**CULLMAN, Ala.** – Members of Cullman Veterans of Foreign Wars (VFW) Post 2214, its Ladies' Auxiliary and other volunteers on Monday placed 328 crosses along U.S. Highway 31 across from Sportsman Lake, to honor Cullman County's fallen warriors from World War I through the current war on terrorism.

Project coordinator Rick Leigeber told The Tribune, "We're honoring all of Cullman County's finest."

Ed White loaned use of the property near his store, Ed White Jewelers.

Leigeber, Jerry Raley and Ray Ainsworth made the crosses; Caroline Leigeber, Rachel Monk and Brian Monk did the lettering.

Members and volunteers will return Tuesday to place flags on the crosses, and will place flags on veterans' graves and along the U.S. Highway 31 median later this week. Look for a full story coming soon.

CULLMAN COUNTY ANIMAL SHELTER

***Sweetie***

**CULLMAN, Ala.** – The Cullman County Animal Shelter's Donna Ruttkay and Andrea Hudson are proud to announce the reopening of the shelter as they share The Cullman Tribune Pet of the Week:

Sweetie is a 1-year-old bulldog/terrier mix. She's a laid-back, low- to medium-energy pet who's skilled on her leash and has good spatial awareness. She likes to stay close to her humans and pays attention to them. And if you like to play, she's a doggie toy dog!

Sweetie has the makings of a good therapy or companion dog. Sweetie's adoption fee is $100 which includes: DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, spaying, microchip, free 30-day health insurance policy issued by 24PetWatch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior. Several of the shelter's canine friends have even been "hired" to work as therapy and special needs service dogs.

Please consider adopting, to give a rescued pet a chance at a happy and healthy life. Contact the Cullman County Animal Shelter at 256-734-5448 or cullmancountyanimalshelter@gmail.com. Visit the shelter at 935 Convent Road NE.

LOCAL GOVERNMENT

# Colony town government takes census personally

**W.C. Mann**
craig@cullmantribune.com

**COLONY, Ala.** – Colony's rates of response to the 2020 Census have been among the lowest in Cullman County, and the town's government wants to do something about it. At a town council work session last Tuesday, Mayor Donnis Leeth announced that he and Councilwoman Ethel Alexander would begin going door to door throughout the community. On Saturday, the two made good on their promise, heading out from town hall in the early afternoon, armed with wireless technology that allowed them to go beyond promotion of the census to on-the-spot enrollment for any resident who wished to participate.

Leeth told The Tribune, "This is a big opportunity to show people that here's an official person in office who can get out there and help your community do different stuff. That's what we're all about: about getting stuff done for the community."

The mayor said he has encountered residents who are concerned about handing over too much information to the government, saying, "A lot of them think they're going to take their land, or they're going to see how much money they make and all that stuff, and then take them off different programs and stuff; which I told them that's not true. The census is here to help you, because the money they get, that's how you get some of your money from Social Security and SSI and education . . . All states, you know, get part of the money for different stuff: hospitals get part of the money, for everything. It ain't about taking no stuff from nobody; it's to help people."

**Current response rates**

Census response rates, as of Saturday afternoon, reported on the website 2020census.gov:

CRIME

# 4 charged after reports of shooting in Logan

**Wendy Sack**
wendy@cullmantribune.com

**CULLMAN, Ala.** – Four people are in the Cullman County Detention Center without bond after a shooting late Sunday night.

A media release from the Cullman County Sheriff's Office (CCSO) said the department received multiple 911 calls just before midnight regarding an altercation involving a shooting along County Road 842 in the Logan community.

"Deputies and investigators arrived at the scene of the shooting on County Road 842 in Logan, and a second location where the victims of the shooting were located, and started to process what took place earlier that night," said the release. "Investigators determined that there was an altercation between the suspects and victims at the residence, which lead to the suspect Mason Naler firing shots at the victims' vehicle as they were leaving, striking one of the occupants."

A search warrant was obtained and deputies and investigators allegedly recovered heroin, a marijuana plant, more than an ounce of marijuana, Xanax, an AR-15 rifle, a .22 rifle and drug paraphernalia.

The homeowner, Mason Timothy Naler, 20, of Logan was charged with shooting into an occupied vehicle, first-degree unlawful possession of marijuana, two counts of unlawful possession of a controlled substance and possession of drug paraphernalia.

Three other people were also arrested at the residence.

CULLMAN COUNTY SHERIFF'S OFFICE

*Left to right: Mason Timothy Naler, Michaela Danielle Woodall, Matthew Raeshard Hall and Shawn Michael Rakes*

Michaela Danielle Woodall, 23, of Arab was charged with second-degree unlawful possession of marijuana and possession of drug paraphernalia.

Matthew Raeshard Hall, 21, of Arley was charged with unlawful possession of a controlled substance and possession of drug paraphernalia.

Shawn Michael Rakes, 21, of Logan was charged with possession of drug paraphernalia.

The CCSO said other charges may be pending. The investigation is ongoing.

"I am so happy that this is my first Senior class as a principal. I have enjoyed their attitude and work ethic. I feel that they are going to be very successful, because of the things they have had to deal with closing out this year. I hope they understand that we care and love them very much. I wish them the very best."

"Congratulations to the Vinemont High School class of 2020! You have always done things differently, and this year has been no exception. I am sorry your time here was cut short, but you leave here with a firm educational foundation to build on. You all have achieved so much as individuals and as a class, but what you have achieved pales in comparison to our expectations for your futures. We expect great things out of all of you. We want you to be the leaders of the future. We know that you are a special group with extraordinary talents and character. Your successes have been no accident and only came through planning, hard work, and perseverance. Life will not always be easy but know that you have the tools, knowledge, and a community that will support your efforts. We are expecting great things from each and every one of you. Set lofty goals, say humble prayers, and always be the hardest worker in the room."

# FAIRVIEW HIGH SCHOOL

CLASS OF 2020

**Graduation is Saturday, May 23 at 7 p.m. at the Fairview High School football stadium.**

"The class of 2020 at Fairview is truly a special one. Not only have they exceeded academic standards we had set for ourselves, they also surpassed the state's averages on their ACT scores and other areas. While these accomplishments are outstanding, the best part of this class has been watching them become such incredible individuals. They are hardworking, kind, and all-around great people. The staff and students at Fairview High School will certainly miss all of them next year! We can't wait to see everyone again and watch these seniors receive their diplomas! Go Aggies and Purple and Gold Forever!!"

# Lights (from Front)

**FAIRVIEW, Ala.** – The long-awaited traffic lights at Alabama Highway 69 and Wesley Avenue in Fairview were finally installed late last week. The lights will flash for about two weeks so drivers can become accustomed to them, then they will function as normal traffic lights.

At the Fairview Town Council's May meeting, Mayor Keith Henry said the Alabama Department of Transportation (ALDOT) would begin installation of the lights the following week.

"They are up and flashing," Henry said Monday. "They will flash for about two weeks then will be turned to normal operation."

Rep. Randall Shedd, R-Fairview and Sen. Garlan Gudger, R-Cullman announced last August that the lights would be installed.

"I'm very appreciative to Senator Garlan Gudger for working with me to get this project approved and funded," said Shedd at the time. "I thank Governor Ivey and ALDOT Director John Cooper and his staff. I'm especially thankful for the people of east Cullman County for signing petitions multiple times over the years. More than 1,000 people signed petitions asking for it. I appreciate Mayor Henry and Fairview Town Council's work on it and the owners of The Hutch Restaurant for donating right-of-way. As you can see, it took a lot of people working together to accomplish this successful project."

During the wait for installation, there was a noted delay, with right-of-way issues at The Hutch Restaurant. Back in August, Gudger and Shedd said ALDOT was working to acquire additional right-of-way for the project. The configuration of the intersection was difficult, requiring at least $188,000, paid for from new revenue from Ivey's Rebuild Alabama Program.

Back in August, Shedd said of the intersection's history: "I have been working on this project for more than 20 years. The traffic coming from Holly Pond approaching Highway 69 is really in the most danger the way the intersection is configured."

Back in August of 2018, a petition for the lights was circulated in the community. It had 2,727 signatures.

Shedd said last week, "I urge everyone to be careful when it becomes operational. Any intersection with any system has potential for accidents. I will be asking ALEA (Alabama Law Enforcement Agency) to provide State Troopers to slow traffic when it becomes operational. I will ask them to issue warning tickets instead of fines in the beginning, but they don't have to follow my directions on that, so hopefully everyone will slow down and not risk a ticket."

The Town of Fairview is responsible for the upkeep and maintenance of the lights.

**Other Fairview Town Council news**

Town Clerk Debbie Shedd said the Town purchased a new Kubota lawnmower for $14,300.

She said the Town also recently purchased (in increments) several pieces of playground equipment for the community park. Fairview maintenance employee Mickey Yancy installed most of the equipment. Mayor Henry said, "Playground equipment is in the process of being installed. We have about 12 new pieces that are for larger children. What we have now is for smaller children."

OPINION

# Evangelism, part 3

**Tom Fillinger**
Tribune Columnist

Today we continue our focus on reformation and renewal. Our focus is evangelism; what does and what does not meet the NT criteria for effective evangelism.

We have stated repeatedly that a church does not die when it closes its door. A church dies when it ceases to make disciples. This means executing a strategic process in ministry that results in the ongoing maturity of believers and reaching lost people with the message of the Gospel. Each one who calls on the name of the LORD will be saved. That is true beyond any question or doubt.

Why are we closing thousands of churches every year in the USA? I submit to you there is a direct correlation between the unrelenting decline and closure of churches and what is passed off as the true gospel. Let me illustrate this using the status in SB churches.

SB claim to have 16 million members. However, on the best Sunday of the year there are fewer than 6 million in attendance. Bellevue Baptist in Memphis, TN is reported to have 30,000 members. But, on a given Sunday morning there are reportedly only 6,000+or-people in attendance. That begs the question – why is this the case?

There may be multiple reasons, but I assure you one reason is a primary causal factor. Of the 30,000 who claim to be believers, have been baptized, and received as members, many are simply not redeemed people. The metric applied for ministry effectiveness has been numbers, not transformation. They have measured attendance, baptisms, offerings, but not what matters most – transformation.

There is no credibility in the posture that says, "I love Jesus but not the church." Redeemed people love the LORD and his people. They inherently desire to gather with the redeemed. They are drawn to worship like ants to honey. Both are sweet.

What has produced this glaring disparity? Not a lack of sincerity. Not a lack of opportunity. There is a very high probability that the message these folks heard was not the true gospel at all. It was a substitute message that was well intentioned but ill advised. Their response was sincere but not based upon the whole counsel of God. They heard a message that promised a "get out of hell free" card but did not clearly portray the true cost of being a disciple of Jesus Christ.

Mark 1:15 "The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel."

These folks believed, but perhaps did not repent. Stay tuned!

**CULLMAN, Ala.** – With Relay For Life events canceled this spring due to the COVID-19 pandemic, Relay For Life of Cullman County went virtual this year with its annual luminaria ceremony "to remember and celebrate those who have been affected by cancer or lost their battle and their brave caregivers." Cancer patients and survivors may have weakened immune systems, so canceling events due to the pandemic was crucial. This has had a detrimental effect on fundraising.

"It (COVID-19) has affected everybody's life regardless of who you are or where you are," said Relay For Life of Cullman County's Helen Allen. "With Relay, as with all charitable events, it has been cut down; the majority of Relay events happen in the spring. They were canceled due to the survivors, many of them, their resistance is really low so American Cancer Society has canceled everything out. As far as money, we are so short on what they need for the patients for what they have lined up, what they wanted to do with research, patient services and education. It's just unreal. They've laid a bunch of people off and more layoffs are coming as they try to save all the money they can to go to the programs that they have."

With the economy so uncertain, Allen said she understands people are focused on their own families and bills and why donations are down.

"When you don't know what's going on with your family, that's your first priority," she said.

Allen has been with Relay For Life for 26 years and the event has been happening in Cullman for 27 years.

"Us being involved all the time, you think, 'Well, everybody knows,' but they don't," she said.

Allen recalled a recent discussion with a cancer patient in Cullman who had just received a treatment, saying, "It just floors you for people not to know what a wonderful program it is and how much help they can get out of it."

Donations made to Relay For Life go to cancer research, patient services, education and advocacy.

Allen explained, "The majority of the money goes to research, but Cullman doesn't have a research center, so it definitely goes out of Cullman for research. But with patient services, that and the research are what we are getting back from the American Cancer Society and Relay For Life. The treatments that people have, so many of them have been involved.

"American Cancer Society has been involved in the research that brings these treatments forward, the medications, the equipment they use to diagnose cancer. You can just go on and on naming things that the American Cancer Society does that come back to us."

This year, Relay For Life of Cullman County set its goal at $150,000, but as of last Friday, it has raised $45,307.53. It set its goal for teams at 50 and currently has 26.

Allen said, "They can still register, Relay has already passed, but they can still register as a team; that would help us out. If they have done anything to raise money or if they just want to register a team and donate themselves, right now on our Facebook page, we are selling T-shirts and we are also raffling a quilt that's made out of Relay T-shirts from 2019."

More information can be found at www.facebook.com/RFLCullmanAL.

Allen said people often ask her what she gets out of helping Relay For Life, especially after 26 years.

"It helps my heart," she smiled. "What little I have done in these years that I have been in it, if it has helped one person to suffer less or live a better quality of life, it's been worth it."

# UAB adds Clemson transfer Trey Jemison to roster

**Ted Feeley**
UAB Athletics

UAB ATHLETICS

***Former Clemson player Trey Jemison is returning to Birmingham to play for the Blazers.***

**BIRMINGHAM, Ala.** – UAB head men's basketball coach Andy Kennedy has announced the addition of Birmingham native Trey Jemison to the roster. Jemison comes to UAB after playing the past two seasons at Clemson.

Jemison is coming off a season where he played in 30 of the Tigers' 31 games while shooting 49 percent from the floor.

In his first career start against Notre Dame, the 7-0 center registered career-highs with seven rebounds (four on the offensive glass) and 30 minutes played. In Clemson's win against Alabama A&M, Jemison had career-highs of 10 points and four blocks – which tied the Clemson single-game high for the season.

In his freshman season, Jemison played 20 games for a Tigers team that advanced to the second round of the NIT.

A four star recruit who graduated from Hoover High School, Jemison was ranked No. 1 in the state of Alabama and No. 12 in the country at his position, according to ESPN. During his senior season with the Buccaneers, Jemison averaged 19.0 points, 15.0 rebounds and 5.0 blocks per game. He led Hoover to 28 wins and a berth in the 7A ASHAA Final Four and was named All-State Honorable Mention.

Prior to his time at Hoover, Jemison played at Homewood High School. He led the Patriots to the 2016 6A ASHAA state title.

"We are excited that Trey has chosen to return home and be a part of this program," said Kennedy.

"He will immediately give us a huge presence in the paint with his abilities on both ends of the court. Trey had a tremendous high school career in this city and the two years he spent in the ACC has prepared him to make an immediate impact for Blazer basketball."

# Alba Cortina Pou named the SEC Scholar-Athlete of the Year

**Zachary Rhodes**
UA Athletics

UA ATHLETICS

***Alabama senior Alba Cortina Pou***

**BIRMINGHAM, Ala.** – Senior Alba Cortina Pou's academic and athletic excellence earned her the honor of Southeastern Conference Scholar-Athlete of the Year, the league office announced on Friday. Cortina Pou is the seventh different Alabama player and the ninth to earn the prestigious honor. She is the first to do so since 2017.

"I'm proud of Alba for being recognized with the SEC Scholar-Athlete of the Year Award," said head coach Jenny Mainz. "This is a distinguished honor and difficult to earn in our league as there are many standout student-athletes. Alba works incredibly hard in the classroom, on the tennis court, in the weight room; she's the consummate student-athlete. Alba has been a notable ambassador for The University of Alabama and the Southeastern Conference."

Cortina Pou finished the 2019-20 season with an impressive 17-6 singles record and 14-5 doubles mark. In dual match play, Cortina Pou began the year with an 11-0 singles record, while becoming the first player in program history to win Southeastern Conference Player of the Week in back-to-back weeks (Feb. 5 & 12). She ended the 2020 campaign with a team-best 13-2 dual match singles record and a team-best 14-3 doubles mark.

Academically, Cortina Pou has maintained a perfect 4.0 GPA while double majoring in finance and marketing. She has been on the SEC Academic Honor Roll and named an ITA Scholar-Athlete each season in all three years with Alabama. In 2019, she was named the ITA Southern Region Arthur Ashe Leadership & Sportsmanship Award Winner. In addition, she has been on the President's List (4.0 GPA) every semester while at Alabama and was named to the 2020 SEC Women's Tennis Community Service Team.

Cortina Pou along with fellow senior Ann Selim will both be returning for the 2020-21 season.

Get all the latest information on the team by following @AlabamaWTN on Twitter, Instagram, and Facebook. General athletic news can also be found at UA_Athletics on Twitter and Instagram and Alabama Athletics on Facebook.
