‘This town has come a long way!’

South Vinemont Town Council presents clean 2020 audit at Tuesday meeting

Christy Perry
christy@cullmantribune.com

VINEMONT, Ala. — “This town has come a long way!” CPA Larry Cooke had that to say about the Town of South Vinemont at their October council meeting. Cooke was at the meeting to present the town’s 2020 audit and described the audit as clean with no major discrepancies.

Cooke explained to the council, “Normally, we like to say 60 days cash on hand is really good. “At the end of 2020, you had 368 days, so your cash position was more than good. It was excellent.”

To give the council a better idea of how far they had come over the past several years, Cooke looked back and discovered that 10 years ago, the Town of South Vinemont had only five days. Five years earlier, they had only 36 days.

According to the 2010 audit, South Vinemont had only $4,132 in unrestricted cash on hand. The 2020 audit showed $388,000.

The report by Cooke left Mayor Radginal Dodson almost speechless.

He said, “You just knocked my socks off,” and thanked Town Clerk Kayecea Sasser for her diligence and excellent work in handling the town’s business.

The council voted at last month’s meeting to surplus the disc golf baskets after upgrading to tournament quality baskets at the town’s disc golf course. They voted Tuesday to donate the old baskets to several area schools including Vinemont, Fairview, Hanceville and the Cullman County Child Development Center. Ridgeway Street and the area in front of the fire department bays will soon be resurfaced. The council voted unanimously to use a portion of their American Rescue Fund Money to improve » PAGE 8

Senior Day makes a return to the 2021 Cullman County Fair

Seniors enjoy the 2021 Cullman County Senior Fair Day after it being canceled last year.

CULLMAN, Ala. — Senior Fair Day 2021 was back Wednesday after being canceled in 2020 due to the pandemic. The Coca-Cola Theater was full of Cullman County’s 60 and over crowd, as it was their turn to have a little fun at the Cullman County Fair.

Many favorite contests were back this year including buck dancing and pig calling. Cullman County Commission Chairman Jeff Clemons, Commissioners Kerry Watson and Garry Marchman and District Attorney Wilson Blaylock joined in on the fun as they danced to “Rocky Top.”

The ladies of the Silver Spirit Kickers from Cullman’s Active Adult Center fired up the crowd with several high-energy dance routines. Also entertaining and serving as master of ceremonies was Ms. Senior Alabama 2021 Tammy Little Haynes. United States Senate candidate Katie Britt also stopped by and spoke to the crowd.

This year, the seniors were able to take a spin on the carousel and Ferris wheel, as well as visiting the many exhibits. Barbara Ruebush made her » PAGE 5

Local teams fighting for playoff position in week 8

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – With the 2021 AHSAA State Playoffs right around the corner, each game remaining on the schedule becomes more important with each passing week. A few teams like Cullman, Arab, Meek, Good Hope and Fairview have already secured a spot in the postseason but everyone else is still working to earn one of those spots in their region. Each team has only two or three regular season games remaining so wins in these final weeks will be critical to determining which teams go to the playoffs and where they'll be seeded.

Cullman (6-2) v. Athens (4-4)
The Bearcats will return to Oliver Woodard Stadium Friday night after handling Columbia on the road 42-8 last week and Cullman will definitely have more to worry about when they face Athens. The Eagles are coming off a 27-24 win over Buckhorn, but they dropped back to back road games before playing the Bucks. Athens is just 1-3 on the road this season while the Bearcats are 3-1 on their home field so home field advantage could be a big factor when these two meet Friday night. The Eagles are allowing just over 30 points per game so if Cullman's offense can stay hot, it'll have opportunities to put points on the board. The Bearcats fell at Athens 28-0 last year, so they'll be excited to hit the field and try to get some revenge this time around.

Fairview (6-1) v. Brewer (1-7)
The Aggies are coming off a dominant performance at Crossville last week in which they pulled away early to claim a 55-6 win and they'll be back home Friday night. This time, Fairview will host Brewer for a non-region matchup against the Patriots. Brewer picked up its first win of the season over Mae Jemison last week so the Patriots are riding some momentum, but it may not be enough to take down the Aggies. Opponents are scoring nearly 44 points per game against Brewer this season and Fairview is coming to town averaging 41 points per game so things could be setting up for another explosive night for the Aggie offense.

West Point (5-2) at Douglas (4-3)
After narrowly defeating Sardis at home last week, the West Point Warriors will hit the road this week for a regional matchup at Douglas. A win over the Eagles would all but secure a playoff spot for the Warriors. Douglas got off to a 3-0 start this season but has now dropped three of its last four games coming into Friday night's clash with West Point. During that stretch, the Eagles have been outscored 156-86 so they've been struggling on the defensive side of the ball. Meanwhile, the Warriors are scoring just 16 points per game this season and have had their own struggles on the offensive side of the ball. One of those two units will have to step up and make the difference Friday night and if West Point can leave Douglas with a win, it'll be in great shape to make it to the postseason.

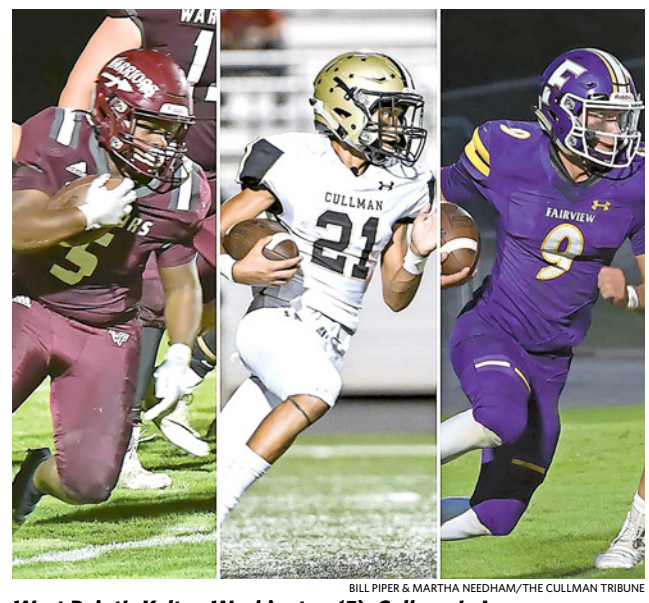

Good Hope (6-2) v. Dora (5-2)
The Raiders hammered Fultondale 28-3 last week to punch their ticket to the postseason, but they can continue to improve their position and build momentum in their final two regular season games, starting this week with Dora. The Bulldogs topped Ashville 21-0 last week and have won three in a row coming into Friday night's matchup. Dora's defense has been stellar this season, allowing only 11 points per game but Good Hope's offense has shown that it can be explosive and put pressure on good defensive teams. The Raiders have also been stingy on the defense side, allowing only 15 points per game so far this season so points will be at a premium when these teams meet Friday night.

Hanceville (2-5) v. Ashville (3-4)
Last week's road trip to Etowah was a tough one for the Hanceville Bulldogs but they'll have a chance to bounce back at home against Ashville this week. The Bulldogs of Ashville fell to Dora 21-0 last week and have had some problems on the offensive side of the ball this season. Ashville is scoring just 12 points per game so if the Hanceville defense can play sound football Friday night, they'll have a chance to control the game against Ashville. Injuries have plagued the Hanceville offense the last few weeks but if the Bulldogs can get something going in the run game, they'll have an opportunity to knock off Ashville and finish the regular seasons strong.

Vinemont (3-4) at Oakman (5-2)
After taking down Susan Moore in a thrilling, 50-42 shootout last week, Vinemont will be back on the road Friday night for another regional matchup against Oakman. The Wildcats have won three straight coming into this week's game and are one of the top teams in Region 6. Oakman is putting up 35 points per game this season and the Eagles are allowing 35 points per game to opponents on the defensive side so Vinemont may have to win another shootout to take down the Wildcats. The Eagles have a 2-2 record on the road this season and they if they can play sound on both sides of the ball this week, they'll have another chance to pick up another big region win.

Holly Pond (3-4) v. Susan Moore (3-4)
The Broncos fell to Winfield at home last week but they're returning to their home field Friday night for another big region matchup against Susan Moore. The Bulldogs dropped a shootout against Vinemont last week and have lost four straight coming into this week's meeting with Holly Pond. Susan Moore took last year's matchup 35-6 so the Broncos will be looking for some payback when the Bulldogs arrive Friday night.

Cold Springs (0-7) v. Winston County (3-4)
This season has not gone according to plan for the Cold Springs Eagles, but they still have a chance to grab a big win Friday night. The Eagles will return home to take on Winston County this week and will have a chance to knock off a Yellow Jackets team that has lost back to back games and has been struggling to put points on the board. Winston County is scoring just 15 points per game this season and is also 1-2 on the road so if Cold Springs can execute on defense and make some plays on the offensive side, it'll have an opportunity to take down Winston County and collect its first win of the season.

BILL PIPER & MARTHA NEEDHAM/THE CULLMAN TRIBUNE

West Point's Kelton Washington (5), Cullman's Jamar Kay (21) and Fairview's Parker Martin (9).

Addison (4-4) v. Hamilton (4-4)
It's been an up and down year for the Addison Bulldogs. Injuries have been a problem for the Bulldogs and this season hasn't gone the way many fans were hoping but Addison still has a chance to finish the regular season strong and even make it back to the postseason. This week's clash with Hamilton is non-region game but a great performance against the Aggies could build some momentum for the Bulldogs going into their final regular season matchup against Sulligent next week.

Meek (5-2) at Pickens County (6-1)
The Tigers secure a playoff spot for the first time since 2017 with their 46-15 win at Lynn last week and they plan to continue stacking the win column before the regular season wraps up. This week, they have a long trip to Pickens County for a regional matchup against the Tornadoes, one of the toughest opponents on their schedule this season. Pickens County is holding teams to just 12 points per game this season so Meek will have to execute at a high level to put points on the board against the Tornadoes Friday night. The Tigers are scoring over 33 points per game so something will have to give when these two meet.

Good Hope sweeps Fairview in final regular season match

Sammy Confer
sammy@cullmantribune.com

GOOD HOPE, Ala. — Fairview traveled to take on Good Hope in Mondy afternoon volleyball action. In their final regular season match, the Lady Raiders got all they could handle from the Lady Aggies, but they ended up sweeping Fairview 3-0.

Good Hope 25 - Fairview 22 (1st set)
Good Hope jumped out to a quick 3-0 lead, but Fairview went on a little mini-run and an ace by Jaycee Aleman tied the game up at four. Each team went back-and-forth for a little while, then three straight points by the Lady Raiders, including a kill by Katie Creel and an ace by Kyndall Seal, gave them a 9-7 lead. A kill by Ivey Maddox helped stretch the Good Hope lead to 15-9 and later on, they made it 18-11 after a point by Bailey Keef. But the Lady Aggies made it really interesting towards the end of the first set, as back-to-back kills by Kabri Redding and Ava Calvarese helped cut the deficit to 21-16, then a point by Laci Segrest made it a four-point contest. The Lady Raiders made it 24-20 on a Maddox kill, but a point by Fairview's Cassidy Hutchison helped make it 24-22, but Maddox got the final kill to help seal the 25-22 gut-wrenching win in the first set.

Maddox finished with three kills, a dig, and a point for Good Hope. Keef added three points, an ace and a kill. Ruby Lucas ended up with three points. Charly Johnson added a pair of kills. Seal ended up with an ace and a point. Creel finished with a kill and a point, while Addie Stripling chipped in with a couple of digs. For Fairview, Hutchison finished with two points and a kill. Redding added a pair of kills. Segrest ended up with a kill and a point. Aleman added an ace and Calvarese chipped in with a kill.

Good Hope 25 - Fairview 23 (2nd set)
The second set was similar to the first, as both teams went back-and-forth for the whole set. A kill by Keef helped give Good Hope a 6-3 lead and an ace by Seal made it 8-4, but Fairview made it 8-7 after an ace of their own by Abby McDonald. The deficit was no more than five for the whole contest. A Maddie McKenney ace helped increase the Lady Raider lead to 14-9, but the Lady Aggies didn't let them get out to a much bigger lead than that as huge kills by Emma Garcia, Hutchison, and Segret helped them keep the deficit at three several times during the second set. Fairview cut the deficit to 24-23 after a Sadie Smith kill, but a huge point by Keef helped give the Lady Raiders a 25-23 win.

Maddox finished with three points, a pair of kills, and a block point for Good Hope. Keef added a trio of kills, a pair of points, and a block point. McKenney ended up with a pair of aces and a dig. Johnson added a kill and a block point. Seal finished with an ace. Creel chipped in with a kill and Stripling finished with yet another dig. For Fairview, Hutchison finished with a game-high four kills. Segrest added three kills of her own, along with an ace. Garcia ended up with a kill as well. McDonald added an ace. Smith chipped in with a kill and Calvarese finished with a point.

Good Hope 25 - Fairview 19 (3rd set)
Good Hope got off to a really fast start in the third set. Behind a pair of kills by Maddox, a kill by Lucas, and an ace each by McKenney and Emma Bailey, the Lady Raiders ran off to a quick 6-1 lead. But as you already guessed, Fairview quickly went on a little mini-run as they made it 6-4 after an Allie Scott ace. Every time that Good Hope tried to pull away from the Lady Aggies, Fairview came right back with a little run of their own. A huge dig by Stripling later led to a Seal kill and that gave the Lady Raiders a 14-9 lead. Another huge dig, this time by Maddox, later led to a Keef kill, and that helped stretch the Good Hope lead to 19-13. But the Lady Aggies cut the deficit to 20-17 on an ace by Calvarese. Back-to-back key aces by Stripling, plus a point by Maddox, helped push the Lady Raider lead to 24-17. Fairview looked for one more big run as a Garcia ace cut the deficit to 24-19, but Maddox quickly put an end to the game as her kill helped seal the 25-19 win for the Lady Raiders.

SAMMY CONFER/THE CULLMAN TRIBUNE

Good Hope's Ivey Maddox goes up for a kill in the Lady Raiders' 3-0 sweep of Fairview.

Maddox finished with four more kills in the third set for Good Hope (26-11). Keef added three more kills. McKenney and Stripling each finished with a couple of aces; McKenney added a dig as well. Creel and Lucas each finished with a kill. Seal added a kill and an ace while Bailey and Marlee Williams each finished with an ace. For Fairview, Redding had a huge game as she finished with four kills and two points. Hutchison added a trio of kills. Smith, Segrest, and Scott all finished with an ace each while Garcia chipped in with a point.

Good Hope will now start preparing for the area tournament that will begin Thursday, and they will take on the Curry-Hanceville winner for the area championship at 2:30 p.m. Fairview will travel to take on Lawrence County Tuesday at 4 p.m.

VINEMONT, Ala. — Beginning promptly at 8:30 a.m. today, the Cullman Regional Airport will conduct a full-scale exercise which is limited to a 4-hour training incident.

CRA general manager Ben Harrison stated on Wednesday, "Dispatch centers should be aware that any call/messaging regarding the exercise will begin 'This is an exercise message' and end the same way."

He continued, "Dispatch centers may receive calls from concerned citizens reporting 'something going on' at the airport, we ask that you relay the information that this is a training session and not an emergency.

"If you have any questions and/or concerns, please call Ben Harrison at 256-531-6666."

Due to the limited time of the exercise, agencies will pre-position equipment in the area of the airport.

Harrison stated that he does not want the public alarmed at the training exercise.

"The objective is to provide training for emergency responders with a goal of doing so in the safest manner possible," he said.

"Once the event is over, media will have a chance to observe and report back what all has taken place."

More than anything, the seniors the Tribune spoke with were happy to feel included again. After having most senior events canceled for more than a year, the return of senior events, including Oktoberfest, has been a relief.

CULLMAN, Ala. — Cullman High School and Wallace State Community College came together on the CHS campus Monday evening to offer an event that could allow parents and students an opportunity to learn how to prepare for their next possible course in life.

Cullman City Schools Secondary/Career Technical Education Coordinator Lindsay Brannon gave a statement, saying, "Cullman City Schools is proud to partner with Wallace State Community College for the first Career and College Exploration Fair. During this event, students and families are able to meet with representatives from Wallace State Community College to explore the variety of programs available right here in our own community. Our goal is to align every Cullman High School CTE program with dual enrollment opportunities at WSCC. We want to get the message out that there are Career Tech dual enrollment opportunities where students can earn college credit while in high school. In turn, when students graduate, they will be prepared to go straight into the workforce and earn competitive wages. Industry leaders are looking to us to help provide their future workforce. Hopefully events like this will be a win-win for our students, Wallace State, and local industry leaders."

As students and parents walked through Tillman Hall, tables lined the entire room with instructors from several of Wallace State's largest programs including Aviation/Flight Technology, Machine Tool Technology, Salon & Spa Management, Child Development, Paralegal, Business Management & Supervision, Business Education & Office Administration, Criminal Justice, Dental Assisting, Dental Hygienist, Pharmacy Technology, Medical Assistant, Emergency Medical Services and Diagnostic Medical Sonography.

Also present were tables dedicated solely to helping parents and students understand Dual Enrollment or AP classes, and how those programs can help students when beginning to work for college credits.

The head table was led by The Center for Career and Workforce Development, with director Jamie Blackmon sharing, "What we do is we help connect students to jobs and work-based learning opportunities, testing, short-term training. It all falls under our umbrella. FAME is a program with our mechatronics group, and it was a similar idea with Mercedes and our Automotive and Collision Repair program. We have the same kind of agreement with them where we train and trade to work."

CHS Principal Kim Hall said of the event, "Concurrently, Cullman High School guidance counselors are offering two college planning seminars—one at 4:30 p.m. and one at 5:30 p.m.—to help students navigate and prepare for the college application process as well as NCAA eligibility, scholarship opportunities and FAFSA.

"These seminars will also be attended by a representative from Wallace to help talk about and break down FAFSA to provide a better understanding for students and parents."

Topics included in the seminar included: how to identify colleges to best meet student needs, understanding the procedures for visiting colleges – such as excused and unexcused absences for college visits, understanding the Free Application for Federal Student Aid process, gaining knowledge of scholarships available for students, learning the process for ordering transcripts through Parchment, preparing to apply for college and obtain letters of recommendation and gaining knowledge of the NCAA process for potential collegiate athletes.

Head Guidance Counselor Jill Bishop Hollis, when asked about the reallowance of college visits to Cullman High School, shared, "We are allowing college representatives to come back on campus starting this fall.

"They will be in Tillman Hall on Thursday afternoons during Bearcat Enrichment. So, if they contact us like UAB already has, Jacksonville State, Montevallo, Troy, Alabama, Auburn, Mississippi State and University of Mississippi are just some of the schools that are fighting to make their way back to Cullman High School. We will be notifying our students through Schoology, as well as through morning announcements, and then through English and history classes that our campuses will be hosting these representatives, and it will be open for juniors and seniors."

Guidance Counselor Kristin Gragg went over several policies and tips such as how to ensure that their absences due to college visits are excused according to CHS policy, and how to ensure that students' social media profiles reflect who they want to be perceived as, in a professional way as a student.

Gragg said, "College Application Week begins on Oct. 18 – 22. This week, a lot of colleges join together and wave application fees. So, if you are a senior and you are applying for college, go ahead and apply, even if you aren't sure, because your fee will most likely be waived this week."

She continued, "We also have some career coaches that will be coming, and our counselors will be walking every high school senior through the application process at WSCC.

"That will ensure that we know that all of our students have had the opportunity to apply for college and we know that they know the steps and they can apply for any college that they want to apply for, and we have ensured that they know the process and how to successfully complete that application."

Todd Abbott, director of Educational Talent Search for WSCC, made sure to mention, "Wallace State will be hosting a FAFSA Night on Oct. 18 from 4:30–6:30 p.m. and it will be in the Nursing Building. There will be tons of folks from Financial Aid, some folks from my department advising, and we are going to help you knock those things out. Do come with your tax forms for this next fall, those would be 2020 taxes and if your students work, they will need to bring theirs as well. Our department is here to help guide you."

The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Make vaccination a priority

At the height of vaccine administration on April 8, 45,128 vaccine doses were given. Young people and others who are taking a wait-and-see stance on vaccination should be aware that they need to protect themselves, their families, friends and communities by getting vaccinated as soon as they can. Safe, effective and free vaccine shields vulnerable people and saves lives.
