2 charged with theft in Cullman Co. following 2018 hailstorm

Wendy Sack
wendy@cullmantribune.com

CULLMAN, Ala. – A man and a woman were arrested by Cullman County Sheriff's Office (CCSO) investigators Tuesday, charged with theft in connection to My Affordable Roofing, a company that was paid by multiple residents following the March 19, 2018 hailstorm in Cullman County.

John David Boggs, 45, of Louisville, Kentucky and Amanda Christine Lairsey, 32, of Spring Hill, Tennessee were each charged with five counts of first-degree theft of property.

A media release » PAGE 4

CULLMAN COUNTY SHERIFF'S OFFICE

John David Boggs, left; Amanda Christine Lairsey, right

The CCSO said it has taken six reports from victims, and the total loss to victims, just in Cullman, is $167,045. It said it estimates there could be up to 30 victims in the Cullman County area who have not yet filed reports.

Nonprofit raising money to rebuild White City Community Center

Christy Perry
christy@cullmantribune.com

WHITE CITY, Ala. – An EF1 tornado with peak winds of 105 mph touched down in Cullman County between White City and Holly Pond Thursday, March 14, 2019, damaging homes as well the White City Community Center. Sadly, the community center, which had served as both a voting precinct and a meeting place for the residents of White City, was damaged beyond repair. Now there is an effort underway to build a new center and to preserve the history of what also used to be part of the White City School.

BUSINESS

Chicken Salad Chick open for business

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – Excited customers were lined up around the building Tuesday morning (and one even since Monday night!) at Cullman's newest restaurant, Chicken Salad Chick. The rain was no deterrent to those vying for free chicken salad for a year, a perk awarded to the first 100 people in line.

Inside, the staff seemed eager to finally open the doors and welcome guests. Many members of the Chicken Salad Chick corporate team pitched in to make sure the Cullman grand opening ran smoothly.

A donation of $2,078.54, collected from those who attended the restaurant's soft opening prior to Tuesday morning's grand opening, was made to Cullman Caring for Kids.

Company co-founder Stacy Brown was in attendance to celebrate the opening of the franchise's 147th location. Brown and her late husband Kevin began by selling her chicken salad door to door in Auburn. Now, the company has locations throughout the Southeast featuring 12 unique types of chicken salad including Fancy Nancy, Fruity Fran, Dixie Chick and Classic Carol. They also have soups, salads and sandwiches.

Sunday, March 8 from 11 a.m.-2 p.m. at the school lunchroom. $11 per plate. Visit our Facebook page-Holly Pond HS Bronco Band- for information or call 256-339-9677.

PREP BASKETBALL

West Point rolls Russellville 77-45 to advance to area tournament title game

Sammy Confer
sammy@cullmantribune.com

WEST POINT, Ala. – The postseason is here, and it's win or go home for local teams, including West Point, who took on Russellville with a chance to try and repeat as Class 5A, Area 14 champions. The Lady Warriors took care of the Lady Golden Tigers 77-45 to move on to the championship game and will face Hamilton Thursday night at 7.

Six different players found the scoring column for West Point, including three-pointers by Lexi Shadix, Brooke Brownfield and a pair from Miriam Oldacre, while holding Russellville to just three made baskets in the opening period. The Lady Warriors took a 22-6 lead into the second. During the break, Miriam Oldacre was recognized for scoring her 2,000th point in West Point's last game against Holly Pond.

West Point continued to spread the ball around in the second quarter and despite the Lady Golden Tigers getting their offense going a little bit, the Lady Warriors still took a 38-20 lead into halftime break.

Free throws by Miriam Oldacre and Mackenzie Carter gave West Point a 43-26 lead early in the third quarter. A Micah Oldacre trey pushed the lead to 47-28 and Molly Pendley made it a 21-point game on a layup. Russellville cut it to 51-35 after an and-one, but a Pendley three helped make it a 55-35 game late in the third period and the Lady Warriors went into the final quarter up by 21.

Emily Wells hit one from deep to push West Point's lead to 59-35 and Brownfield added another one from long range to make it 62-37. Russellville made it 62-41, but Ryleigh Jones and Wells scored the next nine points for the Lady Warriors to slow down any momentum that the Lady Golden Tigers had going for them and West Point (26-5) pulled away to win the game by a comfortable margin, 77-45.

Miriam Oldacre, Pendley and Carter each finished with 12 points for the Lady Warriors. Brownfield ended up with nine, Shadix added eight, Wells ended up with seven and Jones finished with six.

BILL PIPER/THE CULLMAN TRIBUNE

West Point's Ryleigh Jones (2) attacks the basket during the Lady Warriors' 77-45 win over Russellville Monday night.

PREP BASKETBALL

Lady Raiders fall to Oneonta in OT, Lady Aggies crush Ashville to advance to Area 12 Tournament finals; area tournament scoring recap

Nick Griffin
nick@cullmantribune.com

FAIRVIEW, Ala. – Both the Lady Raiders and Lady Aggies were on the court at Fairview High School Monday night for the opening round of the class 4A, Area 12 Tournament and split their respective matchups with Oneonta and Ashville. The Lady Redskins edged Good Hope 47-41 in overtime while Fairview pounded the Lady Bulldogs 71-23 to earn a spot in Thursday night's area tournament title game.

Oneonta 47 – Good Hope 41 (OT) (varsity girls)

Both teams got off to a slow start offensively, but Ivey Maddox's first three-pointer of the night gave Good Hope a 9-8 lead with 30 seconds to play in the first quarter and the Lady Raiders maintained a 1-point lead at the start of the second.

Another three from Maddox kept Good Hope in front 12-11 early in the second period and the Lady Raiders held a 13-11 advantage midway through the quarter. A Bailey Tetro basket gave Good Hope a 1-point lead late in the opening half and she followed that with two more buckets to make it 19-15 with less than a minute to play in the second. Abbi Neighbors scored in the final seconds of the half to stretch the lead to 21-15 and the Lady Raiders went into the locker room with a 6-point lead.

Good Hope maintained a 21-17 lead early in the third quarter and both teams struggled to get on the scoreboard but a Maddox trey from the top of the key made it 24-20 with just over a minute remaining in the period. A Maddox steal and layup extended the lead to six, but Oneonta was able to cut it to 26-23 by the start of the fourth quarter.

Savanna Derrick buried a three to make it a 29-25 game at the start of the final period, but the Lady Redskins were able to trim the lead to one by the five-minute mark. Back to back buckets by Bailey Tetro put the Lady Raiders in front 34-32 midway though the fourth and she later dropped in a floater to make it 36-34 with three minutes to play in regulation.

Maddox drilled another three to give Good Hope a 39-36 lead with just over a minute remaining, but Oneonta answered with a triple on the other end to tie the game. The Lady Raiders were able to hold the ball for the final shot but Maddox's three fell short, sending the game to overtime.

The Lady Redskins managed to pull ahead by three early in the overtime period but a bucket from Cayleigh Garmon cut the lead to 43-41 with just over a minute to play. Unfortunately, it was the only offense Good Hope was able to muster after regulation and Oneonta was able to pull away and win it 47-41.

Bailey Tetro led the Lady Raiders with 17 points in the loss, followed closely by Maddox with 16. Garmon and Derrick each posted three and Neighbors finished with two. The season comes to an end in the area tournament for Good Hope at 17-11 but with a lot of youth returning to the court next season, the future looks bright for the Lady Raiders.

Fairview 71 – Ashville 23 (varsity girls)

The Lady Aggies smothered Ashville on the defensive end in Monday's nightcap and put up plenty on the offensive end of the floor to comfortably put away the Lady Bulldogs.

A bucket from Daisy Manasco, a three from Molly McKelvy and an inside basket by Isabella McGukin made it a 7-0 game right out of the gate. McGukin and Katie Ball each scored to add to the lead midway through the opening quarter and after a basket by Morgan Lindsey, Fairview led the way 13-5 at the end of the first.

Maddie Yeager scored inside to stretch the lead to 18-7 early in the second and Payton Golden turned a steal into two more easy points to make it 20-7. Back to back triples from McKelvy gave the Lady Aggies a 26-7 lead midway through the quarter and Manasco and Ball each scored again to stretch it to 32-7. Lindsey finished an and-one play at the line in the final seconds of the second quarter to put Fairview on top 35-9 at the half.

Ball turned another steal into a layup to make it a 37-13 game early in the third quarter and McKelvy dropped in five straight points to extend the lead to 42-17 midway through the period. McGukin and Golden both added buckets to make it 50-18 late in the third and after Manasco buried a three at the buzzer, the Lady Aggies went into the final frame leading Ashville 55-20.

McGukin laid one in to add to the lead at the start of the fourth and after Yeager and Ball each scored to make it 63-20 with five minutes to play, Fairview cruised the rest of the way to win it 71-23 and advance to the area 12 tournament finals Thursday night.

McKelvy posted a team-high 16 points in the win, followed by Manasco with 11. McGukin finished with 10 for the Lady Aggies and Golden and Ball each added eight. Fairview will advance to play Oneonta in the area 12 tournament title game at Fairview High School Thursday night at 6.

MARTHA NEEDHAM/THE CULLMAN TRIBUNE

Fairview's Daisy Manasco (10) brings the ball up the floor during the Lady Aggies' 71-23 win over Ashville Monday night.

Other Monday area tournament scores

- **Cold Springs 95 – Southeastern 19 (varsity girls)**

The Lady Eagles advance to face West End in the 2A, Area 12 Tournament finals Thursday night at 6.

- **Hanceville 72 – Glencoe 66 (varsity girls)**

The Lady Bulldogs advance to play Red Bay in the 2A, Area 13 Tournament finals Thursday night at 6.

- **West Point 77 – Russellville 45 (varsity girls)**

The Lady Warriors will advance to face Hamilton in the 5A, Area 14 Tournament finals Thursday night at 7.

PREP BASKETBALL

Addison edges Sulligent 63-58 in OT to advance to area tournament finals

Todd Walker
Tribune Correspondent

ADDISON, Ala. – The Addison Lady Dawgs are hosting this year's 2A, Area 13 Tournament as the number one seed at lovely Stephenson Gym. The Red Bay Lady Tigers defeated the shorthanded Winston County Lady Yellow Jackets in the first game, 42-38. The Lady Dawgs and their stellar 19-2 record took on the fourth-seeded Sulligent Lady Blue Devils with their 2-19 record. Addison had previously handily beaten the Lady Devils in their other two meetings.

What should have been a blowout was anything but. The Lady Devils came out fired up and played extremely well, while the Lady Dawgs seemed to be sleepwalking through the first period. Sulligent took a surprising 16-7 lead after one. The Devils were led by the sisters Johnson, Shania and Amiyah. They constantly slashed their way to the basket to score and dominated the offensive glass with five in the period. It looked good for the Lady Devils to possibly pull off the upset. While the Devils were hitting everything they shot, Addison's Lady Dawgs were throwing up enough bricks to build a new house. Addison couldn't hit anything, not a jump shot, layup or free throw.

The second period was more of the same. The Lady Dawgs actually got down 15 in the second before cutting the lead to seven at the half. Addison would go on a mini run, but Sulligent would answer.

The first half ended with Sulligent up 27-20 over the Lady Dawgs. Addison was outrebounded, out hustled and the Lady Devils just seemed to want it more.

The very boisterous crowds for both teams attempted to get the ladies fired up and it seemed that the Lady Devils responded. Sulligent outscored Addison 14-12 in the third period to take a 41-32 lead into the final frame. The only positive for the Lady Dawgs so far in the game was that the fouls kept piling up on the Lady Devils. Addison never quit and with leading scorers Macey "Homecoming Queen" Butler and Kaylee "I can score from anywhere" Brummett having off nights, it fell to Savannah "Nanner Belle" Manley and Callie "The Enforcer" Crider to pick up the slack.

Coach Frank Graham, after a heated timeout, stayed with his senior laden starting lineup and it payed off. Addison began to play, well, like Addison. Stifling man to man defense and after missing just about every outside shot they took the entire game, the shots began to fall.

Butler and Brummett began scoring and Crider and Manley began rebounding. Sulligent never quit and actually led 52-49 with 19 seconds to go in the game. Addison had the ball and after several passes, the ball ended up with The Lady Dawgs' tiniest player, Bracie "Money" Rodgers. Rodgers put up a three-ball with 12 seconds left on the clock and drained it, nothing but net. It was Rodgers' only three all night. The crowd went nuts and after Sulligent threw up a half-court shot that looked good but missed, the clock ran out and the game went to overtime.

Addison from the point of Rodgers' shot had the momentum and dominated overtime. Addison outscored Sulligent 11-6. It seemed that the Lady Devils got a little tired after two of their post players fouled out. In the overtime period, Manley nailed two long three pointers to put the nail in the coffin and the Lady Dawgs outlasted Sulligent 63-58.

After the game, Lady Bulldogs Head Coach Frank Graham said, "It wasn't looking pretty most of the night, but we didn't quit. I am proud of our girls from coming back from double digits. I'm not going to lie, I was worried, but I knew that they could come back. Just told them to keep shooting and they would fall. We play Red Bay Thursday night and I am sure they will give us all they can."

Sulligent Head Coach Kayla Barnes said, "I am 100% pleased with the effort. I wish we had a couple of plays back where we could have had better execution and the outcome may have been different. My girls played hard and everyone is back next year, so you need to look out for us next season."

Sulligent was led by Jayla Evans and Amiyah Johnson, who happens to be a freshman, with 12 points each and Kylie Gilmore had 10. Shania Johnson and Evans had 11 boards each.

Addison was led by Savannah Manley's 16, with six coming in overtime. Crider had 15 points, Rodgers and Brummett each had 12. Brummett led in assists with four and Rodgers had two. Crider continued her rebounding clinic pulling down 22 boards. "Nanner Belle" Manley had 12 boards and her little sister Gracie "Bug" Manley had six off the bench.

Some nice stat lines were Criders' 15 points, 22 boards, two assists a block and a steal. Brummett had 12 points, three rebounds, four assists and a block. Butler had seven points, three boards, one assist and a steal. Rodgers' 12 points, one rebound and two assists. "Bug" Manley getting the six boards a point, a steal and an assist.

It was a nice win for the Lady Dawgs but if they come out Thursday night against Red Bay and sleepwalk through three periods like they did tonight, they absolutely will not win the area title. This team has had a very good year at 20-2 but now they must come to play every night, or the season will not end the way they want it too.

EDUCATION

Fairview's Ava Pruett wins Cullman County Spelling Bee

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – On Monday evening, Fairview Elementary School fourth grader Ava Pruett took top honors at the 93rd annual Cullman County Spelling Bee. She passed second-place finisher Jacob Kane, a sixth grader at Hanceville Middle School, with a correct spelling of "lucrative."

Top five finishers also included East Elementary fourth grader Jackson Dossey, Fairview Middle eighth grader Jackson Babb and West Elementary fifth grader Jake Murphree.

Asked if the bee was fun or scary, Pruett told The Tribune, "Yes!"

This year's county bee victory was a pleasant change from last year when, according to the champion, she left the Fairview school bee on her very first word. She admitted that, while her dad was helping her study a word list, she had him skip over the easiest words; then she went out on the three letter word "din." Pruett was not going to let that happen again. And it did not.

Fairview Elementary Assistant Principal Caleb Elrod attended the bee and said of his star student, "Ava reads all the time, and she really is one of the most intelligent people I've ever met.

"It's like talking to a 30 year old every time you talk to her! She is an amazing little girl."

On Saturday, March 21, Pruett will compete in the Alabama Spelling Bee at the University of Alabama at Birmingham. There, she could qualify to take part in the 2020 Scripps National Spelling Bee from May 24-29 in Ft. Washington, Maryland near the nation's capital.

School champions who participated in the Cullman County Spelling Bee included:

- Charlie Ashley, West Point Middle
- Jackson Babb, Fairview Middle
- Stephen Briscoe, Hanceville Elementary
- Will Crawford, Good Hope Middle
- Henry Crocker, Cullman Christian
- Scarlette DeCicco, St. Bernard Prep.
- Jackson Dossey, East Elementary
- Konnor Dunkin, Parkside
- Kaiden Graves, Cold Springs Elementary
- Tylar Hanna, Cullman Middle
- Mikala James, Holly Pond Elementary
- Jacob Kane, Hanceville Middle
- Jackson Lamon, Vinemont Middle (Did not compete due to illness)
- Connor Lancaster, St. Paul's
- Rylee Mathis, West Point Intermediate
- Cayden Moore, West Point Elementary
- Jake Murphree, West Elementary
- Jordan Pierce, Welti Elementary
- Ava Pruett, Fairview Elementary
- Owen Rust, Vinemont Elementary
- Jakob Salter, Harmony
- Aubrey Scott, Good Hope Elementary
- Dawson Simmons, Holly Pond Middle
- Sarah Woods, Sacred Heart

STATE

3 Alabama schools to receive $100K DON'T QUIT! Fitness Centers from NFGFC

Office of Gov. Kay Ivey
Contributor

MONTGOMERY, Ala. – Continuing his goal of ending childhood obesity, fitness icon Jake Steinfeld, chairman of the National Foundation for Governors' Fitness Councils (NFGFC), has kicked off 2020 by selecting the state of Alabama for its 2020 DON'T QUIT! Campaign. The NFGFC will deliver a state-of-the-art DON'T QUIT! Fitness Center to three elementary or middle schools. School nominations will be accepted starting today until Friday, March 20, 2020. Download your state's nomination form here: http://natgovfit.org/nominate-your-school/, and fill out the short application. It's as easy as 1, 2, 3, nominate your school today!

"I'm a strong proponent of doing everything you can to live a healthy lifestyle," Governor Ivey said. "Jake Steinfeld and the National Foundation for Governors' Fitness Councils DON'T QUIT! Campaign is a brilliant idea that puts our children on the path to good health. I hope every elementary and middle school in Alabama takes a few minutes to fill out the application or film a short video demonstrating why your schools deserves a new fitness center. It's fun, simple and a great opportunity to help our children get excited about getting fit!"

"Childhood obesity is a serious problem that can follow a child into adulthood. I've declared war on this preventable disease and it's inspiring to see elected leaders like Governor Kay Ivey immediately jump on board to join the battle and welcome us into the great state of Alabama. Every governor we've partnered with recognizes that obesity is neither a Democratic nor Republican issue, it's a kids' issue and all have vowed to do everything possible to help," said Jake Steinfeld.

"So far we've delivered DON'T QUIT! Fitness Centers to 32 states and Washington, D.C. and the response from students, teachers, and communities has been unbelievable. Kids are excited about working out and being physically active and, as a result, their academic performance and self-esteem have skyrocketed. Now, Alabama schools have an opportunity to make a change that will have a lasting impact on kids well into their future."

The NFGFC program will make its way into all 50 states in the coming years. Each fitness center is financed through public/private partnerships with companies like The Coca-Cola Company, Anthem Foundation, Wheels Up and Nike, and does not rely on taxpayer dollars or state funding. TuffStuff Fitness International provides all the fitness equipment, which is manufactured right here in the United States. The foundation's goal is to build a nation of the fittest, healthiest kids in the world.

"I have witnessed firsthand the positive impact fitness centers have had on students and their communities. When you provide schools with the tools and inspiration, you'll be amazed by the changes that take place," continued Steinfeld. "Children are our most precious resource and by providing them with a strong foundation in health and fitness, we can feel confident that they'll excel beyond their wildest dreams."

Physical activity and exercise are shown to help prevent and treat more than 40 chronic diseases, enhance individual health and quality of life, and reduce health care costs. In schools, studies show that physical activity improves academic achievement, increases confidence and self-esteem, reduces discipline problems, cuts absenteeism, and fosters better interpersonal relationships.

For more information about the NFGFC or to download a nomination form, visit www.natgovfit.org.

About The National Foundation for Governors' Fitness Councils

The National Foundation for Governors' Fitness Councils (NFGFC) seeks to encourage and reward innovation in the field of youth fitness by awarding fitness centers to schools that use new and unique methods to promote student physical activity and wellness. The NFGFC envisions a fitness center in every school in the U.S., helping to build a nation that—through innovation and a "DON'T QUIT!" attitude—boasts the fittest kids in the world. Since 2012, the NFGFC has delivered fitness centers in Massachusetts, Pennsylvania, Washington D.C., Georgia, New Jersey, Delaware, West Virginia, California, New Mexico, Connecticut, Virginia, Illinois, Arkansas, Florida, Texas, Ohio, Washington, Wisconsin, Arizona, Maryland, Louisiana, Oregon, Colorado, Kansas, South Carolina, Tennessee, Utah, Rhode Island, Missouri, Michigan and Minnesota. In 2020, we will gift fitness centers to four more states including Alabama, Indiana and Oklahoma.

Chicken Salad Chick (from Front)

Husband of the Year in The Tribune's book, Johnny Lawrence, arrived at 8:29 Monday night to make sure he was among the first 100. When Lawrence finally placed his order, he got it to go- potato soup and a sandwich.

"This is what my wife wanted," he smiled. "I didn't get anything. I just want a hot shower."

Chicken Salad Chick is open Monday-Saturday from 10 a.m.-8 p.m. The restaurant is located at 1817 Cherokee Ave. SW in Cullman.

Find out more about the restaurant's opening week specials at www.facebook.com/chickensaladchickcullman.

Theft (from Front)

from the CCSO said the department was made aware of multiple cases involving My Affordable Roofing defrauding victims of their money. My Affordable Roofing is headquartered in Louisville, Kentucky and is owned by Boggs and Lairsey.

The CCSO said Boggs and Lairsey opened a location in Cullman in the spring of 2018 following the hailstorm, which caused extensive damage to homes and businesses.

"CCSO investigators began receiving multiple reports about My Affordable Roofing taking victims' money and not showing back up and ignoring phone calls from their clients," said the release.

A lengthy investigation found that My Affordable Roofing did complete a few jobs right after the hailstorm, but it began to sell other jobs and not complete the work.

The CCSO said it has taken six reports from victims, and the total loss to victims, just in Cullman, is $167,045. It said it estimates there could be up to 30 victims in the Cullman County area who have not yet filed reports.

Continued the release, "Continuing the investigation, CCSO investigators were contacted by a civil attorney (who) made CCSO aware of a pattern with My Affordable Roofing owners John David Boggs and Amanda Lairsey.

"Investigators were able to discover the pattern of the same type of deceptive practices extending across multiple states that ranged from Indiana to Florida.

"Investigators were also able to uncover that Mr. Boggs was deeply in debt after multiple recent purchases in the state of Florida of luxury homes, a large fishing yacht and leasing private aircraft from money earned from his victims in Cullman, as well as other states.

"Consulting with the civil attorney, as well as through the investigation, investigators estimate the losses to victims in all the states combined could be well over $1 million."

"This is a major case and we are still encouraging anyone that could be a victim of My Affordable Roofing to come forward. It appears through our investigation these suspects blatantly deceived customers and took their money with no intention of doing the work," said Sheriff Matt Gentry. "I would like to commend the investigators who worked long hours on this case and who are continuing to work on this case so the victims can hopefully recover their money."

The CCSO said other charges may be pending as the investigation continues.

Both suspects have made bond.

If you believe you may be a victim of My Affordable Roofing, contact Investigator Trevor Clemmons at 256-734-0342.

LOCAL GOVERNMENT

Holly Pond talks roads, grant for wastewater plant

Maggie Darnell
maggie@cullmantribune.com

MAGGIE DARNELL/THE CULLMAN TRIBUNE

The Holly Pond Town Council is seen at its February meeting.

HOLLY POND, Ala. – Roads were the main topic of conversation for the Holly Pond Town Council Monday evening.

Mayor Bill Oliver proposed a "test road" be treated by Corrective Asphalt Materials, an Illinois company that works in different parts of the country.

"It's a treatment of the road," he said. "It fills in all the cracks and smooths it out – it's a thin layer, it reinvigorates the asphalt."

Oliver proposed the "test road" be Wesley Avenue, from town limits to U.S. Highway 278.

He estimated the job being "$14,900 something." The council voted to do the test road with the company.

The council discussed the pay for the next mayor and council. In a vote to raise the pay for the mayor to $400 per meeting and the pay for council members to $200, a $50 increase across the board, the vote did not pass.

In other business, the Town of Holly Pond will be holding a public hearing Feb. 26, 2020 at 5:30 p.m. at the Guy Hunt Library to review its application for a Clean Water State Revolving Fund (CWSRF) loan from the Alabama Department of Environmental Management (ADEM) and make the contents of the associated Environmental Information Document (EID) available to the public. The documents include preliminary design and environmental information related to the proposed upgrades to the wastewater treatment plant to meet the needs of the residents and the regulations set forth by the governing body over the plant. The documents also contain information to identify and resolve infiltration and inflow issues and upgrades to sanitary sewer pump stations to operate more efficiently.

The council voted to accept a resolution to allow JTM Broadband to bring its business to the town.

Oliver shared, "I welcome this new business and hope they bring high speed internet; I hope they get that access out here."

The council also voted to set a first reading of an updated Flood Plain ordinance, required by FEMA.

The council had a first reading for an ordinance to clean up mismanaged paperwork from the previous administration concerning an annexation, with Town Attorney Dan Willingham saying, "This ordinance ratifies the annexation. I suspect the original annexation documentation was posted, but it was never recorded to the probate judge. This ordinance ratifies the annexation, petition and previous ordinance that didn't get reported. It fixes it."

The Holly Pond Town Council meets on the first Monday of the month at 7 p.m. at the Guy Hunt Library. The next regularly scheduled meeting will be March 2, 2020.

LOCAL GOVERNMENT

Baileyton sets record straight on reasons for security cameras

Christy Perry
christy@cullmantribune.com

BAILEYTON, Ala. – The Baileyton Town Council at its meeting Monday night hoped to clarify the primary reasons for the new security cameras that have been placed at the park and other Town properties. Other media outlets reported toilet paper theft as the main reason for the cameras, but Mayor Johnny Dyar said that is not the case at all.

"The reason why we put our cameras in was for the playground equipment, for the people and kids in the woods playing, also our concession stand has been robbed and we got cameras there. Also, for our medical center and also for the people abusing the park. Just in general, stuff like that," he said. "The toilet paper was our least problem."

The Town wanted to remind everyone that the lights at the ballfield are not to be turned on by the public. Recently, the lights were turned on and the lock to the power switch was cut in order to do so. It is against the law to vandalize the lock box. Violators can be arrested.

The council also asked that kids and others not play on the ballfields when it is raining or water is standing on the field.

The council approved a change to the Town's business license fees. Dyar suggested that the cost for local businesses should be lowered from $100 to $25. For out of town vendors, the price would remain at $100. The Towns of Holly Pond and Fairview have similar pricing structures.

The council also approved an increase for the mayor's salary beginning with the next administration. The salary will be increased from $8,700 to $10,200. It is the responsibility for the current administration to set the salaries for the next council and mayor.

Baileyton spring ball signups will be extended another week this year. Town Clerk Pat Gilbert is out on medical leave. To make sure everyone has a chance to get registered, the council agreed that an extension is warranted.

The Baileyton Town Council meets the first Monday of each month at 7 p.m. at Baileyton Town Hall.

Best Bets

7 p.m. on WBIQ
NOVA

Renowned paleontologist Kirk Johnson is host for the new two-hour presentation "Polar Extremes," which examines historical warming and cooling patterns in the Arctic and Antarctic over the past 650 million years in an effort to find clues to what the immediate future holds in terms of its climate. At past stages in the Earth's life, dinosaurs roamed a once-temperate South Pole and alligators made a home in a subtropical Arctic forest.

7 p.m. on WIAT
Survivor at 40: Greatest Moments and Players

CBS is making a Very Big Deal about how the new Season 40, which launches next Wednesday, coincides roughly with the 20th anniversary of the "Survivor" premiere in 2000. Fan favorites from previous "Survivor" editions make up the roster of Season 40 contestants, and they'll be playing for what is said to be the biggest jackpot in reality TV show history: $2 million. First, though, this retrospective special features interviews with some of those unforgettable past "Survivor" players, as well as a sneak peek at the new season.

7 p.m. on DSC
Expedition Unknown

Explorer and host Josh Gates returns for new adventures in this plus-sized season premiere, which takes him to the battlefields of D-Day and the beaches at Normandy to team up with investigators who are making history-changing discoveries about that "longest day." New finds include an unexploded bomb in the waters off Normandy's coast and a previously unrevealed complex of Nazi bunkers.

8 p.m. on BRAVO
Summer House

No matter what you call it — a docu-soap? an unscripted relationship series? — there's little question that the Hamptons will be hopping once again as Kyle Cooke, Amanda Batula, Carl Radke, Lindsay Hubbard, Hannah Berner and Paige DeSorbo return for more summertime shenanigans. They're also joined by two new roomies, Luke Gulbranson and Jules Daoud, plus their friends Danielle Olivera and Jordan Verroi also are back.

8 p.m. on FREE
Party of Five

In the aftermath of baby Rafa's ER visit, a shaken Emilio (Brandon Larracuente) realizes he is overwhelmed by his family responsibilities and needs help, which finally gets him to open up to those around him in the new "Patch Job." Elsewhere, Beto (Niko Guardado) falls short when he makes a play to impress Ella. Lucia (Emily Tosta) draws inspiration from an immigration activist, while Val reveals a whole new persona when she enrolls in a dance class.

8:01 p.m. on WBRC
LEGO Masters

Best known to legions of fans for voicing Batman in the animated LEGO blockbusters, Will Arnett hosts this new competition series, in which he and some expert judges watch as pairs of LEGO enthusiasts face off in a series of brick-building challenges. In each episode, the competitors who most impress the judges progress to the next round and so on until the finale, where the top teams vie for a large cash prize, the ultimate LEGO trophy and the grand title of LEGO Masters.

9 p.m. on FREE
Good Trouble

In a new episode called "In Good Conscience," Callie (Maia Mitchell) is forced to confront a difficult choice after she discovers that the Anwei International case is going forward after all. Meanwhile, Mariana gets ready to launch her new app, while elsewhere, Alice's (Sherry Cola) lies that emerge during a road trip put her entire relationship with Joey in jeopardy.

9 p.m. on HIST
Vikings

Ivar and Igor (Alex Hogh Andersen, Oran Glynn O'Donovan) join the intimidating force that's departing Kiev to invade Scandinavia, even though both are plotting against Oleg (Danila Kozlovsky), in the midseason finale, "The Best Laid Plans." King Harald and King Bjorn (Peter Franzén, Alexander Ludwig) scramble, making furious preparations for the imminent attack, but it remains to be seen whether they can stand against the Russian invaders.

Will Arnett hosts "LEGO Masters" on Fox.

Facility (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – On Monday, Feb. 10 Cullman Parks, Recreation & Sports Tourism (CPRST) will open a new indoor archery facility at 1913 Second Ave. SW (U.S. Highway 31) on Cullman's south side, allowing competitive archers, bowhunters and recreational hobbyists a new opportunity to bend their bows even when the weather does not allow access to the department's outdoor range along Golf Course Road.

CPRST Archery Director Anthony Parker told The Tribune, "The outdoor range serves a purpose. When it's raining- bad, inclement weather- this'll be a nice place for them to come during those times."

The indoor range will also replace the range operated by CPRST in the basement of the old Cullman Civic Center, and will offer classes, open shoots, matches and special events.

Where the old range limited the types of equipment that could be used, the new facility will be open to compound, recurve and long bows, as well as crossbows.

It will have a 20-meter firing line, with a movable backstop curtain at 15 meters for use by the numerous National Archery in Schools Program (NASP) shooters around the county.

The facility will also feature a snack bar and seating/observation area.

Parker, a USA Archery Level Three instructor, will supervise the range.

The range will first offer classes Monday afternoons and evenings (beginners at 4 p.m., level two at 5 p.m., NASP at 6 p.m.), open shoots from 3-7 p.m. Tuesdays through Fridays (practice for archery teams, and recreational shooting), and will hold matches, camps and special events Saturdays.

Activities will be offered for all ages from children to adults, and Parker hopes to create a special program just for seniors.

For more about CPRST archery and other programs, visit https://cullmanrecreation.org.

Fines (from Front)

Tara Hutchison,
W.C. Mann

MONTGOMERY, Ala. – On Monday, July 1, 2019, a 15-year-old Guatemalan roofing worker fell to his death from the roof of Cullman Casting in south Cullman. He fell through insulation in a gap left by the removal of old roofing, dropping approximately 50 feet to a concrete floor inside the building. The youth reportedly lived in Vestavia Hills near Birmingham, and, according to Cullman Police Department (CPD) Lt. Todd Chiaranda, was employed by W and W Roofing, a subcontractor hired by primary contractor Apex Roofing and Restoration of Pelham to work at the site.

The Alabama Department of Labor on Tuesday announced it has issued fines in the amount of $15,000 to Apex Roofing for violations that contributed to the minor's death.

Apex Roofing is being charged with violating the following provisions of Alabama's Child Labor Law (Title 25, Chapter 8 of The Code of Alabama 1975):

§25-8-43 Prohibited Occupations –Under 18
(a) No person under 18 years of age shall be employed or permitted, or suffered to work at any of the following occupations, positions, or places:
(4) In any roofing, scaffolding, or sandblasting operations.
(1 violation @ $5,000)

§25-8-35 Prohibited Occupations- Under 16
(3) In any work in or about a rolling mill, machine shop, or manufacturing establishment which is hazardous or dangerous to health, limb or life.
(1 violation @ $5,000)

(10) Repairing, painting, or cleaning building or structures while working at the top of ladders, lifts, or scaffolds exceeding a height of six feet.
(1 violation @ $5,000)

On July 1, 2019, the Child Labor Enforcement Division was notified of a death involving a minor in roofing operations being directed by Apex Roofing on a project in Cullman. The minor child was performing work on a roof when he fell approximately 50 feet onto a concrete floor below. The minor child died from his injuries. A joint investigation with the U.S. Department of Labor and OSHA determined that no safety equipment was being used by the crew on the roof of the accident.

On Jan. 9, 2020, the U.S. Department of Labor fined the roofing company nearly $160,000, according to The Tribune's media partner, WVTM 13. The department's Occupational Safety and Health Administration (OSHA) ruled that Apex Roofing and a subcontractor were found to have exposed employees to fall hazards at the worksite and had not properly trained workers.

"We want to make it to clear that Alabama will not tolerate workplace violations regarding minor workers," said Labor Secretary Fitzgerald Washington.

"These are the maximum fines allowable by state law.

"What happened to this child was not only a tragedy, but a completely avoidable one. We continue to share our condolences with the victim's family."

"At no time should anyone under the age of 18 be working on a roof," said Robin Wilburn, child labor supervisor.

"The law is very clear, and this employer was in direct violation."

The employer has an opportunity to contest the penalties by filing a written objection to the Alabama Department of Labor within 30 days. The companies have 15 days to dispute the OSHA fines, comply or meet with agency officials.

Eight teenagers have died in prohibited occupations since 2000.

According to witnesses at the scene in July, neither the youth nor other coworkers on the roof were wearing safety harnesses.

CPD Investigator Chuck Shikle told The Tribune at the time, "I talked to the foreman, and he said that every morning he issues safety equipment. Some choose to use it, some–most–choose not to use it."

CPD Investigator Adam Clark said the foreman stated he had run a safety line on the roof and issued safety harnesses, but also said witnesses on the scene indicated that none of the workers on the roof were wearing harnesses.

Under Alabama law, according to a release sent to The Tribune in July by the Alabama Department of Labor, teens as young as 14 can have summer jobs, but "No one under 18 should work on or in connection with roofing operations."

The victim's brother, also employed by W and W Roofing, witnessed the accident. Co-workers reported July 1 was the boys' first day on the job.

Alabama Code 25-8-35 prohibits teens under 16 from working in jobs:

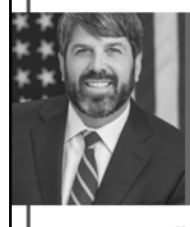

- In the building trades, except that persons 14 or 15 years of age who are members of the immediate family of the contractor may be employed in trades involving nonhazardous duties or occupations.
- Repairing, painting, or cleaning buildings or structures while working at the top of ladders, lifts, or scaffolds exceeding a height of 6 feet.

Obituary Announcements Feb. 5

Joseph Carson McMillan, Sr., 89, passed away peacefully at his home in Cullman, Alabama at 9:12 p.m. Feb. 2, 2020, just as the Kansas City Chiefs secured their victory in Super Bowl LIV. If you aren't waiting to draw your last breath until the Super Bowl is over, are you even a true football fan? He was born in Bartow, Florida Nov. 15, 1930 to Alvin Sherrell and Dorothy Hooks McMillan. Joe attended Riverside Military Academy in preparation for entry to the United States Air Force. He served during the Korean War in the 309th Troop Carrier Squadron, spending a great deal of time in Goose Bay, Labrador and on the frigid island of Greenland. Upon completion of his service to our country, Joe attended the University of Florida. Shortly after his arrival back to sunny Florida, he found himself getting reacquainted with the lovely JoAnn Shirley. In short order, the two said "I do," beginning a 66-year love affair, providing an example of dedication and partnership that all married couples should strive to emulate. Joe was an incredible businessman and, by today's standards, would be labeled a serial entrepreneur. He owned an orange grove and a cattle farm in Florida, eventually selling these to move to Akron, Ohio where he and JoAnn's uncle, John, delved into the rubbish removal business. His savvy eye for opportunity eventually led him and his family to Cullman where he established the beginnings of the current trash removal service. Joe also opened a sewing factory in Addison, Alabama, worked with James Nearen of Nearen Construction and completed his career as the superintendent of the Cullman City Street Department. He was an avid outdoorsman. He lettered in both football and baseball while at Riverside Military Academy. He loved the game of golf, once playing 54 holes in a single day at the Cullman Municipal Golf Course. If the Alabama Crimson Tide football team was taking the field, odds were good that he would be somewhere watching. Rarely would you see Joe without his shoes polished and a pressed, collared shirt. Joe loved the congregation at St. Andrew's UMC. He was a Lay Director of an Emmaus Walk and sang in the choir for many years. Joe is survived by wife JoAnn; children Melinda McMillan Briscoe, Joseph "Mac" (Connie) McMillan, and Mary McMillan Alldredge (Randy Nix); grandchildren Amanda (Mark) Lang, Brent (Katie) McMillan, Brooke (Kris) Hollingsworth, Terry (Alicia) Alldredge, Steven (Bethany) Alldredge, Bret (Jillian) Alldredge, and Jesse Alldredge; great-grandchildren Carson McMillan, Caden McMillan, John Collier McMillan, Kalleigh Harper Hollingsworth, Alayna Alldredge, Alexandra Alldredge, Arabella Alldredge, Ainsley Alldredge, Tinley Alldredge, Mailey Alldredge, and Fitzjoseph Alldredge; sister Winifred (George) Gordon Wadsworth; nephews Greg (Reggie) Gordon and Pete (Angie) Gordon; niece Suzanne (Dave) Hamar; and a host of other friends and relatives. He was preceded in death by his parents Alvin Sherrell and Dorothy Hooks McMillan. Visitation will be Feb. 5, 2020 from 1-2 p.m. with funeral services immediately following from 2-3 p.m., officiated by Rev. Walter Cash, Ralph Sellers and Rev. Chuck Worley, at Cullman Heritage Funeral Home. Interment will follow funeral services at Fairview Methodist Church Cemetery. Pallbearers will be Mark Lang, Brent McMillan, Kris Hollingsworth, Terry Alldredge, Steven Alldredge, Bret Alldredge, Jesse Alldredge, and Kevin Nix.

Reavil Elizabeth Raines, 80, of Jones Chapel entered into rest Monday, Feb. 3, 2020 at her residence. Reavil was born Nov. 5, 1939 in Pikeville, Kentucky. She was a loving wife, mother and grandmother who enjoyed jigsaw puzzles and word searches. Visitation will be Thursday, Feb. 6, 2020 from 10-11 a.m. at Nichols Funeral Home in Addison, with service to follow at 11 a.m. Brother Abe Rooks will officiate. Burial will follow in Hillcrest Cemetery in Addison. Reavil is survived by her daughter JoElla (Jerry) Marks; sister Fran (Ray) Foster; brothers James Rife and Henry Rife; grandchildren Steve Raines, Donald Raines, Jerry David Marvin Marks, Elizabeth Renee Marks and Daniel Ray Marks; sister-in-law and brother-in-law Mil and Van Sexton; and a host of nieces and nephews. She was preceded in death by her father Virgil Rife; mother Josie Gannon; husband Marvin Arlen Raines; and her sons Danny Raines and Ronnie Ray Raines.

Richard Werner Friedrich was born Sept. 7, 1945 and passed away Feb. 4, 2020.

Dorothy C. Bergner was born April 18, 1934 and passed away Feb. 2, 2020.

Memorial services for Charles N. Glatthaar, 72, of Crane Hill are incomplete and will be announced at a later date. Cullman Funeral Home is in charge of the arrangements. Mr. Glatthaar passed away Feb. 3, 2020 at his residence in Crane Hill. He was born Aug. 2, 1948 to Richard R. and Adeline Perkinson Glatthaar. He is preceded in death by his parents. Mr. Glatthaar is survived by his brother Richard Glatthaar; his sister Peg Glatthaar; and a host of friends. Friends may sign the online guestbook at www.cullmanfuneralhome.com.

Contestants shine at inaugural Miss Scarlet Sweetheart Pageant

Christy Perry
christy@cullmantribune.com

GOOD HOPE, Ala. – Kali Madison Davis was crowned Miss Scarlet Sweetheart at Good Hope High School this past Saturday. The inaugural Miss Scarlet Sweetheart Pageant was hosted by the Good Hope High School English Department while the Raider Marching Band hosted a beauty expo in the band room.

The event was a collaborative effort. The pageant was a fundraiser for the English Department as it continues to bring beneficial alternative seating to its classrooms.

The GHHS Band is raising money for new marching band uniforms.

The school's scholars' bowl team sold concessions to raise money for its upcoming trip to St. Louis for national scholars' bowl competition.

Girls from ages 0 to 19 competed in the pageant's different age groups.

Good Hope High School English Department Chair Anita Whitlock organized the pageant and was pleased with the response and the number of girls who registered.

Three-year-old Brayleigh Smith came with her proud parents, Nathan and Samantha Smith from Fairview.

Brayleigh is new to pageants but was all smiles as she took home Crowd Favorite in the Toddler Miss division.

Whitlock was proud of the cooperative efforts of the different school organizations to make the pageant a success.

"We are so proud of our students," she said. "It is such a pleasure to work with them. I am 20 years in, and I am still in love with teaching."

Pageant winners included:

- Baby Miss Scarlet Sweetheart - Ella Angeline Everett
- Toddler Miss Scarlet Sweetheart - Blayklee Rae Overton
- Tiny Miss Scarlet Sweetheart - Olivia Faith Link
- Little Miss Scarlet Sweetheart - Sammie Johns
- Young Miss Scarlet Sweetheart - Alyssa Dye
- Teen Miss Scarlet Sweetheart - Zoe Vincent
- Miss Scarlet Sweetheart - Kali Madison Davis

ADPH initiates monitoring activities for travelers from mainland China for 2019-nCoV

Burnestine Taylor
Contributor

MONTGOMERY, Ala. – The Alabama Department of Public Health (ADPH) asks that people who have traveled to mainland China (this does not include Hong Kong, Macau or Taiwan) and returned to the United States on or after Jan. 22, 2020 to contact the Infectious Diseases and Outbreaks Division (ID&O) at 1-800-338-8374 as soon as they arrive in Alabama.

The Centers for Disease Control and Prevention (CDC) has set interim exposure risk categories and movement restrictions for individuals who may have been exposed to the novel coronavirus 2019-nCoV cdc.gov/coronavirus/2019-ncov/php/risk-assessment.html. ADPH will use these categories to determine requirements for returning travelers until 14 days after leaving mainland China.

Dr. Burnestine Taylor, medical officer, Disease Control and Prevention, ADPH, stated, "Risk depends on exposure, so those exposed to ill persons are at greater risk of infection. However, the situation is evolving, and risk will depend on how efficiently the virus spreads, and how sick it makes people. Exposure includes, but is not limited to, travel to mainland China or close contact with a person with symptomatic laboratory-confirmed 2019-nCoV infection. At this time, no cases have been identified in Alabama."

High Risk
Stay at home. No public activities. Daily active monitoring by ID&O staff for 14 days after last exposure.

- Travel from Hubei Province, China
- Living in the same household as, being an intimate partner of, or providing care in a nonhealthcare setting (such as a home) for a person with symptomatic laboratory-confirmed 2019-nCoV infection without using recommended precautions for home care and home isolation.

- The same risk assessment applies for the above-listed exposures to a person diagnosed clinically with 2019-nCoV infection outside of the United States who did not have laboratory testing.

Medium Risk
Remain home. Avoid congregate settings including but not limited to classrooms, shared offices, churches, public transportation, and remain out of public places where close contact with others may occur. Daily active monitoring by ID&O for 14 days after last exposure.

- Travel from mainland China outside Hubei Province
- Living in the same household as, an intimate partner of, or caring for a person in a nonhealthcare setting (such as a home) to a person with symptomatic laboratory-confirmed 2019-nCoV infection while consistently using recommended precautions for home care and home isolation.
- Close contact with a person with symptomatic laboratory-confirmed 2019-nCoV infection, and not having any exposures that meet a high-risk definition.
- The same risk assessment applies for close contact with a person diagnosed clinically with 2019-nCoV infection outside of the United States who did not have laboratory testing.
- On an aircraft, being seated within 6 feet of a traveler with symptomatic laboratory-confirmed 2019-nCoV infection; this distance correlates approximately with 2 seats in each direction.
- AND not having any exposures that meet a high-risk definition

Low Risk
No restrictions unless symptoms develop at which time they should contact ID&O immediately. Self-Observation – report development of symptoms to ID&O immediately.

- Being in the same indoor environment (a classroom, a hospital waiting room) as a person with symptomatic laboratory-confirmed 2019-nCoV infection for a prolonged period of time but not meeting the definition of close contact.
- On an aircraft, being seated within two rows of a traveler with symptomatic laboratory-confirmed 2019-nCoV infection but not within 6 feet AND not having any exposures that meet a medium- or a high-risk definition.

If you are healthcare provider who suspects that your patient may have 2019-nCoV, please visit this website alabamapublichealth.gov/infectiousdiseases/2019-coronavirus.html for steps that should be taken. Current concerns focus on 2019-nCoV, but human coronaviruses are common throughout the world. Seven different coronaviruses, that scientists know of, can infect and sicken people. Common human coronaviruses usually cause mild to moderate upper-respiratory tract illnesses, like the common cold. There has been some confusion as to whether a positive coronavirus test result is the virus associated with this outbreak. At this time, if a person has a positive coronavirus test result not performed by the CDC, it is not the novel Coronavirus, 2019-nCoV and should not be reported to ADPH. CDC is working with state public health laboratories to expand testing capacity. ADPH will report when testing is available within Alabama for 2019-nCoV.

For more information, please visit the 2019 Novel Coronavirus Outbreak page at cdc.gov/coronavirus/2019-ncov/index.html. For information specific to Alabama, please visit our website at alabamapublichealth.gov/infectiousdiseases/2019-coronavirus.html.

White City (from Front)

County was formed to steer the effort.

"We are rebuilding the community center and we want to create a historical wall inside the building with all the historical artifacts from the old White City School," said the nonprofit's board chairman Roger Starnes. "It's a pretty good undertaking."

The organizers of the effort have records dating back to 1894 showing the purchase of the land for the school as well as more land purchased as the school grew. The White City Community Center was built it 1965.

Starnes explained, "In 1964, when they had the last graduating class of the junior high school, they closed it down. The community bought the property and the building from the State in 1965. The trustees at that time sold the old school building and took the proceeds from that and built the community center as it was and saved two of the old classrooms. The community center was joined to the classrooms and was used until last year's tornado."

Finding documents and photos has been no easy task, and the trustees are asking for help from alumni and families of alumni to find photos, records and other artifacts to include in the new community center they are raising money to build.

Starnes said, "We want to have something to remember our history of the community and the school."

He said that in 1965, when the State sold the property to the community, the State took all the records from the school, where they were kept for a period of time, but they were eventually destroyed.

The plan for the new ADA-compliant center was bid on at $225,000.

"Because we are in a rural area, grants are not as available as one might think," said Barnes. "Also, the governor (Kay Ivey) did not declare that a disaster tornado; there is no federal FEMA money."

This leaves the community seeking help from alumni, individuals and businesses to help fund the rebuilding project.

"We will put a plaque with all our donors with their names on it in the building also," Barnes said.

There are a limited number of corporate grants the organizers are in the process of applying for and hoping to get.

The White City Community Center of Cullman County is a 501(c)(3) nonprofit and all donations are tax-deductible. The organization learned of another White City in Autauga County during filing for nonprofit status, thus requiring the "of Cullman County" designation.

The organization is looking at several fundraising events in the near future and the annual White City School reunion is held each year for alumni and their families to get together and reminisce about their fun memories at White City School.

For more information on the efforts to rebuild the White City Community Center or to donate, visit www.facebook.com/White-City-Community-Center-of-Cullman-County-720323325090323/.

Following the tornado, the White City voting precinct was changed to the Johnson's Crossing Volunteer Fire Department station located at 1544 County Road 617, Hanceville, Alabama 3the 35077.
