BACK TO THE MIDWAY

COVID-careful Cullman County Fair opens

W.C. MANN/THE CULLMAN TRIBUNE

The Cullman County Fair opened Thursday evening, Oct. 8 and will run through Saturday, Oct. 17.

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – The 2020 Cullman County Fair opened Thursday evening, in the midst of concerns about COVID-19 and stiff competition from area football games that were rescheduled from Friday due to forecasts of bad weather. The crowd was smaller than on a typical opening night, and there were fewer exhibits and events, but fairgoers seemed happy to be out and about. Workers wore masks and ride seating on every other seat created social distance to help offer guests a little more safety.

Cullman Lion and Cullman County Fair Association President Charlie Childers told The Tribune, "The challenge is just, number one, doing it as safely as possible. We want people to know that we want them to come out, we want them to have normalcy in being able to get out and do some things they've been wanting to do. We ask that it be the people that know they can get out and feel comfortable getting out. If you're not going to Wal-Mart or places, then you probably don't need to come if you're isolating yourself. But if you're not, feel comfortable, please come."

He continued, "We want to just provide that opportunity this year, so we've done as much as we can. We've got things spaced out. The rides are spaced out with more things- non-rides- in between them, just to give more room in between standing in line and giving people room to space out. The theater this year with our biggest night- Tuesday night with the Fair Queens- we've limited the seating, so if you don't have a ticket, you don't get to have a seat this year. Those were given out to each young lady to give out to a set number of people."

Childers specified that standing room is still available around the theater, but seating is reserved for ticketed guests. "All the rides have buckets out there," he said, "so you can wipe down your own ride if you don't feel comfortable with them, because they're also going to wipe down rides in between."

Wow factor

Childers advised fairgoers to be on the lookout for:

- A children's circus with animals and a magic show
- The "Globe of Death" motorcycle cage
- A traditional circus trapeze act

"We're just proud to be able to do it," he smiled. "We appreciate the Cullman County Commission, the Cullman City Council and all the things they do, and working for us and then getting to do this this year."

The Fair runs through Oct. 17. Opening times:

- Monday through Friday - 5 p.m.
- Saturday - noon
- Sunday - 2 p.m.

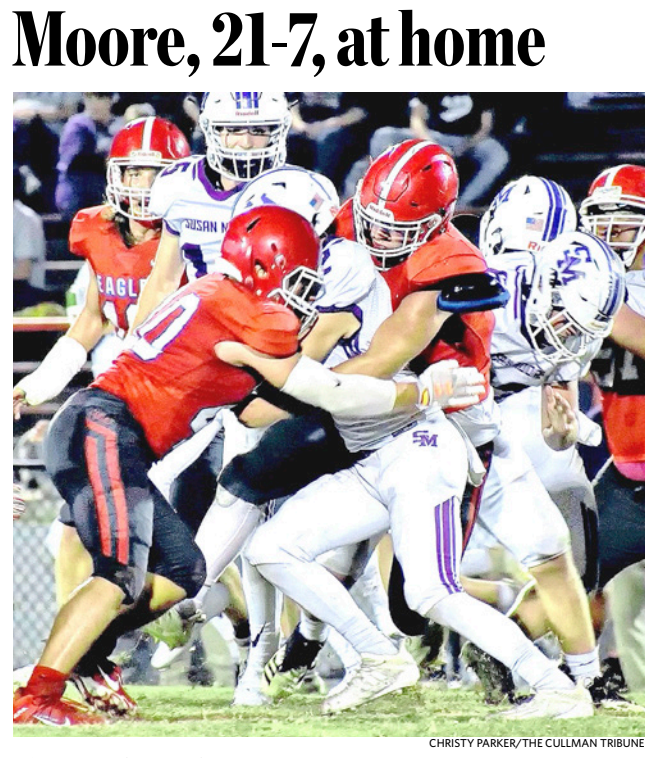

Find more information and a schedule of events at www.cullmanfair.org.

PUBLIC NOTICE

Nov. 13 signup deadline announced for Alabama's Easement and Financial Assistance Programs

Johnny Grantham
Cullman Co. Soil & Water Conservation District

USDA-Natural Resources Conservation Service (NRCS) State Conservationist for Alabama Ben Malone has announced that Nov. 13, 2020 will be the signup batching deadline for producers for the Fiscal Year 2021 Farm Bill easement and financial assistance programs.

Applicable programs include:

• Agricultural Conservation Easement Program – Wetland Reserve Easements (ACEP-WRE)

• Conservation Stewardship Program (CSP)

• Environmental Quality Incentives Program (EQIP)

NRCS offers voluntary programs to eligible landowners and agricultural producers to provide financial and technical assistance to help manage natural resources in a sustainable manner.

Through these programs, the agency approves contracts to provide financial assistance to help plan and implement conservation practices that address natural resource concerns or opportunities to help save energy, improve soil, water, plant, air, animal and related resources on agricultural lands and non-industrial private forest land.

More specifically:

• **ACEP-WRE:** Easements provide habitat for fish and wildlife, including threatened and endangered species, improve water quality by filtering sediments and chemicals, reduce flooding, recharge groundwater, protect biological diversity and provide opportunities for educational, scientific and limited recreational activities.

Land eligible for wetland reserve easements include farmed or converted wetland that can be successfully and cost-effectively restored. NRCS will prioritize applications based on the easement's potential for protecting and enhancing habitat for migratory birds and other wildlife.

• **CSP:** This program helps agricultural producers maintain and improve their existing conservation systems and adopt additional conservation activities to address priority resources concerns.

Participants earn CSP payments for conservation performance—the higher the performance, the higher the payment.

• **EQIP:** This program provides financial and technical assistance to agricultural producers to address natural resource concerns and deliver environmental benefits such as improved water and air quality, conserved ground and surface water, increased soil health and reduced soil erosion and sedimentation, improved or created wildlife habitat, and mitigation against increasing weather volatility.

Applications are accepted on a continuous basis; however, selecting applications for funding is completed periodically through batching periods with specific cutoff dates. The first cut-off date is Nov. 13, 2020.

Applications received after this date will be held and considered for subsequent funding opportunities as available funds permit.

Special emphasis participants like socially disadvantaged, limited resource, new and beginning, and eligible military veteran farmers and ranchers are eligible for a higher payment rate.

In addition, these historically underserved farmers and ranchers are eligible for a 50 percent advanced payment for purchasing materials or contracting to help with practice implementation.

New in 2021 for EQIP, High Priority and Source Water Protection practices will receive higher payment rates in designated conservation areas within the state.

For more information about Alabama NRCS and programmatic priorities and assessment/ranking criteria, visit us online at www.al.nrcs.usda.gov.

Additionally, you may call your Cullman USDA NRCS office at 256-734-6471 ext. 3 to determine eligibility; applicants are not eligible for USDA programs until they have ensured all Farm Bill eligibility requirements have been met.

COVID-19 Guidance: NRCS is under COVID-19 limitations.

We are limited in the amount of direct contact we can have with customers both for your safety and ours. This does not mean we don't want to assist you.

It means you may need to be more persistent and always contact the office by phone or by email before making an office visit to be sure you can speak to someone about your need.

COVID-19 is new for all of us, but we have found a way to operate and plan to continue to make an impact by assisting producers like you treat environmental concerns.

USDA is an equal opportunity provider, employer and lender. To file a complaint of discrimination, write: USDA, Office of the Assistant Secretary for Civil Rights, Office of Adjudication, 1400 Independence Ave., SW, Washington, DC 20250-9410 or call (866) 632-9992 (Toll-free Customer Service), (800) 877-8339 (Local or Federal relay), (866) 377-8642 (Relay voice users).

COMMUNITY CALENDAR

Submit your calendar items or public notices to wendy@cullmantribune.com

Power of Produce (POP) at Festhalle Cullman
• Saturdays through October at the Festhalle from 8 a.m.-noon
• Children ages 14 and younger can pick up a recipe and receive POP market money of $4 per person to spend on fresh produce, until we run out!

Alcoholics Anonymous Meetings
The Grace of God group of Alcoholics Anonymous has open AA meetings (all are welcome) Monday and Thursday nights from 7-8 p.m. at the Carriage House, located next to Grace Episcopal Church, 305 Arnold St. NE Cullman. Contact phone numbers: 256-347-1097, 256-841-2209 or 256-708-1340

Prayer Meetings at Spirit Life Church of GOD
• Every Tuesday at 10 a.m. at 1650 St. Joseph Dr. NW, Cullman
• Come pray with us for our nation, healing, etc. or come to receive prayer.

Dead End Haunted Trail
• Fridays and Saturdays at dark through Halloween at 191 County Road 741 (As long as it's not storming, a little rain will not stop the fun.)
• The trail time varies depending on the group. Depending on the level of fear, it could take five minutes, or it could take 15 minutes. If you get lost, don't worry. There are people there to help guide you through the woods.
• Admission to the Dead End Haunted Trail is a new or gently used toy (to be given to the Cullman County Sheriff's Office) or canned goods (in date) to help those in need during the holidays. Selvage and Cox will also take monetary donations in order to purchase toys.
• For more information, visit https://bit.ly/36Rko0z.

Cullman County Fair
• Through Oct. 17 at the Cullman County Fairgrounds
• Find out more at www.cullmanfair.org.

Athan's Ride
• The Regulators MC North Alabama Chapter will host a benefit ride Saturday, Oct. 10 to raise money for 2-year-old Athan Landman. Athan received a new liver last October after doctors found a large tumor on his liver when he was just 6 months old. All proceeds from Saturday's event will help the family with ongoing medical and travel expenses.
• Saturday's benefit ride is scheduled for 9:30 a.m.-2 p.m. at the Cullman VFW, 112 Veterans Drive SW in Cullman. Registration will begin at 9:30 a.m., with kickstands up at 11. The cost is $25 per bike and $10 per rider.
• For more information and updates about Saturday's benefit ride or more about Athan, visit www.facebook.com/Athan-TheImmortal.

37th Annual Cullman County Band Exhibition
• Saturday, Oct. 10 at Cullman High School's Oliver Woodard Stadium
• This year the exhibition will be split into two separate events.
• Show #1 starts at 5 p.m. with Vinemont, Good Hope, West Point and Fairview bands performing their 2020 halftime shows.
• Show #2 starts at 7:30 p.m. with Cold Springs, Holly Pond, Hanceville and Cullman bands.
• The plan is to clear the stadium and sanitize the stands between the two events. Admission for each event is $5 for adults and $2 for students K-12. That means if someone attends the 5 p.m. event and wants to re-enter the stadium for the 7:30 p.m. event, it will be an additional $5 or $2.
• The Cullman Tribune will livestream all performances.

Benefit Auction for Jay Kendall's Legacy
• Sunday, Oct 11 at 2 p.m. at J&S Karaoke Place, 10303 U.S Hwy. 31 S, Hanceville, AL 35077
• Contact Brandi for more information at 256-531-8762.

Cullman County Republican Women's Meeting
• Tuesday, Oct. 13 at 6 p.m. at the Cullman VFW, 112 Veterans Dr. SW
• The guest speaker will be Alabama Secretary of State John Merrill.
• The public is encouraged to attend.

St. Paul's Lutheran School Fall Flea Market
• Saturday, Nov. 7, from 8 a.m.-4 p.m. in the back parking lot of the church and inside the gym. Santa Claus will be making a stop between 9 a.m.-noon for those who would want to get their lists to him early!
• Forty vendor spots are available: $15 for space outside or $30 for a space inside the gym with an option to set up the night before. Spaces are going quickly. If you or your business is interested in renting a booth for the Fall Flea Market, contact Emily Trahan at emilytrahan@stpaulscullman.com.

Holly Pond Bronco Band Swamp John's Dinner
• Sunday, Nov. 8 from 11 a.m-2 p.m. in the Holly Pond lunchroom
• $11 per plate, carry out or walk in (drive-thru not available)
• See www.facebook.com/HP-BroncoBand for more information.

COVID-19 BY THE NUMBERS

Thursday, Oct. 8, 2020 COVID-19 update from the Alabama Department of Public Health's COVID-19 Data and Surveillance Dashboard

Raiders roll past Fultondale 31-25

Nick Griffin
nick@cullmantribune.com

TARRANT, Ala. – It wasn't always pretty, but the Good Hope Raiders managed to collect another region win on the road Thursday night. The Raiders fought off a resilient Fultondale team with their explosive running game to leave Wildcats Stadium with a 31-25 win and improve to 7-1.

Fultondale was forced to punt after receiving the game's opening kickoff, but the Raiders handed it right back with a fumble on their opening possession. The Wildcats didn't retain possession for long after a backward pass went over the head of the intended receiver and Good Hope's Jesse Blackmon scooped up the ball and returned it all the way down to the Fultondale 29-yard line. Just a few snaps later, Raiders quarterback Tanner Malin ran one in from 16 yards out to take an early 6-0 lead on the road.

The Wildcats responded with an impressive scoring drive that drained the remainder of the first quarter and ended with a 1-yard touchdown run on the first play of the second. The extra point gave Fultondale a 7-6 lead at the start of the second quarter. Good Hope responded with a scoring drive of its own, capped off by another 16-yard touchdown run, this time by running back Colton Bagwell. The missed extra point made it a 12-7 game with eight minutes to play in the second quarter.

The Raider defense forced a turnover on downs on the ensuing possession and with just under five minutes remaining in the half, Good Hope's offense went to work.

The Raiders were moving the ball and running the clock with their rushing attack but took their first strike through the air with just over a minute left in the quarter when Malin found Paydon Bagwell all alone down the near sideline and hit him for a 41-yard touchdown.

The extra point was no good and Good Hope moved in front 18-7 with 1:13 left in the opening half. However, Fultondale was able to capitalize on good field position following the kickoff and got a field goal on the board as the half expired to make it an 18-10 game at the break.

The Raiders continued pounding the ball on the ground in the third quarter, working their way into Wildcats territory, when Malin took off once again and outran everyone to score from 36 yards out and give Good Hope a 25-10 advantage early in the second half. The Raiders forced Fultondale to turn it over on downs again and both teams traded punts after that to round out the third quarter.

After another Good Hope punt early in the fourth, the Wildcats were able to get back on the board with a 12-yard touchdown pass that trimmed the lead to 25-17 midway through the final frame. Fultondale then recovered a muffed pooch kick to regain possession with a chance to tie things up, but a Paydon Bagwell interception ended the drive for the Wildcats and gave the ball back to the Raiders' offense.

Colton Bagwell hammered the Wildcats defense seven times for 56 yards on the ensuing possession to take big chunks of time off the clock, and Malin capped it off with a 30-yard scoring run that made it 31-17 with just under two minutes to play.

The Wildcats refused to lay down and got the ball into the end zone one more time with two seconds on the clock to cut it to 31-25, but they couldn't recover the following onside kick attempt and Good Hope escaped with a 31-25 victory.

The Raiders racked up 316 yards on the ground in the win, led by Colton Bagwell with 188 yards and a touchdown on 29 carries. Malin added 108 yards and three touchdowns on the ground to go with a 41-yard touchdown pass for Good Hope.

The Raiders will return home next week for another big region showdown against Dora.

NICK GRIFFIN/THE CULLMAN TRIBUNE

Caption: Good Hope's Tanner Malin (11) and Colton Bagwell (24) ran for nearly 300 combined yards in the Raiders' 31-25 win at Fultondale Thursday night.

Fairview clinches playoff berth with 35-0 shutout of Crossville

Gary McGriff
Tribune Correspondent

FAIRVIEW, Ala. – Looking to possibly get locked into the AHSAA football playoffs, the Fairview Aggies hosted the winless Crossville Lions at Dafford Smith Stadium Thursday night. The Aggies came into the game sitting in second place in AHSAA Class 5A Region 7. Fairview got a 35-0 victory and gave a great birthday present to Aggie head coach George Redding.

Forcing the Lions to punt after three plays, the Aggies started their first drive on their own 40-yard line. Facing a fourth-and-2 from the Crossville 35-yard line, Tyler Simmons ran 3 yards for a Fair-view first down. Three plays later, quarterback Parker Martin completed the eight-play drive with an 18-yard pass play to Caden Jennings for a touchdown. With 7:01 to go in the first quarter Fair-view led 7-0.

Forcing another quick punt, Eli Speegle returned the kick to the Crossville 49. The Lions were called for a pass interference on the first play. Two plays later, Martin completed a touchdown pass of 30 yards to Speegle. Fairview extended its lead to 14-0 with 3:59 left in the first quarter.

Crossville managed its only first down of the first quarter on its next drive. Speegle took the punt and gave the Aggies excellent field position near midfield. Carrying the drive into the second quar-ter, the Aggies completed a nine-play touchdown drive when Martin completed another scoring pass, this time to Eli Frost. The Fairview lead was now 21-0 with 9:57 left in the first half.

Crossville began its only drive of the second quarter on its own 35-yard line. Overcoming two fourth-down situations, the Lions ran 14 straight run plays. Facing their third fourth down of the drive from the Fairview 12-yard line, the only pass of the drive fell incomplete and the Aggies took over on downs.

Running the Aggies' hurry-up offense with about a minute to go tin the half, Martin was intercept-ed by Crossville's Alex Chacon at the goal line and returned the ball 40 yards as the half ended.

Fairview took the second half kickoff at its own 40-yard line looking to extend the lead. Speegle fumbled the ball on a 5-yard run and Jennings recovered to keep the drive alive. Fairview suffered two holding penalties during the drive that looked to be drive killers, but the Aggies recovered and faced a fourth-and-4 from the Crossville 7-yard line.

The Lions were called offsides and the Aggies were faced with a fourth-and-1 from the 4-yard line. Martin scored on a 4-yard run and with 6:23 left in the third quarter and Fairview completed the 12-play drive to take a 28-0 lead.

After one first down, Crossville was forced to punt again. On the second play of the drive, Martin completed a 63-yard touchdown pass to Elijah Guyton. Unfortunately for the Aggies, Fairview was penalized for another holding call that negated the score. Overcoming the penalty, Martin scored early in the fourth quarter on a 33-yard touchdown run, and with 11:35 left in the game the Aggies led 35-0.

Crossville took over and ran 14 plays that used up most of the time left in the contest. Fairview's defense held the Lions on fourth down again, giving the ball back to the Aggies to run out the clock for the 35-0 win.

Simmons completed the game with 14 rushes for 88 yards. Martin rushed for 109 yards on nine rushes and was 13 of 17 passing for 152 yards.

After the game Coach Redding said, "Very proud of our team. We had to clean up some stuff on the offensive line. Our defensive preparation was excellent."

With the win, the Aggies remain in second place for their region and secured a berth in the AHSAA football playoffs.

Fairview travels to Brewer High School next week the take on the Patriots.

GARY MCGRIFF/THE CULLMAN TRIBUNE

Fairview's Dalton Payne (22) carries the ball during the Aggies' 35-0 win against Crossville Thursday night.

West Point blasts Sardis 43-7 on the road

Chris Pugh
Tribune Correspondent

SARDIS, Ala. – Something was bothering West Point Senior quarterback Will Cochran all week. Fellow senior Carter Thornton had outdone him by catching, running and throwing for a touchdown this season. So, Cochran thought he'd do the same, in a single half. No, Cochran wasn't seriously bothered by his teammate's achievement, but yes, he really did accomplish the feat for himself in the first half alone. The Warriors rode a scorching hot offensive night on the road and used a stifling defensive effort to dominate Sardis 43-7.

Sardis started the game off with a couple of big pass plays totaling 63 yards and a touchdown to take an early 7-0 lead. Then, after a penalty stalled out the West Point offense, Sardis regained possession with a chance to take an early two-score lead. But let's put it this way, those 63 yards would be almost half of what Sardis gained the rest of the night.

The Warriors' defense forced five three-and-outs and a total of three turnovers. Kenyan Baker, who was stuffing run gaps all night, recovered a fumble forced by defensive back Eli Folds. Ashton Thraikill recovered a fumble after a squib kick bounced right off a Sardis player on a kickoff, and Branson Smith grabbed an interception in Warrior territory and returned it across the 50-yard line to set up the Warrior offense with a short field.

It wasn't just the defense that had it going. After their first series, the Warriors' offense went go on to score on six of their next eight possessions, with only an interception and a fumble stalling the other two drives.

West Point used a balanced attack on its next drive that ultimately ended in an 11-yard Cochran touchdown that tied the game at 7. After Smith's interception, the Warriors dialed up another trick play that was even better than last week's. Running back Kelton Washington took a handoff toward the left sideline, only to pitch it back to senior Kobe Bowers, who pulled up and threw a beautiful deep ball to Cochran who was streaking down the right sideline wide open. The QB1 showed off his athleticism on the 53-yard strike and followed it up with a 3-yard two-point conversion run that put West Point on top 15-7.

Now here is where the drama of the game started. West Point forced a three-and-out but got pinned on its own 5-yard line. Eighty-three yards later, the drive stalled after Washington's first fumble of the season.

West Point forced a turnover on downs on the ensuing drive only to give the ball back a couple of plays later on a Cochran interception with only a couple minutes left in the half. Sardis, looking to put together a two-minute drill and tie the game, fumbled just two plays later and the ball was recovered by the Warriors thanks to Folds and Baker.

Now West Point had the ball and a two-minute opportunity. The drive seemed dead after Cochran took a 13-yard sack, but Jacob Dye, who has been nursing an ankle injury, took a short pass and ran 56 yards into Sardis territory. Two flags later, West Point found itself in a second-and-24 situation on the 36-yard line. It just meant more yards for Cochran after he connected with Bowers on a 36-yard touchdown pass, giving West Point the 22-7 halftime lead.

There was no drama in the second half. The Warriors scored on three straight possessions. Cochran found Dye twice for touchdowns of 36 and 7 yards, and Washington got a touchdown on the board with a 13-yard run. Cochran finished with a total of five touchdowns and 317 total yards of offense in the win. Washington had 23 carries for 169 yards and a touchdown. Bowers and Dye recorded five touches each, posting more than 100 yards and 2 scores.

Dye, who had been sidelined or limited in a couple close losses, had this to say about being back on the field contributing to his team: "I'm just glad to be back on the field to help my team win. That's what it's about, the team first and getting a win."

Cochran, who is certainly happy to have one of his many weapons back, said, "We just had fun tonight, but next week we host Douglas, so we have to keep getting better."

With the road trip coming to an end and a big game against Douglas looming, Head Coach Don Farley added, "I'm proud of my guys' effort tonight, as I have been all year with some of those close losses. We have a chance to get our first home win next week against a talented Douglas team so we're looking forward to that."

The Warriors will return home to host Douglas next week.

Etowah downs Hanceville, 40-0

Sammy Confer
Tribune Correspondent

HANCEVILLE, Ala. – The Hanceville Bulldogs looked to snap a four-game losing streak and play spoiler at home against Etowah Thursday night. Unfortunately for them, it was all Blue Devils in this one, as they downed the Bulldogs, 40-0.

Hanceville fumbled the ball on its first two possessions, both of which led to Etowah touchdowns, with the Blue Devils scoring on a 20-yard pass and a 2-yard run to get out to a quick 13-0 lead. The Bulldogs looked to get something going on their next possession. On a third-and-19 play, Bo Joles found Zach Campbell for a 32-yard pass play to keep the drive alive, but it stalled after that and Hanceville was forced to punt. The Blue Devils found the end zone on a 53-yard run to make it 19-0. Brosnan Ward got the drive off to a promising start for the Bulldogs, gaining 27 yards on the first play, but it stalled once again and they attempted a 41-yard field goal, which fell short. Etowah made it 25-0 on a 2-yard run. The Bulldogs slowly started to get their air attack going on their next possession as Joles found Trevor Shadden for a 28-yard completion on third down and Campbell later found Shadden again, this time, for 26 yards, which put the Bulldogs at the 10-yard line with a chance to get into the end zone. But another fumble killed the Hanceville drive and after getting the ball back, the Blue Devil defense sacked Joles in the end zone for a safety and later made it 33-0 on a 15-yard pass. Neither team found the end zone the rest of the first half and the Bulldogs went into the half trailing, 33-0.

After a scoreless third quarter, Etowah added the final score of the night on a 6-yard run late in the fourth to put the final score at 40-0.

Joles completed a pair of passes for 60 yards and Campbell completed one for 26 yards; he also had a 32-yard reception. Shadden caught two passes for 54 yards.

Hanceville (1-6, 1-5) will look to snap a five-game losing streak next Friday night when the Bulldogs travel to take on Ashville in their final region game of the season.

Bulldogs rally to defeat Lamar County 42-27

Todd Walker
Tribune Correspondent

ADDISON, Ala. – Addison hosted the Lamar County Bulldogs in a huge region matchup rife with playoff implications. Addison sleepwalked thru the first half until finally waking up in the second half to come away with a big 42-27 win over Lamar County.

On Addison's first play from scrimmage, Christian "Ice Man" Roberts was obliterated on a blind-side sack and the ball came squirting out with Lamar County recovering at the Addison 7-yard line.

It only took Lamar County one play to run it in from 7-yards out and the visitors were out in front of the home squad 7-0.

Addison quickly responded by driving down to the Lamar County's 40-yard, and facing a third down, Roberts hit "Touchdown" Tommy Lee Daniel on a nice over the shoulder 40-yard pass to tie the score. Eli "Curly" Howse added the extra point to tie the game at 7.

Lamar County answered right back driving 77-yards on the vaunted "Dawg Pound Defense," who played more like the "pound puppies" in the first half. Lamar County scored on a nice 14-yard run and went up 14-7 with 2:20 to go in the first quarter.

Another Addison fumble set Lamar County up with a short field, the Addison 21-yard line. Three plays later, Lamar County scored on a 16-yard touchdown pass to go up 20-7 as the Addison faith-ful were stunned.

Addison then dug deep and drove 56 yards, all on the ground, with Nelson "Tank" Martin scoring from 23 yards out. "Tank" is back, sooner than expected, from a knee injury suffered three weeks ago. Addison pulled within 20-14 with 7:59 to go in the half.

Lamar County, playing inspired football, drove it right back down the Dawgs' throats to go up 27-14. Lamar County went 63 yards in nine plays with the score coming on a 20-yard run. This is how the half ended with the score Lamar County 27, Addison 14.

Apparently, being humiliated at home was enough for one half and the Dawgs responded in a huge way. Addison dominated Lamar County, which had moved the ball at will in the first half, in the second half, never allowing it to get on track. The "Dawg Pound Defense" returned and sent the Lamar County Bulldogs back to their kennels in Vernon, Alabama.

After forcing Lamar County to punt after a three-and-out, Addison went on a 13-play, 76-yard drive which consumed more than seven minutes of the third quarter. It ended with "Tank" Martin scoring his second touchdown on a 1-yard run. The extra point made it Lamar County 27, Addison 21.

Lamar County punted again after gaining 3 yards on three plays. Addison took over and drove 65 yards on eight plays taking the lead when Weston "Big Game" Smith took it across the goal line from 3 yards out. After Howse' four made extra points, the Dawgs went up 28-27.

The Dawg Defense then got into the act as Lamar County drove down to the Addison 41-yard line and faced a fourth-and-2.

They elected to go for it and the quarterback was stuffed by Daniel to give Addison the ball.

It took Roberts only two plays before he scampered 72 yards for the dagger to the heart touchdown and gave Addison a 35-27 lead.

Lamar County's last hope was squashed as Quentin "Fabio" Barley picked off a pass and returned it to the Lamar County 18-yard line.

A few plays later, Roberts plowed in from 1-yard out to give Addison the final score of 42-27. Howse was 6/6 on his extra points for the evening.

Final unofficial stats: Addison had 45 carries for 306 yards and 6 pass plays for 49 yards. Addison ran 51 total plays for 355 total yards. Lamar County had 33 carries for 106 yards and 22 pass plays for 159 yards. Lamar County ran 55 total plays for 265 total yards.

Roberts had 21 carries for 201 yards and two touchdowns. Martin had seven carries for 47 yards and two touchdowns. Smith had 12 carries for 37-yards and a score.

Roberts was two completions for six attempts for 49-yards with a touchdown and interception.

Daniel had one reception for 40-yards and a score.

On defense, Justin "Rocky" Mather had eight tackles, Nelson "The Hammer" Hernandez had sev-en, Xavier "Mr. Smooth" Barley had five and "Fabio" Barley had four tackles. "Fabio" also had an interception.

It was a tale of two halves with Addison sleepwalking through the first and dominating in the sec-ond. A more consistent effort will be needed next week as Addison travels to Hamilton to play the 4A Aggies. Addison improves to 5-3 (4-1 region). Lamar County falls to 3-4 (2-2 region) and will play Sulligent next week hoping to secure a playoff berth.

Meek edges Lynn 34-32 to earn 1st win of season

Nick Griffin
nick@cullmantribune.com

ARLEY, Ala. – It's been a long time coming, but the Meek Tigers are finally back in the win column. The Tigers scored with less than a minute remaining in the game to go on top 34-32 and held on to win it over Lynn, earning their first victory since Oct. 5, 2018.

The Bears took an early 6-0 lead, but Meek responded right away with a score and a two-point conversion that made it 8-6 in the first quarter. After the teams traded another pair of scores, the Tigers led the way 14-13 but Lynn found the end zone to move in front 20-14 in the second quarter. Meek managed to tie the game at 20, but the Bears pulled ahead 26-20 by the halftime break. Lynn added another touchdown early in the third quarter to stretch its lead to 32-20, but the Tigers answered with a big score and two-point conversion that made it a 32-28 game in the fourth quarter. Both teams locked in defensively, but Meek was able to find the end zone one more time for what ended up being the game-winning touchdown with less than a minute on the clock. The Tigers' defense held on the ensuing possession and Meek picked up its first win of the season and the first win for first-year head coach Houston Powell.

The Tigers will certainly try to build on this momentum going into the home stretch of the regular season and they'll get started next week when they host Pickens County.

Holly Pond dealt 49-8 loss at Winfield

Nick Griffin
nick@cullmantribune.com

WINFIELD, Ala. – Holly Pond hit the road for its latest region matchup Thursday night and ran into a tough Winfield Pirates squad. After falling behind early, the Broncos were unable to keep pace with Winfield and the Pirates pulled away to take the game 49-8.

The Pirates jumped out to a 21-0 lead in the opening quarter, but Holly Pond responded with a score of its own that trimmed the deficit to 21-8 in the second.

However, Winfield was able to make up the lost ground on the scoreboard and pull ahead 35-8 before the halftime break.

The Pirates continued to pull away in the second half, finding the end zone two more times to extend the lead to 49-8 and send the Broncos home with a region loss.

Holly Pond will be on the road again next week to take on Susan Moore.

Arab falls at Oxford 42-14

Nick Griffin
nick@cullmantribune.com

OXFORD, Ala. – Arab made the long trip to Oxford to face the Yellow Jackets in an important region matchup Thursday night and even though the Knights had generated some momentum coming into this week's matchup, it wasn't enough to overcome Oxford and they were sent home with a 42-14 loss.

Arab fell behind 7-0 early but responded with a scoring drive to tie things up at 7 in the first quarter.

The game was tied going into the second quarter, but the Yellow Jackets tacked on a pair of touchdowns in the period to take a 21-7 lead into the locker room at halftime.

Oxford began to create more separation in the second half, pulling ahead 28-7 in the third quarter but the Knights were able to muster another response and cut the deficit to 28-14.

However, the Yellow Jackets found the end zone once more to make it a 35-14 game going into the fourth quarter.

Oxford added another touchdown in the final frame to put the game out of reach and secure a 42-14 win over Arab.

The loss drops the Knights to 4-4 on the season and they'll be off next week before traveling to play Springville Oct. 23.

Vinemont (from Front)

Ryan Guthery
Tribune Correspondent

VINEMONT, Ala. – The Vinemont Eagles picked up a huge region win when they played host to the Susan Moore Bulldogs Thursday night. The Eagles used a big second half to pull away and propel themselves to a 21-7 victory.

The Bulldogs found the end zone quickly to go up 7-0 a little more than 3 minutes into the game. The Eagles were able to pick up one first down but had to punt; the Vinemont defense answered back, forcing a punt on Susan Moore's next possession. After converting on fourth down, Eagle Colby Miller capped off the drive with an 8-yard run to pull within 1, 7-6, with 8:56 remaining in the opening half. Susan Moore was forced to punt on its ensuing possession, but it was muffed, giving the Bulldogs the ball with excellent field possession. Two Bulldog penalties and a strong defensive series forced a field goal attempt, which came up short. Vinemont received the ball to start the second half and went on a 13-play drive capped off with a 1-yard run by Brodie Curvin to give the Eagles a 14-7 lead with 5:10 remaining in the third quarter. The Eagle defense forced a three-and-out to get the ball back, and six plays later Miller scampered for a 10-yard touchdown to put the Eagles ahead 21-7 with just over a minute remaining in the third.

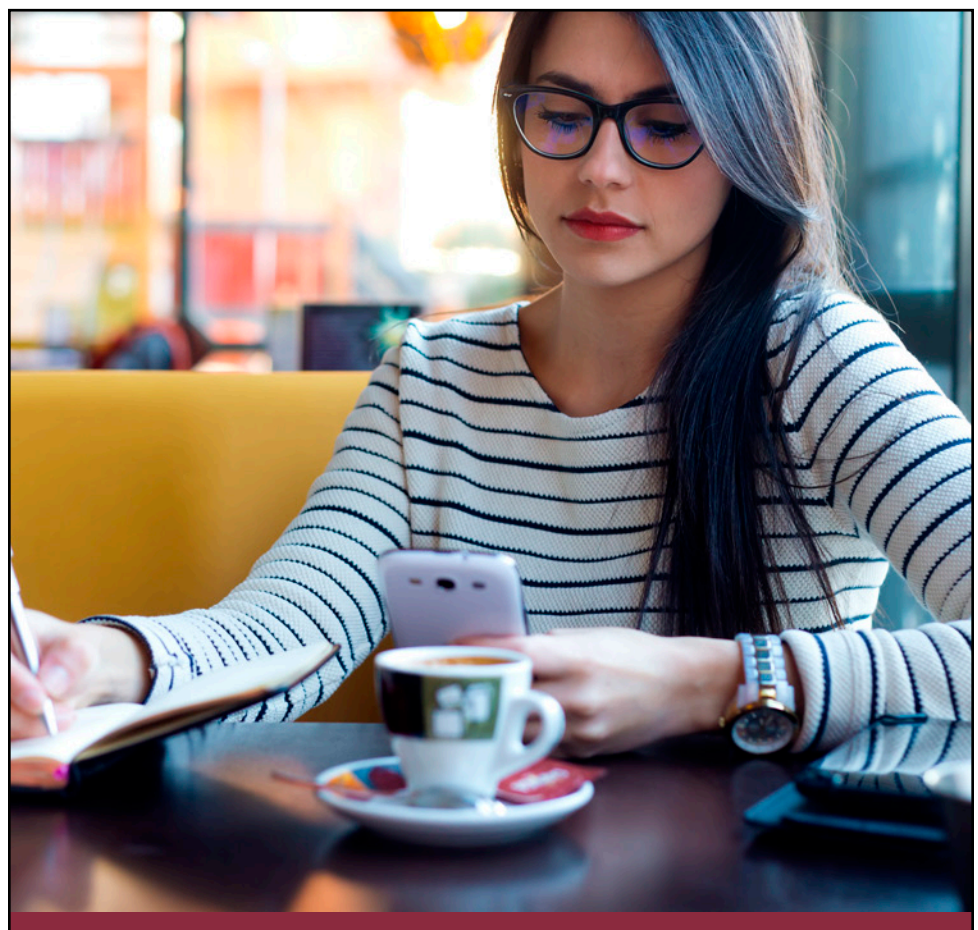

The fourth quarter was controlled by the Eagle defense; the Bulldogs only had two possessions- one ended in a three-and-out and the other was stopped short on a fourth-down attempt. A stout Vinemont defense and heavy dose of the ground game controlled the clock, and the Eagles took the victory, 21-7.

Vinemont is now 4-3 and will face Oakman at home next week.

Best Bets

Ntare Mwine stars in "Room 104" on HBO.

7 p.m. on DISN
Raven's Home

Booker and Nia (Issac Ryan Brown, Navia Ziraili Robinson) convince Levi, Tess and Ramon (Jason Maybaum, Sky Katz, Max Torina) to join them for a night filled with both big scares and lots of fun in 4B, the apartment that is suspected to be haunted, in the new episode "Don't Trust the G in Apt 4B." Meanwhile, Raven and Chelsea (Raven-Symoné, Anneliese van der Pol) throw a Halloween party for the younger neighborhood kids.

8 p.m. on WE
Love After Lockup

The hit — and very unconventional — relationship series returns with new episodes following a temporary hiatus, with more stories of devoted lovebirds who are hoping to make it successfully down the aisle with jailbirds, even though they have no certainty that the latter partner isn't conning them. Planning a wedding is nearly always stressful, but it's even worse when your "to-do" list includes dodging a parole officer or getting stuck under house arrest with someone you barely know in real life.

8 p.m. on SHOW
Movie: Schindler's List

Before Steven Spielberg put the horrors of combat on the big screen ("Saving Private Ryan"), he did the same with the Holocaust in this 1993 drama. Liam Neeson stars as Oskar Schindler, the German businessman who demonstrates that greed is indeed good. Motivated at first by wartime profits, he fills his factory with cheap Jewish labor, but as the Nazis' plans for Jews become clearer, he makes it his mission to save as many as he can.

10 p.m. on HBO
Room 104

As Keir (Ntare Mwine) goes through the process of preparing for his Generations Ceremony, he looks back and reflects on his life, which inevitably includes reliving some painful memories of some moments that, even in their harshness, had a profound impact on him, in the series finale, "Generations."

Liam Neeson stars in "Schindler's List" on Showtime.

OUTDOORS

Don't get complacent about hunter safety

David Rainer
Ala. Dept. of Conservation & Nat. Resources

Although the number of hunting accidents has held steady for the last several years, Captain Marisa Futral doesn't want Alabama's hunters to take anything for granted during the state's lengthy hunting seasons.

Futral, the Alabama Wildlife and Freshwater Fisheries (WFF) Division's Hunter Education Coordinator, said accidents for the past five years have averaged about 20 per hunting season, which she considers encouraging but not the ultimate goal.

Of the 22 accidents during the 2019-2020 season, WFF staff had reports of eight non-fatal firearms accidents, one fatal firearms accident, 10 non-fatal treestand accidents and three fatal treestand accidents.

"Of our non-fatal firearms accidents, half of them were self-inflicted," Futral said. "The other half was failure to properly identify the target. The one fatality was failure to identify the target during turkey season. We really need to emphasize properly identifying the target before you put your finger on the trigger.

"And don't get complacent. One of the non-fatal firearms accidents occurred when the hunter tripped and shot himself in the foot. Hunters need to be constantly aware of the muzzle direction of their firearm. Of the 13 treestand accidents, the victims either weren't wearing safety harnesses or they weren't attached to the tree. You need to be attached to the tree the entire time you're off the ground."

Futral said she can't stress that last statement enough about being attached to the tree with a safety line from the time your feet leave the ground climbing until your feet touch the ground descending.

"A wide variety of accessories is available to ensure you are attached to the tree at all times," she said. "Harnesses are much more comfortable than they were 10 years ago. They are easy to put on and are lightweight."

Of the three treestand fatalities, Futral said the cause of one accident in Jackson County could not be determined. One fatal accident occurred in Fayette County when the victim fell out of his stand, and the other fatality occurred as the hunter was climbing down out of the stand.

Several non-fatal treestand accidents involved failures of straps or other parts of the treestand.

"Always check the condition of your treestands before you attempt to climb," Futral said. "Treestands left out in the weather can deteriorate quickly."

WFF Hunter Education urges all hunters to follow 11 guidelines for using a treestand safely

1. Always wear a safety harness, also known as a fall-arrest system, when you are in a treestand, as well as when climbing into or out of a treestand. Statistics show that the majority of treestand incidents occur while climbing in and out of a stand.

2. A safety strap should be attached to the tree to prevent you from falling more than 12 inches.

3. Always inspect the safety harness for signs of wear or damage before each use.

4. Follow all manufacturer's instructions for use of a safety harness and stand.

5. Follow the three-point rule of treestand safety. Always have three points of contact to the steps or ladder before moving. This could be two arms and one leg holding and stepping on the ladder or one arm and two legs in contact with the ladder before moving. Be cautious that rain, frost, ice or snow can cause steps to become extremely slippery. Check the security of the step before placing your weight on it.

6. Always hunt with a plan and, if possible, a buddy. Before you leave home, let others know your exact hunting location, when you plan to return and who is with you.

7. Always carry emergency signal devices such as a cell phone, walkie-talkie, whistle, signal flare, PLD (personal locator device) and flashlight at all times and within reach even while you are suspended in your fall-arrest system. Watch for changing weather conditions. In the event of an incident, remain calm and seek help immediately.

8. Always select the proper tree for use with your treestand. Select a live, straight tree that fits within the size limits recommended in your treestand's instructions. Do not climb or place a treestand against a leaning tree.

9. Never leave a treestand installed for more than two weeks since damage could result from changing weather conditions and/or from other factors not obvious with a visual inspection.

10. Always use a haul line to pull up your gear and (unloaded) firearm or bow to your treestand once you have reached your desired hunting height. Never climb with anything in your hands or on your back. Prior to descending, lower your equipment on the opposite side of the tree.

11. Always know your physical limitations. Don't take chances. Do not climb when impaired by drugs, alcohol or if you're sick or fatigued. If you start thinking about how high you are, stop climbing.

"It's so easy to get complacent," Futral said. "Your family wants you to come home from the hunt safely. Even if you've been doing this your whole life, take that extra minute to be safe. Make sure you're hooked to the tree. Unload your firearm when you cross the fence. If you think it'll be okay, 'just this once.' Don't do it."

The one firearm fatality occurred in Jefferson County when the hunter failed to properly identify the target during turkey season and shot a member of the hunting party.

Futral stresses the 10 commandments of firearms safety

1. Treat every firearm as if it is loaded.

2. Control the muzzle of your firearm. Keep the barrel pointed in a safe direction. Never point a firearm at anything that you do not wish to shoot, and insist that your shooting and hunting companions do the same.

3. Be sure of your target and beyond. Positively identify your target before you fire, and make sure no people, livestock, roads or buildings are beyond the target.

4. Never shoot at water or a hard, flat surface. A ricocheting bullet cannot be controlled.

5. Don't use a scope for target identification; use binoculars.

6. Never climb a tree, cross a fence or jump a ditch with a loaded firearm.

7. Store guns and ammunition separately. Store firearms under lock and key, and use a gun case to transport firearms.

8. Make sure your barrel and action are clear of all obstructions.

9. Unload firearms when not in use. Never take someone else's word that a firearm is unloaded. Check yourself.

10. Avoid drugs and alcohol when hunting or shooting. Even some over-the-counter medicines can cause impairment.

DAVID RAINER

Safety harnesses should be worn and be attached the tree at all times when climbing or descending.

Despite the accidents, hunting remains one of the safest recreational activities available.

According to American Sports Data and the National Shooting Sports Foundation, hunting ranks lower than basketball, football, tennis, cheerleading, bicycling, golf, and even bowling in the total number of injuries per 100 participants.

Responsible hunters who mentor others in the aspects of safety, as well as the many volunteer hunter safety instructors around the state, have contributed to the high safety record for those who enjoy the great outdoors during the hunting seasons in Alabama.

Trunk-or-Treat (from Front)

Cullman Tribune staff
Contributor

CULLMAN, Ala. – Cullman Regional on Thursday announced that this year's Trunk-or-Treat event, the hospital's largest annual event, has been canceled.

A media release from the hospital said the decision to cancel the event was made by Cullman Regional's administration due to a variety of factors concerning COVID-19, including not having the ability to effectively social distance attendees during this year's event.

"We love being able to host Trunk-or-Treat for our community, but we feel it is in everyone's best interest that we cancel this year," Cullman Regional's Vice President of Marketing Lindsey Dossey said.

"We anxiously await the return of our 2021 Trunk-or-Treat event with all of the wonderful people in our community."

Said the release, "Cullman Regional thanks the community for all of the support they have shown over the last few months amidst the coronavirus pandemic."

For more information about services provided by Cullman Regional, visit www.CullmanRegional.com.

Obituary Announcements: Oct. 9

Diane Evans Albright Mead, 64, of Falkville passed away Thursday, Oct. 1, 2020. She was born April 10, 1956 to Donald and Dean Johnson Evans, who have preceded her in death. Her family will receive friends at Moss Service Funeral Home Friday, Oct. 9. 2020 from 1-2 p.m. The Celebration of Life Funeral Service will begin at 2 p.m. with the Rev. Shane Hicks officiating. Burial will follow at Bethlehem West Cemetery. She is survived by her daughter from her first marriage, Melanie (Roger) Waters Graham; son from her second marriage, Jody Mead; son-in-law of over 20 years, Clint Waters; brothers Donnie Evans and Danny Evans; grandson BJ Waters; granddaughter MiKayla Waters (Will Clark); and her beloved dog Buddy. Serving as pallbearers will be Clint Waters, Roger Graham, BJ Waters, Will Clark, and Dwight Slayton. Condolences and special memories may be shared with the family at www.mossservicefh.com.

Funeral services for Charles Buell Brock, 75, of Cullman will be at 3 p.m. Sunday, Oct. 11, 2020 at Northbrook Baptist Church with Rev. Victor Quick and Rev. Wade Maynard officiating, interment in Pleasant Grove Baptist Cemetery. Visitation will be from 1-3 p.m. prior to the service. Cullman Heritage Funeral Home is in charge of arrangements. Mr. Brock passed away Wednesday, Oct. 7, 2020 at Cullman Regional Medical Center. He was born Wednesday, April 25, 1945 to Buell and Virginia Brock. He was preceded in death by his parents and brother Gerald Brock. Survivors include his wife of 55 years, Sharon Faye Brock; daughters Mona (Donnie) Pylant and Kim (Brad) Isom; grandchildren Alexa Pylant, Dakota Matheny, Brock Matheny, Taylor Isom, Jake Isom, and Evie Isom; sister Pauline Robbins; brothers Ronnie Brock, Sr., Larry Brock, Roger Brock, and Kerry Brock; and a host of nieces, nephews, family, and friends.

Larry Hoyet Thompson, 77, of Vinemont passed away Wednesday, Oct. 7, 2020 at Cullman Regional. He was born Feb. 2, 1943 in Berwick, Pennsylvania to John Hoyet and Elizabeth Thompson. He was preceded in death by his parents; wife Joann Thompson; and brother Gerald Thompson. Survivors include his children Melissa (Greg) Bell, John (Cindy) Thompson, James Thompson, and Jennifer (Jeremy) Blankenship; 11 grandchildren; 12 great-grandchildren; and sister Doris Treadway.

Tamara Elaine Dozier, 58, of Double Springs entered into rest Wednesday, Oct. 7, 2020 at Lakeland Community Hospital. Tamara was born June 28, 1962 in Jasper, Alabama. Arrangements are pending.

Letter to the Editor: In support of Rick Neighbors for Congress

John and Randi Gross
Contributor

Editor:

Almost 20 years ago we retired to the great state of Alabama. When the "dust" settled we began to pay attention to our local representation and learn all the new names and faces. It took a long, long time to figure out who our U.S. House Representative was. Congressman (Robert) Aderholt did not make himself well known. It took about 10 years to figure out what that invisible man even looked like.

When Rick Neighbors, first announced his candidacy for the U.S. Congress, we were delighted. We informed his campaign manager, Lisa Ward, that we would be happy to help in any way possible. We signed up to do some phone banking and putting up signs. Not long into the campaign the virus pandemic reared its ugly head and she informed us that the Campaign had shifted gears from Neighbors Helping Neighbors to Neighbors Checking on Neighbors. We all went to work calling and checking on the elderly, providing rides, making masks.... delivering food and filling the needs whenever or wherever we could. Neighbors stepped up all over the district to help their neighbors. Hundreds of calls to the elderly turned into conversations to console and alleviate the loneliness and subside the fear of the unknown upon us.

Besides being a "Good Neighbor" Mr. Neighbors is an experienced businessman and industrial manager. A real problem solver that fought during the Vietnam War. He valiantly served our country by doing three tours. As a result of these dangerous missions he became a decorated war hero. During this campaign, he did what he knew to do when he temporarily suspended his campaign to fight the enemy in front of us.

The shortage of PPE prompted the creation of the Neighbors Protecting Neighbors campaign. When it was first announced that protective masks should be worn to prevent the Covid 19 virus they were virtually unavailable. Neighbors quickly organized volunteers to make home sewn protective masks. To date, the volunteers have sewn and distributed over 10,000 masks. These masks have been provided to prisons, nursing homes, hospitals, clinics, daycares and any one that needed them for free. Many of the masks have been hand delivered by Mr. Neighbors himself. In the face of one of the most horrific medical threats our nation has ever faced, Aderholt merely sends out texts, emails, and sponsors photo contests. Aderholt appears to be running away from the dreaded disease, but like a true hero Neighbors runs toward it

Unlike his opponent, Neighbors actually lives in the District that he strives to represent. Mr. Aderholt owns property in both Haleyville and Guntersville but resides with his family in a gated community 12 miles from Washington in Arlington. The home was purchased in 2004, reportedly for $ 1.5 million dollars and is where his children grew up attending school-Not in the school system our children attend. Aderholt's children receive a top-notch education in exclusive private schools.

Unlike his opponent, Neighbors returns phone calls in person. It has been said that Aderholt does not want to talk to his constituents in person.

Unlike his opponent, Neighbors is not worth millions. He's a working man like the rest of us.

Unlike his opponent, Neighbors does not maintain an empty office in Florence. When constituents attempt to visit this office in hopes of speaking to Aderholt, they run the risk of having the police shoo them away.

Unlike his opponent, Neighbors does the actual leg work in the area trying to get broadband for everyone, rather than just sending a text or e- mail to say he is "working on it".

Unlike his opponent, Neighbors is dedicated to bringing good paying jobs to the district. He is actually working on projects that may do just that!

Unlike his opponent, Neighbors has run a tireless campaign. He is out every weekend, and many weekdays, asking the citizens of District 4 what they want from their representative.

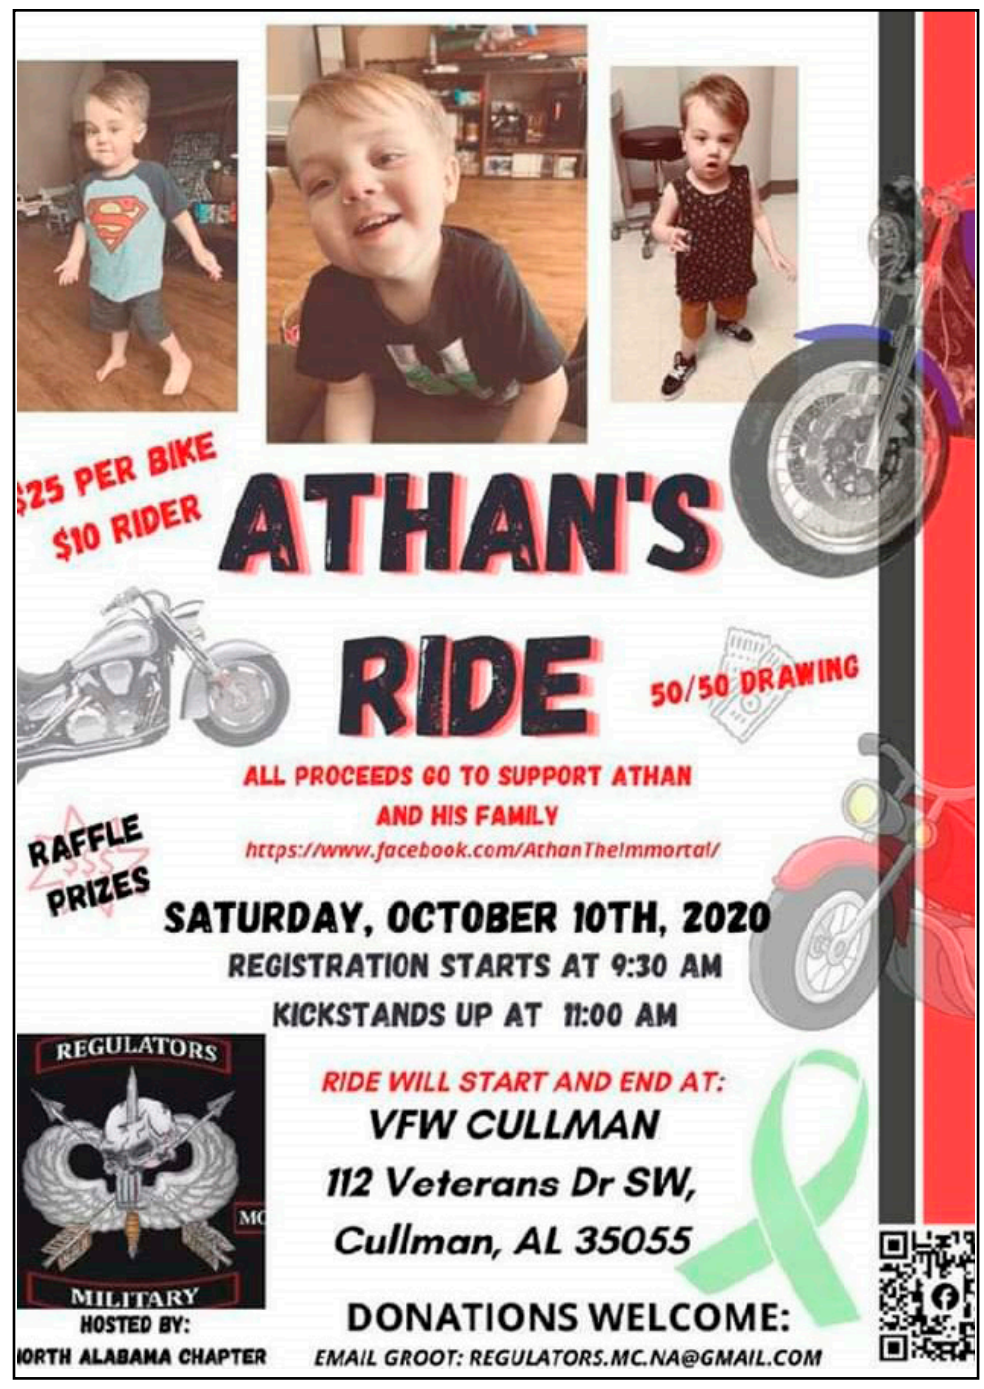

According to The Rural Broad Band Association, there have been 46 bills introduced regarding broadband and telephone regulations (spoofing, robo calls, etc). Yet we still do not have broadband in our rural areas and still get dozens of spam calls every day. So, just what is our so-called Representative doing and better question is, where is he? He isn't in Alabama and he missed 26 votes in Washington in 2019 alone. It's important to Mr. Neighbors to know how we all feel and what he can do for us. He listens to Democrats, Republicans, and even non-voters because he wants to represent every neighbor and every community in District 4. One can only wonder why Aderholt is not running a viable campaign in District 4. Is he so arrogant that he thinks he will just win because he won 12 times before? Is it that he doesn't believe our barely livable wages, education, and healthcare is as important as his? Why do we not see or hear from him until election year and why is it that he is so confident he will win when he won't even come out and ask us for his vote? Because he doesn't serve us... rather, he is served by us through our hard earned tax dollars. We must stop doing the same things we keep doing, and voting like we keep voting if we want a different outcome for our neighbors and ourselves.

UNLIKE HIS OPPONENT, Rick Neighbors strongly supports:

- The Military and all of our Veterans whenever and wherever they may have served.
- The Veterans that have survived battle but with damage to their body and soul should be treated. No matter what!
- Equal pay for equal work, and the right to earn a living wage.
- Restoration in full of the Voting Rights Act.
- A national plan to curb the Pandemic.
- The Affordable Care Act and its expansion
- The restoration of normal operations to the United States Postal Service.
- The independence of the Department of Justice and our court system to ensure equal treatment under the law.
- Protection of Social Security and Medicare for the nation's senior citizens.
- The restoration of truth, honor, integrity, and decorum in our elected leaders.

Because of these and many other reasons, we proudly support and endorse Rick Neighbors for the Office of United States Representative Congressional District 4 Alabama. We sincerely hope that voters will wisely not choose to vote a straight ticket but take the time to consider their own self-interest and vote for Rick Neighbors, one of us... a real neighbor and true gentleman who is actually interested in serving District 4.

FORECLOSURE NOTICE

Default having been made in the payment of the indebtedness described in and secured by that certain mortgage executed by J. Mark Jacobs, an unmarried man, to Donald L. Burnham and/or Martha J. Burnham dated October 2, 2012, and recorded in Mortgage Book 1687, Page 949 of the records in the Office of the Judge of Probate, Cullman County, Alabama; notice is hereby given that the undersigned as Mortgagee will under power of sale contained in said mortgage, sell at public outcry for cash to the highest bidder, during legal hours of sale on November 23, 2020, at the front door of the Courthouse of Cullman County, Alabama, 500 2nd Avenue SW Cullman, AL 35055, the following described real property in the County of Cullman, State of Alabama, being the same property described in the above referred to mortgage:

A tract or parcel of land containing approximately 3 acres of land, more or less, and being situated in the Southeast Quarter of the Northeast Quarter of Section 36, Township 10 South, Range 5 West, being more particularly described as follows: Beginning at a set rebar marking the Northeast corner of the Southeast Quarter of the Northeast Quarter of Section 36, Township 10 South, Range 5 West (which is also the Northwest corner of the Southwest Quarter of the Northwest Quarter of Section 31, Township 10 South, Range 5 West); thence South 01 degree 48 minutes 06 seconds East along the East line of said Southeast Quarter of said Northeast Quarter a distance of 506 feet to the point to beginning: Thence continue South 01 degree 48 minutes 06 seconds East along the East line of said Southeast Quarter of said Northeast Quarter a distance of 105 feet to a point; thence westerly along a line parallel to the North line of said Southeast Quarter of the Northeast Quarter of said Section 36 a distance of 1,320 feet, more or less, to a point on the West line of said Southeast Quarter of said Northeast Quarter of said Section 36; thence northerly along the West line of the Southeast Quarter of the Northeast Quarter of said Section 36 a distance of approximately 105 feet to a point 506 feet from the Northwest corner of said Southeast Quarter of the Northeast Quarter of said Section 36; thence easterly along a line parallel to the North line of the Southeast Quarter of the Northeast Quarter of said Section 36 a distance of 1,320 feet, more or less, to the point of beginning. The northerly line of said parcel of land (running easterly and westerly along a line parallel to the North line of said Southeast Quarter of the said Northeast Quarter of said Section 36) is the southerly line of the parcel of land conveyed by Howard F. Tucker in that certain Vendor's Lien Deed dated January 14, 1994, of record in the office of the Judge of Probate of Cullman County, Alabama in Book 427, Page 638. ALSO: A 20-foot wide easement situated in the Southwest Quarter of the Northwest Quarter of Section 31, Township 10 South, Range 4 West, and being 10 feet left and right of the following described centerline:Commence at the Northwest corner of the above said forty and run South 01 degree 48 minutes 06 seconds East along the West line a distance of 525.50 feet; thence North 88 degrees 11 minutes 54 seconds East a distance of 10.00 feet to the point of beginning of said centerline: Thence run North 01 degree 48 minutes 06 seconds West along a line 10 feet East of the West line of said forty a distance of 93.00 feet; thence South 78 degrees 42 minutes 06 seconds East a distance of 182.64 feet; thence South 86 degrees 54 minutes 25 seconds East a distance of 48.66 feet; thence North 68 degrees 22 minutes 18 seconds East a distance of 46.90 feet; thence North 47 degrees 22 minutes 00 seconds East a distance of 131.96 feet; thence North 80 degrees 17 minutes 41 seconds East a distance of 43.32 feet; thence South 74 degrees 25 minutes 02 seconds East a distance of 35.26 feet; thence South 50 degrees 09 minutes 46 seconds East a distance of 70.39 feet to a point marking the westerly right-of-way line of Cullman County Road No. 832 and the ending point of said centerline of said 20-foot wide easement. The said 20-foot easement described above is also shown and described on the survey by Conn Surveyors dated January 21, 1994. Said easement has been used openly and without objection for more than ten (10) years prior to this date.

ALABAMA LAW GIVES SOME PERSONS WHO HAVE AN INTEREST IN PROPERTY THE RIGHT TO REDEEM THE PROPERTY UNDER CERTAIN CIRCUMSTANCES. PROGRAMS MAY ALSO EXIST THAT HELP PERSONS AVOID OR DELAY THE FORECLOSURE PROCESS. AN ATTORNEY SHOULD BE CONSULTED TO HELP YOU UNDERSTAND THESE RIGHTS AND PROGRAMS AS A PART OF THE FORECLOSURE PROCESS.

This property will be sold on an "as is, where is" basis, subject to any easements, encumbrances and exceptions reflected in the mortgage and those contained in the records of the office of the Judge of Probate where the above-described property is situated. This property will be sold without warranty or recourse, expressed or implied as to title, use and/or enjoyment and will be sold subject to the right of redemption of all parties entitled thereto.

Said sale is made for the purpose of paying the said indebtedness and the expenses incident to this sale, including a reasonable attorney's fee. The sale will be conducted subject (1) to confirmation that the sale is not prohibited under the U.S. Bankruptcy Code and (2) to final confirmation and audit of the status of the loan with the mortgagee.
