LIVING WITH LYME

Meet 12-year-old Madeline of Walter

CHRISTY PERRY/THE CULLMAN TRIBUNE

Madeline Hill, 12, lives with Lyme disease. She and her family reside in the Walter community in Cullman County.

Christy Perry
christy@cullmantribune.com

WALTER, Ala. – When Madeline Hill was 4 years old, she spent a fun day with her family at a petting zoo in Key Largo, Florida. It was when the family returned home that evening that her mom, Becca, discovered a bullseye rash on her daughter. After four years searching for answers, when Madeline was 8, the family discovered the source of the rash and the long-term consequences. Madeline was diagnosed with Lyme disease.

The LymeLight Foundation, a nonprofit dedicated to raising awareness and supporting children and young adults with Lyme, states, "Lyme disease is an infection caused by the spirochetal bacteria- Borrelia Burgdorferi. If left untreated, infection can spread to the joints, the heart and the nervous system. Because the bite is painless, fewer than half of people with Lyme disease realize they have been bitten. Likewise, fewer than half of patients with Lyme disease recall any rash. Lyme and tick-borne diseases are prevalent across the entire United States with cases in each of the 50 states. The Lyme disease bacteria is powerful and has the ability to enter the brain less than 24 hours after a tick bite."

It is through a bite from an infected tick that Lyme disease is transmitted, and it's typically from a species of black-legged ticks. LymeLight cautions that several types of ticks have been known to be carriers and the "nymphal, or immature, form of the tick, which is about the size of a poppy seed, causes most human cases."

Madeline was bitten by a tick that carried Lyme disease and other co-infections.

Her mom recalled, "There was a deer there at the petting zoo, so it could have been a deer tick."

Madeline, now 12, explained her symptoms.

"Well, I used to be a gymnast and I used to play soccer, but whenever I would do gymnastics, after, my knees would » PAGE 7

Wallace State Criminal Justice Department launches new Corrections degree option

Russell Moore
WSCC

HANCEVILLE, Ala. – Wallace State Community College's Criminal Justice program has added a new Corrections degree career option.

Classes for the new major include Introduction to Corrections (CRJ 150), Correctional Institutions (CRJ 156), Community Based Correction (CRJ 157), Issues in Correction (CRJ 259), Correctional Rehabilitation (CRJ 256) and Correctional Counseling Techniques (CRJ 212). Students can pursue the major through a Corrections associate in applied science degree, a Criminal Justice associate of applied science degree with a concentration in Corrections or through a short-term certificate.

Classes may be completed entirely online.

"This degree will give students the understanding of how a prison or jail operates and their duties as an officer. Many police officers begin their careers in a jail or prison," said Dr. Thea Hall, program chair of Wallace State's Criminal Justice program.

"The Correctional Officer has many advancement opportunities such as warden, correctional supervisor, probation officer and parole officer."

Hall added the prison reform efforts in Alabama are seeking to lower the credentials for employment from a bachelor's to an associate's degree with a concentration in corrections education.

"Wallace State President Dr. Vicki Karolewics had the foresight of following the changes in the Criminal Justice reform and encouraged us to look at the possibilities of growth in our department," Hall said.

The Alabama Department of Corrections (ADOC) is the largest law enforcement agency in Alabama with 26 Correctional Institutions operating in the state.

On Thursday, Governor Kay Ivey and the ADOC announced the construction of three new prisons, set to be built in Bibb, Elmore and Escambia counties.

"This important benchmark demonstrates meaningful progress against our multi-faceted strategy to transform Alabama's correctional system," ADOC Commissioner Jeff Dunn said.

Wallace State's Criminal Justice Department also offers degree options in Criminal Justice, Forensic Investigation, Law Enforcement and Forensic Psychology.

"We want to give our students all of the career possibilities that are available," Hall said.

For more information on Wallace State's Criminal Justice program, including the Corrections option, visit www.wallacestate.edu/programs/academic-division/criminal-justicecriminalisticslaw-enforcement

- Guest speakers will be Cullman County Sheriff Matt Gentry and Ronnie Gravitt, retired from California Department of Justice and former corrections officer at the California Department of Corrections.

North Alabama Agriplex Harvest to Home Fundraising Dinner and Silent Auction
- Since we cannot all be together, we are inviting the community to prepare our fresh, local foods into a meal at home then enjoy the bounty of the harvest knowing your neighbors are also tasting the same great flavors. Our locally-sourced meal prep boxes come complete with pre-portioned ingredients and a custom tailored recipe from local Farm to Table Chef Braxton Taylor of Dreher's in Cullman. The meal prep boxes will be available for pre-order Sept. 4-13, with a drive-through pickup at the Agriplex Sept. 17 from 2-5 p.m. Each box will cost $50 and serve two people.
- Our always popular Silent Auction will be online this year at www.agriplex.org. Browse and bid on items from Sept. 4-13 with pickup Sept. 15 or 17. Items are diverse - featuring gardening and farming items, plants, original works of art, gift cards to local businesses, local farm produce, and lots more. Check out the North Alabama Agriplex Facebook page for previews of Silent Auction items.

Dates to remember
- Sept. 13 - Last day to bid on Silent Auction and pre-order meal boxes; site closes at 5 p.m.
- Sept. 15 - Early Silent Auction pickup at the Agriplex from 2-5 p.m.
- Sept. 17 - Harvest to Home Meal Prep Box pickup, plus Silent Auction pickup at the Agriplex from 2-5 p.m.

Farm Kids Club PIGS!
- Saturday, Sept. 12 from 9-10:30 a.m. at the North Alabama Agriplex
- Limited space; registration required; $5 per child; $10 max per family; adults free; masks required and social distancing; https://bit.ly/2Gxlfbx

Cub Scout Fishing Derby
- Cullman and Cullman County youth–Cub Scouting wants you! Now is the time to join the fun and excitement of America's foremost youth program for youth—Cub Scouting. Sign-up nights are currently taking place throughout Cullman and Cullman County.
- Cub Scouting is for youth in the kindergarten through fifth grades. The program combines outdoor activities, sports, academics, and more in a fun and exciting program that helps families teach ideals such as honesty, good citizenship, and respect.
- On Sept. 12 from 9 a.m.-noon, we are hosting a fishing derby for youth interested in joining. Parents can learn more about the local unit's activities and how Scouting can benefit their child.
- For more information, please contact District Director Vicki Rosengarten at 256-272-3523 or Vicki.Rosengarten@scouting.org.
- For more information about finding scouting near you, visit www.beascout.org.

Drive-Through Food Bank at Spirt Life Church of GOD
- Saturday, Sept. 15 from 9-11 a.m. at 1650 St. Joseph Dr. NW, Cullman
- Bring a form of ID.

- U.S. Highway 31 from First Baptist Church to McGriff Tire
- Fair Parade registration starts at 9 a.m. Monday, Sept. 21 and ends at noon Wednesday, Sept. 30.
- Registration is at the fair office-$20 per entry - cash or check only
- Download the registration form at http://bit.ly/CFPregistrationform.

Cullman County Fair
- Oct. 8-17 at the Cullman County Fairgrounds
- All in One Passes go on sale Tuesday, Sept. 15 at Peoples Bank locations.
- Find out more at www.cullmanfair.org.

Funny Things from Yesterday: 23 for lunch

Robert N. Tidwell, Sr.
robertntidwellsr@gmail.com

This was the first lunch that we planned at our home since the pandemic hit town. We had been missing all the togetherness that we enjoyed with our complete family.

Our grandson, Trey, has taken a job in North Carolina and he was leaving at the end of the week. Up until now, our family of 23 people all lived within one hour driving distance. It is sad for me that they are leaving, but they need to do what is best for them.

Frances, my only sister, who is just older than me, called about eight o'clock in the morning and she was feeling depressed over her physical condition and being cooped up for so long.

So I talked with her to try to cheer her up. I invited her and her husband Don to come to our house to have lunch with us. She accepted my invitation and I was very glad. When it was close to lunchtime, I drove out to their home and picked them up.

Since we now live in town our house is much smaller than the one we left in the country. We do, however, have another building with a large room that we use for our family meetings and meals. The room is composed of three tables and has enough room to seat our entire family together. Also in this room we have several toys for the great-grands.

As the ladies were putting the silverware on the tables and had the food on the food table ready to serve, Alder, who is 2 years old, decided he wanted to play golf with the little golf set. Having the toy taken from him threw him into a temper tantrum. He laid across the two steps that are at the entrance to the room and cried, screamed and kicked his feet. He really put on a good show.

After lunch we had more activities from the little ones but none as exciting as Alder's. When I carried Frances and Don home, I asked her if the activities of the children's noise, the loud conversations and laughter bothered her.

She said, "No, it was good to see all of us and especially the young children."

BILLY BOB'S STORIES AND STUFF

Who was That Masked Man?

Bill King
Tribune
Contributor

I was two-years old when the popular television series The Lone Ranger went off the air. Obviously, I don't remember watching the original episodes, but I grew up watching reruns. Long before most of us were wearing a mask, the Lone Ranger sported one. Of course, his mask did not cover his mouth to protect himself and others from a virus, but covered his eyes in order to conceal his identity. He had been the sole survivor of a group of ambushed Texas Rangers; therefore, he was the "Lone Ranger." He was nursed back to health by Tonto, his American-Indian companion. Together, they rode their horses across the early American West, assisting helpless victims of evildoers.

I grew up long before the computer age. As children, we played with dangerous things such as toy trucks/cars and cap guns. I often strutted across my yard with a pair of Roy Rogers' toy holsters and cap pistols strapped around my waist. I usually tied the ends of my holsters to my legs with a string. Sometimes I tried to ride Sport, my thoroughbred-hybrid dog. Sport didn't seem to mind too badly, but he wouldn't stay tied to a hitching post. As children, my dear friend Ronald and I often pretended to be any number of western duos. These included Matt Dillion and Chester or Festus, or Wyatt Earp and Doc Holiday. Sometimes we got a little on the wild side and played Frank and Jessie James. Did you know that Jessie James teamed up with Billy the Kid? He did, right there in my back yard. Since my name was Billy, and I was a kid, you can easily guess which character I played. The Lone Ranger and Tonto were always two of our favorites. Naturally, we both wanted to play to part of The Lone Ranger, so we took turns. We even had a mask (homemade, of course). When Sport wouldn't cooperate, we rode air horses or an old broom or mop immersed in lots of boyhood imagination. I don't think we fed our horses a proper diet, because they were as thin as a, well, a broom stick. Of course, whenever we had defeated an imaginary enemy, we jumped on our horses and whichever of us pretended to be The Lone Ranger, or Kemo Sabe as Tonto called him, yelled, "Hi-Ho Silver, and away!" If we ever had a third friend playing with us, which was rare, his job was to ask, "Who was that masked man?" That could easily be the question of the day, these days.

When we were kids, wearing a mask and pretending to be Kemo Sabe was fun. Maybe these days, we should act more like the kids we once were than the "mature" adults we have become. Right? I have to be honest and say I don't find wearing a mask to be as much fun these days. I do; however, consider wearing one in public a responsibility to those I am around, as well as to myself. I know, I know, they aren't comfortable. They are hot. I can't decide whether to shave off my goatee or keep it since no one can see it anyway now. I have seen some mask that looked like they would be fun to wear. One even looked like a goatee, one with lips painted on it, and even one that looked like a dog's nose. How about if we had matching mask and shirt or tie? I don't know about you, but honestly, I probably look better with a mask on anyway. I've got my mask on, my chin up, and my knees down. We will get through this.

Bill King can be reached at bkpreach@yahoo.com or 334-745-0588 (office).

HISTORY: Files from Yesteryear: 1898, 1917, 1930

From the Files of 1898

J.H. Karter, of Cullman, holds the honor of building the first store in Vinemont. It will probably later be as large as his Cullman store, where he carries $100,000.00 stock.

The "Ellen Inn," at Vinemont, is in charge of Mr. and Mrs. Fred Graves of Detroit.Board and lodging can be secured for $1.00 per day or $4.00 per week.

Vice-President Clarke of the Alabama Vineyard and Winery Company is clearing up and renovating the Cullman Winery.

The wonderful Holmes' Gap Spring is the mecca for many vacationers.

Instructions have been issued from the U.S. Post Office department to change the name of Pennacle to Vinemont, beginning July 1.

Joseph Fromhold is one of our largest strawberry growers.

President Von Biester, of the Cullman Quartette Club, has received notice that half fare will be granted to those who want to go by L and N Railroad to the Birmingham singing festival.

The Decatur Company, which went through to Mobile on Sunday, took along Jake Ehrensperger and John Deerr as recruits from Cullman.

E.B. McGetrick and W.C. Boub are vacationing at Hot Springs, Arkansas.

From the Files of 1917

Mrs. I.E. Daly announced the engagement of her daughter, Miss Dorothy Mayo to Joe Thomas, at a pretty luncheon on Saturday.

The Leans, with John Allgood as Captain, have challenged The Fats, with W.O. Kelley as captain, to a ballgame on July 4.

From the Files of 1930

Mrs. W.L. Ward was elected President of the B.P.W. Club at the meeting on April 3.

Miss Maru Kelley was elected Vice-President, Miss Leana Torrey was elected Secretary and Miss Margaret Schlosser, Treasurer.

Alfred Glasser, Junior, senior at Cullman County High has been awarded a scholarship to Howard College.

Miss Carmen Smith and Hugh Hipp were married last week.

The Berlin School has a new curtain for its auditorium.

The Cullman Musical Trio, Alvin Lewis, Henry Copeland and Curtis Davis will broadcast on WAPI again on Saturday afternoon.

The cast for the Joppa School play, "The Little Clodhopper," includes Rosa Willis, Coleman Corley, Willie Mae Gober, Wilbert Noles, Cecil Creel, Charles Hill and Jesse Sparks.

Elizabeth Robinson was hostess to the Junior Study Club on Thursday afternoon.

Miss Mavis Land entertained a group of friends at the home of Miss Orpha Price on Thursday evening.

Mr. and Mrs. Buford Thompson announce the birth of a son, Arnold Buford, Junior, on April 4.

Mr. and Mrs. Marvin Lee and Mr. and Mrs. Del Kennamer attended ladies night at the Huntsville Kiwanis Club on Friday.

Mrs. Darrow Peebles and baby, Darrow, Junior, of Decatur spent Friday with Doctor and Mrs. G.W. Bledsoe here.

Solicitor Herman Stewart, Glenn Holmes and Miss Fannie Patrick spent Thursday in Gadsden.

Grant (from Front)

Russell Moore
WSCC

HANCEVILLE, Ala. – Wallace State Community College's Welding Department has been awarded a $200,000 grant by the Appalachian Regional Commission (ARC) for the purchase of workforce training equipment for its new Technical Education Center for Welding and Entrepreneurship.

"The Appalachian Regional Commission's mission to advance opportunities for self-sustaining economic development and improved quality of life in our region makes the organization a perfect partner for our work at Wallace State, and we are extraordinarily grateful that the ARC has recognized the tremendous value of this project and selected it for a competitive grant award," said Wallace State President Dr. Vicki Karolewics. "Job growth, economic prosperity and workforce training truly are interdependent."

Wallace State's new training facility, anticipated to open in late 2021 or early 2022, will allow the welding program to expand its highly successful reach and provide an estimated 110 workers in the Southern Appalachian region each year with more opportunities for training in the high-skill, high-wage and high-demand welding trade and help meet the employment needs of some 40 new and current manufacturing businesses in North Alabama. In addition, the Alabama Department of Commerce confirmed in 2018 that more than 6,000 advanced manufacturing jobs will be created through the implementation of the Mazda Toyota Manufacturing plant, which is scheduled to open in 2021.

Wallace State's new welding facility will be located on the north end of campus, behind the college's School of Nursing and Center for Science building.

The facility will also house a new Entrepreneurship Center and Technology Incubator, which will contain seven incubation pods, an ideation station, along with shared conference and workspaces.

The new Wallace State welding facility will allow the program to grow from 6,500 square feet of cramped, overflowing classroom and lab space with 51 welding booths, 18 of which are in mobile units, to a 19,445 square feet state-of-the-art facility better equipped to serve a program with approximately 80 students and growing enrollment.

The new space will include 62 welding booths; ten virtual welding simulators; six pipe fitting stations; a destructive and non-destructive testing lab, which includes magnetic particle testing, penetrant dye testing, macro etch testing and ultrasonic testing; three robotic welding and resistance welding cells; an additive manufacturing cell; and a CNC automation and programming lab for plasma cutting, fiber laser cutting, and water jet cutting; and an overhead crane for safety training in rigging and crane operation.

Wallace State's Welding Department, a NC3 (National Coalition of Certification Centers) program, trains students at both the main campus site in Hanceville and in Oneonta. Students enrolled in the program have opportunities to earn an associate in science welding technology degree or select certificates.

The welding program has produced multiple winners at the state SkillsUSA competition and two national champions – Joey Foster in 2009 and Jacob Humphrey in 2019. Humphrey is now an instructor in the program.

In 2018, Wallace State received a $2 million grant from the Economic Development Administration to address regional needs for entrepreneurship and job growth, leading to the implementation of the new welding facility.

For more information the Appalachian Regional Commission, visit www.arc.gov/.

For more information on Wallace State welding, contact 256-352-7846, 256-352-8272 or visit www.wallacestate.edu/programs/technical-division/welding

POET'S CORNER

It's a Long Way

By: William Stanley Braithwaite | 1878-1962

It's a long way the
sea-winds blow
Over the sea-plains blue,—
But longer far has
my heart to go
Before its dreams come true.

It's work we must,
and love we must,
And do the best we may,
And take the hope of
dreams in trust
To keep us day by day.

It's a long way the
sea-winds blow—
But somewhere lies a shore—
Thus down the tide
of Time shall flow
My dreams forevermore.

COMIC – CHIRP & FLIT

Raiders hammer Ashville on the road 47-13

Jason Russell
Tribune Correspondent

ASHVILLE, Ala. – Tonight was an awesome night on the road for the Good Hope Raiders, who came home victorious over the Ashville Bulldogs, 47-13. If you got there one minute late, you missed the first touchdown, courtesy of Raider Ethan Anderson.

Good Hope's defense came out firing on all cylinders as well, forcing a three-and-out.

The Raiders took the ball on their own 10, and Tanner Malin tore off a long run only to be called back on a penalty. From the 5-yard line, Malin's pocket collapsed and he took advantage of a wide open field to go 95 yards for a touchdown, making it a 14-0 game early in the first quarter.

The Raider defense wasn't ready to give up any first downs and held the Bulldogs to another three-and-out. After an interception by Malin, the Bulldogs were forced to punt at the end of a 12-play drive. Ashville later retook possession in hopes of putting points on the board only to fumble the ball and give the Raiders the ball once again. It took Colton Bagwell a total of one play to run the ball 24 yards for a touchdown, bringing the lead up to 20-0 with more than six minutes left in the half. An interception by Lawton Farr gave the ball back to Good Hope.

The Raiders took the ball all the way down inside the 20 but were denied a touchdown. They were able to hold the Bulldogs, though, getting the ball back and going up 27-0 after an 11-yard touchdown run by Malin.

The Raiders maintained a 27-0 lead going into the half.

The Bulldogs came out in the second half and continued to struggle through the air, tossing an interception to Anderson after just three plays. Malin connected with Pugh for a 28-yard touchdown pass, bringing the score to 34-0. The Raiders kicked it back to Ashville, and after none of the Bulldogs picked it up, Good Hope recovered the ball at the 49-yard line. A score by Konnor Stephens on a 22-yard run made it a 40-0 game late in the third.

With the Raiders giving some younger guys some field time, Ashville was able to get on the board, but it wasn't enough to overcome the Good Hope lead and the Raiders left with a 47-13 victory.

Good Hope improved to 3-0 on the season with the win and will return home to host Haleyville next week.

Cold Springs holds off Sulligent 21-19 in region opener

Nick Griffin
nick@cullmantribune.com

BREMEN, Ala. – Cold Springs opened up region play on its home field Friday night and after honoring this year's seniors before kickoff, the Eagles fended off the Blue Devils 21-19 to improve to 3-0 on the season.

Sulligent took an early 7-0 lead after running one in from 4 yards out and maintained a 7-0 advantage going into the second quarter.

The Eagles got on the board in the second when quarterback Brodi Williams connected with Roberto Ayala from 10 yards to out tie the game at 7 and with just over a minute to play in the half, Williams hit Izaiah Estell for a 55-yard touchdown pass to make it a 14-7 game going into the break.

Cold Springs added to its lead in the third quarter. Ayden Alexander scored on the ground from 8 yards out to put the Eagles in front 21-7, but the Blue Devils were able to find the end zone in the third quarter as well to cut into the lead and make it a 21-13 game going into the fourth quarter.

Sulligent scored once more early in the fourth quarter to cut the lead all the way down to 2 but was stopped on the two-point conversion attempt and the Eagles were able to hold on and win it 21-19 to start region play 1-0.

Cold Springs improved to 3-0 on the season with the win and will have next week off before traveling to Aliceville Sept. 18.

Addison falls at Aliceville 36-34 in OT

Todd Walker
Tribune Correspondent

ALICEVILLE, Ala. – Addison traveled to Pickens County to take on Aliceville in the region opener for both teams. A great game was marred by several disputed calls, on both sides, from the officials and Addison came out on the short end, 36-34 in overtime.

Addison surprised everyone by kicking an onside kick to open the game and recovered it at the Aliceville 41. Six plays later, QB Christian Roberts took it in from 3-yards out and Addison led 6-0 with 8:25 to go in the first.

On Addison's next possession Will Tuggle, who played the game of his life, scampered in from 10-yards out to put the 'Dawgs up 13-0, still in the first. The second quarter opened with the Jackets getting on the board on a 10-yard scoring pass. Addison led 13-6. Addison responded with Roberts hitting Tuggle on a nice 15-yard swing pass for the score that made it 20-6.

It didn't take the Jackets long to respond with a 55-yard touchdown pass that closed the gap to 20-14. A fumble on Addison's next possession put Aliceville in great shape at the Bulldog 37-yard line. A few plays later, the Jackets hit a 29-yard touchdown pass to tie the game at 20.

Addison got the ball back with only 41-seconds left in the half. After a nice run by Weston Smith, Coach Smothers pulled out some trickeration. What appeared to be a jet sweep to Xavier Barley, turned into a gorgeous Barley 42-yard pass to Tommy Lee Daniel. Daniel got down to the 38-yard line. The Addison drive was stopped at the goal line on the final play of the half with the score tied at 20.

Addison opened the second half and relied heavily on the ground game. It was Nelson Martin and Smith up the middle with Tuggle and Roberts going outside. Smith capped the drive off by rumbling in from 10-yards out to put Addison up 28-20 in the third. Aliceville responded with a 1-yard run of their own to tie it at 28.

Addison then took over the ball with 11:55 to go in the game and drove 15 plays down to the Aliceville 14-yard line when a penalty and an interception killed the drive.

Aliceville then looked like they were going to win it in regulation, driving to the 'Dawg's 15-yard line before Xavier Barley picked off a Jacket pass at the goal line. The game ended and overtime, and controversy, began.

It only took Addison two plays to score with Martin going in from 2-yards out to put the 'Dawgs up 34-28.

Aliceville took over and it took them three plays to go five yards. Facing fourth and five, the Jacket QB rolled to his left and threw a ball low to a Jacket receiver in the end zone. One official ruled it an incomplete pass and one ruled it a TD. After a short conference, it was determined that he caught the ball. A two-point conversion allowed Alicevill to take the ballgame 36-34.

Addison will try and get back on track as they host Midfield in a region game at A.G. Hicks Stadium on Sept. 11.

Meek drops road game at Brilliant 55-30

Nick Griffin
nick@cullmantribune.com

BRILLIANT, Ala. – Meek hit the road to kick off region play Friday night and was sent home with a 55-30 loss. The Tigers fall to 0-3 on the season with the loss.

Brilliant took an early 14-0 lead in the opening quarter but the Tigers found the end zone to stop the bleeding and cut it to 14-8. Brilliant and Meek traded scores after that, making it a 21-16 game early in the second quarter but Brilliant was able to step back in front 28-16. The Tigers scored again to make it 28-22 and pull closer before the half but Brilliant got on the board one more time before the break to take a 35-22 advantage into the locker room.

Back to back touchdowns by Brilliant stretched the lead to 48-22 midway through the third and Meek trailed by 26 at the start of the fourth quarter. Another Brilliant score made it a 55-22 game and the Tigers were able to find the end zone one more time, but it wasn't enough to overcome the early lead and Brilliant went on to win it 55-30.

Meek will head back out on the road next Friday to take on South Lamar.

Aggies fall to Guntersville 48-12 on the road

Gary McGriff
Tribune Correspondent

GUNTERSVILLE, Ala. – The Fairview Aggies entered the third week of the season ranked no. 9 in Class 5A in the state. Standing in their way, the Guntersville Wildcats, ranked no. 6 in Class 5A in Alabama. Fairview was fresh off its win against cross-county rival Vinemont. Guntersville defeated its Marshall County neighbor Arab last week. The Class 5A top 10 meeting took place at Guntersville's Phil Isom field on a pleasant early September night. Guntersville defeated Fairview 48-12.

Fairview took the opening kickoff on its own 26-yard line. Tyler Simmons took a handoff on the opening play and was tackled 22 yards later. Parker Martin added a 17-yard run as the Aggies scored a touchdown on an eight straight runs to complete a 74-yard drive. The extra point was no good and the Aggies led 6-0 with 8:57 left in the first quarter.

Guntersville tried a trick play on its first snap. Running back Logan Pate lined up at quarterback and handed off to quarterback Cole McCarty running across the formation. McCarty stopped and passed to a wide open Jack Harris for an apparent 44-yard gain. An ineligible receiver downfield penalty against the Wildcats erased the long gain. After the penalty, Guntersville settled down and went on a 12-play touchdown drive capped off by a scoring pass from McCarty to Harris. With 4:44 left in the first quarter, Guntersville took to the lead on a successful extra point 7-6.

After Fairview stalled on its first drive of the second quarter, Guntersville wasted no time in scoring on a two-play, 89-yard touchdown drive. On the second play, McCarty completed a 78-yard touchdown pass to Harris. With 9:11 left in the first half, the Wildcats led 14-6.

Both teams had promising drives end in turnovers. Guntersville's Pate fumbled at midfield. The Aggies appeared to be driving for a touchdown when Guntersville intercepted Martin in the end zone, ending the first half with Guntersville leading 14-6.

Guntersville took the second-half kickoff and scored quickly on a six-play touchdown drive capped off when Pate completed a 35-yard pass to Bandon Fussell. The touchdown drive was aided by an acrobatic catch of 34 yards by Harris. With 10:16 left in the third quarter, the score was 21-6 in favor of Guntersville.

Fairview put together a 10-play drive that ended when Guntersville intercepted Martin's pass at the 10-yard line. A penalty against Fairview gave the Wildcats the ball on their own 37. Again the passing tandem of McCarty-Harris for Guntersville hurt the Aggies with a 42-yard completion. With 3:14 left in the third quarter Guntersville extended its lead to 28-6.

Fairview's only other drive of the third quarter ended on a fourth-down quarterback sack by Guntersville giving the ball back to the Wildcats on their own 37-yard line.

McCarty-Harris hooked up on the first play of the fourth quarter for a 27-yard completion. McCarty added a 21-yard run and Jerrell Williamson ran in for the 2-yard touchdown, and with 11:05 to go in the game the Wildcats led 34-6.

On Fairview's first possession of the fourth quarter, Guntersville again forced a turnover when Almir Lorenzo intercepted Martin's pass and returned the ball to Fairview's 15-yard line. On the third play McCarty completed a 5-yard touchdown pass to Cooper Davidson and the score quickly became 41-6 with 9:04 left in the game.

After a Fairview three-and-out, the Wildcats scored their final touchdown with 5:12 to go in the game when Antonio Spurgeon scored on a 1-yard run to extend the lead to 48-6.

Fairview completed the scoring on a 12-play touchdown drive when Caiden Hall completed a 14-yard pass to Preston Ryan, and the final score was 48-12 Guntersville.

After the game, Fairview Coach George Redding said, "We've had better days. We'll have better days. I'm very proud of our guys. We'll bounce back."

Fairview travels to Douglas next week.

Warriors' comeback falls short 31-28

Chris Pugh
Tribune Correspondent

WEST POINT, Ala. – On a misty Friday night, the West Point Warriors found themselves with their backs against the wall over and over, only to continue to fight back down to the final whistle. It seemed the Warriors not only had to overcome the play of the other team, but also the many calls of the refs. Ultimately, despite a great effort, the Warriors fell short, 31-28, to Lawrence County.

The Warriors opened the game up with a balanced attack, gashing the Red Devil defense both on the ground and in the air. After Senior QB Will Cochran found Branson Smith for a 45-yard deep ball, Cochran took it in the end zone himself on a 1-yard run.

After the impressive opening drive Lawrence County answered right back with its own 13-play, 53-yard drive ending with a 5-yard touchdown run by Gage Dutton. Expecting a shootout after the first series, both offenses seemed to stall out after several defensive stops. West Point relied heavily on Keaton Chappell, who was all over the field making tackles all night long.

With two minutes to go, the Red Devils went into their two-minute drill and used several big plays to move the ball down the field, with the last being a 24-yard touchdown catch by Kaden Edwards. Lawrence County QB1 Brody Sparks scrambled on the play and found Edwards, who was able to break several tackles on his way to 6. Garret Lee caught a two-point conversion to give West Point a 14-7 deficit going into the half.

The Warriors went straight to work forcing a quick three-and-out on defense, followed by a 45-yard touchdown pass on the third play of the opening series of the second half. Cochran found Smith once again for 45 yards, except this time it was for 6. Nate Zillis converted the extra point to tie the game up 14-14. It's been noteworthy before, but tonight let's call a spade a spade. Zillis is clutch. He is perfect for the season on extra points, something which will likely end up deciding a game at some point this season. It's not easy finding an automatic kicker in high school, and the Warriors have a great one.

The Red Devils duo of Sparks and Edwards again responded to the Warrior attack, finding the end zone again on a 25-yard touchdown pass where Sparks again moved in the pocket, delivered a strike to Edwards, who again broke several tackles to find pay dirt. Here is where the controversy begins. The Warrior QB1 came right back on the second play of the following drive with a beautiful deep ball to fellow senior Jacob Dye. Dye reeled in the pass and took it 65 yards to again tie the game. But in the words of Lee Corso, "Not so fast my friend." The refs threw a flag on the play on a call that seemed made up, at least in this writer's mind. This call not only took 6 points off the board, but eventually lead to a turnover on downs.

Lawrence County went on an 80-yard drive ending with a 23-yard field goal to extend its lead to 10. West Point responded with its own long drive, ending with yet another Cochran TD run from 1 yard out. With a chance to get the ball back on the following series West Point had the Red Devils on a quick third-and-3, only to have Sparks throw a Tebow-esque pop pass to Lee for a 52-yard touchdown that felt like it sealed the deal. The Warriors had more calls go against them, failed to convert on fourth-and-goal, and then a Red Devil punt.

Down 10 with only minutes to play, Cochran continued to find his hot target of the night in Smith and capped off another drive with a touchdown run, this time 4 yards.

Down 3 with only 42 seconds left, the Warriors came up with a huge onside kick. Unfortunately, the comeback attempt came up short with a pick near the end zone that sealed the Red Devil win, sending the Warriors to an 0-2 start.

Despite a disappointing start, this Warriors squad has a ton of talent and a lot of potential the rest of the season.

"Tonight's game was decided by four or five plays, but we showed we can make big plays. 0-2 isn't where we want to be, but region play starts next week," said West Point Head Coach Don Farley.

West Point will host Boaz in its region opener next week.

Bearcats topple Hartselle on the road 30-20

Nick Griffin
nick@cullmantribune.com

HARTSELLE, Ala. – For the first time since 1997, the Cullman Bearcats are leaving Hartselle with a victory. The series between the Bearcats and Tigers has always been competitive but Hartselle has dominated on its home field for over 20 years, until tonight. The 'Cats were on top 23-0 at one point in the fourth quarter and despite some late scoring by the Tigers, the lead was too much to overcome and Cullman held on to win it 30-20 and improve to 3-0 on the season.

After both teams opened the game with back to back punts and a scoreless first quarter, the Bearcats got on the board first thanks to a 37-yard field by Brody Adams that made it 3-0 early in the second. Cullman found the end zone for the first time on its next possession when Jaylen Hughey carried a handful of Hartselle defenders across the goal line from 5 yards out. The extra point was blocked, and the Bearcats moved ahead 9-0 midway through the period.

Cullman's defense continued to smother the opposition like it has the first two weeks of the season and got the ball back in the hands of the offense with just over three minutes to play in the half. The 'Cats drove the ball down into Tigers territory and used a little creativity to get on the board just before the break. Quarterback Max Dueland tossed the ball out to Hughey and the standout tailback pulled up and hit wide out Nic Glass in the left corner of the end zone with 37 seconds on the clock to put Cullman on top 16-0 going into the half. The Bearcats racked up over 120 yards on the ground in the first half while holding the Tigers to -3 yards in the first two quarters.

The 'Cats continued to add to their lead after a mostly scoreless third quarter. Hughey punched another in on the ground, this time from 2 yards out, to make it a 23-0 game with two minutes to play in the third. The Tigers were able to chip away at the lead in the final frame, connecting on touchdown passes of 33 and 25 yards as well as punching one in on the ground to cut the lead to 10 at one point but it was too little, too late and Cullman will improve to 3-0 on the season with the 30-20 win.

Hughey racked up 157 yards and three touchdowns on the ground and added a touchdown pass to his night. Noah Kee and Jake Dueland each added 39 and 33 yards rushing in the win respectively.

Bearcats Head Coach Oscar Glasscock says his team was focused was on themselves and not the opponent this week and he credits that mindset for Cullman's performance tonight.

"We don't define ourselves around here by who we're playing. It's always going to be about who we are not who we play, and I think that was really the difference tonight," Glasscock said. "We didn't get caught up in the emotions of the rivalry. I loved how we held our composure in the second half especially. It's a lot more difficult than people realize when you seem to have a comfortable lead and be in control of the game to maintain your composure when the momentum switches and focus on the task at hand. It's not going to be easy and we're not going to get a shut out every week, but the bottom line is, we won the football game."

Hughey carried the ball 31 times for Cullman in the win, many of which came late in the game to put the Tigers away. Glasscock is proud of the way Hughey finished the game and wants that style of play to define his team.

"I think he just kind of symbolizes the growth of the program since I've been here. He's a work in progress just like I am, and we have some good days and some bad days but when the lights come on that guy is a warrior," Glasscock said. "I'm super proud of him and he's got a free education waiting on him. I think he just personifies our team as far as being a grinder. He didn't get flashy yards tonight, he got hard-earned yards tonight and that's the kind of team we want to be around here."

The Bearcats will return home next week to take on Buckhorn.

Oakman bruises Broncos, 40-16

Doug Bates
Tribune Correspondent

OAKMAN, Ala. – The Holly Pond Broncos traveled to Walker County to square off against the Oakman Wildcats Friday night, and the Broncos got bruised, 40-16.

Holly Pond received the opening kickoff, starting on its own 30, but facing a strong Wildcat defense, the Broncos failed to gain a first down.

Oakman struck first on its second possession.

Missing the extra point, the Wildcats went up 6-0 with 5:23 left in the first quarter.

To open the second, the Wildcats scored their second touchdown of the night, giving them a 13-point lead.

Then Holly Pond's special teams gave Bronco fans something to cheer about when, facing fourth-and-long, the Broncos pulled off a fake punt and Levi Boatright went 35 yards for a first down.

The Wildcats ended the first half with another score. At the break, Oakman was on top 20-0.

Oakman broke out of halftime with its fourth touchdown of the night, going up 26-0 with 11:32 left in third.

Holly Pond's Gunner Creel had a great night on defense.

After picking off a Wildcat pass in the second quarter and ending a Wildcat drive, he blocked a punt in the third.

The blocked punt set the Broncos up deep in Wildcat territory. After driving to the 9 yard line, the Broncos found themselves at first-and-goal, but the Oakman defense drove them back to the 26, and the Broncos turned the ball over on downs.

Ending the third quarter with a two-play, 73-yard drive, Oakman went up 33-0.

The Bronco offense came to life with a score of its own in the fourth, putting the game at 33-8, but Oakman was hard to stop, and the Wildcats came right back with a one-play pass/run for a 55-yard touchdown.

Holly Pond managed to find the end zone once more before the game ended 40-16 in favor of the Wildcats.

The Broncos will host J.B. Pennington next week.

Vinemont suffers 54-0 loss at J.B. Pennington

Ryan Guthery
Tribune Correspondent

BLOUNTSVILLE, Ala. – The Vinemont Eagles traveled to Blountsville to take on the J.B. Pennington Tigers Friday night in their first region game of the year. The Tigers walked away with a 54-0 victory.

Vinemont received the opening kickoff but went three-and-out. Pennington marched right down the field to take a 6-0 lead. Vinemont's second possession was another three-and-out, and two plays later the lead was extended to 12-0.

Vinemont fumbled the ball on the second play of its ensuing possession but was able to force a punt.

Early in the second quarter, Pennington threw an interception deep in Eagle territory. However, the very next play Pennington was able to force a safety to make the score 14-0.

After the free kick, Pennington needed just four plays to go up 20-0. The Tigers added another touchdown to push the lead to 26-0 at halftime.

Pennington started the second half by returning the kickoff to go up 33-0 and the Tigers added two touchdowns in the third quarter to take a 47-0 lead heading into the fourth. Pennington added another touchdown in the fourth quarter to cap off the 54-0 victory.

Vinemont will try to shake this one off next week when the Eagles return home to face Carbon Hill.

Knights fall to Wildcats at home 28-7

Nick Griffin
nick@cullmantribune.com

ARAB, Ala. – After falling to Guntersville in their home opener last week, the Arab Knights returned home Friday night hoping to bounce back with a big region win. Unfortunately for the home crowd, there wasn't a lot celebrate after senior night festivities were over. The Wildcats built an early lead in the first half and didn't allow Arab to climb back into the game, pulling away to defeat the Knights 28-7.

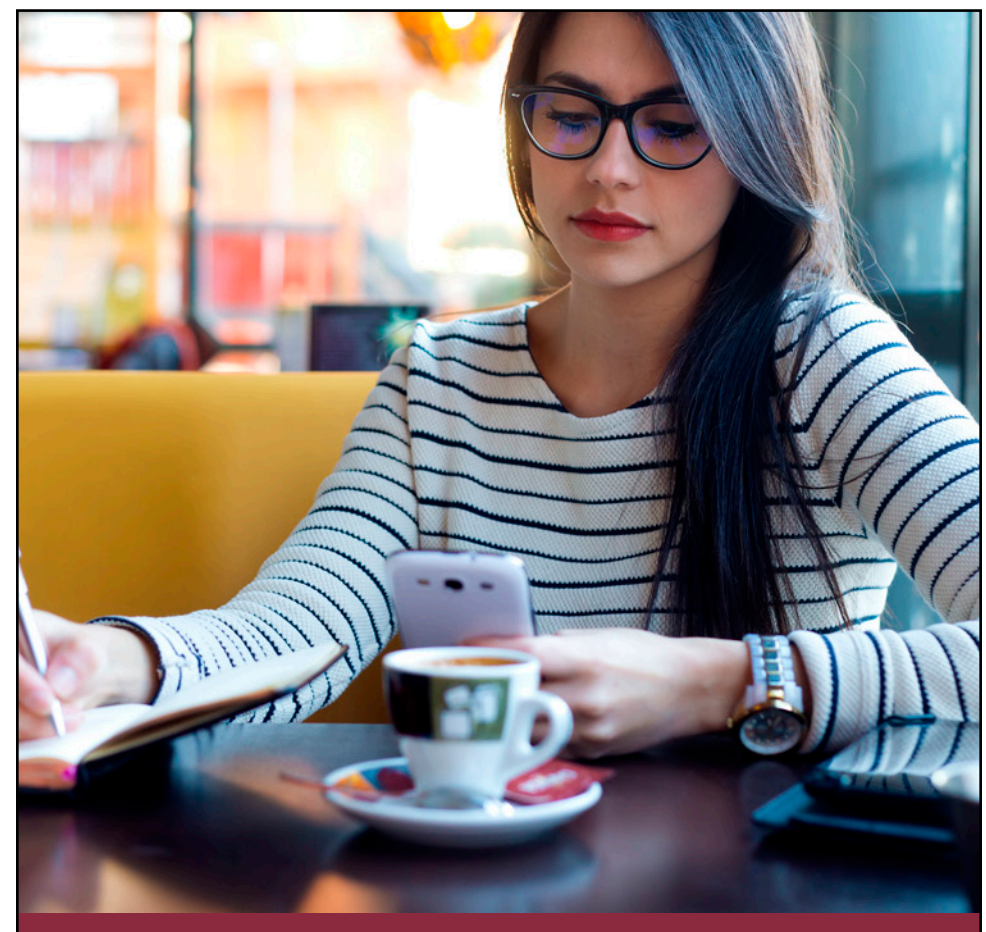

Fort Payne found the end zone early in the opening quarter to take a 7-0 lead and held that lead going into the second. Another Wildcats touchdown made it a 14-0 game early in the second quarter and they were able to stretch their lead to 21-0 by halftime.

The Knights cut into the lead with a score early in the third quarter that made it 21-7 but they trailed by two touchdowns going into the final frame. Fort Payne was able to get on the board one more time to make it a 28-7 game and officially put things out of reach for Arab.

The loss drops the Knights to 1-2 so far this season and they'll aim to bounce back next week when they travel to Scottsboro.

9:45 p.m. SHOW "Hustlers" ★★★½ (2019) Constance Wu Ramona shows Destiny how to finagle her way around the Wall Street clientele who frequent their strip club. But when the 2008 economic collapse cuts into their profits, the gals and two other dancers devise a daring scheme to take their lives back.
10:55 p.m. FREE "The Hunchback of Notre Dame" ★★★½ (1996) Voices of Tom Hulce. Animated. Disney's musical version of the Victor Hugo classic centers on a disfigured man who rings the bells of Notre Dame Cathedral in 15th-century Paris.

Trial (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – Cullman Clinical Trials (CCT), a medical research group affiliated with Cullman Primary Care, began a trial this week of a drug that may be able to combat the symptoms of COVID-19 and keep patients healthier through the progress of the disease. Participants will receive medical services and financial compensation.

CCT Managing Partner Alex Seligson told The Tribune, "We just started one this week for a treatment for COVID-19 patients and it's for a drug called Nitazoxanide. This drug has been on the market for over a dozen years, and the purpose of it right now is to treat patients that have a parasitic infection."

Nitazoxanide is often used to control diarrhea in cases of parasitic infection, helping to control a potentially dangerous symptom of the infection.

An April 2020 report from the National Institutes of Health noted that the drug had been "previously suggested but widely ignored" in COVID research, but pointed to potential benefits from its use in combination with azithromycin or hydroxychloroquine, especially when administered as early as possible after the onset of symptoms.

According to Seligson, the drug can help control fever as well as diarrhea.

"They're trying to prove that it's purposeful in helping COVID patients, helping (keep) the disease from progressing," he said, "keeping their temperatures down, helping with respiratory symptoms, trying to keep them out of the hospital and away from death situations."

Seligson shared CCT's description of the trial:
Clinical trial for the use of Nitazoxanide for the treatment of COVID 19 and symptoms.

The purpose of this anti-viral drug is to subdue the symptoms including fever and respiratory issues. This is a double blind placebo controlled trial meaning half of the patients will get the active medication and the other half will receive a placebo. Participants do not need to be diagnosed with COVID 19 but do have to have some symptoms. Cullman Clinical Trials is affiliated with Cullman Primary Care but anyone who has symptoms may participate in the trial. Eligible participants will receive study medication, doctor visits, COVID and antibody tests and compensation of $690.

The Cullman trial is part of a national study expected to include around 2,000 patients. Such a trial in a city the size of Cullman, especially without a teaching hospital or medical school, is unusual.

Said Seligson, "It's interesting that they're doing it in Cullman, because a lot of these trials are only being done in the big academic medical centers like the UABs and the Vanderbilts.

"We're an independent research facility and we work in Cullman and we do things like fatty liver disease and rheumatoid arthritis and pediatric vaccinations- very common medications for that.

"You know, we're really excited to kind of bring a COVID treatment, because it's an opportunity for anybody who has symptoms- you don't even have to have a COVID diagnosis- because one of the things they found with this medication: you've got to hit it early.

"If you can hit it within the first three days of symptoms with this anti-viral, they're trying to prove that it'll subdue the symptoms and keep the patients, the severity of the virus, from getting worse."

The trial began Wednesday with two patients, but CCT is still taking applications. Seligson hopes to see at least 100 participants in the Cullman study.

To those who might be concerned about health and safety in such a trial, Seligson said, "With any clinical trial, there's always a risk; however, that risk is mitigated by the fact that this medication has been on the market for over a dozen years, and side effects have been quite minimal.

"If anything, diarrhea and headaches have been the most common negative side effects from this, so I think the positives greatly outweigh the negatives with this potential treatment."

If you are interested in taking part in the trial, visit www.cullmanclinicaltrials.com or call 256-708-2826.

Lyme (from Front)

start hurting and all my body and elbows would ache," she said. "At first, we just thought it was growing pains, so we didn't really think anything of it. We went to doctors and they didn't know. The feel was almost, I don't really know how to explain it. You would have to experience it to get it."

She also stayed in bed and was tired all the time. Her joints would pop and she experienced a variety of other symptoms.

Said Becca, "Things as a mom- I remember taking her to the doctor for stomachaches that wouldn't go away or unexplained fevers. She would run a really high fever, and the next day it would be gone.

"She would have sore throats so I would think she had strep throat. They would test her for strep throat and it would be negative. She would have all the symptoms of strep throat, but the doctor would say, 'Well, she's just one of those kids that has a great immune system and catches something and then it's gone,' or, 'Stomach pain is the number one reason parents take their kids to the pediatrician.'"

Madeline was not putting on weight. The activities she had loved to do, she no longer wanted to participate in.

"I knew it was just not right," said her mom.

Doctors told the Hills it was or could be many different things, including lymphoma, rheumatoid arthritis and thyroid issues. Finally, through a friend who told them about Lyme disease, they had Madeline tested and it was positive.

Becca explained that testing for Lyme disease is not the normal or "go-to" thought.

"We had people in Florida tell us that Lyme doesn't exist in Florida," she said. "You have all these people who travel down from the northeastern states to Florida bringing their animals. How can they not? I used to joke, 'What do they do, stop at the Florida-Georgia line and say sorry, I can't go in?'"

Lyme disease is most prevalent in the northeastern states, but according to the Centers for Disease Control and Prevention (CDC), cases in Alabama have increased over the past 10 years.

Ticks carry more than just Lyme disease. Tick-borne illnesses include Anaplasmosis, Babesiosis, Borrelia Mayonii, Bourbon Virus, Powassan disease.

In the Southeast, Rocky Mountain Spotted Fever and STARI (Southern tick-associated rash illness) are transmitted through the brown dog tick and the lone star tick.

Madeline's initial rash was slow to go away. Doctor's thought it was allergy-related and began removing foods from her diet. Eventually the symptoms went away. It wasn't until she turned 8 that her symptoms reappeared.

"Getting treatment and getting someone to listen was probably the most difficult. Clearly, she went from cartwheeling everywhere to not wanting to get out of the bed. We knew something was wrong," Becca said.

Madeline has chronic active Epstein Barr.

Becca explained, "In a normal person, all of us have been exposed to Epstein Barr- 90% of the world's population. That's mono (mononucleosis). She could have come in contact with someone with Epstein Barr and it just reactivated any type of infections in her body.

"What's interesting about Lyme and all the co-infections, is once you treat, it's always good to treat the worst one first. She has mycoplasma which to you and I is walking pneumonia, but to her, it's intracellular.

"That is her biggest hurdle. It makes her chest hurt, it makes her joints pop and have really sore muscles. Then, they treat that and then to the next one and the next one. What happened with her, we treated these larger viruses with antivirals, antibiotics, supplements and all these crazy things.

"Then, all of a sudden, Bartonella showed up. Bartonella attacks the brain. She went from being able to read and being a math whiz to not being able to read or do basic math. So, once you start treating something else, something else may come out of dormancy."

She added, "Not every patient that gets bit by a tick has actual Lyme. There are all types of tick-borne illness. Now some are coming out saying that Lyme can be contracted by mosquitoes, lice and fleas. There are all different ways to get it. So, a lot of people will say 'I have Lyme disease,' but when they go through a series of tests, it doesn't come back, but all these other co-infections do."

Lyme disease, caused by spirochetes of the Borrelia burgdorferi sensu lato complex, likes tight spaces such as joints and the brain.

When Madeline was being treated for Lyme she would say, "My knees are buzzing. My ankles are buzzing."

Her mother explained, "When you have an infection and take an antibiotic, you are breaking up that infection and it's a live organism. She would feel these buzzing sensations. That is where the majority of her joint pain is and she has what they call myoclonic seizures."

Lyme carditis is also something Madeline's doctors monitor closely.

Becca believes there are many children and adults with sicknesses caused by Lyme or tick-borne illnesses. She said one of Madeline's physicians in Orlando realized one day he was treating illnesses such as rheumatoid arthritis and Crohn's and decided he was always treating symptoms and not the root cause.

"He would send tests off around the world and see these patients did had tick-borne illnesses or West Nile, Zika or malaria and had lingering symptoms because the actual virus was never killed or treated," she said.

Becca encourages her friends and others who are experiencing illnesses to find out why and ask to be tested for Lyme.

The Hill family moved to the Cullman area in late June of this year and is in the process of seeking doctors who are knowledgeable about Lyme disease. Madeline has been to different specialists throughout the United States including a seven-week stay at a Ronald McDonald House in Orlando last fall where she received three IV treatments a week.

Travel and treatment are costly, and the family applied for a grant through the LymeLight Foundation to assist. They were awarded a grant, and now, Madeline is very active in helping the foundation, raising money and awareness about Lyme disease.

She said she saw how her mom was trying to take on odd jobs to help with her treatments and she wanted to help other families. Last May, she raised $3,000 at her Lift for Lyme event and she has sold lemonade at her "Take a bite out of Lyme" lemonade stand.

Madeline has also become an advocate for Lyme Warrior, another organization helping kids with Lyme.

Becca said, "They give Smile Boxes to kids. They sent her a Smile Box last year and this year she wanted to help give Smile Boxes to other kids."

Madeline is now a Lyme Warrior volunteer and is doing videos on what it's like to be a kid with Lyme.

She is also participating in this year's Lyme Warrior Throwdown, which is being done virtually this year. She has raised almost $550 so far.

About the Throwdown, Madeline said, "I had to go into town with lime green pajamas on. I let my sister do my makeup blindfolded and I am in the process of dying my hair green."

If Madeline raises $1000, she will run a 5K.

Lyme disease will be with Madeline for the rest of her life. She is doing well right now and has joined a travel basketball team.

"Now, I feel pretty much normal," she smiled. "I will have little flare-ups with Lyme every now and then. Last night, I played basketball. After the game, my thighs and ankles were all sore. Whenever I go up the stairs, it will ache. Today I am fine and was able to ride skateboards with my friend Chloe."

To help Madeline as she raises money for Lyme-Light and Lyme Warrior, www.facebook.com/Made-Lyme-612884939158788 or www.madelyme.com, where she shares more about her journey with Lyme disease as well as the fun and creative ways she is giving back to others.

Obituary Announcements: Sept. 5

Peggy Diane Bush of Cullman passed away Aug. 31, 2020 at the age of 66. She was born July 21, 1954 in Pensacola, Florida to Carl P. and Bernice Whitaker Bush. She is preceded in death by her mother. Survivors are sister Debbie (Rev. Don) Froelich; brothers Joe (Emilie) Bush and John (Joy) Bush; father Carl P. Bush; and other family and friends. A memorial service will be announced at a later date by the family. Please send condolences to the family at www.mossservicefh.com. Moss Service Funeral Home is in charge of the arrangements.

Memorial service details for William Robert Lumpkin, Jr., 88, of Blountsville, Alabama are incomplete and will be announced at a later date. Mr. Lumpkin was born Feb. 4, 1932 to William Robert and Leila Foster Lumpkin. He passed from this life Sept. 3, 2020. Cullman Funeral Home is honored to be serving the Lumpkin family. Mr. Lumpkin was preceded in death by his parents. He is survived by his wife of 70 years, Mary "Deanie" Lumpkin; son Joseph Burton (Lynn) Lumpkin; daughters Catherine Elizabeth Coughran and Pamela Therese Loving; six grandchildren and 12 great-grandchildren; and a host of family and friends. Friends my sign the online guestbook at www.cullmanfuneralhome.com.

Memorial service details for Billy Joe Barnes are incomplete and will be announced at a later date. Mr. Barnes was born April 29, 1946 and passed from this life Sept. 3, 2020. Billy Joe loved fishing and Alabama football with a passion. Cullman Funeral Home is honored to be assisting the Barnes family. He is survived by his wife Glenda Barnes; son Joseph (Cherie) Barnes; step-son Jeff (Melissa) Nobinger; daughter Samantha (Michael) Way; grandchildren Collin, Jacob, and William Barnes; Emily, Kyle, and Kennedy Way; Natasha Barker and Georgia Nobinger; great-grandchildren Dawson Way, Liam Way and Melody Smallwood; and a host of family and friends. Friends may sign the guest book at www.cullmanfuneralhome.com.

Funeral services for Debra Kay Cook, 61, of Cullman, Alabama will be at 2 p.m. Sunday, Sept. 6, 2020 at Hanceville Funeral Home. Reverend Tim Dubberly will be officiating. Visitation will begin at 1 p.m. and go until funeral time Sunday at the funeral home. Mrs. Cook is survived by her sisters Linda Brown, Gayla Trussell, and Katheleene (David) Roberts; extended family members Robin Yates and Jerry Mann; and a host of nieces and nephews. Mrs. Cook is preceded in death by her parents Calvin and Rachel (Davis) Trussell.

Funeral services for Bobbie Bradford of Hanceville, Alabama will be at 1 p.m. Tuesday, Sept. 8, 2020 at Hanceville Funeral Home Chapel. Reverend Bruce Ellard will be officiating. The family will welcome guests for a visitation on Tuesday beginning at 11 a.m. at the funeral home prior to the service. Mrs. Bradford died Thursday, Sept. 3 at Woodland Village in Cullman, AL at the age of 86. More than anything, she enjoyed working in her yard. She had always set goals to serve others within her community. Whether it was spiritual or physical strength that you needed, Mrs. Bradford was always the one you could count on. She adored her church family at Walter Baptist Church in Hanceville, Alabama. Mrs. Bradford was also a huge fan of Elvis Presley; she listened to his music often, visited Graceland more often than she'd like to admit, and vacationed on Elvis cruises with her sisters on a regular basis. Mrs. Bradford is survived by her son Michael David (Marsha) Bradford, Sr.; grandson Michael David Bradford, Jr.; granddaughter Haylee; sister Betty Bolden; and brother Charles Glasscock. Mrs. Bradford is preceded in death by her husband Grady Bradford, whom she loved very much; sisters Diane Metzger and Mary Helen Dickinson; and her parents John Ottis and Vera (Little) Glasscock.

Hanceville (from Front)

Sammy Confer
Tribune Correspondent

HANCEVILLE, Ala. – After having a bye last week, Hanceville took on Fultondale in its region opener at home. In what was a wild back-and-forth affair for most of the game, the Bulldogs got some great performances from Bo Joles and Barrett Hardin to pick up a huge 43-34 win over the Wildcats.

Fultondale found the end zone in just seven plays to take an early 7-0 lead, but Hanceville countered on its opening possession. The Bulldogs pounded the ball on the ground on all 10 plays of their ensuing drive as Joles, Hardin, Logan Guthery and Zach Campbell got the running attack going quickly before Joles found the end zone on a 4-yard run to tie the game up at 7.

The Wildcats found the end zone again on a 20-yard touchdown pass to take a 14-7 lead with 4:29 remaining in the opening quarter, but 16 seconds later, Campbell tied the game up once again when he returned the kickoff 76 yards for the score.

The Bulldogs recovered the ensuing kickoff and quickly found the end zone again when Joles hit Campbell for a 33-yard score on fourth down to give Hanceville a 21-14 lead early in the second quarter. After recovering yet another kickoff, Hanceville continued to pound the ball on the ground and stretched its lead to 28-14 with a Joles 4-yard touchdown scamper. Fultondale, though, made it 28-21 on a 2-yard touchdown run, but Hanceville's Brosnan Ward picked off a huge pass on the next possession to keep the score the same at the half.

Both defenses forced a punt and a turnover on downs on the opening possessions of the third quarter. The Bulldogs stuck to their game plan on their next series as all eight plays were on the ground and they continued to wear down the Wildcats' defense. Joles finished the drive off with a 27-yard score to make it 35-21 with 4:45 remaining in the third period. A 6-yard run by Fultondale made it 35-28, and after Hanceville was forced to punt, Fultondale scored on a 52-yard run, but the Bulldogs didn't let them convert the two points and it was now a 35-34 with 9:21 remaining in the contest.

Hardin and Joles carried the load for Hanceville on its next possession and the Wildcats helped them out with a couple of key penalties. The latter found the end zone for the fourth time in the game as his 2-yard scamper made it 41-34 after the blocked PAT. The Bulldogs got a key fourth-down stop when Kendrick Johnson stuffed Fultondale's runner for a loss. Hanceville looked to burn the rest of the clock, but a fumble was recovered by the Wildcats. The Bulldogs' Preston McDonald sealed the win for his team by sacking the quarterback in the end zone for a safety to bring the final score to 43-34 and wrap up a win to start region play.

Joles had a monster night finishing with 153 yards on 25 carries and four scores, plus 33 yards through the air and a touchdown. Campbell had a pair of touchdowns on the night, and Hardin added 117 yards on the ground. Ward had an interception on the night and Guthery and McDonald each recovered an onside kick. Hanceville picked up its first win over Fultondale in five years.

Head Coach Cody McCain was proud of his team after the big win Friday.

"They played their hearts out. I couldn't be more proud of the guys," McCain said. "Guys like Joles, Kendrick and Brett stepped up. Offensive line played a great game. That's definitely the best win that I've had since I've been here. I'm so proud of the way that they responded. You know, a lot of people doubted us, moving up to 4A, but we just asked the guys to keep believing in what we were doing. They were able to come out and get the win."

McCain talked about how big Joles was in the game and since he's been at Hanceville.

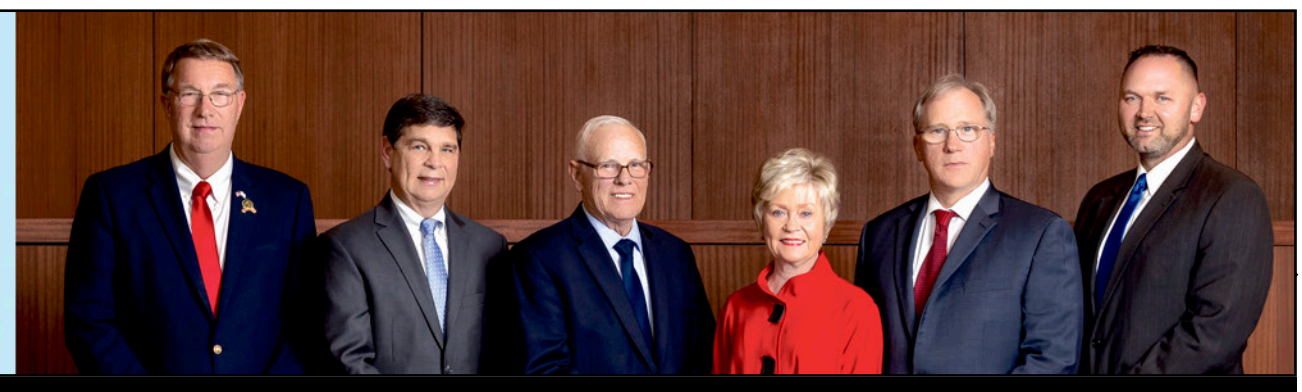

"Bo's been a great player the last couple of years," McCain said. "One of his challenges has been being the guy that does whatever the team needs for him to do and tonight, a lot of it was running the ball. He ran his heart out. He's tough, running between the tackles running it. He had a great pass earlier on, and he did the things that we needed him to do to be a winner."

This win will give his team much-needed momentum going into its region game at Dora next week, and McCain hopes to see his team continue its momentum.

"It gives us some momentum," McCain said. "The kids have been working really hard, and you don't want them to be working at the level that they're working and not see results. They had a tough game against Vinemont to lose by one and then to come back and get the win under these circumstances is huge for their momentum and now they'll be going forward. Practice will be a lot better Monday after a win than it would have been if we had lost."

Hanceville improved to 1-1 on the season with the win and will be on the road to face Dora next week.
