CCSO Deputy Adam Clark in critical condition following crash

Wendy Sack
wendy@cullmantribune.com

CULLMAN, Ala. – A Cullman County Sheriff's Office (CCSO) deputy remains in critical condition in Huntsville Hospital, following a car crash early Tuesday morning. Deputy Adam Clark was injured, along with his K9 partner Figo.

According to the CCSO, dispatch lost contact with Clark during heavy rain. Deputies located Clark a short time later, when they discovered he had wrecked along Alabama Highway 69 South and was unconscious.

A traffic alert issued by the department said the highway was closed just past County Road 8 just before 5 a.m.

It remained closed for almost three hours.

"His patrol car wrecked on Highway 69 South near Bremen.

"He was found unconscious, with his K9 partner Figo also injured," read a statement from the CCSO.

K9 Figo is in stable condition at a local veterinarian's office.

"I would like to thank all the first responders from the local volunteer fire departments, Cullman EMS, Morgan County Sheriff's Office, Madison County Sheriff's Office, Huntsville Police Department, Falkville Police Department, Alabama Law Enforcement Agency and the Huntsville Hospital nurses and doctors » PAGE 7

Commission declares State of Emergency for Cullman County; Cheatwood named new county engineer

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – The Cullman County Commission at its Tuesday morning meeting declared a State of Emergency for Cullman County based on a recommendation from Cullman Emergency Management Agency (EMA) Director Phyllis Little.

"We experienced rain and flooding with damages last week in excess of $200,000 to roads and bridges," said Little. "The rain is continuing today, and tomorrow we are looking at another 2-3 inches with severe thunderstorms possible and gusty winds. We know that if we get the wind, we are going to get trees down whether we get the rain or not. That's going to be even more damage."

If Alabama Governor Kay Ivey determines enough damage has been caused in the state and declares a State of Emergency, the County's declaration will put Cullman County in a better position for assistance.

Little added, "The declaration states that the rains began on Feb. 5 and are still continuing."

The commission welcomed Bryan Cheatwood as the new county engineer. Cheatwood, who previously served as Winston County engineer, replaces John Lang, who resigned from the position last November. Assistant Cullman County Engineer Jon Brunner served as interim Cullman » PAGE 4

CEDA, Cullman Regional Airport projects presented to commission

CEDA's Dale Greer and airport's Ben Harrison share details on several major opportunities

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – Cullman Economic Development Agency (CEDA) Director Dale Greer and Cullman Regional Airport General Manager Ben Harrison both addressed the Cullman County Commission at its work session and meeting Tuesday morning, bringing before the commissioners details on several major opportunities.

The first project is actually a combination of two projects that would bring as many as 130 jobs to the area- 50 from one project and 70-80 from the other.

Greer explained, "It (one project) is being combined with a new project that is in Industrial Park II."

As an incentive, the industrial prospects have requested a traffic signal be added at the intersection of Alabama Highway 69 and 24th Street Southeast. The estimated cost to install the new signal is $250,000.

"We've met with ADECA (Alabama Department of Economic and Community Affairs) and they will provide a grant of $100,000, based on the jobs," said Greer. "We have met with the City (of Cullman) and with (the City of) Good Hope and both of those have pledged $50,000 each for the project."

He told the commissioners the Alabama Department of Transportation (ALDOT) has already conducted a traffic flow assessment and concluded a traffic signal is warranted, but there is no money in ALDOT's budget to fund the traffic light.

CEDA asked the commission to pledge the remaining $50,000 needed for the project.

Greer reminded the commissioners, "We've had a number of accidents there and a traffic death last year. It really is a safety issue and something that is important that will serve all those industries coming out of » PAGE 7

PREP CHEERLEADING

Good Hope, Cullman cheer squads shine at UCA National Championships

Nick Griffin
nick@cullmantribune.com

ORLANDO, Fla. – Two local schools were represented at this year's UCA National High School Cheerleading Championships at ESPN's Wide World of Sports at the Walt Disney World Resort and both of them are coming home with some bragging rights. The Cullman Bearcats collected a 10th place finish in the game day division and captured third in the worlds competition while the Good Hope Raiders placed fourth in the game day division.

Raiders Head Coach Sydney Chappell is proud of the way her team performed over the weekend and has seen them develop into a very competitive squad throughout the year. She's excited about the direction of the program and is already looking forward to competing again next season.

"I'm so proud of this team, how hard they've worked and how far they've come this season. I've gotten to watch these athletes and this program go from being new, to competing, to being fourth in the nation in just two years," Chappell said. "Orlando Nationals was an awesome experience and we can't wait to get back."

Bearcats Head Coach Erica Ball talked about her squad's performance throughout the weekend and the impressive finishes they were able to put together, starting with the Game Day competition.

"I am so proud of Cullman Cheer! This is only our second year to compete in the Game Day division and these girls were able to climb to 10th in the nation this year in the Super Large Varsity Division II category.

"Game Day competition mimics what you would see on the sideline at games and is a division that is rapidly growing. Cullman's Game Day team put their very best routine to date on the floor and looked great."

Cullman also stood out in the Traditional competition, collecting a third-place finish after a zero-deduction routine.

"Our Traditional team was invited to compete in the 2020 World School Championship. This is an invitation only competition for the previous year's top ten finishers in each division.

"Cullman Cheer put a zero-deduction routine on the floor and won third place in Worlds," Ball said. "These girls have spent a great deal of time working towards this, overcame much adversity, and were able to finish strong.

"My coaching staff and myself are so proud of these girls and all they have been able to accomplish! In addition to our talented girls, we have supportive parents that help make this possible and we just feel so blessed to serve in this role."

PREP BASKETBALL

West Point downs East Limestone 57-50 to earn back to back trips to Northwest Regional; Sub-Regional scoring recap

Nick Griffin
nick@cullmantribune.com

WEST POINT, Ala. – For the second consecutive season, the West Point Lady Warriors have defeated East Limestone in the sub-regionals and will move on to play in the Northwest Regional Tournament at Wallace State. The Lady Warriors trailed at the half but got big baskets when they needed them in the second half and managed to topple the Lady Indians 57-50, earning a spot at the Northwest Regional.

West Point fell behind early but rallied as the game progressed and fought its way back in front. Lady Warriors Head Coach John Wellborn was proud of how all his kids fought through the adversity and pointed out a huge contribution off the bench that kept them in the game down the stretch.

"We've got seven seniors and they don't want to lose. They don't want to lose so we battled through and made just enough plays to win the game," Wellborn said.

"We didn't play very well, missed 14 foul shots but they made the plays at the end to win the ball game. When you've got a senior in Molly Pendley that comes off the bench and finishes with 15 that helps, and she was hitting big, big shots. That's what she does, Molly is a gamer."

East Limestone jumped out to a 6-0 lead in the opening quarter before a Ryleigh Jones bucket and Miriam Oldacre triple cut the lead to one with three minutes to play in the period.

Pendley pulled down an offensive board and put it back in to give West Point a 9-8 lead with less than two minutes remaining in the first and baskets from Mackenzie Carter, Lexi Shadix and Miriam Oldacre kept the Lady Warriors in front 15-13 going into the second quarter.

The Lady Indians began to pull back ahead early in the second but another basket from Carter cut the lead to 22-19 midway through the period.

Pendley buried her first three of the night to hold the lead to four with two minutes to play in the opening half and a steal by Jones led to an easy bucket for Shadix that trimmed the lead to 26-24.

Miriam Oldacre laid another one in to tie the game at 26 with 40 seconds remaining in the quarter but West Point went into the locker room trailing East Limestone 28-27 at the break.

Back to back scores by Miriam Oldacre and Shadix gave the Lady Warriors a 1-point lead at the start of the second half but the Lady Indians fought back to take a 37-36 lead with three minutes to play in the third.

Pendley then drilled back to back three-pointers from the left wing to give West Point a 42-38 advantage late in the period and the Lady Warriors went into the final frame with a 4-point lead.

Another Pendley bucket extended the lead to 44-38 at the start of the fourth quarter and Micah Oldare knocked down a three to make it 47-39 with six minutes to play.

A pair of free throws from Shadix added to the lead midway through the fourth but the Lady Indians were able to chip away and trim the lead to three with just under three minutes remaining in the game. A steal by Miriam Oldacre led to another basket for Pendley that gave West Point 52-47 lead with two minutes to play and Miriam netted five free throws in the final minute of the game to ice it for the Lady Warriors and secure a 57-50 victory along with a spot at this year's Northwest Regional.

Miriam Oldacre led West Point with 16 points in the win, followed by Shadix and Pendley who each posted 15. Carter added six for the Lady Warriors, Micah Oldacre finished with three and Jones scored two.

West Point will be on the floor at Tom Drake Coliseum Saturday at noon. The opponent has yet to be determined.

OTHER MONDAY SUB-REGIONAL SCORES

Cold Springs 87 – Sumiton Christian 24 (varsity girls)
The defending state champs continue to roll through their opponents in the post-season and after crushing their latest victim, Sumiton Christian, in the sub-regional round they'll advance to play at the Northwest Regional at Wallace State Friday at 6 p.m.

Athens 60 – Cullman 29 (varsity girls)
After clinching a home game in the sub-regional round, the Lady Bearcats fell to the Athens Lady Eagles Monday night, ending another strong season at 22-9.

Fairview 69 – North Jackson 52 (varsity girls)
The Lady Aggies rallied after a slow start against North Jackson and pulled away to win the sub-regional showdown and earn a spot in the Northeast Regional at Jacksonville State University. Fairview will play again in the Northeast Regional Tournament Monday at either 9 a.m. or noon. The opponent has yet to be determined.

Tanner 77 – Addison 58 (varsity girls)
The Lady Bulldogs fell to Tanner in their sub-regional showdown Monday night, ending a stellar season with a record of 21-3.

Midfield 72 – Hanceville 39 (varsity girls)
The Lady Bulldogs came up short at Midfield in their sub-regional matchup Monday night, ending their postseason run with a record of 10-14.

Winfield 48 – Holly Pond 28 (varsity girls)
The Lady Broncos fell on the road at Winfield in the sub-regional round Monday night, ending their season at 11-18.

PREP BASKETBALL

Lady Bearcats drop sub-regional matchup against Athens

Sammy Confer
sammy@cullmantribune.com

CULLMAN, Ala. – After winning its last meeting with Athens, Cullman looked for another huge win against the Lady Golden Eagles, but this time, their season was on the line. After trailing at the halftime break, the Lady Bearcats couldn't muster much of anything offensively in the second half and Athens was able to pull away to take the game 60-29.

Five straight points by Regan Quattlebaum gave Cullman an early 5-4 lead, but five in a row from Athens gave them a 9-5 lead. A pair of baskets by Kinslee Borden tied the game at nine with less than four minutes to play in the first quarter, but the Lady Golden Eagles ended the quarter on a 7-0 run to take a 16-9 lead after one.

Athens stretched its lead to 20-10 early in the second period, but Jaden Winfrey and A.K. Eastman scored Cullman's next six points to cut the deficit to four late in the quarter.

After the Lady Golden Eagles pushed their lead to 11 with a 7-0 run, Eastman hit a pair from the line to make it a 27-18 game at the half.

An 8-0 Athens run made it 35-18 early in the third period. Hannah Hoffman hit a pair from the charity stripe with just five minutes to go in the period to cut it to 15 and Eastman drilled a three for Cullman's only basket of the quarter to trim the lead to 42-23 after three.

Athens' inside game gave Cullman all kinds of problems and it continued in the final quarter as the Lady Golden Eagles pushed their lead to 23 early in the final period. Borden hit a pair from the line to make it a 21-point contest, but the Lady Bearcats didn't get any closer after that as Athens proved to be too much for them and Cullman ended up falling 60-29 to finish the season at 22-9.

Quattlebaum finished the game with eight points for Cullman, followed by Eastman with seven, Borden with six, Winfrey with four and Hoffman and Ava McSwain each added two. The Lady Bearcats will lose three key players to graduation in May, Eastman, Alexandria Barker and Borden, so there will be some big shoes to fill next season when they begin the chase for another postseason run.

PREP BASKETBALL

Addison's postseason run ends with sub-regional loss to Tanner

Todd Walker
Tribune Correspondent

ADDISON, Ala. – The Addison Lady Dawgs hosted the Tanner Lady Rattlers at Stephenson Gym in the sub-regional round of the state tournament Monday night. Addison came in with a sparkling 21-2 record and Tanner sported a 13-12 record. The game promised to be a good one due to the Lady Dawgs senior experience and the young Tanner team's athleticism.

The first period opened with both teams running and gunning. Both teams were pressing and play-ing tough man to man defense. Tanner couldn't miss anything that they threw up and the Lady Dawgs couldn't hit anything on their end. The Lady Dawgs were playing hard but just couldn't find the range. The Lady Rattlers went on a 12-0 run to end the period and were up 23-9 going into the second. Tanner's 9th grader, Shauna Fletcher could not be contained, putting up 10 points in the period.

The second frame continued much like the first. Addison continued pressing the Rattlers and the Rattlers continued to beat the press. The Lady Rattlers got up 30-12 in the second and the game looked like it would turn into a rout. The Lady Dawgs fought back led by Seniors Kaylee "I can score from anywhere" Brummett and Macey "Homecoming Queen" Butler.

After cutting the Rattler lead to nine, the Lady Rattlers went on a run to close the period and Addison was outscored by Tanner 18-17, trailing 41-26 at the half.

Addison then went into a zone defense to cut down on the Lady Rattlers fast break and to stop their easy buckets. It seemed to work. Addison outscored the Rattlers 18-12 in the period and had the game down to nine points again. At the end of the third period, the score stood at Tanner 53, Addi-son 44. Brummett and Butler were unable to get any easy three-point shots due to the Rattler's ex-tending their defense, so they drove to the basket and drew the fouls on the Lady Rattlers.

The Lady Dawgs had all the momentum going into the final period. The three starting Addison seniors, Brummett, Butler and Savannah "Nanner Belle" Manley were determined not to let their seasons end.

The Lady Dawgs played their hearts out and actually cut the lead down to three at 57-54 with six minutes to go in the game. That is when it appeared that the Lady Dawgs seemed to run out of gas. Tanner finished the game on a 20-4 run to win it 77-58 and end Addison's season.

After the game, Addison Head Coach Frank Graham said, "We had some mental breakdowns on defense that hurt us to start the game. We didn't come out focused enough. They had way too many easy baskets in the first half.

"We always seem to bring out the best in our opposition. I hate it for the seniors that their season ended tonight. They have done a lot for Addison Ladies Basketball and for basketball at this school in general. We have a rebuilding job to do for next year. I mean we are losing about 90% of our offense and 60% of our rebounding, not counting leadership."

Tanner Head Coach Jordan Paul said, "We are a super young team. I mean we have no seniors and we are mostly 8th and 9th graders. We played in a super tough region and that really helped us prepare for the playoffs. We have kind of been a Jekyll and Hyde team. I attribute that to us being so young. Some games we would come out be uninspired and it showed.

"Some games we would play a good half and a bad half. Tonight, we played a very good solid team in Addison and we were really focused throughout the game. Couldn't be prouder of them. Shauna (Fletcher) is a 9th grader and she is the heart and soul of our team."

Addison was led by Brummett with 21 points, seven rebounds, four assists and a steal. Butler had 16 points, two rebounds and a steal. Manley had 11 points, eight rebounds and one block.

Callie "The Enforcer" Crider had seven points, 14 boards, an assist and one steal. Tiny Bracie "Money" Rodgers had five boards, two assists and two steals.

Tanner was led by 8th grader Amiya Redus with 26 points and three rebounds. 9th grader Fletcher had 24 points and seven boards. Junior Miracle Scott had 16 points and 10 boards. Sophomore Keyera Jeanes had 10 points and nine rebounds.

All in all, the Lady Dawgs had a very successful season. They won the Winston County Tourna-ment, area regular season title, and area tournament title. Brummett and Butler both scored their 1,000th point for their careers.

The season didn't end how they wished but it was still a solid sea-son. The seniors, Kaylee Brummett, Macey Butler, Savannah Manley and Amelia Cleghorn had successful careers and should be thanked for their contributions to Addison Ladies Basketball over the years.

CRIME

Arrests and incidents reported Feb. 11

Wendy Sack
wendy@cullmantribune.com

CULLMAN, Ala. – Below are the arrests and incidents reported Feb. 11, 2020. All persons are innocent until proven guilty.

GJ = grand jury; **FTA** = failure to appear

No incidents or arrests reported.

Find arrest reports online Monday-Friday at www.CullmanTribune.com.

Emergency (from Front)

County engineer following Lang's departure.

The Commission agreed to ratify the City of Cullman's 10-year tax abatement extension for Rusken Packaging, Inc. The company is expected to make a capital investment of $7.8 million in a facility expansion.

Cullman Economic Development Agency Existing Industry Project Manager Stanley Kennedy said the expansion will create 25-30 jobs, be more than 48,700 square feet and see starting wages at $15 an hour.

The abatement extension is for "all state and local noneducational ad valorem taxes and all construction related transaction taxes, except those construction related transaction taxes levied for educational purposes or for capital improvements for education."

The Commission also approved the following items:
• Set the tax levy for 2020. This is a continuation of existing taxes.
• Authorized Chairman Kenneth Walker to sign Keefe Commissary Group contract for the benefit of the Cullman County Sheriff's Office.
• Commissioner Kerry Watson's reappointment of Phillip Garrison to the Solid Waste Authority Board for a four-year term expiring Nov.20, 2023
• Resolution 2020-11: Awarded bid for the car wash and bath house at Stony Lonesome OHV Park funded by ADECA Recreational Trails Program Grant. The winning bid came in under budget for the project at $761,304 from C.H. Harris Construction from Cullman.
• Extension of bid for polypropylene pipe to Bear Concrete
• Extension of bid for bituminous plant mix only material

The next commission meeting will be Tuesday, Feb. 25, 2020 at 10 a.m.

Open (from Front)

Wendy Sack, Maggie Darnell

CULLMAN, Ala. – The day is finally here. Fifteen months after the stretch of Eva Road between Forrest Avenue Northeast and Scenic Drive Northeast was closed for new bridge construction, the bridge is complete, and the road is open to traffic today, Feb. 12, 2020. The bridge has been named the Hugh P. Brindley, Sr. Memorial Bridge.

The roadway was closed Nov. 5, 2018. The old bridge was completely demolished in March 2019.

The road closure led to the re-routing of a portion of school traffic around Cullman High School, Cullman Middle School and the Cullman City Primary School, causing congestion, particularly during morning drop-off times.

Back in July 2019, City of Cullman Risk Management Director Tom Charney told The Tribune, "Every year, all the bridges have to be inspected, and we give a percentage rate. If a bridge goes below 50%, then the bridge, you have to consider replacing it. Eva Road went under the 50% mark, and at that point we had to, you know, build bridges. It was about 2017 (when it went under)."

He continued, "As soon as it went under the percentage, we started looking and the Alabama Department of Transportation (ALDOT) released these grants for bridges. God, in Alabama I think there was over a hundred bridges (in) a federal grant that was administered by the County and ALDOT."

Charney said the City of Cullman received $1,634,704.10 for the bridge.

"Once the bridge is completed for the citizens of Cullman," he said at the time, "it will be a lot wider, a lot safer, and you can't ask for anything more for your money. The whole thing was to make it safer."

Initial estimates were that the project could take up to 10 months.

The City announced Tuesday, Feb. 11, 2020 that the bridge would finally reopen Feb. 12:
"After several rain delays, the City of Cullman is happy to announce that the Eva Road bridge will reopen to traffic on the morning of Wednesday, February 12, 2020! Cullman Mayor Woody Jacobs and Police Chief Kenny Culpepper would like to remind motorists to travel the posted speed limit. The Police Department will strictly enforce the speed limit on Eva Road. There will be an increased police presence in the area and digital speed signs will be used to help remind motorists to monitor their speed. This is to help ensure the safety of all who travel in this area and across this new bridge. The City of Cullman appreciates the patience and understanding of our citizens throughout the course of this project."

Back in June 2018, the City of Cullman announced the new bridge would bear the name of longtime Cullman resident and respected businessman Hugh Brindley.

Vote PHILIP WIDNER
Chairman Cullman Co. Commission

I am Philip Widner, Candidate for Chairman of the Cullman County Commission

As citizens we have seen enough wasteful spending, tax increases and horrible roads in our county the past few years to last a lifetime. March 3rd is the time to change all that. I am a candidate because I can make that change. Enough is enough...enough "good ole-boy" politics, enough forgeting the people who elected you and enough electing only inexperienced people without any knowledge whatsoever of the job. Because of this, we almost lost our water department a few years ago, and now we've lost the ability to properly maintain our roads. Let's not make that mistake this election. I ask you to make your choice March 3rd based on related experience, education and abilty to lead this County. I am the only choice that meets these requirements.

I have a degree in Civil Engineering from the University of Alabama in Birmingham and over 26 years experience working with and guiding Alabama County Commissions. I am a licensed engineer in the State of Alabama, former President of the Alabama County Engineer's Association and served on the State of Alabama's Transportation Advisory Committee. I'm also a farmer and small business owner. I have overseen multi-million dollar governmental departments with well over 100 employees. I have the qualifications to be your Chairman..and the desire to do it right.

As your Chairman, I'll look out for the Citizens of this County. I'll get our government's "financial house" in order and we will become better managers of what we have. Let the people keep the money they work for and quit asking for more. No political agendas, just honest, fair, experienced representation for every citizen of this county.

I am Philip Widner, Candidate for Chairman of the Cullman County Commission and I approve this message because I have the Right Experience, the Right Education and am the Right Choice to move our County forward. Help me help our County.

Thank You

Colony talks debt repayment, summer food program

W.C. Mann
craig@cullmantribune.com

COLONY, Ala. – The Colony Town Council on Tuesday evening shared that it is restructuring payments on its two outstanding debts in order to save the Town money. A debt to Compass Bank for a 2012 court judgement has been cut almost in half in less than six months, and since that debt came with no interest, the Town will now reduce (but continue) monthly payments in order to increase the amount of its monthly payments toward the original loan that led to the court judgement, a loan which has been accruing interest.

The debt stemmed from a loan taken out to finance the construction of bathrooms at the town's park.

Town Clerk Patricia Ponder explained, "Morris Fitts- he took office in 2012- refused to pay the debts of the Earline Johnson administration. Compass Bank froze the bank accounts. He sued them and lost. This is the judgement for the amount of the debt plus their legal fees that's been hanging on since 2012."

The 2012 court judgement left Colony with an outstanding debt of more than $50,000 in addition to the original defaulted loan. In May 2019, the outstanding balance of the judgement sat at $47,712.04. By December 2019, the Town had paid $23,000 toward the debt, bringing the total to only $24,712.04, just over half of the amount from May.

Former Mayor Vernon Fields, who served before current Mayor Donnis Leeth, renegotiated the original loan during his administration to a 15-year fixed-rate mortgage on which the Town pays approximately $571 per month. Ponder reported that, with the restructuring of payments, she was able to make a $5,000 payment toward the principal on that loan. The council has not determined a specific amount that will be paid each month, but will determine that amount on a month-by-month basis based on available funds.

The council also undertook a detailed discussion of the town's summer feeding program for community children.

Members chose to put off making decisions about specifics such as naming a coordinator/director and planning a summer enrichment program until the next meeting. Ponder shared instructions about the program's new site application process, while Leeth talked about another possibility for procuring hot meals on a daily basis during the summer.

Leeth and Ponder noted that children did not respond well to the cold cut sandwiches that were often served last year, and Ponder said, "I would think that a warm meal served would be better than the cold sandwiches that the children got, but food is food. If they're hungry, we need to do, in my opinion, we need to do our best to get them some food."

After the discussion, though details are still up in the air, the council voted unanimously to continue the program.

Pay raise starting next council session in November

The council voted increases to both the mayor's salary and council members' per-meeting stipends, starting with the new council session that begins after the conclusion of the election cycle in November. The mayor's new salary will be $300 per month, and council members will receive $20 per meeting.

Roofing contract and plumbing

Long-needed repairs to the town's Educational Complex roof will get underway after this week's rain. The council signed a contract with Tim Nash of TSN Construction and Lawn Care for more than 800 square feet of roof in need of repair, with $5,645 in materials and $1,755 in labor, for a total of $7,400.

Councilman Curtis Johnson reported that plumbing repairs to the community center and gym are underway now.

Road conditions

The council also discussed two reports made to the county school board by a local resident concerning potholes on Ward Hill Road and Twitty Lane and their possible impact on county school buses. Mayor Leeth received a report that six loads of gravel had been taken to the affected site on Ward Hill Road where buses turn around, to fill in a large pothole there. The council did not confirm whether work has been done on Twitty Lane.

Leeth admitted that a complete repaving of the road would be the best solution, but said that the Town simply does not have the funds to do so at present. He directed Ponder to draw up a letter to residents inviting them to contact town hall about any concerns they might have about local roads.

Colony Day

Leeth reported that, since the publication of preliminary plans for a "Colony Day" celebration later this year, he has been contacted by several people from outside the community, asking if they can come and be part of the event. Councilman Melvin Hammond, who is heading up the project, announced that a second planning meeting will be held at town hall Saturday, Feb. 29 at 2 p.m.

The Colony Town Council meets on the second and fourth Tuesdays of each month at town hall, with work session at 5 p.m. and regular meeting immediately following. The public is invited to attend.

Best Bets

7 p.m. on WBIQ
Nature

"Wild Florida" looks at a state that has been an American vacation destination for generations, thanks to its white sand beaches, year-round temperate climate and blue gulf waters. Florida also is home to a breathtaking diversity in environments that range from pine forests and coral reefs to the lush Everglades wetland. More recently, however, a population boom coupled with climate change has put additional stress on Florida's ecosystem, along with an influx of Burmese pythons that threaten the native fauna.

7 p.m. on WIAT
Survivor

Executive producer Mark Burnett's granddaddy of reality competition shows made its CBS premiere on May 31, 2000, and this new 40th edition, dubbed "Winners at War," marks the upcoming 20th anniversary in memorable style: by reassembling 20 winners from past seasons to battle it out in Fiji for a $2 million jackpot, the largest in the show's history. Sandra Diaz-Twine and Boston Rob Mariano, mentors in Season 39, return to compete, along with Ethan Zohn, Amber Mariano, Parvati Shallow, Yul Kwon, Tyson Apostol and Danni Boatwright, among others.

7 p.m. on WTTO
Riverdale

Concerned about what his life after high school graduation might hold in store for him, Archie (KJ Apa) seeks advice from an unlikely mentor: Hiram Lodge (Mark Consuelos), in the new episode "Chapter Seventy: The Ides of March." Meanwhile, tragic news about someone close to her sends Veronica (Camila Mendes) into a spiral. Elsewhere, Jughead's (Cole Sprouse) future at Stonewall Prep is jeopardized by harsh accusations against him. Lili Reinhart, Casey Cott and Madelaine Petsch also star.

8 p.m. on BRAVO
Summer House

While house parents Kyle and Amanda are out of town at a big family wedding, the kids find it all too easy to give into the temptation to run wild in the new episode "Mice Will Play." Lindsay's friend, Danielle, is ready and eager to join the party. Luke, meanwhile, pulls out all the stops to sweep Hannah off her feet. There's just one problem: Hannah's looking for a commitment from another guy.

8 p.m. on FREE
Party of Five

Lucia (Emily Tosta) finds a bold new voice for herself as she organizes a fundraiser at the restaurant in a new episode called "Speak for Yourself." Beto (Niko Guardado) goes behind Ella's (Audrey Gerthoffer) back, while Emilio (Brandon Larracuente) tries to navigate an unsettling identity crisis. Val (Elle Paris Legaspi) struggles to maintain her false identity, only to be outed to a member of the family.

9 p.m. on FREE
Good Trouble

A pre-game "Palentine's Day" party at the Coterie spontaneously turns into a group Valentine's Day bash where some secrets get spilled and personal dynamics are challenged. Mariana (Cierra Ramirez) confronts Callie (Maia Mitchell) over the real reason she decided to move in with Jamie (Beau Mirchoff), especially since the latter's growing plans for their future together are starting to give Callie cold feet. Mariana also searches for a special gift for Raj (Dhruv Uday Singh), who is trying desperately to forget his sexual fantasy about Isabella.

Sandra Diaz-Twine is among those competing in "Survivor" on CBS.

Projects (from Front)

there."

Greer estimated the projects would be a multi-million-dollar capital investment and that an official announcement of the projects could hopefully happen in the next couple of months.

The commissioners briefly discussed the matter later in the commission meeting.

Commissioner Garry Marchman opposed the commission providing funding for the traffic light.

"I understand it's an economic development project, but I'm not in on it," he said. "They can put their own red light if they want to put one up. How are we going to benefit from it?"

Commission Chairman Kenneth Walker replied dryly, "Maybe, possibly, 70 jobs is all."

Greer said CEDA is scheduled to meet with the Cullman County Industrial Development Authority Wednesday to discuss the project.

"I guess we will see what they say about it," Walker said.

Two Cullman Regional Airport projects are also being negotiated. The first project, referred to simply as "Project Black," is a competitive one that is being kept confidential due to the sensitivity of the details.

Harrison and Greer have been working for several months on the project that Greer said would be "a great potential to capitalize on Redstone Arsenal and the military work there."

Cullman Regional Airport being located at the halfway point between Huntsville and Birmingham puts the area in a unique position, especially as Huntsville continues to experience explosive growth, according to Greer, who said, "It is my belief that the airport is key to job creation for Cullman County in the future."

The commission said it would not take any action regarding funding for "Project Black" until more information could be presented. Greer said he will attend the Feb. 25 commission meeting with updates.

The second airport project is an effort to keep the current mechanic, who holds an Inspection Authorization (IA). Greer explained, "He is working out of a T-hangar right now and he either has to build a building or he is looking at relocating to other areas in the state that have offered to support him."

The Airport Board met last week and agreed that keeping an IA-certified mechanic is worth the effort, according to Greer. By providing a 10,000-square-foot building, he said, two new mechanics could be hired to assist immediately, with the potential for more.

Greer said an IA-certified mechanic onsite at the airport, which is owned jointly by the City of Cullman and Cullman County, is a huge asset, as someone is there to service any aircraft coming in and out.

"We've talked to him, and he is open to us starting construction on the building and he would intend to take over and purchase it and be in it after that period of time."

Greer estimated the cost to be less than $500,000.

The Cullman City Council has voted to move forward with the structure and the commission did as well. The City of Cullman has agreed to provide the initial financing before the building is leased or sold to the new tenant.

Clark (from Front)

who have shown overwhelming love, support and care for Deputy Clark and his life," said Sheriff Matt Gentry.

"We ask for the community's prayers for the deputy, his family and the Cullman County Sheriff's Office."

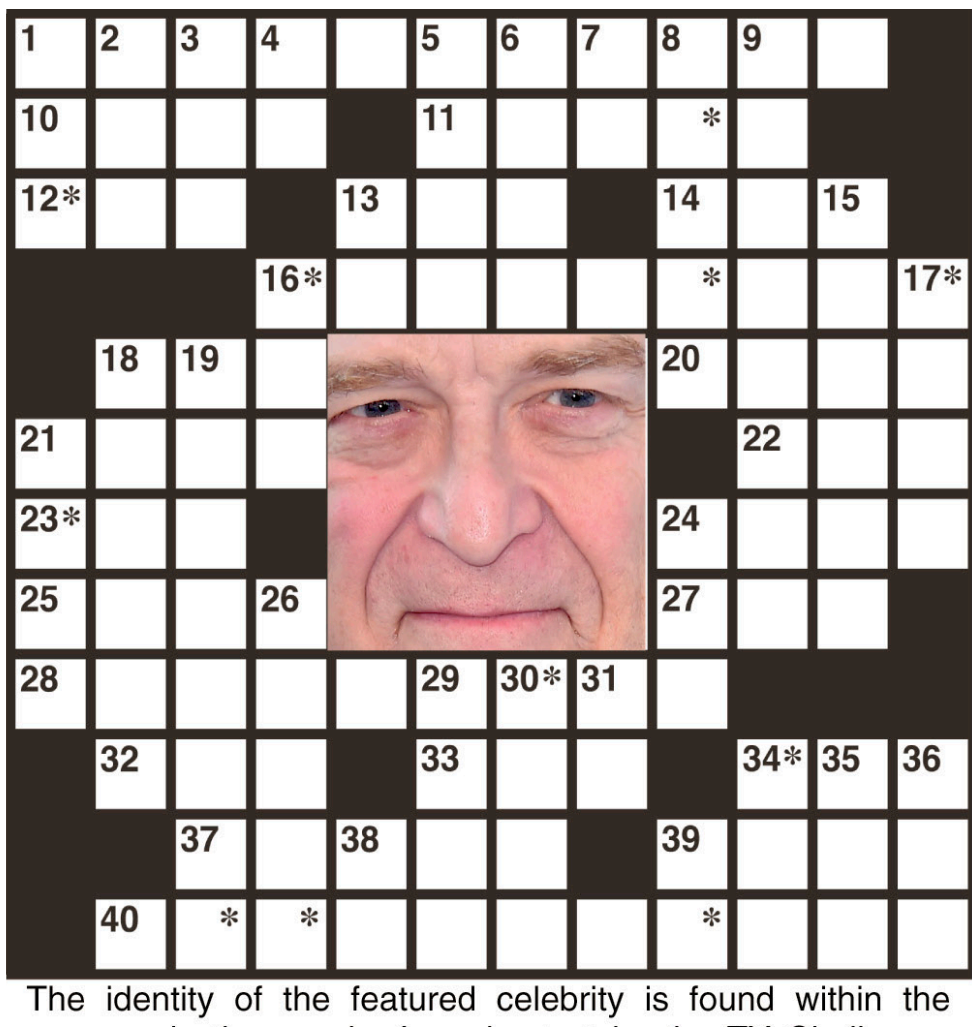

An update on the crash is expected Wednesday.

EDUCATION

18 Cullman-area students named to UA President's List, 31 to Dean's List

Chris Bryant
Contributor

TUSCALOOSA, Ala. – A total of 12,050 students enrolled during the 2019 fall semester at The University of Alabama were named to the Dean's List with an academic record of 3.5 or above or the President's List with an academic record of 4.0 (all As). The UA Dean's and President's Lists recognize full-time undergraduate students. The lists do not apply to graduate students or to undergraduate students who take less than a full course load.

Cullman-area students named to the President's List include:

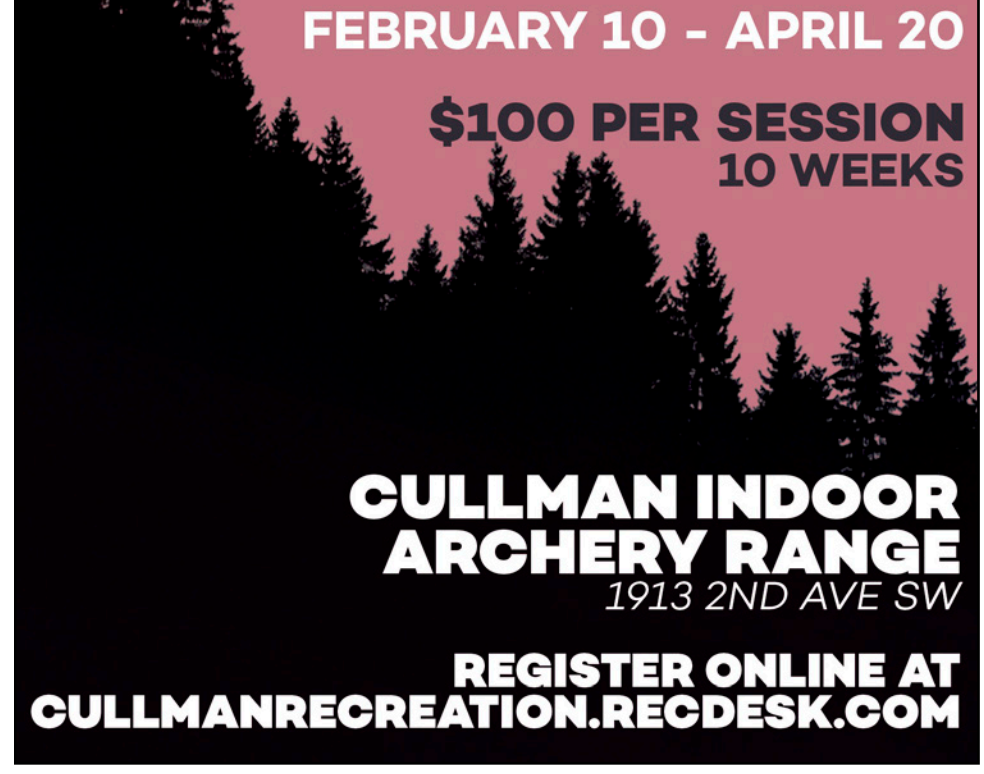

- Alyssa Cameron Price, of Addison
- Darby Elizabeth Hamm, of Blountsville
- James Kaleb Sherrer, of Bremen
- Paden W. Adams, of Cullman
- Mya K. Agnello, of Cullman
- Morgan B. Goodwin, of Cullman
- Jessica L. Patterson, of Cullman
- Laura Claire Powers, of Cullman
- Jillian M. Richard, of Cullman
- Morgan R. Yglesias, of Cullman
- Emily Kay Mickelson, of Falkville
- Victoria A. Abbott, of Hanceville
- Mallory J. Harper, of Hanceville
- Hope T. Mason, of Hanceville
- Jacob A. Mcafee, of Hanceville
- Seth A. Self, of Hanceville
- Presley Taylor Dean, of Vinemont
- Bailee S. Ponder, of Vinemont

Cullman-area students named to the Dean's List include:

- Ryan K. Harris, of Addison
- Bryant N. Ridgeway, of Addison
- Anna Katherine Tuggle, of Arley
- Gibson L. Gray, of Blountsville
- Taylor E. Urech, of Crane Hill
- Cade Gordon Zophy, of Crane Hill
- Callie Helen Allen, of Cullman
- Peyton G. Blair, of Cullman
- Morgan B. Bowman, of Cullman
- Kirsten Maleah Campbell, of Cullman
- Sara Ann Caves, of Cullman
- Molly J. Gardner, of Cullman
- Noah Haynes, of Cullman
- Connor R. Jefferson, of Cullman
- Ryder D. Jones, of Cullman
- Joseph Everard McCarthy, of Cullman
- Sally Ann B. Pappas, of Cullman
- Benjamin P. Pruitt, of Cullman
- Leslie C. Pruitt, of Cullman
- Wilson R Raney, of Cullman
- Kolby Blake Robinson, of Cullman
- Logan M Shugarts, of Cullman
- David G. Turner, of Cullman
- Lauren G. Wright, of Cullman
- Bryeleigh C Davis, of Cullman
- Jarett S. Anders, of Falkville
- Hannah N Lowery, of Hanceville
- Julie C. Newton, of Hanceville
- Sarah A. Chambless, of Holly Pond
- Christopher W Eastman, of Vinemont
- Abigail M. Young, of Vinemont

The University of Alabama, the state's oldest and largest public institution of higher education, is a student-centered research university that draws the best and brightest to an academic community committed to providing a premier undergraduate and graduate education. UA is dedicated to achieving excellence in scholarship, collaboration and intellectual engagement; providing public outreach and service to the state of Alabama and the nation; and nurturing a campus environment that fosters collegiality, respect and inclusivity.

OFFICIAL LIST OF CULLMAN COUNTY QUALIFIED VOTERS

As directed by the Code of Alabama, § 17-4-1, I, Tammy Brown, Judge of Probate, hereby certify that the within constitutes a full and correct list of all qualified electors, as the same appears from the returns of the Board of Registrars, on file in this office, and who will be entitled to vote in any election held in said county.

Notice is hereby given to any voter duly registered whose name has been inadvertently, or through mistake, omitted from the list of qualified voters herein published, and who is legally entitled to vote, shall have ten days from the date of this publication to have his or her name entered upon the list of qualified voters, upon producing proof to the Board of Registrars of said County that his or her name should be added to said list.

This list does not include names of persons who registered after February 3, 2020. A supplement list will be published on or before February 25, 2020.

TAMMY BROWN
Judge of Probate
