ARTS

Alabama Original: 'The One-Liner American Diner'

Ben South
Tribune Correspondent

CULLMAN, Ala. – Cullman's original Broadway-intended musical, "The One-Liner American Diner," previewed songs by the original cast Tuesday, Oct. 22 in Gadsden.

According to playwright and Tribune contributor Ben Johnson South, who wrote the musical's book and lyrics to all 12 original songs, "It was great to take these immensely talented, crowd-delighting performers and songs to a beautiful luncheon and packed house and hear all the laughter and applause fill the grand, historic mansion of the Women's Club of Gadsden."

In this photo from left to right are Cullman actor/singer, Rodney Basenbury; Cullman arts supporter, Concetta Lovoy Kreps; playwright/lyricist, Ben Johnson South; Women's Club of Gadsden member, Kathy Sisson; actor/singer, Justin Weygand and actor/singer, Hannah Crider.

"Ninety percent of stage musicals come from Broadway, then tour and trickle down as a 'packaged kit' for local groups to produce," said South. "This show was actually created in Cullman, Alabama with these gifted performers originating the roles and we are aiming for Broadway."

(Note: Actor/singer Tekoa Walker completes this intergenerational cast, but she was focusing on academics at West Point High School).

The composer for "The One-Liner American Diner" is Stephen Anthony Elkins of New York City.

Shooting (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – Jones Chapel man Donald Wayne Trammell, 44, on Thursday pleaded guilty to manslaughter in the Dec. 24, 2017 shooting death of his son, Logan Wayne Trammell, 22. The plea was entered in the court of Cullman County Circuit Judge Gregory Nicholas. Trammell told investigators he opened fire on his own vehicle as it pulled away from his home, unaware of who was driving and believing the vehicle was being stolen. He was sentenced to a 15-year split sentence with three years to be served in a state prison, plus 10 months to be served in the Cullman County Detention Center, followed by 26 months in the Cullman County Community Corrections Diversion Program.

Manslaughter is a Class B felony and could have carried a sentence of up to 20 years in state prison.

Trammell also pleaded guilty to harassment and violation of a domestic violence protective order in a case in which he was accused of stalking his estranged wife. His sentence will run concurrent with the manslaughter sentence.

Once in the diversion program, Trammell will be out of jail, but will be under intensive supervision including wearing an ankle monitor and submitting to routine drug testing. Additionally, he will be required to complete an anger management course and can have no contact with his estranged wife.

Timeline of prior events

• On Dec. 24, 2017, shooting at his own truck which, according to Trammell, he thought was being stolen, the defendant struck and killed his son, Logan Trammell, who was driving the truck.

• In Feb. 2018, Donald Trammell was indicted by a grand jury for manslaughter, case CC-2018-230, and was released on bond.

• In Oct. 2018, Trammell's wife filed for a protection from abuse order, claiming that Trammell had committed violent acts against her. The request was granted, and Trammell was served with the protection order on Nov. 2.

• On Nov. 5, Cullman Police discovered Trammell in a car across the street from his estranged wife's place of employment, dressed in camouflage clothing, with binoculars, a pocket knife and other tools. The time was before work hours, and police concluded that he was waiting on his wife to arrive. Trammell argued that he was meeting a friend to go view hunting land. He was arrested and charged with violation of a domestic violence protection order and second-degree stalking.

• On Nov. 7, 2018, Assistant District Attorney John Bryant filed a motion to revoke Trammell's bond in the manslaughter case, in response to the new charges. A warrant was issued for Trammell's arrest. He was located and arrested on Nov. 14. He spent 14 days in jail and was released on Nov. 28 with his bond reinstated. Among the conditions of his release was an agreement to submit to a psychiatric evaluation. Court records do not show whether such an evaluation has taken place.

• On Dec. 6, 2018, Trammell was found near his in-laws' home where his wife was reportedly staying. According to the police report, he was "lying in wait and watching the victim with binoculars." According to a letter sent by Trammell to the court, "I was going to stop and talk to my mother and father in law. I pulled off the side of (***) at the end of their road to make sure my wife was not there!" Later in the letter, he insisted, "I have never nor will I ever have any bad intentions or plans to harm or threaten her in any way."

• On Dec. 7, 2018, ADA Jeremy Cline filed a new motion to revoke Trammell's bond, claiming, "The criminal actions of the Defendant constitute a violation of the terms and conditions of the Defendant's bond in these cases," that "The Defendant is a flight risk, as shown by his evasion of law enforcement prior to his arrest on the State's previous motion to revoke the Defendant's bond that was filed on November 7, 2018," and that "The Defendant is a threat to community safety." The motion was granted the same day by Cullman County District Judge Wells "Rusty" Turner.

CULLMAN POLICE DEPARTMENT
Donald Wayne Trammell

• On Dec. 14, 2018, Turner issued an order for an alias warrant (warrant for suspects who fail to appear in court or respond to court orders) for Trammell.

• On Dec. 31, 2018, Trammell led three Cullman police officers on a high-speed chase along a route that included U.S. Highway 278, Interstate 65, Alabama Highway 157 and St. Joseph Drive and ended near the Cullman Housing Authority at the intersection of First Street Southwest and 13th Avenue Southwest. Trammell was arrested and charged with attempting to elude, reckless endangerment, second-degree unlawful possession of marijuana and multiple traffic violations.

• On Jan. 4, 2019, Nicholas revoked Trammell's bond.

Fairview routs Danville 55-14 to capture region title

Gary McGriff
Tribune Correspondent

FAIRVIEW, Ala. – Nothing less than an AHSAA Class 4A, Region 7 football championship was on the line when the Danville Hawks traveled to face the Fairview Aggies Thursday night. A win by Danville and a loss by Priceville would give the Hawks the championship. A win by the Aggies would give Fairview the championship. The Aggies made things easy to figure out pretty early.

Fairview forced the Hawks to punt on their first possession and took over at its own 28-yard line. Two rushes by Tyvn Ellis of 23 yards and a 49-yard touchdown run quickly gave Fairview a 7-0 lead with 10:39 left in the first quarter.

On Danville's ninth play of its next drive, Parker Martin intercepted Luke Nail's pass at the Fairview 15-yard line and Martin returned the interception 36 yards to Danville's 49-yard line.

It took Fairview only six plays to get to Danville's 13-yard line, but facing a fourth-and-6, Martin's pass was incomplete and the Hawks took over on downs with 3:46 left to go in the first quarter.

Another punt by Danville gave the Aggies the ball near midfield.

Aided by a facemask penalty against the Hawks, Fairview scored after five straight runs by Tyler Simmons, capped off by a run from 2 yards out that gave the Aggies a 14-0 lead with 31.7 seconds left in the first quarter.

Danville started the second quarter with a long drive and the Hawks were aided by three major Fairview penalties.

On the ninth play of the drive, the Hawks fumbled the ball on Fairview's 5-yard line and Mason Black recovered it.

After a couple of short runs, Martin hit Black for a 67-yard pass down to the Danville 15-yard line. Ellis completed the drive scoring on the next play making the score 21-0 with 6:06 left in the half.

Danville's next drive was ended early again when Martin once again intercepted Nail. It only took Fairview three plays to score when Martin scored on a 48-yard touchdown pass to J.T. White, stretching the lead to 28-0 with 3:43 left in the second quarter.

Danville took over on its own 35-yard line and Nail hit William Waddell on back-to-back passes of 36 yards and a 26-yard touchdown pass for Danville's first score of the night. The PAT was no good and Fairview's lead was cut to 28-6 as the first half came to an end.

Having won the toss and deferring to the second half, the Aggies began their drive at their own 36-yard line. Out of an eight-play drive, seven were runs and Black scored on a 19-yard run with 8:38 left in the third quarter, making Fairview's lead 35-6.

Danville's next drive stalled on a fourth-and-5 when Nail's run was short, giving the Aggies the ball at their own 38-yard line.

White ran the ball for 10 yards and on the next play, Martin completed a pass to Black for 52 yards and another Fairview touchdown. With 6:10 left in the third quarter, the Aggies extended their lead to 41-6.

Fairview pinned the Hawks deep on its own end of the field on the kickoff, and on the second play of the Danville drive, Eli Speegle intercepted Nail's pass at Fairview's 44-yard line. On the fifth play of the ensuing drive, Martin's pass to Oakley Mullican was completed for a 39-yard touchdown and Fairview took a commanding 48-6 lead.

Replicating a drive from the third quarter, Fairview used seven consecutive runs by Dalton Payne, and on the seventh, Payne scored from 22 yards out with 9:26 left in the game, extending Fairview's lead to 55-6.

Danville took over on its own 36-yard line. It appeared that Fairview had stopped Danville when the Hawks lined up to punt on a fourth-and-10 on the seventh play of the drive.

Cameron Moore ran for 13 yards for a Hawks first down, and six plays later, it once again appeared the Aggies had stopped the Hawks when a penalty against Fairview gave Danville a first down at Fairview's 9-yard line.

Tanner Colburn scored a 1-yard touchdown and Justice Huff ran in a successful 2-point conversion, but it was too little too late for the Hawks and Fairview pulled away to win this year's 4A, Region 7 Championship with a final score of 55-14.

Fairview dominated the game gaining 551 total yards to Danville's 228. Fairview's defense held the Hawks to just 83 yards total offense in the second half. Ellis led all rushers with 150 yards. Martin ended the night going 6-of-10, passing for 215 yards. He was perfect in the second half going 4-for-4 through the air.

After the game, Fairview's Coach George Redding said, "I'm very proud of this team. I'm happy for the players, our school and our fans.

"This is our first region championship since the AHSAA went to regional play."

As region champion, Fairview will host its first-round playoff game in two weeks.

The Aggies have to await completion of games this week to find out which team will come to town. In the meantime, they will travel to Holly Pond next week to renew their annual rivalry game with the Broncos.

Hanceville drops shootout against Locust Fork 55-46

Doug Bates
Tribune Correspondent

HANCEVILLE, Ala. – The Hanceville Bulldogs played host to the Locust Fork Hornets Thursday night and couldn't quite keep pace in a very high-scoring affair.

Locust Fork won the toss and elected to receive, but the Hornet offense failed to gain a first down.

Hanceville took over possession on its own 17 and on its second play from scrimmage, quarterback Zack Campbell hit Logan Guthery in stride down the home sideline for an 81-yard touchdown and a 6-0 lead with 9:06 left in the first quarter.

With the first coming to a close, Locust Fork started on its own 36-yard line. Driving the ball down the field, the Hornets found themselves on the Bulldog 45-yard line when they hit Branden Ellison on a screen pass and he took it 45 yards for the touchdown with 1:17 left in first, giving Locust Fork a 7-6 advantage.

Hanceville came right back with a 55-yard touchdown strike of its own that made it Hanceville 14, Locust Fork 7 with 9:54 left in the second.

Locust Fork tied the game with a 1-yard touchdown run by Micah Calvert with 6:48 left in the half, and after the Bulldogs turned the ball over on downs, a Locust Fork drive made it all the way down to the Hanceville 5-yard line. Charlie Cater called his own number for Locust Fork and gave the Hornets a 21-14 lead with 2:21 left in the half.

Hanceville ended the first half scoring on a 4-yard run by Trevor Shadden that cut the lead to 21-20 going into the break.

After a great halftime show by both bands, the Bulldogs received the second half kickoff and opened up with a pass that was picked off by the Hornets.

After a 45-yard drive down to the 1-yard line, Locust Fork scored on a 1-yard touchdown run to go up 27-20 early in the third.

Hanceville, starting on the 50-yard line, found Brodie Malcom behind the defense for a 50-yard touchdown pass that cut the lead to 27-26 with 7:28 left in third.

After the kickoff, Locust Fork was sitting at its own 30-yard line when Bo Joles picked off a Hornet pass and took it in for the score to make it Hanceville 34, Locust Fork 27 with 7:15 left in the third.

Locust Fork's offense was hitting on all cylinders and struck back, with Oden scoring again to tie the game at 34 with 5:28 left in the quarter.

Hanceville's Shadden brought the crowd to its feet on the ensuing kickoff when he went untouched for 80 yards and the go-ahead touchdown with 5:16 left in the third to make it 40-34.

The third-quarter scoring didn't end there.

Locust Fork got the ball back, and with a strong passing attack and hard running, the Hornet quarterback led his team down to the 1-yard line where Cater called his own number and gave the Hornets a 41-40 lead with 3:31 left in the third.

Hanceville did not give up. Shadden took in a 35-yard pass for another touchdown that put the Bulldogs up 46-41.

Trailing by five points, the Hornets used a 96-yard scoring drive to get the go-ahead touchdown.

The drive was capped off by a Cater to Oden 30-yard touchdown pass, and after the 2-point conversion, Locust Fork was on top 49-46 with 3:57 left in the game.

The Bulldogs wouldn't go away without a fight. They tried hard, but turned the ball over on downs and Locust Fork got the ball back with just over two minutes to go.

It looked like the Bulldogs were going to get a much-needed stop, but on fourth-and-4, Cater called his own number again, busting through the Bulldog defense for a 41- yard touchdown run that put the game away with a final score of 55-46.

The Bulldogs will be back home next week to finish up the regular season against the Good Hope Raiders.

Cold Springs falls to Sulligent on the road 36-7

Nick Griffin
nick@cullmantribune.com

SULLIGENT, Ala. – After suffering a tough loss at home to Tarrant last week, the Cold Springs Eagles hit the road Thursday night for the long trip to Sulligent. The Eagles found themselves in a deep hole early on and weren't able to overcome the Sulligent lead, falling 36-7.

An interception gave Sulligent some early momentum that led to an 85-yard touchdown and an early 7-0 lead.

A second score just a few plays later made it 14-0 and Sulligent managed to find the end zone one more time in the opening quarter to take a 21-0 lead into the second.

A Dylan Gable interception momentarily stopped the bleeding for Cold Springs, but Sulligent managed to get on the board one more time before the break and take a 27-0 lead in the locker room at halftime.

A safety stretched the lead to 29-0 early in the third quarter and that score held by the start of the fourth.

Sulligent tacked on another score to go ahead 36-0, and despite a Jordan Lacey touchdown cutting the lead to 36-7, it was too little too late for the Eagles and they were sent home with a 36-7 loss.

Cold Springs will wrap up the regular season at home next week against the Vinemont Eagles in a Halloween matchup.

Bulldogs trounce Hatton on the road 43-0 to close out regular season

Todd Walker
Tribune Correspondent

TOWN CREEK, Ala. – On an absolutely gorgeous night for football, Addison traveled to Hatton to attempt to lock down the 2nd seed in the region. A win tonight guarantees the 'Dawgs a first-round home game in the playoffs.

A capacity crowd waited in anticipation as Hatton won the toss and elected to kick to the 'Dawgs. It was the last time Hatton would win anything on the field for the rest of the night. Addison's "Mr. Versatile" Grant Rice took the opening kickoff, untouched, 80 yards for the score. The 2-point try was no good, a sign of things to come, and after only 12 seconds had gone in the first quarter, Addison was up 6-0.

Hatton was forced to punt after a quick three plays netted only 4 yards. The "Junkyard Dawg Defense" dominated the Hornets the remainder of the game.

It only took the 'Dawgs three plays to put another 6 points on the board when Rice scampered in from 58 yards out for the touchdown. Wideout Luke Chambers, better known for his catching, pancaked a Hornet defensive back, helping Rice score the touchdown. The 2-point try was no good and at 8:41 of the first quarter, Addison led 12-0.

After forcing another three-and-out, Addison scored on a drive that consumed only about two minutes, but 54 yards. Rice hit Chambers for a 24-yard touchdown pass. The 2-point attempt was again no good and Addison led 18-0, still in the first quarter.

Hatton picked up a first down but was unable to do anything else with the ball and punted back to the 'Dawgs.

Addison drove 64 yards in seven plays with Rice again running it in from 25 yards out. The 2-point conversion was no good and the score stood at Addison 24, Hatton 0 with 9:10 left in the first half.

After a 50-yard Hornet punt pinned Addison back at its own 16-yard line, Addison began an 11 play, 84-yard drive to pay dirt. Rice found Justin Mather for a 28-yard touchdown pass. The 2- point try was no good and with 1:51 left in the half Addison led 30-0.

Hatton never gave up and completed a beautiful double reverse pass for 39 yards when quarterback Briley Kerby found the smallest receiver on the field, Jaxson Mitchell, for the completion. The Bulldog defense held and the half ended with Addison up 30-0.

The second half opened quite like the first. Addison could do no wrong and the Hornets were just completely dominated. After another Hornet three-and-out, a 36-yard punt only netted 6 yards due to Rice returning the punt 30 yards.

Four plays later, Rice found the end zone again for his third rushing touchdown. This Rice run came from 14 yards out. This time, Addison opted to kick the extra point and Eli Howse put it through the uprights bringing the score to Addison 37-0.

After another Hornet punt, the 'Dawgs started at their own 25-yard line, and 11 plays and 75 yards later, Addison running back Caleb "The Bus" Crider took it in from the 2-yard line. Crider accounted for more than 40 of the 75 yards on the drive. The 2-point conversion was no good and Addison led 43-0.

Addison picked off two Hornet passes in the fourth quarter. Cornerbacks Justin Mather and Quentin Barley picked the passes off. Addison played the "young pups" on offense in the fourth quarter and the game ended with Addison winning 43-0.

This game secured the 2nd seed in the region for the 'Dawgs and assured them of a first-round home game for the playoffs.

Addison completed its regular season at 8-2, and it should be considered a success, especially since this team has had to deal with a plethora of injuries all year. The 'Dawgs are off next week and await a to-be-named foe in the first round of the playoffs.

Raiders fall to Fayette County in regional showdown 30-14

Jason Russell
Tribune Correspondent

GOOD HOPE, Ala. – The Good Hope Raiders returned home to host Fayette County in a big region matchup Thursday night but couldn't overcome an early Tiger lead, falling 30-14 to move to 7-2 on the season.

Good Hope won the toss and deferred to the second half, giving Fayette County the ball first and the Tigers came out firing, taking the ball into the end zone for an early 7-0 lead. The Raiders were forced to punt the ball and give it back to Fayette County on the 47-yard line, but Good Hope was able to hold defensively and get the ball back going into the second quarter.

The Raiders took the ball and started moving down the field, but a fumble returned possession to the Tigers, who picked up chunks of yardage through the air before topping off the drive with a 2-yard run for a touchdown that stretched the lead to 14-0. The Raiders continued to struggle offensively and were forced to punt again, giving the Tigers another chance to score.

Fayette County took a long drive down into the red zone and through more penalties and a defensive stand, the Raiders were able to get the ball back after a turnover on downs.

The Raiders quickly took over and took advantage with a big pass play from Tanner Malin to Drew Maddox, and a few plays later, Malin ran one in to bring the score to 14-7 late in the second quarter.

The Tigers get the ball back and quickly drove the ball back down the field and managed to hit a field goal as the half ended to go up 17-7 at the break.

The Raiders came out in the second half and were forced to punt almost immediately. The Tigers marched down the field and scored to make it 24-7 early in the third. With the Raiders struggling on offense, they were forced to punt the ball away again, putting the ball back into the hands of the dangerous Fayette County offense. The Tigers took advantage and scored to go ahead 30-7.

The Raiders started moving the ball, but the Tiger defense brought the drive to and end with an interception.

The Raiders held the Tigers to a failed field goal try that made it 30-7 after three quarters and Good Hope was able to cut the lead to 30-14 early in the fourth.

The Tigers got the ball back and the Good Hope defense stepped up with an interception.

The Raiders got the ball back and just as they started to get the ball moving, they gave it right back with another interception and the Tigers held onto their lead, not only winning tonight's ballgame 30-14, but the rights to home field advantage in the first round of the playoffs.

The Raiders will take the short trip over to Hanceville next week to finish the regular season against the Bulldogs.

Warriors come from behind to defeat Hayden 21-20 in overtime

Sammy Confer
sammy@cullmantribune.com

WEST POINT, Ala. – The West Point Warriors hosted the Hayden Wildcats in their final regular season home game. In what was a tale of two halves, West Point outlasted Hayden in an overtime thriller, 21-20.

The opening possession for Hayden saw the Wildcats run the ball the entire series and it ended with a 3-yard touchdown run that put them on the scoreboard first with 6:08 remaining in the opening period. West Point's opening possession gained just one first down, but that was it as they were forced to punt.

The Wildcats continued to dominate the Warriors' defense on the ground as West Point didn't have an answer for the running game and the series ended with a 1-yard score to make it a 14-0 Hayden lead with 9:39 remaining in the first half.

Will Cochran got a first down on the first play of the next series, but that was it as the Warriors wound up turning the ball over on downs. After forcing the Wildcats to punt, Cochran threw an interception on the next play.

Hayden drove the ball down the field once again and looked for another score, but West Point's defense stood tall, stuffing a run on fourth down. After another West Point punt, the Warriors managed to get the ball back when Cooper Couch recovered a fumble at midfield. Back-to-back runs by Kelton Washington and Kobe Bowers yielded back-to-back personal foul penalties against Hayden, which put the Warriors at the 6-yard line.

An offsides penalty moved the ball to the 3 as the Warriors looked to punch the ball into the end zone, but they couldn't make it happen and went into the locker room trailing 14-0.

The second half saw West Point punt the ball on its opening possession, but the Warriors forced Hayden to punt it right back on its opening series. The Warriors finally got something going on the ground on its next series behind big runs from Cochran and Washington.

After an 8-yard run by Cochran gave the Warriors a first down, he went to the air and found Jacob Dye for a 45-yard score that made it a 14-7 game with 44 seconds remaining in the third period.

That score pumped up the Warrior defense even more as it forced yet another Wildcat punt. From the 32-yard line, Cochran found Bowers for a 35-yard pass play before a 22-yard run by Washington put West Point at the 15-yard line.

Cochran converted a crucial fourth-down play and scored from a yard out on the next play to tie the game up at 14 with 5:28 remaining in the contest.

Hayden kept pounding the ball on the ground and got past midfield after a West Point pass interference penalty, but the Warriors defense stiffened after that and Hayden was forced to attempt a 37-yard field goal with one second left. The kick was wide right, sending the game into overtime.

The Wildcats found the end zone on their first possession of overtime, but their extra point fell short, giving the Warriors a chance to win the game with a score of their own.

Cochran found the end zone on the first play of the ensuing series from 10 yards out and Logan Selby nailed the game-winning extra point to give West Point a thrilling 21-20 win over Hayden in overtime.

Cochran went 4-for-9 for 87 yards and a touchdown and added 47 more on the ground and a pair of touchdowns, plus the game-winning score in overtime.

Washington finished with 56 yards on eight carries. West Point is now 4-5 overall and finished with a 3-4 region record.

The Warriors will end their regular season on the road next Friday at Cordova.

Holly Pond (from Front)

Ryan Guthery
Tribune Correspondent

VINEMONT, Ala. – It was senior night for the Eagles Thursday night as they hosted their cross-county rivals, the Holly Pond Broncos, in a tight, back-and-forth game that saw the Broncos finish on top 36-29

Vinemont received the opening kick-off and pounded the ball down the field on a scoring drive capped off by a 4-yard run from Colby Miller that put the Eagles up 7-0 with 6:45 left in the opening quarter. The Eagle defense forced a fumble, recovered by Wyatt Thomason, on the second play of the ensuing Bronco drive to give the ball back to their offense. Aided by a conversion on fourth down, the Eagles were able to extend the lead when Dallin Dinkle raced in from 6 yards out with 2:56 remaining in the opening quarter to make it 14-0. This time, Holly Pond answered as Kyler Chaney went 55 yards to the house and cut the lead to 14-8 with 1:39 remaining in the opening quarter.

After forcing a punt, the Broncos got the ball back and Chaney found Jayden Perkins for a 9-yard touchdown pass with 7:29 remaining until halftime to tie the game at 14. With 3:26 left in the second quarter, Vinemont regained the lead at 21-14, thanks to a 35-yard scamper by Dinkle. To go along with the flow of the game, the Broncos answered once again when Levi Boatright went 47 yards with 1:18 remaining in the half, bringing the score to 22-21 Broncos at the break.

Holly Pond wasted no time to start the second half. On the fourth play of the third quarter, Chaney got loose and 63 yards later, found the end zone and put the Broncos up 30-21 with 9:57 left to play in the third. Not to be outdone, the Eagles answered back with a touchdown of their own at the 6:38 mark in the third quarter when Dinkle punched it in from 3 yards out and cut the lead to 30-29. Colby Miller intercepted a pass on the ensuing Broncos possession; however, the Eagle offense was unable to capitalize and was forced to punt.

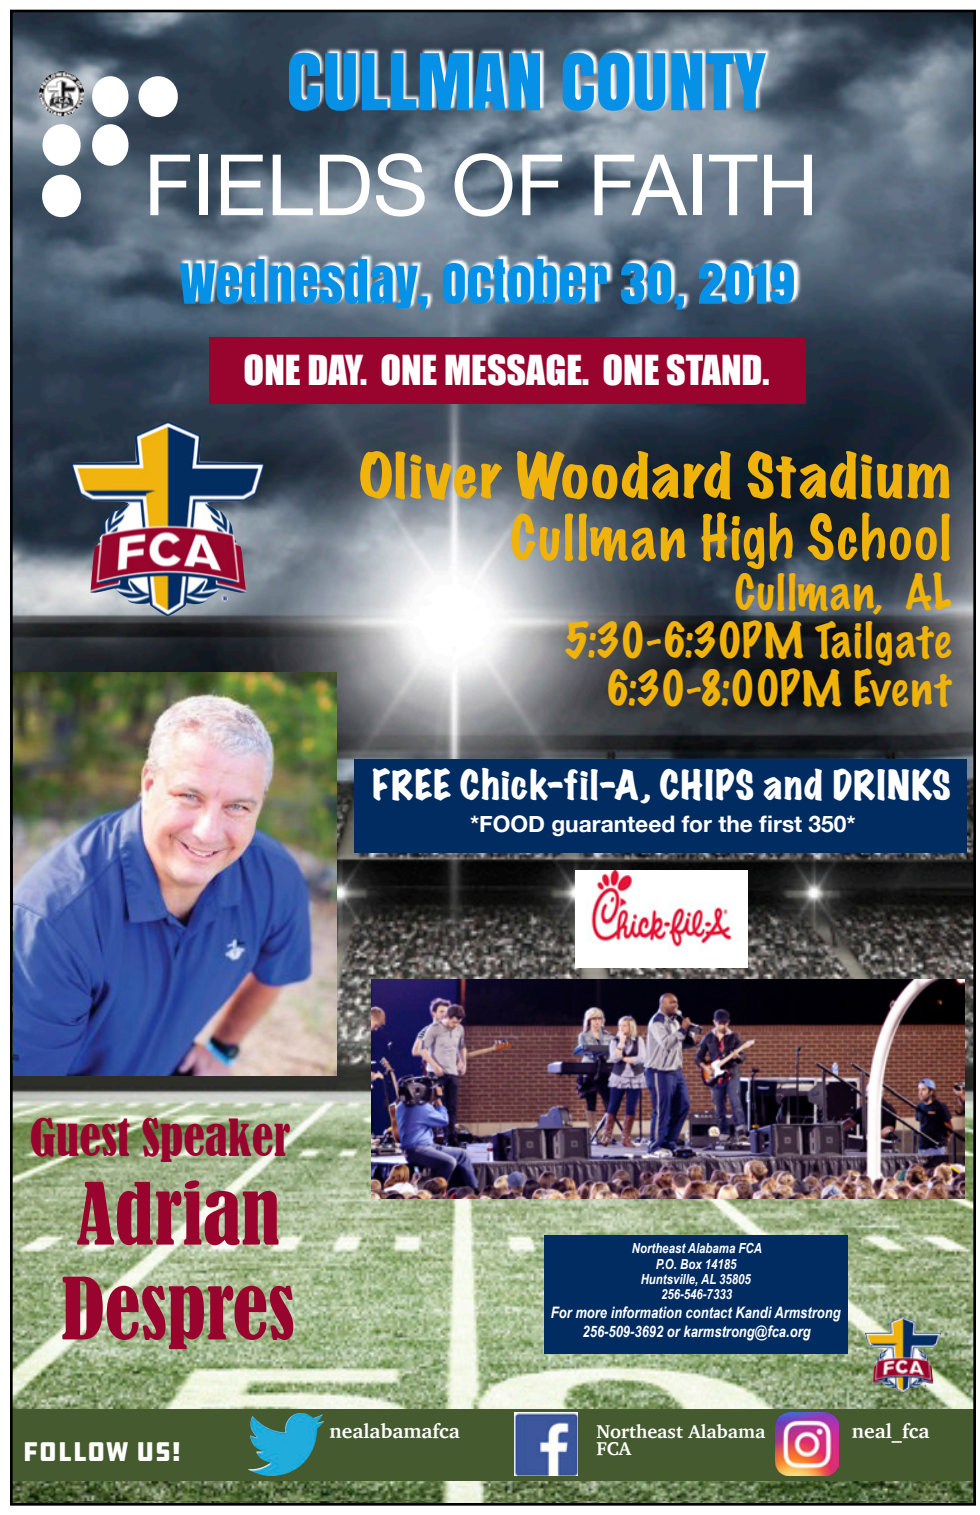

With 11:07 to play, the Broncos extended their lead with another touchdown, but Vinemont was able to deny the 2-point conversion, keeping it a one-possession game at 36-29. Vinemont was driving the ball to tie up the game or go for the win with a successful 2-point conversion but an incomplete pass on fourth down ended the drive and gave the ball back to Holly Pond.

A few key first downs helped run enough time off the clock, and after the Eagles held on fourth down to get the ball back, there were only a few seconds remaining in the game for Vinemont to draw up a play to get into the end zone. The bad news is, they needed 92 yards. The Eagles couldn't manage to go the length of the field in the final seconds and the Broncos left with a hard fought, 36-29 victory.

The Broncos will return home next week to take on the Fairview Aggies. Vinemont will hit the road to face the Cold Springs Eagles and close out the regular season.

CULLMAN, Ala. – The Cullman County Board of Education (CCBOE) on Oct. 10 passed a resolution asking the Cullman County Commission to set an election in March 2020 for a public vote on a proposed 1-cent sales tax to benefit the county and city school systems. On Oct. 22, the Cullman County Commission agreed to place the measure on the March 3, 2020 primary election ballot.

Read the CCBOE's resolution here: www.cullmantribune.com/2019/10/10/ccboe-to-county-commission-put-1-cent-sales-tax-on-march-ballot.

In requesting the ballot measure, Barnette told the County Commission, "We are asking for a 1-cent sales tax to be placed on the ballot for the people of Cullman County to vote on. This money will be spent on the local school campuses, upgrading facilities and security.

"We have an outline of what we would like to do on each campus, and we've been sharing that in community meetings over the last couple of months.

"During those conversations, we feel like the people of Cullman will support this and really through those meetings have asked for us to come to you guys and ask for this to be put on the ballot."

Commissioner Garry Marchman replied, "People are out in the communities and talking about it and one of the things they are saying is that, we don't mind voting for a tax, but we want to know what's going to happening to the money and where it's going to go."

Barnette sat down with The Tribune earlier this week and explained what he wants to see happen around the county system. His stated priority is security, followed by a plan for extensive upgrades to all campuses, and climaxing with what the superintendent called his "dream" for a completely new Cullman Area Technology Academy that will include a high school, to be located on one of the current high school campuses.

Campus security
Barnette said his first priority will be to improve security on every campus in the system.

• **Additional School Resource Deputies** - Barnette told The Tribune that the hiring of three additional SRDs would be done as soon as sufficient funds became available, saying, "That'll be the first thing we do."

• **Raptor Visitor & Emergency Management System** - A basic form is already in use countywide, but more funding will allow more features to be added to the modular system.

• **Substantially more security fencing** - Barnette said that he would like to see all campuses fenced in, but not looking like prisons. His idea includes regular fencing around the sides and backs of campuses, and front enclosures that might resemble traditional wrought iron fencing.

• **More controlled access systems** - Barnette said he would like to see "every door on every campus that opens up to the outside" secured with a mechanism that could be accessed by a keypad, card or fob, and that would allow immediate lockdown in the event of an emergency.

• **Second secure entry systems** - Two sets of controlled access doors at main entrances would allow visitors to enter the front door and go to the office to sign in, but still place a controlled access barrier between them and student areas of the building. Such systems are already being tested at Harmony School and West Point Elementary.

Facility upgrades
Barnette said every school campus will see improvements including new construction, and as the system prepares to put up new program-specific facilities like agriscience and consumer science buildings, the instructors who will actually be teaching in those buildings will be part of the planning.

Under Barnette's proposed plan, facility improvements- beyond the security upgrades already mentioned- will include:

Cold Springs High School
• expansion of paved parking
• expansion of lunchroom
• new agriscience/family and consumer sciences building
• new gym
• updated science labs
• remodeling of basement gym into auditorium

Fairview schools
• expanded paved parking
• new agriscience and consumer sciences buildings at high school
• extended goal of new classrooms added to elementary school
• updated science labs at high school

Good Hope schools
• new library and gym at middle school
• expanded paved parking at high school
• new high school wing on current elementary school site
• new elementary school building next to Good Hope Primary

Hanceville Elementary School
• expanded parking in front
• demolition of old building on back of property and construction of new playground in its place
• expansion of main building with new classrooms
• outdoor classroom behind main building

Harmony School
• outdoor classroom and green house

Holly Pond schools
• expanded paved parking on northwest campus
• new agriscience, family and consumer sciences buildings at high school
• additional classrooms on east end of elementary building
• outdoor classroom at elementary school
• enclosure of front of elementary school to stop classrooms from opening into parking lot

Parkside School
• repave and stripe parking lot
• replace all HVAC systems

Vinemont schools
• new high school building
• extended goal of new elementary school building

West Point
• expanded lunchroom
• new agriscience complex and consumer sciences building at high school
• new second-floor classrooms at high school
• new gym at intermediate school
• new classrooms at elementary school

Said Barnette, "This is a reality: a lot of people don't want us to spend money on all these campuses. They'd rather us consolidate schools. And it would be easy to do, but I don't know if that's the right thing to do. I think if we shut down schools, it kills the community, and I'm not about that.

"And a lot of the people that are advocates for closing down and consolidating schools, they want me to do it, but they don't want me to start with their school. Everybody wants to do it, but just not their school.

"And my goal, especially if we get this sales tax passed, is that we don't consolidate any schools, and we get them where they need to be, and we bring in housing and we bring in growth where that all of our schools are continually growing and getting bigger and are a vital part of their community."

The "dream" of a new facility for career technical education

The superintendent wants to see the current Cullman Area Technology Academy, still known to many as the "Career Center," replaced by a whole new facility to be located on one of the system's current high school campuses.

Barnette said, "I'm dreaming of a state of the art, modern, attractive career tech center that will incorporate a high school on the top floor and a career tech center on the bottom floor."

The new facility would allow regular academics and technical training to take place under the same roof, though students would still have the option to take their regular classes at their home schools.

Barnette said city system students would be welcome, as they are now, and he hopes to draw in students from other districts, who would attend for a fee.

Said Barnette, "My goal, right now, is to be a full functional high school up there, so if a young person wanted to come to that high school, they can. And that way, if they want to go down and take just one course, a tech thing, and then go back upstairs and take all their academics, they can. If in ninth grade, they want to try one, maybe second semester try a different tech thing- a different class- they could do that.

"But at the same time, if somebody's at Holly Pond High School and they want to come for two hours a day, they can come for just two hours a day.

"But, you know, one of the things we want to get away from is that (stigma) of a 'trade school;' we want it to be something attractive that kids will want to come to. And we want to be able to offer the different programs that are going to provide kids opportunities to get jobs that are available in north Alabama now, and for five years from now and for 10 years from now. By building this with additional space, we can offer more programs than we offer now, and different programs."

A recent survey commissioned by the CCBOE indicated that more than 90% of local businesses and industries support the idea of a new career technical facility and would be willing to work with the system to offer training and apprenticeship opportunities, and a few might even offer financial support for a new center.

At the current pace of progress in industry, CCBOE's existing CATA facility simply cannot keep up. Business and industries have identified several potential needs for new technical training courses, but according to Barnette, "Right now, we have no more space to add any new programs at CATA."

At the conclusion of the discussion, Barnette remarked, "With this sales tax, it gives us the opportunity to do things the right way, to build the buildings we need to build, and not just get by."

Fraud (from Front)

Amy Butler Williams to 7 months in prison for failing to pay over payroll taxes.

According to court documents and information provided to the court, Walter Michael Williams and Amy Butler Williams operated Dixie Steel Erectors (DSE), a commercial construction business in Hanceville, Alabama.

Walter Michael Williams, president and owner of DSE, and Amy Williams, bookkeeper and office manager of DSE, were responsible for withholding and paying over DSE's payroll taxes.

During 2012 and 2013, DSE accrued payroll tax liabilities and the Williamses withheld those taxes from the pay of the business's employees, but willfully failed to pay over the withheld amounts to the Internal Revenue Service (IRS).

Instead, the Williamses caused DSE to pay for a number of their personal expenses, including mortgages, alimony, and football season tickets.

The Williamses also failed to file personal tax returns and failed to file corporate tax returns for DSE.

"Employers who lead their employees to believe that they are properly paying their taxes, but instead pocket that money for their own greed and personal use, are not above the law," Town said.

"The imposition of prison sentences in these cases show that the Justice Department remains steadfast in its commitment to seek equal justice under the law, and that access to power and wealth will not protect white collar criminals from the bars of a federal prison."

In addition to the term of imprisonment imposed, the Williamses were ordered to serve three years of supervised release and to pay restitution in the amount of $502,683.23 to the IRS.

Principal Deputy Assistant Attorney General Zuckerman and U.S.

Attorney Town commended special agents of IRS-Criminal Investigation, who conducted the investigation, and Assistant United States Attorneys Allison Garnett and Melissa Atwood, who are prosecuting the case.
