CULLMAN, Ala. – Two brothers involved in a shootout that saw 21 shots fired in the parking lot of the Verizon Store on Alabama Highway 157 in Cullman have been apprehended. The older brother, James E. Harrison, III, 17, of Birmingham has been charged as an adult with attempted murder. He is being held at the Cullman County Detention Center.

Both brothers are also charged with criminal mischief, reckless endangerment and carrying a pistol without a permit.

The younger brother, 16, has not been named. He is being held at a juvenile detention center in Tennessee.

Cullman Police Department Captain of Investigation J.P. White said a disagreement between the two brothers led to the shootout around 9 p.m. Monday night, Dec. 2, 2019.

"They had a disagreement and both of them produced a weapon and started shooting," said White. "There were other witnesses who have been interviewed. We knew who the people were that were involved within 30 minutes because of some witnesses and people with them."

Harrison was shot in the foot and transported by private vehicle to St. Vincent's Hospital in Birmingham. The younger brother fled the scene. Harrison later left the hos- » PAGE 7

PREP BASKETBALL

Holly Pond falls to Oneonta 63-53, Lady Redskins pull away from Lady Broncos 49-33

Nick Griffin/ Sammy Confer

HOLLY POND, Ala. – After dropping a pair of matchups to the Fairview Aggies last week, Holly Pond returned home Monday night to host Oneonta. The Lady Broncos fell behind early and fought back to tie the game in the second quarter but couldn't keep pace in the second half and fell to the Lady Redskins while the Broncos came up short late in the game against the Redskins, falling at home 63-53. Holly Pond will be back home Thursday to host the Eagles and Lady Eagles of Vinemont.

Oneonta 49 – Holly Pond 33 (varsity girls)
Oneonta jumped out to a 5-0 start early in the opening quarter and extended the lead to 9-0 by the halfway point of the first. Kennedy Twilley scored Holly Pond's first points of the game at the three-minute mark to cut it to 9-2 and a Quincey Marks bucket made it an 11-4 game with 30 seconds in the period. Sarah Finley was then fouled at the buzzer and knocked down both shots at the line to cut the lead to 11-6 at the start of the second quarter.

The Lady Redskins led the way 13-6 early in the second but back to back three-pointers from Stallings and Tate Duke made it a 16-12 game with five minutes to play in the half. A pair of free throws from Stallings then cut the lead to two midway through the period and on their next possession, the Lady Broncos tied the game at 16 when Finley drilled a pair from the charity stripe. However, the momentum didn't last for long as Oneonta finished the half on a devastating, 17-0 run to go into the locker room with a 33-16 advantage.

Another Stallings basket made it a 35-19 game early in the third quarter and Elizabeth Miller scored to cut the lead to 35-21. Unfortunately for the home crowd, the Lady Redskins ended the quarter with another big run, outscoring Holly Pond 9-0 in the final three minutes of the third to take a 44-21 lead into the final frame.

Rebecca Bell scored to trim the lead to 44-23 early in the fourth quarter and Stallings scored to make it 47-25 midway through the period but the Oneonta lead was too much for the Lady Broncos to overcome and the Lady Redskins pulled away to win it 49-33.

Stallings led Holly Pond with 11 points in the loss. Miller finished with six, Finley posted five, Duke scored four and Twilley added three.

Oneonta 63 – Holly Pond 53 (varsity boys)
Oneonta put up the first basket of the game on a layup, then Holly Pond's Kyler Chaney and Jayden Perkins scored the Broncos' first six points to give them a 6-2 lead. The Redskins hit back-to-back treys to get the lead right back at 8-6 but Holly Pond went on a 14-0 run, with Chaney scoring 10 of those points, and Levi Boatright and Jordan Allbright each added a basket during the run, to push their lead to double-digits at 20-8 and wound up taking a 21-12 lead into the second quarter.

Oneonta quickly went on a 9-0 run to tie the game at 21. Jaxon Olinger put up Holly Pond's first basket of the period to give them the lead right back at 23-21 and later made it 27-23 on layups by Landon Rowell and Parker Sellers. The Redskins, though, scored the final seven points of the period to take a 30-27 lead into the locker room.

Boatright hit a pair of free throws to start out the third period for Holly Pond to make it a 30-29 game, then Oneonta reeled off 11 in a row to make it 40-30. Chaney hit a pair from the line to stop the run. After Oneonta made it 42-32 on a pair of free throws, a three each by Boatright and Chaney helped kick-start a 9-0 Bronco run to cut the deficit to just two at 42-40. The Redskins countered with back-to-back baskets down low to take a 46-40 lead into the final period.

Oneonta pushed its lead to 49-40 after a three-point play and later made it 52-42, but the Broncos just wouldn't go away as baskets from Perkins and Allbright swiveled the deficit to eight at 54-46.

Chaney later made it 58-50 on a layup, but Holly Pond didn't get any closer after that as the Redskins pulled away late and the Broncos wound up falling at the end, 63-53.

Chaney led the way for Holly Pond (5-13) with 26 points, six rebounds, three steals and a pair of blocks. Boatright added 12 points, five rebounds and a steal. Perkins (steal) and Allbright (four rebounds and a steal) each ended up with four points, Rowell added three points and a steal and Jaxon Olinger (steal) and Sellers (steal) each chipped in with two points.

Addison splits area matchups with Red Bay at home

Todd Walker
Tribune Correspondent

ADDISON, Ala. – Addison met Red Bay in a two-game set at Stephenson Gym in Addison Monday night and the Addison Bulldogs came away with a split. The area-leading Red Bay Tigers defeated the Bulldogs, clinching the area crown in the process, by a score of 69-46. The Bulldog boys team fell to 7-11 and probably locks up the third seed in the area tournament.

The area-leading Lady Dawgs defeated Red Bay in a nail biter, 41-36. The Lady Dawgs all but won the area with the win tonight, improving to 12-1 and will be the top seed in the upcoming area tournament.

Addison 41 – Red Bay 36 (varsity girls)
The red-hot Lady Dawgs came into tonight's game looking to lock up the area crown and came out surprisingly flat. Red Bay played inspired and the Lady Tigers showed that they had nothing to lose. The Lady Tigers would like nothing better than to spoil the Addison Ladies night. The first period ended with the Lady Tigers dominating the Lady Dawgs 15-7. Addison couldn't get a shot to drop and the Lady Tigers couldn't miss. Addison only had one made basket in the period.

The second period was a little better for the Lady Dawgs. The Dawgs outscored Red Bay 11-8. The half ended surprisingly, with Red Bay leading a lethargic Addison team 23-18.

After an extremely vocal halftime speech by Coach Frank Graham, the Lady Dawgs came out fired up in the third period. The defense, a Lady Dawg staple, was out in force in the third. Addison, led by Kaylee Brummett who happened to score her 1,000th career point in the win, dominated the period. Addison held Red Bay to only 3 points while scoring 10 of their own. The third period ended with Addison leading 28-26.

The fourth period was a back and forth affair. It appeared that the Lady Dawgs and their pressure defense wore out the Lady Tigers. Addison dominated the boards in the period and outscored Red Bay 13-10. The final score was closer than the it seemed, Addison Lady Dawgs 41, Red Bay Lady Tigers 36.

The win clinched the area for the Lady Dawgs improving their record to 12-1.

After the game, Coach Graham stated, "We came out flat and were just plain out hustled in the opening half. Couldn't run a play to save our life and didn't execute.

"The second half was a completely different ball game. We began to execute and gave a tremendous effort. We are gonna have to up our game and improve before the playoffs."

The unofficial stats are:
Macey "Homecoming Queen" Butler and Kaylee Brummett led the Lady Dawgs with 12 points apiece. Gracie "Bug" Manley chipped in with nine, the Manley sisters, Savannah "Nanner Belle" Manley and "Bug" Manley dominated the glass. "Nanner Belle" led the team with 12 and "Bug" pulled down nine of her own.

Some other stat lines of note; Bracie Rodgers had five points, five rebounds an assist and a steal. Callie Crider had two points, five rebounds, two assists and 3 steals.

The Lady Dawgs travel down the road tomorrow night to take on the Meek Tigers in a county match up.

Red Bay 69 – Addison 46
The Addison boys took on the area-leading Red Bay Tigers and Addison picked a bad night to start slow. The Tigers came out fast and hot.

The Tigers pressed the Dawgs into multiple turnovers which led to easy baskets for the red-hot shooting Tigers. Addison fought back but the first period ended with Red Bay leading 20-12.

The Dawgs wished that they would have just gone into halftime at that point because someone put a lid on the home town team's basket. Red Bay dominated the period 21-5. Addison couldn't hit a layup, three point shot or free throw. Red Bay couldn't miss.

The half ended with Red Bay dominating The Dawgs 41- 17 and it really wasn't that close. Red Bay was led by seniors Tanner Hamilton and Clay Allison.

The Dawgs came out and played much better in the second half, but the hole was just too big. Addison outscored the Tigers 18-12 and seemed to have the momentum going into the fourth period trailing 53-35. The fourth was a back and forth affair with Red Bay winning the period 16-11. The final score of the game was Red Bay 69, Addison 46.

After the game, Addison Coach Ben Mastin said, "The boys are still trying, and we are going to get better. No one has quit and the effort is there it just needs to be more consistent, especially on the defensive end. If we can put it all together, play with intensity and get total team effort with everyone buying in this can still be a successful season."

Red Bay Coach John Torisky said after the game, "We played hard and had good energy. We had a solid team defensive effort, especially in the first half. It feels good to win the area and we look forward to bigger and better things."

Red Bay was led by Junior Braden Kay with 14 points and six rebounds. Tanner Hamilton had 10 points to go with six rebounds. Senior Clay Allison had nine points and Junior Lane Shewbert chipped in seven.

Addison was led by Eli "Curly" Howse with 17 points, three rebounds, two assists and 1 steal. Logan "Baby Shaq" Wilkins had 14 points, six rebounds and an assist. Christian Roberts had one point but pulled down six rebounds.

Addison will also travel to Meek to take on the Tigers in a county rivalry game Tuesday night.

Jack Bicknell Jr. named offensive line coach at Auburn

Kirk Sampson
AU Athletics

AUBURN, Ala. – Jack Bicknell Jr., a successful coach at the collegiate and professional level for over three decades, has been named the offensive line coach at Auburn, head coach Gus Malzahn announced Monday. Bicknell, who was at Ole Miss the previous three seasons as offensive line coach, has 33 years of coaching experience, including 25 years in college and seven seasons in the National Football League.

"Jack has a wealth of coaching experience and success in all levels of football, including the last three years in the SEC," Malzahn said. "He has been a part of a Super Bowl championship team and been a head coach collegiately. Jack's diverse and extensive resume will be valuable in developing our offensive line unit. We're very excited to have Jack join our staff here at Auburn."

This past season at Ole Miss, the Rebels were second in the Southeastern Conference and ninth nationally in rushing averaging 251.2 yards rushing per game. Freshman quarterback John Rhys Plumlee averaged 113.7 yards rushing per game, good for first in the SEC and eighth nationally.

"I'm fired up to be joining a tradition-rich program like Auburn. Auburn has always been known as a blue-collar, hard-working team that has achieved a tremendous amount of success," Bicknell said.

"I am very appreciative of Coach Malzahn for this opportunity. He and Coach Morris are very well-respected offensive minds in the game of football and I can't wait to work with them and the rest of the Auburn staff."

Bicknell's second season in Oxford saw an offensive line protect quarterback Jordan Ta'amu, who threw for an SEC-best 326.5 passing yards per game to rank fourth nationally. Left tackle Greg Little earned first team All-SEC accolades before becoming the highest Rebel drafted in the 2019 NFL Draft.

The second team All-American was taken in the second round (37th overall) by the Carolina Panthers.

In his first year in Oxford, Bicknell coached an offensive line that protected Ole Miss quarterbacks and allowed them to throw for a conference-leading 328.4 yards per game (11th nationally). With the help of the offensive line, the Rebels ranked second in the SEC in total offense (462.3 ypg) and sixth nationally in red zone offense (.953). Under Bicknell's guidance, Little earned second team All-SEC honors in just his second season as a Rebel.

Bicknell spent eight seasons as the head coach at Louisiana Tech (1999-2006), where his 43 victories are still the third-most in school history. Following the 2001 season, he was named WAC Coach of the Year after leading the Bulldogs to a conference championship in its first year of membership. Bicknell also served as the Bulldogs' offensive line coach from 1997-98.

Bicknell joined the Ole Miss staff after spending two seasons as assistant offensive line coach with the NFL's Miami Dolphins.

Working with offensive line coach John Benton, Bicknell assisted to guide the Dolphins' offensive line that helped protect quarterback Ryan Tannehill during a pair of 4,000-yard passing seasons. Bicknell's line also paved the way for running back Lamar Miller to rush for 1,971 yards over the 2014 and 2015 seasons.

In 2014, the Dolphins produced 361 first downs, tied for the second-most in franchise history and most since 1985 when the team had the same amount.

Bicknell coached a variety of offensive lineman who found success under his watch.

Despite missing the first four games of the season due to injury and making the switch to guard, Mike Pouncey was tabbed to his second-straight Pro Bowl in 2014.

Tackle Ja'Wuan James became the eighth offensive lineman in Dolphins history to start all 16 games as a rookie, showing his versatility by starting nine games at right tackle and seven at left tackle en route to earning PFWA All-Rookie Team honors.

Bicknell came to Miami after spending the 2013 season as the offensive line coach for the Pittsburgh Steelers. While in Pittsburgh, Bicknell's unit helped running back Le'Veon Bell amass 1,259 yards from scrimmage, the most by a Steelers rookie.

Prior to joining the Steelers, Bicknell served as the offensive line coach for the Kansas City Chiefs in 2012 where he directed a unit that was instrumental in helping running back Jamaal Charles return to All-Pro form after an ACL injury cut short his 2011 season.

Bicknell began his NFL coaching career with the New York Giants in 2009 and was a member of a coaching staff that helped lead the franchise to its fourth Super Bowl title with a 21-17 victory over the New England Patriots on Feb. 5, 2012. During the 2011 season, the Giants' line anchored an offense that finished fifth in the NFL in passing while only allowing 28 sacks.

Bicknell began his coaching career at his alma mater, Boston College, as a graduate assistant from 1985-86. Following his two seasons with the Eagles, Bicknell joined the staff at the University of New Hampshire in 1987 and spent 10 seasons with the Wildcats coaching the defensive line (1987-92) before moving to the offensive line (1993-96). Bicknell returned to Boston College in 2007 as the Eagles' assistant head coach/offensive line coach for two seasons (2007-08) before joining the Giants in the NFL.

A three-year letterwinner as an offensive lineman, Bicknell played collegiately for his father at Boston College from 1981-85 where he was the center for 1984 Heisman Trophy winning quarterback Doug Flutie. It was Bicknell who snapped the ball to Flutie on the final play of the Boston College/Miami game which led to one of the most memorable conclusions to a game in college football history. The Flutie "Hail Mary" game-winning touchdown pass to wide receiver Gerald Phelan propelled the Eagles over the Miami Hurricanes in the 1984 Orange Bowl. In Bicknell's final season at Boston College, he was honored with the Scanlon Award, the highest honor bestowed upon a Boston College football player, the Scarminach Award for athletic and academic excellence and the Dean's Award in the school of education.

Bicknell comes from a family of coaches. His father, Jack, was the head coach at Boston College (1981-90) prior to becoming the head coach of the Barcelona Dragons (1991-03) of NFL Europe.

Born in North Plainfield, New Jersey, Bicknell attended Orono (Maine) High School.

He and his wife, Helen, have three children, John, Katelyn and Alyse.

Attorneys seek expert mental examination of Baileyton double murder defendant

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – On Monday Johnny Berry and Brandon Little, attorneys for Sara Tapia-Franco, the Baileyton mother accused of murdering two of her children Oct. 12, 2019, filed a motion requesting funds from Cullman County District Court to hire a mental health expert to examine the defendant. Tapia-Franco is considered indigent and unable to pay for her own defense; application for the expert examination was made under the Sixth Amendment to the U.S. Constitution and the Equal Protection Clause of the 14th Amendment.

The motion states, "The Defendant allegedly attempted suicide at the time of her arrest" and "The Defendant again reportedly attempted a possible suicide on January 6, 2020 at the Cullman County Jail."

The attorneys added that they had spoken to "the Defendant, the Defendant's family and friends and all believe the Defendant suffers from severe mental issues."

According to the motion, Tapia-Franco has a family history of mental illness.

Tapia is accused of murdering her two young sons, 3-year-old Alvaro Garcia and 9-year-old Taylor Garcia, Oct. 12, 2019. She is facing two counts of capital murder and one count of capital murder of two or more persons.

Family warns donation jars are not what they seem

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – It's been less than a month since Haley Dye's longtime boyfriend and father of their 2-year-old daughter, Dawsyn, tragically passed away in a workplace accident. Now, as the family grieves its loss, Dye learned that fraudulent collection jars have appeared in at least 10 locations in Cullman, Blount and Jefferson Counties. Taylor Curtis Gray, 23, died after falling from the roof of a 6-story apartment building while working in Birmingham Tuesday, Dec. 17, 2019.

Dye spoke with the Tribune in hopes of putting an end to the deception.

She explained, "I've already pressed charges, but I want to leave the name (of the person responsible) out of it.

"I've already pressed charges, but he went and set up donation jars and wrote notes saying, 'My name is Haley and I lost my husband. Help me and my daughter.' I've counted at least 10."

Dye first learned of the jars being set up in Hanceville and took to Facebook warning others.

Her post has now been shared more than 1,300 times and through the comment section of her post, more jars were reported in Sumiton, Blountsville, Hayden, Cleveland, Warrior and Gardendale.

"I pressed charges for the three in Hanceville because I live in Hanceville and would have to go to each county and that's just too much right now," she said.

Dye has been told by some store owners that the jars were being checked regularly by the person who set them up, but Dye and her daughter have not received the money.

"All the establishments, they had no idea!" she said, "There are people commenting saying, 'I'm never going there' or 'I'm never eating there again.' They all thought they were doing the right thing by putting out the jars. They had absolutely nothing to do with it."

As of right now, Dye isn't sure if all the jars have been reported. If you see any collection jars, Dye asks that you tell the business of the scam. Currently, there are no fundraisers for Haley and Dawsyn. A GoFundMe was set up in December, but it has since been closed.

The person who set up the jars told businesses that Haley and Dawsyn were struggling and didn't have food or diapers.

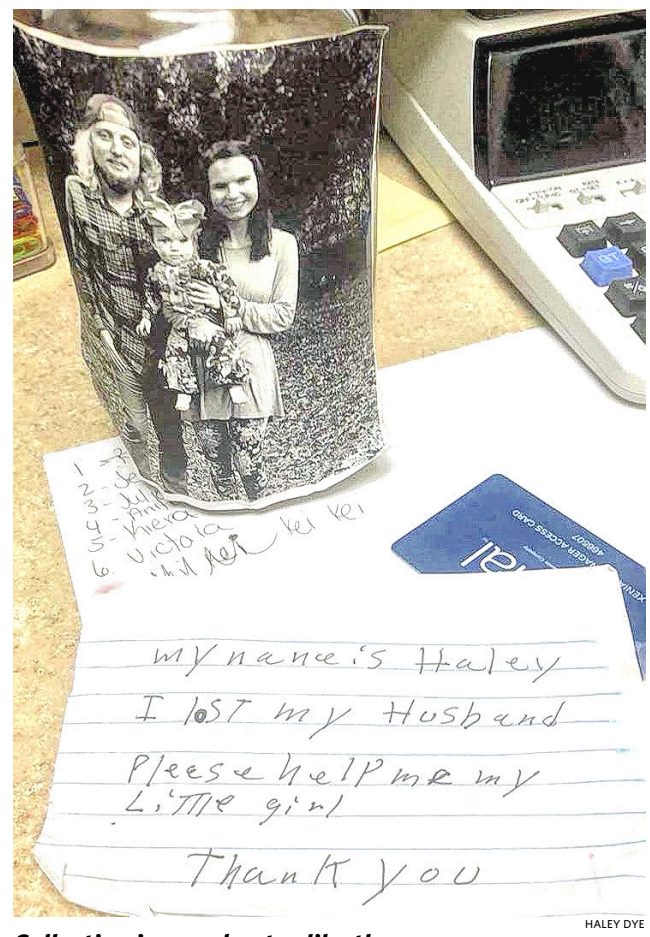

Dye clarified, "Taylor's family has helped me, my family has helped me and the whole community has helped me.

"We are not struggling at all, and we are fine."

The amount of money collected in the jars is unknown, but one location estimated that at least $300-$400 had been collected in just the jar it had.

Dye said, "I feel bad for everyone who has donated.

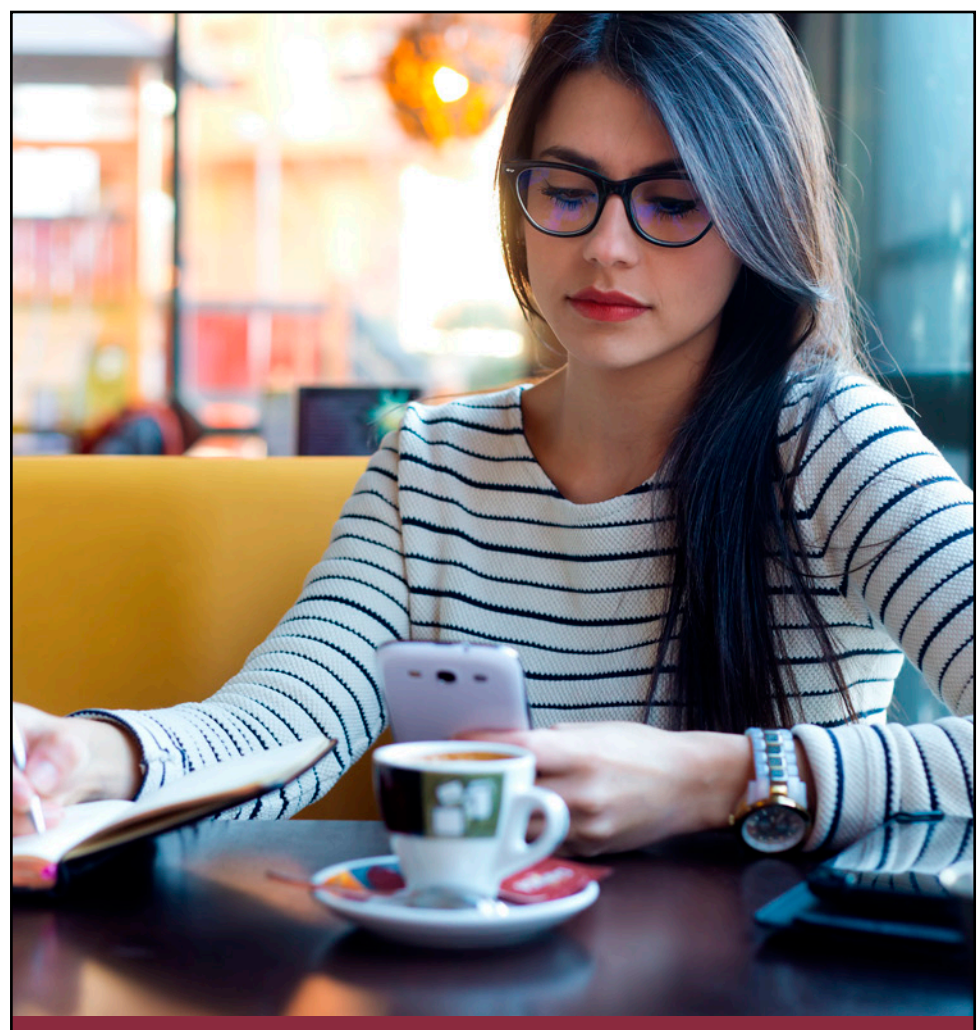

"I just feel terrible that they gave their hard-earned money to something they thought was a good cause."

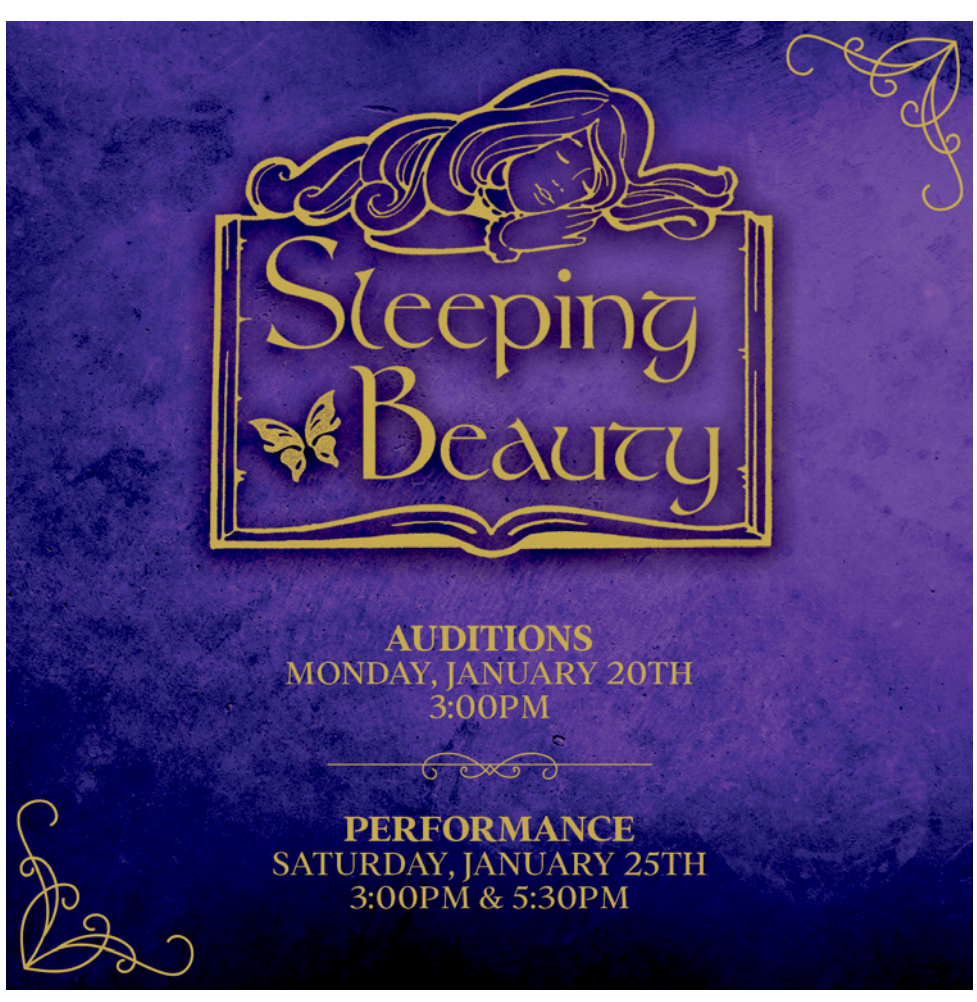

HALEY DYE

Collection jars and notes like the one pictured here are not authentic, said the family of a man who died in December.

Powell described the practice as a "monopoly" and explained the burden the requirement placed on small business owners.

Commission Chairman Kenneth Walker responded, "One of the reasons our Dumpsters are so expensive is because the dumping fee we have at the landfill. We don't own our own landfill."

A resolution set by a previous commission (Resolution 2000-16 from January 2000) prohibits out-of-county entities from performing sanitation or roll off services in Cullman County.

Commissioner Garry Marchman suggested that the resolution be looked at, adding, "We don't need to be in the business of being in business."

The commission also approved the following items:

- Resolution 2020-08 to continue the collection of half-cent sales tax for the Cullman City School Board and Cullman County School Board voted on by the people March 13, 2012 (Resolution 2012-19)

Controversy

More than 100 supporters of nonprofit Victim Services of Cullman attended Tuesday's commission meeting to voice concerns regarding the organization's building possibly being sold.

Although an appraisal was given on the building, according to Chairman Kenneth Walker, "The building is not for sale publicly, but to them (Victim's Services). Victim Services Executive Director Carol Horstman was still unsure after the meeting about the future of the building. She hopes to remain at the current location.

She said, "There are repairs that need to be made on this building and we can try to get funding from our grants to take care of that if we had assurance in writing. We just wanted some clarification of where we stood."

Shootout (from Front)

pital before his mother arrived to pick him up.

White said at the time that the two brothers were known to authorities.

"The next day, according to him (Harrison), they fled and went to New York," said Sgt. Adam Clark. "They abandoned their car up there, stole another vehicle in New York and drove to Ohio and broke into a gun store and were captured by Ohio officers. He's (Harrison) been in a juvenile detention facility up in Lake County, Ohio since Dec. 15."

The CPD worked with the Cullman County District Attorney's Office to obtain warrants.

The younger brother, who managed to flee on foot from the gun store in Ohio and make it back to Alabama, was arrested Jan. 7 at the Rack and Cue pool hall on U.S. Highway 31 in Cullman.

Harrison was picked up in Ohio Monday, Jan. 13.

Clark said he and Sgt. Chris Thomason traveled to Ohio to pick up Harrison and bring him back to Cullman.

As to why Harrison is facing an attempted murder charge, while his brother is not, Clark said, "We were able to obtain video, actually from the Panda Express drive-through camera, that showed the entire incident. After watching the video, we were able to show that he (Harrison) purposely shot at him (his younger brother)."

Clark said Harrison said he wasn't trying to kill his brother and that he didn't even remember the incident.

"According to the video," said Clark, "it sure looked like he was trying to kill him."

The younger brother returned fire and struck Harrison in the foot.

Also hit in the shootout were the Verizon building, a vehicle and a transformer box.

"They could have killed somebody just out driving on 157," said White.

Kidnapping (from Front)

Wendy Sack
wendy@cullmantribune.com

CULLMAN COUNTY, Ala. – A Baldwin man was arrested last week and charged with first-degree assault and first-degree kidnapping. The Cullman County Sheriff's Office (CCSO) said Steven Ray Parker, 36, was arrested at a residence on County Road 405, where a search warrant was executed.

Parker also had warrants for fourth-degree theft of property (failure to appear) and possession of drug paraphernalia. He is also charged with unlawful possession of a controlled substance. He is being held on a $25,000 cash bond.

"We had a situation that led to us searching for Mr. Parker for a kidnapping and assault earlier in the week. Deputies and investigators quickly followed up on leads and obtained a search warrant for this address," said Sheriff Matt Gentry.

Several more suspects, as well as methamphetamine, pills, marijuana and drug paraphernalia were allegedly found in the search of the residence.

"I am proud of the job the deputies and investigators have done in locating and arresting these suspects in such a quick and safe operation," added Gentry.

Angel Marie Parker, 31, of Baldwin; Jonathan Kendrel Light, 37, of Dora; and Jason Matthew Morgan, 37, of Jones Chapel were each arrested and charged with possession of drug paraphernalia, unlawful possession of a controlled substance and hindering prosecution. Each is being held on a $5,300 cash bond at the Cullman County Detention Center.

and have to have inventory that we would not be able to help."

Walker continued, "There's no age requirement, our target audience are 50 and older and low- to middle-income range, but we will help taxpayers who are young and working, have families and even if someone comes in with a six-figure income, as long as it's within the scope of our program we can do their taxes. It's totally free; we sell nothing."

Participants should bring the following to their appointments:

- All tax documents
- Photo ID
- Social Security card
- 2018 tax return

Most clients with appointments will have their taxes filed on the same day.

"Most clients will come in, they'll get their taxes done, they'll be reviewed, and they'll leave with a final tax return and it will be electronically filed the same day," said Walker. "It's usually a one-day service. We require an independent person quality review for every return before they are filed."

Townson stressed the program will only accept participants by appointment.

"They do want appointments because there are just not enough counselors; we have four. Last year we only had one (counselor) and could just not do walk-ins. Some of the (other) sites do allow walk-ins; you can look it up on the AARP website and it will tell you- there's different churches, libraries, some will set up at senior centers, there's a lot of different sites that do that, and this one is just not staffed enough yet (for walk-ins). No walk-ins because of the staffing issues."

If interested in volunteering, visit www.aarp.org/giving-back/ and make sure "Tax Aide" is checked under "AARP Program." If you volunteer now and get certified in time, you will be able to assist at the Cullman Library location or other locations should you desire.

Wendy Sack
wendy@cullmantribune.com

CULLMAN COUNTY, Ala. – A Blountsville man was killed in a two-vehicle crash Monday night in Cullman County. Alabama State Troopers identified the victim as 46-year-old Stacy Richard Darnall. He was pronounced dead at the scene.

Troopers said the wreck happened at 7:55 p.m. on U.S. Highway 231, 2 miles south of Arab.

Troopers said the crash occurred when the 2006 Dodge Caravan Darnall was driving collided head on with a 1998 Dodge Ram pickup driven by Jason Stanton, 31, also of Blountsville. Stanton was injured and transported to a local hospital.

Nothing further is available as Troopers continue to investigate.

BIRMINGHAM, Ala. – On Friday, Jan. 10, the Breast Cancer Research Foundation of Alabama (BCRFA) presented its largest donation ever of $1,050,000 to the O'Neal Comprehensive Cancer Center at the University of Alabama at Birmingham during a luncheon at The Club in Birmingham. Over the last 24 years the BCRFA has made an annual donation to breast cancer research from proceeds from year-round community-driven, organization-organized events and sales of specialty breast cancer research license plates. This year's contribution brings the Birmingham-based organization's cumulative investment in breast cancer research at UAB to almost $10 million.

"Without the significant support of the Breast Cancer Research Foundation of Alabama, we simply wouldn't have a leading breast cancer research program that brings so many important, cutting-edge scientific discoveries to the patients of this state," said Barry Sleckman, M.D., Ph.D., the new director of the O'Neal Comprehensive Cancer Center at UAB. "It's an exciting time for breast cancer research."

The recipients of the 2019 BCRFA Pilot Grant Awards were also announced at the luncheon. This year's funding opportunities included: one BCRFA Scholar Award (one mentored career development two-year award of $100,000 for junior faculty), two BCRFA Collaboration Awards for Immunology/Immunotherapy ($70,000 two-year awards supporting collaborative research among multiple Alabama research institutions), two BCRFA Innovation Awards ($50,000 seed grants for new investigators to explore innovative ideas), and two BCRFA Impact Grants ($70,000 awards for accomplished researchers to leverage ongoing studies to generate preliminary data to support an application for extramural, peer-reviewed funding).

"I was diagnosed with triple negative breast cancer just over 11 years ago and have been free of cancer for almost eight years," stated Jill Carter, BCRFA board president. "My healing would not have been possible without the work of researchers seeking to cure breast cancer. I am so thankful for those who have come before me to create treatments that save my life, but we still have more work to do!"

Efforts that helped reach this record breaking donation included the City of Gardendale through its annual Charity Bowl Youth Football Tournament, raising over $6,000 for the BCRFA during 2019, as well as Cahaba Brewery's CahabaQue that raised over $26,000 for research. Additionally, Jefferson County residents registered for 2,400 Breast Cancer Research specialty tags, resulting in $99,000 additional dollars' worth of support for the BCRFA.

Approximately one half of the total donation of $1,050,000 was raised through the BCRFA specialty car tag sales. Available at DMVs across the state, over 13,000 vehicles in Alabama sport the Breast Cancer Research tag- 100% of funds received by the BCRFA from tag sales are invested in research.

The BCRFA supports a comprehensive approach to battling breast cancer through collaborative and innovative research to help diagnose, treat, prevent and eradicate the disease. All of the funds raised remain in Alabama, supporting local research, which in turn makes a national impact.
