HANCEVILLE, Ala. – Wallace State's students continue to flourish at the state SkillsUSA competition.

Wallace State had 44 students who recently won medal, including 26 who won first-place golds. The college led the state in medals earned, two years after racking up 71 overall.

The 2020 competition was canceled because of the COVID-19 pandemic, and this year's event was conducted virtually.

"We're proud of all of our winners.

"SkillsUSA is a chance for our students to shine and show the skills they've learned and the knowledge they've gained.

"They had the added challenge of performing virtually and still succeeded," said Wes Rakestraw, Wallace State's dean of applied technologies.

"Our students continue to set the bar high. It shows we have some of the best faculty, if not the best faculty, in the state, and that our students are committed to excellence and achieving success."

Wallace State will have 22 gold medal winners compete virtually in the 2021 National Leadership and SkillsUSA event in June.

Wallace State won a pair of gold medals in the 2019 event and has four national golds all-time.

Offense leads Auburn to 14-6 win in home finale

AUBURN, Ala. – Auburn's offense exploded as the Tigers defeated North Alabama, 14-6, in the home finale at Plainsman Park Tuesday.

The Tigers totaled 16 hits in the contest and were paced by three hits apiece from Ryan Bliss, Rankin Woley and Kason Howell.

Tyler Miller and Garrett Farquhar added two hits each, marking both player's second straight game with multiple hits.

Playing in his last game at Plainsman Park, Woley hit one of Auburn's three home runs and drove in a career high five in the contest.

"If you look at the last three weeks on who's swinging the bat, Rankin Woley is really swinging the bat," head coach Butch Thompson said. "That opposite field home run was impressive."

"We wanted to make it a point of emphasis to come out here and have a much better midweek game right from the first pitch, especially offensively," Woley added.

"I think this gives us great momentum going into a huge series this weekend."

Miller added his team-best 16th home run of the season and increased his RBI total to 58.

Nate LaRue got the start behind the plate and recorded his second homer of the season and his career.

Auburn scored in five of the first six innings, including multiple runs in four of the first five frames, totaling 14 runs on 16 hits to take a nine-run lead into the seventh.

Blake Burkhalter (1-0, 1.86) earned his first career win in relief.

The sophomore righty pitched 2.1 scoreless innings and matched a career high with four strikeouts.

"Burkhalter settled the game for us, and Will Morrison did a little bit of work," Thompson said.

"I think we accomplished one goal of winning the game, and the second goal of not taking anything out of any arms to help us give our best shot to go win a series at Missouri."

North Alabama started the game with back-to-back hits and scored the first run on a RBI groundout in the top of the first.

Auburn didn't take long to respond as the first five Tigers reached and took a quick 4-1 lead.

Bliss started the bottom of the first with a single and Miller doubled to put two runners in scoring position. Woley followed with a two-run single to center.

Steven Williams doubled to right center and Howell drove both he and Woley in to extend the lead to three runs.

North Alabama hit a solo homer to start the second and tied the game after drawing three walks followed by a two-run single back up the middle.

The Tigers reclaimed the lead on a two-out RBI single from Bryson Ware in the bottom of the third and added two more on Garrett Farquhar's two-run single to left to make it a 7-4 ballgame.

After North Alabama scored in the fourth to make it 7-5, Bliss and Miller came back around and started the home half with a triple and two-run homer to extend the lead to four.

From there, the Tigers used solo shot from LaRue and three-run blast from Woley to turn in a four-run fifth and extend the lead to seven before adding another on Farquhar's second hit and third RBI of the game in the sixth.

North Alabama scored on a bases-loaded walk in the seventh to cap off the scoring in the contest.

Junior lefty Brooks Fuller recorded the final six outs in scoreless fashion to end the home slate.

Fighting for a berth in the SEC Tournament, Auburn heads north to take on Missouri (14-33, 7-20 SEC) Thursday-Saturday.

CULLMAN, Ala. – A current shortage of employees resulted in the Cullman County Commission examining and changing the definition of "relative" in their nepotism policy Tuesday evening. The county, especially the Road Department, is struggling to fill open positions as the peak paving months have arrived. By allowing cousins, aunts and uncles to be hired, the county hopes to fill more of those open slots.

Human Resources Manager Judy Bradford explained the change to the nepotism policy, "Our existing nepotism policy for Cullman County is a lot more restrictive than what the state policy requires." She continued, "We've missed out on some good applicants in the past few years because of our restrictions in our definition of relatives."

The commission agreed and voted to allow for the hiring of cousins, aunts and uncles while all considerations regarding chain of command employment restrictions remained in place.

The commission passed a resolution allowing a tax abatement for Project Ride. Stanley Kennedy with the Cullman Economic Development Agency said, "This is a car part manufacturer that makes high-end (custom) car parts and does some high-end (custom) car work. They are hoping to build a new headquarter facility out in the county."

Kennedy added, "This facility will also have a tourism aspect to it. Again, this product is a show product and people who take an interest in this will come and view this facility not only to see the product, but to see how the product is made."
The investment wo
uld be $4,010,000 with an abatement in the amount of $240,498 over a two-year period. The investment is expected to create an additional $136,448 of education revenue over the next 10 years. The project is expected to create five new jobs starting between $25-$30 an hour.

David Tucker was recognized on his retirement after 10 years of service with the road department. Commissioner Kerry Watson said of Tucker, "David worked for us at the road department, and he is one of those guys that's a very outstanding employee and I hate to see him go. I hope he enjoys his retirement."

The commission also approved the following items on the agenda:

• Approved Resolution 2021-19 to refinance water bonds.

• Approved Resolution 2021-20- Condemnation for easement property rights related to Parcel ID 09 05 16 3 001 012 003 and 09 05 16 3 001 012 001 necessary at Cullman Regional Airport.

Lowndes County tops state in COVID-19 vaccinations - More than half of eligible people have received at least one dose
Throughout the pandemic, ADPH has focused on an equitable response to COVID-19 for the entire state. In coordination with community partners, outreach efforts have been made to ensure the state's rural areas are not left behind in access and use of vaccine. Lowndes County is the first county in the state with more than 50% of the eligible population receiving at least one dose of COVID-19 vaccine. Efforts to provide more opportunities to be vaccinated have included having all county health departments receive vaccine, working with local providers and deployment of Alabama National Guard members.

At least 40% of 14 Alabama counties' residents vaccinated
Forty percent or more of the residents ages 16 and older of 14 Alabama counties have received one or more doses of COVID-19 vaccine to date. Successful public health efforts to achieve vaccine equity have resulted in higher vaccine uptake among African American residents of Black Belt counties. Counties where 40% or more of their residents have been vaccinated are as follows: Lowndes, Bullock, Perry, Hale, Shelby, Marengo, Jefferson, Wilcox, Madison, Greene, Colbert, Lee, Conecuh and Dallas. Vaccines are one key to protecting the most vulnerable and helping stop the pandemic in Alabama.

Alabama hospitalizations for COVID-19 during April higher among young adults than the elderly
Vaccination for COVID-19 is important for young people, including those of college age. Statistics reported by the University of Alabama at Birmingham show that in the month of April 2021 in Alabama, more 16-34 year olds were hospitalized than were people ages 75 and older. Another reason to promote vaccination in young people is that people in this age group can develop debilitating long-term symptoms from COVID-19, even among young adults who were previously healthy. By getting vaccinated, everyone can not only protect themselves and their families, but can prevent spreading the virus to other people in the community, giving less chances for variants to develop.

Take every opportunity to vaccinate every eligible person and minimize vaccine wastage
Over 1.2 million people are fully vaccinated in Alabama, and many more have received at least one COVID-19 vaccination. As access to COVID-19 vaccine increases, it is important for providers to not miss any opportunity to vaccinate every eligible person who presents at vaccine clinics. ADPH recognizes that as we continue to create more opportunities to vaccinate more people, it may increase the likelihood of leaving unused doses in a vial. While we want to continue to follow best practices to use every dose possible, we do not want that to be at the expense of missing an opportunity to vaccine every eligible person when they are ready to get vaccinated.

FEMA community vaccination center offering COVID-19 vaccinations
No appointment, ID or insurance required. The drive-through FEMA Community Vaccination Center located at Watermark Place (4500 Katies Way) in Bessemer is providing vaccinations to citizens. The site is open seven days a week and appointments are available, but not required. Appointments can be made on the web scheduler located at https://myturn.timetap.com. The website also includes links to documents that will need to be reviewed prior to being vaccinated. These materials are also available on site.

ADPH still encourages use of facial coverings
Masks or other facial coverings are no longer a mandate under the Safer Apart order. ADPH still encourages the use of facial coverings and reminds everyone that masks remain one of the most successful tools to help reduce the spread of COVID-19. Many businesses and healthcare facilities continue to require facial coverings in their facilities.

FAIRVIEW HIGH SCHOOL

CLASS OF 2021

Graduation is Saturday, May 22, at 6 p.m. at Wallace State Community College

"It has truly been a privilege to serve and lead Fairview High School's graduating class of 2021. Being their principal over the past four years has taught me a lot about this class- they are driven, optimistic, and truly care about each other. Our motto for this school year was "Like Never Before" and that held true for a number of reasons. The start of their senior year was unpredictable with the continuation of the COVID-19 pandemic, but they faced it with a great outlook that no matter what the year would hold, they were going to have a great senior year. When the end of the first semester neared and we transitioned to virtual, this class led our school and set the tone for their peers. Since this group has been reunited as an entire class this semester, they have been able to have prom, go to ball games, take their cap and gown pictures, and soon they will walk across the stage to receive their diploma. I am so thankful they are able to spend their last several months as one. I see so much potential in their future, and I hope to hear great things as they enter into this next chapter of their lives. Purple and gold forever!"

CONGRATS 2021 SENIORS!

ORDINANCE NO. 2021 – 28

ORDINANCE TO ESTABLISH A PRETRIAL DIVERSION PROGRAM FOR THE MUNICIPAL COURT OF THE CITY OF CULLMAN, ALABAMA

WHEREAS, the Code of Alabama, 12-14-90, Act 2013-353, and HB648, authorizes the governing body of any municipality to establish or abolish a pretrial diversion program for that municipality, including the assessment and collection of fees for the administration of the program; and

WHEREAS, the City of Cullman through its Municipal Court system wishes to establish a pretrial diversion program to prevent future criminal activity among certain offenders by diverting them from traditional processing into community supervision and services, to save prosecutive and judicial resources for concentration on major cases, and to provide, where appropriate, a vehicle for restitution to communities and victims of crime; and

WHEREAS, the program would be under the supervision of the presiding judge for the City of Cullman pursuant to any and all rules adopted by the governing body of the City of Cullman; and

WHEREAS, this shall also provide limited immunity to the City and its officers and employees for any conduct of any offender while participating in the pretrial diversion program and for any injury or harm to the offender while participating in the program; and

WHEREAS, this program is a voluntary rehabilitation program which is an alternative to prosecution in which payment is remitted to the Municipal Court by the defendant to attend the program, and upon successful completion, the charge(s) against the defendant will be dismissed with prejudice. If the defendant is unsuccessful in completing the program, the defendant will be returned to the normal prosecution procedures of the Court.

NOW THEREFORE, BE IT ORDAINED by the City Council of the City of Cullman, Alabama, as follows:

Section 1. Established.

(a) Notwithstanding any other law to the contrary, the City of Cullman hereby establishes a pretrial diversion program for any defendant within the jurisdiction of the Municipal Court.

(b) All discretionary powers endowed by a common law and provided by statutes and acts of this state or powers or discretion otherwise provided by law for the City of Cullman shall be retained.

(c) The pretrial diversion program shall be under the direct supervision and control of the City of Cullman and the City of Cullman may contract with any agency, person, or corporation for services related to this act. The City of Cullman may employ necessary persons to accomplish this act and those persons shall serve at the pleasure of the town.

Section 2. Definitions. For the purposes of this act, the following terms shall have the following meanings:

(1) *Application fee.* A one-time administrative fee imposed by the City of Cullman as a condition precedent to participation in a pretrial diversion program.

(2) *City prosecutor.* The person or persons charged with the responsibility of prosecuting cases in the municipal court or any legal staff employed by the City prosecutor.

(3) *Law enforcement.* As defined in Section 41-8A-1(1) Code of Alabama 1975.

(4) *Law enforcement officer.* As defined in Section 36-25-1(15) Code of Alabama 1975, whether employed in the State of Alabama or elsewhere.

(5) *Municipal court judge.* The Judge of the Municipal court for the City of Cullman duly appointed by the city council in accordance with Section 12-14-30, Code of Alabama 1975, or a special judge appointed by the mayor of the City of Cullman in accordance with Section 12-14-34, Code of Alabama 1975.

(6) *Offender.* Any person charged with a criminal offense, including, but not limited to, any misdemeanor, violation, or traffic offense, as defined by the Code of Alabama 1975, and the Code for the City of Cullman, which was allegedly committed in the city limits or police jurisdiction of the City of Cullman.

(7) *Pretrial diversion program or program.* A program that allows the imposition by the City of Cullman or by a designated agency of certain conditions of behavior and conduct for a specified period of time upon an offender which allow the defender to have his or her charges reduced, dismissed without prejudice, or otherwise mitigated should all of the conditions be met during the time frame set by the city's Municipal Court Judge.

(8) *Serious physical injury.* As defined in Section 13A-1-2(14) Code of Alabama 1975.

(9) *Supervision fee.* Any fee other than the application fee imposed by any agency providing supervision of treatment of the offender.

Section 3. Application for admittance. An offender may apply to the City of Cullman for admittance into the pretrial diversion program.

Section 4. Offenses ineligible for admittance. Admittance into the pretrial diversion program is in the sole discretion of the municipal court judge upon application approved by the city prosecutor. An offender deemed by the city prosecutor to be a threat to the safety or well-being of the community shall not be eligible for the program. An offender charged with any of the following types of offenses without the express written consent of the victim shall be ineligible for admittance.

(1) Any offense involving violence or aggression resulting in injury to a law enforcement officer.

(2) Any offense involving eluding or attempting to elude a law enforcement officer.

(3) Any offense involving violence where a weapon was used or where children are victims.

(4) Any driving under the influence charge where serious physical injuries are involved.

(6) Any offense wherein the offender is a public official and the charge is related to the capacity of the offender as a public official.

(7) A person may not be admitted to the program if the person holds a commercial driver license (CDL) issued in any U.S. state, any U.S. possession, any U.S. territory, or any U.S. insular area.

Section 5. Standards for eligibility for admittance.

(a) The city prosecutor may consider an offender for the pretrial diversion program based on any of the following circumstances:

(1) Police officer recommendation.
(2) Prior record of offenses/driving offenses.
(3) Assistance provided to law enforcement.
(4) Submitted to standard field sobriety testing, portable breath testing and AlcolSensor testing (did not refuse).
(5) Admission of guilt and remorse.
(6) Current clean drug test.
(7) Defendant's attitude from time of arrest and up to consideration of his/her application for the deferred prosecution program.

(9) It is determined the needs of the state, city and of the offender can be met through the program.
(10) The offender appears to pose no substantial threat to the safety and well-being of the community.
(11) It appears the offender is not likely to be involved in further criminal activity if the offender complies with all conditions imposed pursuant to the program.
(12) The offender will likely respond to rehabilitative treatment or counseling.
(13) The need for restitution for the victim from the offender outweighs the interest of the state and city for incarceration of the offender.

(b) The city prosecutor may waive any of the standards specified in subsection (a) if justice or special circumstances dictate.

Section 6. Additional requirements for admittance.

(a) Upon application by an offender for admission into the pretrial diversion program, and prior to admission thereto and as a part of the evaluation process of the city prosecutor, the city prosecutor may require the offender to furnish information concerning past criminal history, education history, work record, family history, medical or psychiatric treatment or care prescribed or received, psychological tests taken, and any other information concerning the offender which the city prosecutor believes has a bearing on the decision whether or not the offender should be admitted to the program.

(b) The city prosecutor may require the offender to submit to any type of test or evaluation process or interview the city prosecutor deems appropriate in evaluating the offender for admittance into the program. The costs of any test or evaluation shall be paid by the offender or as otherwise agreed to or provided for by this act. The offender shall provide the city prosecutor written consent to allow the city prosecutor to receive any educational, work, medical, psychiatric, psychological, or other records deemed necessary by the city prosecutor for the evaluation process.

Section 7. Conditions for participation.

(a) Following the decision of the city prosecutor to recommend the offender into the pretrial diversion program, but prior to entry, the city prosecutor and the offender shall enter into a written agreement stating the conditions of the participation of the offender in the program. The agreement shall include, but not be limited to, all of the following;

(1) A voluntary waiver of the right of the offender to a speedy trial.
(2) An agreement to the tolling, while in the program, of periods of limitations established by statues or rules of court.
(3) An agreement to the conditions of the program established by the city prosecutor.

(5) A waiver in writing of the right of the offender to a jury trial.
(6) Submission of a written plea of guilty to the offense or offenses charged or agreed upon included offenses, together with an agreement as to whether the case is to be dismissed upon successful completion of the program, and an agreement, if there be any, as to the recommended sentence should a sentence be imposed.

(b) In addition to those requirements set forth in subsection (a), or as a condition of continued participation in the program, the city prosecutor may require the offender to agree to any of the following terms or conditions:

(1) To participate in substance abuse treatment.

(2) To participate in an education setting to include, but not be limited to K—12, college, job training, trade school, GED classes, or basic education courses.

(13) To refrain from the possession or use of any deadly weapon or dangerous instrument as defined in Section 13A-1-2 Code of Alabama 1975.

(14) To pay supervision fees and application fees pursuant to this act. Supervision shall be monitored through the municipal court office.

(15) To observe curfews or home detention or travel constraints as set out in the agreement signed by the offender.

(16) To have restitution, court costs, fees, child support, and any other monies withheld or garnished from the wages or salary of the offender or withheld from any Alabama income tax due the offender, or from any available insurance policy, or forfeited from any real or personal property of the offender, and applied to the above.

(17) To be admitted to a drug or alcohol treatment program on an impatient or outpatient basis or receive other treatment alternatives for substance abuse.

(18) To submit to periodic or random drug testing as part of the program and other terms and conditions relate to substance abuse as the town prosecutor may direct.

(19) To waive in writing the right of the offender to a probation hearing in the event of termination or withdrawal from the program.

(20) To perform community service.

(21) To any other terms or conditions as the town prosecutor or his or her designee and the offender may agree to in the above-stated agreement, it being the purpose of this act to allow the town prosecutor broad discretion in designing a program specifically for each offender and his or her particular circumstances.

(22) When applicable, to be required to pay supervision fees to the agency or entity responsible for monitoring and verifying the compliance of the offender with the terms of the program set forth by the town prosecutor. The fees shall be paid by the offender to the supervising entity in a timely manner.

Section 8. Application fees.

(a) An offender may be assessed a nonrefundable application fee when the offender is approved for the pretrial diversion program. The amount of the assessment for participation in the program shall be in addition to court costs, fees, and assessments for the crime victim's compensation fund, department of forensic sciences assessments, drug, alcohol or anger management treatment required by law, and any costs of supervision, treatment and restitution for which the offender may be responsible. A schedule of payments for any of these fees may be established by the city prosecutor.

(b) The following application fees shall be applied to offenders accepted into the program:

(1) *Class A misdemeanor offenses and driving under the influence:* One thousand dollars ($1,000.00).

(2) *Class B and Class C misdemeanors:* Five hundred dollars ($500.00).

(3) *Traffic offenses excluding DUI's and violations:* Three hundred dollars ($300.00).

(c) The application fees required by this act shall be paid in full in advance and shall be collected by the Cullman Municipal Court.

(d) An applicant offender may not be denied access into the pretrial diversion program based solely on the inability of the offender to pay the application fee. Application fees may be waived or reduced or delayed for just cause, including indigency of the offender, at the discretion of the city. Any determination of the indigency of the offender for purposes of program fee mitigation shall be made by the city, but shall be granted only upon the determination by the municipal court judge that there is no reasonable likelihood within the reasonably foreseeable future that the offender will have the ability to pay the application fee.

Section 9. Collection of fees. Application fees required by this act shall be collected by the Clerk of the Municipal court for the City of Cullman.

Section 10. Liability for payment.

(a) Upon acceptance of an offender into the pretrial diversion program by the city prosecutor, the city prosecutor and the offender shall submit the written application of the offender, the acceptance of the offender by the city prosecutor, and the agreement between the city prosecutor and the offender to the municipal court judge presiding over the affected case of the offender for approval. The offender shall also enter a plea of guilty to the charge or charges involved. If the municipal court judge rejects the agreement and guilty plea, any money paid by the offender in satisfaction of the application fee shall be refunded to the offender. The offender shall be liable for any actual expenses already incurred by the city prosecutor or any agency or service provider in furtherance of the application and evaluation process and the same will be deducted from any money so refunded to the offender.

(b) Upon approval of the agreement and acceptance of the guilty plea, the court shall expressly retain jurisdiction of the case, any other provision of law notwithstanding, and may withdraw and file the case or otherwise place it on an administrative docket until such time as the court has been notified that the offender has fulfilled the terms of the agreement, has been terminated from the program, or otherwise withdrawn from the program. Imposition of punishment by the court shall be deferred until the offender has successfully completed the program or is terminated from the program.

(c) In the event the offender withdraws or is terminated from the program, the municipal court judge shall impose appropriate punishment in the same manner as with any plea of guilty or finding of guilty and shall not be bound by the terms of agreement as to what punishment to impose.

(d) Upon successful completion of the program by the offender, the city prosecutor shall notify the municipal court judge in writing of the fact together with a request that the court enter an order of disposition of the case pursuant to the agreement between the offender and the city prosecutor.

(e) Regardless of whether the offender successfully completes the program or withdraws from or is terminated from the program, the offender will still be liable for and required to pay any and all court costs and fees, restitution, victim's compensation fund assessment, and any and all other fees and assessments, in the same manner as if the offender had not applied for entry into the program and had been found guilty of the offense or offenses involved. No costs, fees, restitution, or assessments shall be waiver or remitted, absent an express agreement to that effect between the city prosecutor and the offender, without a finding by the municipal court judge that the offender does not have the ability to pay the same within the reasonably foreseeable future.

Section 11. Violation of any program terms or conditions.

(a) After any violation of any program terms or conditions or upon any breach of any program agreement by the offender, the city prosecutor may do any of the following:

(1) Continue the agreement with or without modification.

(2) Terminate the offender from the pretrial diversion program.

(3) Require the offender to adopt a new agreement as a condition of continued participation.

(b) The city prosecutor may waive a violation for good cause shown why the offender should stay in the program.

Section 12. Liability, criminal or civil, for the conduct of any offender. In no event shall the city prosecutor or any other agency or service provider have any liability, criminal or civil, for the conduct of any offender while participating in the pretrial diversion program unless the event was foreseeable or for acceptance of an offender into the program.

Section 13. Severability. Each and every provision of this ordinance is hereby declared to be an independent provision and the holding of any provision hereof to be void and invalid shall not affect any other provision hereof. It is hereby declared that the other provisions of this ordinance would have been enacted regardless of any provision which might be held invalid.

Section 14. Effective Date. This Ordinance shall become effective after its adoption and publication as provided by law.

water from the bank (safely), you can continue to access the lake.

Fishing remains open during this time."

The Utilities Board of the City of Cullman issued the following statement on Tuesday, May 11:

The Utilities Board of the City of Cullman has begun lowering the pool elevation at Duck River Reservoir a total of 20 feet to allow for dam inspections and maintenance.

The reduction in water levels from full pool of elevation 725 began May 3, 2021 and will continue over the next few weeks to a level of 705.

Heavy rain and inclement weather could extend this period. The refilling of the reservoir will also be dependent on weather and rainfall.

When the water level recedes to elevation 713, the two boat ramps will be closed for safety purposes, along with the public piers, though fishing will still be allowed from the bank.

As always, a free permit is required and can be printed at Duck-River-Fishing-Permit-2020.pdf (cullmanal.gov).

Utilities Board spokesman Mike Manning said, "The Board regrets the inconvenience, but the inspections are a necessity and will be completed as quickly as possible."

Updates on the project will be posted at https://duckriver.org/, on the Duck River Dam Facebook Page and https://cullmanal.gov/.

Classrooms (from Front)

Ty Watwood

CULLMAN, Ala. – Cullman County Schools has been approved for state funding that will grow the district's Pre-K program. Four additional classrooms will be added at the following locations:

- Pre-K 2 at Harmony Pre-K2 at Welti

- Pre-K 1 and Pre-K2 at Cold Springs

These are in addition to current Pre-K1 classrooms at Welti and Harmony.

According to state data, students who participate in the Alabama First Class Pre-K program are more likely to be proficient in math and reading, with no evidence of fade out of the benefits of high-quality pre-K over time.

Governor Kay Ivey's office announced the funding Tuesday.

"Alabama's First Class Pre-K has been recognized as a national model for delivering high-quality early childhood education and gives our youngest citizens a strong start to their educational journey," Governor Ivey said in a state news release.

"I am glad to see that even more students will have access to Pre-K next year and look forward to the day that all Alabama families who want Pre-K for their children have access," she said.

Pre-K enrollment information can be found at https://children.alabama.gov/pre-registration/.

Winnie (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – The Cullman County Animal Shelter's Donna Ruttkay shares the Cullman Tribune Pet of the Week:

Winnie is a 1.5-year-old German Shepherd mix. She's a lively-but-not-hyper, medium-energy pet who's skilled on her leash. She likes to be close to her people, but is respectful of personal space.

Winnie has the makings of a good therapy or companion dog.

Winnie' s adoption fee is $100 which includes DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, spaying, microchip, free 30-day health insurance policy issued by 24-Pet-Watch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior.

Several of the shelter's canine friends have even been "hired" to work as therapy and special needs service dogs.

Please consider adopting to give a rescued pet a chance at a happy and healthy life.

Contact the Cullman County Animal Shelter at 256-734-5448 or visit them at 935 Convent Road NE. Reach them by email at cullmancountyanimalshelter@gmail.com.

Good news!
Ruttkay reported that recent POTW's Cooper and Gracie have been adopted! Thanks to the whole community for making forever homes a regular destination for our furry friends.
