Senate passes largest General Fund Budget in Alabama history

Fiscal year 2022 General Fund Budget now goes to the Governor's desk for her signature

William Heartsill

MONTGOMERY, Ala. – The Alabama Senate today passed the largest General Fund Budget in the state's history. Chairman Greg Albritton (R-Atmore), Senators Greg Reed (R-Jasper) and Clay Scofield (R-Guntersville) released the below statements on the passing of this $2,482,799,471 billion budget proposal.

Senator Albritton, chairman of the Senate Finance and Taxation General Fund Committee, said that the legislature has worked aggressively this session to move a General Fund Budget out of the Senate and House in a timely manner to give Alabamians and state agencies this much-needed support.

"Coming on the heels of a global pandemic, this has been an unprecedented year as we have worked to put together a budget that meets the needs of Alabamians and provides our state with the resources needed to operate well on behalf of the people of Alabama," Albritton said.

"Given the increased urgency to consider and move budgets as we emerge from this pandemic, we have buckled our bootstraps and worked to swiftly move our budget out of the legislature and to the Governor's desk.

"I am thankful to my colleagues in the Senate and House, particularly House General Fund Budget Chairman Steve Clouse, for the collaborate work we have enjoyed through this process."

Albritton continued, "This is a good budget that will put our state on a strong path forward towards a better future.

"I look forward to seeing the benefits that these carefully, conservatively appropriated state dol- » PAGE 7

Strawberry Festival returns tomorrow!

Miss Strawberry Festival Pageant tonight

CULLMAN, Ala. – The Cullman Strawberry Festival, one of the city's oldest celebrations, returns tomorrow after a year of COVID shutdowns, with a promise of crafts, entertainment and, of course, strawberries! The Festhalle Farmers Market will open at 7 a.m. Saturday and, since selling out has been common in recent years, shoppers are encouraged to come early. Other activities will begin at 10 a.m. in Depot Park, around the Cullman County Museum and museum gazebo, and in the municipal parking lot between the museum and Festhalle.

Cullman Parks, Recreation and Sports Tourism (CPRST) Recreational Development Director Christy Turner said, "We'll have the Miss Strawberry Festival pageant, the doggy pawgeant, live music, contests, shopping and a record number of strawberries available. Since the event lasts all day long, it will give people a chance to explore Cullman and our many local retail stores, restaurants and businesses to experience a bit of what makes Cullman such a great place to live and work."

This year's event features:

• The Miss Strawberry Festival Pageant will be held tonight from 6-10 p.m. and Saturday starting » PAGE 2

SCIENCE

With goals met, NASA to push envelope with Ingenuity Mars Helicopter

NASA

HOUSTON, Texas – Now that NASA's Ingenuity Mars Helicopter has accomplished the goal of achieving powered, controlled flight of an aircraft on the Red Planet, and with data from its most recent flight test April 25, the technology demonstration project has met or surpassed all of its technical objectives. The Ingenuity team will now push its performance envelope on Mars.

The fourth Ingenuity flight from Wright Brothers Field, the name for the Martian airfield on which the flight took place, is scheduled to take off Thursday, April 29, at 10:12 a.m. EDT (7:12 a.m. PDT, 12:30 p.m. local Mars time), with the first data expected back at NASA's Jet Propulsion Laboratory (JPL) in Southern California at 1:21 p.m. EDT (10:21 a.m. PDT).

"From millions of miles away, Ingenuity checked all the technical boxes we had at NASA about the possibility of powered, controlled flight at the Red Planet," said Lori Glaze, director of NASA's Planetary Science Division. "Future Mars exploration missions can now confidently consider the added capability an aerial exploration may bring to a science mission."

The Ingenuity team had three objectives to accomplish to declare the technology demo a complete success. They completed the first objective about six years ago when the team demonstrated in the 25-foot-diameter space simulator chamber of JPL that powered, controlled flight in the thin atmosphere of Mars was more than a theoretical exercise. The second objective – to fly on Mars – was met when Ingenuity flew for the first time April 19. The team surpassed the last major objective with the third flight when Ingenuity rose 16 feet (5 meters), flying downrange 164 feet (50 meters) and back at a top speed of 6.6 feet-per-second (2 meters-per-second), augmenting the rich collection of knowledge the team has gained during its test flight campaign.

"When Ingenuity's landing legs touched down after that third flight, we knew we had accumulated more than enough data to help engineers design future generations of Mars helicopters," said J. "Bob" Balaram, Ingenuity chief engineer at JPL. "Now we plan to » PAGE 8

More than 1 million Alabama residents are fully vaccinated for COVID-19
What This Means
The Centers for Disease Control and Prevention has updated its guidance for fully vaccinated people. Now that more than 1 million Alabamians have achieved full vaccination for COVID-19, new guidance removes some restrictions. People are considered fully vaccinated for COVID-19 two weeks or more after they have received the second dose in a two-dose series (Pfizer-BioNTech or Moderna), or two weeks or more after they have received a single-dose vaccine (Johnson & Johnson/Janssen).

Interim Public Health recommendations for fully vaccinated people
CDC recommends the following for fully vaccinated people:
- Guiding principles for fully vaccinated people are now provided. This includes continuing to follow all applicable federal, state, tribal and local regulations.
- Immunocompromised people need to consult their health care provider about these recommendations, even if they are fully vaccinated.
- Fully vaccinated people no longer need to wear a mask outdoors, except in certain crowded settings and venues. A graphical representation of ways to choose safer activities is available at this site: www.cdc.gov/coronavirus/2019-ncov/vaccines/pdfs/324153_chooosingSaferActivities11.pdf
- Fully vaccinated workers no longer need to be restricted from work following an exposure, so long as they are asymptomatic.
- Fully vaccinated residents of non-health care congregate settings no longer need to quarantine following a known exposure.
- Fully vaccinated asymptomatic people without an exposure may be exempted from routine screening testing, if feasible.

In addition to these key points, guidance is described in detail at: www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html

Johnson & Johnson vaccine update
After a temporary pause, the single-dose Johnson & Johnson COVID-19 vaccine has been authorized for use in adults. The Johnson & Johnson vaccine can be used in a variety of settings and is highly effective, making it an important tool in the fight against COVID-19. Due to reports of a rare but serious adverse event – blood clots with low platelets (thrombosis with thrombocytopenia syndrome) – women younger than 50 should be aware that there are other COVID-19 vaccine options available in addition to the Johnson & Johnson vaccine.

National Guard COVID-19 vaccination clinic update
The Alabama National Guard continues to hold second-dose Pfizer vaccine clinics in under-served and rural counties throughout the state. The second-dose clinics are being held in the same counties that were originally visited to offer first doses. Second-dose vaccination information can be found at www.alabamapublichealth.gov/covid19vaccine/ng-clinics.html.

Johnson & Johnson one-dose vaccine available at National Guard second-dose clinics
The Alabama National Guard second-dose COVID-19 vaccine clinics also have 200 doses of the Johnson & Johnson vaccine available for anyone who has not received any vaccine. Johnson & Johnson is a single-dose vaccine, so no second dose clinics will be required for those who receive it.

FEMA community vaccination center now offering COVID-19 vaccinations--
No appointment, ID or insurance required. The drive-thru FEMA Community Vaccination Center located at Watermark Place (4500 Katies Way) in Bessemer is now providing vaccinations to citizens. The site is open seven days a week and appointments are available, but not required. Appointments can be made on the web scheduler located at https://myturn.timetap.com. The website also includes links to documents that will need to be reviewed before being vaccinated. These materials will also be available on-site.

At least 40% of 10 Alabama counties' residents vaccinated
Forty percent or more of the residents ages 16 and older of 10 Alabama counties have received one or more doses of COVID-19 vaccine to date. Successful public health efforts to achieve vaccine equity have resulted in higher vaccine uptake among African American residents of Black Belt counties. Counties where 40% or more of their residents have been vaccinated are as follows: Lowndes, Bullock, Perry, Hale, Marengo, Shelby, Wilcox, Jefferson, Madison and Greene. Vaccines are one key to protecting the most vulnerable and helping stop the pandemic in Alabama.

ADPH still encourages use of facial coverings
Masks or other facial coverings are no longer a mandate under the Safer Apart order. ADPH still encourages the use of facial coverings and reminds everyone that masks remain one of the most successful tools to help reduce the spread of COVID-19. Many businesses and health care facilities continue to require facial coverings in their facilities.

CULLMAN, Ala. – The Tennessee Valley Authority will hold a virtual information session on proposed transmission system improvements to prepare for growth and increase power reliability in the Jones Chapel area of Cullman County.

TVA proposes to invest $8 million to build 5.3 miles of single-circuit transmission line to provide power to Cullman Electric Cooperative's new Jones Chapel substation. The proposed line would begin at TVA's Mount Hope-Cullman-Addison 161 kilovolt transmission line and extend west to the new substation. The line would be built on existing 75-foot-wide right of way that would be expanded to 100 feet and use primarily steel, single-pole and H-frame structures.

TVA encourages public input and invites stakeholders to attend a virtual information session on TVA's website at tvavirtual.com/joneschapel from April 29 through June 1, 2021. Detailed maps showing the proposed transmission line route are available on the website. Property owners and members of the public can submit questions online, by telephone or in writing.

If you are not able to access the virtual information day but have questions, please contact TVA's Kelly Evans toll free at 800-362-4355, by email at newtransline@tva.gov or by mail to: Kelly Evans, Tennessee Valley Authority, 1101 Market St., MR 4G, Chattanooga, TN, 37402-2801.

TVA is investing over $2 billion in transmission system improvements across the service area between 2021 and 2025 to build the energy grid of the future that will continue to provide, clean, low-cost reliable power.

Cold Springs, Cullman gearing up for round 2

Nick Griffin
nick@cullmantribune.com

BREMEN, Ala. – The Cullman Bearcats are used to playing in the second round of the state playoffs. They defeated Hazel Green in a game three Saturday to punch their ticket to round two for the 19th consecutive season but this season they'll be joined by the Eagles of Cold Springs who are advancing to the second round for the first time in school history after defeating North Sand Mountain in round one.

The Eagles took game one over the Bison 11-6 Friday and after dropping game two 12-3, Cold Springs bounced back Monday with a 5-3 win at North Sand Mountain. Now, the Eagles will turn their attention to Westbrook Christian.

The Warriors are ranked No. 2 in Class 2A and have put together a record of 21-7 this season behind some very talented arms, including LSU commit Samuel Dutton.

Eagles Head Coach Wesley McSwain knows Westbrook will be bringing some strong arms to Cold Springs Friday and he and his team are trying to get as much work in this week as they can to prepare.

"Westbrook has a really strong pitching staff from what I have gathered. As far as series prep we haven't changed anything about how we practice," McSwain said.

"We're just trying to get in as many swings and as much field work as possible right now. It's not everyday you see speed like that."

McSwain likes the way the Eagles are pitching and defending it right now but knows that they will have to put together some quality at bats and compete to get runners on base.

"We are pitching and playing well in the field right now. I think for us to have the best opportunity to win we just need to keep hitting our spots pitching and playing solid defense," McSwain said.

"We need to have quality at bats and step up to the plate with determination to do whatever it takes to get on base."

The Bearcats had a similar round one experience to Eagles.

Cullman took game one over Hazel Green comfortably 12-1 but dropped game two 4-1.

The 'Cats got back on the field for game three and eliminated the Trojans 13-7 to secure their spot in round two.

Cullman will now have to put that series behind them and refocus for a tough road trip to Chelsea this Friday.

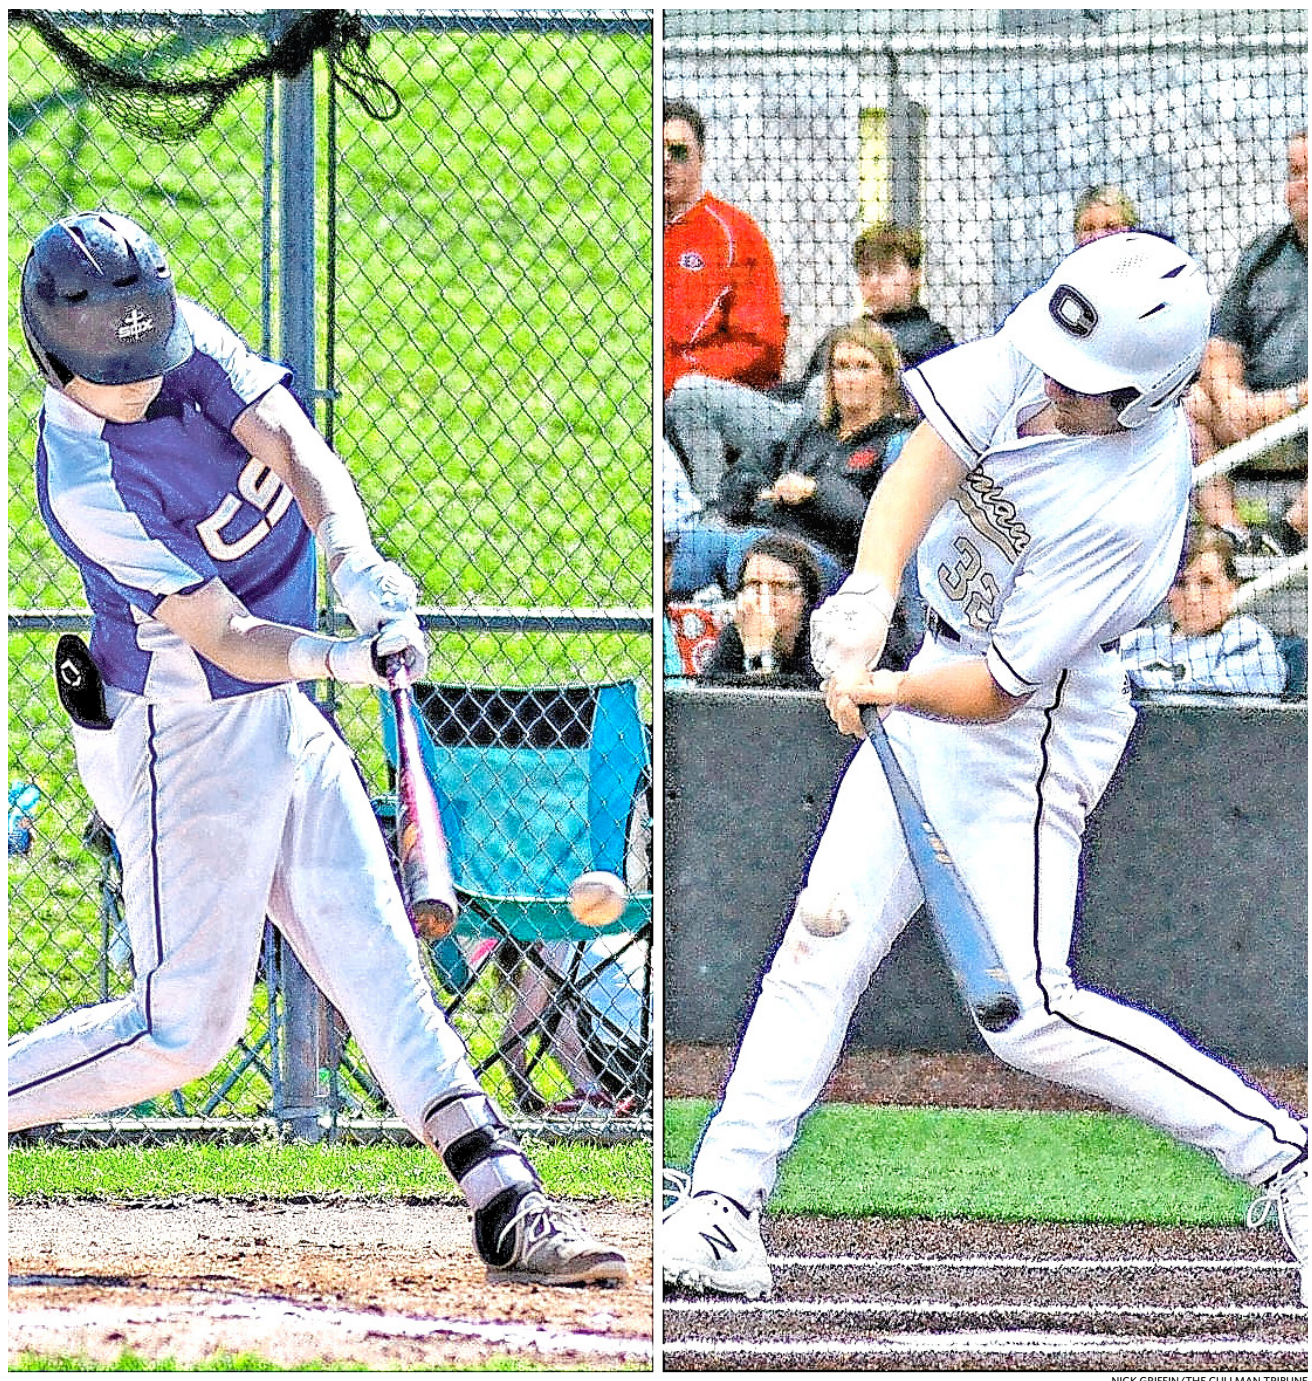

The Hornets have a strong pitching staff as well, led by Alabama commit Connor Ball, and Bearcats Head Coach Brent Patterson knows it'll take a great approach at the plate to get runs on the board.

"We just want to keep trying to give our offense a chance by focusing and staying balanced and complete. Their arms are great, and they really know how to pitch," Patterson said.

"We have to understand that we'll have failures, and we just have to keep competing and see how it looks after the last out.

"They won't give us anything at all so we can't be waiting on them to help us, we'll have to earn everything we get."

Any team can fall at any time in the postseason and Patterson wants to see his team grow more comfortable competing in a playoff atmosphere.

NICK GRIFFIN/THE CULLMAN TRIBUNE

Cold Springs' Brodee Bartlett (left) and Cullman's Hunter Brooks (right) will help lead their respective teams in the second round of the state playoffs this Friday.

This Friday night is set to be as fun an atmosphere as any other when the 3rd ranked 'Cats arrive to take on the 7th ranked Hornets.

"The biggest takeaway should be just how difficult it is to win games in the playoffs. We can't get full of ourselves if we take a lead and we sure can't get our feelings hurt if we fall behind.

"You win games one pitch at a time so we can't try to do too much," Patterson said.

"Each guy has a job to do, and we just have to stay focused on that. Playoff atmospheres are fun to play in. We just have to have guys get comfortable being in those situations.

"Matchups like this are why you work all year to give yourself the best chance to be successful. They've got a great team and we're looking forward to it."

Cullman and Cold Springs' first games will both begin Friday at 4:30.

Cold Springs rolls over Holly Pond 16-0

Sammy Confer
sammy@cullmantribune.com

HOLLY POND, Ala. – Cold Springs traveled to take on Holly Pond in the final regular season game for both squads and it was all Lady Eagles as they rolled to a 16-0 win over the Lady Broncos.

Cold Springs hit three straight singles to start the game and Journee Swann lined a two-run single to left field. After Shay Sellers drew a walk, Toni West lined a two-run single to center field and Maddie Pearl later added an RBI single with two outs as the Lady Eagles jumped out to a quick 5-0 lead.

Cold Springs added to their lead in the top of the second as they pushed across five more runs to make it 10-0. West drew a bases-loaded walk, Ciara Calvert collected an RBI on a fielder's choice, and Pearl added her second RBI single of the day to help push the Lady Eagle lead to 13-0 after three innings. West continued her red-hot day at the plate as she lined a two-run double to center field and Sellers scored on an error to make it 16-0 going into the bottom of the fourth.

Emma Black gave up a one-out single to Kaylee Stallings, but she retired the next two batters to end the game and Cold Springs ended the regular season strong as they rolled past the Lady Broncos, 16-0.

All but one Lady Eagle batter collected a hit in the contest. West finished with two hits and five RBIs for Cold Springs (14-12). Swann and Pearl each added two hits and two RBIs. Aaron ended up with two hits and an RBI. Nichols finished with a hit and an RBI. Calvert ended up with an RBI. Black added three hits, while Voce and Sellers each collected a hit in the game. Black gave up just three hits in her four innings of work and struck out five. The Lady Eagles will now get prepared for the area tournament at Sumiton Christian on May 4 and 5.

Samantha Giles, Audrey Armstrong and Stallings collected the only hits of the game for Holly Pond (14-8). The Lady Broncos will host their area tournament May 3 and 4.

OTHER TUESDAY SCORES

Hazel Green 5 – Cullman 0 (Softball)

After toppling James Clemens 6-1 on the road Monday, the Lady Bearcats returned home for another varsity matchup with Hazel Green Tuesday night. Unfortunately, Cullman was kept off the scoreboard by the Lady Trojans and Hazel Green was able to leave with a 5-0 win over the Lady Bearcats.

A solo homerun made it a 1-0 game in the top of the first and the Lady Trojans tacked on four more runs in the top of the third to pull ahead and take a commanding lead.

Savannah Davis led Cullman with a pair of hits in the win and Faith Guest, Chalea Clemmons, Sarah Herfurth and Shana Guest each added a hit as well. Clemmons got the start in the circle and allowed just one earned run on four hits and struck out 12 Hazel Green batters, collecting her 200th of the season in the process. The Lady Bearcats will be back home Thursday to take on Jasper.

J.B. Pennington 11 - Fairview 9 (Softball)

Fairview looked to make it three straight wins as they traveled to take on J.B. Pennington. After trailing early in the game, the Lady Aggies battled back and made it a game, but they fell just short at the end, 11-9.

Fairview loaded the bases with one out to start out the contest and Kaitlyn Benson drove in the first run of the game for the Lady Aggies on an RBI fielder's choice. Later on, Deavan Fulmer scored on a Lady Tiger error to make it 2-0, but J.B. Pennington hit three straight RBI singles as they took a 3-2 lead into the second inning.

Emily Benson scored on a passed ball in the top of the second and that tied the game up at three, but the Lady Tigers pushed across four more runs in the bottom of the second and Fairview quickly found themselves down 7-3 after two innings.

Ayda Payne scored on a Pennington error in the top of the third to make it a 7-4 contest, but the Lady Tigers made it 8-4 on a sacrifice fly in their half.

Fairview closed the gap in the top of the sixth on a two-run double by Kaitlyn Benson, but Pennington again stretched the lead in their half as they scored three more times and the Lady Aggies went into their final at-bats down, 11-6.

Fairview loaded the bases with one out and Emma Garcia hit an RBI ground out, then Fulmer hit a two-run single to make it an 11-9 game, but a strikeout ended the game and the Lady Aggies fell just two runs short, 11-9.

Kaitlyn Benson finished with a hit and three RBIs for Fairview (11-15). Fulmer added a pair of hits and two RBIs, while Garcia ended up with a hit and an RBI. Kyleigh Aleman and Payne each collected a pair of hits in the game, while Kloie Watson ended up with a hit.

The Lady Aggies will look to end the regular season strong as they will travel to take on Appalachian on Thursday.

KATIE DRUMMOND/THE CULLMAN TRIBUNE

The Lady Aggies will end their regular season Thursday against Appalachian.

Savannah Rutledge named NJCAA Division I 2nd-team All-American; men's golf, softball and baseball updates

Russell Moore
WSCC Athletics

HANCEVILLE, ALA. – Wallace State freshman setter Savannah Rutledge was named a National Junior College Athletic Association (NJCAA) Division I 2nd-team All-American on Wednesday.

Rutledge, an Albertville native, finished the season with an Alabama Community College Conference-best 997 assists, which was also fourth-best in the nation. She added 145 digs, helping lead the Lions to a 34-2 record and their 11th conference tournament title in 12 seasons.

Rutledge is the 12th NJCAA Division I All-American within the program over the last 14 seasons under coach Randy Daniel.

Wallace State volleyball went undefeated during the regular season and was ranked as high as 13th in the nation.

Rutledge was also named an ACCC 1st-team and ACCC All-Tournament selections.

Wallace State men's golf
Wallace State's men's golf program has qualified for its 25th NJCAA Division I National Championship after finishing fifth this week at the NJCAA Division I District 4 Championship in Montgomery.

The Lions finished with an 18-over par 882 (288-288-306) in the 54-hole event.

Carter Goodwin, fresh off making the ACCC All-Tournament team, carded a 2-under 214 (70-70-74), placing him seventh overall.

Allen Michael Burnett accounted for Wallace State's next best finish, carding a 3-over 219 (75-72-72) for 14th overall.

Blayne Armstrong was tied for 17th with a 5-over 221 for the Lions.

Eastern Florida State won the tournament with a 16-under 848.

The Lions' national championship is May 10-13 at The Rawls Course in Lubbock, Texas.

Wallace State softball and baseball
Wallace State's softball and baseball teams conclude ACCC action beginning today.

The 6th-ranked Lions host Central Alabama CC today, beginning at 1 p.m.

Wallace State softball has compiled an outstanding 46-3 record overall and a 23-1 mark in conference play.

The Lions have won 18 consecutive games after also reeling off 20 in a row from Feb. 20-March 19.

A.J. Daugherty's squad has a +346-run differential and already blasted a school-record 91 home runs.

Freshman Maddie Cartron has a team-high 21 home runs and 60 RBIs. She's two homers shy of tying the single-season individual homer record of 23 set by Kori Benson in 2013.

Brantly Bonds and Morgan White have each slugged 17 home runs and Gracie Benton has added 14.

Twelve Wallace State players have hit homers this season.

In addition to the power throughout the lineup, freshmen Felicity Frame and Jaiden Farnetti lead the ACCC with 40 and 36 stolen bases respectively.

"I've never been around a team that features the power we do. Players have contributed up and down the lineup," Daugherty said. "We also better have the arrow in our pouch to play small ball and manufacture runs when needed. It's a fun offense to watch."

Wallace State's pitchers have compiled a collective 2.13 ERA.

Sophomore Josie Thompson is 13-0 with a 2.54 ERA. She's twirled four complete games, recording 105 strikeouts in 88 1/3 innings.

Haylee Folds is 15-1 with a 2.10 ERA and Raven Clark is 10-1 with a 0.67 ERA in 21 appearances.

Wallace State has clinched the ACCC North Division championship, securing one of the top seeds at next month's conference tournament in Alabaster.

The Lions will seek their 13th conference tournament title.

"One of the fears of having a team to perform this well throughout the season is you hope you haven't peaked already.

"I'm pleased with where we're at, and I think we're on the right trajectory for the postseason," Daugherty said. "I still think our best softball is ahead of us and that's exciting."

Meanwhile, Wallace State baseball has four regular season games remaining with Central Alabama as the Lions seek to advance to the postseason for the 29th time under coach Randy Putman.

Wallace State (23-19, 15-13 ACCC) travels to Alexander City today for a doubleheader and hosts the Trojans on Saturday. The Lions have won their last three series, prevailing in nine of 12 games.

"One of the keys has been our position players are competitive. They fight hard at the plate and don't give away at bats. We've been able to run out a consistent lineup, and that's important," Putman said.

Wallace State is currently seeded 5th in the ACCC North and can move up to as high as third in the standings with a strong weekend and help.

Hoover product Colson Lawrence leads the team in all three major categories, hitting .379 with 11 homers and 41 RBIs.

Ben Arnett is hitting at a .353 clip with 24 RBIs and Jayce Guyette carries a .317 average, four homers and 20 RBIs into the series. Preston Moore has added four homers and 32 RBIs.

The ACCC baseball tournament is scheduled for May 6-12 at Ozark.

Complete team effort leads Alabama to 9-3 win at UAB

Alex Thompson
UA Athletics

BIRMINGHAM, Ala. – Alabama baseball put together a complete effort on Tuesday evening at Regions Field, taking down the UAB Blazers by a score of 9-3. The midweek win sets the Crimson Tide at 25-15 on the season.

Jake Eddington (1-0) picked up his first career win in a spot start. After finding out he would get the nod just minutes before first pitch, Eddington came out and worked 3.0 innings of two-run baseball with four strikeouts. The right-hander then turned it over to the bullpen with the duo of Eli Giles and Hunter Ruth working the final 6.0 frames. Ruth earned the save with 3.0 scoreless that featured four strikeouts.

Alabama's offense put together an equally impressive performance, posting nine runs on 12 hits with eight of the nine starters recording at least one base knock. Six of those hits were doubles, a new season-high total for UA. The offense was led by Caden Rose with the freshman finishing 3-for-4 and a triple short of the cycle. Rose added a team-high three runs to go with two RBI.

From Head Coach Brad Bohannon
"I was really proud of our kids, they really brought it tonight. It was a really well-rounded game. I'm really pleased with the three kids that pitched tonight. Jake Eddington found out about 20 minutes before the game that he was starting with us having a late scratch. Jake set the tone for us, Eli (Giles) threw the ball well and Hunter Ruth was outstanding for his second time in a row.

"We scored in six different innings, made a lot of hard contact up and down the lineup and made some nice defensive plays, so it was a really good day for us."

How It happened
T1 | William Hamiter doubled to center before coming home in the next at-bat on an RBI-single from Zane Denton. (1-0, Alabama)

B1 | The Blazers led off the game with a single. The UAB leadoff man then stole second and moved to third on a wild pitch before a sac fly scored the tying run. (1-1)

T2 | Alabama used a pair of runs to regain the lead. Drew Williamson led off the inning with a single and moved into scoring position on a wild pitch. The extra 90 feet were key as Caden Rose hammered a double down the line in left to bring Williamson across from second. Rose would come home himself two batters later on a 4-3 groundout to add the inning's second run. (3-1, Alabama)

B2 | UAB started the second with a single. Two outs later, a triple to left-center narrowed the lead to one. (3-2, Alabama)

T3 | Denton stayed hot with a double down the line in right. He moved to third on a passed ball before a sac fly from Sam Praytor brought him in to push the advantage to two once again. (4-2, Alabama)

T4 | Rose made it a three-run game with his solo home run to left. (5-2, Alabama)

T6 | Williamson led off the frame with a double and moved to third on a wild pitch. He then came home on a 4-3 groundout from Jim Jarvis to add one more. (6-2, Alabama)

B6 | UAB led the inning off with a single before a double to right-center brought across a run for the Blazers. (6-3, Alabama)

T8 | Rose started the rally with a one-out single. Jarvis then put runners on the corners with single to right with Bryce Eblin capitalizing on the opportunity, singling to left to cross Rose. Peyton Wilson followed with a double off the wall in right to bring in Jarvis before a grounder to first from Hamiter added the inning's final tally. (9-3, Alabama)

Postgame Notes
• Jake Eddington made his first career start for the Crimson Tide. Eddington had appeared in eight games before tonight, all as a reliever.

• Eddington's 3.0 innings pitched are a new career-high total. The freshman's previous mark was 2.1 against North Alabama April 20.

• He tallied four strikeouts to match his season-best total for a game. Eddington also had four strikeouts against Jacksonville State March 10.

• Eli Giles appeared for 3.0 innings of work for a new career-high total. His previous best was 2.1 innings against UT-Martin Feb. 24.

• Hunter Ruth's 3.0 innings of work were his most this season. Ruth's previous season-high for innings was 2.0, which he posted on three previous occasions.

• Ruth picked up his first save of the season. The Crimson Tide has had six different pitchers record at least one save in 2021.

• Alabama finished with 12 hits and has totaled double-digit hits in 21 games this season, including 10 of the last 14 contests.

• Eight of the nine Crimson Tide starters recorded at least one hit.

• The Tide combined for a season-high six doubles in tonight's game. UA's previous single-game high for doubles was five against Samford April 13.

• Caden Rose notched a team-high and career-best three hits tonight. Rose's previous season-high total for hits was two, which he had on three occasions, most recently against Samford April 13.

• Rose finished a triple short of the cycle.

• William Hamiter has reached base safely in 16 consecutive games dating back to April 2.

Alabama now returns home for a weekend series with Missouri.

The Crimson Tide and Tigers are set for a 6 p.m. start in the opener followed by a 2 p.m. first pitch in game two of the series.

Things wrap up Sunday at 11 a.m. on getaway day. Games one and two will air on SEC Network+ with the series finale getting a national broadcast on SEC Network.

Budget (from Front)

lars will bring to the people of our state.

"I couldn't be any prouder of how the budgeting process this session, which has resulted in the largest and most robust General Fund Budget in our state's history, has been conducted."

Senate Pro Tempore Greg Reed commended Senator Albritton on his diligent work on this budget and congratulates him on the broad support it has received by the Senate body.

"While states around the country are having to cut budgets due to economic hardships resulting from this pandemic, Alabama has passed the largest General Fund Budget in state history.

"This is a direct result of the conservative budgeting approach that our state has taken over the past several years and the resilience of Alabamians and our economy," Reed said.

"I commend Senator Albritton on his diligent work on this budget and congratulate him on the broad support it has received from the Senate body."

"Lawmakers have worked tirelessly this session on both the General Fund and Education Trust Fund budgets, and I applaud our budget chairmen, Senators Albritton and Orr, for pushing these momentous budgets through the Senate," said Scofield.

"With the various challenges and hardships faced by the people of Alabama as a result of the COVID-19 pandemic, it was high priority for the legislature to produce state budgets that supply the means necessary to continue moving our state forward and improving the quality of life for all Alabamians."

This bill passed out of the House of Representatives March 9, 2021.

Obituary Announcements: April 29

Ione Ellenburg Earwood Hoomes, 81, of Cullman

Ione Ellenburg Earwood Hoomes, age 81, died April 25, 2021 Ione was born Sept. 26, 1939 in Baileyton to Jasper Lee and Eunice Mary Lou Harper Ellenburg and named "Shirley" Ione after Shirley Temple. In 2017, Ione married Clayton Hoomes and moved to Cleveland, AL. These two lovebirds felt so fortunate to find love again after losing their first spouses and would often say, "We're just like teenagers," referring to their love story and the joy they shared until Clayton's untimely death last October. She is preceded in death by her parents, husband of 50 years: Dale Earwood; sister: Freeda Gill Jones and brothers: Fred Ellenburg and Charles (Buddy) Ellenburg. This former Fairview High School beauty is survived by daughters: Sherry Dunn (Keith) and Kim Earwood; grandchildren: Cory Dunn, Grayson Dunn and Mattie Dunn and brother: Bobby Ellenburg (Annette). Ione's extended bonus family includes son: Joel Hoomes (Wendy); daughter: Rachael Jones (Mark); grandchildren: Clay Jones (Mary Ann), Jared Jones (Chelsea), Kayla Jones Stinson (Matt) and Lilly Hoomes and great-grandchildren: Mark Jones, Ava Jones and Emma and Jake Stinson. Ione was a member of the Cleveland Church of Christ and a previous member of the Cullman Church of Christ, Cullman County Cattlewomen's Association and Cullman County Farmers Federation Women's Leadership Committee. Ione retired from Merchants Bank's main office and was often referred to as "The Bank Mom." Ione's admiration for people and making them feel special was exhibited not only by her smile, but also through her genuine spirit and kind actions. Her love of shoes, talent for accessorizing any outfit and fixing most anything with clothespins or telephone wire was legendary. A private family service has been scheduled. Pall Bearers will be John Burden, Cory Dunn, Grayson Dunn, Nickey Earwood, Danny Ellenburg and Walter Ellenburg. In lieu of flowers, please consider making donations to the Cleveland Church of Christ, 64040 US 231, Cleveland, AL 35049; the Diana Singing, 2772 Diana Road, Pulaski, TN 38478 or the American Cancer Society. Moss Service Funeral Home directing.

Rader M. White, 87, of Cullman

The Funeral Service for Rader M. White, 87, of Cullman will be 2 p.m. Saturday, May 1, 2021, at the Cullman Funeral Home Chapel. The family will receive friends from noon to 2 p.m. before the service. The interment will be at Cullman City Cemetery. The Reverend Jerald Adams will officiate the service. Cullman Funeral Home is honored to serve the White family. Mr. White was born Feb. 24, 1934 to Udores D. and Nannie Lou Nix White. He was a member of Northside Baptist Church. He was a beloved husband, a loving father and grandfather and a veteran of the U.S. Army. He was preceded in death by his parents; three sisters: Lera Williamson, Pauline James and Evelyn Aker and three brothers: Ray White, Hermitt White and Aubrey White. Mr. White is survived by his wife of 65 years: Carolyn Paschal White; son: Philip (Kristy) White; daughter: Marla (Will) Ellett; sister: Mary Alice Rhodes; sister-in-law: Carolyn White and grandchildren, Oakleigh (Jacob) Calahan, Jacob White, Caleb Ellett and Logan Ellett. In lieu of flowers, the family ask that donations be made to the Northside Baptist Church Community Meal Fund or Northside Baptist Church General Fund. Friends may sign the online guestbook at www.cullmanfuneralhome.com.

John D. Mitchell listed Cullman County as his home when he registered for the United States Army. When he served in World War II, Mitchell had the rank of Technical Sergeant. He was attached to the 83rd Infantry Division, 331st Infantry Regiment.

On July 10, 1944, Mitchell was killed in action in France. A Purple Heart recipient, Mitchell is buried in the Normandy American Cemetery in Colleville-sur-Mer, France. Detailed information such as date of birth, hometown or next of kin is unfortunately not listed.

Helicopter (from Front)

extend our range, speed and duration to gain further performance insight."

Flight Four sets out to demonstrate the potential value of that aerial perspective.

The flight test will begin with Ingenuity climbing to an altitude of 16 feet (5 meters) and then heading south, flying over rocks, sand ripples and small impact craters for 276 feet (84 meters).

As it flies, the rotorcraft will use its downward-looking navigation camera to collect images of the surface every 4 feet (1.2 meters) from that point until it travels a total of 436 feet (133 meters) downrange.

Then, Ingenuity will go into a hover and take images with its color camera before heading back to Wright Brothers Field.

"To achieve the distance necessary for this scouting flight, we're going to break our own Mars records set during flight three," said Johnny Lam, backup pilot for the Ingenuity Mars Helicopter at JPL.

"We're upping the time airborne from 80 seconds to 117, increasing our max airspeed from 2 meters-per-second to 3.5 (4.5 mph to 8), and more than doubling our total range."

After receiving the data from the fourth flight, the Ingenuity team will consider its plan for the fifth flight.

"We have been kicking around several options regarding what a flight five could look like," said Balaram.

"But ask me about what they entail after a successful flight four.

"The team remains committed to building our flight experience one step at a time."

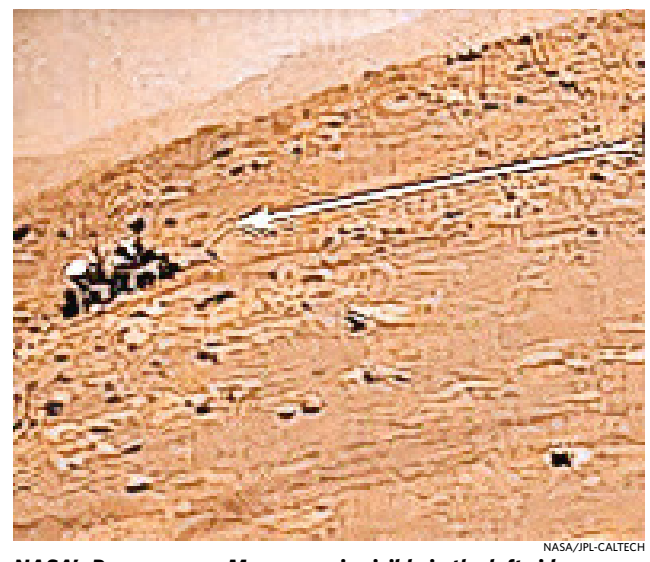

More about ingenuity

The Ingenuity Mars Helicopter was built by JPL, which also manages the technology demonstration project for NASA Headquarters. It is supported by NASA's Science, Aeronautics Research and Space Technology mission directorates.

NASA's Ames Research Center in California's Silicon Valley, and NASA's Langley Research Center in Hampton, Virginia, provided significant flight performance analysis and technical assistance during Ingenuity's development.

AeroVironment Inc., Qualcomm, and SolAero also provided design assistance and major vehicle components. Lockheed Martin Space designed and manufactured the Mars Helicopter Delivery System.

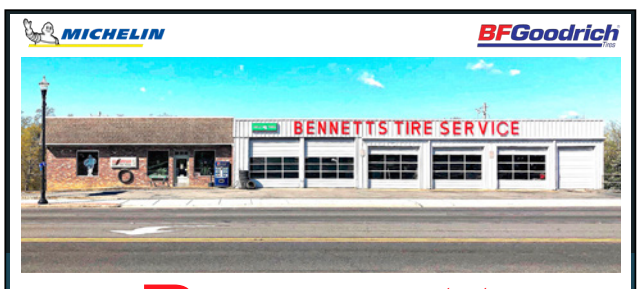

At NASA Headquarters, Dave Lavery is the program executive for the Ingenuity Mars Helicopter. At JPL, MiMi Aung is the project manager and Bob Balaram is chief engineer.

NASA/JPL-CALTECH

NASA's Perseverance Mars rover is visible in the left side of this image the agency's Ingenuity Mars Helicopter took during its third flight April 25. The helicopter was flying at an altitude of 16 feet (5 meters) and roughly 279 feet (85 meters) from the rover at the time.
