Rescheduled Second Friday celebration tonight in Cullman

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – It's as easy as 1-2-3: 1st Avenue Southeast will host the city's popular 2nd Fridays celebration on the third Friday of June. That's tonight!

Downtown Cullman's 2nd Friday celebration, put on COVID-19 hiatus in 2020 and postponed last week due to the threat of bad weather, returns tonight. On Friday, June 18, the Cullman Area Chamber of Commerce, Cullman Parks, Recreation and Sports Tourism, Cullman Downtown Merchants Association and Warehouse District Association will host the first of three 2nd Fridays celebrations along 1st Avenue Southeast from the Festhalle, through the Warehouse District and all the way down to the Busy Bee Cafe.

CPRST Director Zac Wood said, "Everybody's excited about it. I think the public's excited and ready to come out. I think they showed that on Strawberry Festival, the way everybody showed up and showed out; also for Dinner on First, as many people were there . . . people are ready to get out and do something."

New COC event coordinator Keith Varden told The Tribune, "People love it, and so we're wanting to carry on that tradition. The City, the Mayor, Cullman Parks and Rec, the Downtown Merchants Association, the Warehouse District Association–so everybody working together this year to make this thing happen. And Peggy Smith has been huge–she is the president of the Chamber–and so, we've been kind of putting this thing together, and feel like we're going to have a great event that we believe everybody's been waiting for.

"And honestly, it's just exciting for me to come on board and be able to work with everybody together, and so I'm excited about that."

Downtown and Warehouse District merchants will stay open into the evening, inviting shoppers to come in and browse while at the festival. » PAGE 2

CCPS, CHS students win big in statewide art contest

W.C. MANN/THE CULLMAN TRIBUNE

***Left:** Cullman City Primary School student Wilson Carter won first place in the Alabama State Superintendent Art Show in the K-2 grade division. **Right:** Cullman High School's Whitley Lawson placed third in the 9-10th grade division of the Alabama State Superintendent Art Show with a charcoal portrait.*

Trent Moore
Cullman City Schools

CULLMAN, Ala. – When it comes to art, inspiration can come from anywhere. For Cullman City Primary School student Wilson Carter, he only had to look as far as the name at the top of his classroom.

Wilson, who just finished kindergarten at CCPS, won first place this year in the Alabama State Superintendent Art Show in the K-2 grade division for his piece "Fauvist Elephant," a plump, multicolored elephant painting shining with every color of the rainbow.

The genesis for the piece?

"I was in the elephant class," Wilson said, referencing his class mascot at CCPS. "I wanted it to be colorful instead of just one color. I couldn't even believe that I won. I thought I would lose!"

Wilson was one of two Cullman City Schools students to place in the statewide art contest, alongside Cullman High School's Whitley Lawson, who placed third in the 9-10th grade division with a charcoal portrait. Student artwork is judged on originality, technical skill, expression of personal style and composition.

"I am so very proud of both of my students," CCPS and CHS art and photography teacher Elizabeth Miller said. "Wilson is so creative and shows so much potential. Whitley is so talented to be able to create such a flawless portrait at her age. When I heard the news, I was overjoyed! There are always so many » PAGE 3

Celebration (from Front)

What's happening

Events of this month's celebration include the popular classic and custom car cruise-in, sponsored by Agcor Steel and relocated this year from 1st Avenue to the parking lot across from the Festhalle, with overflow on Arnold Street. The move, according to planners, will allow cruisers a safer and easier way to come and go from the event, while expanding pedestrian access to 1st Avenue and its businesses.

Carnival rides and games along the festival route have been a big draw for children, and Varden said that planners added more of those features this year. Downtown Merchants Association President Ron Pierce told The Tribune that the availability of carnival rides and games was unaffected by the postponement.

Said Pierce, "Every ride we were going to have last week will be here this week."

The celebration will also feature:

- Kids' zones and family zones near the Festhalle, near Busy Bee and at the intersection of 1st Avenue Southeast and 2nd Street Southeast, featuring inflatables and games.
- Food Truck Alley and Vendor Village on 1st Avenue between 1st Street Southeast and 2nd Street Southeast
- Axe throwing with Cullman's German Axe Throwing Co.
- Rock climbing walls at each end of the festival district
- Farmers Market at Festhalle Market Platz
- R.E. Garrison Trucking show lot
- Beer garden
- Animal bus

Pets on parade!

June's celebration will feature a pet parade at 6 p.m. near Busy Bee, with the Tribune's own Senior Reporter W.C. Mann as master of ceremonies. All pets are welcome.

The $10 entry fee will support the Cullman County Animal Shelter. Registration forms are available at Happy Tails Groom & Board, Fairview Florist and at the event from 5 p.m. - 6 p.m. Call 256-338-0223 for more information.

Live music

The postponement of the event required rebooking of bands, and as a result, the lineup has changed. This week's revised musical offerings include:

- Round 2
- Jessie Priest Duo
- Chase Williamson
- Brez

Varden said, "We're trying to make sure that, from each end, there's something for everybody."

COC President Peggy Smith told The Tribune, "We look forward to seeing everyone after a long year. Please join us for this wonderful tradition, and we can't wait to see you."

Cullman will also hold 2nd Friday celebrations in July and September.

No event will be held in August due to Rock the South.

Schools (from Front)

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. – After taking a hiatus in 2020, Vacation Bible School is back in full-swing and churches are extremely thankful to have the children back this summer. Many are returning or have returned to in-person VBS, while others are choosing to host online events.

Debbie Keaton, ministry associate with the East Cullman Baptist Association, said, "I've been chasing down decorations and getting them all switched out to different churches, but we are so so thankful and so blessed that we are able to have actual VBS this year. I think we had one church that had a true Vacation Bible School and several who had drive-thru VBS last year. So this is a huge blessing that we are back in gear with everything."

Children look forward to attending VBS each year and the cancellation of last year's events was crushing to not only the children, but the church staff and members who put much hard work and planning into the events.

Keaton recalled, "When I had one of our churches call, they were just dropping left and right. One day, I hung up from one and I literally cried. Working in Bible school every year, I see the children who come and for many, this is the highlight of their summer. It was sad. Praise the Lord we are back again!"

This year, the East Cullman Baptist Association had approximately 24 churches who had or have scheduled VBS.

There are several themes this year as many churches had already purchased the material for last year's VBS before having to cancel. Last year's theme was "Concrete & Crates" through Lifeway Christian Resources. This year's Lifeway theme is "Destination Dig."

Keaton explained, "Those are the Lifeway themes through Southern Baptist. Others choose other publishers. We have 'Mystery Island,' 'Armor of God' and 'I Wonder.' Those are just a few of the fun and educational themes this year."

Iva Rodgers with the West Cullman Baptist Association said, regardless of the theme, "As long as it's Bible School and does what it's supposed to do, that's OK."

THE EAST SIDE BAPTIST ASSOCIATION VBS SCHEDULE

Sulpher Springs Baptist Church- Crane Hill
- Theme: Wonder World Fun Fest- Amazed by Our Extraordinary Savior
- When: June 27- June 30 at 8 p.m.
- Where: 1638 County Road 852, Crane Hill

- Where: 8417 County Road 1545, Cullman

Cold Springs Church of Christ
- Theme: God's Creation!
- When: June 21 at 6:30 p.m. - June 24 8 p.m.
- Where: This is an online event

Corinth West Baptist Church
- Theme: Concrete & Cranes
- When: June 19 Registration begins at 9:30 a.m., VBS is 10 a.m. - 4:30 p.m. followed by family night
- Where: 5064 County Road 1101 Vinemont, Alabama

If your church is planning a Vacation Bible School not listed, please contact christy@cullmantribune.com.

COVID-19 BY THE NUMBERS

Thursday, June 17 COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

Case details (Updated Mon, Wed, Fri)

- Total confirmed cases in Alabama: 421,782 (no update available)
- Probable cases in Alabama: 126,541 (no update available
- Total confirmed deaths in Alabama: 8,963 (no update available)
- Probable deaths in Alabama: 2,325
- Total confirmed cases in Cullman Co.: 6,729 (no update available
- Probable cases in Cullman Co.: 3,212 (no update available)
- Total confirmed deaths in Cullman Co.: 137
- Probable deaths in Cullman Co.: 64
- Total tested in Cullman Co.: 43,033
- Total tested in the last 14 days in Cullman Co: 1,673
- Cases in the last 14 days in Cullman Co.: 38
- Total tested in Alabama: 2,655,325
- Cases in the last 14 days in Alabama: 1,633
- Total tested in the last 14 days in Alabama: 85,991
- Currently hospitalized in Alabama: 185
- Cumulative no. of hospitalizations in Alabama: 50,415
- Presumed recoveries in Alabama (reported weekly): no update available

Vaccine details (updated Tues, Thurs)

- Doses Delivered to Alabama: 4,531,885
- Doses delivered to Alabama providers: 3,148,295
- Doses administered: 3,135,348
- Number of people receiving one or more doses: 1,778,271
- Number of people who have completed vaccine series: 1,461,323
- Doses delivered to federal programs: 1,383,590

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

View the Alabama COVID-19 Vaccination Allocation Plan at: www.alabamapublichealth.gov/covid19vaccine/assets/adph-covid19-vaccination-allocation-plan.pdf

Delta Variant B.1.617.2 accounts for about 6% of new U.S. cases

The Delta variant, which is also known as B.1.617.2 first emerged in India and now accounts for about 6% of new U.S. cases. The number of cases of Delta in the U.S are likely to be higher, as not all SARS-CoV-2 specimens are sequenced. The Delta variant has been detected in a small number of specimens in Alabama. The variant is highly contagious and has the potential to infect more persons, resulting in more hospitalizations and deaths. At the moment, data indicates that two doses of Pfizer vaccine are 88% protective against the virus. The two other COVID-19 vaccines, Moderna and Johnson & Johnson, are likely to be effective against this variant as well. The message about this variant, as well as other variants, is that the more persons who are vaccinated, the less likely the opportunity for variants to emerge. Now is a critical time for persons in Alabama to take advantage of the multiple opportunities to be vaccinated.

Centers for Disease Control and Prevention Morbidity and Mortality Weekly Report: Decreases in COVID-19 cases, hospital admissions and deaths among older adults

A MMWR released June 8 finds that COVID-19 cases, emergency department visits, hospital admissions and deaths declined more among older adults than among younger adults following the introduction of COVID-19 vaccine. The greater declines among older adults are likely due, in part, to higher COVID-19 vaccination coverage, which highlights the potential benefits of rapidly increasing vaccination coverage. The MMWR can be viewed here: www.cdc.gov/mmwr/volumes/70/wr/mm7023e2.htm

National Month of Action--goal is 70% COVID-19 vaccination

The Alabama Department of Public Health joins in encouraging everyone in the state to work toward the goal of having 70% of U.S. adults getting at least one COVID-19 vaccination by July Fourth. President Biden announced the National Month of Action initiative which encourages national organizations, local government leaders, community-based and faith-based partners, businesses, employers, social media influencers, celebrities, athletes, colleges, young people and thousands of volunteers across the nation to work together to get their communities vaccinated. Decreasing numbers of Alabama residents are being vaccinated even though vaccines are available, so promotions and actions are needed now to defeat COVID-19.

Contest (from Front)

entries from other talented students with just a handful of winners, so as a teacher, I try to remind myself to think realistically when waiting for the results, but I also wasn't shocked when I got the news. They both undoubtedly deserve these awards."

The winning students received a ribbon, certificate, two sketchbooks and color pencils as a prize.

"We are so proud of our arts program in Cullman City Schools," Cullman City Schools Superintendent Kyle Kallhoff said. "From the excellent instructors, to the extremely talented students showcasing their skills, we were so glad to see some of our promising young artists earn these accolades."

PREP BASKETBALL

Warriors, Raiders compete in summer play day at Good Hope

Sammy Confer
sammy@cullmantribune.com

GOOD HOPE, Ala. – West Point and Good Hope's varsity teams tipped off action at Thursday's summer play day at Good Hope High School. The Raiders dropped a pair of games to Hazel Green and Priceville while the Warriors split their matchups with Winston County and the Trojans.

Hazel Green 62 - Good Hope 47 (Varsity Boys)

Baskets by Noah Barnette and Charlie O'Neil gave Good an early 4-3 lead, but Hazel Green scored the next five points to take an 8-4 lead. Barnette scored on back-to-back baskets down low to tie the game up at eight with less than 15 minutes to go in the first half. The Trojans, though, broke a 10-all tie with back-to-back treys.

Good Hope's Tyler Cone hit one of his own from deep to make it a 16-13 game with a little more than 12 minutes to go in the half.

Later on, back-to-back threes by Weston Hancock and Tucker Malin gave the Raiders a 19-18 lead. Hazel Green scored five in a row to get the lead right back at 23-19, but Cone drilled another three to make it a one-point game. The Trojans went on an 11-2 run to close out the first half and Good Hope went into the half trailing, 34-24.

The Raiders started out the second half strong on both sides as they went on a 9-0 run to make it a 34-33 game. But Hazel Green scored seven in a row to push their lead to eight. A Tanner Malin layup made it a 41-35 game with less than 13 minutes to go in the game, but a 10-2 Trojan run pushed the Raider deficit to 14 at 51-37. Good Hope couldn't cut the deficit to single digits the rest of the way as the Raiders ended up dropping their first game of the game, 62-47.

Tanner Malin finished with 11 points for Good Hope. Tucker Malin and Barnette each added 10 points. Cone ended up with six. O'Neil finished with four points, while K'mal Bell and Hancock each chipped in with three points.

West Point 60 - Winston County 42 (Varsity Boys)

West Point got on the scoreboard first on a Kolton Perry three. Winston County nailed back-to-back shots from deep to grab a 6-3 lead early on in the first half. Jayden Laney hit a free throw, Ashton Rodgers hit a layup, and Samuel Wheeler drilled a three to give the Warriors a 10-6 lead almost midway through the first half. Each team traded leads for the next few possessions, then a Kanen Trussell layup, followed by a Rodgers three-point play, gave West Point an 18-14 lead. Laney then scored five straight points to push the Warrior lead to 23-17 and they would go into the half leading, 27-24.

Cade Simmons picked a perfect time to get hot as he scored the first seven West Point points of the second half as that increased the lead to 10 at 34-24. But the Yellow Jackets drilled back-to-back shots from deep to make it a 34-30 game, then a Rodgers layup, followed by a J.D. Cochran trey, pushed the West Point lead to nine at 39-30.

Rodgers then scored seven straight points as that increased the Warrior lead to 46-33; they later made it 51-38 on a Wheeler trey and a Simmons layup. West Point kept a double-digit lead the rest of the way as they rolled past Winston County, 60-42.

Rodgers finished with a game-high 19 points for the Warriors. Trussell added 11 points, while Simmons ended up with nine points.

Priceville 55 - Good Hope 49 (Varsity Boys)

Good Hope faced off against Priceville in their second game of the day and Tanner Malin scored the Raiders' first seven points of the contest to give them an early 7-6 lead. Each team traded ties and leads for most of the first half as neither team had a lead bigger than three. A Bulldogs' three gave them a 19-16 lead with less than eight minutes to go in the first half, but Tucker and Tanner Malin gave Good Hope a 21-19 lead with less than six minutes to go in the half. Priceville held a 26-21 advantage, but Bell hit a three to make it a two-point game. A free throw tied the game at 26, but the Bulldogs hit a layup to end the first half as the Raiders found themselves down 28-26 at the half.

The second half started out the same way as the first one. Good Hope's Canaan Jones knocked down a shot to tie the game up at 30 with less than 17 minutes to go in the contest, but Priceville scored five straight points to give them a 35-30 lead and later stretched its lead to 42-35. Weston Hancock knocked down a layup to make it a five-point game, but the Bulldogs pushed the Raider deficit back up to seven. Tanner Malin erased the deficit by himself as he scored the next seven points to tie the game up at 44.

Priceville, though, had an answer as they scored six in a row to take a 50-44 lead and Good Hope couldn't get any closer than four the rest of the way as the Raiders ended up falling to the Bulldogs, 55-49.

Tanner Malin led the way for Good Hope with 25 points. Bell added six points, while Tucker Malin ended up with five points.

Hazel Green 56 - West Point 27 (Varsity Boys)

West Point took on Hazel Green in its second game of the day, and the Trojans jumped out to a quick 10-0 lead. Wheeler drilled a three for West Point's first basket of the game almost 3 1/2 minutes into the game. Hazel Green's defense gave the Warriors fits for the whole first half and they held a 20-point plus lead for the last part of the half. West Point was held to just four baskets in 20 minutes as they went into the half trailing, 35-9.

Simmons drilled a three for the Warriors as they hoped it would be the start of a huge run, but it wasn't meant to be as the Trojans quickly pushed their lead up to 30 at one point. West Point kept battling until the very end but were on the wrong side of a 56-27 rout at the hands of Hazel Green.

Wheeler and Ethan Gammon each finished with seven points for West Point. Rodgers added four points. Simmons finished with three points. Cochran, Perry and Trussell each chipped in with two points.

Wallace State's Blackwood, Chambers lead at Bassmaster College Series event on Saginaw Bay

Emily Harley
B.A.S.S. Communications

BANGOR CHARTER TOWNSHIP, Mich. — Despite a three-hour run and a slow start to the day, the Wallace State Community College team of Clent Blackwood and Bryar Chambers sacked up 21 pounds, 15 ounces of smallmouth bass on Saginaw Bay to take the lead on Day 1 of the Carhartt Bassmaster College Series presented by Bass Pro Shops.

The Alabama anglers hold a 5-ounce lead over the second-place team of Tyler Vanbrandt and Jarrod Layton from Adrian College in Michigan and an 8-ounce lead over third-place Brian Linder and Nathan Thompson.

"We were thinking this would be tough," Blackwood said. "We knew what was in this lake, and we didn't find anything in practice. We found some largemouth but nothing of size. In practice, we only saw one smallmouth, and we took a gamble this morning and made a long run."

Despite only catching one smallmouth in practice, Blackwood and Chambers made the run out of Saginaw River and into the Bay and arrived at their spot around 9 a.m. After Blackwood landed their first bass in just three casts, the bite stalled and the duo made a couple of moves.

After two hours without a bite, Blackwood and Chambers hit a flurry, catching almost all of their weight in a matter of minutes before heading back to check-in.

"We fished around for like two hours and then it was bam, bam, bam," Chambers said. "We just started catching them. It really didn't matter what we were throwing, I don't think (the fish) had ever seen baits before. They just reacted to anything that came past them."

Blackwood said the water was so clear on Saginaw Bay that they could see the smallmouth on the bottom in 12 feet.

"We were fancasting, zigging around, and when we found one, we would focus on that fish until it was in the box," he said. "We are going to have a lot fewer rods on the deck tomorrow. We were able to close in on what they are keying in on. We are feeling good, but we are still anxious."

Heading into the final day, Chambers said he and Blackwood are going to fish the same way, but isn't sure if their spot will reload tomorrow.

"I don't know if we can repeat it on the same hole, but I think we can repeat it not far from there," he added.

While much of the Top 5 focused on smallmouth, Vanbrandt and Layton caught five largemouth bass for 21-10 to land in second place.

In practice, they fished for largemouth with little success. But on tournament day, they made an adjustment and found the quality they needed. "We came out here and practiced and looked for mostly largemouth and didn't find anything great. We caught one 4-pounder," Layton said. "Today we pulled up to our areas and fished them a little differently than most people would and caught 4-pounders. It was a crazy day. The conditions were perfect."

KYLE JESSIE/B.A.S.S.

Clent Blackwood and Bryar Chambers of Wallace State Community College are leading after Day 1 of the Carhartt Bassmaster College Series at Saginaw Bay presented by Bass Pro Shops with 21 pounds, 15 ounces.

During a breezy final day of practice Tuesday, Layton said the water in the area got pushed to the south shore. As winds calmed Wednesday, the water began flowing back into the area, creating current that helped the Adrian College duo locate their fish with several different baits.

"We had a limit of 11 pounds by 10 a.m., and then between 10 and noon we jumped up to between 15 and 17 pounds," Vanbrandt said. "We caught our last big one around 1:30 and came in early to make sure we were in. It was an all-day thing, but the big ones were toward the end of the day."

Layton said he and Vanbrandt plan on hitting some of the same areas they fished on Day 1 and have a spot they located in practice saved for the final day.

Linder and Thompson focused their efforts on smallmouth, and while they only had six bites throughout the day, landed a five-bass limit weighing 21-7 using predominantly a drop shot.

"We had a pretty long run and caught our fish in about three hours, but we only had six bites the whole day," Thompson said. "We caught our fish off boulders in a certain area. The area is huge and they are extremely spread out. (Humminbird) MEGA 360 helped us a lot with that, for sure."

Having never been on the lake prior to this week, the Minnesota duo used their knowledge of their home lakes to help them eliminate unproductive water on Saginaw Bay.

"The first couple days of practice we just looked for the stuff that looks good on our home ponds," Linder said. "We caught a couple and rolled the dice on it and it paid off."

The sixth-place team of Lucas Smith and Dalton Mize from Jacksonville State University caught a largemouth weighing 5-9 to earn Carhartt Big Bass honors on Day 1. Meanwhile, the Bassmaster Team of the Year leaders Logan Parks and Tucker Smith from Auburn University caught 21-0 to land in the Top 5 heading into the final day of the regular season.

The full field of 167 boats will compete Thursday for a chance to not only take home the tournament victory but to punch their ticket to the 2021 Carhartt Bassmaster College National Championship presented by Bass Pro Shops at the St. Lawrence River in August.

Teams will take off from Independence Boat Launch at the USS Edison Battle Ship starting at 6 a.m. ET and return for weigh-in starting at 3 p.m.

The tournament is being hosted by Bangor Charter Township in partnership with Great Lakes Bay Convention & Visitors Bureau and the Michigan B.A.S.S. Nation.

Vows (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. – Two nuns who teach at Sacred Heart School made their Professions of Perpetual Vows recently during liturgical services at Sacred Heart of Jesus Church on the Feast of the Visitation of the Blessed Virgin Mary. Sr. Mary Peter Julian Lawrence and Sr. Mary Therese Lopez made lifelong commitments to the Leaven of the Immaculate Heart of Mary, an international religious order with a community based near Hanceville.

Barbara Ragsdale of Sacred Heart Church said, "Many years of religious life and prayer and discernment preceded this momentous decision of these two young women to dedicate their life and love to the Church and the Blessed Mother."

Abbott Marcus Voss presided over the ceremony with Abbott Cletus Meagher and Sacred Heart Pastor Fr. Patrick Egan. The priests are members of the Order of St. Benedict at St. Bernard Abbey. Voss is the current Abbott of the community.

The LIHM order is based in the Philippines, with members located throughout the world, serving with a focus on the education and spiritual formation of children and youth. Many LIHM sisters attended the ceremony, as well as family members from as far away as California, according to Ragsdale.

A luncheon followed the liturgy and included a video presentation featuring the professing sisters from their childhood until the present day. Several of their fellow sisters performed music for the gathering.

About LIHM

According to its website, the Hanceville LIHM community described the order:

"Our community was born in campus ministry and officially founded in the Philippines in 1991. We devote ourselves to the evangelization and formation of youth and their families. We especially encourage the young to love human life and dignity by embracing a life of purity and goodness.

"We take Mary as our mother, guide and inspiration in all things. Every LIHM Sister strives to acquire the same dispositions that the Blessed Mother exemplified in her life, imitating her spirit of generous service, humility, docility, love for sacrifice, obedience and her creative and charitable silence, so as to be continuously united with God and ever aware of His indwelling presence in her soul.

"The Eucharist is the irreplaceable center of every LIHM community, our source of unity and only treasure. It is in Jesus that we find nourishment and true fulfillment."

For more on the Leaven of the Immaculate Heart of Mary, visit http://www.lihm-sisters.org.

Barbara Ragsdale contributed to this article.

Alam (from Front)

Mary Beth Sellers
Cullman Regional

CULLMAN, Ala. – Cullman Regional welcomes board-eligible Internal Medicine Physician Shahdeen Alam, DO, to the Cullman Regional Medical Group. Dr. Alam completed his medical degree at the DeBusk College of Osteopathic Medicine at Lincoln Memorial University and completed his postdoctoral training at Brookwood Baptist Health Internal Medicine where he served as administrative chief resident.

While in residency, Dr. Alam was nominated as ACGME Class Representative, Residency Council Representative and for the Arnold P. Gold Foundation Humanism and Excellence in Teaching Award by medical students for serving as a role model for humanistic care in the field of medicine.

As an Internal Medicine Physician, Dr. Alam provides comprehensive diagnosis and treatment for chronic illnesses, as well as health promotion and disease prevention.

Internists are not limited to one type of medical problem or organ system and will handle whatever problem a patient presents--common or rare, simple or complex.

They are specially trained to solve puzzling diagnostic problems and severe chronic illnesses and situations where multiple illnesses and symptoms may occur.

Internists serve as primary care providers specializing in the overall diagnosis and treatment of both acute and chronic illnesses in patients.

Dr. Alam will treat patients ages 18 and older for the following conditions:

- Acute respiratory illness
- Asthma
- Bronchitis
- Chest pain
- COPD
- Diabetes
- Fatigue
- Heart Failure
- High Cholesterol & Tri glycerides
- Hypertension (High Blood Pressure)
- Flu
- Menopause
- Migraines
- Osteoarthritis
- Osteoporosis
- Pneumonia

Dr. Alam will be providing care at Cullman Regional Medical Group — North, located in Professional Office Building 1, Suite 450 (1948 Alabama Highway 157, Cullman, AL 35058).

Schedule an appointment with Dr. Alam by calling 256-297-4373. For more information about Dr. Alam or services provided by Cullman Regional, visit online at https://cullmanregional.com/services/cullman-regional-medical-group/.

EDUCATION

Full scholarships offered for Medical Lab Assistant certificate at Wallace State

Gail Crutchfiled
WSCC

HANCEVILLE, Ala. – The Wallace State Community College Adult Education department is offering full scholarships to area students who would like to complete a short-term certificate in Medical Lab Assistant. The department is partnering with the Medical Laboratory Technology program to offer the two-semester option at minimal cost to the student.

The program, including books, immunizations, background check and personal protective equipment (face shield, gloves and paper lab coat) is funded through a partnership with the Wallace State Adult Education department.

The only out-of-pocket expense for the student will be one set of scrubs that can be purchased anywhere in the color "True Red."

MLT Program Director Chris Cleghorn said medical lab assistants often work in doctors' offices and urgent care facilities and are responsible for completing waived testing.

Waived testing includes pregnancy tests and tests for flu, strep, etc.

Requirements to enroll in the MLA option include a 2.0 GPA on any previous college coursework or high school diploma (conditional acceptance may be granted for GPA below 2.0), take the ACCUPLACER or ACT (no minimum score required) and take a CPR course paid for by the Adult Education department.

Students seeking to use the Adult Education scholarship will also take the Tests of Adult Basic Education which is used to assess the skills and knowledge of adult learners.

The scholarship is open to anyone, regardless of previous college experience, and is for students entering during the Summer Mini Term II which begins July 6.

The deadline to apply for the program is June 24.

Visit www.wallacestate.edu/mlt for more information or contact Chris Cleghorn at 256-352-8347 or chris.cleghorn@wallacestate.edu.

Berries and summer are the perfect companions

Dustin Duncan
Contributed

AUBURN UNIVERSITY, Ala. – Blueberries, strawberries and raspberries, oh my!

The summer is the peak season for most of the delicious berries we like to incorporate into many of our favorite meals. However, not only are berries tasty to eat, but they also come with several health benefits that make them the perfect companion to your summer meals.

Berry benefits

Blueberries, strawberries, raspberries, cranberries, blackberries and more provide different nutrients, including an array of vitamins, fiber, calcium, potassium and folate. Additionally, these berries are also fat- and sodium-free and have tons of antioxidants for your body.

"Berries are a great lower-calorie, sweet treat," said Sofia Sanchez, a registered dietitian and Alabama Extension community health specialist. "For example, one cup of blueberries contains 85 calories and 114 mg potassium — a nutrient we all need more of due to its benefits for cardiovascular health."

Different uses

One of the best things about consuming a variety of berries is the many ways they can be incorporated into meals. Not only are they delicious all by themselves, but they also go well in salads, parfaits and a perfect partner with nonfat Greek yogurt.

Berries are also the perfect road trip snack. They travel well in a cooler and could be used to enhance your water's flavor on a hot day instead of turning to a sugary drink.

Try adding these versatile fruits into your summer line-up for snacks or meals this summer.

Favorite recipes

Here are some of Live Well Alabama's favorite recipes that use a variety of berries.

FROZEN YOGURT COVERED BLUEBERRIES

INGREDIENTS

- 2 cups fresh blueberries, 12 ounces
- Nonfat blueberry Greek yogurt, 12 ounces (optional flavors: vanilla, honey or strawberry)

INSTRUCTIONS

- Wash and dry blueberries.
- Place wax paper on a baking sheet.
- Using a toothpick, dip each blueberry into the yogurt until completely coated. Place on baking sheet.
- Repeat until all blueberries are coated.
- Place baking sheet in the freezer.
- When frozen, serve or store in bags for later.

ALABAMA COOPERATIVE EXTENSION

SUNRISE ENGLISH MUFFINS

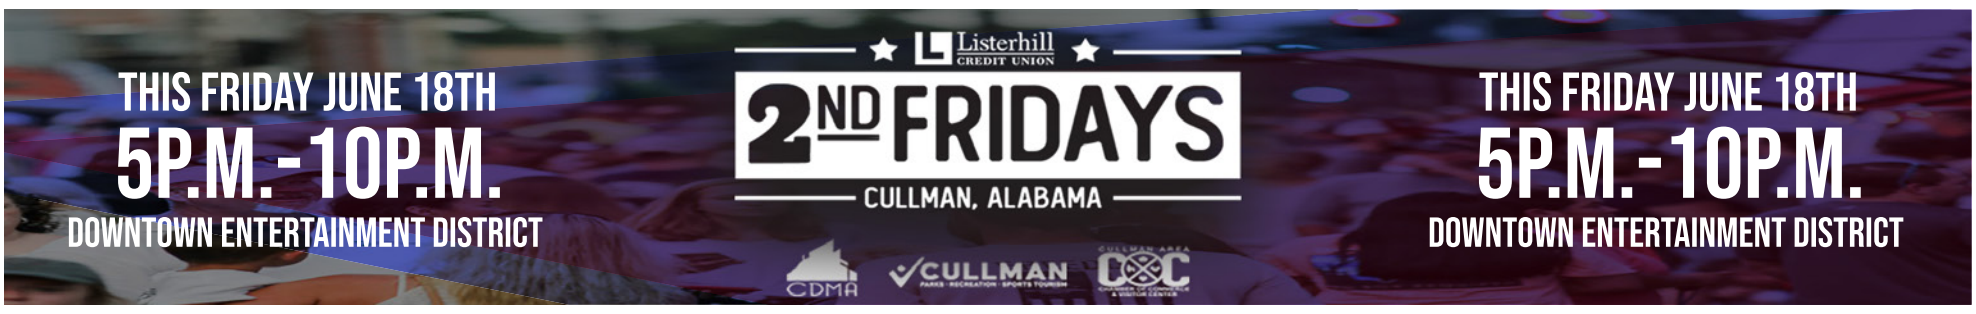

INGREDIENTS

- 2 whole-wheat English muffins, split
- 4 tablespoons plain yogurt
- Sprinkle of cinnamon
- 3/4 cup fresh strawberries, sliced
- 1 can diced pineapple, 8 ounces, drained

INSTRUCTIONS

- Toast each English muffin half in the toaster.
- Spread each half with plain yogurt.
- Sprinkle tops with cinnamon.
- Top each half with strawberries and pineapple.

For more about the benefits of berries, or for more recipes including berries, visit the the Alabama Cooperative Extension's website at https://www.aces.edu/blog/category/home-family/nutrition/live-well-alabama/.
