CULLMAN, Ala. – Rep. Randall Shedd, R-Fairview was honored Friday morning after being named 2020 Alabama Rural Electric Association State Representative of the Year. A ceremony for Shedd took place at the Cullman Electric Cooperative, with Co-op CEO Tim Culpepper presenting Shedd the award.

Culpepper praised Shedd's work in the Alabama Legislature, which paved the way for the Co-op to be able to offer Sprout Fiber Internet. Shedd sponsored House Bill 400, which, according to him, "authorizes electricity providers to use their existing and future power lines, rights-of-way and infrastructure to partner with companies to provide or expand broadband/telecommunications services or actually be in the business themselves." The Broadband Using Electric Easements Accessibility Act was signed into law by Gov. Kay Ivey in 2019.

"The reason we're here today is to award Rep. Shedd with the State Representative of the Year award from the Alabama Rural Electric Association," said Culpepper. "We give this award every year, but it's particularly this year that it goes to Randall, because he went to war for us in a battle more than, I would say, probably the biggest battle we've been in, in the last 20 years, more than 20 years! There were a lot entrenched interests that did not want the co-ops to be able to offer broadband service, because they had part of that business themselves. They did not want to offer it to rural areas, but they didn't want us to do it either. There was a lot of opposition to the bill Randall sponsored » PAGE 9

State's July unemployment rate 7.9%; Cullman County 2nd lowest in state at 5.1%

Tara Hutchison
Contributor

MONTGOMERY, Ala. – Alabama Department of Labor (ADOL) Secretary Fitzgerald Washington on Friday announced that Alabama's preliminary, seasonally adjusted July unemployment rate is 7.9%, up from June's rate of 7.6%, and above July 2019's rate of 2.8%. July's rate represents 176,637 unemployed persons, compared to 166,668 in June and 63,414 in July 2019.

Cullman County's July unemployment rate, the second lowest in the state, is 5.1%, down from June's rate of 5.4% and higher than July 2019's rate of 2.6%.

"Following several months of unemployment rate decreases, this month we saw a slight increase in our unemployment rate," said Washington.

"While we can all agree that the economy is definitely recovering, we will continue to have fluctuations as we continue to learn how to navigate in this new pandemic-related reality."

Wage and salary employment increased in July by 10,900.

Monthly gains were seen in the leisure and hospitality sector (+5,800), the manufacturing sector (+4,300), and the professional and business services sector (+4,200), among others. Over the year, wage and salary employment has decreased by 101,800, with losses in the leisure and hospitality sector (-33,700), the professional and business services sector (-19,400), and the education and health services sector (-19,000), among others.

"Nearly 200,000 jobs were lost from March to April, when we experienced the greatest shutdowns and layoffs," continued Washington.

"Since then, we've recovered approximately half of those jobs."

Counties with the lowest unemployment rates are Clay County at 4.8%, Cullman County at 5.1% and Shelby, Randolph and Marshall counties at 5.3%. Counties with the highest unemployment rates are Wilcox County at 19.0%, Lowndes County at 18.7% and Dallas County at 14.5%.

Major cities with the lowest unemployment rates are Vestavia Hills at 4.3%, Madison at 4.6% and Homewood at 4.7%.

Major cities with the highest unemployment rates are Prichard at 21.2%, Selma at 17.5% and Bessemer and Mobile at 14.0%.

Sophomore Noah Dia named Wallace State's inaugural NSLS president

Russell Moore
WSCC

HANCEVILLE, Ala. – Sophomore Noah Dia is Wallace State Community College's inaugural president of the National Society of Leadership and Success.

The NSLS is the largest collegiate leadership honor society in the United States, with more than 700 chapters and more than one million members, who collectively have completed over 282,000 hours of community service.

Wallace State recently became a member of the organization, and the Student President Internship is a pilot position being offered to select chapters in the Southeast.

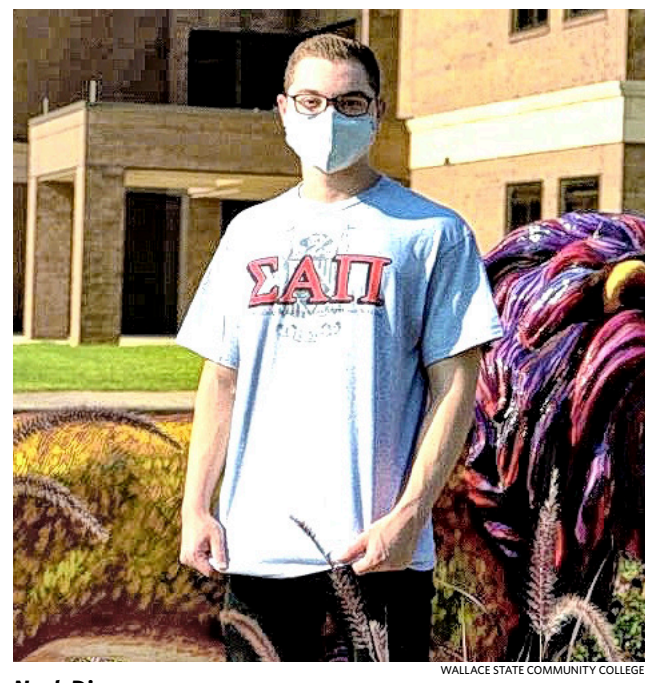

It provides Dia the opportunity to earn a structured paid internship while serving as president of Wallace State's chapter.

"It's exciting and an honor to be the first of anything at Wallace State. This is an impressive honor society," Dia said. "I hope I can lay a good foundation as we begin Wallace State's chapter and participation in it."

Through the honor society, chapter presidents gain real-world experience in management, communication, budgeting, public speaking, marketing and event planning, working to positively impact their fellow college members.

"I'm brainstorming with our Student Engagement Department to see what we can offer for our members this semester, whether virtually or safely on campus," Dia said.

Dia, a computer science major, is a member of multiple campus organizations and honor societies, including Phi Theta Kappa, Sigma Kappa Delta, TRIO, the Rotaract Club and Campus Ministries.

FUNNY THINGS FROM YESTERDAY

3 great-grands at our house

Robert N. Tidwell, Sr.
robertntidwellsr@gmail.com

Last week we had a good time at our house. Erin asked if we could keep Emma Grace for her. She had to go to school since she is a teacher. Anna Beth was at day care, and she needed someone to look after Emma Grace. We were glad to have her with us.

A little later Robin called to ask if we could take care of Tyler's little boys, Crosby and Alder, from two o'clock to three because Tyler had to go to work before she got out of school. Robin had been keeping the boys, but she, being a librarian, had to go to school also. We were glad to see them. We had not been seeing them because of the virus scare.

Granny had bought a little painting kit with pictures to paint and little paint containers with two little brushes. She also had bought four jigsaw puzzles. We thought that would entertain Emma Grace for most of the morning, and it did. Then we had lunch.

At two o'clock, or a little after, Tyler brought Crosby and Alder over. We have a playroom that is separate from the house, so we moved out there where most of the toys are.

They played with blocks, little trucks and a little dollhouse. After they tired of this we moved outside and they played with a soccer ball, a little golf set, and blew bubbles and chased them.

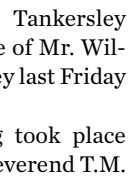

The final phase was into the house for ice cream and cookies. We have an Echo Show that our children gave us for Christmas. Emma Grace, being 5 years old, is already experienced in talking to Alexa.

The children were settled in and were eating their ice cream. Emma Grace began to ask Alexa to make sounds of different animals. Some of the sounds made the children laugh and their laughs and action got Granny and me involved. Little Alder would laugh so big the ice cream in his mouth would run out on his chin. It kept Granny busy wiping his chin. It was so much fun hearing all three of them laugh and enjoy being together. Emma Grace was the Master of Ceremonies and the life of the party.

BILLY BOB'S STORIES AND STUFF

They put shoes on the feet of some and clothes on backs of others

Bill King
Tribune
Contributor

Many people, me included, have a personal goal to set foot in all 50 states, plus the District of Columbia, before we set foot in heaven. Evangelist Rick Hagans, from Auburn, Alabama, has set foot in all of them except one. That one is Hawaii. Actually, he has done far more than set foot in most of them. He has walked across them...40 of them, to be exact. Each summer, Rick spends about a month walking across a state. He does this to raise money to buy shoes for needy children in Mexico. Supporters pledge donations for each mile he walks. Shortly after each walk, Rick takes a group of volunteers and a truckload of shoes to Mexico where they give them away.

In the summer of 1979, Rick chose Minnesota as his state to walk across. Rick had almost completed his journey across Minnesota when he met Pastor Charley Walker. Usually, he walks all day and then hitches a ride back to his travel home to spend the night.

Then he drives back to where he stopped, to start the next day's walk. He had stopped for the day in Detroit Lakes, which is about 45 miles from Fargo, North Dakota, or the state line. It was there, 21 years ago, that Charlie Walker stopped to pick up a hitch-hiking stranger. Both men discovered that the other one was a minister. Charley was a pastor there in Minnesota. Rick is an evangelist who also founded two ministry homes for men and women.

The two men found an instant bond and remained friends for many years after their initial acquaintance. Rick was invited back to preach at Charley's church and Charley came to Alabama to speak at Rick's ministries. They remained close friends until Charley died a couple of years ago. He suffered a massive heart attack one Sunday as he walked up to the pulpit to preach. Charley ministered until the end...and then some. I'll explain.

His Place is a home for men, on a 36-acre farm near Lafayette, Alabama. Rick founded this ministry 36 years ago. Hosanna Home is a home for women, located in an old hospital building, a few miles on the other side of Lafayette.

Rick founded Hosanna Home 32 years ago. Both ministries are Christ-centered treatment centers for men and women who are struggling with life-controlling issues. They have habits or problems that they have not been able to deal with on their own. At these two homes, they find the help they need, and it doesn't cost them anything except a commitment to live there, and stay clean, for one year. They have jobs there, as well as at Harvest Thrift Store, that helps pay the

cost of their residency. Many of the men and women come to the homes with nothing but the clothes on their backs. Some of them don't even have many of those.

Last Saturday, August 15, 16 men and 3 ladies who had successfully completed their year of residency walked across the stage at First Baptist Church in Opelika to receive their graduation certificates. Some of them, especially the men, did not know what they were going to wear for the occasion.

A few days ago, Rick found five large boxes on his front porch. They were from Charley Walker's widow, Miss Nadine. They were filled with Charley's church clothes. On Saturday, many of those men were dressed to the nines as they walked across that stage...in Charley's dress clothes.

God bless those who give to others while they are here...and some, even after they are gone. That is exactly what Jesus did and honestly, so should we.

POET'S CORNER

My Mother Once Told Me

By: Yehuda Amichai (1924-2000)

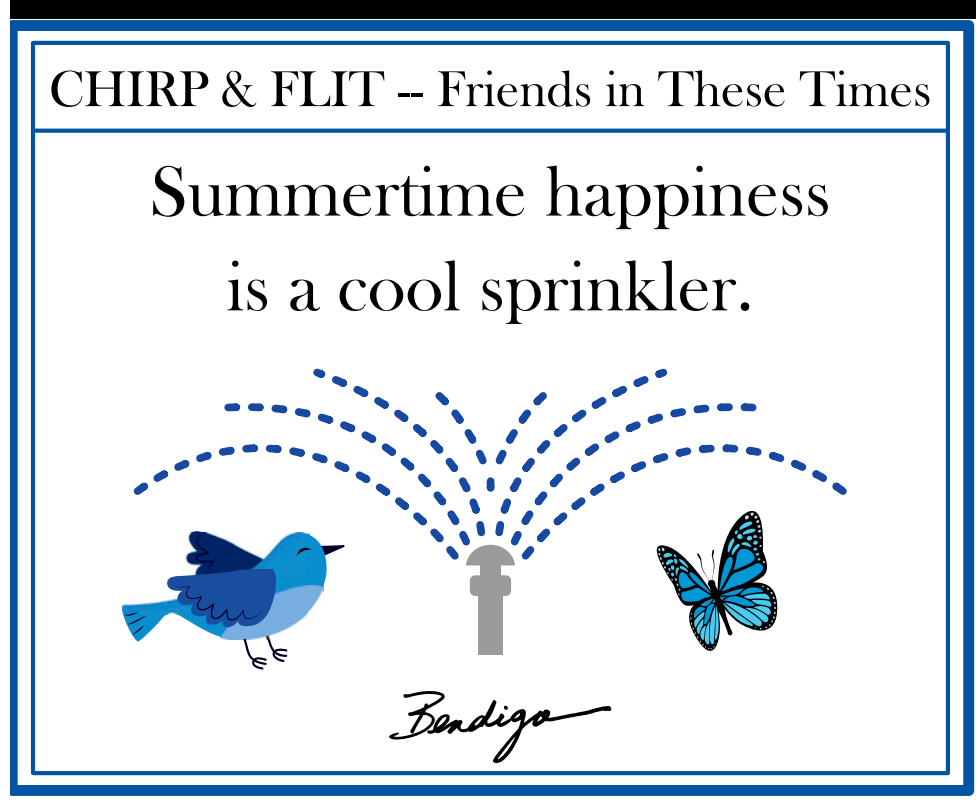

My mother once told me
Not to sleep with flowers in the room.
Ever since, I don't sleep
With flowers, I sleep
Alone, without them.

There were many flowers.
But I've never had enough time.
And persons I love are already
pushing themselves
Away from my life, like boats
Away from the shore.

My mother said
Not to sleep with flowers.
You won't sleep.
You won't sleep, mother of my childhood.

The bannister I clung to
When they dragged me off to school
Is long since burnt.
But my hands, clinging
Remain
Clinging.

Aggies take jamboree 20-0 at Falkville

Gary McGriff
Tribune Correspondent

FALKVILLE, Ala. – The Fairview Aggies traveled north just across the Morgan County line to Burl Vest Stadium to play the Falkville Blue Devils in an AHSAA Week 0 Jamboree game. On an evening with temperatures more like September than late August, both teams looked to start the season off with a win. Fairview left with a 20-0 victory.

Falkville began the evening with a three-and-out and was forced to punt. Hampered by an illegal procedure penalty, Fairview returned the favor with its own three-and-out. The Blue Devils showed brief life on offense getting one first down on their next drive. The Fairview defense stiffened and stopped Falkville on downs getting the ball on its own 37 yard line.

Fairview's offense settled down and proceeded to control the ball with an eight-play, 63-yard touchdown drive highlighted by a 33-yard run by Tyler Simmons. Simmons then completed the drive with a 1-yard touchdown run with 2:13 left in the first quarter. Elijah Guyton kicked the extra point and the Aggies led 7-0.

After a Falkville punt, Fairview looked to be driving again until Blue Devil Wyatt King intercepted Parker Martin's pass at the 10-yard line halting an apparent scoring drive.

Just when it looked like the Blue Devils were driving, quarterback Peyton Sallee was sacked by Simmons. Two plays later on fourth-and-19 Sallee was sacked again by Levi Garner and Fairview took over on downs at the Falkville 43 yard line.

For the next drive, the Aggies returned to the running game and scored their second touchdown on five straight runs.

Once again, it was Simmons scoring from 15 yards out. The extra point was no good and the first-half scoring was complete as the Aggies led 13-0.

Simmons completed the first half with 118 yards on 14 rushes. Martin added three rushes for 34 yards to go with his 10 yards passing.

The second half was used by both coaches to give them a chance to evaluate more players and rest their starters.

One of the highlights of the second half was a sack to stop Falkville's final drive by Braxton Simmons.

Fairview's biggest play of the second half was the result of a broken play. On the Aggies' own 27 yard line, the second play of the drive was a bad snap.

Scrambling to recover the ball, Eli Frost picked up the ball and tried to look for somewhere to run.

Dodging Falkville players, Frost scampered 73 yards for a touchdown. The successful extra point completed the scoring with a 20-0 Fairview victory.

On the victory, Fairview's head coach George Redding said, "I was very proud of how we controlled the line of scrimmage on both sides of the ball."

Fairview hosts cross-county rival Vinemont next week at Fairview.

Cochran, Dye lead Warrior air attack in 35-35 jamboree matchup

Chris Pugh
Tribune Correspondent

PRICEVILLE, Ala. – It seems like yesterday spring sports were canceled and life came to a halt, but Friday night, the West Point Warriors got two hours under those Friday Night Lights.

Jamborees serve to work out any last kinks as you nail down what you've been working on all camp. West Point, coming into the season with 17 seniors and high expectations, used the first half for exactly that.

After falling behind the chains on their opening series, senior QB Will Cochran was able to find fellow senior Jacob Dye for a 65-yard TD to light up the scoreboard less than two minutes into the season.

Priceville, which ran a tight-bunched shotgun offense, took its turn with a "3 yards and a cloud of dust" mentality. With lots of moving pieces and misdirection, the Bulldogs followed their star lineman no. 68 to the end zone after a cutback on a long, physical series.

These opening series seemed to be the blue print for the rest of the half. West Point moved the ball well, while at times falling behind the chains.

However, not once, not twice, but three times, Cochran was able to find Dye for 6 in the opening half. Touchdowns no. 2 and no. 3 came from 10 and 33 yards giving Dye an eye-popping first-half stat line of 3 catches, 108 yards and 3 touchdowns for the hat trick.

Dye wasn't the only Warrior contributing, though. Carter Thornton, Branson Smith, Cade Simmons, Kobe Bowers and running back Kelton Washington all got in the action. Bowers had a long 40 haul while Washington showed he was a true all-purpose back adding a number of yards both on the ground and off the pass.

With seconds left in the half, the Warriors decided to go for a long hail Mary leading to Cochran's only pick of the night. Priceville tried returning the favor with its own hail Mary as time expired, but after a tip by a fellow Warrior, Carter Thornton caught it and took it back deep into Bulldog territory to take some momentum into the half with the 21-14 West Point lead.

After Priceville came out of the half with a 3-play, 70-yard series, Thornton responded once again with a 58-yard run to regain the lead. The varsity squads wrapped up their nights with one more grind it out series ending with another Bulldog touchdown leaving the varsity tied 28-28 after two and a half quarters.

The junior varsity teams finished the game up each adding a touchdown. Backup quarterback Eli Folds did his best Johnny Manziel impersonation scrambling all over the backfield before he finally took a 14-yard run to the end zone.

West Point Head Coach Don Farley had this to say about the night, "Overall we played OK. Priceville is really well coached and they do what they do really well. They're really physical and I thought we matched that tonight. We have some things to work out this week. Good Hope has a talented group and they looked really good last night. We have to tighten up on the details. That will come with practice and reps."

When asked about the biggest thing they have to do this season, Coach Farley channeled his best Mark Ingram: "Trust. QB has to trust the line. Line has to trust the running backs. Receivers have to trust the QB. We gotta trust each other."

Senior QB1 Cochran echoed his coach's thoughts, saying, "I think we played a good game tonight, but we have to just get better on the details. We have a big week ahead of us and with this one over we are looking forward to playing Good Hope."

After their Week Zero tie at 35-35, West Point travels to county foe Good Hope for their first matchup since 2017 where the Warriors won a convincing 37-0. This senior class were just freshmen in 2017 and haven't forgotten how sweet that win was. They go into week 1 ready to write their own story in this county bout with one focus: trust.

Big plays plague Bulldogs in 28-6 loss at Haleyville

Todd Walker
Tribune Correspondent

HALEYVILLE, Ala. – The 2A Addison Bulldogs traveled to the far western end of Winston County to take on the 4A Haleyville Lions Friday night and it was senior night for the Lions. The Dawgs came out on the short end of a hard-fought game, 28-6.

Big plays doomed the Dawgs all night. After an exchange of possessions, Haleyville struck first on a 57-yard pass to take a 7-0 lead with 6:15 to go in the first quarter.

After the Lions held Addison to 0 yards on three plays, the Bulldogs mishandled the punt snap and Haleyville took over at the Addison 9-yard line. Two plays later, Haleyville cashed it in with a 2-yard run to put the Lions up 14-0.

Addison put together its only sustained drive of the night going 53 yards on nine plays, but the drive ended at the Lions' 21-yard line after a turnover on downs.

Haleyville then went 79 yards on nine plays, all on the ground, to take a commanding 21-0 lead at the half.

The Bulldogs came out in the second half and continued to play hard. Christian Roberts hit WR Justin Mather on a beautiful 50-yard touchdown pass to ignite the crowd and bring hope to the Dawg faithful.

After the missed two-point conversion, the Lions led 21-6.

Hope reigned for a very short time as Haleyville returned the ensuing kickoff 85 yards for a dagger to the heart touchdown to put the Lions up 28-6. This is how the game ended.

Haleyville had 190 yards rushing and 57 yards passing for a total of 247 yards on 41 total plays.

Addison had 104 yards rushing and 83 yards passing for a total of 187 yards on 43 plays.

Addison's leading rusher was Christian Roberts with 70 yards, followed by Weston Smith with 16 yards. The leading receiver was Justin Mather with 51 yards and a touchdown on two receptions.

Ross Steele led the defense with six tackles. Smith, Nelson Martin had five tackles. Bailey Wilson had a sack.

Addison's effort was never in question, but the Lions were too strong and controlled the line of scrimmage for most of the evening. There are some positives in the loss. It appeared Addison got out with no significant injuries. The team played hard but were hamstrung by the big play.

There were few penalties and only one turnover in a game played in the rain. The season has just begun and hope remains supreme that the Dawgs will turn it around.

Addison hosts the Lynn Bears next Friday, Aug. 28 at 7 p.m.

BREMEN, Ala. – Cold Springs and Meek kicked off the 2020 season at Cold Springs High School Friday night and each had to overcome the weather as well as their opponent. After getting most of the first quarter in the books, a 45-minute lightning delay sent both teams to the locker room. Once the game resumed, Cold Springs began to create some separation. However, the Tigers climbed back into the game late in the fourth quarter, but it wasn't quite enough, and the Eagles held on to win it 43-40.

Meek got on the board first after David Tidwell hit Cam Deaver at the goal line for a 4-yard touchdown pass and the two-point conversion made it 8-0. Cold Springs responded on the ensuing possession and after driving the ball down into the red zone, a Brodi Williams fumble bounced right back into his hands and he carried it into the end zone from 12 yards out to cut the lead to 8-7 with five minutes to play in the first. The Eagles came back from the weather delay and added to their lead when Ayden Alexander punched one in from 8 yards out to make it a 14-8 game.

Alexander scored another touchdown from five yards out to make it 21-8 early in the second quarter and a 58-yard bomb from Williams to Izaiah Estell put the Eagles on top 28-8 with four minutes to play in the half. An interception by Houston Goodwin just before the half maintained the 28-8 advantage for Cold Springs going into the break.

The Tigers came out and scored early in the third quarter on a 1-yard dive from Matthew Clark, but another touchdown run from Alexander kept the Eagles in front 35-16 midway through the third. A 4-yard touchdown run by Deaver cut into the lead early in the fourth quarter but Alexander answered with his fourth touchdown of the night, this time from 30 yards out to make it a 43-24 game with five minutes to play.

Meek would not lay down, and after forcing a couple of turnovers and finding the end zone two more times thanks to Clark and another touchdown pass from Tidwell to Kendick Smith trimmed the lead to 43-40 with just 20 seconds to play but the Eagles recovered the onside kick attempt and held on to win their season opener 43-40.

Alexander racked up a whopping 306 yards and four touchdowns on the ground while Williams added a score on the ground and through the air as well. Clark led the Tigers with 139 yards and two touchdowns in the loss, followed by Deaver with 62 yards and a score. Tidwell finished with a pair of touchdown passes for Meek.

Eagles Head Coach Justin Cornelius is now 1-0 in his tenure at Cold Springs and his first win came against his alma mater. He's proud of the energy his guys showed in the first game but says there will be plenty for his kids and himself to work on this week.

"They held their own. They did well and came out with energy and we played hard. That's all I can ask for, you know," Cornelius said. "I told them, this is my first time too so I'm learning too but I was happy for them and I'm proud of them. I love those guys, they're troopers. We let it get pretty close and it was shaky there at the end, but we pulled it out and I'm proud of them. Those Meek guys worked hard, and they've improved a lot from last year."

Cold Springs will travel to Holly Pond next week and try to stay in the win column while Meek returns home to host Winston County in the Tigers' home opener.

Arab kicks off season with 13-6 win at Albertville

Sammy Confer
sammy@cullmantribune.com

ALBERTVILLE, Ala. – The 2020 high school football is underway, and the Arab Knights traveled to Marshall County to take on the Albertville Aggies Friday night for a game was postponed due to weather Thursday. In a defensive affair, the Knights came out victorious on the road over the Aggies, 13-6.

Arab's defense got off to a strong start when Hayden O'Reilly picked off an Albertville pass at the 39-yard line. The Knights running game started out strong behind Mathew Turnage and Alex Alcala as they picked up a pair of first downs early in the drive, but it stalled as a mishandled snap was recovered by Albertville. Both defenses played strong and made big plays to keep the game scoreless after one.

An Aggie punt nailed the Knights back at the 3-yard line. Arab turned to Turnage for some breathing room. On a third down and 18 from the 9, Alcala completed a 25-yard pass to Wes Johnson to keep the drive alive. Later in the drive, Alcala completed another huge third-down pass, this time to Dakota NeSmith, for 22 yards and another huge first down. Turnage finished the amazing drive strong, finding a hole on the left side and tiptoeing his way in for a 37-yard score to put the Knights on the scoreboard with 4:22 remaining in the first half. After back-to-back punts, O'Reilly picked a perfect time to get his second interception of the night right before the half and Arab took a 6-0 lead into the locker room.

The second half started with the Knights punting on their opening possession, but they got the ball right back as Mitchell Duquette recovered an Albertville fumble on the second play of the series. Arab quickly took advantage of that turnover when Alcala found Johnson for 26 yards and he finished the drive with a 13-yard strike to John Brady Bowman to increase the Knights' lead to 13-0 with 6:21 remaining in the third.

Albertville started its drive strong but Arab quickly stepped up on defense, forcing a huge turnover on downs. The Knights were forced to punt on their next possession and a 25-yard touchdown pass cut the Arab lead to 13-6 with 9:24 remaining in the game.

Both teams traded punts on their next three possessions before Albertville got the ball back with a little over five minutes to go in the contest. A mixture of the run and pass got Arab out of sync as the Aggies moved the ball inside the 10-yard line, but when the Knights needed to get a stop, they did, stuffing the Albertville runner for no gain on fourth down to help seal the 13-6 win.

Turnage had a huge night on the ground, finishing with 163 yards on 31 carries and a touchdown, while Alcala completed five of 11 for 92 yards and a touchdown. O'Reilly picked off two passes for Arab while Duquette recovered a fumble.

Arab head coach Lee Ozmint was happy to see his team come out with the win, but said he's just happy to see sports again after a long hiatus due to the coronavirus.

"Oh man, it's wonderful," Ozmint said. "This is one of those things where there's really no losers. We get out here and we can get to play a sport that we love, that we've worked year-round to play, and we got a chance to do it tonight. I mean, under the lights, with a big crowd, big stage, beautiful place, two good teams. I'm proud to be a part of it."

Ozmint was really proud of the performances by Alcala and Turnage.

"They had huge games tonight," Ozmint said. "Our quarterback wasn't our quarterback two weeks ago. Our quarterback is on crutches, so Alex came in. He played H-back and he came in and took the quarterback position. Coach Dardin gave him a quick tutorial for two weeks and he did well. He did well tonight. He made some great plays here tonight. Turnage is a workhorse. He shows up to work every day. He works in the weight room. He works in practice the way he works out here. There's no off button for him. He shows up, he gets to work, and it's going to pay off for us."

SAMMY CONFER/THE CULLMAN TRIBUNE

Arab's Mathew Turnage rushed for 163 yards and a touchdown in the Knights' 13-6 win over Albertville.

Ozmint hopes to see his team build off of this win, but according to him, it's bigger than that.

"Well, it's easy to talk about big wins and all of that stuff, but sometimes, you learn more about your character in the good times than in the bad," Ozmint said. "And if we show up Monday thinking we're prima donnas, I'm going to have to rattle some cages. But we've got leadership. They'll be ready to show up Monday."

Arab will look to make it 2-0 next week at home against Guntersville.

Reports (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – In keeping with its commitment to promoting transparency in government, The Tribune continues its look at campaign finance records submitted by municipal candidates in the current election cycle. The candidates' reports indicate who has given them money and how they are spending those funds.

In addition to reports from the first article, this updated review includes reports from May and June that were not available in time for the first article.

The donor lists have also been updated to differentiate cash donors from those whose contributions were in-kind free services. Cullman attorney Champ Crocker, who provided in-kind legal services to Jeff Clemons after his election as chairman of the Cullman County Commission last month but did not contribute cash during the campaign, noted that many businesses and individuals will offer free services while having a policy of not endorsing candidates through cash donations.

In this list, The Tribune attempted to include brief descriptions of businesses making contributions, if those businesses might not be familiar to most readers. Information was not provided about possible business connections of individual contributors, unless the address or P.O. Box listed for the contributor was for the donor's business.

"Waiver" in the list below means that the candidate filed a waiver indicating that, during the specified time period, less than $1,000 was raised or spent by the campaign.

According to the Cullman County Probate Office, candidates who qualify for waivers do not have to file reports, or, necessarily, even file waiver forms. For that reason, several candidates from around the county do not appear in the following list.

The entries also list the number of "likes" and followers each candidate's campaign page had on Facebook (FB) at a specified point in the week, the same for all candidates.

May and June reports showed Cullman City School Board challenger Scott Sessions joining three other candidates, Mark Bussman for Cullman mayor, Gwen Parker for Cullman City Council and Jon Dumas for Cullman City School Board, who are being funded in part by contributions from Roy Drinkard and whose marketing campaigns go through Ascend Agency. Ascend is a local marketing firm known for its "robo-text" promotion of the #KeepCullmanGreat 1-cent countywide sales tax requested by the Cullman County Board of Education (CCBOE) and political action committee Advocates for Excellence in Education after the failure of a previous tax enacted through the Cullman County Commission to support multiple CCBOE projects including the Drinkard-backed "Project X" sports complex.

parent company Roberts Communications, LLC were unlicensed businesses. In the last week, Roberts Communications, LLC applied for and received separate licenses to do business as Ascend Agency (licensed as professional services) and Cullman Daily (licensed as an advertising agency).

C & C Graphics was also reported last as not having a city license, but that business had actually relocated outside Cullman, and, therefore, does not require a city license.

Obituary Announcements: Aug. 22

Sara Frances Ruehl was born Oct. 10, 1918. She passed away Tuesday, Aug. 11, 2020 at the age of 101 years and 10 months. A memorial graveside service will be held Wednesday, Aug. 26, 2020 at 11 a.m. at the Cullman City Cemetery. Sara was preceded in death by her husband Karl Emil Ruehl; her parents Edward L. Duke, Sr. and Sallie C. Duke; her brother Edward "Buddy" Duke; and her sister-in-law Dorothy Reid Duke. Sara is survived by a host of nieces and nephews and their families. She was a superb basketball player while attending Cullman High School. Her height was definitely an advantage. Throughout the years Sara excelled in bowling and was in a league for several years. They participated in several local, state and regional competitions. Sara enjoyed playing canasta with friends at The Donald E. Green Center in Cullman. She was still playing canasta with the group at the age of 101. She was a perfectionist at crochet and knitting projects for friends, family and for the public. The Braves Baseball Team was a special interest of Sara's. She has seen the Braves play in person, but decided she could see more via television. She knew the players' names, strengths and weaknesses. Some of Sara's vacations included Germany, Ireland, Alaska, and Hawaii, as well as numerous short trips. Travel was always a learning experience as well as an enjoyment. She continually expanded her vocabulary by working crossword puzzles in two different newspapers every day. Sara worked varies places in Cullman before retiring from Americold. Moss Service Funeral Home directing.

Bobby R. Cummings of Cullman passed away Aug. 20, 2020 at the age of 72. He was born in Cullman Nov. 9, 1947 to James O. and Marie Stringer Cummings. GOOD HOPE, Ala. – The City of Good Hope on Friday received a little help from the Alabama Mountains, Rivers & Valleys Resource Conservation & Development Council (AMRV RC&D) for the continued work on the City's park expansion. Good Hope was awarded a $5,125 grant toward the completion of the walking/running trails that will soon be added to Good Hope Municipal Park.

Work on clearing and burning of the recently acquired 33 acres adjacent to the existing park was ongoing as representatives from AMRV RC&D presented the check to Good Hope Mayor Jerry Bartlett.

"They give grants for these type of projects.

"We will use it on clearing, which is phase one," said Bartlett.

"We appreciate every nickel. ADECA (Alabama Department of Economic and Community Affairs) has some more money and we will be applying for it and we hope they will release the money by the fall."

Pictured left to right are Cullman County Economic Development's Ashley Graves, Good Hope Mayor Jerry Bartlett, AMRV RC&D Executive Director Mike Roden, Rep. Corey Harbison, R-Good Hope, Good Hope Councilman Maxie Jones and AMRV RC&D Board Member Robert Harbison.

CHRISTY PERRY/THE CULLMAN TRIBUNE

Hanceville place 5 (from Front)

Christy Perry
christy@cullmantribune.com

HANCEVILLE, Ala. – As the Aug. 25, 2020 Municipal Election approaches, The Tribune is holding Q&A sessions between candidates.

In Hanceville, voters will be choosing new council members. Incumbent Charles Wilson is being challenged in place 5 by Patty Nail Dean.

Why did you choose to run in the 2020 race?

Wilson: "I am completing my third term and I feel I have another four years of good time to devote to the city. In these three terms, I have only missed one city council meeting."

Dean: "The love of this community was instilled in me at a young age. My parents worked tirelessly in different aspects to enrich the city of Hanceville and it is very important to me to give back to this community by giving it a new voice, new ideas and my continued support. I want to see the progress continued here in Hanceville. I felt like it was a time I could do it personally and that birthed my motto, 'Keep the Progress Moving.'"

What would you like to do for Hanceville in the next four years if re-elected/elected?

Wilson: "I would like to see more businesses and promote more businesses. I would also like to continue with the efficient way the water and sewer departments are running. We have the cheapest water and sewer rates in the Cullman County area.

"The advancements we have made for the water and sewer, I have been heavily involved. We have kept those rates down by being efficient and being good stewards of the people's money."

Dean: "I will work with community leaders, business prospects and and organizations to help our downtown and surrounding areas grow in hopes of providing additional jobs. I will facilitate the expansion of new businesses in our community, expansion of our residential areas with new housing and development and welcome new families, all while maintaining the integrity of our small town. I would like to see growth in general for our town."

Are there any specific projects you would like to work on if re-elected/elected?

Wilson: "I would like to see more streets fixed and more drainage problems fixed in town. We are an elderly city and we have a lot of elderly people here and we need to help take care of these seniors. We are basically a bedroom community, and a bedroom community and the tax structure will not support a city. You've got to get businesses in here.

"The commercial properties are what supports a city. A bedroom community does not support the city. There is not enough tax structure there. I also think we needs to put more emphasis into our school even though it's a county school. We need to put more emphasis into our school and help the school more."

Dean: "I will step in being hands-on working for the citizens of our town and their needs. I plan to be proactive in business and residential expansions in Hanceville. I also want to work with the Chamber of Commerce to highlight the unique qualities that Hanceville provides. To facilitate a town that is safe for our children to grow up in and we are all proud to be a part of."

Why do you think the people of Hanceville should vote for you?

Wilson: "During my first, second and third terms, I have missed one city council meeting. I think I have voted to be a good steward of the monies and revenues that come in. Being a Certified Municipal Election Official, and I've got the planning and zoning credentials, I feel like I am qualified more than my opponent. I am on the board of directors of Hanceville Fire and Rescue, Hanceville Quarterback Club, Hanceville Historic Preservation Group and the Hanceville Water and Sewer Board.

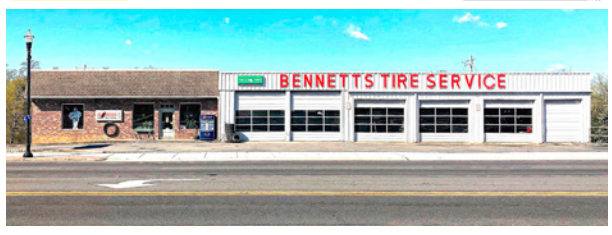

"I have completed 30 credit hours in planning and zoning at UNA and I am an Advanced Certified (Municipal) Official awarded by the Alabama League of Municipalities. I am also a member of the Hanceville Historic Commission.

"While serving on the water and sewer board, we were able to lift a consent decree and moratorium as imposed by ADEM, thereby enabling more customers to be added to the system. We also added solar panels, becoming the only sewer plant in the state of Alabama to do so. The solar panels save the system an estimated 50% in electrical costs."

Dean: "I work well with people. My work ethic, beliefs and compassion are strengths that I will utilize while serving my community. Hard work, dedication, teamwork and communication are all strengths that are needed for the position and I am committed to giving the citizens of Hanceville my best effort if they will allow me this opportunity.

"I will always stand up and do what is best for the citizens and community of Hanceville. I love this town. I want it to be a good place for families to move into and for people to raise their children here."

and that he pushed through the (Alabama) House (of Representatives).

Culpepper said the Co-op literally couldn't have done it without Shedd.

"He has gone above and beyond what would be expected of a representative and is well-deserving of this award today, and we're just proud to give it to you (spoken to Shedd) and proud that you're our representative," he said.

"I wanted to say that I wish we had a little bit more fanfare of an event to have this at, but it's still well-deserved, and I want you to know how heartfelt we feel about what you've done for us."

Shedd humbly accepted the recognition, saying, "Thank you to the Association. It's special to receive this award in Cullman. Thank you very much from the bottom of my heart.

"It was a long day but an exciting day in the House, but we had a lot of people and organizations that saw the need and saw the difference it (bringing broadband to rural areas) would make. Gosh, it's a great honor.

"As I mentioned it's a little more special to receive it here in Cullman, even though it's a statewide recognition, which I appreciate.

"A number of the co-ops across the state are already doing what Cullman Electric Cooperative is doing in central Alabama, and I hope to see all of them do that, the broadband. It's so important to people nowadays."

Fire (from Front)

CULLMAN COUNTY, Ala. – A Cullman woman was killed in a house fire in the early morning hours of Friday, Aug. 21. Cullman County Coroner Jeremy L. Kilpatrick identified the victim as Kathy Farley, 63.

The home is located at 15 County Road 1646 between Berlin and Holly Pond near the Duck River Reservoir.

Firefighters from Berlin, Walter, Holly Pond and Fairview responded, along with Cullman EMS, just before 1 a.m. Berlin Volunteer Fire Department Chief Ralph Laney, the first person to arrive on the scene, said the victim was the only person in the house when he arrived.

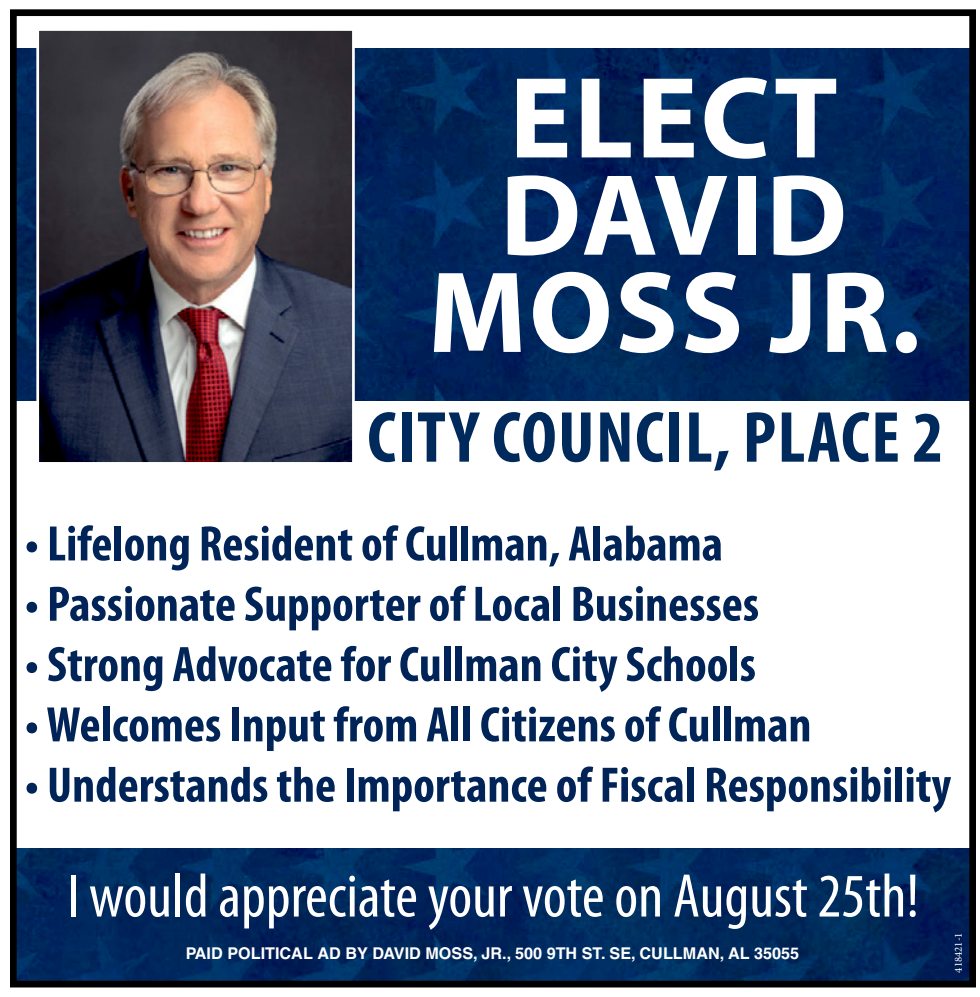

The victim's son had already gotten out and run to a neighbor's house to call 9-1-1.

The Cullman County Sheriff's Office is investigating the cause of the fire, assisted by the State Fire Marshal's Office.

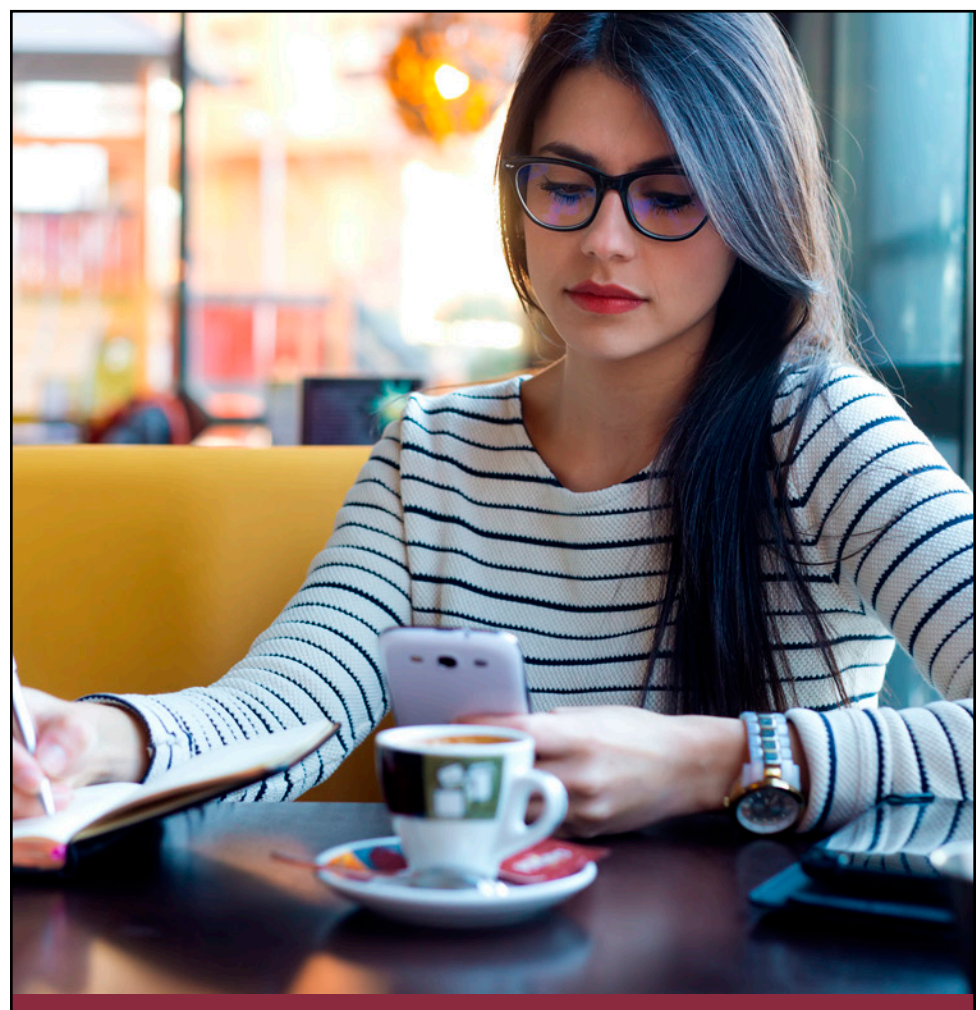

W.C. MANN/THE CULLMAN TRIBUNE

Multiple departments responded to the blaze early Friday morning at a home along County Road 1646 between Berlin and Holly Pond near the Duck River Reservoir.

7 p.m. on FREE
Love in the Time of Corona

This two-night, four-part limited series event, which concludes on Sunday, follows a diverse assortment of characters as they cope with the extraordinary demands of the coronavirus pandemic. In the premiere, "The Course of Love," married couple James and Sade (real-life spouses Leslie Odom Jr. and Nicolette Robinson) adjust to 24/7 life together in quarantine. Elsewhere, headstrong wife Nanda (L. Scott Caldwell) must make do with a virtual 50th wedding anniversary celebration when her husband's rehab facility goes into lockdown. Another new episode follows.

7 p.m. on HBO
Movie: Queen & Slim

Jodie Turner-Smith ("Jett") and Daniel Kaluuya ("Get Out") earned warm reviews in the title roles of this character-driven combination of romance, road trip and crime drama from Melina Matsoukas (in her feature directing debut), with a screenplay from Lena Waithe ("The Chi"). The film opens with Queen, a criminal lawyer, on her first, awkward Tinder date with Slim in a diner. Later, as he's driving her home, a routine traffic stop that starts out harmlessly goes badly wrong, forcing the pair to flee. Bokeem Woodbine and Chloe Sevigny co-star.

7 p.m. on BBCA
Earthflight

A new episode of this dazzling documentary series gives a breathtaking bird's-eye view of "South America," as scarlet macaws survey the heart of the Amazon, condors soar to dizzying heights along the Andes Mountains, and hummingbirds and vultures alike bear witness to the grandeur of this continent. Visual highlights include Machu Picchu, the cities of Rio de Janeiro and Santiago, and the enigmatic Nazca Lines in the Peruvian desert. David Tennant narrates.

8 p.m. on HIST
Unidentified: Inside America's UFO Investigation

Season 2 comes to a close with two final back-to-back episodes, starting with "Sightings Surge," wherein Luis Elizondo utilizes some new cutting-edge technology to scrutinize a series of UFO videos from 2019, a year that saw a sharp uptick in the sightings of unidentified flying objects. Then, in the finale "Extraterrestrial Encounters," Elizondo ponders an invisible threat these mysterious aircraft may pose, something not previously considered among the five "observable characteristics" of UFOs.

8 p.m. on SHOW
Movie: Run This Town

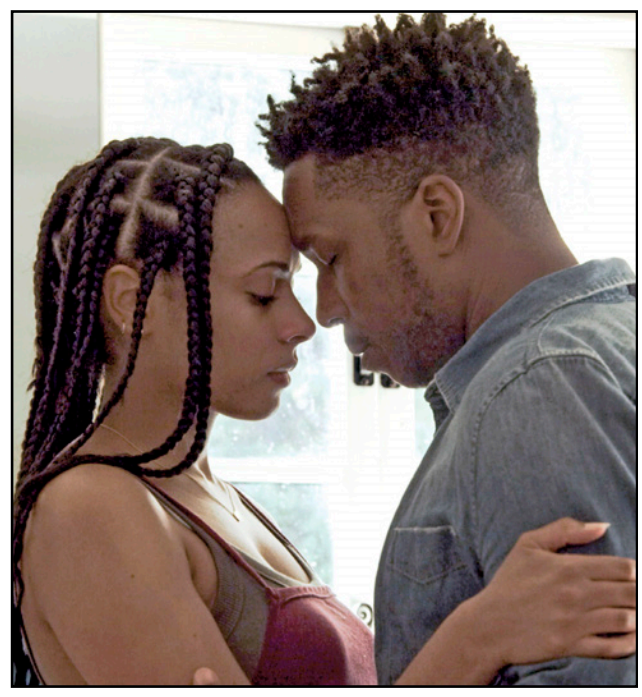

Ben Platt ("The Politician") stars in director and screenwriter Ricky Tollman's 2019 drama, which charts the chaotic final year in the tenure of Toronto mayor Rob Ford (an unrecognizable Damian Lewis, "Homeland"). Platt plays Bram Shriver, an aspiring investigative journalist who is bored out of his mind as the story opens, cranking out mindless "listicles" at his job when he stumbles upon a potentially explosive political story. Mena Massoud, Nina Dobrev, Scott Speedman, Gil Bellows and Jennifer Ehle also star.

8 p.m. on OWN
Family or Fiancé

A young couple is utterly convinced they've found their true soulmate in each other, but they also know they need to bury some past issues before they're ready to start looking to the future together in the new episode "Brittney and Patrick: My Best Friends Bougie Wedding." For her part, Brittney remains haunted by memories of an ex-boyfriend, while Patrick really needs to reconcile with his loved ones who feel abandoned by this new life of his.

9 p.m. on TRVL
Hotel Paranormal

A romantic getaway that's a popular destination for lovers, illicit and otherwise, turns into the backdrop for a night of abject terror in the new episode "Confined Spirits." In other segments, a security guard is frightened when he is unexpectedly accosted by a presence in a haunted bathroom at a posh California hotel, and shadowy apparitions strike horror into the heart of a front-desk clerk on the night shift. Dan Aykroyd is the narrator.

Nicolette Robinson and Leslie Odom Jr. star in "Love in the Time of Corona" on Freeform.

BAILEYTON, Ala. – As the Aug. 25, 2020 Municipal Election approaches, The Tribune is holding Q&A sessions between candidates.

In Baileyton, voters will be choosing new council members. Deborah Moon and Roy Shedd have each qualified to seek place 2, left vacant by mayoral candidate Windell Calloway.

Editor's note: The Tribune attempted to contact Deborah Moon several times for this article. As she did not respond, only Roy Shedd's answers are published.

Why did you choose to run in the 2020 race?

Shedd: "I have 21 years of previous experience with the town council and I felt like I could still be of service to the town of Baileyton."

What would you like to do for Baileyton in the next four years if elected?

Shedd: "I would like to see transparency in the business of the town and better maintenance of our equipment."

Are there any specific projects you would like to work on if elected?

Shedd: "Upgrades in the park and new venues for all age groups."

Why do you think the people of Baileyton should vote for you?

Shedd: "With all of the previous experience of being a councilman, I feel like I could start from day one with an advantage to be able to help with the concerns and needs of the town of Baileyton."
