2020 Primary: It's Super Tuesday- remember to vote!

March 3 primary: precincts, ballots, where to watch results

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – When voters go to the polls for Alabama's primary election today, Tuesday, March 3, they will have several things to consider. Due to a lack of candidates, with the exception of those running for president, Democrats will see a much smaller ballot than Republicans. The Republican ballot will include two local races: Cullman County Commission Chairman, in which Wiley Kitchens, Philip Widner and Jeff "Clem" Clemons are challenging Chairman Kenneth Walker, and Cullman County Board of Education, District One (West Point), in which Wayne Willingham is challenging Gene Sullins.

Both parties' voters will consider the highly-debated 1-cent sales tax and a constitutional amendment that would alter the selection process for the Alabama State Board of Education.

Colony sets tentative date for Colony Day this August, talks big name entertainment

W.C. Mann
craig@cullmantribune.com

COLONY, Ala. – Colony's town government on Saturday met with a group of interested locals and representatives of neighboring communities to talk about plans for a proposed "Colony Day" celebration later this year. Event coordinator/councilman Melvin Hammond was joined by fellow council members Ethel Alexander and Samuel Ashford, Mayor Donnis Leeth and Rev. James Fields, Jr. at the table. They got input from representatives of some of Colony's founding families, as well as coordinators of the Warrior Day and North Jefferson Day celebrations from Warrior. Cullman County Commission chairman candidate Jeff Clemons and his wife even stopped by for a few minutes.

Two major announcements came out of the meeting:

- Planners set a tentative date of Aug. 8-9, 2020 for the celebration, contingent on the availability of proposed entertainers. The main community celebration would take place Saturday, with local church events and a possible gospel concert Sunday.
- Hammond said that he is in talks to get Candi Staton to perform at the event. Staton, a Colony native, is a Grammy-nominated Southern Soul/R&B/Gospel singer » PAGE 5

Hanceville knocks off Danville, Fairview on the road; Saturday scoring recap

Sammy Confer
sammy@cullmantribune.com

FAIRVIEW, Ala. – Fairview welcomed Danville and Hanceville to their place for some Saturday baseball action and the Bulldogs went home with a pair of wins. The Aggies took the first game of the day over the Hawks 18-10 while the Bulldogs got a dominant pitching performance from Kaine Cruce and wound up rolling past Danville 9-1. In what turned out to be a high-scoring, back-and-forth final game of the night between Hanceville and Fairview, the Bulldogs were able to edge the Aggies 19-18.

Fairview 18 - Danville 10 (varsity baseball)
Danville hit an RBI single to start out the contest, but the Aggies quickly countered in their opening at-bats. The Aggies loaded the bases with one out and Will Bailey drew a bases-loaded walk to tie the game at one. Dalton Payne scored on a wild pitch and Caden Jennings hit a two-run double to make it a 4-1 Fairview lead after one.

The second inning saw the Aggies bat around and score seven times as seven different players had an RBI hit in the inning and Fairview quickly increased its lead to 11-1 after two. A 2-run single by the Hawks made it 11-3 and they would cut into the Aggie lead even more as they plated five runs in the fourth inning to make it an 11-8 game. Fairview countered in its half of the inning as Preston Ryan hit an RBI single and Payne added an RBI triple to push the lead to 13-8 and then to 15-8 in their next at-bats on RBI singles by Brody Hogeland and Jack Brown.

Danville made it 15-10 in the sixth inning, but the Aggies countered with three runs in the bottom of the sixth and Ryan scored on a throwing error, Oakley Mullican scored on a wild pitch and Hogeland hit an RBI double to make it 18-10 and Fairview wound up taking the first game of the day 18-10.

Hogeland finished the game three for five at the plate with three RBIs for Fairview. Jennings went two for four with three RBIs, Ryan and Brown each finished with three hits and a pair of RBIs, Payne ended up with a pair of hits and two RBIs, Mullican finished with two hits and an RBI and Bailey added a hit and an RBI.

Hanceville 9 - Danville 1 (varsity baseball)
The second game of the day started out the same for Danville as the Hawks scored on a Hanceville error to take a 1-0 lead after their half of the inning, but the Bulldogs went off in their opening at-bats, scoring seven times in the bottom of the first. A throwing error by the Hawks gave Hanceville a 2-1 lead and Zach Campbell made it 3-1 as he scored because of obstruction by the third baseman. Drew Campbell later made it 5-1 on a two-run single and a pair of Hawk errors later led to two more Bulldog runs as they pushed their lead to 7-1 after one.

Hanceville added two more runs in the sixth as Matthew Cornelius scored on yet another error by Danville and Cruce scored on a passed ball to make it 9-1 and he flat out shut down the Danville lineup, throwing a complete-game two hitter, striking out eight and allowing no earned runs in the game.

Drew Campbell finished with a hit, a run scored and a pair of RBIs for Hanceville as seven other players scored a run in the eight-run Bulldog rout of the Hawks.

Hanceville 19 - Fairview 18 (varsity baseball)
Hanceville struck first to start out the contest as they loaded the bases with two outs and Barrett Hardin quickly unloaded them with a 3-run double to give the Bulldogs an early 3-0 lead. Fairview answered in the bottom half of the inning, loading the bases with two outs, and Dalton Payne scored on a wild pitch and Levi Garner stole home to make it 3-2 going into the second.

Each team scored on an error in the third inning to keep it a 1-run game after three innings and the Aggies took the lead in their half of the fourth as Payne hit an RBI double, Jennings got hit by a pitch with the bases loaded and Tanner Bennett drew a bases-loaded walk to give Fairview a 6-4 lead. The final three innings saw both teams go back-and-forth as one team looked to pull away from the other. Hanceville drew three bases-loaded walks in the fifth inning and Cruce and Ashton James each added RBI singles to make it a 9-6 Bulldogs advantage.

Fairview countered with another huge inning. A pair of Hanceville errors led to four of the seven Aggie runs, Bailey scored on a wild pitch, Mullican added an RBI groundout and Garner scored on a dropped third strike to give Fairview a 13-9 lead five. Not to be outdone, Hanceville had an answer in the sixth. Leslie Fischer got things started with an RBI single and four different Hanceville players either got hit by a pitch or drew a walk with the bases loaded and Logan Guthery scored on a passed ball to give the Bulldogs the lead right back at 15-13.

It was 15-14 going into the final inning and Hanceville started to create some distance from Fairview as James hit a two-run double, Adam Cooper hit a sacrifice fly and James later scored another run to make it 19-14, but Fairview just wouldn't go away. Payne drew a bases-loaded walk with one out, Parker Martin scored on a wild pitch, Ryan scored on a Hanceville error and Mullican hit an RBI groundout to make it a 1-run game, but the rally fell just short and the Bulldogs held on to win the game 19-18.

Hardin (one hit) and James (two hits) each finished with four RBIs for Hanceville (3-4), while Cooper added a hit and a pair of RBIs in the contest and five other Bulldog players drove in a run as well.

As for Fairview (2-1), Payne finished the game with two hits, two RBIs, and five runs scored, Mullican and Jennings each finished with a hit and a pair of RBIs and Garner and Bennett each ended up with a hit and an RBI.

Hanceville will host New Hope on Monday while Fairview will be staying at home to take on J.B. Pennington Monday.

OTHER SATURDAY SCORES

Cullman 8 - Lexington 6 (varsity softball)
Cullman participated in the Decatur Invitational Saturday and quickly erased a 3-run deficit against Lexington behind hits from Savannah Davis, McKenna Kline and Faith Guest. The Bearcats and later pushed their lead to 8-3 on a Taylor Au sacrifice fly, but Lexington made it 8-6 in the final inning. The Lady Bearcats were able to hold them at the end, taking the game 8-6.

Davis finished with a pair of hits and three RBIs, Kline added a two-run home run in the contest, and Guest (one hit) and Au each added an RBI.

East Limestone 7 - Cullman 5 (varsity softball)
Against East Limestone, Cullman held a 3-2 lead after three innings on an RBI fielder's choice by Haley Shannon and a pair of runs scored on an East Limestone error, but the Lady Bearcats couldn't hold onto the lead as the Lady Indians scored five runs in the fourth to take a 7-3 advantage. Carlie Burnham hit a two-run homer as the 'Cats tried to mount a comeback of their own, but it didn't happen, and Cullman dropped its game to East Limestone 7-5.

Burnham (one hit) and Davis each finished with two RBIs and Shannon added an RBI as well and Cullman will take on Hazel Green on Monday.

Good Hope 11 - Holly Pond 3 (varsity baseball)
Good Hope held a 3-1 lead after three innings and the Raiders put up five runs in the fourth inning to pull away from Holly Pond and take the game 11-3. Shane Hill and Braxton Marshall each finished with a hit and two RBIs for the Raiders. Paydon Bagwell added a pair of hits and two RBIs in the contest. For Holly Pond, Andy Light finished with three hits and two RBIs, and Seth Widing added a hit and RBI in the contest as well.

Holly Pond 9 - Good Hope 8 (varsity baseball)
The Raiders were looking for their second win of the day in their next contest against the Broncos and it was even through three innings, but Good Hope broke the tie and started to pull away from Holly Pond when they took an 8-2 lead into the bottom half of the seventh inning. That's when the Broncos' bats awakened, and they quickly made it 8-5 with four straight hits. Micah Faulkner and Kyler Chaney scored on a pair of Paydon Bagwell wild pitches to complete the 9-8 come-from-behind victory for Holly Pond.

Holly Pond (2-1) was led by Thomas Bell, who finished with a hit and two RBIs, while Light (three hits), Logan Leach (one hit) and Chaney (two hits) each added an RBI. For Good Hope (2-4), Bagwell, Kelton Speegle, and Harper Chiaranda (two hits) each had an RBI in the contest and Hill and Marshall each added an RBI as well.

Holly Pond will travel to Fairview on Wednesday, while Good Hope will travel to Meek on Monday.

Vinemont 15 - Falkville 4 (varsity baseball)
Falkville quickly put up four runs in its opening at-bats, but Vinemont dominated the game after that, tying the game in the fifth, putting up seven in the sixth inning and four more in the seventh to roll to a 15-4 rout of the Blue Devils.

Wyatt Thomason led the way for the Eagles with two hits and three RBIs. Travis Hopper (three hits), Will Rhodes (two hits), and Colby Miller (two hits) each added two RBIs. They will take on Good Hope to kick off the Cullman County Tournament at Vinemont next Wednesday.

Falkville 15 – Addison 9 (varsity baseball)
The Bulldogs took a 2-0 lead in the top of the first on a pair of passed balls and extended the lead to 6-1 in the second after an RBI single and RBI double from Cannon Hiller and Jesse Brock. Falkville pulled ahead 7-6 after a six-run second inning and the Blue Devils added to their lead with five more runs in the bottom half of the fourth. Addison got two more runs on the board in the top of the sixth, but it was too little, too late and Falkville held on to win it 15-9.

Brock (one hit), Hiller (one hit) and Colton Tyree each collected RBIs for the Bulldogs.

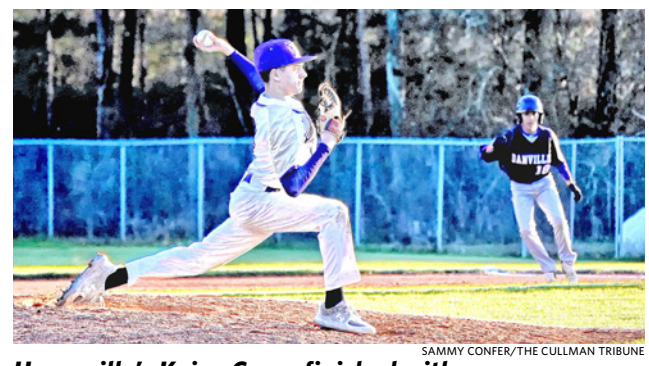

Holly Pond 10 – Cold Springs 0 (varsity softball)
The Lady Broncos took a 5-0 lead in the top of the first after an RBI double from Kylie Ann Perkins and a 2-run double off the bat of Madison Cothren. Three more RBI singles in the top of the second made it an 8-0 game and Holly Pond cruised to win it 10-0.

Emma Spitzer allowed no runs on just three hits and Kaylee Stallings was three for three at the plate with an RBI. Perkins, Cothren, Ciera James and Ashley Duke each finished with a pair of hits in the win as well.

Cordova 6 – Vinemont 3 (varsity softball)
Cordova took a 4-0 lead early against the Lady Eagles, but Vinemont was able to trim the lead to 4-3 in the bottom of the third. An error allowed another run to cross the plate in the top half of the fourth and made it a 5-3 game and an RBI single sealed a 6-3 win for Cordova.

Maci Smith (one hit), Rylie Perkins (one hit) and Emilie Hoffman (one hit) each drove in a run for the Lady Eagles.

Fairview 12 – JB Pennington 2 (varsity softball)
The Lady Aggies fell behind 2-0 in the top half of the first but erased that deficit almost immediately. Errors put five runs on the board for Fairview in the bottom of the first and an RBI single from Kennedy Johnson made it a 6-2 game in the second. The Lady Aggies plated six more runs in the bottom sixth to put things away 12-2.

SAMMY CONFER/THE CULLMAN TRIBUNE
Hanceville's Kaine Cruce finished with a complete game, two-hitter and struck out eight in the Bulldogs' 9-1 win over Danville.

Allyson Wooten collected three RBIs in the win and Kaitlyn Benson (one hit) drove in a pair of runs as well. Alyssa Wooten added a pair of hits for Fairview.

Fairview 11 – Holly Pond 9 (varsity softball)
The Lady Broncos took a 2-0 lead in the top of the first and stretched it to 4-1 in the second inning. Fairview plated four runs in the bottom of the fourth to take a 5-4 lead, but Holly Pond responded with five run the top of the fifth to move back in front 9-5. The Lady Aggies seized the momentum for the final time in their half of the fifth with six more runs that secured an 11-9 win.

Alyssa Wooten (two hits) racked up four RBIs in the win and Kennedy Johnson (one hit) drove in a pair of runs as well. Stats for Holly Pond were unavailable.

Falkville 6 – Fairview 4 (varsity softball)
After two scoreless innings, the Lady Aggies took a 1-0 lead in the bottom of the third, but Falkville pulled ahead 4-1 by the top of the fifth. A 2-run triple off the bat of Katie Ball cut the lead to one in the bottom half of the fifth and an RBI double from Rebekah DeBlanc tied the game at 4. Unfortunately for the Aggie fans, a pair of errors put two more Falkville runs on the board in the sixth and the Lady Blue Devils held on to win it 6-4.

Alyssa Wooten led Fairview with three hits in the loss and Ball picked up a pair of RBIs.

Sardis 3 - West Point 2 (varsity softball)
West Point grabbed a quick 2-0 lead over Sardis on an RBI triple by Molly Pendley and an RBI single by Carlie Wilkins, but Sardis countered with three runs of their own in their half of the inning and the Lady Warriors couldn't get any more runs after that, falling 3-2. Wilkins finished with two hits and an RBI for West Point, while Pendley added a hit and an RBI and Bethany Minck collected a hit in the contest as well. The Lady Warriors will host Jasper Monday.

Fairview hears from fire department

Maggie Darnell
maggie@cullmantribune.com

FAIRVIEW, Ala. – The Fairview Town Council held a small work session Monday evening, led by Fairview Mayor Pro Tempore Charles Banister in the absence of Mayor Keith Henry, who is recovering from a medical procedure.

Fairview Volunteer Fire Department Chief Dr. Josiah Daily and former chief Doug Williams were in attendance to check on the status of the contract between the fire department and the Town. The men also inquired if the Town received the invoice for $14,500 from the department. The invoice is for back pay.

Concerning the contract, Banister said, "I think he (Keith Henry) is working on one right now, but it hasn't been finalized or anything like that. He just probably has the same as the (current) one and they've made some changes, but I don't think it was very much at all, it was just some little changes."

Banister said of the invoice, "I don't know anything about that; we'll probably have to take that up next month when Keith comes back because we had no idea about it."

Town Clerk Debbie Shedd confirmed to the men that Henry did receive the invoice from the fire department.

In other business, the council discussed the potential need to purchase a new lawnmower.

Banister said, "Keith had said something about one of the lawnmowers has started giving a lot of trouble and he's kind of wanting to replace it with a bigger lawnmower."

The council said the purchase could be decided at its April meeting. Shedd mentioned the Town's maintenance employee Mickey Yancy will probably be in attendance then for the council to hear his thoughts on the mower.

The council also discussed nominations for Fairview's vacant council place. It said nominations will be made at the April meeting. The place was vacated by Councilwoman Paula Edge last year due to health concerns.

The Fairview Town Council meets the first Monday of each month at 6 p.m. The next regularly scheduled meeting is April 6, 2020.

EDUCATION

Wallace State selected to participate in U.S. Department of Ed.'s Federal Work Study Experiment

Kristen Holmes
WSCC

HANCEVILLE, Ala. – Wallace State Community College is among a select group of colleges and universities in the United States invited by the U.S. Department of Education to participate in a new Federal Work Study (FWS) Experiment.

Wallace State, Birmingham-Southern College, the University of Alabama at Birmingham and the University of South Alabama are the institutions from Alabama selected for the 190-institution experiment.

"This experiment aligns with our goal to establish work-based learning and apprenticeship opportunities for virtually every program of study we offer, which is the focus of our new Center for Career and Workforce Development," said Dr. Vicki Karolewics, president of Wallace State. "We are honored to have been invited to participate in this important national program, which has the potential to transform the experience of so many students."

The U.S. Department of Education stated, "Our goal is to determine whether FWS could enrich the academic experiences of students by creating and engaging them in program-related employment that can better prepare students for competitive jobs after graduation," in a fact sheet on the FWS Experiment.

FWS provides federal financial aid-eligible students with part-time employment to help pay for higher education expenses. Approximately 90% of FWS wages are paid to students employed in on-campus jobs that frequently do not align with their program of study or future career interests. Less than one-tenth of 1% of FWS funds provided to more than 600,000 students served by 3,000 institutions in 2016-17 supported off-campus employment with private-sector employers, according to the U.S. Department of Education, due to restrictive regulations.

This experiment allows more flexibility for colleges in determining student eligibility, the number of hours a student can work, the amount of work that can be performed in the private sector and potentially the wages paid to students in the FWS program. Through the experiment, FWS funds may also be used to pay eligible students who are completing required work-based learning experiences—such as clinical rotations or apprenticeship programs.

The experiment will test how changes to the FWS program will increase partnerships between institutions and industry, reduce the amount of student loans taken out by students and yield strong retention, completion and post-graduation employment outcomes. Through the experiment, institutions will be able to provide students with experiences that are better-aligned to what they are studying and what they hope to do after they graduate.

Section 487A(b) of the Higher Education Act of 1965, as amended, authorizes the Experimental Sites Initiative (ESI). These experiments evaluate the effectiveness of rules for administering the federal student aid programs by allowing a limited number of institutions to test alternative methods.

Additional funding for institutions to use in identifying and cultivating private-sector work-study partners is also available through the FWS experiment.

If successful, the department will learn whether these efforts should be applied more broadly.

This is Wallace State's second experimental site award. The college was also selected to participate in the Department of Education's Pell for Dual Enrollment Experiment several years ago.

Click here to view a list of institutions invited to participate in the FWS experiment.

Cullman Council (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – Officers from the Cullman Police Department (CPD) joined the Cullman City Council Monday evening, when the council recognized the achievements of three officers:

Lt. Jeff Warnke received his 25-year service pin.

• Warnke has worked in patrol and investigation, and has commanded the department's Honor Guard and Traffic Homicide Unit. He has served as a field training officer, and has supervised CPD operations at Rock the South.

• Capt. Gene Bates said of Warnke, "He's a self-motivator. Typically, after somebody's been here 25 years, that enthusiasm runs out; they don't get excited about going and answering that call, responding to that wreck, making that traffic stop. That's one thing about Lt. Warnke: his job is actually to be a supervisor, but typically, every day when I call, 'Hey, what are you doing?' 'Hey, well, I caught a call for somebody' or caught a wreck or whatever. I describe him as being a self-motivator. Any time I ever ask him to do something, need something, it's always taken care of."

Sgt. Scott Sanford was promoted to lieutenant

• Sanford has served with the CPD for 13 years, in patrol, investigation and midshift (drug enforcement). He is also a member of and instructor for the department's tactical team.

• Bates said of Sanford's promotion, "That's a pretty big task to achieve in 13 years, but with Scott's experience and training he's had, he's going to be an asset to the night shift that he's going to be over."

Patrolman Adam Walker was promoted to sergeant

• Walker has worked in patrol for 12 years, and has served as a member and instructor for the tactical team, as well as a department field training officer. He has also worked midshift, and is a member of the CPD Honor Guard.

• Bates called Walker "one of the most physically fit guys in the department" and said, "He's being assigned to night shift, and he'll definitely be an asset to them, as well," adding later, "He always goes, whatever he does, 110%."

The council also took a moment to congratulate CPD Chief Kenny Culpepper for his recent reception of the Emma Marie Eddleman Citizenship Award from the Cullman Area Chamber of Commerce.

Culpepper said of the honor, "It's not about me; it's about all the people around me.

"Without the wonderful people that I work with, I wouldn't be here today, and without my wonderful family, I wouldn't be here today receiving this recognition. So, it's you guys, you guys that did it."

Council business

The council held a public hearing and first reading for Ordinance No. 2020-16 to adopt a new City of Cullman Zoning Ordinance.

According to Jason Fondren, who developed the updated ordinance for the city, the new ordinance contains the following changes from earlier ordinances.

Changes to comply with other laws and court decisions

• Permit group homes by right in residential districts that allow multifamily

• Treat modular homes the same as site-built homes

• Treat churches and all other places of worship/assembly the same

• Regulate housing by physical form and density, not form of ownership

• Permit tattoo parlors permitted by right in B-3, rather than "conditional use"

Overall

• Add regulations for telecommunications towers, consistent with what is allowed by FCC

• Update Home Occupation standards to limit hours of visitation and delivery and noise level

Residential Districts

• Allow "accessory dwellings" in some residential districts with size and compatibility requirements

• Remove ability to develop high density housing in R-1 and R-2 through planned unit development

• Limit size of institutional uses allowed in Residential Districts

• Create allowance for keeping of bees and chickens

• Establish regulations for Short Term Rentals (i.e. Airbnb)

Nonresidential Districts

• Limit size of future retail and restaurants in B-1 Neighborhood District Permit more standard business uses (banks, offices, medical clinics, etc.) by right in business districts

• Prevent concentration of pay day loan, check cashing and similar "alternative financial services"

• Require institutions too large/intensive for Residential Districts to rezone into proposed Institutional District

Special Districts

• Increase minimum acreage for AG-1 to 5 acres but exempt existing lots

• Add Traditional Neighborhood Development (TND) District

• Add Planned Unit Development (PUD) District, to replace PUD allowances in Residential Districts

• New TND and PUD developments subject to minimum acreage, master plan and re-zoning approval from Planning Commission and City Council

Parking Requirements

• Including more use-specific requirements; make allowances for shared, mixed-use parking

• Add specific loading area requirements

Landscaping Requirements

• Require buffers based on uses involved rather than zoning districts

• Require screening of dumpsters, outdoor storage and work yards

Administrative Provisions

• Enable Board of Adjustment to impose conditions on variances

• Specify review criteria and enable Board of Adjustments to impose conditions on Special Exceptions

• Strengthen Conditional Use criteria for Planning Commission

As the ordinance was receiving a first reading, the council took no action, and will take up the matter at its next meeting. The ordinance is available for review online at http://cullmanal.gov/wp-content/uploads/2020/02/ph1-03022020.pdf.

The council also gave first readings to

Ordinance No. 2020-11 to establish the previously proposed Arts District in Cullman, the boundaries of which would include portions of Fifth Avenue Southwest, Sixth Street Southwest, Fourth Street Southwest, Hickory Avenue Southwest, First Street Southwest and Third Avenue Southwest.

• City Clerk Wesley Moore previously explained that the arts district "is more like a special events district. It's a place where you can have festivals, community events- things that support local art and are family-friendly."

• Alcohol could be served at special events within the district, but the same rules would apply as with events held in locations like the Warehouse District during Oktoberfest. At all other times, regular city alcohol ordinances would apply.

Ordinance No. 2020-17 to approve the 2020 Back-to-School Sales Tax Holiday.

Ordinance No. 2020-18 to amend Ordinance No. 2015-32 to clarify Section 6 related to recreational activities being only allowed in designated areas which must be approved by the police chief. This ordinance received a favorable recommendation from the City of Cullman Alcohol Review Committee.

• The change to the ordinance would read, "No manufacturing shall provide for the public any type of recreational facilities, including but not limited to darts, billiards, pool, shuffleboard, or any other type recreation activity, except in a designated recreation area approved by the police chief or other designated City of Cullman representative."

Ordinance No. 2020-19 to adopt the Flood Damage Prevention Ordinance.

The council voted to amend the City's position control to add two more dispatchers, and to authorize Cullman Fire Rescue to apply for a FEMA grant to purchase heart monitors.

The council passed resolutions to adopt the 2020 Municipal Water Pollution Prevention Resolution, and to appropriate funds to the Jesse Owens Runners Club for the AHSAA Cross Country State Championship Meet.

The council also approved a special event request from Hillary Collins of Victim Services of Cullman to hold a St. Patrick's Day fundraising festival at Depot Park March 14, 2030 from 9 a.m. to 4 p.m.

According to the application, the event will include music, children's activities, information booths, vendors and food trucks.

The Cullman City Council will meet next March 16, 2020 at 7 p.m. in the city hall auditorium. The public is invited to attend.

Cullman Lions Fish and Ham Dinner a roaring success

'Cullman Lions are the jewel of the Lions Club'

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – The Cullman Lions Club on Saturday enjoyed the benefits of a good reputation, good menu, long-standing tradition and beautiful weather for its annual Fish and Ham Dinner at Cullman Middle School. Doors officially opened at 11 a.m.; by 1 p.m. the Lions, Lionesses and high school Leos had served 875 meals, on their way to a total of 1,782 meals by the close of business at 6 p.m.

Event co-chairman Frank Odell told The Tribune, "All the Lions and all the teams and committees, and the Lionesses and the Leos are just making it happen. It's been very busy, and we've been scrambling to keep enough fish cooked; it's been moving out as fast as we can cook it. It's been a very, very good day.

"The whole Lions Club gets involved every year, and we do it on a committee basis, so different people have different groups they work with, and then the co-chairs all coordinate the different groups and keep it moving smoothly.

"It's like the dining room's designed a little bit different this year than in the past, so we had to do a little bit of shuffling in the first 30 minutes to make it flow better.

"But we've got that all worked out now. It's a fun team-building project, and it's also a fun 'thank you' to the community for all that we do for them and all they do for us."

Lions reported around 1 p.m. that both the lunchroom and drive-through pick-up line had stayed constantly busy since opening. All of Cullman seemed to turn out, along with a few drop-ins from parts farther away. Even U.S. Senate candidate Jeff Sessions came by to spend a little of his last pre-primary Saturday pressing the flesh and demonstrating a taste for the cakes baked by the Lionesses.

Another visitor was Lions International District 34-A (north Alabama) First Vice District Governor Tim Sosebee.

Recently home from club business in Canada and departing later this year for more in Singapore (Lions International really is international!), the officer decided to spend his Saturday with the Lions of Cullman. The Tribune asked why.

Said Sosebee, "Cullman Lions are the jewel of the Lions Club. They're the standard that we all try to live up to. Cullman Lions have 109 members, and they are perhaps most plugged into the community as any club.

"Our small clubs do a great job, too. The average club size is approximately 18 people- little tiny towns right on the state lines, and they all are plugged into the community in the sense that they work behind the scenes. That's what Cullman Lions do in a larger city. Everything they do, from the fair to the (Empty) Bowls, to everything, people don't realize how many things they do for the youth of the community- the Leos, called young Lions- and it's amazing. It's always an honor to come here."

Micropolitan (from Front)

Wendy Sack
wendy@cullmantribune.com

CULLMAN, Ala. – Cullman has been recognized by Site Selection magazine as tying for the no. 6 micropolitan in the nation in the magazine's Top 100 Micropolitans for 2019. Site Selection studies industrial development and expansion is cities across the country

According to independent economics research firm POLICOM, there are 542 micropolitan areas in the United States. A micropolitan is a city with a population of between 10,000 and 50,000.

Cullman climbed from seventh place in 2018 to a tie for sixth place in 2019 based on seven qualifying new or expanding industry projects. A qualifying project for inclusion in the magazine's statistics must meet one of three standards: capital investment of at least $2 million; create a minimum of 20 new jobs; or construct or expand a building of 20,000 square feet.

Cullman was the highest ranking Alabama micropolitan. Troy and Enterprise tied for 31st.

Findlay, Ohio ranked no. 1 in America with 17 projects, followed by Tupelo, Mississippi with 10, Batavia, New York with nine and Jefferson, Georgia and Mayfield, Kentucky with eight each. Cullman had seven.

"We've been ranked in the top 10 for at least the last five or six years," said Cullman Economic Development Agency (CEDA) Director Dale Greer.

"It's a real tribute to the community, to the workforce here.

"When you have good quality companies and you have a good workforce, then you have potential for them to continue to grow and prosper.

"I always tell people, every time a company expands here, they have other opportunities.

"There are other communities asking for them. Many of those have multiple locations, and it's like you're winning again when they make the decision to expand in your community."

Greer said that in 2019, more than 450 new manufacturing jobs were added, 40 industries started up or expanded and local industries made more than $130 million in capital investments.

Over the last 10 years, according to Greer, industries have invested more than $1.1 billion in the Cullman area.

According to Site Selection's Gary Daughters, "In comparison to the previous two years, Site Selection's Top 100 Micropolitans for 2019 cover qualifying investments in an unusually wide range of states. Micros in 30 states are represented, up from 22 states in 2018 and 23 in 2017."

Colony (from Front)

who is a member of the Alabama Music Hall of Fame and the Christian Music Hall of Fame.

Reaching out for a big family reunion

Leeth revealed that he has heard from people as far away as Ohio and California who were asking about the date, so they could make plans to attend.

Fields encouraged representatives of historic Colony families to reach out to their relatives outside Colony and called for the gathering of names and addresses for members of Colony families living across the country, so event fliers can be mailed.

Planners also discussed the use of social media and broadcast platforms to get out information.

Getting organized

Fields pushed for the establishment of planning and event committees, and members were appointed to a few committees right on the spot.

He called for committees to cover food, entertainment, outreach, publicity, finance, community history, recreation and cleanup.

In setting up the first committees, Fields told the crowd that Cullman-area businesses and organizations will support Colony Day if Hammond can show them a good plan when he goes to talk to them.

He emphasized, though, that a well-organized effort must already be underway when Hammond goes.

Said Fields, "Melvin's job is to appoint us to a committee, and then we just need to go to work."

After the meeting, Hammond told The Tribune, "Colony has a rich history and is very unique. Maybe we can start a tradition where every year or two, they can get together and enjoy the past and future. Hopefully, the next Colony Days will draw more attention to the Colony."

The planning team will meet next Saturday, March 21 at Colony Town Hall.

NBC News Decision 2020 Super Tuesday

NBC is just one of many broadcast and cable news outlets that will be providing coverage of today's multiple primary elections across the United States, when more delegates to the presidential nominating conventions can be won than on any other single day. Delegate-rich California and Texas held their primaries today, along with Alabama, Arkansas, Colorado, Maine, Massachusetts, Minnesota, North Carolina, Oklahoma, Tennessee, Utah, Vermont and Virginia.

Empire

As the soapy music drama returns to finish out its final season, starting with a spring premiere called "Can't Truss 'Em," the Lyons clan is rocked by a loss, which forces one of them to deal with a still-unresolved past trauma. Andre (Trai Byers) comes to an important decision about his health, family and career, while Devon (Mario) confronts Tiana (Serayah McNeill) about her relationship with Hakeem (Bryshere "Yazz" Grey). Terrence Howard and Taraji P. Henson also star; Leslie Uggams guest stars.

9 p.m. on ID
Reasonable Doubt

This true-crime series, in which retired homicide detective Chris Anderson and criminal defense attorney Fatima Silva reopen closed cases to help families decide whether to appeal guilty verdicts, returns for its third season with a premiere called "When the Gun Went Off." Kathy Middleton died of a gunshot in her own home, and after investigating, police reached the conclusion that her husband, Ken, killed her. His family, however, still insists he was wrongfully convicted.

Eric "Digger: Manes stars in "Master Distillers" on Discovery Channel.

OPINION

The Sovereignty of God, no. 9

Tom Fillinger
Tribune Correspondent

Today we continue in our study of the Sovereignty of God.

God's sovereignty teaches that salvation is by grace through faith, and that all our works (before conversion), good as well as evil, count for nothing toward salvation. It tells us we are "born, not of the will of the flesh, nor of the will of man—but of God" (John 1:13). All this is *most humbling* to the heart of man, who wants to *contribute something* to the price of his redemption, and do that which will afford ground for boasting and self-satisfaction!

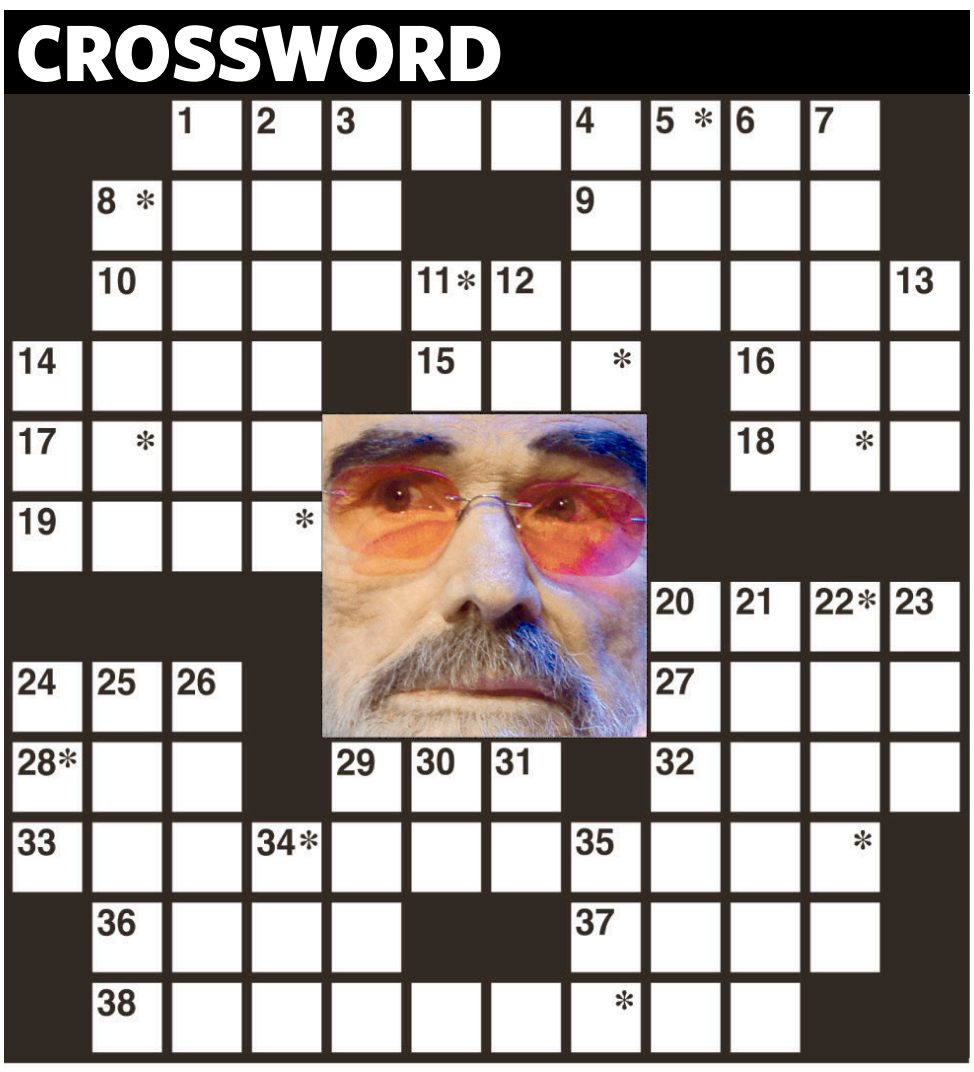

But if this doctrine *humbles us*—it also results in praise to God. If, in the light of God's sovereignty, we have seen our own worthlessness and helplessness, we shall indeed cry with the Psalmist, "All my springs are in You!" (Psalm 87:7). If by *nature* we were "children of wrath," and by *practice* rebels against the divine government and justly exposed to the "curse" of the law, and if God was under no obligation to rescue us from the fiery indignation, and yet, notwithstanding, He delivered up His well-beloved Son for us—then how such grace and love will melt our hearts, how the apprehension of it will cause us to say in adoring gratitude, "Not unto us, O Lord, not unto us—but unto Your name give glory, for Your mercy, and for Your truth's sake!" (Psalm 115:1) How readily shall each of us acknowledge, *"By the grace of God I am what I am!"* With what wondering praise shall we exclaim—

"Why was I made to
hear His voice,
And enter while
there's room,
When thousands make
a wretched choice,
And rather starve
than come?
'Twas the same love
that spread the feast,
That *sweetly brought* me in;
Else I had still re-
fused to taste
And perished in my sin!"

5. The doctrine of God's sovereignty affords a sense of absolute security. *God is infinite in power, and therefore it is impossible for any to withstand His will, or resist the outworking of His decrees!* Such a statement as that is well calculated to fill the lost sinner with *alarm*—but from the saint it evokes nothing but praise. Let us add a word and see what a difference it makes—**My** God is infinite in power! Then "I will not fear what man can do unto me." My God is infinite in power!

Funeral services for Sheila Diane Beckwith, 60, of Cullman will be at 11 a.m. Tuesday, March 3, 2020 at Cullman Funeral Home Chapel with interment in Oakwood Memorial Gardens. Cullman Funeral Home is in charge of the arrangements. Ms. Beckwith passed away Friday, Feb. 28, 2020 at Cullman Regional Hospital. She was born Sept. 11, 1959 to Frelon Levester and Donnie E. Chandler Harbison. She was preceded in death by her parents; a niece, Jamie Harbison; a nephew, Timothy Harbison and a great-nephew, Samuel Harbison. Survivors include brothers Charles (Sandy) Harbison and Paul (Wanda) Harbison; sister Janice (Jim) Rabb; family and friends. Visitation was Monday evening at the funeral home from 5:30-8 p.m. Friends may sign the online guestbook at www.cullmanfuneralhome.com.

Mark Lyn Gourley, 58, of Holly Pond passed away in the early morning hours Feb. 29, 2020. He was born Aug. 15, 1961 in Cook County, Illinois to Charles and Peggy Anderson Gourley. Mr. Gourley graduated from Holly Pond High School. He was an avid reader as well as a Civil War enthusiast. He enjoyed learning about his own family history as well. Mark is described by those that knew and loved him as a very patient and humble man. He was kind, loving, and understanding. He was an amazing father – his children call him the best dad. He also had a close bond with his brother. Mark was loved by so many, and even though he is gone, he will never be forgotten by those that love him. Mark is preceded in death by his parents Charles and Peggy Anderson Gourley. Survivors include his daughter Sara Gail Gourley; son Terry Hines and his fiancée Lisa Long; brothers Tim Gourley and David Gourley and his wife Polly; and a host of family and friends. Mr. Gourley will be buried alongside his parents, in Holly Pond Cemetery, following a family memorial. The family would like to extend a heartfelt thank you to the physicians, nurses, and staff of Cullman Regional Medical Center for the outstand care and compassion shown to Mark and his family during his final days. The staff of Holly Pond Funeral home is honored to serve the Gourley family.

John Frank Sutton, 69, of Double Springs entered into rest Friday, Feb. 28, 2020 at Lakeland Community Hospital. Mr. Sutton was born July 28, 1950 in Moulton, Alabama. Until his retirement, he worked as a logger. The family will have a memorial service at noon Sunday, March 8, 2020 at Mountain Springs Missionary Baptist Church in the Bankhead National Forest. Brother James Johnson will officiate. Mr. Sutton is survived by his daughters Jennifer Steinbrecher and her husband Chuck and Johnna Benefield and her husband Lee; stepchildren Amanda Handley, Jeremy Herron and Patrick Herron; sister Christeen Adams and her husband Jr.; and a host of grandchildren, nieces and nephews. He was preceded in death by his parents George and Dovie Lee Sutton; sisters Ellen Johnson and Helen Grissom; and brother James Sutton.

Ruby Mae Ergle, 80, of Jasper entered into rest Saturday, Feb. 29, 2020 at Walker Baptist Medical Center in Jasper. Ruby was born Jan. 23, 1940 in Rosehill, Tennessee. She loved to read and travel, but most of all, she loved her family. Visitation will be held Wednesday, March 4, 2020 from noon-2 p.m. at Nichols Funeral Home in Double Springs, where services will be at 2 p.m. Brother Danny Page will officiate. Burial will be in Pleasant Hill No. 2 Baptist Church Cemetery in Double Springs. Ruby is survived by her son Jerry Ergle and his wife Jan; daughters Christal Turner and her husband Jeremy, Bettina Ward and Dianna Ergle; sister Mary Wimmer; grandchildren Alicia Walden, Angelia Williams, Izabella Ergle, Ashley Hamrick, Blake Vandiver, Michael Ward, Scott Ward, Jeannie Reeves and Joey Cornelius; and 12 great-grandchildren. She was preceded in death by her husband Ellis Ergle; parents John and Mary Long; brothers Wayne, Winston, Ed and Cecil Long; and sister Mildred Whitaker.

Funeral services for Arnold Lowery, 76, of Hanceville will be at 1 p.m. Thursday, March 5, 2020 at Hopewell Road Church of God with Paul Rivers, Ray Bennett and Tim Dubberley officiating. Cullman Heritage Funeral Home is in charge of arrangements. Mr. Lowery passed away Saturday, Feb. 29, 2020 at his residence. He was born Aug. 9, 1943 in Madison, AL to Lige and Margaret Lowery. He is preceded in death by his parents. Survivors include his wife Ellen Lowery; son Christopher Brian Lowery; daughter Tonya Clark; and a host of nieces, nephews, and other loving family members. Visitation will be from 10 a.m.-1 p.m. Thursday, March 5, 2020 at Hopewell Road Church of God. In lieu of flowers, the family request donations to the American Heart Association.

Betty Rae Campbell Swann passed away Feb. 29, 2010 at the age of 79. She was born Sept. 28, 1940 to Haywood and Freda Rusk Campbell. She is preceded in death by her parents, husband Avel Swann, brothers in law Durell Peak and Bobby Weeks. Funeral services are Tuesday, March 3, 2010 at 2 p.m. at Moss Funeral Home chapel. Interment will be in Springhill Cemetery. Survivors are special son Jamie (Connie) Lawrence; sisters Shirley Peak and Faye Weeks; grandchildren Madison Lawrence, Morgan (Bo) Wright and Mackenzie Lawrence; great-grandchild Campbell Rae Wright; and other nieces, nephews and family. Visitation is Tuesday from noon-2 p.m. at Moss Funeral Home. Please send condolences to the family at www.mossservicefh.com.

Funeral services for Rachel G. Overton, 72, of Crane Hill will be at noon Saturday, March 7, 2020 at Cullman Heritage Funeral Home with Rev. Charles Johnson officiating; interment in Sulphur Springs Cemetery. Visitation will be from 10 a.m.-noon prior to the service. Cullman Heritage Funeral Home is in charge of arrangements. Ms. Overton passed away Sunday, March 1, 2020 at Falkville Health Care Center. She was born April 20, 1947 to D.J. and Myra Nell Garner. She was preceded in death by her parents and sister Charlotte Crittenden. Survivors include her daughters Denise (Bobby) Lively and Jenia (Russell) Nicoll; son Johnny Francis Overton, Jr.; brother Richard Garner; eight grandchildren; and six great-grandchildren.

Remember!
Alabama voters have to declare a party before they cast their ballots.

That means, when you show up to your polling place, you'll have to choose to vote in either the Republican or Democratic primary.

You can't vote in both. Important to remember is whichever party you choose on March 3 is the party you have to stick with if there happens to be a run-off election March 31.

For example, if you vote Republican March 3, and there's a run-off on the Democratic ticket, you can't vote in that run-off.

That rule, the crossover voting rule, only applies to primary elections. In the November general election, both parties will be on your ballot.

Also remember, all Alabama voters are required to show photo identification before voting.

Types of IDs accepted are valid driver's license, valid nondriver ID, valid Alabama photo voter ID, valid state-issued ID, valid federal-issued ID, valid US passport, valid employee ID from federal government, State of Alabama, county, municipality, board or other entity of this state, valid student or employee ID from a public or private college or university in the State of Alabama (including postgraduate technical or professional schools), valid military ID or valid tribal ID.

Appearing on both parties' ballots

STATE CONSTITUTIONAL AMENDMENT

PROPOSED STATEWIDE AMENDMENT NUMBER ONE:
"Proposing an amendment to the Constitution of Alabama of 1901, to change the name of the State Board of Education to the Alabama Commission on Elementary and Secondary Education; to provide for the appointment of the members of the commission by the Governor, subject to confirmation by the Senate; to change the name of the State Superintendent of Education to the Secretary of Elementary and Secondary Education; to provide for the appointment of the secretary by the commission, subject to confirmation by the Senate; and to authorize the Governor to appoint a team of local educators and other officials to advise the commission on matters relating to the functioning and duties of the State Department of Education. (Proposed by Act 2019-345)"

If this amendment passes, voters will no longer elect members of the Alabama State Board of Education; instead, they will be appointed by the governor, subject to confirmation by the Alabama Senate.

Likewise, the state superintendent will no longer be elected, but will be appointed by the board/commission, subject to Senate approval.

CULLMAN COUNTY EDUCATION SALES TAX

COUNTYWIDE ONE CENT (.01) SALES AND USE TAX REFERENDUM
"Do you support a countywide one cent (.01) sales and use tax for the public schools within Cullman County, Alabama?

"This tax must be used exclusively for public school purposes.

"Further, these taxes would be distributed countywide to the local boards of education in Cullman County 'on the same basis of the total calculated costs for the Foundation Program for those local boards of education within the county.' This tax would begin July 1, 2020."

If this measure passes, a 1 cent per dollar increase to the county's sales tax will be distributed to Cullman County and City schools based on enrollment, with county schools receiving approximately 77% and city schools receiving approximately 23%.

For the county system, the Cullman County Board of Education said the revenues will be used for campus security, facility improvements and the development of a new career technical education facility.

Sample ballots can be accessed online at www.sos.alabama.gov/newsroom/prepare-polls-viewing-your-sample-ballot-2020-primary-election.

Where to watch results
Cullman County Probate Judge Tammy Brown has extended an invitation to all residents of Cullman County to come and watch as the results are verified and posted after each Cullman County voting precinct closes Tuesday, March 3, 2020.

This will take place at the Cullman County Courthouse in the large courtroom on the third floor.

If you have any questions about this process, contact the Probate Office Election Department at 256-775-4811.

Said Brown, "Remember to vote. Every vote counts."

The Tribune will also be posting election results as they come in at www.Facebook.com/CullmanTribune.

Shot (from Front)

Wendy Sack

CULLMAN, Ala. – Late last year, local Vietnam veteran and veterans advocate, retired Col. Ken Brown, sat down with The Tribune to talk about a sobering statistic: every day, 22 veterans commit suicide in the United States. Brown wanted to talk about a new treatment for post-traumatic stress disorder (PTSD) that aims to reverse that trend, the stellate ganglion block (SGB) shot. Local nonprofit Saving Forgotten Warriors (SFW) officially launched the local effort, the "800 Club," Dec. 12, 2019, with a $12,000 donation from Apel Steel. Now, less than three months later, 10 local veterans have received the treatment, with all reporting dramatic success.

Recently, Brown was thrilled to report, "We had 10 guys that went, and we had 10 guys that came home, and it was successful. The effort is paying off."

The SGB shot is FDA-approved and is now being given at military hospitals, but the procedure has not yet been made available to VA hospitals around the country.

"It is a shot in the neck that relaxes the nerves, the stellate ganglion nerves, that, in layman's terms, 'reboots' the nervous system," Brown said in December. "There's been a three-year study on it, and it's been 90% effective. The shots last five years or more, and the results are almost instantaneous. PTSD is a debilitating disease, not only to the veterans who have it, but also to their families who go through it. A lot of veterans can't handle PTSD and commit suicide."

The 800 Club
"There's a former Navy SEAL doctor (Dr. Sean Mulvaney) in Annapolis, who is offering these shots now for $800. They normally cost between $1,500 and $3,000 a shot elsewhere," said Brown in a previous interview. "He is the closest one we've found to Cullman.

"We have 7,000 veterans in Cullman County, and a bunch of them have PTSD. So the objective is to get the word out and have them get in touch with (founder) Jeremy Hogan at Saving Forgotten Warriors, and he will line them up to go get the shot in Maryland."

SFW is aiming to fly multiple veterans suffering from PTSD per year to Maryland to receive the shot. SFW's 800 Club, named such because the cost of the shot is $800 per veteran, was formed late last year. With the first group of veterans having now received the shot and reporting excellent results, SFW is reaching out to the community for support. The group is asking individuals, churches and businesses to donate any amount possible in order to help.

SFW's next trip to Maryland will be April 23, with 14 veterans making the voyage.

Local success
One of the 10 veterans to receive the shot through SFW this year shared a little about his experience. He preferred to remain anonymous, giving only his initials, R.K.

"Every morning," he began, "I won't say I was suicidal, but it was on my brain. The first thing, wake up, feet hit the ground in the morning, that was the first thing across my head. Now it's been, today marks one week exactly since I've had the shot, and it hasn't crossed my mind at all.

"Last night- I've always been kind of a light sleeper- and last night, I actually for the first time in probably 15 years, slept through the night, actually overslept my alarm."

R.K. served two tours in Afghanistan, from 2003-2004 and 2005-2006.

"Last year, during Christmas, I went into a store with my family and I was actually looking at some stuff and then actually noticed the crowd start pouring into the store.

"As soon as I turned around, there was that spark- there I am middle of store, crowded, completely packed, 100, 150 people in the store. All I had was the back corner of the room. My wife actually had to take me out of there and drive me all the way all the way back home so I could take my Ativan, lorazepam, all that stuff. I had to leave my kids with my in-laws so they could enjoy the Christmas parade. This had been a habitual problem."

Said Hogan, "I handpicked the first 10 to go, the ones that I have been working with for years.

"They have different issues, and they're not all the same, but they all had post-traumatic stress and they were all suicidal.

"Not all of them were attempting, but they were dealing with suicidal ideation every day."

He continued, "This is not a cure. It is a tool to get you where you need to be and gives you the best opportunity to recover."

Hogan said R.K. was one of his most in-need veterans.

"This guy, this guy here," he said, motioning to R.K., who is now full of smiles, "every time I'd see him he was flushed. He had a flushed look on his face."

Said R.K., "My eyes were sunken, black underneath from lack of sleep, lack of outdoors."

"He had been just going through the motions of the day, not living," said Hogan.

"Since '06," R.K. said.

"That demon had been on his back every single day since '06," said Hogan. "Since Feb. 20 when he got the shot, he's finally home. We got him to 'come home.' That's huge. That's what we want."

More about the SGB shot
"The stellate ganglion is like a routing center for the nervous system and controls the impulse for 'fight or flight'," said a statement from Kristine Rae Olmsted, a research epidemiologist with RTI International, an independent nonprofit research institute. "Anesthetizing the ganglion blocks nerve impulses temporarily. We still don't know how SGB works to improve PTSD symptoms, but now we know that it does."

According to RTI International: "In the early 2010s, some military medical centers began offering patients with PTSD a procedure that had been used for decades to relieve pain. The procedure, called stellate ganglion block, or SGB, involves injecting a local anesthetic into the stellate ganglion. This group of nerve cells and nerves in the neck helps regulate the body's 'fight or flight' mechanism. As more and more patients tried the stellate ganglion block, the reports seemed promising. But the medical community still needed evidence of its effectiveness. RTI in 2014 launched a randomized, controlled trial of SGB, and in fall 2019, we found that it is indeed effective."
