HANCEVILLE, Ala. – The City of Hanceville on Friday morning cut the ribbon at Walk in the Dream, an organization that offers career advising to high school students, young adults and single parents. Hanceville Mayor Kenneth Nail and Colony Mayor Donnis Leeth joined in on the celebration.

Walk in the Dream Founder/CEO/Life Coach Anderia Kim Carwell, a 1989 graduate of Hanceville High School, said she is excited to bring her expertise home to Cullman County and hopes to begin helping those in high school, while also assisting veterans and other young adults.

Carwell said she is dedicated to helping young people who are trying to figure out what they want to do in life, sharing, "Is it, I am going to college? Is it, I am going into the military or the workforce? For me, I can work with them in every area because I have done that. I've been director of admissions for a college. I've been director of career services, and I was in the military for 26 years."

Carwell said she hopes to guide young » PAGE 3

Pet (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – Grace Place, which provides an activity ministry for persons with mild to moderate dementia, as well as a respite ministry to caregivers, on Friday took a unique high-tech step into a new form of patient treatment when it received an interactive robotic dog from Joy for All, a manufacturer of robotic dogs, cats and kittens designed to mimic certain common behaviors while actively engaging and interacting with humans. The "pet" will be made available to a Grace Place participant and caregiver.

The simulated Golden Retriever pup does not walk, but is capable of panting, whining, barking, wagging its tail, opening its mouth, blinking its eyes and turning its head to "look at" a person speaking nearby. It even has a "heartbeat." It also has motion and contact sensors which enable it to respond to movement and touch; in essence, it likes being around folks and getting petted!

Grace Place received the cyber-pup as a gift from the North Alabama Regional Council of Governments (NARCOG) through a grant from the Alabama Cares program which supports caregivers to seniors.

NARCOG's Dana Dobson told The Tribune, "We got 10 (pets), and since I work closely with (Grace Episcopal Church Deacon) Mr. (Jerry) Jacob to send participants here, I thought it would be a great thing for them to have, once the day care (which is currently on hold due to COVID-19 restrictions) opened back up."

A response to loneliness

A statement from NARCOG reads:

A 2018 study by a large health insurer reported that nearly half of Americans felt alone, isolated or left out at least some of the time. This was before the coronavirus pandemic. Research has shown that loneliness and social isolation can result in negative health effects.

"NARCOG works every day to improve the lives of older adults across our region," said Tennille Harkins, Area Agency on Aging director.

The agency is part of a pilot program through the Alabama Department of Senior Services using Joy for All robotic companion pets supplied through a grant from the Administration for Community Living. The robotic dogs and cats have built-in sensors which allow the companion pets to respond to presence, touch, and react to their environment. Through this two-way companionship between the pet and its owner, they bring comfort, joy and fun to isolated older adults.

The robotic pets will be offered to individuals 60 and older, living alone with no pets of their own. Some of the pets have been designated for use by individuals diagnosed with dementia. Those interested in the program will be screened for participation and will undergo loneliness evaluations over a one-year period. The loneliness screening tool will help assess the effectiveness of the robotic pets in Alabama.

"We are hopeful our results will mirror the successful results seen in other states," Harkins said.

Caring for caregivers

Jacob told The Tribune, "For the caregiver, if they're at the point where the participant is needing to have constant attention, this is supposed to be a calming distraction for the participant, and even if it's just for a few minutes, it can make a huge difference for the caregiver. It can become more than that; I think, given the individual's circumstances, for the participant, that they literally accept it as a pet."

On the company's website, Joy for All said of the development of its interactive robotic pets:

Designed with extensive input from older adults, Joy for All launched the Companion Pet Cats in December 2015. Within the first few months, the effects that these products were having on aging loved ones and their families was undeniable.

Stories and testimonials from caregivers on the positive impact on isolation, loneliness, and all forms of cognitive decline continued to validate what the team had believed all along – that the power of play was relevant at all stages of life.

Following the initial success of the cat, the Companion Pet Pup was introduced in 2016. As the product line expanded, so did the brand's coverage from news outlets, journals, popular TV shows and influencers, which drove over 2 billion media impressions in two years.

The Joy for All brand grew rapidly within the longevity market and earned many industry awards validating the impact that these products were having on those living independently or in care communities.

Bringing the interactive companionship, happiness and purpose associated with owning a pet, without the responsibility, continues to be a key to the brand's success.

Customer reviews praised the Joy for All pets' unique ability to engage, delight, enhance meaningful connections, provide companionship, calm, sooth and most importantly promote happiness. These published testimonials caught the attention of academics and clinicians leading to multiple independent research projects intended to measure and quantify the impact of the Joy for All products on loneliness, isolation, Alzheimer's and all forms of dementia. The early results were encouraging, and it became clear that 100% focus on the older adult population was required to maximize impact and achieve scale in this growing market.

Joy for All says that its companion pets:
- Deliver innovative programming that increases meaningful interactions between residents, staff, and family members
- Facilitate intergenerational connection
- Stimulate conversation and communication in withdrawn residents
- Calm anxiety and soothe those that are agitated
- Increase quality of life for those with dementia or who are socially isolated
- Can improve behavior without the use of drugs

FUNNY THINGS FROM YESTERDAY

Drop me off at work and I'll walk home

Robert N. Tidwell, Sr.
robertntidwellsr@gmail.com

People need exercise. In this present day and age it seems that most folks just don't take the time for a little much needed exercise. Just a good walk each day would benefit every able bodied person.

I'm sure that I am the world's worst at not getting regular exercise. When we had a wood burning heater I would cut and split wood, but that was not regular. Any exercise needs to be done on a regular basis.

A few years back, in the summer, my sweet little wife Rudene and I would get up at 5:30 and take a mile or so walk.

This was good exercise and made us feel good physically and mentally. We became lax about this in the winter months. It is awfully hard to pry a sleepy-headed woman out from under an electric blanket on a cold, winter morning - especially if it is an hour before she wants to get up.

Also a few years back when Rudene was working at the school board I would drop her off at her office after lunch and she would walk home in the afternoon.

When I would drop her off, I would ask her if she would walk across the street or if I needed to drop her off at the front door of the building. Sometimes I had to drive around two blocks to drop her off at the front door.

As I have said before, sometimes I may not be too smart and this is one thing I just can't figure out. How can a woman walk a mile and a half home after work, but can't walk 100 feet across the street going to work?

BILLY BOB'S STORIES AND STUFF

I'm thankful for the jobs I've had

Bill King
Tribune
Contributor

The Labor Day holiday got me to thinking about some of the jobs I've had. While I was still in college, I became the pastor of Half Acre Baptist Church, near Linden, Alabama. I went to school at Samford University during the week and church on weekends. I also worked at Berry High School as a "custodial engineer" and "door-security agent" after classes. I could have said I swept floors and locked doors, but even though that rhymes, the other ones sound more impressive! I also covered graffiti with paint during school breaks, so students would have a clean place to write more graffiti.

In that first pastorate, I didn't have a clue what I was doing. I thought those sweet folks didn't know that I didn't know, but they knew. Bless their hearts. Recently, I told someone that I delivered some terrible sermons to those poor people.

He laughed and said, "Things haven't changed much, have they?" I think he was teasing. For the next 30 years I served as a pastor, but not at the same church. For the last 13 years, I have served as the director of Tuskegee Lee Baptist Association, in Opelika, Alabama. I've also done comedy and music through the years.

Sometimes I got paid to do those. Sometimes I paid them to let me! It might appear that ministry is all I've ever done, but long before then, and even at times during then, I've had other jobs. I even co-owned my own paint-and-body repair shop right after high school.

My first job was working at my dad's business. He owned a coal yard and building supply store. I worked there as soon as I was old enough to hold a shovel. I don't guess we had child-labor laws back then, or at least Daddy and I didn't know about them if we did! I asked him once why I didn't get paid to work for him like the grownups did.

He answered, "That's because they don't eat and sleep at my house." Even at that naive young age, I understood exactly what he meant. So, I guess that was my first paying job, even though in my mind, I wasn't actually getting paid. I was getting an allowance. Dad "allowed" me to work for my rent, clothing, and food!

I had a few occasional jobs as a kid that paid. $2.00 seemed to be the going rate for most of them. I cut my neighbors grass for $2.00... with a push mower. Back then, I could buy necessities, like two 45 records or a model car, for that amount of money.

Another neighbor, Mr. Ernest Patton, once paid me to crawl inside some road tiles. I would have gladly done an adventure like that for free, and probably had, but Mr. Patton

gave me $2.00. He had tiles that ran under his road that water from his lake drained through. The interior seams needed to be sealed and all the grown up were too big to crawl through, or maybe they were too afraid there was a snake in there.

At about that same age, I also had a short career as a cotton picker. I do believe it may have been then, in the middle of one of those cotton fields, with a pick bag strapped around my shoulder, that I sensed the calling to ministry. Not that there's anything wrong with being a cotton farmer, or a cotton picker, but I distinctly felt led in a different direction!

I am thankful for all the opportunities I've been given to work and earn a living... even for those jobs that I didn't want to do for the rest of my life.

Bill King can be reached at bkpreach@yahoo.com or 334-745-0588 (office).

Success (from Front)

people to success.

"I am praying everything goes well," she said. "I'm walking by faith here because God gave me the vision."

She added, "We are going to help them as far as the admissions process and understanding what they want to do before applying to any of those (college, military or workforce). Everything starts with a plan. You have to have a plan, and once you have a plan then you take that plan and put it into action.

"Put the plan into action then you go ahead and pursue that plan and then when you pursue it, you can achieve it. That's my plan."

CULLMAN, Ala. – A Holly Pond man wanted in Morgan County for assaulting a woman with a hammer was arrested Friday in Cullman County. Joshua Adam Campbell, 37, was arrested by Cullman County Sheriff's Office (CCSO) investigators, with the assistance of the Cullman Police Department(CPD) Aviation Division.

According to a media release from the CCSO, a tip that Campbell was at a residence along U.S. Highway 278 near Berlin led investigators to the scene, where Campbell fled on foot.

The CPD Aviation Division assisted with the search, and Campbell was found a short time later.

Campbell was wanted for second-degree assault in Morgan County, as well as unlawful breaking and entering of a motor vehicle, probation revocation and several failure to appear warrants in Cullman County.

"This was actually the second search our investigators were in today and both were ultimately successful in arresting the suspect," said Cullman County Sheriff Matt Gentry.

"I am proud that anytime we get a tip our deputies and investigators will do everything they can to see those people are arrested.

"Anyone who assaults a woman with a hammer needs to be in jail and not freely walking around in the community."

Campbell is being held in the Cullman County Detention Center without bond.

POET'S CORNER

Thy Kingdom Come

By: Randy C. Hale

"Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you." Luke 17:21

If two enemies went to heaven and
stayed there a day or two, then
returned to earth again to the world
that they once knew.

Would they settle every difference,
make peace forever more or would
a riff rekindled and again the kettle
boil?

I will leave you this to ponder, let you
turn this in your mind. Would these
two foes make peace or would they
even try.

Just perhaps we cannot know this,
so impossible to test, if a trip to
heavens portals would change us
for the best?

I think enemies would continue
as long as there is time and I doubt
a taste of splendor would
make a peaceful kind.

If we cannot see that heaven is
around us as I speak, then a trip
there official in our heart we would
not keep.

If two enemies have a cease fire
and a day of peace at home
they will take their guns the next
day and duel beneath the sun.

I've taken time to think this over,
what I speak is just my thoughts,
that if heaven is not in you, -
can't be found by trips abroad.

Aggies race past Douglas, 48-12

Gary McGriff
Tribune Correspondent

FAIRVIEW, Ala. – Looking to bounce back this week, the Fairview Aggies hosted another undefeated AHSAA Class 5A Region 7 foe in the Douglas Eagles at Dafford Smith Stadium. Fairview came out with the 48-12 victory.

Douglas began the game on offense at its own 24-yard line. On the third play, Eagle quarterback Braxton Lindsey fumbled the ball and Fairview's Eli Frost recovered near the 25-yard line and scampered in for the touchdown. Elijah Guyton's extra point gave the Aggies an early 7-0 lead with 10:03 left in the first quarter.

After a three-and-out for Douglas, Fairview started its next drive on its own 30-yard line. Aggie quarterback Parker Martin completed an 18-yard pass to Eli Speegle. Tyler Simmons added an 18-yard run before Martin ran the ball in for a touchdown from the 19. The point after was no good and the Aggies led 13-0 with 5:46 left in the first quarter.

Fairview's defense continued shutting down the Eagles. Taking over on their own 41-yard line, the Aggies looked to ready to score again when Martin fumbled and Douglas recovered on the 12.

Another stellar defensive stand forced a Douglas punt. Speegle returned the punt for 15 yards when he fumbled and Douglas recovered the ball at its own 28-yard line. A trick play by Douglas was aided by a Fairview penalty. After the first down, the Aggies again forced the Eagles to punt.

On the ensuing drive, Fairview managed one first down before being forced to punt. The Aggies continued the smothering defense forcing a three-and-out for Douglas.

The Aggies had the ball near midfield and used an eight-play drive featuring the running of Simmons when he scored on a 9-yard touchdown run. The highlight of the drive was a fourth-and-4 conversion when Martin completed a 7-yard pass to Speegle. The Aggies completed the first half scoring and led Douglas 20-0 at halftime.

The Aggies defense held the Eagles to 15 total yards in the first half.

Fairview looked to continue the scoring by receiving the kickoff to start the second half. JT White fumbled the kickoff return and Douglas got the ball on Fairview's 19-yard line after being aided by an unsportsmanlike penalty against the Aggies. After four penalties on both teams, Douglas faced a fourth-and-goal from the 6-yard line. Lindsey tossed the ball to Jonathan Fountaine and immediately tried to pass to Lindsey, streaking for the end zone. Frost jumped in front of Lindsey and intercepted the pass as Fairview stopped the Eagles again.

On the first play from the 14, Simmons ran for 14 yards, and a face mask penalty against Douglas extended Fairview's field position to the 48-yard line. After a 29-yard run by Simmons, he completed the drive with a 12-yard touchdown run. With 7:06 left in the third quarter, the Aggies extended their lead to 27-0.

After another Douglas punt, Fairview had excellent field position near midfield. This time Fairview relied on the pass as Martin completed a 10-yard pass to Speegle and a 25-yard pass to Dalton Payne. Payne completed the drive with a 2-yard touchdown run. With 3:12 left in the third quarter Fairview's lead was 34-0.

For Douglas, Lindsey fumbled on the next dive and Frost recovered on the Eagles 36-yard line. On the fourth play of the drive, Simmons scored on a 2-yard touchdown run, and early in the fourth quarter the Aggies were up 41-0.

After another Fairview defensive stand, the Aggies used a four-play drive to reach the end zone again. Highlights of the drive were a 31-yard pass from Caiden Hall to Devyn Ellis and a 30-yard run by Jameson Goble. With 6:49 left in the game the Aggies led 48-0.

The Eagles scored on their last two possessions on a 66-yard touchdown run and a 73-yard touchdown run by Eli Teal to make the final score 48-12.

Simmons completed the game with 142 yards on 14 rushes. Martin completed the game going 11 of 18 passing for 135 yards.

After the game Coach George Redding commented, "We were sloppy early. Our defense played solid. We continued to have good energy. I was pleased with our second half."

Fairview travels next week across the county to face another Region 7 team in the West Point Warriors.

Tigers upend Broncos, 56-8

Doug Bates
Tribune Correspondent

HOLLY POND, Ala. – The J.B. Pennington Tigers traveled to Holly Pond Friday night, and the Tigers came into Bronco stadium looking for their fourth win of the season. They weren't disappointed, as they walked away with a 56-8 win.

The scoring started early after Holly Pond fumbled the opening kickoff at its own 20 and the ball was recovered by the Tigers' John Williams. Quarterback Hayden Floyd found Jaxon Timmerman, who had a big night receiving for the Tigers, open for his first touchdown pass of the night.

The J.B. Pennington defense shut down Holly Pond, not allowing the Broncos a first down in the first half. Their only first down came in the fourth on a Tiger penalty. Tiger Parris Malone also returned a Bronco fumble for a defensive touchdown in the second quarter. On defense, Holly Pond's Gunner Creel picked off a Floyd pass in the second quarter, stopping a Tiger drive. He also recovered a Tiger fumble in the fourth.

Floyd had a great night passing for the Tigers, connecting with four different receivers for touchdowns.

Holly Pond brought the crowd to life in the third quarter with a 77-yard touchdown run by Austin Marsh. The two-point conversion by Gavin Phillips was good.

The Tigers took home their fourth win, and the Broncos fall to 0-3. Next week the Broncos travel to Carbon Hill for another area game.

Hanceville drops road trip at Dora 37-6

Nick Griffin
nick@cullmantribune.com

DORA, Ala. – After upending Fultondale at home last week to collect a big win in its region opener, Hanceville was forced to travel this week for another region showdown, this time against the Bulldogs of Dora.

Hanceville trailed 16-0 at the half and despite finding the end zone in the third quarter, it wasn't enough, and Dora held on to take the game 37-6.

Dora jumped out in front of Hanceville quickly with a field goal that made it 3-0 early in the opening quarter and a touchdown stretched the lead to 9-0 at the end of the first.

Dora found the end zone again in the second quarter to make it a 16-0 game going into halftime.

Dora got on the board again to take a 23-0 lead early in the second half, but a 9-yard touchdown run by Zach Campbell trimmed the lead to 23-6 with just under six minutes to play in the third quarter.

Unfortunately, that was all the offense the Hanceville Bulldogs were able to muster on the road and Dora was able to pull away and win it 37-6.

The loss drops Hanceville's record to 1-2 on the season and the Bulldogs will be back home next week to take on the undefeated Good Hope Raiders.

Arab drops tight one at Scottsboro 7-3

Nick Griffin
nick@cullmantribune.com

SCOTTSBORO, Ala. – Arab hit the road for an important regional matchup Friday night and dropped a tight, low-scoring game to the Scottsboro Wildcats 7-3.

Scottsboro found the end zone and got on the board in the opening quarter to take a 7-0 lead, but the Knights were able to muster a response.

A field goal allowed Arab to cut into the lead and make it a 7-3 game in the second quarter but that was all the Knights were able to chip away before halftime.

Points were at an even higher premium in the second half than they were in the first. Neither team was able to get on the scoreboard again and the Wildcats managed to fend off the Knights 7-3 to collect their first win of the season.

The loss drops Arab to 1-3 on the year, but the Knights will be back home next week to take on Southside Gadsden.

'Cats maul Bucks 20-0 to improve to 4-0

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – Another week, another shutout victory for the Cullman Bearcats. This week is was the Buckhorn Bucks that ran into the 'Cats defense and Cullman kept them off the board all night to take the game 20-0 and improve to 4-0 for the first time since 2013.

Both teams punted on their opening possessions but the Bearcats struck first later in the first quarter when quarterback Max Dueland aired one out down the far sideline and Nic Glass pulled in the pass with one hand and sprinted across the goal line for a 73-yard touchdown.

Brody Adams' extra point made it 7-0. The Bucks continued to struggle offensively and trailed Cullman 7-0 at the start of the second quarter.

The 'Cats were kept out of the end zone in the second quarter but that didn't keep them from putting points on the board.

Adams drilled a 35-yard field goal with five minutes to play in the opening half and after Cullman recovered a punt that was touched by a Bucks player, Adams knocked another one through from 35 yards out to make it a 13-0 game at halftime.

Buckhorn recovered a pooch kick to start the third quarter and take over possession, but the Bearcats forced the Bucks to turn the ball over on downs. A fumble from the Cullman offense gave the ball back to Buckhorn midway through the third quarter but after the Bucks managed to drive deep into 'Cats territory, Sam Brand jumped a slant route and picked off a Buckhorn pass to give the ball right back to Cullman with three minutes to play in the third quarter.

The Bearcats were forced to punt but led the way 13-0 going into the final frame.

Cullman's shut out was in jeopardy midway through the fourth quarter when the Bucks drove back down into Bearcat territory but Buckhorn was stopped just short on a fourth down play to give the ball back to the 'Cats with six minutes to play and they used the running game to put things out of reach for the Bucks.

A heavy dose of Jaylen Hughey and the rest of the Cullman backfield ran behind the 'Cats offensive line to knock off a lot of the time remaining in the game and Dueland capped off the drive with a 2-yard touchdown dive that made it 20-0 with just under a minute to play. The Bearcats would go on to win the game 20-0 to collect their third shutout of the year and move to 4-0.

Hughey led Cullman with 135 yards rushing on 19 carries. Dueland added 33 yards and a touchdown on the ground to go along with a 73-yard touchdown pass.

Cullman will be back home next week to take on Hazel Green.

West Point loses heartbreaker to Boaz, 28-25

Sammy Confer
sammy@cullmantribune.com

WEST POINT, Ala. – After falling just short in its home opener against Lawrence County last Friday, West Point looked to bounce back as the Warriors took on Boaz in their region opener Friday night. In what was a tale of two halves, the Warriors fell just short at the end, 28-25.

The Pirates didn't waste any time getting on the scoreboard, scoring on a 20-yard pass to make it 7-0. Kelton Washington got some huge yards for West Point on its opening possession, but the drive stalled and the Warriors were forced to punt. Boaz quickly found the end zone again on a 2-yard run to make it 14-0.

West Point started its next drive on the 16-yard line and pounded the ball on the ground behind Washington, Will Cochran and Carter Thornton. Cochran was 3 for 3 for 36 yards during the drive as well, but the drive nearly stalled when he threw an interception.

Then the ball got stripped and Kobe Bowers fell on top of it at the 17-yard line. Washington finished off the drive with a 5-yard run and the Warriors cut the deficit to 14-6 with 11:40 remaining in the first half.

The Pirates found the end zone again on a 15-yard touchdown pass to push the lead to 21-6. West Point looked to answer, but was forced to punt, and Boaz made it 28-6 in just five plays on a 1-yard touchdown run. On West Point's next drive, Cochran threw an interception, and the score stayed the same at the half.

Most of the third period was scoreless. After the Warriors forced a Boaz punt, West Point's running game continued to wear down the Pirate defense, with Washington racking up all 38 yards on the ground, including the final 18, to make it a 28-12 game with 1:12 remaining in the third. The Warrior defense got a huge turnover when Poncho Perez picked off a Pirate pass and returned it to the 41-yard line.

Cochran carried the load on the ground for West Point, and a key pass interference penalty kept the series alive for the Warriors. Cochran finished off the drive with a hard-nosed 9-yard run to cut it to 28-18 with 9:46 remaining in the contest, and the momentum was quickly swinging the Warriors' way. West Point got the ball after forcing yet another punt and on just the second play, Cochran found Bowers for a huge 94-yard touchdown pass, and just like that, it was a 28-25 game with 6:08 remaining.

The defense forced a huge turnover on downs on its next possession, giving the Warriors an opportunity to win the game late. Washington converted on fourth down to help keep the drive alive. Cochran picked up another first down, and later on, West Point was faced with a fourth-and-19 from the 40. Cochran threw a hail Mary to the end zone, but it got knocked down, and the Warriors fell just short by three, 28-25.

Cochran finished 9 of 20 for 164 yards and a touchdown and added 79 more on the ground and a score as well. Washington added 153 yards on 29 carries and two touchdowns.

Bowers ended up with 104 yards on just two receptions and a touchdown. Perez added an interception for West Point (0-3, 0-1), and the Warrior defense shut out the Boaz offense for the entire second half, helping his team get back in the game.

The Warriors will continue region play next Friday night when they host Fairview.

Good Hope (from Front)

Jason Russell
Tribune Correspondent

GOOD HOPE, Ala. – The Raiders faced a tough Haleyville football team for their homecoming contest this week, but a late touchdown pass put Good Hope on top in the final moments and the Raiders held on to win it 27-24.

Haleyville got the ball first and found the end zone in six plays to start the game with a 7-0 lead. The Raiders got the ball on their own 25 and were able to pound it into the end zone after 11 plays when Colton Bagwell punched in the first Good Hope touchdown of the night to tie the score at 7.

The Lions took the ball on their own 33, and with a little help from some Raider penalties, they were able to get in field goal range and knock one through to take a 10-7 lead.

The Raiders drove the ball down to the 2-yard line before fumbling to the Lions, but Haleyville was forced to punt from its own end zone just a few plays later.

The Raiders weren't able to do much of anything with the Lions' strong defensive front forcing Good Hope to punt, and luckily for the Lions, it was a touchback, giving them the ball at their own 20-yard line.

Haleyville was forced to punt after a long drive and pinned the Raiders at their own 3-yard line, but Good Hope held on to the ball, bringing an end to the first half trailing the Lions 10-7.

The Raiders got the ball to start the second half and got back on the board with the ground game to take a 14-10 lead. The Lions answered right back with a touchdown to regain the lead 17-14 still early in the third.

Not counting themselves out, the Raiders found the end zone again thanks to a 77-yard run by Bagwell that set up Ethan Anderson for the 3-yard scoring run that made it a 20-17 game.

The extra point was blocked, and Good Hope went on top 20-17. Good Hope's defense came out strong to force a punt and give the ball back to the offense at its own 16-yard line. Unfortunately, the Raiders coughed the ball right back up and the Lions retook possession at the Raiders' 5-yard line. Haleyville took advantage of the great field position and scored in just two plays to take a 24-20 lead early in the fourth quarter.

Good Hope got the ball back on its own 35 and pounded it down to the Lions' 17-yard line only to be bit by the fumble bug once again. However, the Raider defense was able to keep the Lions from scoring and got the ball back in the hands of the offense.

Quarterback Tanner Malin then put the game away when he connected with Jager Burns for a 38-yard, nail-biting touchdown pass that gave Good Hope a 27-24 lead with just a minute and a half left in the game.

The Raider defense jumped right on the field and forced the Lions to turn the ball over on downs, putting Good Hope in victory formation for one last play of the most thrilling ball game the Raiders have played all season.

The Raiders will make the short trip to Hanceville next week to play the Bulldogs with hopes of bringing their record to 5-0.

Vinemont shuts out Carbon Hill, 36-0

Ryan Guthery
Tribune Correspondent

VINEMONT, Ala. – The Vinemont Eagles hosted the Carbon Hill Bulldogs Friday night, and the Eagles came away victorious. The Eagles looked good on both sides of the ball, getting a 36-0 shutout.

The Eagle defense started giving up some yards early on, but forced a punt which it blocked to set its offense up with great field position.

The offense capitalized when Colby Miller scampered for a 26-yard touchdown to put Vinemont up 8-0 with only 10 seconds remaining in the opening quarter.

On the ensuing possession, the Vinemont defense forced another punt, but the possession ended quickly due to a turnover.

Vinemont got the ball right back when Carson Greer intercepted the ball and returned it, setting the Eagles up first-and-goal. It only took one play for Brodie Spear to extend the Eagles' lead to 15-0 from 9 yards out with 6:52 remaining until halftime.

After forcing another punt, the Eagles lost possession on the drive. Three plays later Miller intercepted the pass to give the Eagles a chance to extend their lead before halftime.

After a lengthy drive, Ayden Thomason scored a 1-yard touchdown with just 6 seconds remaining in the half, sending the Eagles to the locker room up 22-0.

Carbon Hill pulled off a successful onside kick to start the third, but the Eagle defense stepped up to force a turnover on downs.

It didn't take long before Miller extended the Eagles' lead to 29-0 when he ran for a 24-yard touchdown with 6:16 left in the quarter.

The Eagle defense forced a turnover when Greer dove on a loose ball, setting the Eagles up on the 22.

On the next play, Miller found Toby Hill for a 22-yard touchdown pass to give the Eagles a 36-0 advantage late in the third quarter.

The JV players came in to finish off the game, and even though they were unable to put up any points, they kept the Bulldogs off the scoreboard thanks to two huge fourth-down stops.

Vinemont was scheduled to play Tarrant next week, but the Wildcats have forfeited.

Meek falls to South Lamar at home 30-16

Nick Griffin
nick@cullmantribune.com

ARLEY, Ala. – The Tigers of Meek returned home this week after suffering a tough loss on the road to Brilliant last week, and Friday night's meeting with South Lamar resulted in another loss for the Tigers. The Stallions built an early lead and Meek was unable to recover, falling at home 30-16.

South Lamar scored almost as soon as the game began to take an early 8-0 lead, but the Tigers responded with a score of their own to knot things up at 8 apiece in the opening period. The Stallions got on the board again to go ahead 16-8 early in the second quarter and found the end zone two more times before the half to pull ahead 30-8 at the break.

That score held for the third quarter, but Meek was able put points on the board one more time in the fourth quarter to cut the lead to 30-16. Unfortunately, that was all the damage the Tigers could do, and they fell to South Lamar 30-16 at home to fall to 0-4 on the season.

Meek is still looking for its first win of the season and will have another opportunity next week when Hubbertville comes to town.

Bulldogs bounce back with dominant 33-8 win over Midfield

Todd Walker
Tribune Correspondent

ADDISON, Ala. – Addison hosted the Midfield Patriots in a region game Friday night and it just happened to be the first ever meeting between the two schools. Addison was not a gracious host as they dominated in every facet of the game and came away with a 33-8 victory.

Addison kicked off to the Pats, and the Dawgs' Christian Roberts greeted the visitors with an interception on the fifth play of the game.

Addison took over at the Pats' 41-yard line and the domination began. Seven running plays later, Weston "Big Game" Smith ran it in from the 2-yard line giving the Bulldogs a 6-0 lead with 7:09 left in the first quarter.

After forcing a Midfield punt on their next possession, the Dawgs went on a time-consuming drive that finished off the first quarter and led to Smith's second touchdown, a 9-yard run two minutes into the second quarter.

Will "The Thrill" Tuggle contributed 27 rushing yards of the 60-yard drive. Addison led 12-0.

Addison struck again when Roberts hit running back Cannon "TNT" Hiller with a 31-yard swing pass. Hiller glided in for the score and the Dawgs were up 18-0 with only 47 seconds to go in the half.

Midfield then took advantage of a couple missed tackles and the Patriot running back scampered 69 yards for a Patriot touchdown. The two-point conversion was good, and the half ended with Addison leading Midfield 18-8.

Coach David Smothers must've given a spirited halftime speech because the Dawgs came out with a mission. They were not about to let the Patriots steal the momentum and get back in the ballgame.

Addison took its opening possession and drove 60 yards, all on the ground, to the Pats' 10-yard line. The drive stalled and the Pats took possession.

What could have been a disaster was quickly set right as the "The Dawg Pound Defense" forced a fumble on the very next play. Justin Mather made the fumble recovery for the Dawgs.

Addison took over at the Patriots' 17-yard line. It took only three plays for Roberts to find Mather for an 18-yard touchdown pass. The two-point conversion was good, and Addison was in control, 26-8.

The Dawgs held again, and the Addison offense took over at its own 29. Eight straight running plays led by Roberts, Smith and Hiller put the Dawgs down at the Patriot 10-yard line. Roberts then faked the handoff and hit WR Tommy Lee Daniel on a beautiful 10-yard touchdown pass. The Eli "Curly" Howse extra point put Addison up 33-8 and that is how it ended.

It was a big win for the Bulldogs which evens their record at 2-2 (1-1 region).

Unofficial stats are: Addison had 53 carries for 272 yards, seven passing plays for 93 yards. Addison had 60 total plays for 365 total yards. Another outstanding effort led by the Bulldog offensive line.

Midfield had 20 carries for 133 yards and 11 passing plays for 17 yards. Midfield ran only 31 plays for 150 total yards.

Smith led the Dawgs in rushing with 73 yards and two scores. Roberts had 63 yards, Tuggle had 47 yards, Hiller with 38 yards and Martin had 35 yards.

Mather had two catches for 49-yards and a TD. Hiller had two catches for 34 yards and a TD. Daniel had a TD catch of 10 yards.

Roberts had five completions out of seven attempts for 93 yards with three TDs and no picks.

Defensively the "Dawg Pound Defense" was led by Nelson Hernandez with six tackles. Quentin "Fabio" Barley had four tackles and Hiller had three tackles. Roberts had a pick; Mather had an interception and a fumble recovery as well.

Addison hopes to build on the big win as the Bulldogs travel to Double Springs next week to play the Yellow Jackets. It also just happens to be their biggest rival.

Love & Marriage: Huntsville

In tonight's new episode, Kimmi throws a surprise party for Maurice, but the real surprise turns out to be some unexpected drama between Melody and the Scotts. Later, Melody accuses Martell of being "too friendly" with a certain rival. Elsewhere, Marsau makes an underhanded comment to Tisha.

8 p.m. on OWN
Black Love

"Mental Illness," the first of tonight's new back-to-back episodes, examines how mental health issues can surface suddenly and without warning, sometimes the result of childhood trauma but also possibly following a grave physical illness. The show's featured couples share how they have dealt with troubling times themselves. Then, in "Finding a Rhythm," the couples discuss how they have learned to talk through their experiences with compromise and communication.

10 p.m. on TRVL
Hotel Paranormal

A security guard runs into a spirit that is unusually well dressed at an upscale California hotel in a new episode called "Evil Residents." In other segments, a woman finds herself with visible scratches after being attacked by an unseen entity, and a young girl sits paralyzed by fear as she watches a "shadow man" slowly emerge from the walls of her hotel suite. Dan Aykroyd is the narrator.

Jasmine Roth hosts "Help! I Wrecked My House" on HGTV.

Hanceville council remembers fallen officer Donald Hamby, approves donation of fire department tools to Garden City

Christy Perry
christy@cullmantribune.com

HANCEVILLE, Ala. – The Hanceville City Council began its meeting Thursday night by remembering fallen Hanceville Police Officer Donald Hamby. Hamby was killed Aug. 31, 1985 while he was assisting the Cullman County Sheriff's Office in a pursuit. He was killed instantly when his patrol car was struck by the suspect's car. Hamby was a 10-year veteran of the Hanceville Police Department and left behind a wife and three children.

Councilman Jimmie Nuss, who responded to the scene that night 35 years ago, spoke at Thursday's meeting, reminding everyone of the sacrifice Hamby made that night before observing a moment of silence.

The Hanceville Fire Department, which was recently awarded a grant from Firehouse Subs to purchase new rescue tools (HURST Jaws of Life), asked the council to allow the department to donate its older tools to the Garden City Volunteer Fire Department.

Hanceville Fire Chief Roger Green said, 'We had talked about surplussing those tools out, but we thought it would be beneficial to us to donate those to Garden City. If we have a mutual aid call down there, we know they have a good set of tools that we know how to operate."

The council approved the request.

Councilman John Stam was appointed to the Hanceville Water and Sewer Board. His term would begin immediately, but there was some confusion as to when Councilman Charles Wilson's current term on the board will end.

Typically a term on the board is six years, but City Clerk Tania Wilcox explained, "As a council member, their term ends when they go off the council."

Wilson, who was defeated in last month's Municipal Election for his council seat, disputed Wilcox's explanation, saying, "We've never done it this way in the past."

Based on Wilcox's understanding of the procedures, she said, Wilson will no longer be on the board when his city council term ends in November, at which time Stam's term on the board will begin.

A public hearing will be held Sept. 24, 2020 at 5:30 p.m. regarding the City's comprehensive plan. This is an opportunity for Hanceville citizens to provide input to City leaders and planners. The meeting will take place at Hanceville City Hall.

Kids' Night Out is scheduled for Sept. 26 from 6-8 p.m. There will be sandwiches, hot dogs, ice cream, bouncy houses and more. Masks are recommended and encouraged and inflatables will be sterilized every 30 minutes. This year's event will end with a fireworks show.

Public Works Director Rusty Fields reported that the prep work for the new Hanceville Senior Center is almost complete and the drainage ditch project in front of Warehouse Discount Groceries on U.S. Highway 31 is complete.

A blockage in a pipe under Commercial Street near Hanceville High School will require the street to be torn up in order to fix. Mayor Kenneth Nail said he expects the repairs to take place in the coming weeks but not during the school hours.

"We will around 4 p.m. close Commercial Street and hopefully by morning time, be able to open Commercial Street back up," he said.

The next Hanceville City Council meeting will be Sept. 24, 2020 at 5:30 p.m.

Obituary Announcements: Sept. 12

Carol Marie Preston Doty, 73, of Good Hope passed away Saturday, Aug. 29, 2020 at her residence after a long hard battle with cancer. She was born in Cleveland, Ohio Oct. 1, 1946 to Reuben and Betty Preston. She was preceded in death by her parents and twin brother Richard Preston. Survivors include her husband of 22 years, Dennis Doty; sister Patty (Jim) Grier, of Vinemont; and brother Ken (Marilyn) Preston, of Ann Arbor, MI; nieces Casey Grier (Markus) Doering, of Cullman, Ashley Grier White, of Huntsville, and Mira Preston, of Chicago, IL; nephew, Ari (Ashley) Preston, of East Montpelier, VT; grand-nieces Olivia White and Julia White, both of Huntsville; grand-nephew Alexander Doering, of Cullman; her constant canine companion, "Leo:" as well as other family members and friends who loved her dearly. Carol died with her husband and family members at her bedside. Her enduring love for her husband, her high school sweetheart who she had reconnected with and married 33 years after their graduation, was a family legend. She loved to cook and garden, but most of all she loved people of all walks of life and enjoyed organizing social gatherings that brought people together in common cause. She will be remembered most by those whose lives she touched for her unending compassion, kindness, and generosity. A private family graveside internment of ashes ceremony was conducted Wednesday, Sept. 2, 2020 at Cullman City Cemetery. A memorial service will be held at a to-be-determined future time and place. The family requests that any charitable donations in Carol's name should be made to The United Way of Cullman County, P.O. Box 116, Cullman, AL 35056, 256-739-2948.

Pearl Nail Collier, 88, of Selma, Alabama passed away Thursday, Sept. 10, 2020. Mrs. Collier was born March 13, 1932 to Cassie Roberts Nail and William Andrew Nail. Mrs. Collier was preceded in death by her husband Silas R. Collier; father William Andrew Nail; and mother Cassie Roberts Nail. Mrs. Collier is survived by daughter Vikki Collier Barfield (Paul); daughter Mitsy Collier Wilbourne; grandchildren Nicole Barlow (Bruce), Ryan Tatum (Kendall), Elizabeth Galaher (Cody), Kate Crawford (Stewart), and Margaret Wilbourne, and 11 great-grandchildren. A graveside service for Mrs. Collier will be held Saturday, Sept. 12, 2020 at 11 a.m. at Arab City Cemetery, followed by an interment. Fond memories and expressions of sympathy may be shared at www.mossservicefh.com for the Collier family. Moss Service Funeral Home directing

James Curtis Lambert, 93, of Odenville, Alabama passed away Sept. 9, 2020. He was born Sept. 25, 1926 in Cullman, Alabama to Glovus Vinus and Emma Chambers Lambert. Mr. Lambert served our country with honor in the United States Navy and he was a WWII veteran. Curtis was a member of the Masonic brotherhood, Guy T. Smith #883 F & AM Masonic Lodge, of Mobile, Alabama. He loved to read, and he enjoyed a good Louis L'Amour western as well as anything pertaining to history. Curtis traced the genealogy of his family and enjoyed learning his ancestry. He was a people person and enjoyed time spent just visiting with folks. Gigi, the Lambert's little dog, brought joy to Curtis and his wife. Curtis and Ruth were married for over 73 years and had two sons together. Curtis adored his wife and children, but when grandchildren and great-grandchildren arrived, his love doubled. He loved to hear about the accomplishments and activities of his grandchildren and great-grandchildren and he also enjoyed retelling those stories to anyone he could get to listen. Curtis was an important person to so many and he will be missed greatly. Curtis is preceded in death by his parents Glovus Vinus and Emma Chambers Lambert and his brother James Lambert. "I'm really just a dabbler." That's how Patti Morrow Ward describes herself. Ward has always loved the arts: music, writing, crocheting, drawing and painting. She's done a little bit of everything, but recently, it's her painting talents that have people buzzing.

Patti is a Cullman girl. She graduated from Cullman High School in 1974 and by the time she was a junior, she had already recorded her music in Nashville. She had a record on the radio and was traveling and performing. One of her biggest, and last, shows was an outdoor show with Willie Nelson.

She recalled, "Willie Nelson was the main guy, and he was huge at that time. I had gone down there with my band to perform. There was a lot of drugs going on. Willie Nelson was high as a kite. I couldn't wait to meet him, and when I got there, he smelled so bad that I couldn't even get close to him."

Patti sang pop and contemporary gospel and wasn't sure how to handle the concert so, she said, she went backstage to pray about it.

"I thought, I will just go out there and do my gospel songs," she continued. "Maybe that would do some good. About that time, Willie Nelson went out there. He wasn't supposed to because all the little acts were supposed to go out first. He was so high, he just went on out there and the first song he did was 'Amazing Grace.' At that point I was like, 'I get it Lord. This is not for me!'"

Patti still sings and still writes music. She has a song on YouTube called "My First Love Was Paul McCartney."

She said, "It's a really cute ballad about me growing up when the Beatles first came out and them becoming famous."

She wrote the song five years ago but decided to record it at the beginning of the pandemic because, she smiled, "What else do I have to do?"

She also published her novel, "Mavis," in the early 2000s. She published another book for a friend of hers in south Alabama.

"It was a children's book called 'Debbie and Me,' she said. "It's really cool because this was a black lady and she became friends with my blind cousin, Debbie. They became super cool friends after she saw Debbie at church one day. She said to herself, 'I need to be her friend because she is blind and all alone. Her husband had left her. Then she wrote this cute little book about black and white, about racial problems."

Patti illustrated and published the book.

Her novel "Mavis" is about a Southern girl.

"She was born about the time my mom grew up in a town a lot like Cullman County would have been at the time. She's very mean but terribly funny," Patti said. "The book does have humor in it, but it does deal with a serious problem. She was abused by her father and that's why she was so mean. She always felt unloved and it goes into a lot of that."

The book is not about Patti's own family. She describes her father as the "greatest dad in the world." She said she never experienced abuse and credits her mom's storytelling skills and phenomenal memory for the setting and time period of Mavis' story.

"It did well. I didn't lose money and I sold every copy. I have three copies left for my grandkids," she said. "I had a briefcase full of songs I had written over the years. When I wrote the novel, I told my mom that I can't afford to keep sending it to publishers who won't even look at anybody that's not already published. I can't handle being turned down over and over again. I decided to publish it myself because I just didn't want the manuscript in a briefcase with all my songs. I wanted it in a book form for my grandkids so they'll know their grandmother can do something!"

Patti has had several different businesses through the years. She lost her job at the beginning of the pandemic and she called the experience "discouraging."

"I was just sitting on my couch one day just really depressed about the whole thing and not having anything to do," she said. "I looked at my wall where the fireplace is and it was kind of dull. I thought, 'I gotta paint something and brighten that up. Maybe that would cheer me up.'"

After she finished the painting, she was on a group chat with some of her friends. She was hesitant to share her work on social media but did show her friends her new painting. They loved it and encouraged her to share her talent on Facebook.

Patti described her paintings, saying, "I take your house, you send me a picture of your house, and I paint the front of it with a whimsical setting. I can do your house, church or school. It's keeping me busy. People want to see their house in a whimsical style, especially right now. It's cheerful."

Now, the demand for her painting is keeping her busy and happy. She has also lent her talents to a new mural inside St. Andrews Methodist Church.

She said, "They asked me to paint a mural up and down the hallway for their children's area. I did this big, long painting of Jerusalem, but it has little store fronts with names like Samson's Gym and Adam's Rib Shack. It's really cute. It wasn't my idea; I just painted it."

She added, "I just fell into this. It was really just, I think it was a God thing. I am a very spiritual person. I am a Christian and I really believe it was God's way of saying, 'It's OK that you lost your job. I've got something better for you that you will enjoy more.'"

Patti said being left-handed played a role.

She laughed, "You know what they say about left-handed people? We are creative and we're in our right minds."

The painting she created for the wall by her fireplace brings Patti such joy.

"Now I have this really nice picture of my home at my favorite time of year because I have window boxes on the front of my house. They are SO pretty in the spring. My husband does all the yard work. I never do any of it. He plants these really pretty begonias in my window box and they are just GINORMOUS!" she smiled. "So I wanted to paint the house with the window boxes full and at the time of year when everything has bloomed. Now it's hanging on my fireplace and it makes me very happy. It really did cheer me up."

Helping and encouraging her painting is Patti's husband, Michael. He has been her biggest supporter. So much so, he gave up his "man cave" to give Patti room for all her paintings. She said the orders for her paintings have been steady, but luckily, not overwhelming.

"I never really landed on anything that I thought was my calling, but maybe art ends up being the thing," she said. "Who knows?"

Michael and Patti have been married for almost 12 years. They attend Grace Chapel Church. Patti has one daughter, and combined, Michael and Patti have seven grandchildren.

Patti also enjoys volunteering with her second cousin Ashley Wilson at Curt's Closet.

"I'm really into that," she said. "Ashley's mother Dianne Lee is the reason I do all the things that I do. When I was a little kid, she was the most creative person you could ever imagine in your life. She was just so creative. She could do everything. I just patterned myself after her. I just wanted to be talented and artistic like she was. She's just super talented. Way more talented than I."
