Don't cook long or completely - remove from the pan while they maintain their form and bright color (al dente). Set aside until peas are cooked, refrigerating if desired.
4. Prep the tomato spread - Place the sundried tomatoes, cream cheese and a splash of local honey in a food processor and blend until mostly smooth. Refrigerate if not serving quickly.
5. Make the pea "caviar" - In a large bowl, fold together the vegetables, peas and parsley (or cilantro) with 2 tbsp. olive oil and the lemon juice. Taste and season with salt, black pepper and hot sauce as desired. Can refrigerate for a couple of days, if desired.
6. Enjoy! To serve, if refrigerated, let the tomato spread soften at room temperature and spread about a tbsp. onto a crostini or dollop into lettuce cups. Then spoon about a tbsp. of the pea mixture on top. Garnish with fresh parsley (or cilantro).

Explosive running game leads Cullman past Albertville 31-7

CULLMAN, Ala. – After handling Columbia 48-0 on the road last Thursday, the Cullman Bearcats returned to Oliver Woodard Stadium this week to collect their third straight win of the season over Albertville. Cullman's defense, backfield and offensive front dominated yet again this week and those performances helped lead the Bearcats to a 31-7 win over the Aggies.

Cullman running backs Jayden Sullins and Jaylen Hughey both had big nights on the ground.

Sullins racked up 162 yards on 16 carries in the win while Hughey tacked on 148 more on just 10 carries and found the end zone three times. Together they made up 310 of Cullman's 372 yards of offense and ripped off seven runs of 10 yards or more. Hughey was a factor in the Bearcats' defensive performance as well. Albertville was held scoreless for almost the entire game before punching one in late in the fourth quarter when the game was out of reach and Cullman forced four turnovers in the win as well.

"It's a work in progress and the goal is to get better every week and every day in practice with every rep and I think you're seeing the results of that, but we've got to keep on grinding. What we're facing this second half of the season is a murderer's row, ok," Glasscock said.

"There are playoff positions at stake, we've got the nation's top running back in Roydell Williams coming in here next week and it's no time to think we've arrived because we certainly haven't.

"There's a ton of things to clean up from this game but I'm proud of their effort. I'm proud of the focus, I felt like we had a great week of practice and I thought our guys played like that."

The Bearcats struck first in the opening quarter when Hughey took one up the middle 25 yards into the end zone and made it 7-0 but both defenses locked things down for the remainder of the first.

Matt Brock intercepted an Aggies pass early in the second quarter to give the ball back to the offense and Cullman tacked on three more points to stretch its lead to 10-0 when Brody Adams connected on a 35-yard field goal midway through the period.

Quarterback Max Dueland capped off a scoring drive with just over a minute remaining in the half by hitting Isaiah Jones on a fade from 11-yards out to make it a 17-0 game going into the break.

The score held for most of the third quarter until Hughey scored his second touchdown of the night from seven yards out to give the Bearcats a 24-0 lead and they got the ball back from Albertville on its next possession when the Aggies fumbled the ball going into the end zone for a Cullman touchback.

Two plays later, Hughey put the game away by bursting through the line and out running the defense for a 74-yard touchdown run that extended the lead to 31-0 with just over a minute to play in the third.

Albertville ran one in from 11-yards out later in the fourth to cut the lead to 31-7 but it was too little too late, and the Bearcats pulled away to collect their third straight win and move to 3-2 on the year. Cullman will be back at home next week to face 6A powerhouse Hueytown and star running back Roydell Williams.
