SOUTH VINEMONT, Ala. – Vehicles lined up Wednesday morning at community centers, senior centers and town halls throughout Cullman County, as the weekly distribution of food boxes to area senior citizens resumed. The Cullman County Commission on Aging distributes the boxes as part of the USDA's Farm to Families program.

At South Vinemont Town Hall, almost 30 vehicles were lined up by 8:30 a.m. Participants said this has been the case each Wednesday since the program began.

South Vinemont Mayor Radginal Dodson was leading the charge this week, joined by Councilwoman Joann Oakley, Town Clerk Kayecea Sasser, Parks Director Mike Graves and resident Lindsey Slaton, passing out boxes in the rain.

Slaton said, 'The cars started lining up at 6 a.m."

Each of the 10 distribution locations receives one pallet of 56 food boxes.

Fifty of those were given out in Vinemont within 10 minutes. West Point Mayor Gerald Schafer reported in June that he had to turn some people away because they ran out of boxes so quickly.

The next Farm to Families distribution is scheduled for Wednesday, July 15, with the food expected to arrive between 9-10 a.m.

However, according to Sasser, the boxes have been arriving between 8:30-9 a.m. The Commission on Aging said the times are tentative, as most distributions begin as soon as the truck arrives.

There are no restrictions and no eligibility requirements.

Each box contains 8 pieces of fresh fruit bagged, weighing approximately 4 pounds (such as apples or oranges); 5 pounds of precooked meat, packaged separately (chicken or pork); assorted fresh vegetables, bagged, weighing approximately 4 pounds (such as two potatoes, stalk of celery, two onions and two pounds of carrots); 12 ounces of cheese (such as American cheese); 1 pound of butter; and the equivalent of one half gallon of milk (such as 2 quarts or 8 half pints). All will be packed in a cardboard box measuring approximately 17" x 13-1/2" x 8".

Distribution locations are:

- Baileyton Senior Center
- Cold Springs Community Center
- Colony Educational Complex
- Dodge City Senior Center
- Fairview Senior Center
- Hanceville Civic Center
- Holly Pond Guy Hunt Museum
- Jones Chapel Fire Department
- Vinemont Town Hall
- West Point Town Hall

The USDA Farm to Families Food Program is part of the Coronavirus Food Assistance Program that was announced April 17.

According to the USDA, the program is a partnership between the USDA's Agricultural Marketing Services and "national, regional and local suppliers whose workforce has been significantly impacted by the closure of restaurants, hotels and other food service businesses, to purchase up to $3 billion in fresh produce, dairy and meat products."

ORDINANCE NO. 2020 - 34

AN ORDINANCE AUTHORIZING A SUPPLEMENTAL WATER SUPPLY AGREEMENT WITH THE UTILITIES BOARD OF THE CITY OF CULLMAN RESPECTING THE SERIES 2020 BONDS OF THE BOARD AND A CONTINUING DISCLOSURE AGREEMENT PERTAINING TO THE SAID SERIES 2020 BONDS OF THE BOARD

BE IT ORDAINED by the City Council of the City of Cullman, Alabama, a municipal corporation under the laws of the State of Alabama (the "City"), as follows:

Section 1. Findings. The Council does hereby find and declare that the following facts are true and correct:

(a) The City owns and operates a water distribution system (the "Distribution System") and The Utilities Board of the City of Cullman, a public corporation under the laws of the State of Alabama (the "Board") owns and operates a water supply system (the "Supply System"); and

(b) The Board is presently supplying to the City from the Supply System the City's requirements of filtered water for municipal purposes and for resale through the Distribution System pursuant to a Water Supply Agreement between the Board and the City dated as of June 1, 2011, as heretofore amended and supplemented by (i) an Amendment to Water Supply Agreement between the Board and the City dated December 8, 2014, (ii) a Supplemental Water Supply Agreement between the Board and the City dated March 12, 2015, (iii) a Second Supplemental Water Supply Agreement between the Board and the City dated October 1, 2017, and (iv) a Third Supplemental Water Supply Agreement between the Board and the City dated as of April 1, 2020 (collectively, the "Existing Agreement")

(c) Due to the currently favorable interest rate environment the Board and the City have determined that it is necessary, desirable and in the public interest that the Board redeem and retire its $58,485,000 initial principal amount Water Revenue Bonds, Series 2011, dated June 3, 2011 (the "Series 2011 Bonds") in order to realize substantial savings in interest costs incident to the water supply system of the Board pursuant to which the Existing Agreement has been entered; and

(d) In order for the Board to provide funds to pay the costs of redeeming, retiring and refunding the Series 2011 Bonds, it will be necessary for the Board to issue its $46,225,000 aggregate principal amount of Water Revenue Bonds, Series 2020, dated July 14, 2020 (the "Series 2020 Bonds"), and the City hereby requests that the Board issue the Series 2020 Bonds for such purpose; and

(e) The Board and the City recognize that certain amendments to the Existing Agreement are necessary in order to enable the Board to issue the Series 2020 Bonds, and the Board and the City have determined to enter into the Supplemental Water Supply Agreement hereinafter described for such purpose; and

(f) Because the Series 2020 Bonds will be payable from revenues derived by the Board from the City pursuant to the Existing Agreement, as supplemented and amended by the Supplemental Water Supply Agreement, it will be necessary for the City to execute and deliver the Continuing Disclosure Agreement herein authorized respecting the Series 2020 Bonds.

(g) The Council deems it necessary, desirable and in the public interest that the City authorize, execute and deliver the Supplemental Water Supply Agreement and the Continuing Disclosure Agreement.

Section 2. Authorization of Supplemental Water Supply Agreement. The Council does hereby authorize and direct the Mayor of the City to execute and deliver, in the name and on behalf of the City, a Fourth Supplemental Water Supply Agreement with the Board dated July 14, 2020, in substantially the form presented to the meeting at which this ordinance is adopted (which form shall be attached as Exhibit I to the minutes of such meeting and is hereby adopted in all respects), with such changes as the said Mayor shall approve (the "Supplemental Water Supply Agreement"). The City Clerk is hereby authorized and directed to affix the seal of the City to the said Supplemental Water Supply Agreement and to attest the same. The Council hereby further ratifies and affirms the Existing Agreement, as supplemented and amended by the Supplemental Water Supply Agreement herein authorized.

Section 3. Authorization of Continuing Disclosure Agreement; Disclosure Policies and Procedures. The Mayor is hereby authorized and directed to sign, for and in the name and on behalf of the City, a Continuing Disclosure Agreement dated the date of the Series 2020 Bonds (herein called the "Continuing Disclosure Agreement"), in substantially the form presented to the meeting at which this ordinance is adopted (which form shall be attached as Exhibit II to the minutes of such meeting and is hereby adopted in all respects), with such changes as the said Mayor shall approve. The Council hereby further authorizes the City Clerk of the City to adopt and implement, for and on behalf of the City, such policies and procedures as said City Clerk shall deem necessary or desirable in order to facilitate compliance by the City with its obligations under the said Continuing Disclosure Agreement and its disclosure obligations generally incident to any current or future securities issued by the City.

Section 4. General Authorization. The Mayor and the City Clerk are each hereby further authorized and directed to execute, seal, attest and deliver such other agreements, instruments, notices, directions, orders, certificates or other documents as shall be necessary or desirable in order to consummate the transactions herein authorized.

Section 5. Severability Provisions. The various provisions of this ordinance are hereby declared to be severable. In the event any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this ordinance.

Fairview's Martin invited to national QB academy

Nick Griffin
nick@cullmantribune.com

FAIRVIEW, Ala. – After racking up big numbers through the air and on the ground for the Aggies last season, junior quarterback Parker Martin has earned an invitation to one of the premier passing academies in the country. Martin was selected to participate in this year's 'The Duel' quarterback competition in Atlanta July 17-19. Martin's performance under center and some big time plays in the secondary helped lead Fairview back to the postseason for the first time since 2013. Now, Martin has spent a lot of his offseason continuing to work and improve. After participating in a two-day event in Nashville, he received the invite to the QB competition in Atlanta.

Aggies Head Coach George Redding is excited for Parker and this opportunity for him to compete but knows he'll take advantage of the experience in other ways too.

"We are super excited for Parker. This is a great opportunity for Parker to showcase his skills, but more importantly learn and grow with some of the best kids in the country as well as represent our school on a national level."

Martin is excited to get to camp and compete with other talented young quarterbacks from across the country and see where he stacks up.

"I went to a two-day camp in Nashville and I guess based on my performance there, they reached out to me and invited me to the competition, 'The Duel', and they bring in quarterbacks from across the nation to compete and stuff," Martin said. "It'll be a good experience. I'm looking forward to competing against those guys and seeing the best and being around that atmosphere to become a better quarterback and competitor."

Fairview has been running its summer workout program for the past month and Parker has been happy to work together with his teammates again after an abrupt end to the school year in March.

"It's been good. We're getting a lot of work in and everybody seems to be putting in a lot of effort," Martin said. "It's just been a good time to finally get together."

Martin was a standout on both sides of the ball last season, and he's made efforts to improve in both positions this offseason. "I've just been trying to improve my throwing game and making sure I can hit my targets," Martin said. "I've been working on my footwork and just trying to keep getting better on both sides of the ball."

Here's some more information on the competition and how it's scored that can be found on QB Collective Academy's website,

"'The Duel' is the premier Quarterback Competition for rising star QBs. Youth, Junior High and High School Quarterbacks come from all over the US to showcase their skills while competing against other elite athletes. The Duel is a 2 Day event that features both an intense development phase and an invite-only QB skills competition for rising 11th, 10th, 9th, 8th, 7th, 6th and 5th graders.

"The Duel is open to any Quarterbacks eager to compete and display their skills against some of the best talent at their grade level in the nation. To qualify a Quarterback can seize (their) chance to receive incredible instruction and earn their invitation at a QB Collective Academy National 3 Day or 2 Day Immersion event.

The Duel scoring is a cumulative total achieved through a comprehensive battery of objective assessments that measures all aspects of a Quarterback's ability. It includes tests in decision making, speed, strength, stamina, and position specific skills. Scoring is done by age group and each player will be tested throughout the entire two-day competition. Recognition will be awarded to the top 5 finishers in each grade level including the top prize of The Duel National Champion."

Martin and the Aggies are set to kick off the upcoming season on the road against D.A.R. Friday, August 21.

UAB Football Positional Preview: the Defensive Backs

Ted Feeley
UAB Athletics

BIRMINGHAM, Ala. – Arguably the deepest position of any unit for the Blazers, the UAB defensive backs boast four All-Conference USA performers and major experience entering the 2020 season.

This group has helped UAB finish top 10 nationally in total defense each of the past two years, while also ranking top 15 in passing yards allowed the last two seasons (2018 – 14th, 2019 – 8th).

CORNERBACKS:
The CBs are stacked as lockdown corner and 2018 All-Conference USA performer Brontae Harris returns after missing the entire 2019 season with a foot injury and joins fellow All-Conference USA performer TD Marshall.

Marshall made the switch from wide receiver to corner last year in fall camp and became the full-time starter midway through the season. He finished the year with 28 tackles and seven pass breakups, but his most notable play was a 76-yard interception return for a touchdown at North Texas.

That touchdown proved to be the game-winning score as UAB secured its second-straight C-USA West Division title.

Marshall should see his numbers spike dramatically playing a full season at corner, as he and Harris make a lethal 1-2 combination and have the attention of NFL scouts.

True junior Starling Thomas V started all 14 games at field corner last season, while fellow true junior CD Daniels made five starts. True sophomore Keondre Swoopes proved to be a key contributor in his rookie year by appearing in all 14 games and tallying five pass breakups.

Devodric Bynum enters his junior year after playing in all 14 games last season, while sophomore Xavier Lanier and incoming freshmen Dacarrion McWilliams (brother of Fish McWilliams), and Colby Dempsey round out the cornerback unit.

SAFETIES:
Dy'jonn Turner had a breakout junior campaign at the star safety position and is one of the top-rated NFL prospect in Conference USA by Pro Football Focus entering his senior season. Turner finished with 45 total tackles and a team-high 10 pass breakups en route to earning Honorable Mention All-Conference USA accolades in 2019. Expectations for an even better senior year are high for Turner.

In his first year as the full-time starter at free safety, Will Boler also earned Honorable Mention All-C-USA and enters his junior year as one of the main leaders on defense. Boler was third on the team in total tackles with 58, while adding nine PBU and two interceptions. Fellow junior Grayson Cash inserted himself into the starting lineup midway through last year and had a very solid sophomore season, compiling 40 tackles, three pass breakups and two forced fumbles at strong safety.

Redshirt juniors Kobe Griffin and Kyle Harrell have each moved from linebacker to safety, and both contributed to the defensive success last year while also playing major roles on special teams.

Redshirt sophomore Jaylen Key, along with true sophomore Damon Miller both played on special teams last year and add continued depth at the safety position, while redshirt junior Monte Turner enters his first fully eligible season for the Blazers.

Troy Young joins the safety unit as a transfer from the University of Arizona. Incoming freshman Armani Maddox, along with redshirt freshmen Trent Davis and Sawyer Brady round out the safeties.

The Blazers look to win their third straight C-USA West Division title in 2020. UAB returns 18 total starters to a team that won the second most games (9) in program history a year ago.

Season tickets for 2020 are on sale starting as low as $75 with the Family Four Pack. Blazer Boosters members and current season ticket holders will have top priority for Protective Stadium entering 2021.

AHSAA meets with sports committees to discuss upcoming football season, fall sports

Nick Griffin
nick@cullmantribune.com

MONTGOMERY, Ala. – The AHSAA met online Tuesday with its Fall Sports and Football Coaches' Committees for a conference with the AHSAA Medical Advisory Board Committee and the Alabama State Department of Education. During the meeting, AHSAA Executive Director Steve Savarese touched on some of the changes that are being considered to the upcoming football season to keep players and coaches as safe as possible.

"One would be more time during timeouts to allow for some cleaning during that time. The sidelines would be increased, normally they're 25 to 25, we've asked for them to go from 10 to 10. Pregame will look a little different. There will not be as many participants, you won't see the formal handshakes at the end," Savarese said. "We're in the COVID world right now and we're learning how to live with the virus. So, those are just some of the rule modifications we're looking at but we'll have them for volleyball, we'll have them for cross country, swimming and all our fall sports and we'll release those once the board has approved them."

ALSDE State Superintendent Dr. Eric Mackey gave a brief update concerning the 'Roadmap to Reopening Schools' plan. AHSAA Medical Advisory Board chairman Dr. James Robinson and board member Dr. Jeffery Dugas updated the committees on most recent data and best practices relating to high school sports activities.

"We are grateful to Dr. Mackey and Mr. (Terry) Roller of the ALSDE, and Dr. Robinson and Dr. Dugas of our Medical Advisory Committee for taking the time to join our committee meeting," Savarese said. "And we appreciate the discussion and input we received from our own committee members. Our world would be in better shape concerning the recent increase in COVID cases if everyone followed the health and safety examples our coaches and administrators provide and practice daily."

At this time there are no rules in place that would limit fans from attending games. Local teams resumed their summer workout programs at the start of June and have been adjusting to fit within health and safety guidelines while preparing for the upcoming season. The start of fall practice is fast approaching and with the number of cases continuing to rise, everyone's fingers are crossed that this fall sports season can continue safely. Since the sports drought began back in mid-March, players, fans and coaches are eager to see some action this fall and take their minds off current events.

As of right now, the season is set to kick off Thursday, August 20.

Burden of Truth

The Season 3 finale "Shelter From the Storm" opens with Joanna and Billy (Kristin Kreuk, Peter Mooney) in a downbeat mood. They have less than 24 hours before the trial starts, yet despite their tireless efforts, they've come up empty-handed in their search for anything on Solomon Stone. They know that, unless they can find some powerful way to expose the bogus science used to wrongfully apprehend children, their case is doomed even before it starts. Nicola Correia-Damude also stars.

7 p.m. on USA
Cannonball

WWE Superstar Mike "The Miz" Mizanin and TV personality Rocsi Diaz ("106 & Park") host this splashy and outrageous new watersports competition in which contestants from across the United States will vie for a cash prize. Each episode introduces 16 players who jump into the deep end (in every sense of that phrase) to compete in four rounds of physical challenges such as the speed slide Mega-Ramp, the adrenalin-pumping Drop Tower and the explosive Air Cannon until one emerges as champion. Simon Gibson is the sideline reporter.

8 p.m. on WTTO
In the Dark

This dark mystery thriller's gratifyingly twisty sophomore season reaches a suspenseful conclusion with "My Pride and Joy," wherein many of the characters are either on the giving or receiving end for multiple acts of betrayal, with devastating consequences for several individuals. Perry Mattfield, Brooks Markham, Morgan Krantz, Keston John, Casey Deidrick and Theodore Bhat star.

8 p.m. on FOOD
Restaurant: Impossible

A new special episode called "Biggest Fights, Worst Bites" finds host Robert Irvine counting down some of the biggest moments in the history of "Restaurant Impossible," including massive meltdowns of both management and staff members, as well as the worst food he's ever had to eat. On a much brighter note, however, he also shares his favorite menu transformations and most moving restaurant reveals that he has overseen.

8 p.m. on HIST
Mountain Men

In the new episode "Carnage," Mike returns to the rocky crags of bear-infested Kodiak to reclaim his mountain goat kill, while Jason hunts down a wild hog to feed his family of five. Elsewhere, Josh is forced to go on the offensive when confronted by a rising threat from wolves, and Kidd and Harry blow up a beaver dam that is interfering with their water supply.

9 p.m. on FOOD
Undercover Chef

The new episode "Unlucky Charm" opens in Pensacola, Fla., where chef Mark Estee visits O'Riley's, a formerly popular Irish pub that has had an extended run of bad luck since being converted to a restaurant. While making initial observations undercover, Mark very quickly discerns a power struggle playing out behind the scenes, as well as a badly frustrated staff on the brink of outright mutiny.

9 p.m. on FXX
Cake

Season 3 of these little "hors d'oeuvres for the mind" delivers more bite-sized and very eclectic stories from content creators both new and established and in formats encompassing live-action and animated featurettes. Some are provocative, many are laugh-inducing and a few are a bit raw, but they're all designed to surprise and delight. Tonight's two-episode season premiere, "Cos and Effect" and "Swipe Left," features a heroic dose of do-goodery, a postmodern deconstructionist love story and a bit of kung fu troll goosing.

Mike "The Miz" Mizanin hosts "Cannonball" on USA Network.

CULLMAN, Ala. – The Good Hope-based Saints Motorcycle Club visited the Field of Miracles Tuesday evening to present a check to Cullman Parks, Recreation & Sports Tourism's (CPRST) Miracle League in the amount of $11,437, raised at the club's June Miracle League Ride and other events.

Saints MC donations to the league now total more than $31,000.

Saints spokesperson Brandi Evans recently reported at a Good Hope City Council meeting that the Miracle Ride is the Saints' biggest charity benefit. The club also supports the Colbert County Animal Shelter, along with Christmas and breast cancer charities.

CPRST Therapeutic Recreation Director Kelly Pulliam told The Tribune that money raised through the partnership between the Saints and Friends of the Miracle League pays for athlete registration among other things, and has led to increases in league participation.

"We are so thankful for everything that the Saints have done, and continue to do for the Miracle League," said Miracle League Coordinator Ashley Dye.

"They mean the world to us, and we love them and thank them. Without them, the Miracle League would not be what it is today."

Mable (from Front)

CULLMAN, Ala. – The Cullman County Animal Shelter's Donna Ruttkay shares The Cullman Tribune Pet of the Week:

Mable is a 1-year-old Beagle/Dachshund mix (Ruttkay called it "a perfect combination!"). She's a lively-but-not-hyper, medium-energy pet who's skilled on her leash and cherishes human companionship. On these hot summer days, she enjoys playing in the kiddie pool's cool water. Mable cannot see from her right eye, but her other eye is fine, and she is not limited.

Ruttkay said Mable is "struggling with life here at the shelter, but demonstrates a passion for life all the same."

She has the makings of a good therapy, companion or hiking dog.

Mable's adoption fee is $100 which includes: DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, spaying, microchip, free 30-day health insurance policy issued by 24PetWatch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior. Several of the shelter's canine friends have even been "hired" to work as therapy and special needs service dogs.

Please consider adopting, to give a rescued pet a chance at a happy and healthy life.

Contact the Cullman County Animal Shelter at 256-734-5448 or cullmancountyanimalshelter@gmail.com. Visit the shelter at 935 Convent Road NE.

MONTGOMERY, Ala. – Gov. Kay Ivey on Wednesday announced the Revive Alabama grant program to support small businesses in Alabama that have been impacted by COVID-19.

The program will reimburse small businesses up to a combined $100 million for expenses they have incurred due to operational interruptions caused by the pandemic and related business closures.

"In many ways, our small businesses were hit the hardest from the coronavirus pandemic," Ivey said.

"Ensuring these owners have every opportunity to recoup expenses incurred due the disruption of business is essential to getting our economy roaring once again."

Alabama received approximately $1.9 billion of CARES Act funding to respond to and mitigate the coronavirus pandemic.

Alabama Act 2020-199 designated up to $300 million of the Coronavirus Relief Fund for individuals, businesses, non-profit and faith-based organizations directly impacted by the coronavirus pandemic.

Qualifying businesses may receive up to $15,000 to reimburse these expenses if they have not received federal assistance for the corresponding item they are claiming with the state of Alabama.

There is no set cap on the number of businesses that may be awarded a Revive Alabama Small Business Grant.

Grants will be awarded to qualifying applicants on a first-come-first-served basis until the funds are exhausted.

Business owners may access the grant application through the Alabama Department of Revenue's (ALDOR) Revive Alabama website at https://revenue.alabama.gov/revive-alabama/.

The application period for the Revive Alabama Small Business Grant Program will open at noon on July 16, 2020 and run through midnight on July 25, 2020.

All applicants must first establish a secure My Alabama Taxes (MAT) account to protect their personal and business information on submitted applications.

Small businesses are encouraged to start this process as soon as possible in advance of the application period opening.

Each applying business must have its own MAT account to apply for a Revive Alabama Small Business Grant.

Tax preparers may not apply for grants on behalf of their clients but may be able to assist potential applicants with information needed to establish their own MAT accounts.

CCSO citizens' firearm safety class draws crowd

CULLMAN, Ala. – The Cullman County Sheriff's Office (CCSO) on Tuesday evening held a citizens' firearm safety class. The class is held regularly, but this time around, attendance was higher than usual, at a time of social unrest when, according to Sheriff Matt Gentry, the CCSO is seeing an average of 100 new gun permits or permit renewals per day and has recently seen up to 250 permits issued in a single day.

Gentry told The Tribune, "I think one of the reasons you see such a huge increase with our firearm safety class is the current climate across the nation, as we talked about with our pistol permits going up. There's a restlessness across the nation, and then people are uneasy."

Led by Investigator Trevor Clemmons, the class offered advice and instruction in:

• *Defining and understanding deadly force and when it can be used.* Clemmons defined deadly force as "use of force that is likely to cause serious bodily injury or death to another person. In order for deadly to be justified, there must be an immediate, otherwise unavoidable of death or grave bodily harm to yourself or other innocents.

• *Concealed versus open carry*

• *Where firearms may and may not be carried*

• *Types of holsters for various purposes and types of carry*

• *Types of firearms for different types of users*

• *Getting comfortable with and maintaining a chosen firearm*

• *Shooting stances, drawing and holding firearms*

Rules of gun safety:

• *Treat all firearms as if they are loaded.*

• *Keep muzzle pointed in a safe direction.*

• *Keep finger outside of the trigger guard until on target and you have decided to fire.*

• *Be sure of your target, what is around it and what is beyond it.*

Keeping citizens ready but safe

"One of the things that we take pride in at the sheriff's office is that we're probably one of the most pro-Second Amendment sheriff's offices in the state," said Gentry, "and that if we can teach our citizens who can legally own and possess a firearm to use them safely and proficiently, that's what we want to do, because we're a community that works together with law enforcement.

"We know, at times, that law enforcement is minutes away and all a citizen has is seconds.

"So we want our citizens to be safe and proficient in the use of their firearms. And that's one of our main goals at the sheriff's office.

"In the last five-and-a-half years, we've conducted these classes in the past, and we've been able to take probably, roughly a thousand people to the range and teach them how to use their firearms safely and proficiently, and that's something that we're proud of."

Anyone who attended Tuesday's class has the option of visiting the CCSO firing range this Saturday for hands-on training and live fire with deputies.
