Hanceville City Council discusses potential uses of 19 acres of gifted land; pending appraisal

Christy Perry
christy@cullmantribune.com

HANCEVILLE, Ala. – The City of Hanceville could soon be receiving a generous gift of land, as the city council approved accepting the gift Thursday evening pending an appraisal. The 19.52 acres are located adjacent to the city's fire station 1, stretching south and west to just before Mud Creek. The value of the land, according to tax records, is $110,000.

Mayor Kenneth Nail shared his ideas with the council on how the land should be used. He said, "There's a good building site right there by the fire station and I know those guys would like, at some point, to build a little training area and a classroom because they don't have a classroom. Even if we let them have half an acre, there is still 19 acres."

For the remaining 19 acres, Nail's vision is to develop a nature area or animal preserve with walking trails. He said, "I think it needs to stay natural because we can't afford and don't need, to build no ballfield over there or playgrounds. It just needs to stay natural."

The new land could help the city continue its efforts to connect gre- » PAGE 6

County School Superintendent shares updates on system activities and programs

CCBOE

Teachers attend a session at the "Nuts & Bolts" professional development symposium June 8-9.

W.C. Mann
craig@cullmantribune.com

CULLMAN COUNTY, Ala. – Cullman County School Superintendent Dr. Shane Barnette before the June meeting of the Cullman County Board of Education meeting, offered a detailed update on activities, programs and plans of the county school system. He shared the results of expanding funding through COVID-19 response grants, new curriculum offerings, facility improvements and staff professional development opportunities.

ESSER funded programs

The Elementary and Secondary School Emergency Relief Fund, commonly called ESSER, was set up during the COVID-19 pandemic "for activities and interventions that respond to students' academic, social and emotional needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups, including each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness and children and youth in foster care," according to the U.S. Department of Education's Office of Elementary and Secondary Education.

Barnette shared how two rounds of ESSER funding are being used in the county system:

ESSER I - $1.9 million

- 750 student Chromebooks
- Charging stations for devices
- Masks, thermometers, gloves, sanitizers, disinfectants, bus sanitizers, foggers and other safety and cleaning supplies
- Bottle Fillers at each school
- Learning programs; Edmentum, Screencastify, Texthelp SeeSaw, Summer School
- Hired nurse aides

ESSER II - $7.8 million

- English curriculum subscriptions
- Math curriculum subscriptions
- Special Education transition teachers
- Free Summer School 6-12
- Summer Reading Camps K-5
- Additional nurses and nurse aides
- Additional mental health services
- Intervention counselor
- 700 additional Chromebooks
- Upgrading nursing stations as needed » PAGE 2

Schools (from Front)

• Purchased GoGuardian
• Schneider Energy Upgrades, including HVAC, lighting and windows. According to Barnette, the upgrades will save the system up to $1 million annually.

The system is currently applying for $17.8 million in ESSER III funds to support:
• Five Special Education teachers
• Intervention/transition teachers
• Nurse aides continued
• 504/Dyslexia specialist
• Local teacher units
• Additional Schneider Energy upgrades

Building better students
Barnette explained the system's purchase of a program called "We Build It Better," which promotes development of math, science and common workplace skills in middle school classrooms. The program supplies industrial tool kits, 3-D printers and other equipment to give students hands-on opportunities to gain real-world manufacturing and technological skills while gaining leadership and business skills.

The program will launch in county schools in fall 2021.

Barnette also touted the achievement of precision machining students at the Cullman Area Technology Academy in signing their names to components manufactured in the CATA machine shop for use on the International Space Station.

The superintendent's slideshow indicated that college and career readiness is up across the system from less than 75% in the 2015/16 school year to 99% in 2020. Graduation percentages in the 80s in 2016 have also risen to nearly 95% in 2020 with two schools, Cold Springs and Vinemont, hitting 100% graduation last year.

Barnette noted that 2020/21 saw the largest number of Cullman County students ever enrolled in Wallace State Community College's Fast Track programs, with a record high completion of college credit courses. In 2021/22, for the first time, all 9th grade students will take Career Exploration 106, for which they will receive college credit.

Barnette was glad to see the number of virtual students across the system drop from a high of 779 in December 2020 to only 55 planned virtual enrollments for the fall of 2021.

Math curriculum
The system will see a continuation of efforts to implement a new math curriculum in 2021.

During the 2019/20 school year, the system purchased "Into Math" materials for Kindergarten - 5th grade, giving every student a consumable book they can write in, and access to videos and practice problems online.

During the 2020/21 school year, the system purchased new materials for 6th - 12th grade, ensuring that every classroom will have a class set of textbooks, and all students have access to textbook, videos and practice problems online. Additional books are available for students to check out if they would like to have a book at home.

The system has purchased precalculus and calculus materials from SAVVAS Learning to give students access to MyMathLab, an online platform used by colleges, so students will be familiar with this site before taking college courses.

New English curriculum coming
The Alabama State Department of Education recently adopted a new course of study and Cullman County teachers will be trained on the new standards in the 2021/22 school year. The system will evaluate new materials to purchase next spring.

The system is implementing MyON Reader, a digital book library with online tools to help students develop reading and writing skills.

Computer Science
Barnette showed how the system has increased, and continues to increase, its computer capabilities.

• In the 2019/20 school year, the system had six certified computer science teachers and 91 students were enrolled in computer science courses. A $25,000 Alabama Middle School Computer Initiative Competitive Grant provided LEGO Spike Prime Kits for every middle school, and 22 schools received $1,500 Alabama Robotics Grants to supply Bee Bots to elementary schools and Makey-Makey kits for middle and high schools.
• In the 2020/21 school year, the system had 13 computer science teachers and 401 Students were enrolled in computer science courses. Every school each received a $1,500 Alabama Robotics Grant.
• In the 2021/22 school year, every high school and middle school will have one additional certified computer science teacher, and all middle schools will offer the Computer Science Discoveries curriculum.

Developing teachers
The Alabama Teacher Excellence and Accountability for Mathematics and Science Act passed in May 2021 promotes the professional development of advanced skills, be math and science teachers, and offers $15,000-20,000 salary increases for teachers whose applications are accepted and who sign special TEAMS contracts with their local systems.

According to Barnette, the Cullman County system can have up to 47 TEAMS teachers. Though those teachers who sign contracts will have to give up their tenure, Barnette said that several teachers have already applied.

The superintendent reported that 250 teachers recently attended a "Nuts & Bolts" symposium held at Good Hope High School June 8-9. According to the provider, "The Nuts & Bolts Symposiums exist to enhance the educational process through high-energy, practical professional development that will take teachers, students, schools and districts to the next level of academic success."

Barnette also shared information from the Alabama State Department of Education indicating a minimum 2% increase in pay for all teachers, plus a new matrix that increases the percentage for teachers with at least nine years on the job or advanced degrees.

The system also recently completed an Aspiring Administrator Academy for staff interested in becoming assistant principals.

Mental Health
The system has implemented GoGuardian and Gaggle programs that monitor all CCBOE accounts, whether the student is on system Wi-Fi or their own internet. The programs flag sites with inappropriate content, including information promoting self-harm.

The system also subscribes to American Behavioral mental health services for employees and their eligible dependents. Services include face-to-face counseling, referrals, legal counseling, financial counseling and eldercare support.

Recently completed facility projects
Barnette listed the following construction and maintenance projects:

• New Family & Consumer Science Center at Holly Pond High School
• Two additional classrooms at Holly Pond High School
• Sealing and striping of several existing parking areas
• Paving currently being completed at Parkside, Cullman Area Technology Academy, Hanceville, West Point Middle and Holly Pond. Paving at West Point, Vinemont, Fairview and Good Hope a few months back; Cold Springs last year.
• Entrance remodeled at Vinemont Elementary School
• New flooring in the West Point Middle School Library
• Awnings at West Point Intermediate School, West Point Elementary School, Hanceville Middle School and Vinemont Elementary School
• Pavilions at Vinemont High School, Hanceville Middle School and Hanceville Elementary School
• Security entrances at West Point Intermediate School, West Point High School, Cold Springs Elementary School, Holly Pond High School, Fairview Elementary School, Fairview High School, Fairview Middle School, Good Hope High School and Good Hope Primary School

New summer projects
Barnette listed these projects that are starting this summer, many of which are large enough to carry on into the school year:

• Room and equipment cleaning and upgrades at CATA to make the facility more attractive to students and prospective industrial partners. Upgrades include new exterior and interior doors, new intercom system, renovated nursing center to resemble an actual emergency room and doctor's office and fresh paint in classrooms and shops.
• Roof replacements at Fairview Elementary and High School
• Roof replacements at West Point High School main building and library
• Expanding lunchroom at West Point Elementary and High School and replacing roof of existing lunchroom
• 16 classroom additions with new lunchroom at Hanceville Elementary School
• Good Hope Middle School library, gym and office additions. These additions will open up areas at the middle school and high school for additional classroom space as well.
• New Gymnasium at Cold Springs High School
• Flooring replacement throughout Vinemont High School
• New flooring in parts of West Point High School
• New flooring in Vinemont Elementary School library
• New flooring in the Holly Pond Elementary/Middle School library
• New gym flooring in the elementary gyms at Cold Springs, Hanceville, West Point and Holly Pond
• Adding HVAC to West Point High School, Holly Pond High School and Fairview High School gyms
• Adding baseball field lighting at Harmony School
• New football stadium lighting at Fairview High School
• Painting on most campuses throughout the district
• Adding additional parking at Vinemont Middle School
• Replacing HVAC in Hanceville Middle School classrooms
• Handicap restrooms at Holly Pond High School and Fairview High School Stadiums
• Adding large fans in Hanceville and West Point Middle School gyms
• Additional security entrances being installed at several remaining schools

The superintendent said that system administrators will be visiting campuses to review band rooms, family and consumer science centers and agriscience classrooms and shops for future upgrades.

The superintendent said that, in visiting campuses, he saw a need for more School Resource Officers, telling the board and audience, "We have some campuses that need two SROs, I feel like, compared to everybody just having one right now."

Barnette also shared a plan to enter a lease agreement with Enterprise Fleet Management to replace the system's current maintenance vehicles. Under the agreement, the fleet will be replaced every five years. According to the superintendent, the system will be able to sell the vehicles at the end of each five-year cycle and profit from the equity so that "It won't cost us as much as it would to purchase those vehicles."

Section 16 property
The superintendent said that the sale of the system's Section 16 property on Smith Lake will close at 10 a.m. June 24, and that a trust fund will be open through Raymond James Financial at that time.

Feeding program underway
In his report during the regular meeting, Barnette shared that the system's summer feeding program will run from June 11 - July 2, offering breakfast from 7:45 a.m. - 8:15 a.m. and lunch from 11 a.m. - 12:30 p.m. at Good Hope Primary, Fairview, Holly Pond, Cold Springs, Harmony, Vinemont, West Point High and Parkside.

Curbside Meal Pickup takes place Wednesday, June 16, 23 and 30 from 11:30 a.m. - 1 p.m. at Fairview, West Point High and Vinemont.

The Cullman County Board of Education will meet next at 3:30 p.m. Thursday, July 15, at the central office board room for a work session with its regular meeting immediately after. The public is invited to attend.

COVID-19 BY THE NUMBERS

Friday, June 11, 2021 COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes
Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

Case details
• Total confirmed cases in Alabama: 421,027 (+ 1,263 since Wednesday) *
• Probable cases in Alabama: 126,296 (- 264 since Wednesday) *
• Total confirmed deaths in Alabama: 8,946 (+ 103 since Wednesday) *
• Probable deaths in Alabama: 2,320
• Total confirmed cases in Cullman Co.: 6,719 (+ 8 since Wednesday)
• Probable cases in Cullman Co.: 3,202 (+ 3 since Wednesday)
• Total confirmed deaths in Cullman Co.: 137
• Probable deaths in Cullman Co.: 63
• Total tested in Cullman Co.: 42,854
• Total tested in the last 14 days in Cullman Co: 1,645
• Cases in the last 14 days in Cullman Co.: 36
• Total tested in Alabama: 2,644,964
• Cases in the last 14 days in Alabama: 1,697
• Total tested in the last 14 days in Alabama: 85,396
• Currently hospitalized in Alabama: 202
• Cumulative no. of hospitalizations in Alabama: 50,328
• Presumed recoveries in Alabama (reported weekly): no update available

Vaccine details (updated Monday-Friday)
• Doses Delivered to Alabama: no update available
• Doses delivered to Alabama providers: no update available
• Doses administered: no update available
• Number of people receiving one or more doses: no update available
• Number of people who have completed vaccine series: no update available
• Doses delivered to federal programs: no update available

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

View the Alabama COVID-19 Vaccination Allocation Plan at: www.alabamapublichealth.gov/covid19vaccine/assets/adph-covid19-vaccination-allocation-plan.pdf

FEMA Community Vaccination Center in Bessemer closing June 16
The last day for the drive-thru Community Vaccination Center located at Watermark Place (4500 Katies Way) in Bessemer is June 16. The site is open 9 a.m. - 4 p.m. Monday, Wednesday, Friday and Saturday, and 11 a.m. - 6 p.m. Tuesday and Thursday. Individuals can drive in or walk up without appointments. No appointment, ID or insurance required. Don't take the risk, get vaccinated today!

Delta Variant B.1.617.2 accounts for about 6% of new U.S. cases
The Delta variant, which is also known as B.1.617.2 first emerged in India and now accounts for about 6% of new U.S. cases. The number of cases of Delta in the U.S are likely to be higher, as not all SARS-CoV-2 specimens are sequenced. The Delta variant has been detected in a small number of specimens in Alabama. The variant is highly contagious and has the potential to infect more persons, resulting in more hospitalizations and deaths. At the moment, data indicates that two doses of Pfizer vaccine are 88% protective against the virus. The two other COVID-19 vaccines, Moderna and Johnson & Johnson, are likely to be effective against this variant as well. The message about this variant, as well as other variants, is that the more persons who are vaccinated, the less likely the opportunity for variants to emerge. Now is a critical time for persons in Alabama to take advantage of the multiple opportunities to be vaccinated.

Centers for Disease Control and Prevention Morbidity and Mortality Weekly Report (MMWR): Decreases in COVID-19 cases, hospital admissions and deaths among older adults
A MMWR released June 8, 2021 finds that COVID-19 cases, emergency department visits, hospital admissions and deaths declined more among older adults than among younger adults following the introduction of COVID-19 vaccine. The greater declines among older adults are likely due, in part, to higher COVID-19 vaccination coverage, which highlights the potential benefits of rapidly increasing vaccination coverage. The MMWR can be viewed here: www.cdc.gov/mmwr/volumes/70/wr/mm7023e2.htm

National Month of Action, goal is 70% COVID-19 vaccination
The Alabama Department of Public Health joins in encouraging everyone in the state to work toward the goal of having 70% of U.S. adults getting at least one COVID-19 vaccination by July Fourth. President Biden announced the National Month of Action initiative which encourages national organizations, local government leaders, community-based and faith-based partners, businesses, employers, social media influencers, celebrities, athletes, colleges, young people and thousands of volunteers across the nation to work together to get their communities vaccinated. Decreasing numbers of Alabama residents are being vaccinated even though vaccines are available, so promotions and actions are needed now to defeat COVID-19.

Brewer (from Front)

Nick Griffin
nick@cullmantribune.com

HANCEVILLE, Ala. – The search for the next Head Coach of the Hanceville Bulldogs ended Thursday night and Ryan Brewer is excited to step in and take the reins of the program. Brewer is replacing Head Coach Cody McCain who stepped down in April after spending three seasons with the Bulldogs. Brewer is bringing several years of coaching experience with him to Hanceville, starting with the head coaching job at Helena Middle School from 2008-14 and a couple stops as on offensive coordinator at Russellville and Haleyville after that. Brewer served as an offensive assistant at Orange County High School the past two seasons and now he'll be running things on the sidelines here in Hanceville.

Brewer reached out to Principal Wakefield to express interest in the open job and now that he's set to take over things, he's looking forward to hitting the ground running and laying the foundation for the culture he wants his team to have.

"I heard that the job was opening a while back and I just kind of kept my eyes on it while waiting for them to hire a principal and once they hired Mr. (Daniel) Wakefield I reached out to him. I've been wanting to be a head coach for a while now and an opportunity became available at a place that I feel is comfortable for my family," Brewer said.

"I have three boys and my wife is a teacher as well so we wanted to find a place where we felt like our family could thrive and it puts us right in between Birmingham and Northwest Alabama where we have family, so it really helps us see them more often. I also saw that it was a great opportunity to be at a place where I can think we can be very successful as well. So, I'm looking forward to getting there and meeting those kids and developing a culture and a passion for the game but even more so a passion for life and doing the right thing not only on the field but in the classroom and in the community."

Brewer has helped build programs from scratch twice in his coaching career at Helena and Orange Beach, so he has plenty of experience in that department. What he believes is the most important part of that process is building relationships and instilling value in everyone in the program.

"Every experience in life is a learning opportunity so I learned a lot down here offensively and defensively that I didn't have in my toolbox prior, and I learned a lot of important stuff about building relationships," Brewer said. "I learned more about the importance of instilling value in people and I really look forward to the opportunity to meet our coaches and invest in them and invest in the kids because ultimately that's what its all about, leaving a positive example for those kids because one day they may not be NFL players but more than likely they'll be in a situation where they're a husband and a Dad and I look forward to being part of that process in their lives."

Brewer has spent most of his coaching career on the offensive side of the ball and wants to put an exciting and explosive team on the field but he's confident that he and his staff will be able to get the most out of their team no matter what style they plan to run.

"In the last 15 years I've been able to learn enough to where I don't really need a certain type of kid to be able to run what I want to run so I'm going to have to meet the kids and see what works best with what we have," Brewer said. "Typically, I like to spread it out a little bit and its an exciting brand of football that I like to create. If we have the kids to do that we will and if we have to do things a little differently, we'll do that. We'll find a way to get it done."

The Hanceville Bulldogs will open the season on their home field against Vinemont in August.

NICK GRIFFIN/THE CULLMAN TRIBUNE

Cold Springs' Ella Dickerson dribbles past a defender during the Lady Eagles' win over Brewer Friday.

PREP BASKETBALL

Local squads compete in summer play day at Cullman

Sammy Confer, Nick Griffin
Contributors

CULLMAN, Ala. – Friday was loaded with summer basketball at Cullman High School and West Point, Cold Springs and the Lady Bearcats were all there to compete. The Lady Eagles played split a pair of tight games against Elkmont and Brewer while the Lady Warriors picked up wins over both Randolph and Thompson.

Elkmont 32 – Cold Springs 30 (varsity girls)

Quick baskets by Ciara Calvert and Ella Dickerson gave Cold Springs an early 4-0 lead, but Elkmont scored the next seven points and that gave them a 7-4 lead. A basket down low by the Lady Eagles' Malaya Taylor made it a one-point game, but another 7-0 run by the Lady Devils pushed the Cold Springs deficit to 14-6. The Lady Eagles ended their long scoring drought with 1:09 remaining in the first half on a layup by Starla Chenell and Cold Springs found themselves down 16-8 at the half.

Elkmont scored a quick basket just 13 seconds into the second half to increase their lead to 18-8, but the Lady Eagles went on a run to get back in the game as Ella Bruer scored off a Red Devil turnover; Taylor and Dickerson also added a basket down low as well to make it a 18-14 game.

After Elkmont pushed their lead back to eight at 22-14, Bruer drilled back-to-back shots from deep to make it a two-point game. Dickerson, Taylor, and Bruer each added a basket down low during their 10-0 run and that gave Cold Springs a 26-22 lead with less than 10 minutes to go in the game.

Elkmont answered right back with an 8-0 run and the Lady Eagles quickly found themselves down 30-26. But huge layups by Taylor and Bruer tied the game up at 30.

The Lady Devils scored with 34 seconds left and Cold Springs looked to tie the game up, but their shot was off, and the Lady Eagles dropped their first game of the day, 32-30, to Elkmont.

Bruer finished with 12 points for Cold Springs. Taylor added eight points. Dickerson ended up with six points, while Calvert and Chenell each chipped in with two points.

West Point 63 – Randolph 32 (varsity girls)

West Point's Ryleigh Jones got her team on the scoreboard first with a layup, then Braelee Quinn hit one of her own to give the Lady Warriors a 4-0 lead. Randolph made it a 6-5 game after drilling a three, but Quinn drilled back-to-back shots from deep to help push West Point's lead to 12-5. The Lady Warriors went on a 10-2 run behind a pair of treys from Summer Mendoza and a pair of baskets down low from Laklin Shadix that gave West Point a 22-7 lead. Jaylen Faulkner and Mendoza each added a layup to put West Point on top 26-12 at the half.

Quinn continued her red-hot shooting from deep as she hit a pair from long range to start out the second half to give the Lady Warriors a 32-14 lead. West Point quickly put the game away as they went on a 14-3 run behind seven points from Jones, five from Quinn and two from Mendoza.

Then later on, the Lady Warriors went on a 9-0 run as Quinn hit yet another shot from deep, Jaylen Faulkner hit a basket down low and Liberty Shadix added back-to-back layups as well to give them a 55-19 lead.

The Lady Warriors ended up rolling past the Lady Raiders, 63-32.

Quinn led the way for West Point with 24 points as she drilled six threes during the contest. Mendoza added 10 points. Jones ended up with nine points and Jaelyn Faulkner finished with six points.

Cold Springs 30 – Brewer 27 (varsity girls)

Brewer jumped out to a 6-0 lead over the Lady Eagles in their second game of the day but three-pointers from Ella Bruer and Ella Dickerson tied the game at 6 early in the opening half. Another three from the Lady Patriots put them back in front 9-6 but Starla Chenell responded with a three-pointer of her own to tie things back up at 9 with less than 10 minutes to play in the half.

After falling behind 11-9, Malaya Taylor scored inside to tie the game at 11 and Bruer later drilled another three to keep the score tied at 14 with just over five minutes remaining in the first half. However, the Lady Patriots ended the half on a 5-0 run to take a 19-14 advantage into the break.

Bruer laid one in to cut the lead to 19-16 early in the second half and Mia Light drilled a three-pointer to make it a 19-19 game. Bruer scored to keep the game tied at 21 with just under 13 minutes left to play and she later drained a deep three to keep the score knotted at 24 with nine minutes remaining. Taylor scored to give Cold Springs a 26-24 lead with just over two minutes on the clock, but Brewer knocked down a three to pull ahead 27-26 with less than a minute to play. The Lady Eagles answered with a Dickerson basket to take a 28-27 lead in the final minute, and she added two more points in the final seconds to secure a 30-27 win for Cold Springs.

Bruer led the Lady Eagles with 13 points in the win, followed by Dickerson with seven, Taylor with four and Light and Chenell with three.

West Point 32 – Thompson 31 (varsity girls)

After handling Randolph in their first game of the day, the Lady Warriors had a tougher time getting points on the board against Thompson. Baskets from Ryleigh Jones and Summer Mendoza put West Point in front 4-3 early and five straight points from Laklin Shadix stretched the lead to 9-3 with just a few minutes gone in the opening half. Thompson responded, and went on a run to cut the lead to 9-8 and eventually pulled ahead to take a 14-9 lead with just over seven minutes to play in the half.

Mendoza drilled a three to cut the lead to 14-12 and after a bucket from Thompson on the other end, Braelee Quinn scored inside to keep West Point within two.

Hallie Wheeler drove to the basket for a three-point play that gave the Lady Warriors a 17-16 lead and Mendoza added another basket just before the buzzer to tie the score at 19 going into the halftime break.

Back to back baskets from Quinn and a score by Laklin Shadix put West Point on top 25-21 early in the second half and Quinn knocked down a three-pointer to make it a 28-21 game. Two more buckets from Liberty and Laklin Shadix extended the lead to 32-25 with around six minutes to play and the Lady Warriors held off a late run from Thompson to win it 32-31 and collect their second win of the day.

Quinn and Laklin Shadix posted nine points in the win for West Point. Mendoza finished with seven, Wheeler scored three and Jones and Liberty Shadix each added two.

Land (from Front)

enway areas creating a network of trails. Nail showed how trails could be connected from the new land under the bridge on Highway 31 and connecting to Veterans Memorial Park, which in turn connects to greenways leading to the Hanceville Civic Center.

"It's workable without costing us an arm and a leg and without costing us a bunch of extra maintenance," Nail added.

Additional projects could be considered, such as the addition of an outdoor classroom.

The council also congratulated Mollie Hall on being the Wallace State Future Foundation 2021-22 City of Hanceville Scholarship recipient. The $1000 scholarship is awarded each year to a Hanceville High School senior.

This weekend, June 12, the Hanceville Tractor Show will be held from 9 a.m. – 2 p.m. on the campus of Wallace State.

The Kingsman concert is scheduled for July 31 at Cullman Civic Center and Confederate Railroad will perform Sept. 19 at Veterans Park.

The next Hanceville City Council meeting will be held June 24 at 5:30 p.m. at Hanceville City Hall. The public is invited to attend.

Obituary Announcements: June 11

Walter Anderson Brazelton Sr., 74, of Hanceville

A graveside service for Walter Anderson Brazelton Sr., 74, of Hanceville will be 2 p.m. Sunday, June 13, at Ready Cemetery in Toney, Alabama. Reverend Richard Roberts will be officiating. Visitation will be from 5 p.m. - 7 p.m. Saturday, June 12, at Hanceville Funeral Home. Survivors include his children, Andy (Sherry) Brazelton, Brett Brazelton and Angela (John) Simpson; grandchildren: Chase Brazelton, Cora Simpson and Jack Simpson; mother of his children: Peggy Brazelton; brother: Edward Brazelton; sisters: Dorcas (Barney) Murray and Sarah (Marvin) Tucker; a host of nieces and nephews and his loyal K-9 friend: James. Mr. Brazelton was preceded in death by his parents: Herbert Hines and Margaret (Self) Brazelton and two brothers: Melvin and Calvin Brazelton.

Timothy Craig Privett, 50, of Addison

Funeral Service for Timothy Craig Privett, 50, of Addison, Alabama will be 2 p.m., Sunday, June 13, at Mount Pleasant Baptist Church, Nesmith community. The family will receive friends from noon – 2 p.m. prior to the service. Rev. Junior Garman and Rev. Chris Godbee will officiate the service. The interment will be in the adjoining cemetery. Cullman Funeral Home is honored to serve the Privett family. Mr. Privett passed from this life June 10 at his residence. He was born June 24, 1970, to Teddy Leo and Beverly Ann LaChance Privett. He was preceded in death by two brothers: Shannon Joseph Privett and Gregory Scott Privett; his grandparents: Espy and Nettie Privett and Numa and Neta LaChance. Mr. Privett is survived by his parents; a daughter: Olivia (Kaleb) Grimes; two brothers: Michael (JoAnne) Privett and Phillip (Melisa) Privett; two sisters-in-law: Wanda Privett Vest and Pamela Privett; nephews: Darren Privett, Jeremy Privett, Matthew Privett and Adam Privett; great-nephews: Brodie Privett, Dawson Privett and Carson Privett; great-niece: Ellie Quinn Privett and a host of family and friends. In lieu of flowers, the family asks that donations be made to ALS Society of Alabama in memory of Timothy. Friends may sign the online guestbook at www.cullmanfuneralhome.com.

Siddric Lee Ricky Loveless, 25 of Haleyville

Siddric Lee Ricky Loveless, 25, of Haleyville, passed away Monday, June 7, at his residence. Mr. Loveless was born Jan. 4, 1996, in Russellville, Alabama. He loved his family, especially his children, with all his heart. He had a smile that lit up a room and a contagious laugh. He was physically strong and would fight for the ones he loved. Visitation will be Monday, June 14, from 1:30 p.m. – 3 p.m. at Nichols Funeral Home in Haleyville, where the service will be held at 3 p.m. Siddric is survived by his father: Keith Loveless; mother: Misty Gardner; wife: Amy Hall; sons: Isaiah Lee Loveless and Sawyer Joshua Ricky Loveless; grandmothers: Kathy Whitman and Connie Farris; sister: Anna Faith Loveless; brother: Joshua Cagle; aunts: Azzlee (Jeremiah) Grantham, Teresa Loveless, Lisa Sleeter and Christy Dennis; uncles: Waymon Cagle, Sammy Pike and Tody Hess and a host of nieces, nephews, cousins and friends. He was preceded in death by his grandfathers: Barry Gardner, Terry Hess and Ricky Loveless; uncle: Author Hill and great-grandparents: Doris Cagle, Troy Cagle and Kathleen Cagle.

ORDER OF PUBLICATION AND NOTICE OF PENDENCY OF SUIT

TO: ANY AND ALL PERSONS, HEIRS OR DEVISEES OF MARGARET SUE MCINTYRE, a/k/a MAGGIE SUE MCINTIRE or HUGH D. MCINTYRE a/k/a H.D. MCINTIRE, claiming any right, title and interest to the following described real property, to-wit: **Parcel # 25-02-09-0-046-001.00.**

NOTICE IS HEREBY GIVEN that on the 10TH day of May 2021, a Complaint in Rem to Quiet Title was filed by Plaintiffs Roy Dyer and Teresa Dyer, by and through their counsel of record, Seth B. Thompson, wherein all parties at interest were given notice and wherein it was alleged that said Complaint was filed against the property described above, and it was alleged that Plaintiffs were the owner in fee simple of said real property.

The parties at interest are further notified that Plaintiff avers in said Complaint that it claims title to the real property by reason of the following chain of title, to wit:

(a)On the 8TH day of March, 2017, a decree was rendered by the Revenue Commissioner of Cullman County for the sale of land herein described and conveyed for the State and County taxes of MARGARET SUE MCINTYRE, a/k/a MAGGIE SUE MCINTIRE and HUGH D. MCINTYRE a/k/a H.D. MCINTIRE, the owners of said land for the cost of expenses thereto and thereunder.

(b) On the 2nd day of May, 2017, said lands were duly and regularly sold by the Revenue Commissioner of said county for taxes, costs and expenses and at said sale Plaintiffs purchased said lands at and for the sum of said taxes, costs and expenses and forthwith paid said sum to the Revenue Commissioner, and received from said Revenue Commissioner a certificate of said sale.

(c) The time of redemption of said lands has elapsed and said certificate of purchase had been returned to the Revenue Commissioner of said county.

(d) On or about the 12th day of May, 2020, Plaintiffs came forward and notified the Revenue Commissioner that they had taken lawful possession of the land and were due a deed pursuant to the Code of Alabama, specifically, but not limited to Title 40-10-29 and act number 84-493. Plaintiffs have met all requirements under these two statutes and other provisions of Alabama Law.

(e) Title to the real property described hereinabove stands upon the records in the Probate Court of Cullman County, Alabama, in the name of the Plaintiffs.

YOU ARE HEREBY DIRECTED to answer this Complaint on or before thirty (30) days from the 12th day of July, 2021, or on failure to do so, suffer a default judgment to be rendered against you.

DONE this 11th day of May, 2021.

(a)On the 10th day of March, 2014, a decree was rendered by the Revenue Commissioner of Cullman County for the sale of land herein described and conveyed for the State and County taxes of James W. Nessler or Sylvia C. Nessler, the owners of said land for the cost of expenses thereto and thereunder.

(b) On the 6th day of May, 2014, said lands were duly and regularly sold by the Revenue Commissioner of said county for taxes, costs and expenses and at said sale Plaintiffs purchased said lands at and for the sum of said taxes, costs and expenses and forthwith paid said sum to the Revenue Commissioner, and received from said Revenue Commissioner a certificate of said sale.

(c) The time of redemption of said lands has elapsed and said certificate of purchase had been returned to the Revenue Commissioner of said county.

(d) On or about the 9th day of May, 2017, Plaintiffs came forward and notified the Revenue Commissioner that they had taken lawful possession of the land and were due a deed pursuant to the Code of Alabama, specifically, but not limited to Title 40-10-29 and act number 84-493. Plaintiffs have met all requirements under these two statutes and other provisions of Alabama Law.

(e) Title to the real property described hereinabove stands upon the records in the Probate Court of Cullman County, Alabama, in the name of the Plaintiffs.

YOU ARE HEREBY DIRECTED to answer this Complaint on or before thirty (30) days from the last date of publication, or on failure to do so, suffer a default judgment to be rendered against you.

DONE this 11th day of May, 2021.

BILLY BOB'S STORIES AND STUFF

They've seen miracles, but they need at least one more

Bill King
Tribune
Contributor

On Saturday, January 10, 2004, Jessica Black became the bride of Jarrod Watts. I had the honor of performing their ceremony. Other than Jarrod forgetting to bring the rings, it went without a problem. Since that day, they've had more than their share.

Five years after their wedding, God blessed them with a beautiful baby boy. They named him Charlie. Two-years later, Charlie gained a little brother. His name is Beau. Those two are your fun loving, face making, typical rambunctious boys, with a few exceptions. A few years ago, Beau began having some health issues and doctors discovered an arachnoid cyst in his head. In March, right before the COVID lockdown, doctors in Memphis performed a craniotomy and successfully removed the cyst. He was quickly back to his full- time job of being a boy.

By June, he and his older brother were back to running and chasing one another. Charlie, running full- speed ahead, smacked straight into a wall. His injuries didn't appear to be life threatening, but since his family had already met their deductible with Beau's surgery, they took Charlie to see a friend who is an orthopedic surgeon. Sure enough, he had two-broken toes. He did what they do for broken toes, and told them to come back in a couple of months to recheck them. Between those visits, Charlie went back to playing soccer and taking karate, but Jessica noticed he was favoring his arm.

When they went back for their follow up visit, she mentioned this to the nurse. When the doctor heard this, he said he heard a voice inside saying, "X- ray him." When he did, he saw something on the film. Two days later, they saw a doctor at Campbell's Clinic, in Memphis. He thought the spot might be a cyst, so he did further imaging and conferred with a colleague at St. Jude Hospital.

They sent them home, to Tupelo. Tupelo is about an hour-and-forty minutes from Memphis. They walked in the door and the phone rang. It was the doctor in Memphis, urging them to return as soon as possible. Last October, the doctors at St. Jude diagnosed Charlie with an aggressive form of cancer called Ewing's sarcoma.

In November, he began receiving chemotherapy drugs to shrink the tumor in order to get good margins. In February of this year, doctors removed 95% of the tumor. They removed parts of his rotator cuff, the ball of his shoulder, and his humerus. His humerus was full of cancer. Since surgeons were not able to remove all the tumor, Charlie had to have more chemotherapy.
He has received five different kinds of chemo, including The Red Devil.

Charlie lost his hair and much of his weight, but he didn't lose his willingness to fight, or even that broad smile of his. He has just completed his 13th round and has one more to go. In the next two to three weeks, when Charlie meets the criteria required, he will begin a five- day round of chemo. This will be his final round, and he will have met the lifetime limit of Red Devil chemo.

That they even found Charlie's cancer in time came through a series of miracles. For one, if he had not run into that wall, they might not have discovered his cancer until it was too late. Charlie is an amazing 11-year boy, who loves airplanes, soccer, karate, Christian music, rollercoasters, dogs, and has a dream to swim with a dolphin. Will you join me in praying for Charlie and his family. Please pray that this final round of chemo does the job and that Charlie will be cancer free.

Bill King can be reached at bkpreach@yahoo.com or 334-745-0588 (office).

HISTORY

Files from Yesteryear: 1954, 1901

From The Files Of 1954
Laminack Family Reunion
The Laminack family had its annual reunion on September 6, at Sportsman Lake.

Those attending were Mr. and Mrs. J.W. Laminack, Mrs. Jack Stisher, Mrs. Andy Moore, from Crossville, Tennessee, Mr. and Mrs. Bill Jenkins, Mary Ann and Billy, of Cleveland, Georgia, Mrs. Hazel Parker, Rayford, Helen, Brenda, June and Myna, of Borden Springs, Randall Parker, Wilburn Laminack and Robert Laminack, of Atlanta, Mr. and Mrs. S.E. Moore, of Decatur, Georgia, Clyde Laminack and Arthur, of Bainbridge, Georgia, Grady Laminack and Miss Bessie Cain, of Muscadine, Mr. and Mrs. Everett Laminack, of Fruithurst, Mr. and Mrs. Frank Brantley and Mrs. Lula Lacy, of Leeds, Mr. and Mrs. Colon Clemmons, Bill, Linda and Randy, of Bessemer, Mr. and Mrs. Marshall Laminack, Jane, Jack, Susan, Sara and John, Mr. and Mrs. Dick Laminack and Diane, Mr. and Mrs. Glen Laminack, Mr. and Mrs. Cliff McCullay, of Birmingham, Mr. and Mrs. Curtis Whitaker and Johnny, Mr. and Mrs. E.E. Price, of Hanceville, Mrs. Carl Laminack, Mr. and Mrs. Oscar Laminack, Pat and James, Mr. and Mrs. W.H. Laminack, Mr. and Mrs. Harold Drake and Rickey, Joe Laminack, Mr. and Mrs. Billy Parker, Mr. and Mrs. Joe Hacker, Mrs. M.T. Parker and Mr. and Mrs. Herman Trammel, Dewell, Douglas, Shelba, Donald, Danny and Sandra, all in and around Cullman.

From The Files Of 1901
W.F. Reese, of Joppa, killed two snakes in his hay field last week.

One was 5 feet, 5 inches long, with 11 rattlers and the other was 4 feet, 6 inches long with 12 rattlers. J.D. Edwards has accepted the position as buyer for the Cullman Cotton Company.

The Honorable Will G. Brown arrived home from Boulder, Colorado, on Monday.

Doctor and Mrs. B.M. Kinney left on Tuesday for Nashville, to attend the Elks Carnival.

Mrs. E.M. Kelley returned on Thursday from a three week visit to Texas.

J.B. Brown was in Athens and Decatur on business this week.

Eron Wallace has accepted a position with A. Dreher and Company.

Frank Arndt is attending the Exposition in Buffalo.

Miss Mattie Scott, of Falkville, is visiting her brother, William Scott.

Jacob, George, Charles and Miss Mary Graf left this week to visit the Exposition in Buffalo.

Mrs. D.M. Henderson has returned from Milton, Florida.

Zeke Casey was in town on Tuesday enroute to Nashville.

Miss Fannie Bandman, of Birmingham, has been the guest of Miss Laura McMinn.

Miss Julia Bauer and Miss Louise Birnbaum left on Tuesday for Cincinnati.

Misses Lowella, Corna and Ruby Hanlin returned to school, at Tuscaloosa Female College, on Wednesday.

J.W. Slason, former citizen of the Dominion of Canada, has purchased the Goodwin property, west of the city and has arrived here to live.

The beautiful home of Mr. and Mrs. Nic Stoll was thrown open to a large circle of friends on Saturday evening, at Vinemont.

Dainty refreshments were served and dancing indulged in with music furnished by Professors Klenck and Lightwood.

POET'S CORNER

Ocean Breeze | By: Randy C. Hale

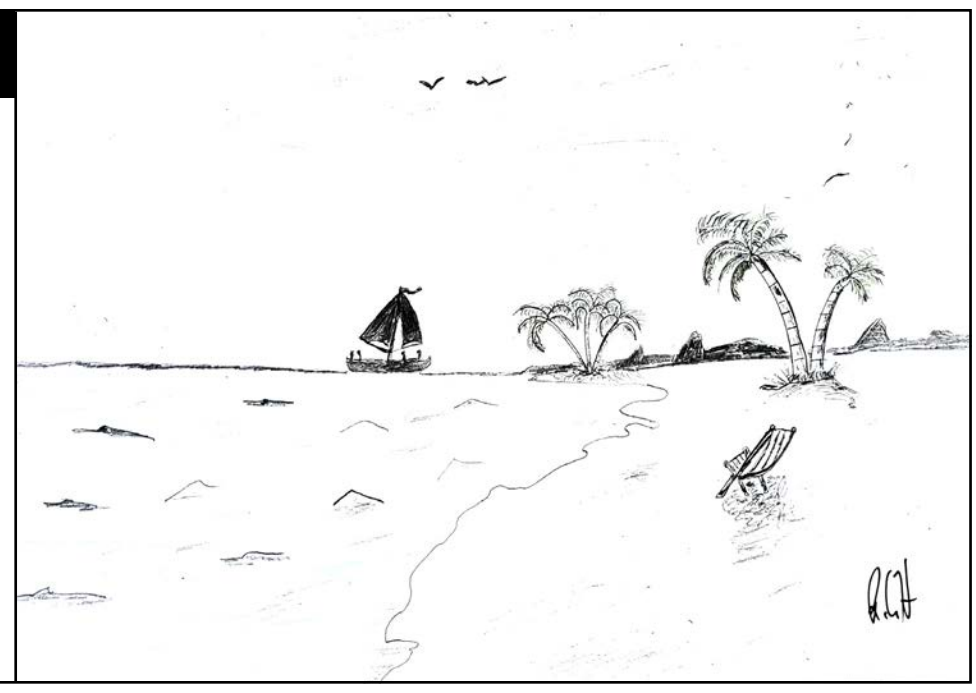

At the edge of
the ocean,
the sight and sound
makes me unaware
of most other things.

The swishing of
the breeze
is pleasing as
Van Gogh's stars
twirling in the sky.

I hear the sound of
children playing,
a unique language
I instinctively know.

I dig my toes
into the sand
as the brisk tide
washes over them.

My spirit soars free
like hoisted sails
on the sea,
out, out, beyond me.

365 AMERICAN JOY-GIVERS for 2021: The Printer's Ink Birthday Party

Ben South
Tribune Columnist

Hearst Castle, aka "San Simeon," is a National Historic Landmark in California built on 40,000 acres of privately owned, Hearst family property. All the "too much is not enough" sumptuous fabulosity was conceived by William Randolph Hearst, the newspaper publishing tycoon and Julia Morgan, "America's first truly independent female architect." This is our setting for "The Printer's Ink Birthday Party."

We are in the uppermost ballroom which was inspired by the Pope's palace on the Grand Canal in Venice, Italy. All the gilded, elaborately carved tables are laden with original ink versions of Saul Steinberg caricatures of each of the celebrants and handwritten, notebook versions of Barry Manilow songs and Tupac Shakur poetry.

JOIN US...

You feel the joy as you enter the gigantic, carved doors of Casa Grande, the centerpiece of the San Simeon estate. HOORAY FOR THE JOY-GIVERS! (Note: The comments attributed to these famous joy-givers come from words they have written or said.)

PLEASE GIVE A ROUND OF APPLAUSE FOR THESE AMERICAN JOY-GIVERS CELEBRATING A BIRTHDAY THIS WEEK:

June 12—JIM NABORS (born James Thurston Nabors in Sylacauga, Alabama) was an actor, singer and comedian widely known for his signature television character, "Gomer Pyle." He was discovered by Andy Griffith while Nabors was performing in a Santa Monica nightclub. Later, he joined "The Andy Griffith Show" playing Gomer Pyle and starred in the spin-off as the loveable, guileless rube, "Gomer Pyle, U.S.M.C." Nabors, who was gifted with a lush, baritone singing voice, recorded numerous albums, mostly of romantic ballads. A longtime resident of Honolulu, Hawaii, Jim Nabors would return each Memorial Day for the opening ceremonies of the Indianapolis 500 auto race (1972 to 2014) to sing "Back Home Again in Indiana."

June 13—THE OLSEN TWINS, Ashley Fuller Olsen and Mary-Kate Olsen, are fashion designers and former actresses. They made their acting debut together playing the character "Michelle Tanner" on the television sit-com "Full House." Their successful fashion business, The Row, is named after the Savile Row tailors' district in London. The Olsen Twins were named "Womenswear Designer of the Year" by the Council of Fashion Designers of America (CFDA) in 2012 and again in 2015.

June 14—BURL IVES (born Burl Icle Ivanhoe Ives) was a folk-pop-country singer, musician, actor and author. He began as an itinerant singer and guitarist. One of his earliest hits was "The Wayfaring Stranger." Another, and this recording captures Ives' gifted whistling, was "The Big Rock Candy Mountain." He won an Academy Award for Best Supporting Actor in "The Big Country." Ives was also a great "Big Daddy" in the film version of Tennessee Williams' play "Cat on a Hot Tin Roof." He is often associated with the Christmas season. Burl Ives is the voice of "Sam the Snowman" in the claymation holiday television classic "Rudolph, The Red-Nosed Reindeer." He sings the title song of that joy-giving, jingle-belling show and "A Holly Jolly Christmas."

June 15—SAUL STEINBERG was a Romanian American cartoonist and illustrator best known for his witty work in "The New Yorker Magazine." He described himself as "a writer who draws."

June 16—TUPAC SHAKUR (born Lesane Parish Crooks) was a rapper and actor. He is widely considered one of the most influential rappers of all time. He sold 75 million records worldwide. "Rolling Stone Magazine" named Shakur in its list of the "100 Greatest Artists of All Time."

June 17—BARRY MANILOW (born Barry Alan Pincus) is a singer-songwriter, music arranger, pianist, music producer and actor whose career has spanned 50 years. His hit songs as a writer include: "I Write the Songs," "Mandy," "Can't Smile Without You" and "Copacabana (At the Copa)." He has sold more than 85 million records as a solo artist, making him one of the world's best-selling singers.

June 18—WILLIAM RANDOLPH HEARST III is an American heir, media giant and philanthropist. He is a recipient of the Roy W. Howard Award for his public service to various social causes.

Here are quotes from the Hearsts' printer's ink empire:
"A politician will do anything to keep his job—even become a patriot."

"Truth is not only stranger than fiction, it's more interesting."

"I do not think any man should be attacked because of his race or religion, or that he should be immune from attack because of his race or religion."

"All work and no play may make Jim a dull boy, but no work and all play makes Jim all kinds of a jackass."

"The distribution of wealth is just as important as its creation."

OTHER COMMENTS OVERHEARD AT "THE PRINTER'S INK BIRTHDAY PARTY:"

"Well, goll-layyyyy. Surprise, surprise, surprise!"—Jim Nabors as "Gomer Pyle"

"Our bond is beyond words. We both carry the weight of each other." Ashley Olsen speaking about her twinship with sister, Mary-Kate

"I think we're too dependent on each other. When you have a twin, it's so much closer than your best friend."—Mary-Kate Olsen

"I think my life has been a long, slow process of trying to move closer to the spirit by moving closer and closer to the heart. The heart is what's important."—Burl Ives

"Drawing is a way of reasoning on paper."—Saul Steinberg

"Don't believe everything you hear: Real eyes. Realize. Real lies."—Tupac Shakur

"I think my music is like anchovies—some people like it, some people get nauseous."—Barry Manilow

"An inevitable question people ask is, 'How has success changed you?' ...Basically, most people remain pretty much the same."—Jim Nabors

"I always feel really safe because Ashley gets nervous for both of us." Mary-Kate Olsen

"When you set goals and dreams, you don't feel old."—Burl Ives

"The life of a creative person is lead, directed and controlled by boredom. Avoiding boredom is one of our most important purposes."—Saul Steinberg

"God will judge my heart. Man will judge my actions."—Tupac Shakur

"I believe that we are who we choose to be. Nobody is going to come and save you. You've got to save yourself. Nobody is going to give you anything. You've got to go out and fight for it."—Barry Manilow

"I've never considered myself an actor; I get much more immediate satisfaction singing. If you sing good, people clap. On television, you never know whether you've done well or not."—Jim Nabors

"We have this little thing when we love each other where we'll squeeze each other like three times."—The Olsen Twins

"I'm a law-abiding man. That is, if there's any law to abide by."—Burl Ives

"Doodling is the brooding of the hand."—Saul Steinberg

"Life gives to you what you gave to it. So give your best."—Tupac Shakur

"Misfits aren't misfits among other misfits."—Barry Manilow

"One thing I've learned is when you find a best friend in this life, you better hang on."—Jim Nabors

"The cool wind blew in my face and all at once I felt as if I had shed dullness from myself."—Burl Ives

"I think, therefore Descartes exists."—Saul Steinberg

"Don't look back unless it's a good view."—Tupac Shakur

"I'm proof that if you live long enough, anything is possible."—Barry Manilow

"Questions are fiction, and answers are anything from more fiction to science-fiction."—Saul Steinberg

DELISH.COM

The Olsen Twins Twice-Squeezed Tequila Mimosas

PARTY MENU FOR "THE PRINTER'S INK BIRTHDAY PARTY:"

APPETIZERS—Tupac Shakur Dill Wraps (yummly.com)

SOUP—Barry Manilow Weekend in New England Chowder (tasteofhome.com)

ENTRÉE—Saul Steinberg Romanian Chicken Kebabs (thespruceeats.com)

SIDE DISH—William Randolph Hearst III Squid Ink Rice (cookpad.com)

BREAD—Jim Nabors Alabama-Hawaii Squash Pineapple Bread (allrecipes.com)

BEVERAGE—The Olsen Twins Twice-Squeezed Tequila Mimosas (see below)

DESSERT—Burl Ives "Big Rock Candy Mountain" Ice Cream (wellsfoodservice.com)

ONE TO GROW ON—I watched this free on YouTube last night: "Barry Manilow—Medley (from his "LIVE ON BROADWAY" show).

It was 21 minutes of high-energy songs and sweet, pretty songs performed by this master songwriter and entertaining singer. If you're not quite as cheap as I am, you could also stream the entire Broadway show from Amazon.

Near the end of this special event, Jim Nabors and Burl Ives sang a castle-full of Barry Manilow songs and Tupac presented a rap inspired by "Copacabana." Instead of the customary toasts, "The Printer's Ink Birthday Party" finale had all these joy-givers dancing and singing along to these Manilow lyrics:

"It's a miracle, a true-blue spectacle, a miracle come true...We're together. I was going crazy 'til the miracle came through...Now you're here and my arms are around you and there'll be dancing in the street for the miracle, the true-blue miracle...THE MIRACLE IS YOU!

THE OLSEN TWINS TWICE-SQUEEZED TEQUILA MIMOSAS
(source: delish.com)

INGREDIENTS
- 2 cups orange juice
- ½ cup tequila
- ¼ cup lime juice
- Lime wedge for rimming glasses
- Coarse salt for rimming glasses
- 1 bottle Champagne or Prosecco
- Orange and lime slices for serving

DIRECTIONS
1. In a pitcher, combine orange juice, tequila and lime juice and stir.

2. Rim each glass rim with lime and dip in salt. Pour orange juice mixture and top off with Champagne.

3. Add sliced oranges and limes to glasses and serve.

CULLMAN, Ala. — The Cullman County Board of Education on Thursday afternoon took time at the beginning of its June meeting to recognize Cold Springs High School students Madeline Mitchell and Piper Stricklin for their gold medals at state level Future Career and Community Leaders of America competition.

Mitchell was also honored as an Alabama State FCCLA Officer for 2020/21, and will compete later this summer at the national FCCLA convention.

Mitchell's competitive project was a presentation on her chosen career field, financial advising, and what is required to enter that field.

Stricklin's project was on leadership and identifying her own strengths and weaknesses as a leader.

When asked about these points by Superintendent Dr. Shane Barnette, she identified working well with others as one of her strengths.
