LOCAL GOVERNMENT

Busy days ahead: Cullman City Council approves Trump rally, additional agreement with Rock the South

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. — The Cullman City Council on Monday evening set a busy agenda for local events with Rock the South this weekend and a visit by former President Donald Trump the next.

The council approved the event permit for the upcoming Donald Trump "Save America" rally scheduled for Aug. 21 from 2-9 p.m. at the York Family Farm (1872 County Road 469 in Cullman), site of this weekend's Rock the South music festival. In bringing the former 45th U.S. President to Cullman, Alabama Republican Party Chairman John Wahl, who applied for the permit, labeled the event "45 fest." The application notes that the event will feature food and vendors, but no alcohol.

The council also approved a "772" agreement with Rock the South LLC, allowing the city government to expend resources including money, material and manpower to support a business or event that provides economic benefit to the city. The City of Cullman will provide police and fire/paramedic services for the event, as well as a water tanker to help keep down dust inside the venue.

In one more nod to community events, the council approved a resolution to enter into a contract with the Alabama High School Athletic Association and Cullman City Schools to host the 2022 - 2026 Alabama » PAGE 6

Local musician Shannon McNeal returns to Berkeley Bob's Coffee House for homecoming show

FACEBOOK

McNeal's latest album, "Wilting Flowers, Blooming Dreams," was released in 2018.

Ashlyn Grey
ashlyn@cullmantribune.com

CULLMAN, Ala. — Last Friday evening, Cullman native Shannon McNeal got to play her first homecoming show since November 2019. The show was hosted by Berkeley Bob's Coffee House on 304 First Ave SE. McNeal is back home briefly and has been primarily located in Nashville, Tennessee since fall of 2016 after graduating from Cullman High School that spring.

When asked how her songs and hometown tie together for her, McNeal shared, "I started writing songs when I was in middle school for the most part, and being from Cullman, my songs are very folky and relevant to this place. I started writing while I was growing up and that influenced my style a lot. I also write a lot about personal experiences, the experiences of my friends and people close to me, and that also ties back into Cullman because I wrote a lot of these stories during my time growing up here."

McNeal has been busy since she moved to Nashville, releasing her most recent album in 2018 titled, "Wilting Flowers, Blooming Dreams" as well as writing » PAGE 2

EDUCATION

Alabama Extension part of national COVID-19 vaccine education effort

Maggie Lawrence
Contributor

AUBURN UNIVERSITY, Ala. — Extension at Alabama A&M and Auburn universities has joined land-grant institutions across the nation to strengthen immunization education. Alabama Extension is partnering with the Extension Foundation and the United States Department of Agriculture and the Centers for Disease Control and Prevention in the effort to reduce adult vaccination hesitancy around COVID and other adult immunizations.

Grant funds effort

Both institutions received funding from the Extension Foundation through the Extension Collaborative on Immunization Teaching and Engagement project.

Alabama Extension's efforts are led by Matt Ulmer and Barb Struempler on the Auburn campus. Tamara Warren, Kimberly Holmes and Haley Burns will lead efforts on the Alabama A&M campus.

"The EXCITE grant leverages the collective strengths of Extension resources across the United States," said Mike Phillips, Alabama Extension director at Auburn University.

The grant program provided initial funding to more than 70 land grant institutions, and 24 institutions received additional funding in the effort's Phase 2.

The primary goal of the grant aims to promote increased vaccinations through relevant messaging and innovative models that are based on science and data for community action.

Alabama's current situation

• Sixty-six of Alabama's 67 counties are rated high risk for COVID transmission.

• The state's overall positivity rate is more than 24%.

• Alabama's fully vaccinated population stands at less than 35%.

• Approximately 43% have gotten at least one dose.

"Our priority audiences are rural residents, communities of color and medically underserved areas of the state," said Allen Malone, Extension director at Alabama A&M University, "We will identify more specific audiences based on need and opportunity."

Part of Extension's mission

Phillips said Extension launched the Get the Shot social media campaign to reach these targeted audiences.

"In the first week, thousands of people have used the information to make informed choices for their families," Phillips said.

"Vaccination is our best path to ending the COVID-19 pandemic."

The campaign shares information based on peer-reviewed science, summarized by the CDC and Auburn University experts. These efforts embody a key value of Extension.

"This is just another way in which Extension continues to fulfill its land-grant mission of delivering relevant, research-based information," Phillips said.

"Extension professionals are more than just knowledge providers. We add value to knowledge by showing people the practical, meaningful and lasting utility that can be gained from it."

More information

Visit https://www.aces.edu/blog/category/alabama-ready/ for COVID-19 information. Also, like and share Extension's Get the Shot messaging on Facebook, Twitter and Instagram.

McNeal (from Front)

several singles.

She continued, "Pre-COVID, I was performing a lot in the Nashville music scene. Since 2021, I have released four singles and I have a lot more music to come this year as well. All of my music can be found on Apple Music, Spotify and YouTube."

"Playing at Berkeley Bob's is very significant to me because this is really the first place I ever performed my original content.

"I have performed many, many shows and open mics here throughout the years. So, it is a really special hometown venue.

"The staff and owners have always been so supportive of my music career. This is the first show I have played in a while since the pandemic, and it is cool that it gets to be where it all started," McNeal explained.

Emily Dale, a longtime, close friend of McNeal's, shared her sentiments on Shannon's success with The Tribune saying, "I feel like Shannon has always had the potential to excel. It is still so exciting getting to see it happen, though.

"It is almost surreal. I love her. Shannon has the type of heart that she could be internationally famous, or she could be living in a box, and she would be happy either way. We really are all so proud."

When speaking on future shows here in her hometown, McNeal smiled, "Yes, definitely. I have definitely noticed that Cullman's music scene has been growing in the years since I left.

"There are a lot of awesome music venues, and it would definitely be great to come and share my songs with people in the places I grew up."

McNeal was joined onstage by Wes Ellard and Justin Weygand during her performance and was able to play through and share her favorite originals that she wrote while growing up right here in Cullman.

COVID-19 BY THE NUMBERS

Wednesday, Aug. 11, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Mon, Wed, Fri)

• Change in Cases: -12.5%
• Positivity in Tests: 24.1%
• Confirmed cases in Alabama (2020): 392,598
• Confirmed cases in Alabama (2021): 227,154 (+7,469 since Friday)
• Total confirmed deaths in Alabama (2020): 7,171
• Total confirmed deaths in Alabama (2021): 4,518 (+63 since Friday)
• Change in cases in Cullman Co.: -6.8%
• Positivity in tests in Cullman Co.: 13.4%
• Total confirmed cases in Cullman Co. (2020): 7,673
• Total confirmed cases in Cullman Co. (2021): 3,323 (+ 122 since Friday)
• Deaths in Cullman Co. (2020): 129
• Deaths in Cullman Co. (2021): 80 (+0 since Monday)
• Total tested in Cullman Co. in the last 7 days: 1,853
• Total tested positive in Cullman Co. in the last 7 days: 248
• Total tested in Alabama in the last 7 days: 70,784
• Total positive tests in Alabama in the last 7 days: 17,034
• Currently hospitalized in Alabama: 2,371

Vaccine details (updated Tues, Thurs)

• Doses Delivered to Alabama: 5,152,915
• Doses delivered to Alabama providers: 3,276,735
• Doses administered: 3,611,820
• Number of people receiving one or more doses: 2,103,713
• Number of people who have completed vaccine series: 1,628,764
• Doses delivered to federal programs: 1,876,180

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

View the Alabama COVID-19 Vaccination Allocation Plan at: www.alabamapublichealth.gov/covid19vaccine/assets/adph-covid19-vaccination-allocation-plan.pdf

Variants of SARS-CoV-2

Variants of SARS-CoV-2 continue to circulate in Alabama and pose a significant threat of increased disease. Variants of concern reported, as of July 9, are Alpha (820 cases), Beta (2 cases), Gamma (31 cases) and Delta (56 cases). These variants are more transmissible, specifically the Alpha and the Delta, and some variants have less response to treatments such as monoclonal antibodies.

Percent positivity escalates

Alabama's current statewide percent positivity for COVID-19 has increased to its highest level since February 2021, at 7.7%. This is equal to the percent positivity recorded April 3, when vaccines had not been readily available.

Percent increase in COVID-19 cases

The number of COVID-19 cases reported in Alabama has risen 39% from June 26 - July 9. The best way to prevent getting the highly infectious and easily transmissible Delta variant or any other strain of COVID-19 is to get vaccinated as quickly as possible. The vaccines we have are highly effective and their benefits far outweigh any risks. Only a very small percentage of deaths due to COVID-19 are among the fully vaccinated population.

COVID-19 hospitalizations increase

As of July 14, 341 persons were reported hospitalized as a result of COVID-19 disease. On July 3, 179 persons were hospitalized due to COVID-19. Increases in numbers of COVID-19 cases and hospitalizations due to COVID-19 are the result of low vaccine rates and unvaccinated persons not following preventive measures for themselves such as wearing masks, good hand hygiene and social distancing. So long as Alabama has such low rates of vaccination, cases will continue to rise, posing risk of illness and death from COVID-19, as well as threatening the ability of our health care system to treat all Alabamians.

Make vaccination a priority

This July 14, 4,124 doses of COVID-19 vaccine were administered in the state. At the height of vaccine administration on April 8, 45,128 vaccine doses were given. Young people and others who are taking a wait-and-see stance on vaccination should be aware that they need to protect themselves, their families, friends and communities by getting vaccinated as soon as they can. Safe, effective and free vaccine shields vulnerable people and saves lives.

Cullman Regional COVID-19 update

On Aug. 11, Cullman Regional released the following update:

Cullman County is in the High-Risk Category for overall level of community transmission.

Cullman Regional Current Situation

• 47 COVID-19 positive patients and seven on a ventilator
• Hospitals across the state are continuing to see an increase in hospitalizations. Continue to be vigilant in mask wearing and social distancing. Everyone should continue to follow precautions to prevent the spread of infection – wash hands, socially distance, wear a mask when you cannot socially distance.

Vaccine administrations

Cullman Regional has created an online scheduling system so that patients can self-schedule for a vaccine appointment. Appointments are available by visiting: https://cullmanregional.com/cullman-regional-vaccination-clinics/?swcfpc=1.

• Appointment dates/times are only released five days prior to vaccine clinic days to make sure we have plenty of vaccines to administer for all appointments created. If no appointments are available, please check back the following day for more appointment openings.
• The vaccine clinic is located at the Cullman Regional Urgent Care Center (1958 AL Hwy 157, Cullman, AL 35058).

Visiting Cullman Regional

As a reminder, Cullman Regional upholds visitation restrictions in accordance with CDC guidelines.

These restrictions include:

• All visitors must check in and complete a temperature check at the front desk
• Masks are required for employees and visitors regardless of vaccination status
• Only one visitor is allowed per adult (16 or older) patient in all hospital departments except the Emergency Department*. (Two visitors allowed per minor patient aged 15 or younger)
• COVID-19 positive patients will not be allowed to have visitors
• All visitors must be over the age of 16

Please remember that visitor hours are from 8 a.m. – 8 p.m. daily.

Visitors to the Cullman Regional Medical Group Clinics must wear a mask regardless of vaccination status and only one visitor is allowed per patient; or two visitors per minor under the age of 16.

***Emergency Department Restrictions**

• Due to the influx of COVID positive cases and out of an abundance of caution, no visitors are allowed in the Emergency Department. Limited exceptions will be made on a case-by-case basis. In those limited exceptions, we will only allow (one) visitor/caregiver who will not be allowed to rotate with any other visitor during the patient's stay in the Emergency Department to limit unnecessary exposures.

We appreciate your compliance with these regulations to keep our staff, patients and families safe.

Stay up to date on all of the information by following us on social media: Facebook, Instagram and Twitter or visit https://cullmanregional.com/coronavirus-2/ for more information.

CRIME

Pleasant View Missionary Baptist Church Singing

Aug. 15 - Pleasant View Missionary Baptist Church will have their regular third Sunday night singing on Aug. 15, at 5 p.m. with "The Churchmen." The church is located on U.S. Highway 278 East (approximately 2 miles east of Holly Pond on the left). For more information, call 256-796-5986.

Alabama Retired State Employees Association Cullman Chapter Meeting

Aug. 16 - Monday, Aug. 16, at 10 a.m. in the Cullman City Hall Auditorium (204 Second Ave. NE CULLMAN AL). IMPORTANT MEETING TO ATTEND! State Legislatures, ARSEA Board Representative and State Office Staff will be attending to discuss important legislation and 2022 retirees bonus.

WSCC Applied Technologies Open House

Aug. 17 – Wallace State Community College Dept. of Applied Technologies will host an Open House Tuesday, July 20 from 5:30-7:30 p.m.

Featured departments will be:

- Advanced Automotive Technology
- Aviation/Flight Technology
- Agricultural Production/Horticulture
- Collision Repair Culinary Arts
- Diesel Technology
- Engineering Technology Heating, Ventilation and Air Conditioning
- Machine Tool Technology Mechatronics, Electronics Technology & Robotics
- Small Farmer Training
- Salon and Spa Management
- Welding Center for Career and Workforce Development

Department tours and refreshments will be provided. Stop by the Bailey Center Lobby for campus maps, schedules and information. Call 256-352-8000 for more information.

Free Community Movie Night at Vinemont Community Center

Aug. 21 – Bring a blanket or chair and come enjoy "Toy Story 4!" Start time will be announced at a later date. Vinemont Community Center – 88 Ridgeway St., Cullman, AL 35058

Cross Baptist Church Singing

Aug. 22 - Debra Perry & Jaidyn's Call (from Dahlonega, GA) and Trusting Grace (from Birmingham, AL) will be at Cross Baptist Church on Lacon Mountain on Sunday, Aug. 22 beginning at 6 p.m. - Everyone welcome. For more info: 256-297-0645

Holly Pond High Class of 1961 Reunion

Aug. 28 - Holly Pond High class of 1961 will hold their 60th class reunion on Saturday, Aug. 28, beginning at 4 p.m. Price is $20 per person. Location is the HPHS lunchroom. For more info call 256-734-5044 or 245-734-7899. Hope to see everyone.

Goodwin Family Reunion

- Sept. 6 – Monday, Sept. 6, in Dodge City Town Hall basement, beginning 11 a.m.
- Benjamin and Victoria Howlett Goodwin Descendants: William A (Bill) & Mary Goodwin Tubbs; Ran & ParaLee Goodwin ; Aycock George & Parthenia Calvert; Goodwin Ross and Dovie Calvert Goodwin; Joe & Bertha Calvert Goodwin/Delta Calvert Goodwin Bert and Minnie Gray Goodwin
- Please bring a covered dish, family photos and stories. For more information, contact Jerry Goodwin at 256-595-2598 or Kathy Calvert at 256-708-7940.

Cold Springs Eagles

Don Fewell

Cold Springs came just short of making it to the postseason under first-year head coach Justin Cornelius, finishing 4-6 in a year that was tough for all of the teams due to COVID-19. Despite losing some key players from last season, the Eagles will look to get some huge contributions from some new players in 2021 in hope of making it to the playoffs.

Cornelius learned a lot from his first year as head coach and he and his team are using that as motivation for this upcoming season.

"I have to cherish this moment because it can be gone in an instant," Cornelius said. "Our approach this year is the same. We have to work harder and get better. Our motto this is year is, 'Team over Me' and 'Pound the Stone'."

Some key players will be returning to the field this year and Cornelius will look to them for leadership.

"Across the line, we have three linemen that have significant playing time; Zeke White, Sawyer Swann and Grayson Phillips," Cornelius said. "And then Caleb McClendon is coming off an injury sustained last season. Out at receiver we have Seth Williams, Cameron Nunn, Dylan Smith and Houston Goodwin. Those guys will help out significantly at linebacker and defensive back as well. The two guys that have been working hard at quarterback since we started this spring are Hank Harrison and Tucker Philbeck. They are both very eager to absorb and work hard. One is a little more of a hardnosed guy and the other has a little bit bigger of an arm."

Harrison and Philbeck learned a lot from four-year starter Brodi Williams and Cornelius is looking for some good things out of his two junior quarterbacks this season.

"Having a four-year starter was a great opportunity for them to see him grow and develop into the guy he was last year," Cornelius said. "They had the opportunity to learn the offense without having the pressure to run it. I think they were able to get a very good understanding of the offense and what it takes to compete on Friday nights in Alabama."

Fall workouts started a few days ago for Cold Springs and Cornelius saw a lot of good things. He had to fill some holes as well as he lost a lot of key players.

"Things are going very well. The kids have a positive attitude and understand that we are here to get better every day. We lost a lot in other places besides quarterback," Cornelius said. "At running back, we lost a two-time All-State player, we have been working Josh Winfrey and he is doing well. At receiver we lost An All-County guy and have some guys ready to step up and fill that position. We lost three guys on the line for us and are really working on building depth there. We also lost Roberto Ayala. That was our utility guy last year, he was also a two-time All-State player. He played all over the place, and it will take a few kids to fill the vacancy left by him."

With the pandemic starting to wreak havoc once again, Cornelius believes that his team and the community will rise to the occasion and do what they can to stay safe.

"It is the 'Team over Me' mentality that we talk about," Cornelius said. "Protect the team. Sometimes, that means doing things we don't really want to do. Sometimes that means missing out on opportunities. I was telling them the other it's about choices, consequences and rewards. No matter what decision we make, no matter what the outcome is, we have to live with the consequences good or bad. When you take a risk outside of here, you are risking everything in here as well. I just wanted them thinking about the choices they make, because when they graduate from Cold Springs, they will have to make decisions on a daily basis that involve much more than them."

Cold Springs fell just short of the postseason last season and Cornelius will look to see his team gel together as a unit and get some more wins and clinch a playoff berth. Or as he said, maybe a perfect season will be really good.

"Is anything other than a perfect season really up to a coach's liking?" Cornelius asked. "It starts with me, the coaching staff and bubbles over to the team. We have to ensure that each and every day, we are prepared and motivated to win. We have to grind and put in the work. Our approach was modified last year, that's no excuse. We have to get each kid on our team ready to win, physically and mentally prepared. We have to trust each other and trust the process. We have to go to work and understand that our opponent cannot out-work us. They cannot be hungrier than us. When we get hit in the mouth with adversity, we have to get back up and go even harder the next time. Preparation, preparation and more preparation. We don't go until we get it right, we go until we can't get it wrong."

Settlement (from Front)

W.C. Mann
craig@cullmantribune.com

MONTGOMERY, Ala. — Attorney General Steve Marshall on Wednesday announced a $3,025,000 settlement with Tyson Farms, Inc. over the 2019 wastewater spill from its River Valley Ingredients rendering plant on the Mulberry Fork of the Black Warrior River.

Defendant does not admit any liability to any Plaintiffs arising out of the transactions or occurrences alleged in the Complaint.

Attorney General's statement

Attorney General Steve Marshall announced Wednesday a $3 million State settlement with Tyson Farms, Inc. over the 2019 wastewater spill in the Mulberry Fork of the Black Warrior River.

The settlement agreement, filed in the Circuit Court of Walker County, brings an end to litigation filed by the state against Tyson in April 2020 in which the State alleged that Tyson illegally discharged thousands of gallons of partially treated wastewater into the waters of the state in May and June 2019.

The settlement, valued at $3,025,000, directs money to the affected communities for specific projects and mandates that Tyson take steps to sufficiently mitigate against the possibility of future harm.

The primary provisions of the settlement are as follows:

1. Tyson will place $1.5 million into a trust for the benefit of the affected Walker and Cullman County communities. The trust will be administered by a five- member committee of local residents to be named by the Attorney General's Office.

2. Tyson will pay restitution and a civil penalty to the State of Alabama, as prescribed by law—$650,000 in restitution to the Alabama Department of Conservation and Natural Resources and a $350,000 civil penalty to the Alabama Department of Environmental Management.

3. Tyson will invest $500,000 to increase public access to the Mulberry Fork. ADCNR will oversee the use of these funds to construct up to four new public access points in Walker and Cullman counties so that recreational paddlers and boaters can more easily enjoy the Mulberry and Sipsey Forks of the Black Warrior River.

4. Tyson will fund a $25,000 grant to the Alabama Cooperative Extension System's Alabama Water Watch, a nonprofit organization, to be used for the benefit of training citizens of Walker and Cullman counties to monitor water quality conditions and trends of their local water bo5. Tyson will take all reasonable and appropriate steps to address and remediate the causes and impacts from the 2019 wastewater spill.

5. Tyson will comply with the terms of its environmental permit and submit engineering reports to ADEM to ensure future permit compliance.

The Attorney General's Office forfeited attorneys' fees and any additional payments to the state in favor of maximizing compensation to the impacted communities.

Upon filing the settlement agreement, Attorney General Marshall remarked, "I am pleased to finally be able to tell the communities of the Mulberry and Sipsey Forks that the state has resolved this matter. Though my Office was ready to go to trial, I am convinced that this agreement prioritizes the concerns that I heard from locals and gets money into the right hands quickly."

He continued, "I am proud of my Consumer Interest Division who went to great lengths to ensure that these communities were heard and recompensed for their losses. This is another example of a Consumer Protection case done well—the money is going exactly where it ought to go—not to the state coffers or outside counsel, but to the impacted areas. My team felt this loss deeply and wanted to do right by the locals above all."

The Attorney General thanked the Alabama Department of Conservation and Natural Resources and the Alabama Department of Environmental Management for their partnership in investigating and resolving this case.

The Attorney General also thanked Senator Greg Reed, Senator Garlan Gudger, and Representative Connie Rowe for their involvement in connecting the Office to affected constituents.

Marshall concluded, "Our state's natural resources are sacred, and my Office takes very seriously our role in protecting them."

The settlement agreement takes the form of a consent decree, meaning that the Walker County Circuit Court will maintain jurisdiction over the matter, ensuring that its terms are met. The State's resolution of its case does not bar private suits against Tyson from proceeding.

ADEM issues statement

The Alabama Department of Environmental Management issued its own statement saying that it "welcomes a settlement to the lawsuit by the state against Tyson Foods for the 2019 discharges of partially treated wastewater from Tyson's Hanceville plant into the Mulberry Fork of the Black Warrior River, which resulted in a large fish kill.

"The civil lawsuit was filed against Tyson Foods in April 2020 to ensure the state is 'made whole for the damage done to our environment and to see the affected communities adequately compensated for their unique and devastating losses.' The lawsuit said the unpermitted discharges of partially treated wastewater in May and June 2019 due to pipe failures resulted in the killing of various species of fish and other wildlife downstream of the facility.

"ADEM Director Lance LeFleur said the settlement holds Tyson accountable for the environmental damage the spills caused, compensates the state for the loss of fish and commits the company to making an investment that will benefit both the environment and the local community.

"'In addition to the $350,000 fine to be paid to ADEM for the unpermitted discharges and the $650,000 compensation to be paid to the Alabama Department of Conservation and Natural Resources for the fish killed, we are pleased that the people who live near and use the river weren't forgotten,' LeFleur said.

'The local communities suffered the most. A fine exacts a cost against the company, which is appropriate. But it alone does nothing for the local residents. The $500,000 for public recreational access to the river and $1.5 million in other investments provide value to the community and, I hope, help heal wounds and begin building trust.'

"LeFleur also pointed out the settlement requires reports by a licensed Professional Engineer detailing the causes of the incidents and the corrective actions designed to prevent future unpermitted discharges. It further requires maintenance and operational changes as well as modifications and additions to the treatment and collection systems necessary to prevent future unpermitted discharges. Regular reports from the Professional Engineer tracking progress toward implementing the compliance plan are also required.

"LeFleur thanked local elected officials, including Sen. Greg Reed of Jasper, the Senate president pro tem, and Sen. Garland Gudger of Cullman for working to ensure that funding for the local projects was included in the settlement. 'Sens. Reed and Gudger have been key players since the very beginning. I don't know if this funding for the community projects would have been possible without their active support,' LeFleur said."

In a message to The Tribune, Sen. Reed said, "I'm pleased to see that the state of Alabama has successfully reached this multimillion dollar settlement to make the people of our area whole after the wastewater spill in 2019. A large portion of these dollars will go directly to Walker and Cullman counties to be used for the benefit of our community and to support those affected by this unfortunate incident.

"It was an honor to work with members of our community and the Attorney General's office to ensure that the state reached a successful settlement agreement, and I look forward to seeing all of the benefits these resources will bring to our area."

Black Warrior Riverkeeper responds

Conservation group Black Warrior Riverkeeper issued a statement saying, "The state of Alabama's $3M settlement with Tyson over the June 2019 wastewater spill at their Hanceville rendering plant and the resulting Mulberry Fork fish kill is certainly a better outcome than ADEM could have arrived at on their own.

"However, it was our hope that Tyson would be fined a minimum of $10M, with the majority of the money going toward restoration and conservation of the resource most affected by this tragedy: the Mulberry Fork of the Black Warrior River.

"While it remains to be seen what the $1.5M will be spent on in Cullman and Walker counties, no portion of that amount can possibly provide adequate retribution for the river and its inhabitants. As the watchdog for the river, we should have been consulted regarding adequate compensation for the river and more meaningful accountability for Tyson, one of the river's largest polluters. Black Warrior Riverkeeper will continue to keep watch over Tyson's operations and push for more stringent enforcement of environmental laws in Alabama."

Fundraiser (from Front)

Ashlyn Grey
ashlyn@cullmantribune.com

CULLMAN, Ala. — The Friends of the Public Libraries of Cullman County will be partnering with Cullman's Panda Express on Saturday, Aug. 14, for a fundraising event. It will be from 10:30 a.m. – 8:30 p.m. and will allow 20% of purchase prices to be donated to the Friends of the Public Libraries of Cullman County. Panda Express is located at 5505 Alabama Highway 157, adjacent to the north Walmart. To donate, the fundraising event code, 324284, should be given to the cashier.

How did the partnership between Friends and Panda Express come to be?

Renee Welsh with Friends shared about the development of the partnership between Panda Express and the Friends of the Public Libraries of Cullman County, saying, "In late December 2019 – the Friends researched the opportunity to host a Chinese Lunar New Year event (pre-pandemic) in early January 2020. Our research led us to the Panda in the community program opportunity. They have a phenomenal interactive / creative Let's Explore: Lunar New Year. We scheduled it with the local team--they led the event with such energy and excitement—Panda's mascot came too! With a lunch! About 50 participants enjoyed a session of the cultural differences in celebrating the New Year.

"The sponsorship extended to a discovery that Panda Express offers neighborhood fundraisers."

She continued, "Travis and his team have been phenomenally supportive throughout the events—with the pandemic social distancing challenges, and ensuring precautionary measures are managed. The Friends say 'xie xie' to the local Panda Express team for their love of the Cullman County Public Libraries! Make sure to stop by this Saturday and support the Friends!"

Vinemont (from Front)

Christy Perry
christy@cullmantribune.com

VINEMONT, Ala. — Unity and cooperation seemed to be the new focus as the South Vinemont Town Council met Tuesday night. Although the new council had encountered a few tense moments over the past several months, working together to make improvements to Henry & Roe Wood Park has created a new spark of optimism, excitement and teamwork.

Council member Sonya Copeland addressed the other council members, saying, "I appreciate everybody coming together for the school. That means a lot to me. Just the council as a whole doing something together. This is why I joined the council, and this makes me super excited." The next planned community event will be the Free Community Movie Night scheduled for Aug. 21. The movie, "Toy Story 4," will begin at 7:45 p.m. at the Vinemont Community Center.

The council brainstormed ideas for future community events and improvement projects they could work on together. Sonya Adams suggested organizing a fall festival that would bring together the business and residential community. Fellow council members were in favor and eager to start planning.

Chris Thompson invited Eric Whitehead to speak at the work session about exciting plans for the new disc golf course in South Vinemont. Whitehead and other disc golf enthusiasts have established the Vinemont Disc Golf Club. He said, "We have started a league (on) Wednesday nights. We've got a lot of excited people coming from Huntsville, Arab and Gardendale."

He asked the council for help making improvements to the course in an effort to host tournaments. The first need would be tournament-quality baskets. "We know permanent baskets do cost money. We are willing to do anything we can to help reimburse--sponsorships, tournament funds. We are willing to go the mile if you are willing to help us."

In addition to the basket improvements, club members pledged to do the work to assist in beautification of the course that would benefit all visitors to the park. "It's a diamond in the rough, but we are wanting to make it special," Whitehead said.

Mayor Radginal Dodson and the council were supportive of Whitehead and the Vinemont Disc Golf Club. Dodson did remind Whitehead that any changes to the park would need to have prior approval from the council.

Zach Copeland spoke during the public comment portion of the regular business meeting. He presented the council with some ideas about adding a sidewalk network in the town and information on grants available to fund sidewalk projects. "Let's try to get people off the road that aren't in a motorized vehicle. Highway 31 just needs to be safer, and I think sidewalks would be a great start," Copeland added.

The council unanimously approved the 2021-2022 Transportation Plan which is required for the Rebuild Alabama Act (gas tax). After an assessment of the conditions of the roads in the town, Mayor Dodson and Public Works Director Mike Graves agreed that Goodwin Road needed to be repaved. Dodson explained, "Unless we do something to Goodwin, it's going to deteriorate past where it will need to be ground up and redone completely. It will be more expensive then unless we can take care of it a little bit at a time now or in the near future."

Graves added, "Understand that this project will not begin until next summer." The town will have to wait until the money from the gas tax is available before the project can begin.

The Tillery Street paving project has been completed and work has begun on Woods Street. The new culvert has been put in place and is awaiting paving. Graves said, "We need some time for it to settle."

The council tabled making a decision about teaming with the North Alabama Cyber Institute's PISCES program. The program teams with local colleges and municipalities to give students an opportunity to gain experience in cybersecurity. The council felt that more time was needed to research the program. They also wanted to hear from their current IT provider before making a commitment.

The South Vinemont Council meets on the second Tuesday of each month at 6 p.m. with a work session at 5:30 p.m. The council meets at South Vinemont Town Hall.

Cullman (from Front)

State Track and Field Championships for Classes 1A, 2A, and 3A at Cullman High School. The events will take place May 5-7, 2022, May 4-6, 2023, May 2-4, 2024, May 1-3, 2025 and April 30 - May 2, 2026.

The council also approved a change order to increase its contract expenditure to ProSlide Technology Inc. in the amount of $134,300 for change in materials for a tower and the addition of two lanes to upgrade the KIDZ ProRacer to four lanes in the new Cullman Wellness and Wellness Center slide complex project. Cullman originally awarded the bid to Proslide for $3,720,100; the increased total is now $3,854,400.

W.C. MANN/THE CULLMAN TRIBUNE

Brian Ogstad confronts the Mayor and council members over the city's COVID-19 response.

The council approved a special event request from Zac Lee for Good Samaritan Health Clinic for a Health Awareness Block Party at the Housing Authority on Sept. 18, from 10 a.m. - 2 p.m.

The council passed a resolution to apply for matching state and federal funds for airport improvement projects to be done during fiscal year 2022. The council has previously approved the city's expenditure for the matching fund amount.

Resolutions combat labor shortage issues for fire and police departments

The council adopted two resolutions to create lateral transfer policies for the fire department and police department. According to the resolutions, whose wording differed only in identification of fire and police departments, "this policy will establish guidelines that will ensure the City of Cullman the strongest ability to attract and retain qualified candidates ... due to labor force shortages."

Other resolutions

The council approved resolutions:

• To award the bid for a 6-inch pipe, hydrants, fittings, etc. to the lowest responsible bidder, Ferguson Waterworks, in the amount of $49,470.57. The City also received bids from:

o Consolidated Pipe, Decatur, $50,698.60

o Eagle Wholesale, Athens, $52,484.14

o Empire Pipe Birmingham, $54,918.60

o G & C Pipe, Atwood, Tennessee, $ 54,023.16

• To award the bid for an asphalt pothole patch truck to the lowest responsible bidder, HD Industries, in the amount of $173,928.80. HD Industries sent the only bid; the other two did not respond.

• To award the bid for concrete to the lowest responsible bidder, Ready Mix USA LLC. No amount or other bidders were listed.

• To authorize application for CDBG grant application and match for a neighborhood improvement project for Warnke Road. The City will request grant funds of $500,000, and will provide a local match of $585,969.11, "of which $103,511.51 will be local cash and $482,257.60 will be provided as in-kind services with city forces and equipment to install the water, sewer, drainage and street improvements in support of this project."

The council suspended rules of procedure to pass two ordinances on their first readings:

• An amended zoning ordinance to modify parking space requirements from 20 feet in length to 18 feet in length.

• An ordinance to annex 594 County Road 1329 into the city limits of Cullman as R-1 Residential District which received a favorable recommendation from the Planning Commission.

The council also gave a first reading, without taking action, to an ordinance to annex 30 acres behind Cracker Barrel off Old Highway 157 Northwest into the city limits of Cullman as a residential district.

Confrontation over city COVID-19 response

Cullman resident Brian Ogstad, who had previously addressed the city council and other local government entities, came again to announce that he will file lawsuits against Mayor Woody Jacobs, the council, city school board and city COVID adviser Dr. Scott Warner.

Ogstad alleged that the city's COVID policies were improper and presented the council a written notice demanding a public apology for the city's policies, a promise of no more use of those policies, public promotion of his own plan for COVID treatment and the refund of money "which the city took from We The People of Cullman during 2020."

Council Chairperson Jenny Folsom informed Ogstad that he had exceeded the allotted time for individuals to speak, and Police Chief Kenny Culpepper escorted him from the building after he went to the front of the auditorium to deliver his notice and engage in another verbal exchange with the council.

The Cullman City Council meets at 7 p.m. on the second and fourth Mondays of each month in the City Hall auditorium. The public is invited to attend.

Obituary Announcements: Aug. 11

Karen Diane Sullins Young, 65, of Hanceville, Memorial service plans for Karen Diane Sullins Young, 65, of Hanceville, are incomplete and will be announced at a later date. Mrs. Young was born July 26, 1956, to Joseph and Barbara Spinks Sullins. She passed from this life on Aug. 9 at Cullman Regional. Cullman Funeral Home is honored to be serving the Young Family. Mrs. Young was preceded in death by her parents: Joseph and Barbara Spinks Sullins. She is survived by her husband of 43 years: Greg Young; brothers: Alan (JoJo) Sullins and Gary (Ann) Sullings; stepsisters: Ann, Kay, Tina and Gail and a host of nieces, nephews, great and great-great-nieces and nephews, family and friends. Friends may sign the online guestbook at www.cullmanfuneralhome.com.

Peggy Ann Daniels Day, 77 Peggy Ann Daniels Day, 77, was born Oct. 19, 1943, and died Aug. 7, of a malignant brain tumor. She is survived by her son: John Lee Day; brother: Charles Edward Daniels, Jr. and wife Janet Daniels. Peggy was predeceased by her father: Charles Edward Daniels; mother: Thelma Christine Daniels and brother: Bobby Leon Daniels. Moss Funeral Home is in charge of arrangements. Visitation will be Thursday, Aug. 12, from 6-9 p.m. and service on Friday, Aug. 13, at 10 a.m. in Moss Chapel. Graveside service will be Saturday, Aug. 14 at noon at City Cemetery (Pine Hill Alabama, Wilcox County). In lieu of flowers, donations can be made in her memory to Project Lifesaver Program, P.O. Box 1439, Cullman, AL 35056. Peggy grew up in Pine Hill, Alabama, the youngest of the three siblings, raised by a widowed mother from the age of 4. Upon graduating from high school, Peggy attended for two years at Livingston College, then transferred and graduated from the University of Alabama. She later earned her master's degree. Peggy moved to Cullman in 1966 and began work with the Department of Pensions and Security, later named Department of Human Resources. She originally lived in a boarding house, then later moved into one of the rare apartments in Cullman. She courted and married Lee Day and they had a son named John. Following the divorce and then death of Lee, Peggy bought a home for her and John. Peggy was employed by the Department of Human Resources from 1965 until her retirement in 2009. During her time with DHR, Peggy served as a worker in Adult Protective Services, supervisor, program supervisor and county director. During her tenure as director, Peggy was instrumental in ensuring the department's new and current building was built and dedicated prior to her retirement. Peggy dedicated her life to the service of others and helping those in need and always did so with a smile. She will be greatly missed. Peggy was very active in many community organizations and enjoy being involved. As a very active Pilot Club member, Peggy served on the Board of Directors and two terms as president. As a club leader, she attended many Alabama District and Pilot International Leadership Conferences/Conventions. She served as secretary of the Alabama District Administrative Council. Peggy was a member of the Pilot Light Inc. Board of Directors 25 years representing DHR and Pilot Club, and serving as secretary many of those years. She was chairman and secretary of the Board of Directors for the Project Lifesaver Program 18 plus years. Everyone that work alongside Peggy is greatly saddened by the loss of this dear friend. It has been an honor to have served with her for 25 years. Peggy was a kind and loving person, always soft spoken and serving others with a servant's heart. As a member of Dripping Springs Chapter of the Daughters of the American Revolution for nine years, Peggy served as recording secretary, vice regent and was currently serving as regent. She chaired many chapter committees and attended many State Conferences and National Continental Congresses. Peggy was a dedicated member of DAR, always looking for ways to further the purposes of God, home and country. As a retired county employee, Peggy was also an active member of Alabama Retired State Employees Association. She enjoyed brunch meetings with the Coterie Women's Club. Peggy was an AVID supporter of the University of Alabama, never missing a televised game. She also enjoyed crossword puzzles, soap operas, rescuing and adopting homeless cats and Swamp John's Meals. Above all else, Peggy was a loving and devoted mother to John. Moss Service Funeral Home directing.

Barry Scott Grimmett, 57, of Jasper Barry Scott Grimmett, 57, of Jasper, passed away Wednesday, July 28, at his residence. Scott was preceded in death by his father: Durrell (Ken) Grimmett and grandparents: James and Ira Grimmett and Theodore and Flora Seymore. He is survived by his wife: Libby Grimmett; mother: Irene Grimmett-McSwain; daughter: Jennifer Hicks (Mitchell); son: Drew Grimmett; grandchildren: Luke, Sam, Walker, Fisher and Annaleigh; brother: James Grimmett (Pam); nephew: Will Grimmett; mother-in-law: Carol Harris; father-in-law: Ronnie Harris (Roz) and a host of other relatives and dear friends. A celebration of life will be held from 2-4 p.m. on Aug. 15, at The Hope House (1602 10th Ave., Jasper, AL).

Imogene Eunice "Jean" Hill, 89, of Haleyville Imogene Eunice "Jean" Hill, 89, of Haleyville entered into rest Saturday, Aug. 7, at her residence. Miss Hill was born Oct. 6, 1931, in Pontotoc, Mississippi. Jean was a huge Alabama Football fan and collected anything related to Coca Cola. She still lived at home; loved being outside and even took care of her own yard. Jean loved her cat and even though she never had children, she loved kids. A private service will be held.

Felicia Nichols Rodenbarger, 53 of Waverly, Georgia Graveside services for Felicia Nichols Rodenbarger, 53, of Waverly, Georgia will be 10 a.m., Saturday, Aug. 14, 2021 at Corinth Church of Christ Cemetery in Bremen, Alabama. There will be a celebration of life at Allison Memorial Chapel in St. Mary's, Georgia on Wednesday, Aug. 11, from 6-8 p.m. She passed away Aug. 10. Felicia enjoyed online shopping, quilting, traveling, sunbathing and going to NASCAR races. She is preceded in death by her brother: Christopher Adam Nichols. She is survived by her husband of 31 years: Robert Rodenbarger; sons: Cameron Nichols (Jessica) and Shawn Glaze (Tonya); daughter: Casey Rodenbarger; grandchildren: Keith and Ciara Glaze; mother: Betty Greenwood; father: Charles Nichols; brothers: Perry Nichols, Derrick Nichols(Cari) and Anthony Nichols (Michelle); sisters: Tabatha Nichols, Tiffany Henderson (Daryl) and Terri Sweat (Don); mother-in-law: Carolyn Curnutt; sister-in-law: Cary Carver; brother-in-law: Shane Rodenbarger (Gidget); nieces: Tamera Harris, Kharissa Howell, Ashtin Henderson Pinegar, Madison Nichols Johnson(Jeremy), Ashley Carver(Bryan), Bailee Rodenbarger, Misti Sweat and Lisa Sweat Dunkster (Seth); nephews: Justin Harris (Katie), Noah Rodenbarger, Austin Hamner, Brad Nichols, Eric Sweat, Chandler Nichols, Thomas Duckett (Amara) Riley Henderson, Gavin Benny and Taylor Webber and many great-nieces and nephews.

Cullman Bearcats

LifeTouch Photography

Football season has returned and at Cullman High School that means it's time once again for the Bearcats to hit the field. Cullman posted an 8-3 record last season, finishing second in Region 8 and earning another playoff berth but the 'Cats are aiming to do even bigger things in 2021. The Bearcats began fall practice a week early this year after foregoing their spring practice days and Head Coach Oscar Glasscock likes the way his team has gotten this season started

"I feel pretty good about where we are right now. Obviously, we're trying to develop consistency and trying to find depth like everybody else is but it kind of feels like we got a week head start on everybody instead of feeling like we're behind because we didn't have spring practice," Glasscock said. "We had a very productive summer, had some competitions and things like that and I feel like the younger kids got a lot stronger in the weight room. I feel like we're in pretty good shape too, it was really, really hot our first week. By far the hottest, most humid time of this summer and I feel like we handled it well."

One thing Glasscock and his staff are particularly excited about is the depth and experience returning on the offensive front. Carson Hill, Layne Dial, Drew Carter, Evan Richards and Lane Parker will all be bringing a wealth of experience up to the line of scrimmage with them this season and Glasscock is excited to see that unit play together.

"I think our offensive line this year should be the best group since I've been here. We've got guys that have played a lot of snaps and we've got some intelligent kids up there.We made some moves coaching-wise that I think have really helped us just get more eyes in the right places," Glasscock said. "Carson Hill is a guy that's started since the third game of his sophomore year, and he was ready mentally and spiritually in every way, but he probably wasn't quite strong enough to be playing in 6A as a 10th grader. He had an outstanding year but now I think his strength has caught up to where his mind, his character and his work ethic have been the whole time. He really provides a lot of stability at Center. Evan Richards gets a lot of attention because of his measurables. He's got to work on his consistency, but he can dominate the game when things are going his way. We're really looking for big things from him and Drew Carter will be our other Guard. (Drew) is a football player. He loves the game, loves practice, loves everything about it so we're pretty solid on that interior. Our Tackles Layne Dial and Lane Parker have played a ton of meaningful snaps. Lane Parker has been a little bit more of a defensive guy and he's really come on here lately. He's really going to help us there from an athletic standpoint. So, I feel really good about them, it's a veteran group."

Glasscock mentioned Kaleb Heatherly as a matchup problem on the outside and as an asset inside at tight end. Nate Zills, Tripp Gudger, Max Gambrill and Banks Baker were also named as weapons to watch on the perimeter at wide receiver this year and Glascock is excited about a group of talented guys returning in the backfield as well.

"In the slot Jake Dueland has obviously made game-winning plays around here for a long time and he's going to touch the football. Noah Kee is an extremely hard worker as well and he's got a lot of ability catching the football, running the football and blocking so he's very versatile and he's a team leader by his effort."

Glasscock and his staff feel good about the other position in the backfield as well. There will be a new, but experienced, playmaker under center for the Bearcats this season and Glasscock is excited to see what he can do with the offense.

"At the quarterback position we've got two guys that we're really happy with. Jamar Kay is going to take significant snaps at quarterback and of course Jamar is also our best corner, our best return guy, he'd be one of our best slot guys and anywhere you put him he's going to be one our top players, so we have to be smart with how we play him," Glasscock said. "He's going to play quarterback in every game as long as he's healthy and things go according to plan. Fall camp has gone well for the 'Cats so far and they're set up to put another strong product on the field this fall but Glasscock has been most excited to see new faces from different Cullman sports teams come out to be part of the program.

"What I'm super happy about is we've had several seniors come out this year that haven't played in high school before," Glasscock said. "Our senior class is actually bigger now than it was as a junior class last year. So, to me that means somethings right. Our baseball program has obviously been outstanding, and I think the kids are seeing the similarities in how our program is run. It's just great to see these kids come out and contribute and I think that's a good sign that things are moving in a positive direction around here."

The last two seasons have been full of historic moments and firsts for the Bearcats as they continue to rack up wins in Class 6A and Glasscock is proud of his group for their accomplishments, but he knows they'll have to continue building on that success if they want to continue competing in their region.

"This group, especially this senior class, have been a part of a lot of milestone wins here. They achieved the first 6A top 10 ranking in school history, they were part of the 600th win in school history, part of beating the first 7A team in school history, they won eight games in 6A for the first time in school history, they tied for the best record in the region in 6A for the first time in school history, hosting 6A playoff games here two years in a row, getting the first 6A playoff win in school history," Glasscock said. "Those are significant wins at a program that has a lot of great tradition so there's been a lot of firsts here for us in this super competitive 6A and the region overall is going to be vastly improved and we're going to have to play our absolute best every week to be competitive."

Addison Bulldogs

Bill Miller Photography

The Addison Bulldogs finished the 2020 season with a 7-5 record and a second-place finish in 2A Region 5. Most coaches would be pleased with that record to go along with a second-round playoff appearance, but not Coach David Smothers of Addison. Coach Smothers, entering his 10th season at the helm of the Bulldogs, looks forward to what promises to be another successful season.

"We played a very challenging schedule last year, with three 4A schools (Good Hope, Haleyville and Hamilton) on it," Smothers said. "Lost all three games but we were right there in two of those three games with ample opportunities to win."

Addison's offense has been very diverse since Coach Smothers' arrival. Long known as "a three-yards and a cloud of dust team," Coach Smothers implemented a form of spread attack when he arrived.

"You have to be capable of doing everything well in today's game. I attribute a lot of our success to being able to impose our will on most teams that we play," Smothers said. "If we need to go with two tight ends and just pound the ball, we can do that. If we need to spread the field with three and four wide receivers, we can do that. It just all depends on your opponents and what their weaknesses are. I have been blessed to have the players that can accomplish what we ask them to do."

The 2021 Bulldogs will be led by three-year starter and second team All-State Senior QB Christian "Ice Man" Roberts. The running back situation will be a little different this year due to the Dawgs losing seniors Weston "Big Game" Smith and Nelson "Tank" Martin, two big and bruising runners.

"Christian is a natural leader and a really good athlete. He has a strong arm, good size and is sneaky fast. Christian can make plays with his arm and legs. I am expecting big things from Christian this year," Smothers said. "We don't have a bell cow running back this year. We will be a bit smaller, but I believe we are going to be quicker, and I have faith in our guys to perform."

Two returning players who got plenty of carries last year are Seniors Will "The Thrill" Tuggle and Justin "Rocky" Mather. Tuggle being quicker and smaller, while Mather being a solid big back.

"We have a good mixture of older guys and a couple of young guys that are going to get plenty of playing time," Smothers said. "(Jack) Wilson, (Eli) Howse and (Justin) Mather played some last year there and we have some younger guys led by Sophomore Braden Luker who I expect to contribute."

"Tommy Lee (Daniel) really stepped-up last year for us. He provided us with a deep threat. We have a couple of Freshman who I think will be able to help us at the receiver position," Smothers said. "Jed (Wilkins) and Kaden (Dyson) I expect to play. Mather will play tight end when he isn't running the ball."

Addison's offensive line should be a strength since they return three full time starters and a fourth that started several games. Seniors (guard) Mark Williams 6'1" 220lbs, (tackle) Ross "Mini Fridge" Steele 5'11" 215lbs and (guard) Mac "Golden Locks" Cagle 5'11" 210lbs were full time starters last year. Junior Lucas Crowe 5'11" 240lbs started several games and appears to have locked down the center position.

"Our line will be our strength. I have no doubt that they will play well," Smothers said. "I have two freshman Bradley Willett and Bobby Williams that are fighting for the other tackle position. Both of those guys have really improved."

Senior Eli "Curly" Howse will handle the kicking and punting duties again this fall.

"We feel good with Eli (Howse) kicking from 35 yards and in. It is a real plus when you can count on scoring points in the red zone, even if it isn't a touchdown," Assistant Coach Scott Flynn stated. "That alleviates some of the pressure on the offense if you know you have three points in the bag so to speak."

Addison is by and large known as a defensive school, and they should be strong on that side of the ball again this year. Addison had a solid defense last year, but the stats were skewed due to a few not so solid performances against Aliceville 36 points and Good Hope which hung 49 points on the Dawgs. Addison runs mainly a 5-2 and a 4-4.

"We took some big losses on defense this year due to graduation. Nelson Martin and Nelson Hernandez were extremely good linebackers, and they will be missed. I believe that Jack (Wilson) and Ross (Steele) can step in and provide us with quality play," Smothers said. "Mather will be a force to be reckoned with on the outside. He will provide us with a good pass rush and offenses will have to know where he is. The good thing about our Linebacker situation is the players that will be stepping up this year played a lot last year. They got a lot of experience; I mean real game time experience."

"Our secondary should be solid. Christian (Roberts) and Eli (Howse) will man the corners, both started last year. Brody (Dollar) is a solid safety and a very smart football player," Smothers said. "He is rarely out of position. There are several younger guys that I know will contribute, mainly (Braden) Luker and Jed (Wilkins). Junior Brian Berry came out for football this year and he looked really good in the spring."

Coach Smothers is only three victories short of tying his father, Steve Smothers, as the third winningest coach in Addison High School history with 79. Coach Smothers has posted a 76-30 in nine seasons and has two region titles under his belt. Even more impressive is that he has made the playoffs every year he has coached. When told how close he was to passing his father Coach Smothers replied,

"I am just glad to be mentioned in the same sentence as my dad. Dad was successful here and carried on the tradition of winning that was established by Coach Hicks and Stephenson. I believe that we have a ways to go to pass Coach Hicks and Coach Stephenson, he said with a chuckle."

Hall of Fame coaches Hicks and Stephenson are the two winningest coaches in Addison history with 139 and 131 wins respectively.

Satisfy your sweet tooth at Arab's 2nd annual SugarFest!

Heather Mann
heather@cullmantribune.com

ARAB, Ala. — After an overwhelmingly successful inaugural celebration in 2019, residents of Arab were looking forward to the next iteration of the Arab SugarFest. Unfortunately, health and safety concerns during 2020 led to the cancellation of the second attempt. However, the City of Arab is proud to announce that SugarFest 2021 is scheduled for Saturday, Sept. 4 this year, with a full day of activities for guests of all ages.

Bright and early will be the Sugar Rush 5K Run at 8 a.m. This run will start at the Arab City Pool and travel down City Park Drive and Spring Road, before going through Smalley Estates and back to the City Park. Early registration is open through Sept. 2 with packet pickup Sep. 3 at The Station Cafe and Coffee, and day-of registration from 6:30-7:30 a.m. near the starting line (no T-shirts guaranteed for day-of registration).

Either form of registration is $25 per person. Students of Arab City Schools can also register through their school at a discounted rate of $15 per person, and registration forms must be filled out and submitted to their school office by Aug. 30 to be guaranteed a shirt.

Registration for the run and a map of the route can be found at http://www.thesugarfest.com/sugar-rush-5k/.

From 9-11 a.m. is the Miss SugarFest pageant at Historic Hunt School in the City Park. There are seven age divisions (Birth-23 months, 2-3 years, 4-5 years, 6-7 years, 8-9 years, 10-11 years and 12-14 years) with openings for 10 participants in each division. As of Aug. 11, the 2-3 year division (Toddler Miss) has been filled. Arrivals can sign in between 8-8:30 a.m. the day of the pageant, and no day-of entries will be accepted. Additionally, photos to compete for the side title of Most Photogenic must be turned in to the registration desk no later than 8:30 a.m. There is an all-inclusive entry fee of $60 per participant.

Instructions and information on the website's pageant page include the following:

"Contestants will wear their choice of Formal/Pageant Dress. Dresses can be long or short. They can be lightly stoned or heavily stoned. There is No Pageant Dress Restriction on any age whatsoever! This event will be judged on PERSONALITY/POISE, NATURAL BEAUTY, EYE CONTACT and OVERALL APPEARANCE. No scoresheets will be given out.

*Miss (age 12-14) category should wear cocktail dresses. No full-length dresses will be allowed.

Hair/Makeup: This is a natural daytime pageant. No Glitz makeup or anything fake: flippers, eyelashes or hair. Makeup is fine but should be age appropriate. IF YOU HAVE QUESTIONS, ASK!!! Spray tans are also acceptable but should appear natural. JUDGES WILL BE LOOKING FOR NATURAL BEAUTY AND WILL DEDUCT FOR OBVIOUS FAKE EYELASHES OR HAIR. This rule is simply to ensure fairness to all contestants.

Photogenic: Picture(s) may be black and white or color of the contestant only and turned in 30 mins prior to start of pageant. NO GLITZ PHOTOS. Pictures may be 8 x 10 or 5 x 7. ALL PICTURES will be at the registration desk after the pageant is over. You are solely responsible for picking up your photos immediately following crowning of your group. Please have the contestant's name and age on the back of each photo to turned in. WE ARE NOT responsible for the pictures left AFTER the pageant is completed.

Each group will do a group walk out first, followed by individual walk. There will be taped arrows and X's on the stage to help show direction and stopping pattern. JUDGES DO NOT JUDGE IF WALK PATTERN IS DONE CORRECTLY.

Dressing Room: The Hunt School is available as a dressing area for those changing on-site. Hair and makeup should be complete upon arrival due to space limitations inside the school. The pageant will be held on the covered front porch of the school.

Due to limited space available, only one adult per contestant will be allowed in the dressing room. No Men Allowed!!!"

Registration for the pageant can be found at http://www.thesugarfest.com/miss-sugarfest/.

Craft vendors, food vendors and the Sweetie Pie Kids' Area for younger children open at 8 a.m., while the Sugar High area for older kids and teens opens at 9 a.m. and the pool and splash pad open at 10 a.m. Craft vendors and both kids' areas will be open until 4 p.m. (although the vendors may choose to stay open later), while the pool will close at 6 p.m. and the food vendors will remain open until 10 p.m. Adult beverages will be available along with food, regular drinks and sweet treats.

From 12:30-8 p.m. will be a Bring Your Own Partner (and Bring Your Own Bags) cornhole tournament hosted by Randall Garrison, American Cornhole Organization professional. Registration begins at 11:30 a.m. the day of the competition, and teams can compete in the competitive division (cash prize of $500) or the advanced division (cash prize of $1000). Registration fees are $20 per competitive team and $40 per advanced team, cash or check payment only. No professionals are allowed to compete in the competitive division.

Car enthusiasts are encouraged to join the Sweet Rides Cruise-In at 4 p.m. There will not be early registration, and there are no entry fees for participants. The event's webpage states that there will be door prizes and games, but more information will be provided as the date draws closer.

Starting at 4:30 p.m. will be SugarFest After Dark, an afternoon and evening filled with live music and fireworks that lasts until roughly 10 p.m.

The webpage states, "Local acts will begin entertaining at 4:30 p.m. on the big stage with the always-fun 'Rippy Dippy with the Hidden Hippies.' The opening concert act begins at 6:30 p.m. with the wildly popular cover band 'Trotline.' "Our unbelievable fireworks show begins promptly at 8:15 p.m. lasting for 15 heart-stopping minutes! You won't believe your eyes! But don't leave yet!!! Immediately following the fireworks show, the concert headliner, nationally known band 'Everett,' will take the stage and close out the evening."

The celebration will be held at Arab City Park on Shoal Creek Trail NE, Arab AL 35016. More information about the festivities and directions to the location can be found on the festival's website at http://www.thesugarfest.com/.

MORTGAGE FORECLOSURE NOTICE

Default having been made in the terms of that mortgage executed on August 30, 2004 by Scotty James, a married man and Kimberly James, a married woman, to EvaBank, which said mortgage is recorded in Book MTG 1399, Page 79 in the Probate Office of Cullman County, Alabama, and default continuing, and by virtue of the power of sale contained in said mortgage, the following described property will be sold at public outcry, for cash, to the highest bidder, in front of the Courthouse door of said County, in Cullman, Alabama, during the legal hours of sale on September 3, 2021:

Commencing at the Southeast corner of Section 27, Township 9 South, Range 1 West. Then South 87 degrees 28 minutes 00 seconds West 1364.10 feet to the point of beginning for the property herein described. Thence South 87 degrees 28 minutes 00 seconds West 117.84 feet. Thence at a right angle 160 feet to a point, thence North 43 degrees 40 minutes 16 seconds East 495.44 feet. Thence South 23 degrees 25 minutes 12 seconds West 555.53 feet to the point of beginning. Property being in Cullman County, Alabama and containing 1.00 acre, more or less. Property subject to existing right-of-way for a county road on the Southern boundary of the above described property. Subject to a five feet wide easement for utilities along part of the West side of the above described property running from the apex of the property South 43 degrees 40 minutes 16 seconds West 212.52 feet.

Source of Title: Deed Book 540, Page 30, Probate Office of Cullman County, Alabama.

The following manufactured home to be auctioned separately and together with the real estate:
2001 Southridge manufactured home, VIN No.: 1SRP16556AL

Said sale is made for the purpose of paying the mortgage debt and cost of foreclosure.

Alabama law gives some persons who have an interest in property the right to redeem the property under certain circumstances. Programs may also exist that help persons avoid or delay the foreclosure process. An attorney should be consulted to help you understand these rights and programs as part of the foreclosure process.

MORTGAGE FORECLOSURE NOTICE

Default having been made in the terms of that mortgage executed on June 10, 2008 by Jackie A. Hale Jr. and wife Nancy Hale, to EvaBank, which said mortgage is recorded in Book MTG 1570, Page 90 in the Probate Office of Cullman County, Alabama, and default continuing, and by virtue of the power of sale contained in said mortgage, the following described property will be sold at public outcry, for cash, to the highest bidder, in front of the Courthouse door of said County, in Cullman, Alabama, during the legal hours of sale on September 8, 2021:

A part of the North Half of the Southwest Quarter of the Northwest Quarter of Section 22, Township 9, Range 3 West, described as follows: Beginning at a point on the West Section line 426 feet South of the Northwest Corner of said forty; thence East 279 feet; thence South 234 feet; thence West 85 fee to a stake; thence North 100 feet to a stake; thence West 195 feet to a stake on the Section line; thence North 134 feet to the point of beginning, containing one (1) acre, more or less. Situated, lying and being in Cullman County, Alabama.

LESS AND EXCEPT:
Commence at the Northwest corner of the Southwest Quarter of the Northwest Quarter of Section 22, Township 9 South, Range 3 West and run thence South 02 Degrees 48'59" East along the section line a distance of 655.20 feet, thence North 86 Degrees 24'25" East, 193.65 feet to the point of beginning of the tract herein described, thence North 02 Degrees 48'59" West 92.09 feet; thence North 89 Degrees 56'59" East, 81.47 feet; thence South 02 Degrees 28'45" East 87.06 feet to a point on the North right of way line of County Road 1334; thence South [sic] North 86 Degrees 24'25" West along said right of way line a distance of 80.87 feet to the point of beginning. Said tract lying in and being a part of the Southwest Quarter of the Northwest Quarter of Section 22, Township 9 South, Range 3 West, Cullman County, Alabama, and containing 0.17 acre, more or less.

Said sale is made for the purpose of paying the mortgage debt and cost of foreclosure.

Alabama law gives some persons who have an interest in property the right to redeem the property under certain circumstances. Programs may also exist that help persons avoid or delay the foreclosure process. An attorney should be consulted to help you understand these rights and programs as part of the foreclosure process.

Writ of Execution Parties: Redstone Federal Credit Union
vs.
Kevin S. Serpa aka Shane Serpa
565 County Road 1615
Cullman, AL 35058

By virtue of an Execution issued to me by Madison County Circuit Clerk Debra Kizer, pursuant to the Code of Alabama, requiring me to make the sum as provided for in said Execution issued on a judgment, with interest and cost. Upon the expiration of proper notice and advertisement, I will expose at public sale to the highest bidder at the date, time, and location listed above, all right, title, and interest of Kevin S. Serpa aka Shane Serpa, in the real property, described as follows:

Tract I

A parcel in the Northwest Quarter of the Southeast Quarter of Section 9, Township 10 South, Range 2 West, more particularly described as: Commencing at an existing 1" pipe marking the accepted Southeast corner of said forty; thence N 0°53'35"W along the accepted East line of said forty a distance of 368 feet; thence S 84°50'02"W a distance of 169.02 feet to and existing 1" pipe on the North right of way of County Road 1615 and the true point of beginning of the property herein described; thence N 16°22'14"W 206.33 feet to an existing ½" pipe; thence S 66°47'46"W 97 feet; thence Southerly 180 feet, more or less, to a point on the North right of way of County Road 1615 to a point lying 20 feet West of the existing West line of an existing gravel drive; thence N 82°35'00"E along the North right of way of said road 88 feet, more or less, to the point of beginning.

COPY

Tract II

A parcel in the Northwest Quarter of the Southeast Quarter of Section 9, Township 10 South, Range 2 West, more particularly described as: Commencing at an existing 1" pipe marking the accepted Southeast corner of said forty; thence N 0°53'35"W along the accepted East line of said forty a distance of 368 feet; thence S 84°50'02"W a distance of 169.02 feet to an existing 1" pipe on the North right of way of County Road 1615; thence N 16°22'14"W 206.33 feet to an existing ½" pipe; thence S 66°47'46"W 97 feet to the point of beginning of the tract herein conveyed; thence Southerly 180 feet, more or less, to a point on the North right of way of County Road 1615 to a point lying 20 feet West of the existing West line of an existing gravel drive; thence S 82°35'00"W along the North right of way of said road 62.02 feet, more or less, to an existing rebar; thence S 89°30'24"W along said right of way a distance of 130 feet to an existing rebar iron; thence leaving said right of way run N 16°32'15"E a distance of 148.06 feet to an existing ¼" pipe; thence N 66°47'46"E a distance of 97.21 feet, more or less, back to the point of the beginning.

Less and Except mineral/mining rights on such real property not owned by the Grantor

Subject to easements, encumbrances, restrictions, rights of way, covenants, encroachments, set-back lines, restrictions, ad valorem taxes for the current year, and agreements and all other matters of record which are applicable to the above-described real estate or that would be disclosed by and accurate survey or careful physical inspection of the above-described real property.

This conveyance is subject to the following:

1. Subject to right of way for County Road 1615.
2.

Property Address: 656 County Road 1615 & 553 County Road 1615, Cullman, AL 35058
$49,500.00 of the consideration herein was derived from a mortgage loan closed simultaneously herewith.

FOR SOURCE OF TITLE, SEE DEED BOOK 637, PAGE 972 RECORDED IN THE OFFICE OF THE JUDGE OF PROBATE OF CULLMAN COUNTY, ALABAMA.

THEREFORE, according to said command, I shall expose for sale at public auction, all the right, title, and interest of the above-named Gregory Alan Johnson, in and to the above-described property on the date listed above, subject to all prior encumbrances of record.

Dated this the 2nd day of August, 2021.

Good Samaritan Benefit Concert receives Diamond Sponsor

Ashlyn Grey
ashlyn@cullmantribune.com

CULLMAN, Ala. — The check for the Diamond Level Sponsorship for the upcoming 6th Annual Caring for Cullman Concert by Good Samaritan Health Clinic of Cullman was presented on Tuesday by Cullman Savings Bank CEO and President John Riley to Clinic Executive Director Jolanda Hutson, alongside Executive Bank Vice President Taira Ugarkovich at Cullman Savings Bank.

When speaking with Hutson on receiving the annual concert's highest level of sponsorship, she explained, "We are grateful for Cullman Savings Bank for their continued partnership, not only as our sole Diamond Sponsor, but also as they support out mission in many other ways throughout the year.

"For example, last year during the height of the pandemic, Cullman Savings Bank provided Walmart gift cards to the first 10 new patients who qualified for the clinic. It is partnerships like that that really make an impact on our community."

Riley shared about the partnership, "Cullman Savings Bank has been involved with Good Samaritan Clinic for pretty close to the beginning.

"We are always looking for ways to help them raise money because of the work they do. It is just another way of us helping out on their mission."

Ugarkovich, who is also a board member of Good Samaritan said, "We have had a partnership with Good Samaritan since I have been here, for six years at least.

"When I learned more about the clinic through working here, that is what made me want to learn more about what they do and when I did, I wanted to become a part of it. They do really good for the community."

The 2020 Caring for Cullman Concert was canceled due to COVID-19, but many have high expectations for what the return of this event could mean for the community.

Hutson shared, "We are thrilled to host the event again this year. Several attendees of prior concerts have expressed their excitement to be able to come back for this great evening of entertainment.

"We are hopeful that the uptick in COVID cases will decline prior to October so that we are not forced to change our plans."

Riley agreed, saying, "I think everybody is trying to get back to somewhat normal so it is exciting anytime that we can do anything that is more of a normal thing to do. I think it is great we are giving it a shot and I hope it works out."

The entertainment for the 6th Annual Caring for Cullman Concert, back by popular demand, will be the Triumphant Quartet, alongside Christian comedian and author Mickey Bell.

When the event was first hosted in 2015, the goal was to invite entertainers from Cullman. Acts in previous years have featured Paige Harbison, a Cullman native and Dollywood entertainer, and Bama Blue Grace, an award-winning family group from Crane Hill who is now known throughout the region.

The Triumphant Quartet has been a part of the concert since the beginning, with Cullman native and West Point High School graduate Eric Bennett as their bass singer.

Triumphant has grown quite the following, with Hutson sharing with that in the first year, there were people in the audience from Tennessee, Georgia and Texas.

The 6th Annual Caring for Cullman Concert will be Monday, Oct. 18, at 6 p.m. at Northbrook Baptist Church (3691 Alabama Highway 157, Cullman, AL 35058). All tickets purchased are $15 purchased at the door and $18 when purchased online.

Beginning in September, advance tickets may be purchased online at https://www.goodsamaritancullman.com/ or at the following ticket outlets:

- The Good Samaritan Health Clinic (401 Arnold St. NE, Suite A),
- Yates Chance Christian Bookstore (1650 Second Ave. SW) and
- Borden Family Pharmacy (3190 Alabama Highway 157).

The sponsorship levels and benefits are:

- Bronze ($100), which features the sponsor name listed in the event program and two general admission tickets;
- Silver ($500), which features acknowledgement of the sponsor on social media, sponsor name listed in the event program and two general admission tickets;
- Gold ($1,000), which features sponsor name listed on sign entrance, acknowledgement of the sponsor on social media, sponsor name listed in event program and 10 general admission tickets;
- Platinum ($2,500), which features sponsor name listed on sign at entrance, acknowledgement of the sponsor on social media, sponsor name listed in the event program and 40 general admission tickets; and
- Diamond ($5,000), which features the sponsor logo printed on all concert posters, post cards and tickets, sponsor name listed on sign at entrance, acknowledgement of the sponsor on social media, sponsor name listed in the event program and 40 general admission tickets.

Levels Bronze, Silver, Gold, and Platinum must all be received by Tuesday, Sept. 28. For questions about becoming an event sponsor, or to learn more about supporting the Good Samaritan Health Clinic, contact Director Jolanda Hutson at jhutson@goodsamaritancullman.com or 256-255-5964.
