Cullman County Commission Chairman Jeff Clemons on how he and his team secure grants for Cullman County

Christy Perry
christy@cullmantribune.com

CULLMAN, Ala. — When Cullman County Commission Chairman Jeff "Clem" Clemons took office almost one year ago, his main area of focus was Cullman County Economic Development. Bradley Williams was named Director of the CCED and he assembled his team and got to work. Almost one year later, they have secured over $1.6 million in state and federal grants for Cullman County and an additional $144,000 for municipalities within Cullman County.

Williams and Project Coordinator Matt Kinsland sat down with the Tribune to talk about the important work they do and to explain how grants work. Cullman County is unique in having its own economic development office. Williams said, "We use a consultant that helps us, and you can go through NARCOG and they can do grants for you and they did for Stony Lonesome. The COG's will do grants for counties that don't have their own."

Having a team to focus on available grant monies for specific projects helps the county by not always relying on the county's general fund to make improvements or fund projects and assures available money doesn't fall through the cracks.

One recent example of the importance of grants is Stony Lonesome OHV Park and damage to the trail bridges after recent flooding. Williams explained the $524,937 the county received for the Recreational Trails Program, "That is a grant for bridges, trails and those types of things. One of the bridges is gone and one is left because of the flooding. If we hadn't applied for this, general fund money would have » PAGE 6

Maresh goes on trial in 2018 murder of Daniel Osborn

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. — Andrew Maresh, 21, of Falkville, began his trial following jury selection on Monday in the 2018 death of Daniel Ray Osborn II. Maresh and co-defendant Tyler Hudson are charged with shooting Osborn on the property of Maresh's grandmother Susan Smith on County Road 1534 near Fairview and burying the body at the same location. Hudson currently awaits trial and has been called as a witness in Maresh's case.

According to court records, the Cullman County Sheriff's Office received an anonymous tip on March 26, 2018, that Osborn was buried on Smith's property. CCSO investigators located the body later that day. They picked up Hudson the same day following the discovery, and Maresh turned himself in accompanied by an attorney that evening. Smith was later charged with murder and hindering prosecution for not reporting the incident or location of the body on her property.

A Cullman County Sheriff's Office report on the case indicates that Maresh blamed Hudson for the murder and initially denied any part in the crime.

According to the report:
"He (Maresh) told investigators that on 2/3/2018 he was with Tyler Hudson and Daniel Osborn at his grandmother's residence. Hudson and Osborn got into some kind of altercation or argument near the shop located on the property. He went inside the shop and a short time later, heard two gunshots ring out. Hudson then walked back in and told him he had shot Osborn. He said Hudson then buried the body of Osborn behind the pool area by himself. Maresh said he never participated in the murder or burial of Daniel Osborn."

Later, however, according to the same report:
"On 3/29/18, Investigator (Joey) Clark learned that Maresh wanted to talk with him again about this case. Maresh was given his Miranda Rights again which he waived and stated that he did not need, nor want, his attorney present. He told the investigator that he did actually help in the burial of Osborn. He and Hudson went to Lowe's earlier to purchase shovels to aid in the burial. He further said he told his grandmother that Osborn was buried on her property after an altercation between the three of them where Osborn was shot and killed."

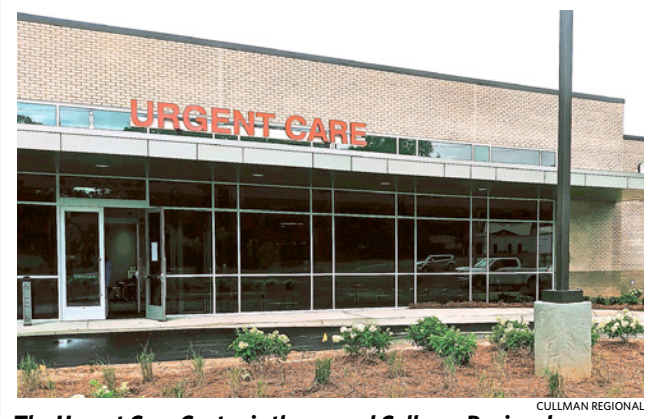

District Court records, made before the case was transferred to the Circuit Court, said that Hudson "stated that he is in fear of his own life and that he would commit suicide due to the fact that he couldn't live with what he had done," and, "The offender admitted to being involved in a murder on February 3, 2018." The record also said that Maresh admitted to his involvement, and that he "has made threats toward the co-defendant » PAGE 6

HARTSELLE, Ala. — Cullman Regional has opened a new Urgent Care Center at Hartselle Health Park, providing the community new and much needed health care services.

"Access to health care is vital for communities like Hartselle," said Cullman Regional CEO James Clements. "We're immensely proud of Hartselle Health Park and the medical services it offers. We believe Morgan County residents deserve convenient, quality care from providers they can trust." The Urgent Care Center, located at 1549 U.S. Highway 31 NW, provides treatment for minor illness and injury seven days a week. With access to on-site diagnostic tools like X-ray and lab services, providers can treat patients with a wide variety of medical concerns. Local employers can also use the Urgent Care Center for occupational health services including workers' compensation care.

The Urgent Care Center is the second Cullman Regional medical service to open in Hartselle. Earlier this year, the hospital established an outpatient clinic providing local access to several physician specialties including orthopedics, spine care, general surgery, cardiology, urology and pulmonology among others. In November, a third medical service will be added to the Health Park once the Imaging Center opens. The Imaging Center will immediately offer X-ray, MRI, 3-D mammography and in January 2022, CT scanning.

Patients do not need an appointment to be seen at the Urgent Care Center, but online check-in is available to minimize time spent in the waiting room. Car check-in is also available to give patients the option of staying in their car while they wait to be seen. The Urgent Care Center is open Monday – Friday from 9 a.m. – 7 p.m. and on Saturday and Sunday from 9 a.m. – 5 p.m.

COVID-19 BY THE NUMBERS

Monday, Oct. 18, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)

- Positivity in tests in Alabama: 7.5%
- Confirmed cases in Alabama (2020): 388,287
- Confirmed cases in Alabama (2021): 426,076 (+ 1,686 since Friday)
- Total confirmed deaths in Alabama (2020): 7,188
- Total confirmed deaths in Alabama (2021): 7,991 (+ 37 since Friday)
- Positivity in tests in Cullman Co.: 4.6%
- Total confirmed cases in Cullman Co. (2020): 7,590
- Total confirmed cases in Cullman Co. (2021): 7,743 (+ 36 since Friday)
- Deaths in Cullman Co. (2020): 129
- Deaths in Cullman Co. (2021): 161 (+ 0 since Friday)
- Total tested in Cullman Co. in the last 7 days: 1,420
- Total tested positive in Cullman Co. in the last 7 days: 66
- Total tested in Alabama in the last 7 days: 51,052
- Total positive tests in Alabama in the last 7 days: 3,846
- Currently hospitalized in Alabama: 696

Vaccine details (updated Tuesday and Thursday) No Updates Available

- Doses delivered to Alabama: 6,647,385
- Doses delivered to Alabama providers: 3,820,455
- Doses administered: 4,393,919
- Number of people receiving one or more doses: 2,483,465
- Number of people who have completed vaccine series: 2,043,000
- Doses delivered to federal programs: 2,826,930

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

View the Alabama COVID-19 Vaccination Allocation Plan at: www.alabamapublichealth.gov/covid19vaccine/assets/adph-covid19-vaccination-allocation-plan.pdf

Make vaccination a priority

At the height of vaccine administration on April 8, 45,128 vaccine doses were given. Young people and others who are taking a wait-and-see stance on vaccination should be aware that they need to protect themselves, their families, friends and communities by getting vaccinated as soon as they can. Safe, effective and free vaccine shields vulnerable people and saves lives.

CULLMAN, Ala. — The Cullman County Animal Shelter's Donna Ruttkay shares the Cullman Tribune Pet of the Week:

Greta is a 2.5-year-old Shepherd/Heeler mix. She is a medium-energy gal who is an attentive gal who enjoys spending time with her special person and makes a lovely companion.

She is especially polite and is respectfully quiet while kenneled. She possesses excellent leash skills and an unassuming spirit. While her tongue has black spots, they are healthy freckles rather than signs of Chow Chow origin.

Greta is ready to make someone an awesome therapy, companion or hiking dog!

Greta's adoption fee is $100 which includes DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, spaying, microchip, free 30-day health insurance policy issued by 24PetWatch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior. Several of the shelter's canine friends have even been "hired" to work as therapy and special needs service dogs.

Please consider adopting to give a rescued pet a chance at a happy and healthy life.

Contact the Cullman County Animal Shelter at 256-734-5448 or visit them at 935 Convent Road NE. Reach them by email at cullmancountyanimalshelter@gmail.com.

Good news!
Ruttkay shared with us that recent POTW Libby was adopted last week!

Thanks to the whole community for making forever homes a regular destination for our furry friends.

No. 5 Alabama beats Mississippi State, 49-9, Saturday

Josh Maxson
UA Athletics

STARKVILLE, Miss. – The No. 5/5 University of Alabama football team held Mississippi State to less than 10 points Saturday night, defeating the Bulldogs 49-9 at Davis Wade Stadium in Starkville, Miss. It marked the 95th time the Crimson Tide has held an opponent under 10 points during Nick Saban's tenure as head coach.

Quarterback Bryce Young completed 20-of-28 passes for 348 yards and four touchdowns to four different targets against the Bulldogs. The sophomore was also 6-of-6 for 159 yards on 3rd down passing, with three of those plays resulting in a touchdown.

Running back Brian Robinson Jr. rushed 19 times for 73 yards and two touchdowns to go with five catches, 68 yards and a touchdown receiving.

Wide receiver John Metchie III reeled in 117 yards and a touchdown off seven catches, eclipsing the 100-yard barrier for the first time this season.

Wide receiver Jameson Williams had two catches for 77 yards, including a 75-yard catch and run for a touchdown. Wide receiver Traeshon Holden had three catches for 70 yards and a score.

Linebacker Will Anderson Jr., had a career night in Starkville, recording four sacks and four tackles for loss. Linebacker Henry To'oTo'o led the game with a season-high 13 total tackles, including a game-high seven solo stops, adding 1.5 tackles for loss.Safety Jordan Battle had two interceptions on the night, including a 40-yard pick six in the first quarter, to go with seven tackles, including five solo stops.

Placekicker Will Reichard came away with seven extra points during the game.

Postgame notes

• Saturday marked Nick Saban's 200th game as the Crimson Tide's head coach.

• Alabama has scored 30-or-more points in 33 straight games, the longest streak in major college football history.

• Dating back to the start of the 2015 season, UA's defense has limited the opposition to 10 or fewer points 38 times across 91 total contests.

• Will Anderson Jr. became just the third player in Alabama history to record at least four sacks in a game and the first since 1988. Derrick Thomas had five sacks at Texas A&M and four sacks at Kentucky, both in 1988, while Leroy Cook had four sacks against Tennessee in 1975.

• Going into Saturday's matchup at Mississippi State, Anderson Jr. had 10 career sacks (seven in 2020, three in 2021).

• Anderson Jr. also regained the national lead in tackles for loss following his performance at Mississippi State, recording 15 this season. The sophomore had a career-high four tackles for loss in the game.

• Alabama recorded its 85th non-offensive touchdown of the Saban era Saturday, when Jordan Battle returned a 40-yard interception for a touchdown.

• It marked Battles second career pick-six.

• It marked the Crimson Tide's first interception return for a touchdown this season.

• The Crimson Tide's five non-offensive touchdowns this season ties last season's total.

• John Metchie III totaled 97 yards in the first half against Mississippi State, the first time he has totaled as many yards in not just a half, but a game, this season.

• The junior caught a 46-yard pass from Byrce Young on Alabama's opening drive, his longest reception of the season. His previous longest was 41 yards against Mercer in the home opener.

• Alabama's captains at Mississippi State were defensive back Jordan Battle, linebacker Will Anderson Jr. and quarterback Bryce Young.

HOW IT HAPPENED

First quarter

• 10:34 – UA | Bryce Young connected with John Metchie III on a 46-yard touchdown pa ss on the Crimson Tide's opening drive to cap a six play, 65-yard drive that started with Josh Jobe's interception.

• 06:52 – MSU | Brandon Ruiz kicked a 44-yard field goal to post Mississippi State's first points in the game.

• 03:54 – UA | Jordan Battle scored on a 40-yard, pick-six.

Second quarter

• 03:15 – UA | Brian Robinson Jr. smashed his way into the Bulldog end zone from one yard out, concluding a series that lasted 16 plays, 93 yards and 7 minutes and 17 seconds.

• 00:59 – MSU | Ruiz kicked a 37-yard field goal.

Third quarter

• 14:46 – UA | Jameson Williams scored on a 75-yard touchdown pass from Young on Alabama's first play of the second half.

• 10:40 – MSU | Ruiz kicked a 37-yard field goal.

• 03:24 – UA | Robinson Jr. scored his second touchdown, and his first receiving touchdown, of the evening on a 51-yard pass from Young, concluding a seven-play, 84-yard series.

UA ATHLETICS

Alabama's John Metchie III finished with 117 yards and a touchdown against Mississippi State.

Fourth quarter

• 12:37 – UA | Robinson Jr. rushed three yards into the Bulldog end zone to cap a 10-play, 60-yard drive.

• 06:20 – UA | Traeshon Holden took a Young pass 29 yards into the endzone, closing the game's scoring.

Up next

Alabama will host Tennessee at Bryant-Denny Stadium on Saturday, Oct. 23. The homecoming game is scheduled for a 6 p.m. kickoff on ESPN.

Auburn earns 38-23 road win at No. 17 Arkansas

Jeff Shearer
AU Athletics

FAYETTEVILLE, Ark. – Bo Nix accounted for three touchdowns and Auburn took the lead on a defensive score in the third quarter to help the Tigers beat No. 17 Arkansas 38-23 Saturday at Reynolds Razorback Stadium.

"I'm really proud of our coaches, I'm proud of our players," Auburn coach Bryan Harsin said. "They had a good plan and they worked really hard leading into this game, and we had some guys really step up and make plays, which we needed to win. Overall, good team win."

Leading 31-23, the Tigers put away the game with a 12-play, 75-yard drive that chewed up 6 minutes and 11 seconds, culminating on Nix's 23-yard touchdown run with 2:30 to play.

"At the end, we wanted to run the ball, take up as much clock as possible and gain some yards on the ground and that's exactly what we did," Nix said. "The O-line did a great job getting a hat on a hat, and the tight ends did a good job of moving guys out of the way."

Nix completed 21 of 26 passes for 292 yards and two touchdowns, adding 42 rushing yards on five carries and a TD.

Arkansas claimed a 17-14 lead on the opening drive of the second half on KJ Jefferson's second touchdown pass to Treylon Burks, a 30-yarder.

After Oscar Chapman's 57-yard punt pinned the Razorbacks at their 11-yard-line, Colby Wooden's second sack set up third-and-15 at the Arkansas 6. Derick Hall sacked Jefferson in the end zone, forcing a fumble that Marcus Harris recovered for a touchdown to give Auburn a 21-17 lead.

Harris made another huge play on the next drive, stopping Jefferson short of a first down on fourth-and-3 at Auburn's 29-yard-line.

The Tigers scored on the next play when Nix connected with Demetris Robertson for a 71-yard touchdown pass to put Auburn ahead 28-17 with 4:16 remaining in the third quarter.

The Razorbacks drove 75 yards in 13 plays, scoring on a 10-yard touchdown run on the final play of the third quarter.

Roger McCreary broke up the Razorbacks' pass on a 2-point attempt, preserving Auburn's 28-23 lead as the fourth quarter commenced.

After Anders Carlson kicked a 29-yard field goal to give the Tigers a 31-23 lead with 10:35 to play, Auburn forced a three-and-out, giving Auburn possession at its 25-yard-line with 8:41 to play, setting the stage for Nix's touchdown run.

Auburn marched 75 yards on six plays on the game's opening drive with Nix completing all five of his pass attempts for 72 yards, including a 39-yard touchdown pass to Ja'Varrius Johnson for a 7-0 Tigers lead.

After Arkansas kicked a field goal to trim Auburn's lead to 7-3 after the first quarter, the Tigers made it 14-3 with 9:59 left in the half on Tank Bigsby's 1-yard touchdown run.

Nix was 3-for-3 on the drive for 36 yards, including a 19-yard completion to Landen King on third-and-4.

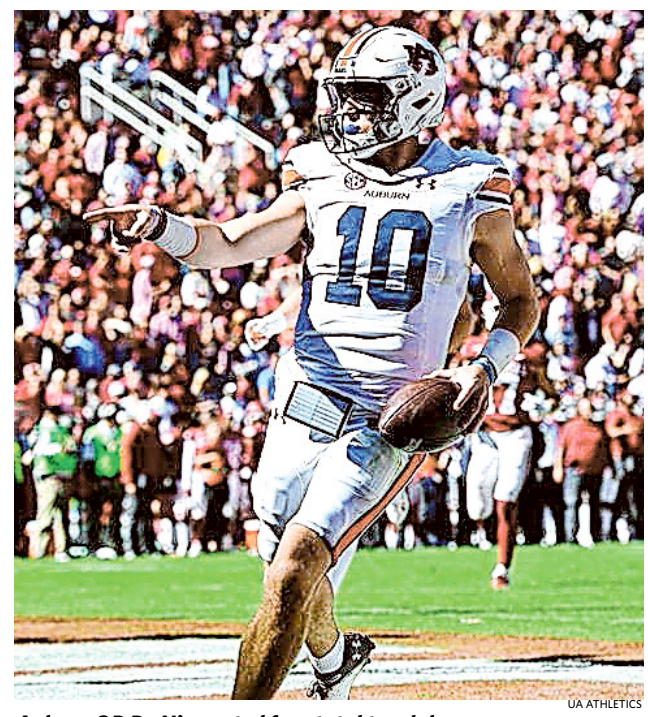

Bigsby rushed for 17 yards to the Razorbacks' 1-yard line before scoring two plays later. Bigsby led the Tigers with 68 rushing yards on 18 carries.

Late in the half, the Razorbacks drove 84 yards on 12 plays, scoring on KJ Jefferson's 11-yard touchdown pass to Treylon Burks with 18 seconds left to trail 14-10 at halftime before 73, 370 at Reynolds Razorback Stadium.

Zakoby McClain led Auburn with 15 tackles while fellow senior linebacker Chandler Wooten added 10.

"That was a fun game," Harsin said. "To be on the road and win going into a bye week, all these things are big for our program. That gives us a chance to create some momentum as we go into this bye week."

After an open date next week, the Tigers (5-2, 2-1) return to Jordan-Hare Stadium to host Ole Miss on Oct. 30.

UA ATHLETICS

Auburn QB Bo Nix posted four total touchdowns in the Tigers' 38-23 win at Arkansas.

UAB routs Southern Miss in Hattiesburg, 34-0

Ted Feeley
UAB Athletics

HATTIESBURG, Miss. – The UAB football team used a 28-point second quarter to help the Blazers run away with a 34-0 shutout victory over Southern Miss on Saturday afternoon at M.M. Roberts Stadium.

The Blazers (5-2, 3-0 C-USA) tallied their second shutout of the season and held Southern Miss (1-6, 0-3 C-USA) to just 107 total yards (32 yards passing, 75 rushing). Noah Wilder led the defensive charge with 14 tackles.

Sophomore DeWayne McBride rushed for a career-high 137 yards on 17 carries as UAB compiled 223 of its 388 total yards on the ground.

Dylan Hopkins finished the game 8-of-13 for 147 yards with a passing touchdown and rushing score.

UAB also got it done on special teams as Grayson Cash blocked a punt and recovered it for a touchdown, while Matt Quinn was 2-for-2 on field goals with a career-long 52-yarder.

The win improves the Blazers to 20-3 against C-USA West Division opponents since returning to action in 2017 and keeps UAB at the top of the league standings.

The Blazers led 3-0 at the end of one quarter and outgained the Golden Eagles 103-48.

With UAB facing a 4th-and-1 on the opening play of the second quarter, Hopkins used play action perfectly to find a wide open Gerrit Prince for a 34-yard touchdown.

For Prince, it was his team-high sixth receiving touchdown of the season.

Highlighted by an Alex Wright sack on USM's next offensive possession, Cash then had his second massive play in as many weeks as he blocked the ensuing punt and recovered it in the end zone to give UAB a 17-0 lead with 13:45 remaining in the first half.

It was Cash's second blocked punt of the season and his second straight game with a touchdown following last week's 100-yard interception returned for a touchdown.

The Blazers kept the pedal to the floor and went 66 yards on four plays on their next possession to take a commanding 24-0 lead with 9:34 remaining.

McBride had 57 of the 66 yards, including a 31-yard rushing touchdown to cap the drive.

Hopkins concluded the first half scoring with a 3-yard rush with 2:30 left, giving the Blazers a 31-0 lead at halftime.

UAB outgained Southern Miss 275-62 in the half.

Matt Quinn added his career-long 52-yard field goal in the third quarter for the only scoring of the second half with 8:41 remaining.

UAB has now won eight of the last 10 games against Southern Miss and has evened the series at 5-5 in Hattiesburg.

The Blazers return to Protective Stadium next week to host Rice on Homecoming and their fifth annual Children's Harbor game.

Kickoff is scheduled for 2:30 p.m.

Maresh (from Front)

as well as witnesses to this case." Maresh and Hudson have been in custody since their arrest, housed separately. For hearings, the court and CCSO made arrangements for them to be transported and appear separately. Maresh applied for Youthful Offender status and was interviewed in 2018. In the interview, he stated that he had dropped out of Fairview High School in the 11th grade to be home-schooled by his grandmother, and that both of his parents had criminal records and histories of substance abuse. He said that he had been using drugs since he was 14. Parole Officer Marcus Huber recommended against Youthful Offender status and Judge Martha Williams denied the application, leaving Maresh to face the murder charge as an adult. He also entered a plea of not guilty due to mental disease or defect, and his attorney applied for a mental evaluation, but the results were not released. The witness list for the trial includes co-defendant Hudson and Smith, called as witnesses for the prosecution, along with numerous CCSO officers and Sheriff Matt Gentry, members of Osborn's family, and others. The list did not include any witnesses for the defense.

Grants (from Front)

to come in to do that."

Management of grants can take years once it is awarded. "We have shown you what we have applied for this year, but that isn't the whole picture. Most of the grants, like FEMA grants for storm shelters, all have a 2–5-year management period. We are still managing storm shelters from 2016."

There are a few common misconceptions about the use of grant money. Often when a grant is secured for improvements or repaving for a specific road, people will ask why their road wasn't made a priority or why the money isn't being diverted there instead. Williams gave the example of Rebuild Alabama funds for County Roads 4 and 6 in Bremen.

"We got $250,000 for County Roads 4 and 6 and that was because a lot of their specifications are economic development and how does it specifically rate. Is there any kind of economic development down there? There are two businesses on that road. The racetrack (ECM Speedway) brings in thousands of people into Cullman County and there is a logging company on that same road," Williams said.

Another grant that has been applied for and the county expects to receive soon is a Community Development Block Grant for $400,000 to resurface County Road 18. Williams said, "We got together with the county engineer, the commissioners and the chairman and said, 'What roads would fit the criteria of that grant?' Those have to be 80% low to moderate income."

Kinsland added, "It has to have 100 or more houses on the road. It has to be a highly populated road with the majority low to moderate income. We (CCED and Community Consultants) actually go out and conduct a community meeting. We went door-to-door and did surveys to request the needed information."

"The community members really helped out on County Road 18 and they did it themselves," Williams said.

"Even though there is a road that is a farm road that is a bad road, they don't meet the criteria that has been set to help a low to moderate income area with so many houses."

Another question that people will often ask is, "Can't you try to apply for my road? It meets almost all of the criteria."

Kinsland explained why they can't do that. "If you submit it and it meets everything but one criteria, it automatically gets rejected. Then you've wasted your time for one year. They open once a year so you have to wait an entire year before you can try again."

Williams added, "I'm not going to waste everybody's time and the citizens, who you might give false hope, rather than putting in on the one that we know fits all the criteria.

"That way the county can use the general fund on the other road or seek other grant money. We've been here less than a year and have already selected the three roads."

The money to resurface County Roads 4, 6 and 18 is separate from money the commission has budgeted for roads.

Grant money has assisted in the creation of Cullman County's extensive park system. Strict criteria have been set for these grants just as they have for roads and other projects. Over the years, some citizens have wondered why certain features aren't added to a park or worried about popular features being closed or removed from a park.

Smith Lake Pool is an example, as Williams explained, "If you closed that pool, any grant money associated with that pool would have to be paid back. Number one, it will not close.

"ADECA has already said you can't close it." Kinsland added, "You can request waivers to change the purpose of it but those are very difficult to come by. They have to go through the U.S. Department of Interior and it's just not worth it."

There was interest by past administrations to build a hotel at Smith Lake or a library at Sportsman Lake Park but Kinsland said, "All of that stuff is prohibited. It has to be outdoor activities." Indoor buildings are prohibited at these parks by restrictions listed in grants used to create them.

Why is seeking grant money for Cullman County Parks important? "This is saving taxpayer money. This is road money we are getting. The parks bring thousands of people and visitors to Cullman County and that's more tax revenue that goes back to roads and brings great things to Cullman County," Williams explained.

Why not apply for more grants for roads? Kinsland said, "You think 'infrastructure, there should be a lot of grants out there for roads and stuff.' Well, that's one of the smallest pots of money for grants." There is some good news for fire departments as FEMA is expected to offer a second round of grants this year after being a year behind and now being caught up.

CCED seeks grant money from Federal and State as well as from foundation grants from private or charitable entities. Williams is proud of the work his team has done in their first year together at the CCED. He said, "If we can find a grant, that is money that doesn't come out of the county's general fund and that benefits every citizen in Cullman County—that's our goal."
