CEDA, airport unveil more about 'Project Black'

Maggie Darnell
maggie@cullmantribune.com

CULLMAN, Ala. – Cullman Economic Development Agency (CEDA) Director Dale Greer addressed the Cullman County Commission at its work session and meeting Tuesday morning, sharing more details on the for-now-named "Project Black" at Cullman Regional Airport.

The commission gave CEDA and the Cullman Airport Board the green light to spend the money to obtain the final site and building costs for the project, which would see a 13,000-square-foot hangar with a 94 feet wide, 22 foot high door. The entire building would be 25 foot tall and include 2,000 square feet of office space at Cullman Regional Airport for a major aviation company.

Greer said to the commission, "This request actually asks you to let us go ahead and require spending some money to do site work to actually develop the full building plans for a cost estimate. I think we're talking somewhere around $2 million if we can get all of that in place."

Greer said preliminary spending to project final costs include site testing and engineering and would help structure the deal with the company, which retrofits helicopters. He said, if built, the site at Cullman's airport would be the company's only location to do this specific work.

"This company is very unique, and the top three guys there are actually retired military and all of those have a lot of experience there," he said. "This company would purchase helicopters from the military and ret- » PAGE 3

Hanceville's postseason run ends in Final 4 with 52-42 loss to Pike County

Nick Griffin
nick@cullmantribune.com

BIRMINGHAM, Ala. – It's been 20 years since the Hanceville Bulldogs were at the BJCC's Legacy Arena to compete in the final four and they led the way at halftime but couldn't keep pace with Pike County in the final frame and their historic postseason run came to and end with a 52-42 loss. Bulldogs Head Coach Stephen Chandler is proud of not only the impressive playoff run that his team has put together but the way they played hard and represented their school on the biggest stage Tuesday morning.

"I'm so proud of this team, the five seniors and the underclassmen. We just constantly fought to put ourselves in an opportunity to make any game a game. Today we went against a great player in (Andres) Burney and the whole final four moment wasn't too big for us," Chandler said. "We felt like we were ready, and I think my games came out and played with a lot of heart and effort and continued to fight through the end. We just kind of got stuck on a number and couldn't get it going at times but I'm still just so proud of the guys and this year."

This year's Hanceville team will be remembered for its ability to win close games late and topple stronger opponents and Chandler has already seen that rub off his younger players. He believes this team and this senior class has shown that if you do things the right way, you can give yourself a chance to win every time you hit the floor.

"They represent our program so well. They're so good with the small stuff; being on time, showing up, always putting in extra work and all that stuff and that rubs off on » PAGE 6

Berlin takes more steps toward town hall, farmers' market

Maggie Darnell
maggie@cullmantribune.com

BERLIN, Ala. – The Berlin Town Council back in September discussed preliminary plans for a municipal complex to be located on adjacent land west and northwest of the Berlin Community Center. At its Monday night meeting, the council moved forward with two parts of that plan. It voted to purchase a 12-foot by 56-foot trailer to use as a temporary town hall until a permanent town hall can be constructed. It also adopted the rules and regulations of the town's future farmers' market.

The council has been meeting at the Berlin Community Center since the town's incorporation in 2018. Mayor Patrick Bates said he received three proposals for the temporary town hall trailer, two from Wilkins Builders of Double Springs and one from Rose Office Systems, LLC of Calera.

The offers were:

• Wilkins Builders: A 16x30 "demo unit" trailer set up as a coffee shop at a cost of $30,000- It would need work to be usable as an office unit

• Wilkins Builders: A 14x76 "demo unit" set up as a bank at a cost of $49,000

• Rose Office Systems, LLC: A 12x56 office unit trailer that would need a wall taken down to open more space (estimated cost $200-$400), with the total cost including set up, delivery and everything else of $38,000

Berlin Councilman Jimbo Quick noted of the Rose proposal, "It's the best floor plan without a lot of work to be done. We could remove the wall for us to have a meeting space."

The council voted to purchase the trailer from Rose.

In other business, the council adopted the rules and regulations of the future farmers' market, setting the months, days and hours of operation at June through October; Monday, Wednesday, Friday and Saturday; and 9 a.m.-1 p.m.

Bates said he has met with local growers and John Willoughby with the Alabama Department of Agriculture and Industries about the market.

"There's not another market in north Alabama, possibly another one in the state, that is being placed directly next to a four-lane highway," said Bates, who said Willoughby remarked Berlin's farmers' market will be unique, as it will face U.S. Highway 278.

Bates reminded the council of the cost of the gravel parking lot for the market- $6,000, with an additional $256 for pipes under each entry into the lot. The council approved both. The council also voted to pay $8,000 in February toward the bond payment on the 20-acre property for the municipal complex.

Concerning the upcoming 2020 Census, the council voted to purchase modified "Cullman County Counts!" signs that instead read "Berlin Counts!" The original signs are $5 each. The 50 modified signs are $4.65 each plus $1.25 for the yard sign holders. Berlin will host a "Census Day" March 28 from 11 a.m.-2 p.m. at the community center.

The council passed two ordinances regarding elections. The first ordinance clarified the Berlin Town Council consists of a mayor and five council members, the council members seated in places 1-5. The other ordinance established election officers with three additional election officers to oversee ballots at the voting precinct.

Bates announced that Berlin Town Council Place 3 is vacant due to former Councilman Matthew Blair moving out of the town, forfeiting his seat. Council members will make nominations on Blair's replacement at their March meeting.

Berlin Volunteer Fire Department Chief Ralph Laney reported his department does not have any debts. He said all equipment used is owned by the department. The department in September 2019 was awarded a $186,666.66 Assistance to Firefighters Grant from the Federal Emergency Management Agency (FEMA) to purchase 28 new air packs, which will cost $191,000. The department will pay the difference.

The Berlin Town Council meets the third Monday of each month. The next regularly scheduled meeting is March 16, 2020 at 7 p.m. at the Berlin Community Center.

Cullman Co. Bar Association passes resolution in support of Judge Kim Chaney

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – In a hearing Monday afternoon in Montgomery, retired Cullman District Judge Kim Chaney submitted to the Alabama Court of the Judiciary an agreement between himself and the Judicial Inquiry Committee (JIC, which brought a complaint against Chaney Feb. 7, 2020, based on alleged incidents between 2015 and 2017), in which they agreed to a guilty verdict on three charges brought against the judge in that complaint.

Chaney was charged with improperly appointing his son Alex Chaney to cases as an indigent defense attorney and with taking actions in those cases despite being disqualified to do so.

Additionally, the JIC charged that Chaney's actions constituted a pattern of behavior. None of the charges was criminal in nature.

In the joint agreement, both sides stipulated that "Judge Chaney be adjudged guilty of Counts I, II, and III of the Complaint and has agreed to retire from the office of judge on or before February 18, 2020."

Chaney also agreed to pay $3,731.25 in court costs associated with the case.

The agreement prevents formal proceedings for the judge, who had 27 years on the bench and had been eligible for retirement for some time.

Late Monday, the Cullman County Bar Association passed a resolution in support of Judge Chaney. The full resolution is below.

RESOLUTION IN RECOGNITION AND SUPPORT OF KIM J. CHANEY, DISTRICT JUDGE, CULLMAN COUNTY, ALABAMA

Whereas, Judge Kim Chaney has served this community all of his life with Honor and dignity and;

Whereas, for the last 27 years he has served his fellow citizens as Presiding District Judge for the 32nd Judicial Court and;

Whereas, during his service he has exemplified the true meaning of dedication, honor, impartiality, knowledge, ethics, and compassion to those who have come before him and;

Whereas, he has always maintained the highest ethical and moral standards of the office and has been an example to all, what a Judge should represent and;

Whereas, through his 27 years of service he has always put the public first and;

Whereas, Chaney's career includes a number of achievements, including:

• 1993- Sworn in for first term in office,
• The longest serving District Judge in Cullman County,
• In 2018 became the longest serving District Court Judge in Alabama,
• Headed Cullman County's Juvenile and Drug Court programs,
• Helped start the Cullman County Community Corrections program,
• Helped found the Boot Camp Wilderness program for delinquent youth,
• Founding member of the Cullman County Human Trafficking Task Force,
• Served as president of the Alabama Juvenile Judges' Association,

• 2016 Cullman County Chamber of Commerce Emma Marie Edelman Award,
• 2019 accepted Alabama Children's Policy Council Award of Excellence on behalf of County Children's Policy Council, in his capacity as Juvenile Court Judge.

Whereas, his dedication to the law will be sorely missed, but his example will be followed for years to come.

It is truly with great sadness we acknowledge his retirement, but will be forever grateful to the devotion to the law, citizens, and the Cullman County Bar, Judge Kim Chaney has given during his time of service as deputy sheriff, an Assistant District Attorney, and as a District Judge.

Passed unanimously by the Cullman County Bar Association this the 24th day of February, 2020.

FAIRVIEW, Ala. – The Fairview Recycled Teenagers came out on top and took home the Comfort Care Bean Bag Baseball Championship over their cross-county rivals, the Good Hope Sizzlin' Seniors. The epic showdown took place Tuesday morning with Fairview having the home-field advantage.

The eight-team bracket consisted of four teams from Fairview and Good Hope's senior centers. The opening rounds were close contests, but it was Fairview Teams 1,2 and 4, along with Good Hope's Team 3, that would advance to the semifinal rounds.

The umpires had to watch closely as both teams flirted with the line while "batting." One toe on or over the line could result in a devastating out. The players started out with lots of chatter and taunting, but the pressure of what was at stake seemed to hush the teams as they fought their way to the championship game.

In the first semifinal matchup, Fairview Teams 2 and 4 faced off in a high-scoring affair.

Despite two grand slams by Team 4, it was Team 2 that rallied in the bottom of the fifth to win 18-15 and advance to the Big Dance.

Over on the other side of the room, Good Hope Team 3 fought hard to prevent an all-Fairview finale.

Perhaps, seeing that lunch was ready and the losers would be first in line messed with their psyches, but the Sizzlin' Seniors' hot streak abruptly ended and Fairview's Team 1 that took down Good Hope to advance to an all Aggie championship.

While the Good Hope Sizzlin' Seniors retreated to the lunch line, Fairview's Teams 1 and 2 faced off in a close game. Fairview 2's Eugene Hadley turned in an MVP-worthy performance scoring three homers in the final game for a total of five on the day.

That was still not enough for Fairview 1, which seemed to catch fire in the end.

The team not only had a lead-off batter named Sassy, the whole team had the winning can-do spirit from start to finish. They won 8-4.

Hadley did take home the plaque from Comfort Care as the Home Run King for his five superb home runs. Fairview Recycled Teenagers Team 1 was presented with the Comfort Care Bean Bag Baseball Championship plaque.

Based on postgame chatter, this is likely just the beginning of what is sure to become one of the greatest rivalries in Cullman County!

Project (from Front)

rofit them with new cockpit instrumentation."

Greer continued, "Their facility would be the only one they have in the country that would be a test facility installation. They'd do all of the work there and bring in people from around the world to see about their work and capabilities of the new instrumentation. It also opens the door for them to do private business with other pilots and owning a private facility once they're up here. I think it's a very good project. I think it falls in line with what TVA has set for us. TVA just completed a study for Cullman County, and it was through a strategic development group that was the consultant, and they shared one of the four growth areas for us is that airport because of the connection with all of the business out of Huntsville. I think we have some great potential there."

The commission passed a resolution to support the City of Cullman's application for a $500,000 grant from the Tennessee Valley Authority (TVA) InvestPrep Program. For the grant, both the City of Cullman and Cullman County must match $500,000 ($250,000 each), meaning the potential for a $1 million investment in the Cullman Regional Airport. The application has to be filed by the close of business Feb. 28. The money would be used for site preparation work that is already a part of the Cullman Regional Airport's five-year improvement plan.

Cullman County Attorney Chad Floyd shared, "I've prepared a resolution. It looks a lot like the City's. They're already applicants for the grant funds, but because we are partners for the airport property, this just allows us to say we support the application for the TVA grant funds, which is not committing us to a project necessarily just yet, but it does allow us to apply for those."

In other business, the commission recognized Cullman County Garage employee Larry Watwood, who is retiring after 16 years of service. Watwood started at the county garage in March 2004.

Cullman County Garage Manager Joe Perry praised Watwood, saying, "I'd like to say Larry has been an exemplary employee. He's been one of those rare individuals to work every morning with a smile on his face, never complained or anything. He's led by great example and he's been a mentor to a lot of the men down there. We're very lucky to have had him and I'm telling him we want to celebrate his retirement with him."

The commission also approved:

• Resolution 2020-12: Speed limit change on County Road 1511 from 45 mph to 35 mph.
• Renewal of the County's participation in the Association of County Commissions of Alabama's Self-Insurance Liability fund for calendar years 2021 through 2023
• Payment to ADS for elevator monitors ($9,282.50)
• Emergency payment to Dye Service for labor on compressor in chiller ($7,247)
• Payment to Wittichen Supply Company for parts of compressor in chiller ($6,774.95)
• Extension on bid no. 1276 from change of herbicide to Helena chemical
• Extension on bid no. 1299 guardrail to Alabama guardrail
• Extension on bid no. 1300 Pyro Shows of Alabama to do a fireworks display at Smith Lake Park's 4th of July Celebration
• Awarded bid no. 1320 Good Hope installed Bituminous plant mix for total of $7,383
• Awarded bid for bus wash building for CARTS through C.H. Harris, Inc. for $269,950
• Approved proposed plat for Smith Lake RV Resort phase 3, located in District 2 off of County Road 255, County Road 2030 and County Road 2034.

The next regularly scheduled Cullman County Commission meeting will be March 10, 2020 at 10 a.m. in the commission meeting room on the first floor of the Cullman County Courthouse.

Cullman knocks off Homewood 9-2

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – After a weekend trip to Gulf Shores, the Bearcats returned home Tuesday night to host the Homewood Patriots. Cullman got off to a 1-0 start in the bottom of the first but put up five runs in the second to create some separation and pulled away to collect a 9-2 win. Cooper Bowen got the start on the mound and quickly worked through the top of the first inning to get the Bearcats back in the dugout and picking up the bats.

A Max Dueland single gave the 'Cats a base runner in the bottom half of the first and Brennen Norton doubled into left field to bring him home and make it 1-0. After Nick Braswell and Cooper Bowen were hit by pitches, Easton Dean reached first to load the bases for Brady Patterson. Patterson skied one to right field and it kept carrying and carrying until it eventually landed in the parking lot and emptied the bases for the 'Cats, giving them a 5-0 lead in the bottom of the second. Ben Hollis doubled into left field to bring Norton around for another score that made it a 6-0 game going into the third inning.

Bowen worked through the top of the third in just nine pitches and Cullman added to its lead in the bottom half of the inning.

Bowen helped himself out with a double into left field that brought Matt Brock home for run number seven and Eli Kilpatrick scored on a Patriots error to make it 8-0.

A Homewood home run cut the lead to 8-2 in the top of the fourth but the 'Cats got one of them back in the bottom of the fourth with an RBI double from Braswell.

Cullman went into the fifth inning with a 9-2 lead and Kaleb Heatherly and Dueland combined to keep the Patriots off the board the rest of the way, securing a 9-2 win for the Bearcats.

Patterson (grand slam) led Cullman with four RBIs in the win. Braswell (two hits) drove in a run and Bowen (one hit), Hollis (one hit) and Norton (one hit) collected RBIs as well. Dueland added a pair of hits in the win.

Bowen got the win after tossing three and a third innings, allowing two runs on two hits and striking out a pair of batters.

Heatherly pitched two and two thirds innings in the win, striking out one and allowing no runs on no hits and Dueland took the mound for the seventh inning, allowing no runs on no hits.

The 'Cats improve to 5-1 on the season with the win and will now prepare to travel to Hoover Saturday for matchups against the Buccaneers and Flowery Branch.

HANCEVILLE, Ala. – Wallace State baseball coach Randy Putman has reached the 1,100-win club. His Lions won a four-game series against Jefferson (Mo.) College over the weekend, earning the milestone in the series opener, a 9-2 victory.

In his 31st season, Putman has a career 1,102-494 record (.690 winning percentage) at Wallace State. He's currently fourth all-time in wins among active coaches within the National Junior College Athletic Association (NJCAA) Division I ranks.

Putman has been inducted into four Hall of Fames, including being named a NJCAA Hall of Fame coach in 2006. He has led his teams to seven ACCC titles and six World Series appearances and coached six eventual MLB players at Wallace State.

"Getting to 1,100 wins is exciting. The players were more excited than me when it was clinched," Putman said. "I was more pleased that we won three of four games against a good baseball team. We're making headway, but we've still got a long way to go. You can't improve inside. You have to hope the weather cooperates and get games in. We're less than two weeks away from conference play."

Wallace State (5-5) won the first three games of the series, prevailing 9-2, 2-0 and 8-7. The Lions dropped the finale, 5-2.

In the 9-2 win, lefty Jacob Smith was the winning pitcher in relief, scattering two runs on four hits in five innings.

Kevin Dowdell hit a solo homer, had two RBIs, stole a base and scored three runs, while Breydon Edmondson had three RBIs. Ty Hill had a pair of singles, David Rutledge had two RBIs and Colton Yeager and Brennan McCullough each had a double. Yeager and Jack Haney each had an RBI.

In the 2-0 win, Hunter Goodwin, Drew Talley and Rutledge combined on a two-hitter. Talley recorded seven strikeouts over 3 2/3 innings.

McCullough had a single and an RBI. Nicho Jordan and Garrett Warden each added a single.

In the 8-7 victory, McCullough had a pair of singles and an RBI, Jarren Wright had a double and two RBIs and Ty Hill added a run-scoring triple. Rutledge finished with a double and a pair of RBIs and Jordan also had an RBI.

Caden Higgins was the winning pitcher in relief.

Haney and Yeager each had an RBI in the lone loss.

Wallace State travels to Northwest Mississippi on Wednesday.

Freshman Olivia Ball finished with a pair of hits, including a double and a run scored and Katelyn Williams added two singles for the Lions (7-5).

the younger guys so much. They always showed that we should have an opportunity and we should never give up," Chandler said. "Tyson (Bellmon) has been in big places and made big shots, Cainon (Moore) at the end was going to keep fighting and Raiden (Morgan) fouls out but he's the first one in the timeout that's in everyone's face telling them there's no reason for their heads to be down because we have an opportunity."

The game was scoreless for the first three minutes until Raiden Morgan buried a three from the left wing to give the Bulldogs a 3-0 lead and Cainon Moore scored inside to make it 5-0 midway through the opening period. Izayah Glenon scored at the rim through a foul to stretch the lead to 7-0 and Morgan laid one in to make it a 10-2 game with just under two minutes to play in the first. Pike County scored inside to cut the lead to five with a minute remaining in the quarter but Tyson Bellmon netted a pair from the free throw line to stretch the lead back to seven and the Bulldogs went into the second with a 12-7 advantage.

Moore dumped a pass to Morgan beneath the basket and he laid it in the make it 14-7 at the start of the second quarter. Bellmon knocked down two more from the line to keep Hanceville in front 17-11 with six minutes to play in the period but Pike County was able to trim the lead to two midway through the second. Another Moore bucket gave Hanceville a 20-16 lead with just over two minutes remaining in the half and Morgan rolled one in to make it 22-16 with less than a minute on the clock. Ethan Roberts scored on a fast break to stretch the lead to eight with 30 seconds to play in the half and the Bulldogs went into the locker room with a 24-18 lead at the break.

Pike County cut the lead to one early in the third quarter and took its first lead of the game with five minutes to play in the period, 25-24. The run continued for the Bulldogs of Pike County and Hanceville just couldn't get shots to fall until Moore drove to the basket and laid one it stop the bleeding and cut the lead to 30-26 with less than two minutes remaining in the third. Bellmon dropped in a floater to make it a 2-point game with a minute to play in the period and Brodie Malcom knocked down a pair from the line to hold the lead to 32-20. Morgan laid one in to hold the lead to two with less than 30 seconds on the clock and the final frame began with Pike County on top 34-32.

Morgan tied the game at the free throw line at the start of the fourth quarter and knocked down two more the charity stripe to keep things knotted at 36 with six minutes remaining. Pike County pulled ahead 40-36 midway through the fourth but Glenon scored through a foul on the other end to make it a 2-point game. Six straight makes at the free throw line gave Pike County a 45-38 lead with three minutes to play and the lead grew to 10 with less than two minutes to play. Moore scored another bucket inside to make it 52-40 but the Bulldogs ran out of time and Pike County held on to win it 52-42. Morgan led the way for Hanceville with 18 points in the loss. Moore posted 11, Bellmon finished with six, Glenon, Malcom and Roberts each added two and Zach Campbell scored one for the Bulldogs. Raiden Morgan, Cainon Moore, Tyson Bellmon, Ethan Roberts and Matthew Cornelius will graduate and May and be missed next season but after the phenomenal postseason run they helped lead this year, the bar has been raised for the Bulldogs returning next year.

Members of West Point Theatre pose for a photo. The students will perform the musical "The Addams Family" March 19-22.

WEST POINT, Ala. – In less than a month, West Point High School's theater department will showcase its talents on stage at Wallace State in "The Addams Family." The students have been hard at work rehearsing for the upcoming play about Wednesday Addam's hope of marrying a young man from the "normal" Beineke family. West Point Theatre is under the direction of Jimmy and Kim Harbison.

Performances will be at the Betty Leeth Haynes Theatre on the campus of Wallace State Community College and are scheduled for Thursday, March 19 at 7 p.m.; Friday, March 20 at 7 p.m.; Saturday, March 21 at 2 p.m. and 7 p.m.; and Sunday, March 22 at 2 p.m. Tickets are $10. The Saturday evening performance will also include a silent auction.

"This will be our fourth year in a row (doing a) musical. We've done 'High School Musical,' 'Beauty and the Beast,' 'Newsies,' and this year we are doing 'Addams Family.' This story is a little different. The whole storyline is pretty much she (Wednesday) has to tell Morticia that she wants to get married. The Addams Family thinks the normal family is weird and of course the Addams Family-we know they're weird," laughed Jimmy Harbison.

The students have been practicing after school three times a week and will soon kick that up to four rehearsals a week. For this production, the students had to learn the tango- with a little bit of help from the school's cheerleaders and dance team. Student Presley Palmer said regarding the singing, "I have two solos, but Gomez has the most. He has about six different songs he does by himself. There are a bunch of group numbers where we all sing together. Wednesday has a couple of solos as well."

Carson Partain, who shares the role of Gomez with Keaton Chappell, laughed about getting into character, saying, "My mom and I have been trying to figure what we are going to do about my hair. Whether we will use a spray or dye it. It will be interesting!"

Palmer, who splits the role of Morticia with Miriam Oldacre, is not as daring.

"I bought a wig for mine!" she laughed. "I said, 'I'm not. I'm not! I can't do that.'"

There are obstacles for West Point Theatre. Currently, the school does not have a theater or stage large enough to perform large productions.

Jimmy Harbison said, "We don't have a theater, so basically, if you look down, you see tape on the floor. We practice in here and move all the tables.

"These kids are exceptionally talented to be able to move it from here to there. We only get on the stage three days before the performance. Thankfully, Wallace (State) was kind enough to work with us."

Added Kim Harbison, "We are renting a set, so we don't actually have a set until the week of the show either. We are just going to have to adapt when we get to Wallace." The Harbisons are hopeful that if the 1-cent sales tax passes in the March 3 primary election, West Point could eventually have a theater. The cast agreed that a theater would be fantastic as the department continues to grow.

"In Cullman County, this (theater) is completely unfunded," said Jimmy Harbison. "We don't have a cent allotted to us to start the year. Everything we do is fundraising, theater fees or selling ads for the playbill, and the goal is to make a little bit so we have some money next year to start with. Our administration is wonderful about letting us do what we need to do to put this on. Good Lord puts you in different places that you'd never expect. I never thought I'd be directing musical theater. They are great kids and I love every one of them like they're mine."
