FPLCC President Tanya Allcorn told The Tribune, "We want people to love the library and all it has to offer. It is a safe place for families and does not cost anything. The Friends group is here to help promote the library through fundraising and programs that are all free and open to the public."

According to the group's website, Friends of the Library may...

- Attend meetings to offer suggestions and support for specific library needs in the community.
- Volunteer to plan and carry out fundraising activities.
- Support and attend special events.
- Encourage community awareness by sharing their passion for libraries.
- Raise funds to support library services and programs.

Library Director Sharon Townson told The Tribune, "Becoming a member of the Friends of the Public Libraries of Cullman County is a great way to help support area libraries. The membership fee is a donation to the Friends group, which in turn provides for the public libraries. I am personally grateful to see the enthusiastic members of our recently reinvigorated group focusing on creating an engaging environment for our community."

Adopt-a-Bookshelf program

In a promotional brochure, FPLCC announced the "Adopt-a-Bookshelf" program, saying, "This fundraising campaign is a great opportunity to support the future of the public libraries of Cullman County by donating $10 (tax-deductible) per shelf in honor of or in memory of someone. This donation 'adopts' a bookshelf for one year. Donations will be accept-

Secretary Renee Welsh told The Tribune, "A public library is an enduring monument, not just a brick and mortar structure, a community that strives to invest in its youth and those who search for knowledge through reading.

The efforts of the Friends group (are) to provide opportunities for all ages. Cullman has several family-oriented annual events; the Friends group is helping compliment these by adding activities."

Grants (from Front)

throughout the state of Alabama."

"The city council and I are grateful to have been awarded the Community Development Block Grant for improvements to Katherine Street," said Jacobs. "Improvements that will be made include the installation of new water and sewer lines and improvements to the street and drainage system."

On July 22, 2019, the Cullman City Council adopted Resolution No. 2019-68 authorizing Jacobs to execute and submit an application for CDGB funds to implement a Neighborhood Improvement Project on Katherine Street. Under the terms of the grant, the City of Cullman will be responsible for providing $337,845.01 in matching funds, $250,000.00 of which will be provided in the form of in-kind services provided by the City.

Jacobs said the work on Katherine Street will stretch from Main Avenue West to Rosemont Avenue.

"The CDBG program is so important to the City of Cullman," said Jacobs. "They make a difference in our community as a whole and in the lives of our residents."

City of Hanceville
Hanceville Mayor Kenneth Nail, Rep. Randall Shedd, R-Fairview and Gudger announced during a Facebook Live video Wednesday morning that Hanceville will be receiving funds for a brand new senior center. The three officials were in Washington D.C. on other business when the announcement was made.

Nail had hinted at a big announcement earlier in the week.

Gudger said in the video, "We've been blessed in Hanceville, Alabama to apply for a grant called the CDBG grant and that grant has a local match to it. Hanceville will be putting in around $50,000. At the same time, we were awarded through the hard work of Representative Shedd and Kenneth Boswell through ADECA, $250,000 for a new senior center that will be built in Hanceville, Alabama."

Shedd added, "I know how important something like this is. I appreciate the mayor and the council locating this land at the park to give to the seniors and they can utilize the walking trails. It's important for our area."

Nail was filled with emotion as he announced the good news.

"These two guys right here are working hard for y'all," he said. "These guys aren't shy about asking for money for our area."

Hanceville Senior Center Director Evon Fowler said of the good news, "Everyone at the center is very excited. The Rowdy Bunch is an amazing group of people. They are young at heart and so deserving of a new modern senior center. They sky's the limit for them."

"Community Development Block Grants are vital to Alabama communities wanting to raise living standards and improve living conditions for their residents," Ivey said. "I am pleased to award these grants, and I commend all those local leaders who, by seeking these grants, show they have their communities at heart."

"As a former mayor, I know how valuable these grants are to communities and I also realize the time and effort that local leaders, planners and residents invest in obtaining funding," Boswell said. "ADECA is pleased to have a role in this process that will benefit communities all across Alabama."

The Community Development Block Grant program is administered by the ADECA utilizing funds received from the U.S. Department of Housing & Urban Development (HUD). The purpose of the CDBG program is to assist local governments in meeting community development and housing needs as set forth in Title I of the Housing and Community Development Act of 1974, as amended. Award determinations are based on the number of low and moderate income families affected, urgency of the need, and the project cost efficiency.

CULLMAN, Ala. – Chipotle Mexican Grill opened Wednesday in southwest Cullman.

The restaurant is located in the newly renovated site of the old Bojangles' building at 1821 Cherokee Ave. SW across from Chick-fil-A.

Chipotle is open daily from 10:45 a.m.-10 p.m.

From Chipotle: "When Chipotle first opened, the idea was simple: show that food served fast didn't have to be a 'fast-food' experience.

"We use high-quality raw ingredients and classic cooking methods, serve in a distinctively designed atmosphere, and provide an exceptional customer experience—features more frequently found in the world of fine dining."

The Bojangles' building has been empty since Feb. 2018 when franchisee JAX's Alabama Bo, LLC. closed the restaurant without warning.

Only around a fifth of women at higher risk of developing breast cancer think they need to take a drug proven to help prevent the disease, according to new research published in *Clinical Breast Cancer*. Around 72 percent said they were worried about the long-term effects of tamoxifen and 57 percent believed that the drug would give them unpleasant side effects. 29 percent of the women thought doctors prescribed too many medicines and 35 percent thought doctors would prescribe fewer drugs if they had more time. 24 percent of the women thought people on medication should take regular breaks from the drugs, 23 percent said they were very sensitive to medicines and 17 percent believed natural remedies were safer than medicines. Fewer than 15 percent were taking tamoxifen despite having discussed preventive therapy with a healthcare professional.

Men who use androgenic anabolic steroids – such as testosterone – may face a higher risk of early death and of experiencing more hospital admissions, according to a new *Journal of Internal Medicine study*.

***

A new study published in JAMA shows that patients already at higher risk for gastrointestinal bleeding gain a marked protection from this risk when they take a proton pump inhibitor (PPI) in combination with an oral anticoagulant. Oral anticoagulants, which prevent blood clot formation, are among the most widely prescribed medications in the United States. They are predominantly used for patients with an irregular heart rate called atrial fibrillation, prosthetic heart valves and those with or at risk for deep vein thrombosis and cardiovascular diseases. Unfortunately, a major side effect of oral anticoagulants is the risk of significant bleeding, particularly upper gastrointestinal bleeding. PPI use reduced the risk of gastrointestinal bleeding by 34 percent.

Aggies, Lady Aggies sweep Holly Pond at home

Sammy Confer
sammy@cullmantribune.com

FAIRVIEW, Ala. – Fairview hosted Holly Pond in a county matchup on Tuesday night and the hosting Aggies and Lady Aggies took both varsity games. The Lady Aggies cruised past the Lady Broncos 54-24 and a huge first half was key for Fairview in their 84-40 rout of Holly Pond in the boys' game.

Fairview 54 - Holly Pond 24 (varsity girls)
Four different Lady Aggies found the scoring column in the opening period, including three-pointers from Daisy Manasco, Katie Ball and Molly McKelvy. Fairview held the Lady Broncos to just two field goals and a free throw and took a 15-5 lead into the second period.

Fairview put up 23 points in the quarter and held Holly Pond scoreless to take a 38-5 lead into the locker room and the second half was more of the same as the Lady Aggies dominated on both sides of the ball and wound up taking their opening game of the season, 54-24.

Every Fairview player found the scoring column in the game, led by Manasco who finished with 15 points. Maddie Yeager added 13 points, and McKelvy ended up with 11.

For Holly Pond, Elizabeth Miller led the way with 10 points.

Fairview 84 - Holly Pond 40 (varsity boys)
Nine different Fairview players scored in the opening period as the Aggies took a 23-12 lead into the second period.

The Aggies upped their scoring output from the first quarter by putting up 28 in the second and they held Holly Pond to just 12 points to take a 51-24 lead into the locker room at the half.

Fairview continued the scoring onslaught in the third period and put up 27 in the quarter while holding the Broncos to just 12 points once again to take a 78-36 lead into the final period.

A hot clock was in effect for the final quarter and the Aggies wound up winning their first game of the season, 84-40.

Just like in the girls' game, every Fairview player found the scoring column in the contest, with four of them finishing in double figures.

Dow Nichols finished the game with 22 points, J.T. White added 11 points and Peyton Bailey and Owen Yarbrough each chipped in with 10 points.

For Holly Pond, Kyler Chaney finished with 12 points and Landon Rowell added nine in the loss.

Fairview and Holly Pond will both be on the road Thursday night. The Aggies will travel to Vinemont and the Broncos will travel to face Good Hope.

West Point splits home varsity matchups with Good Hope; Tuesday scoring recap

Nick Griffin
nick@cullmantribune.com

WEST POINT, Ala. – Good Hope made the trip up to West Point for a pair of varsity matchups Tuesday night and split a couple of lopsided contests with the Warriors. The Lady Warriors routed Good Hope 74-38 in the first varsity game of the night before the Raiders blew past West Point 81-56 in the nightcap.

The Warriors and Lady Warriors will be back in action when they travel to Hamilton on Friday and Good Hope will be hosting Holly Pond Thursday.

West Point 74 – Good Hope 38 (varsity girls)
Despite several early turnovers, West Point held a 6-2 lead early in this one, but the Lady Raiders fought back in the opening frame. Good Hope managed to tie the game at 12 with just two minutes to play in the first but a 7-0 scoring run capped off by an and-one play by Micah Oldacre gave the Lady Warriors a 19-12 lead going into the second.

A three-pointer followed by a mid-range jumper from Sheridan Bowers on back to back possessions stretched the West Point lead to 26-14 early in the second quarter and a three by Miriam Oldacre made it a 34-15 game with halftime approaching.

Good Hope made some shots late in the period, but the Lady Warriors led the way 38-21 at the break.

West Point started the second half on a 6-2 scoring run to make it a 44-23 game early in the third, but a Heather Tetro three-pointer trimmed the lead to 46-26 midway through the quarter.

Unfortunately for the Raider fans in the building, the Lady Warriors hit another big scoring run to end the quarter and took a 60-32 advantage into the fourth.

Back to back threes by Bowers stretched the lead to 70-38 early in the frame and West Point pulled away to win it 74-38.

Miriam Oldacre led the Lady Warriors with 18 points in the win, followed by Bowers with 15, Lexi Shadix with 13, Molly Pendley with 12 and Micah Oldacre with eight.

Braelee Quinn added six points in the win and Emily Wells added two points of her own.

Bailey Tetro led the way for Good Hope with 11 points, Ivey Maddox and Heather Tetro each added six, Rudi Derrick posted five and Cayleigh Garmon and Bobbi Johnson both finished with four.

Good Hope 81 – West Point 56 (varsity boys)
The Raiders jumped ahead to a 6-3 lead early in the opening period but a pair of free throws from West Point's Aubrey Cleghorn kept the lead at 10-7 midway through the first. Good Hope found its rhythm after that and used a big scoring run, capped off by a Drew Maddox three-pointer late in the quarter, to take a 28-8 advantage into the second.

The Raiders continued adding to their lead early in the second quarter when a three from Tanner Malin made it a 35-12 game. A Cleghorn basket cut the lead to 20 midway through the second but a three ball from Colton Williams put the Raiders up 46-20 late in the period. The scoring run continued into the half for Good Hope and the lead was up to 53-28 at the break.

The Raiders got a lot of baskets in transition thanks to great ball movement and their fast-break offense gave West Point fits throughout the game. An and-one play by Cole Maddox put Good Hope ahead 64-36 in the third and a big layup by Drew Maddox stretched that lead to 72-41 with the fourth quarter approaching. The Raiders went into the final frame with a 77-45 advantage and with the clock running, pulled away to win it 81-56.

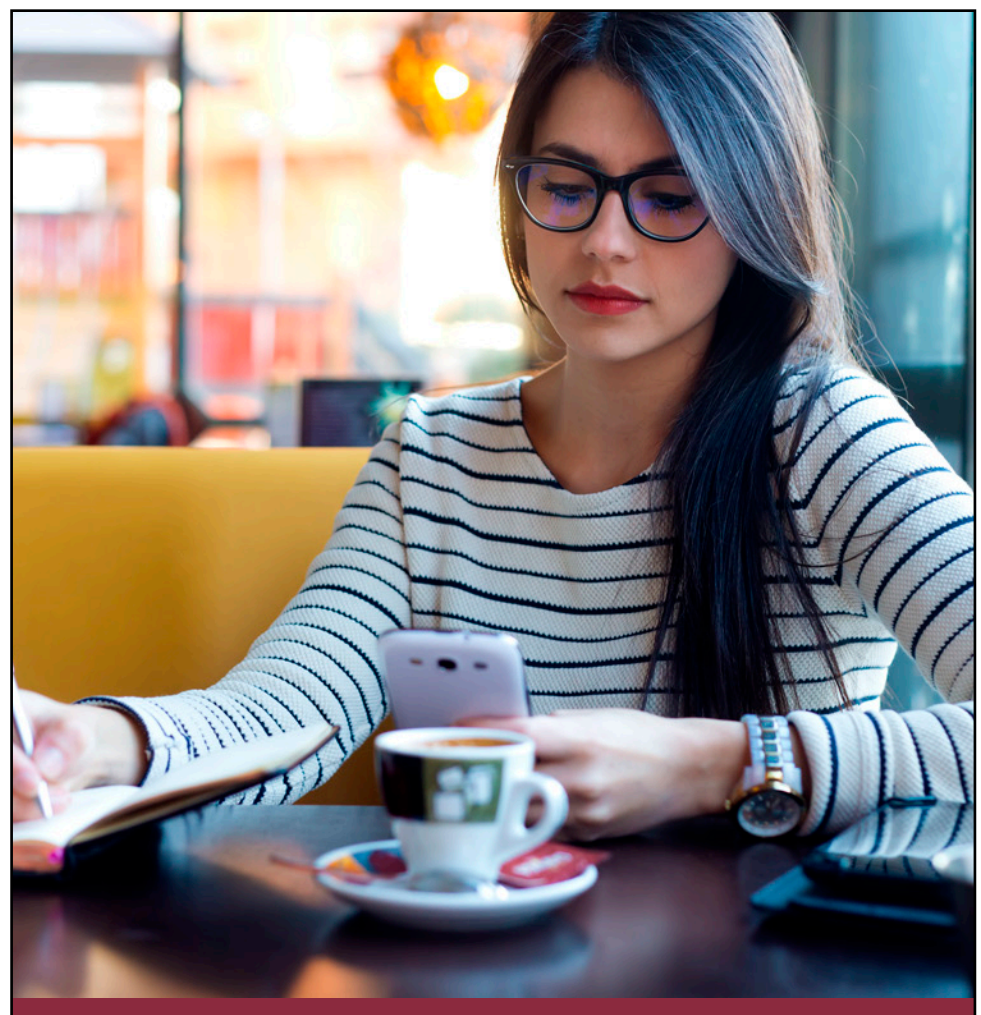

Cole Maddox led all scorers with 21 points in the win, followed closely by Michael Lowe with 20. Drew Maddox posted 13 points for Good Hope, Malin finished with nine, Eli phares added six, Williams collected five and Lawton Farr and Dawson Turner each finished with four and three points respectively.

Cleghorn led the Warriors with 16 points in the loss, followed by Carter Thornton with 10, Kobe Bowers with seven, Will Cochran and Jonathan Fell with six, Sam Wheeler with four, Brannon Bright with three and Mason Walls and Logan Selby who each posted two points.

Other Tuesday night scores:

- Fairview 54 – Holly Pond 24 (varsity girls)
- Fairview 84 – Holly Pond 40 (varsity boys)
- Cullman 47 – Mortimer Jordan 42 (varsity girls)
- Cullman 73 – Mortimer Jordan 60 (varsity boys)
- Winston County 42 – Vinemont 38 (varsity girls)

Cullman Education Retirees Association celebrates Retired Teachers Day as part of American Education Week

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – The Cullman Education Retirees Association (CERA) gathered on Tuesday to celebrate Retired Teachers Day, as part of American Education Week. The week before Thanksgiving week is officially American Education Week, and the Alabama Legislature declared the Tuesday of that week to be Retired Teachers Day.

CERA President and former Vinemont Principal Dr. Jane Teeter told The Tribune, "Even in our retirement years, retired educators continue to touch the lives of those around us by volunteering in the community. Many in our unit are mentoring in the schools, working to provide weekend food for children identified as eligible for Knapsacks for Kids, clean campus volunteers, and various other committees which impact schools daily."

Anyone interested in joining CERA, whether a teacher, administrator, bus driver, office worker in the local school, or any position recognized by the Teacher's Retirement System may call Dr. Jane Teeter at 256-734-9885 for more information.

On its website, the National Education Association (NEA) explained the annual observance of American Education Week:

The NEA was one of the creators and original sponsors of American Education Week.

Distressed that 25 percent of the country's World War I draftees were illiterate, and 9% were physically unfit, representatives of the NEA and the American Legion met in 1919 to seek ways to generate public support for education.

The conventions of both organizations subsequently adopted resolutions of support for a national effort to raise public awareness of the importance of education.

In 1921, the NEA Representative Assembly in Des Moines, Iowa, called for designation of one week each year to spotlight education. In its resolution, the NEA called for "An educational week … observed in all communities annually for the purpose of informing the public of the accomplishments and needs of the public schools and to secure the cooperation and support of the public in meeting those needs."

The first observance of American Education Week occurred Dec. 4-10, 1921, with the NEA and American Legion as the cosponsors. A year later, the then U.S. Office of Education joined the effort as a cosponsor, and the PTA followed in 1938.

Other co-sponsors are the U.S. Department of Education and national organizations including the National PTA, the American Legion, the American Legion Auxiliary, the American Association of School Administrators, the National School Boards Association, the American Federation of Teachers, the American School Counselor Association, the Council of Chief State School Officers, the National School Public Relations Association, the National Association of State Boards of Education, the National Association of Elementary School Principals, and the National Association of Secondary School Principals.

American Education Week is always celebrated the week prior to the week of Thanksgiving.

Letters to Santa

The Cullman Tribune will be publishing Letters to Santa again this year beginning in December and throughout the Christmas holiday. We would love to have all area primary and elementary school students participate.

All letters will be published online and many in print. The deadline for print is Friday, Dec. 20.

Letters should contain the child's name, age, grade and classroom/school, along with his or her message to Santa.

Letters should be mailed (or dropped off) to

The Cullman Tribune

219 2nd Ave. SE

Cullman, AL 35055

or emailed to Robin@CullmanTribune.com.
