Students enjoy 2020 West Point Intermediate School Pumpkin Drop

CHRISTY PERRY/THE CULLMAN TRIBUNE

Students anxiously await the 2020 West Point Intermediate School Pumpkin Drop Friday, Oct. 30, 2020.

WEST POINT, Ala. – The 2020 West Point Intermediate School Pumpkin Drop took place Friday afternoon in the school's parking lot, and although the gusty winds may have affected the pumpkins' parachutes, the costumed kids still had a blast as they watched their hard work plummet to the ground. Assisted by a crew from the Cullman Electric Cooperative, the pumpkins were lifted high in the air and dropped toward the target below.

On the ground, members of the Cullman County Sheriff's Office and Cullman Police Department helped score each entry.

For several weeks, each classroom spent its time in STEM (Science, Technology, Engineering, and Mathematics) Lab, designing a way for a pumpkin to be dropped without busting.

All the pumpkins were in boxes the students attached to parachutes, and the boxes had different protective elements designed to keep the pumpkins inside intact. Not all were successful, but again, that wind may have been the cause of many of the parachutes failing to open.

Eleven pumpkins were dropped, and each was judged on: keeping the pumpkin safe, speed (the slower the speed the better), design and target.

The police officers clocked the pumpkins' speeds with a radar gun.

Waldo, aka West Point Intermediate School Principal Mike Jones, said of the event, "We implemented a STEM Lab. We tried to make and incorporate that as part of the daily curriculum.

The engineering and design process and the critical thinking, we try to get that as part of the daily curriculum.

"The kids can have that and the hands-on activities and any time we can do extra activities, we can.

"It gets them excited about it and they may not realize they are learning actual science, too."

Jones said the kids were given the designs » PAGE 8

Sheriff Gentry gives update on theft ring bust

NICK GRIFFIN/THE CULLMAN TRIBUNE

Cullman County Sheriff Matt Gentry holds a press conference Friday, Oct. 30, 2020.

CULLMAN, Ala. – The Cullman County Sheriff's Office (CCSO) on Monday, Oct. 26 busted what it says was a major theft ring, recovering thousands of dollars in stolen property, one of the biggest recoveries in the last 20 years. Friday morning, Sheriff Matt Gentry gave an update on the investigation.

"We had been having several burglaries throughout Cullman County. Our investigators worked extremely hard. With the use of social media, we had some pictures and things that we were putting out, so we were able to gather information to develop a search warrant for a residence in Holly Pond that belonged to Ronald Eric Bevington," he said, recounting the events leading up to Monday's arrests.

"Members of the Special Response Team and our investigators executed that search warrant Monday. During the execution of that search warrant, Mr. Bevington fled. I was proud of K-9 Copper. It was about a 3-mile, or a little bit over a 3-mile track with K-9 Copper and Deputy (Nicholas) Buchanan with other members of the Special Response Team where they took Bevington into custody."

Continued Gentry, "There (were) multiple people at the residence, and so that kind of started the second tier of the investigation. Once we were there, we started discovering not only did Mr. Bevington have currency and a large amount of methamphetamine in his possession, there was also heroin and some acid, but » PAGE 6

TO: ANY AND ALL PERSONS, HEIRS OR DEVISEES, claiming any right, title and interest to the following described real property, to-wit: **Parcel # 10-05-22-0-001-006.007** in Cullman County, Alabama.

NOTICE IS HEREBY GIVEN that on the 2nd day of October 2020, a Complaint in Rem to Quiet Title was filed by Plaintiffs Roy Dyer and Teresa Dyer, by and through their counsel of record, Seth B. Thompson, wherein all parties at interest were given notice and wherein it was alleged that said Complaint was filed against the property described above, and it was alleged that Plaintiffs were the owner in fee simple of said real property.

The parties at interest are further notified that Plaintiffs aver in said Complaint that it claims title to the real property by reason of the following chain of title, to wit:

(a) On the 8th day of March, 2017, a decree was rendered by the Revenue Commissioner of Cullman County for the sale of land herein described and conveyed for the State and County taxes of Charles D. Suggs, the owner of said land for the cost of expenses thereto and thereunder.

(b) On the 2nd day of May, 2017, said lands were duly and regularly sold by the Revenue Commissioner of said county for taxes, costs and expenses and at said sale Plaintiff's predecessor in title purchased said lands at and for the sum of said taxes, costs and expenses and forthwith paid said sum to the Revenue Commissioner, and received from said Revenue Commissioner a certificate of said sale.

(c) The time of redemption of said lands has elapsed and said certificate of purchase had been returned to the Revenue Commissioner of said county.

(d) On or about the 12th day of May, 2020, Plaintiffs came forward and notified the Revenue Commissioner that they had taken lawful possession of the land and were due a deed pursuant to the Code of Alabama, specifically, but not limited to Title 40-10-29 and act number 84-493. Plaintiffs have met all requirements under these two statutes and other provisions of Alabama Law.

(e) Title to the real property described hereinabove stands upon the records in the Probate Court of Cullman County, Alabama, in the name of the Plaintiffs.

YOU ARE HEREBY DIRECTED to answer this Complaint on or before thirty (30) days from the 31st day of October, 2020, or on failure to do so, suffer a default judgment to be rendered against you.

Funny Things from Yesterday: Crosby visited us

Robert N. Tidwell, Sr.
robertntidwellsr@gmail.com

Crosby, our oldest great-grandson, is 3-and-a-half years old, so he is still very young. It surprises me how much he knows. I'm sure that he learns a lot going to preschool. This is his second year.

You may remember that he was learning words that go with letters that the teacher calls out. Remember that I asked him what goes with the letter "C" and he said, "Me." I teased him that "Me" started with a letter "M."

He visited us last week and Rudene had bought some sidewalk chalk for him to write on our new cement walkway. He got a yellow piece of chalk and printed Crosby with it. It still surprises me how much and how quickly little children learn these days.

It was a nice warm day, so I moved two lawn chairs out in the yard. One toy that Erin had brought to our house for Emma Grace, our first little great-granddaughter, to play with is a doll house. Crosby likes to play with it, too. I carried the little doll house out for him. I teased him of being like a little girl. Mickey Mouse, Minnie Mouse, Donald Duck and Daisy came with the house. The furniture can be arranged, so C.J. likes to arrange things.

I set the doll house down and C.J. asked me to turn my chair halfway around. He said that he didn't want me to watch him playing with the doll house. I did as he wanted me to. Once in a while, I took a quick look.

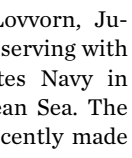

After he grew tired of playing with the doll house, I needed to get something else to do.Rudene suggested we get an old croquet set and see if we could teach him to play. I set up one wire arch to see if he could knock the ball through it. I tried to teach him how to hold the mallet, but he just could not do it right. He kept trying to swing the mallet like a baseball bat. So, we gave up this idea.

We got out the bean bag throw set and he and I were still throwing bean bags when his ride home arrived. These little ones help Granny and me keep up our exercise. We LOVE to have these little ones come.

BILLY BOB'S STORIES AND STUFF

At age thirty-three she gained a new brother

Bill King
Tribune Contributor

She grew up as an only child. Then, suddenly, at the age of thirty-three, she gained a brother. I know, I know, you're doing the math right now and thinking what a huge age difference. You're also wondering how that is even possible. Well, it is, and I'll explain.

I had three older siblings. I had two brothers who were fourteen and eleven when I was born, and a sister who was six. That's a fair-sized difference in ages, but that's not the same kind of situation I'm talking about with this young lady. She is not thirty-three-years older than her brother. In fact, she is two-years younger than him. She is our daughter, but her brother is not our son. Are you confused yet? Please, let me explain.

Ashley, our only child, was adopted. Jean and I waited twelve years for her. We married in 1975 and she was born in 1987. She was six-weeks old when we adopted her.

Talk about a sudden adjustment in lifestyle, we had one. Because we adopted through a privately run adoption agency, those records were sealed and not public. We never met her birth mother. We never had any idea who her birth parents were or where they lived, and vice versa.

We didn't want our daughter to grow up alone, so we attempted another adoption a few years later.

The night before we were to leave to pick up a son for us, and a baby brother for our daughter, the birth mother changed her mind. We were heartbroken. We never attempted another adoption, so our daughter grew up alone with no siblings.

Growing up, we never discouraged Ashley from trying to find her biological family when she got older, but she never said too much about trying. A little over a year ago, she and her husband decided to do an ancestry DNA analysis.

At that time, she was exactly the same age I was when she was born. She had tried numerous times to find information about her biological parents, but had run into nothing but dead-end streets. She didn't have much hope of finding any family information through DNA analysis. Much to everyone's surprise, six weeks later she got her results back and had extremely close matches. She was shocked to find the names of uncles and cousins. Then the real shocker came. After all those years of thinking she was an only child, she actually was not. She has a brother who lives in the same state where she was born. Last week, Ashley, her husband, and son, had the joy of meeting the brother she didn't know she had. Until only a few weeks ago, her brother didn't know he had a sister either.

Here's the really amazing thing, although they traveled two states from home, she met him up the road from the city where she was born and where we adopted her. But that's not all. She and her brother met one another on October 15th. That happened to be the 33rd anniversary of the exact day that we adopted her! Talk about God winking at you! She visited with her newly discovered bother and his family that entire weekend and they had a blast.

I am so excited for Ashley and her brother. I'm excited that she now has more family members to love and be loved by. I am also thankful to God for the privilege of having a wonderful daughter for all these years, of whom I am so proud. She made me a dad, a father-in-law, and a grandfather. That has been, and still is, one of the greatest joys and blessings of my life.

MONTGOMERY, Ala. – The Alabama Department of Health (ADPH) and Alabama State Department of Education (ALSDE) on Friday launched the Alabama K-12 COVID-19 School Dashboard (https://bit.ly/31Z4uhd). Cases will be self-reported by Alabama's public school districts on a weekly basis.

As of Friday, the dashboard showed Cullman City Schools reported 12 cases this week, while Cullman County Schools reported 25.

According to the ADPH:

"The Alabama COVID-19 K-12 Dashboard was developed through a collaboration of the Alabama Department of Public Health (ADPH) and the Alabama State Department of Education (ALSDE) to provide a statewide view of COVID-19 cases and operating status in the K-12 setting. Local education agencies (LEA) are requested to enter the number of new COVID-19 cases among students and employees of which they are aware on a weekly basis. The dashboard provides data at the LEA level to inform the decisions of parents and local officials. It is important to note that it is not indicated or implied that any or all of the cases reported were infected while at school facilities.

"To protect individual privacy, LEAs reporting 1-4 new COVID cases will show '<5' in the display; those numbers will be included in the state level totals. 'NR' indicates that there was no reported data from the district for the time period. Decisions regarding reporting this data balance transparency, public health and individual privacy and may change as circumstances change.

"As the data is reported by the LEAs, ADPH and ALSDE are not able to respond to inquiries. Questions about the data should be directed to the specific LEA."

Disclaimer:

ALSDE and ADPH cannot verify and make no representation regarding the accuracy of the data presented. The data is provisional and subject to change. The data may be different than information presented on the websites and dashboards of individual LEAs or other entities due to timing of reporting or other factors. The data presented here may be different than the data reported to ADPH by laboratories and healthcare providers due to multiple factors and should not be directly compared to information presented by ADPH on the Alabama's COVID-19 Risk Indicator Dashboard, Alabama's COVID-19 Data and Surveillance Dashboard and the ADPH website. Data reported herein does not indicate or imply that a positive COVID-19 case was contracted at the school facility.

FREQUENTLY ASKED QUESTIONS

Q: What information is reported, and who is reporting it?
A: The data presented on this page reflects newly reported COVID-19 cases among students and employees at public K-12 school districts in Alabama. The data are self-reported by local education agencies (LEAs).

Q: How is the data reported to the Alabama Department of Public Health?
A: The data are self-reported on a weekly basis via an application developed in collaboration with the through a collaboration of the Alabama Department of Public Health and the Alabama State Department of Education.

Q: Why is data reported by school district and not by school?
A: To protect individual privacy, the student and employee totals are reported together at the Local Education Agency (LEA) level.

Q: I heard there was a case in my child's class. Why does that school district show no cases?
A: If a student or employee fails to disclose to the LEA that they have a positive COVID-19 test or have been diagnosed with COVID-19, the LEA will have no way of knowing and communicating that information. Therefore, the information on this report includes only cases of which the LEA has been made aware.

Q: Where can I find information on how many teachers are positive in my child's school?
A: Individual schools or school districts may individually publish information on employee positive cases. To protect individual privacy, the student and employee totals are reported together at the Local Education Agency (LEA) level on the statewide dashboard.

Q: Does a child have to have a positive laboratory test to be reported as a case?
A: Not necessarily, self-reported cases are included in this particular statewide dashboard.

Halloween Night

By: Randy C. Hale

Many memories come to my mind,
when I think of this night.
Candy bags and costumes,
jack-o-lantern lights.

Stops from house to house,
chocolate bars and squeals.
Lots of fun for everyone,
imagine how it feels.

Joe said, he'd be a monster
and that would be real cool.
Dawn said, she's a witch
and Rachael is a ghoul.

Sam will be a werewolf,
howling at the sky.
When they all come to your door,
popcorn balls will fly!

I want to be real scary mom,
but she said no, not you.
I have the thing just right,
you can be Boo Boo.

We gather more than we thought,
upon those special nights.
And share them in our dreams
of precious sweet delights.

Warriors dominate Carbon Hill, 37-0

Chris Pugh
Tribune Correspondent

WEST POINT, Ala. – West Point got back in the win column Friday night, taking care of business in one final home game against Carbon Hill, 37-0. Carbon Hill graciously agreed to play in place of Curry, which forfeited this week's matchup due to COVID-19-related reasons.

Carbon Hill opened the game with an impressive 66-yard drive that ended on a fumble recovered by who else than Kenyan Baker. Baker, who has scored touchdowns in the last two games, finished with the turnover and two sacks.

The big playmaker for the Warrior defense had this to say about the night: "Back in the spring I remember us seniors crying because we thought we lost our senior season. We are so blessed to get to play this season and to get to come home and play on this field one last time."

After Baker's fumble recovery the defense turned it on the rest of the way, allowing only 43 more yards in the half. Once the Warrior offense took the field it was like open season. Senior Carter Thornton continued showing what he has all night; he can do whatever you ask him to. This night he took off for 83 yards on the second play of the opening possession. Junior running back Kelton Washington finished it off one play later with an 11-yard touchdown run. Thornton scored the two-point conversion on a 3-yard trick play for an 8-0 lead.

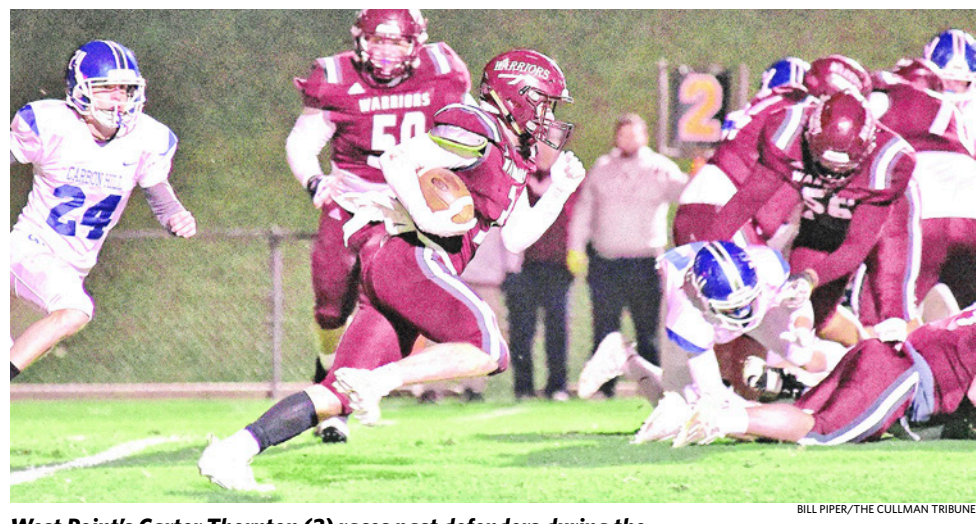

Finishing with 128 yards on 7 carries, Thornton said of his final home game: "Man, we are just so blessed to have this season. It was great to come out with my brothers one more time and get one more W at home. We have our biggest game next week and we are gonna control what we can control to try and go get another win."

After a quick three-and-out, Kobe Bowers caught a pass behind the line of scrimmage and threw it down to a wide open Jacob Dye for a 53-yard touchdown.Bowers has completed both of his pass attempts this season, both of which have gone for touchdowns.

∂After Luke Hammond recovered a fumble on the kickoff, senior quarterback Will Cochran took it in from 12 yards to push the lead to 23-0 after one quarter.

Carbon Hill took the next series to the red zone but was stuffed on fourth-and-1, making way for a 30-yard touchdown strike to Bowers from Cochran and a 30-0 lead. A three-and-out later and the Warriors went back to the run game, this time finishing off the drive with a 3-yard touchdown run by Brian Cornelius, his first on the season.

With the Warriors up 37-0 at the break, the teams elected to do 8-minute quarters in the second half, and West Point let its younger guys get some varsity experience.

West Point's Carter Thornton (3) races past defenders during the Warriors' 37-0 win over Carbon Hill Friday night.

"I'm proud of our guys and the way they responded to adversity early on in this season," said West Point Head Coach Don Farley. "We played well tonight; we just have to clean up the penalties. Next week is a new season and if we are gonna survive we're gonna have to eliminate those kinds of mistakes. Next week we play a great team, and we are gonna get our guys ready and go play some football."

Finishing the regular season at 4-6, West Point takes its momentum and heads to Alexandria next Friday, when the Warriors hope to upset 5A's no. 6 team in the state in the first round of the playoffs.

Vinemont tops Cold Springs 31-7

Ryan Guthery
Tribune Correspondent

BREMEN, Ala. – In the season finale for the Cold Springs Eagles and the last regular season game for the visiting Vinemont Eagles, Vinemont came away with a 31-7 victory Friday night.

Vinemont forced a punt and went on a lengthy drive that resulted in a 22-yard touchdown from Colby Miller to Toby Hill late in the first quarter. After forcing another punt, Vinemont once again moved the ball on the ground, this time resulting in a 10-yard touchdown by Brodie Curvin to put Vinemont up 14-0 with 6:09 remaining until halftime.

After forcing a three and out, Vinemont continued to pound it out on the ground; this time Curvin ran it in from 7 yards out to give Vinemont a 21-0 halftime lead.

Vinemont received the second half kick-off, and once again the ground game was clicking. Miller scampered in from 13 yards out, stretching the visiting Eagles' lead to 28-0 midway through the third.

Nacho Salgado extended Vinemont's lead to 31-0 late in the third on a 37-yard field goal.

Near the end of the game, Cold Springs' Ayden Alexander put the home Eagles on the board, and the final score was 31-7.

Vinemont ends its regular season 7-3 and will play at Plainview in the first round of the AHSAA State Playoffs next Friday.

Cold Springs notched a 4-6 record this year.

Arab closes regular season with 27-8 win over Boaz

Sammy Confer
sammy@cullmantribune.com

ARAB, Ala. – The Arab Knights were looking to build some much needed-momentum going into the playoffs next week when they hosted Boaz in its regular season finale Friday night. Arab leaned on its defense and they got big-time performances from Aidan Cox and Mathew Turnage as the Knights defeated the Pirates 27-8.

Both defenses forced punts on their opening possessions and on Boaz's second series, Arab's defense got a huge stop on fourth down, giving the Knights the ball in excellent field position at the 40-yard line. Mathew Turnage got 13 yards and a first down to start the Knights' next possession and Aidan Cox completed both of his passes for 21 yards, including a 15-yard touchdown strike to Dakota NeSmith, to give Arab a 7-0 lead. After forcing another Boaz punt, Arab started its next possession at the 24-yard line and got off to another quick start as Turnage gained 29 yards. Cox later found John Brady Bowman for 29 more yards. A holding penalty on fourth down backed the Knights up to the 20-yard line, but that didn't seem to faze Cox one bit as he found NeSmith for a 20-yard score to push the lead to 14-0 with 9:36 remaining in the first half.

Boaz used a mixture of the run and pass to get into the end zone on a five-yard run that made it a 14-8 game. The Knights looked to add another score before the half, but after picking up a pair of first downs, a bad snap stalled the drive and they were forced to punt, keeping the score at 14-8 at the half.

Arab started out hot on offense to kick off the second half and Turnage got the bulk of the touches, picking up some huge yards, including an 18-yard run late in the drive. Cox also found Wes Johnson for a 20-yard gain as well before Cox finished the drive with a 1-yard scoring run to make it 20-8. After the defense forced another Boaz punt, the Knights used the ground game to wear down the Pirate defense and Cox went two for two with 35 yards during the drive, including a 28-yard screen pass to Turnage for a touchdown score, and Arab stretched its lead to 27-8.

The fourth quarter saw Arab run the ball and burn off a lot of clock. Johnathan Pugh recovered a Boaz fumble late that helped seal the 27-8 win for the Knights.

Cox went 11 of 14 for 147 yards and three touchdowns and a rushing touchdown as well. Turnage added 162 yards on 28 carries and added a 28-yard touchdown reception in the win. NeSmith added a pair of catches for 35 yards and a pair of scores. Johnson finished with six receptions for 69 yards and Pugh recovered a fumble on defense for Arab.

Arab (5-5) will travel to take on Pinson Valley next week in the first round of the Class 6A playoffs.

Hanceville drops shootout at Elkmont 45-36

ELKMONT, Ala. – Hanceville hit the road for its regular season finale against Elkmont Friday night and after falling behind early, the Red Devils began to climb back and were eventually able to pull ahead of the Bulldogs and win it 45-36.

Two quick touchdowns gave Hanceville a 14-0 lead in the opening quarter but Elkmont was able to cut the deficit to 14-6 by the start of the second.

That's when the Bulldogs were able to create some separation. Two more scores made it a 30-6 game at one point in the second quarter but the Red Devils managed to get on the board one more time before the half to cut the lead to 30-12 at the break.

Elkmont's momentum continued into the third quarter and the Red Devils scored to make it 30-18 early in the third. Another third quarter touchdown cut the deficit down to 30-26 and by the start of the fourth quarter, Elkmont had rallied to take a 38-36 lead.

Another Red Devils touchdown put them in front 45-36 in the final frame and Hanceville was unable to get back on the scoreboard, falling to Elkmont on the road 45-36. The loss caps the Bulldogs' regular season at 2-8 with several players set to return next fall for Hanceville.

Tigers drop season finale at Sumiton Christian 24-22

Nick Griffin
nick@cullmantribune.com

SUMITON, Ala. – Meek wrapped up its regular season on the road Friday night and after the Tigers built a big lead early, Sumiton Christian came from behind to win it 24-22 and send Meek home with a loss to end the season.

A pair of early touchdowns gave the Tigers a 16-0 lead in the first quarter and they were able to tack on another score while keeping the Eagles off the scoreboard to take a 22-0 lead into the halftime break.

Unfortunately, there was little for Meek to celebrate in the second half.

Sumiton Christian found the end zone midway through the third quarter to trim the lead to 22-8 and by the start of the fourth quarter, the Eagles had gotten on the board again to make it a 22-16 game going into the final period.

The comeback continued for Sumiton Christian and the Eagles scored with just over eight minutes to play to take their first lead of the game at 24-22.

The Tigers were unable to find the end zone again and Sumiton Christian held on to complete the comeback 24-22.

The loss ends the regular season at 1-9 for Meek and the Tigers will be hungry to bounce back and see what they can do next season.

Aggies (from Front)

Nick Griffin
nick@cullmantribune.com

FAIRVIEW, Ala. – Holly Pond made the short trip to Fairview to renew its rivalry with the Aggies Friday night but Fairview put things out of reach for the Broncos early, leading the way 42-0 at halftime and pulling away to win it 56-16. The win over the Broncos makes the Aggies 9-1 on the season with their only loss coming to on the road to one of the top-ranked teams in Class 5A.

Holly Pond was forced to punt on its opening possession and the high-powered Fairview offense went to work. Just a few plays later, Aggies quarterback Parker Martin scored with his legs from 11 yards out to make it a 7-0 game. Another three and out gave the ball right back to the Aggies and it only took them a few more snaps to extend their lead. Eli Frost capped off the scoring drive with a 1-yard touchdown run and the extra point made it 14-0 with just under a minute to play in the first quarter.

The momentum continued for the Aggies in the second quarter. Eli Speegle picked off a Holly Pond pass and the Aggies took over possession near midfield. This time Martin scored through the air, connecting with Speegle from 15 yards out to tack on another touchdown and make it 21-0 early in the second. Fairview continued to make plays on the defensive side of the ball. J.T. White intercepted a pass on the next Broncos' drive and returned it all the way to the 4-yard line to set up the Aggies with first and goal. On the next play, Frost scored his second touchdown of the night the give Fairview a 28-0 lead midway through the second quarter.

A turnover on downs ended the next Holly Pond possession and the Aggies' took advantage with another touchdown drive. Martin scored on the ground for the second time, this time from 22 yards out to stretch the lead to 35-0 with just under five minutes to play in the half but the scoring didn't stop there for Fairview.

Speegle made another defensive play on the ensuing possession, pulling down another interception one-handed and running it back 35 yards for the touchdown. The pick-six made it a 42-0 game late in the second quarter and that was the score when both teams went into the locker room at the halftime break.

The Broncos got off to a solid start in the third quarter, forcing a turnover on downs to get off the field defensively and driving down the field looking to cut into the lead. The scoring drive was capped off by a 1-yard touchdown keeper by quarterback Austin Marsh and the two-point conversion run from Andrew Bell made it a 42-8 game with just over four minutes remaining in the third.However, the Aggies got those points back on their ensuing possession when Martin hit White for a 9-yard touchdown pass that put Fairview on top 49-8 with less than two minutes remaining in the third quarter.

The Aggies tacked on another six points almost immediately when Michael Chambers picked off another Holly Pond pass and returned it 35 yards for another pick six. The extra point made it 56-8 late in the third quarter.

The Broncos got on the board again when Bell burst through a hole up the middle and scored from 37 yards out to trim the lead to 56-16 but that was all Holly Pond would muster offensively and Fairview held on to win it 56-16 and finish the season with an impressive, 9-1 mark.

Martin finished with a pair of touchdowns on the ground and through the air, one to Speegle and one to White. Frost led the Aggies with 67 yards and two touchdowns on the ground in the win, followed by Jameson Goble who added 44 yards on five carries.

Bell led the Broncos with 82 yards and a touchdown on the ground, followed by Levi Boatright who added 55 yards on the ground.

Holly Pond finishes the season 2-8 after the loss to the Aggies and will look to bounce back next season while Fairview turns its attention Center Point coming to town for the first round of the 5A state playoffs next week.

Update (from Front)

we had large amounts of stolen property. We were able to recover that property; I think we had about three and a half trailer loads of property that we knew was stolen throughout not only our county but multiple jurisdictions."

The sheriff said this was a "huge win" for the theft victims, as well as the sheriff's office.

He said property has been returned to victims in other counties as well.

The agencies the CCSO has worked with to return property include the Cullman Police Department, Arab Police Department, Oneonta Police Department, Cleveland Police Department and the Blount County Sheriff's Office.

"Most of the time you have a burglary, the victim is the one that is out everything," he said. "They lose their property; they had their home invaded; they lose their privacy. So, for us to be able to return a little piece of their property, this is a huge win for us at the sheriff's office."

So far, the CCSO has returned the following property to owners:

- 8 guns (handguns and rifles)
- 2 utility trailers (one brand new)
- 1 compound bow with arrows
- Numerous power tools
- 5 new flat screen TVs
- 2 guitars
- 1 pressure washer

"We still have a lot of property and a lot of victims that are coming here onsite," said Gentry, "coordinating with investigators to go and try to identify more of the property that we have in our possession."

The sheriff said Bevington is a known criminal and convicted felon. He said there is a possibility for federal charges.

"Mr. Bevington is a multi, multi-convicted felon. I will tell you this. I've been dealing with Mr. Bevington for over 21 years," he said.

"Because he is multi-convicted felon, and he was in possession of a large amount of methamphetamine, we are coordinating with the Drug Enforcement Administration out of Birmingham for the possibility of federal prosecution on this case."

Monday's search warrant was executed at a residence along County Road 1728 in the Holly Pond community, where 40 grams of methamphetamine, $5,300 in cash, stolen guns, trailers, guitars, tools, TVs, tablets and other items were recovered.

Bevington, 52, of Holly Pond is charged with trafficking in illegal drugs, first-degree receiving stolen property and unlawful possession of drug paraphernalia.

He also had numerous warrants and may be facing other charges.

Three others at the residence were also arrested.

Merlin Eugene Thomas, 38, of Holly Pond is charged with unlawful possession of a controlled substance and unlawful possession of drug paraphernalia. He also had a failure to appear warrant.

Janissa Carolyn Dover, 27, of Cullman is charged with possession of drug paraphernalia.

Shaina Michelle Rajput, 36, of Hanceville is charged with possession of drug paraphernalia. She also had numerous failure to appear warrants.

Bevington is being held in the Cullman County Detention Center.

"This is one of the biggest, if not the biggest, property recoveries we have had here at the Cullman County Sheriff's Office during my 20 years here. No one dislikes thieves more than we do, and it's our goal to locate the owners and return as much of this stolen property as we can," Gentry said that day. "I am also glad our deputies were able to arrest these four individuals and also seize these drugs and recover this property in a safe manner."

Residents who believe any of the stolen items belong to them are asked to the call the Cullman County Sheriff's Office Investigation Division at 256-734-0342.

More photos of recovered property can be viewed on the Cullman Sheriff's Facebook page.

CULLMAN COUNTY SHERIFF'S OFFICE

Ronald Eric Bevington

"We're just so proud at the hard work our investigators and the sheriff's office have been conducting throughout this investigation," said Gentry.

A Round of Applause: Chonda Pierce

Ben South
Contributor

HOORAY FOR THE JOY-GIVERS! We always need more smiles, music and laughter. This fun series salutes those seriously unsolemn people, places and things that bring joy to the world. Starting during the pandemic, an oft joy-challenged time, readers are introduced to present-day joy-givers and reminded of cherished joy-givers of the past. Each salute will have online links to add more opportunities for happiness in the comfort of your socially-distanced home. Many installments of the series will include a salutary food or drink recipe to add another element of pleasure.

The "SHIELD THE JOYOUS" shields, which will be given to those honored or to their family, are inspired from a passage in "The Book of Common Prayer" (1662). Prayers are lifted to "tend the sick, give rest to the weary, bless the dying...and shield the joyous." Joy-givers are precious. Let us preserve them, protect them, treasure them, smile with them, laugh with them, tap our toes with them and give them A ROUND OF APPLAUSE.

PLEASE GIVE A ROUND OF APPLAUSE TO: CHONDA PIERCE

First, let's share a couple of laughs with this "Queen of Clean Comedy." In one of her SRO (standing room only) stand-up comedy shows, Chonda said, "I wrote 'that little, rich girl' who started the fabulously successful Spanx elastic underwear company and asked her if Spanx would like to sponsor my next comedy concert tour. I was excited to get a quick reply that read, (a beat) "Please quit telling people you wear Spanx."She followed that self-deprecating humor by adding she then wrote the Depends adult diapers folks. "I suggested this catch phrase, 'Chonda Pierce is so funny, you're gonna wet your pants. (pause) Depends.'"

A great way to find out more about this "Christian Comedienne," which is NOT an oxymoron, is to YouTube a lively interview with Chonda Pierce on CBN, the Christian Broadcasting Network, started by American conservative, evangelical star Pat Robertson. This is ideal for those of us at home during the pandemic. Google online for "Chonda Pierce Brings America Laughter From Her Living Room with 'QUARANTINE COMICS' on CBN."

Chonda Pierce is at the top of the Christian comedy heap, but here are others to bring you some knowing smiles, chuckles and chortles—including some who happen to be men:

1. JEFF ALLEN—Laid-back, funny jokes and a great, personal testimony

2. KEN DAVIS—This is the "slice of life," clean comic you want to invite over for a slice of pie, just get ready to spew your coffee like Ricky Ricardo.

3. MARK LOWRY—Toured for years with Bill Gaither concerts and knows how to wring the most laughs out of a crowd

4. MICHAEL, JR.—This brainy, dry-witted, Black Christian funny man often talks of his humble roots in the church; he is also popular as a star in Christian-based movies.

5. TIM HAWKINS—is a rubber-faced clown on par with Jim Carrey, but he always keeps his comedy "clean;" he is a great choice to YouTube and get your entire family laughing.

6. ANITA RENFROE—Proof that Chonda Pierce is not the only funny lady in Christian comedy; the two, gifted comediennes often make funny, friendly references to each other.

7. TAYLOR MASON—Remember when you were a little kid and you wanted to be an astronaut or a rock star? Apparently, Taylor Mason wanted to be a Christian comic-ventriloquist. How's that for a niche audience? HILARIOUS. He's like Jesus Christ meets The Muppets

FREE YOUTUBE ROUND OF CHONDA PIERCE FUN

I hope you'll check out all these Christian comics for some much-needed, clean laughs and also these Chonda Pierce, laugh-filled faves: "THE BEST OF CHONDA PIERCE PART ONE" (16 minutes) and PART TWO (11 minutes) is also great; "CHONDA PIERCE—THE HONEYMOON PACKAGE STORY" (9 minutes); "HOW CHONDA PIERCE SHUTS UP THE MILLENIALS" (10 minutes) and "MY MOTHER SCARES ME—CHONDA PIERCE" (9 minutes)

Chonda Pierce does a comedy bit where she reminds us that we can get by with a lot if we only add, "in Jesus' name."

So, while you're enjoying Chonda Pierce and all these great, Christian comics, enjoy this recipe for BUFFALO WING SHE-DEVIL EGGS, in Jesus' name, AMEN.

BUFFALO WING SHE-DEVIL EGGS

(adapted from a recipe at TasteOfHome.com—You did know buffaloes come from eggs, right?)

INGREDIENTS

- 12 hard-boiled, large eggs
- 1/2 cup crumbled, bleu cheese, divided
- 2 celery stalks, finely chopped
- 1/2 cup mayo
- 1/4 cup finely chopped, cooked chicken breast
- 3 tbsp. buffalo wing sauce
- 1/8 teaspoon pepper

DIRECTIONS

1. Cut eggs lengthwise in half. Remove yolks, reserving whites.

2. In a bowl, smash yolks and 1/4 cup bleu cheese.

3. Stir in celery, mayo, chicken, parsley, buffalo wing sauce and pepper.

4. Spoon mixture into egg whites.

5. Refrigerate, covered, at least an hour before serving.

6. To serve, sprinkle tops with remaining bleu cheese crumbles and drizzle with additional buffalo wing sauce.

Drop (from Front)

for their pumpkins, but it was up to the students to decide the materials used.

This is the second year for the pumpkin drop, and Jones said he hopes the event can be expanded and grow each year.

"Our kids are leaders here and we treat them like that, and we hope it pays off in the future for them," he smiled.

A BIG HEART

Denna Chivers, 12, a seventh-grade student at Cullman Christian School, made 100 Pittsburgh Steelers face masks during quarantine and sent them to UPMC, a Pittsburgh hospital. The hospital, along with the Pittsburgh Steelers, sent her a thank-you box with a signed JuJu Smith-Schuster football and lots of goodies from the hospital. Denna's faith gives her a big heart to love animals and people. We are very proud of her!

Denna's mom, BethAnn Chivers
