CULLMAN, Ala. — A retirement reception for former CEO of Cullman Power Board Mike Manning, was held at All Steak restaurant in Cullman Friday evening on Oct. 29. The reception hosted several out-of-town visitors as well as members of the Tennessee Valley Authority and Cullman Utilities Board. Congressman Robert Aderholt made an appearance and congratulated Manning. Utility Board Chairman Wayne Fuller and Cullman Mayor Woody Jacobs each gave speeches during Manning's reception. Mayor Jacobs presented Manning with a plaque that the mayor felt "wasn't enough to recognize 42 years of service."

Manning joined the Power Board in 1979. He served as CFO and as assistant general manager before being named general manager in 1996.

Mike Manning expressed excitement for Allison Bright as the successor to his position as CEO.

Manning said the board thoroughly investigated all the highly qualified candidates and picked Bright as the right fit.

COVID-19 BY THE NUMBERS

Monday, Nov. 1, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)

- Positivity in tests in Alabama: 4.9%
- Confirmed cases in Alabama (2020): 388,021
- Confirmed cases in Alabama (2021): 444,243

- Total tested positive in Cullman Co. in the last 7 days: 37
- Total tested in Alabama in the last 7 days: 48,562
- Total positive tests in Alabama in the last 7 days: 2,391
- Currently hospitalized in Alabama: 431

Vaccine details (updated Tuesday and Thursday) No Updates Available

- Doses delivered to Alabama: 6,897,125
- Doses delivered to Alabama providers: 3,928,565
- Doses administered: 4,470,497
- Number of people receiving one or more doses: 2,521,584
- Number of people who have completed vaccine series: 2,080,291
- Doses delivered to federal programs: 2,968,560

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

PREP FOOTBALL

6 local teams preparing for opening round of state playoffs

Sammy Confer
sammy@cullmantribune.com

CULLMAN, Ala. — The 2021 regular season has come to an end and now its playoff time. Six local teams are in this year's postseason field and each team will need to be on point in order to move on to the next round. Arab, Fairview and Good Hope will all host their first-round playoff games while Cullman, Meek and Vinemont will travel for their opening round matchups.

Arab (8-2) v. Homewood (5-5)
The Arab Knights find themselves in the playoffs for the second straight season under third-year head coach Lee Ozmint after finishing the regular season with an impressive 8-2 mark. The Knights finished second in Class 6A, Region 7 with a 5-1 record and they'll face off against the no. 3 seed from Region 5, Homewood Friday night. Arab averaged 30 points a game in the regular season and its defense has been excellent, allowing just 10 points per game.

The Patriots averaged 25 points per game in the regular season and allowed 24 points to opponents. The Knights are 5-1 at home while Homewood is just 2-3 on the road. These two teams have met just once and that was in 1981 and the Patriots took that matchup 20-14.

Arab comes into the playoffs with a two-game winning streak after rolling past Springville and Boaz to end the regular season, while the Patriots dropped their final four regular season games. The key for the Knights will be to get off to a fast start offensively behind Ed Johnson, Wes Johnson and Hayden O'Reilly and the defense just needs to keep doing what they've done all year long. If they can do that, the Knights will have a great chance to move on to the next round.

Cullman (7-3) at Jackson-Olin (8-2)
The Cullman Bearcats are in the playoffs for the third straight season under head coach Oscar Glasscock. Cullman finished third in Class 6A, Region 8 after posting a 7-3 regular season record and a 5-2 region record. The Bearcats will travel to take on the no. 2 seed from Region 6, Jackson-Olin, who will present Cullman with a very explosive offense.

The Bearcats averaged 24 points per game during the regular season and allowed just 15 points per game, while the Mustangs come into this matchup averaging over 37 points a game and allowing just 22.

Cullman is 3-2 on the road while Jackson-Olin is 5-1 at home, so the Bearcats will definitely have their hands full in this game.

This will be the first time that these two teams have met. Cullman won six of its final seven regular season games, while the Mustangs finished 3-2 in their final five games. In order for the Bearcats to move on to round two, their defense will need one of its best performances of the year to give their offense a chance to keep pace with the Mustangs.

Fairview (9-1) v. Fairfield (7-3)
The Fairview Aggies are one of the hottest teams in Class 5A right now and they have clinched home-field advantage in the first round of the playoffs for the third straight season. Fairview finished second in Class 5A, Region 7 with a 9-1 regular season record and a 5-1 region record. They will host the no. 3 seed from Region 5, Fairfield. The Aggies averaged a whopping 46 points a game on offense in the regular season as they put up more than 40 points in all but two games. Their defense isn't too shabby either. Fairview is allowing just 19 points per game. The Tigers averaged 32 points per game on offense and allowed 18 points per game on defense, so Fairview will need to continue to do what it has done on offense during the regular season.

This will be the first-ever meeting between these two teams. The Aggies are 4-1 at home, while the Tigers are 4-1 on the road. The Aggies put up over 50 points in their final four games of the season and also picked up a very tough win over Boaz, while Fairfield won its final four regular season games as well. If Fairview's offense can continue to light up the scoreboard and the Aggies defense can step up against an explosive Fairfield squad, they'll have a chance to knock off the Tigers and advance to round two.

Good Hope (7-3) v. Central-Florence (7-3)
Another year and another trip to the state playoffs for the Good Hope Raiders. After an 0-2 start to the regular season, the Raiders really got things going, going 7-1 in their final eight games. Good Hope finished as the no. 2 seed in Class 4A, Region 6, and will host a first-round playoff playoff game for the second straight season against the no. 3 seed from Region 8, Central-Florence. Good Hope averaged 26 points per game on offense and allowed a very respectable 17 points per game on the defensive side of the ball.

The Wildcats are scoring over 34 points a game offensively and are allowing just 21 points per game defensively, so the Raiders will have a very tough test ahead of them. These two teams have faced off just once and that was back in 1997. Good Hope is 5-1 at home, while Central-Florence finished the regular season 3-2 on the road. Good Hope went 7-1 in their final eight games, including huge wins over Addison, Etowah and Dora while the Wildcats dropped three out of their final four games. In order for the Raiders to move on to the second round, their offense has to play mistake-free and get a balance attack going, while defensively, they'll have to put together another strong performance to keep the Wildcats' offense at bay.

Meek (7-3) at R.A. Hubbard (6-4)
What a huge season it's been for the Meek Tigers. After finishing the 2020 season 1-9, the Tigers have put together a 7-3 record in Head Coach Houston Powell's second year and are headed back to the state playoffs for the first time since 2017. Meek finished third in Class 1A, Region 6 with a 5-2 record and will travel to take on the no. 2 seed from Region 8, R.A. Hubbard. The Tigers averaged 29 points per game offensively and allowed 21 per game on the defensive side while the Chiefs are scoring 32 points a game on offense and allowing 23 per game to their opponents.

Meek is 2-0 all-time against R.A. Hubbard and their last meeting came in 2017 when the Tigers won the game 43-28. Meek is 2-3 on the road, while the Chiefs finished 3-2 at home in the regular season.

The Tigers are coming into the playoffs on a roll, having won four of their last five games, including region wins over Marion County, Lynn and Berry while the Chiefs went 3-2 in their last five games.

The running game for the Tigers has been key so far this season behind Matthew Clark, Ethan Grace and Cam Deaver and David Tidwell has done a great job at quarterback for the Tigers, completing some huge passes during the season. The Tigers need to have big games from Clark, Grace and Deaver, while defensively, Meek will need to shut down a pretty explosive R.A. Hubbard offense and if they can do that, the Tigers will have a chance to move on to the next round.

Vinemont (5-5) at Lauderdale County (9-1)
For the second straight season, Vinemont got off to a rough start, and for the second straight season, they turned things around and find themselves in the playoffs as the no. 4 seed. The Eagles finished with a 5-5 regular season record and a 4-3 region record in Class 3A, Region 6, and will have a very tall task ahead of them when they travel to take on the no. 1 seed from Region 8, Lauderdale County. The Eagles averaged over 26 points a game on offense and allowed 28 per game on defense, while the Tigers averaged 29 a game on offense and allowed just nine points per game on the defensive side. So, Vinemont will have one of its toughest tests to date on Friday.

The Eagles are 0-2 all-time against Lauderdale County, but Vinemont will look to turn the tables on the Tigers and pull off a huge upset on the road. The Eagles are 2-3 on the road this season, while Lauderdale County finished a perfect 5-0 at home. Vinemont finished 5-2 in their final seven games, including region wins over Carbon Hill, Susan Moore, and Holly Pond, while the Tigers dropped their first game of the year in their regular season finale to Brooks.

The Eagles will need to play mistake-free ball on offense and get the ground game going behind Colby Miller, Kayden Henderson and Brody Speer. Their passing game needs to be on point as well and the defense has to force turnovers and get off the field when it has a chance. If the Eagles can do all of that, Vinemont has a chance to pull off the upset and move on to the second round.

WSCC Volleyball wins 2nd consecutive ACCC Tournament championship and 12th in last 13 seasons

Russell Moore
WSCC Athletics

HANCEVILLE, Ala. – Wallace State's 13th-ranked volleyball team rolled through the Alabama Community College Conference (ACCC) Tournament over the weekend as it did during the conference regular season.

The Lions swept three opponents in as many days at Traditions Bank Arena inside Tom Drake Coliseum, capping the tournament championship with a 25-15, 25-11, 25-15 triumph over Snead State.

It's the second straight tournament title for Wallace State volleyball and the 12th in 13 seasons. The Lions have captured two ACCC Tournament championships in eight months after the 2020 season was delayed until the Spring 2021 semester.

With three wins, the Lions improved to 41-6 overall. They've won 25 consecutive matches.

"Every championship is special because each team has a different story. We've leaned on the leadership of the sophomores all season.

"They've helped ease the freshmen into learning what college volleyball is all about," said Wallace State coach Randy Daniel, the all-time winningest coach in program history. "I'm proud of this team and proud of how they played the past three days."

Wallace State's success has been propelled this season by the sophomore trio of outside hitter Haven Hall, setter Savannah Rutledge, and libero Temperance Chatman and the conference tournament was no different.

Hall, a Geraldine native, was named Tournament MVP. She had 39 kills combined, registering 13 kills apiece in each match.

Hall has compiled a conference-best 484 kills this season.

Rutledge and Chatman were All-Tournament selections.

Rutledge, a NJCAA 2nd-team All-American last season, became Wallace State's all-time leader in career assists during Saturday's victory over Coastal Alabama-South (25-21, 25-19, 26-21).

Rutledge, an Albertville native, finished the tournament with 113 assists and 28 digs and also set the school's single-season assists record with 1,591. She was also named the 2021 ACCC Player of the Year.

Chatman has served as the defensive stalwart. She recorded 80 digs in the tournament, setting the single-season digs record (738) in Sunday's match.

"Life is more comfortable when you can rely on three players like Haven, Savannah and Temperance.

"They're among the best in program history. You know you can put a ball away with those three on the court," Daniel said.

The latest championship was special for the trio.

"We beat every opponent in three sets and that's a great accomplishment, no matter who it is.

"It's awesome to be part of a great team that's always encouraging and is committed on and off the court," Hall said.

Added Rutledge: "It's exciting to win. We were consistent throughout the tournament and stayed hot. It's important to us because the streak ended the year before we came in as freshmen. We're starting a new streak."

Added Chatman, of Jasper: "You want to be a part of excellence and keep the legacy going. We played excellent in the tournament. Our freshmen have grown up since the beginning of the season, and that's made us better."

Madeline Snow, an outside hitter from Mortimer Jordan, was also named to the All-Tournament team for the Lions. Snow finished the three-day event with 32 kills and 18 digs.

Freshman Daisy Manasco racked up 32 digs and 27 kills for Wallace State in the three-day event. Chloe Shadden added 13 digs.

"Daisy Manasco stepped up in all three matches. She easily could have been an All-Tournament selection," Daniel said.

With the conference title in hand, Wallace State is the top seed in the Gulf Atlantic District Tournament, which the Lions will host, beginning Friday. The two-day event features Wallace State, Snead State, Coastal Alabama-South and Monroe (N.Y.) College. The top two advance to the National Junior College Athletic Association (NJCAA) Division I National Championship on Nov. 18-20 in Hutchinson, Kan.

Wallace State's last loss was Sept. 10 against Glendale (Ariz.) College.

The Lions earned the tournament's top seed after winning their 14th straight ACCC regular-season championship.

Other members of the team not already listed are Madison Raybon, Tobi Trotter, Laci Reese, Lexi Shadix, Ashlen Heatherly, Megan Edmond, Grace Allen, Mallie Williams, Abi Orton, Kade Milne and Teagan Hartman.

Wallace State athletics won three conference championships over a three-day span. The school's men's and women's cross country teams won the ACCC meet on Friday.

CULLMAN, Ala. — The Cullman County Animal Shelter's Donna Ruttkay shares the Cullman Tribune Pet of the Week:

Skippy is a 6-month-old terrier mix. He is a low-energy mild-mannered kiddo who has already started training on a leash and is becoming comfortable with his newfound skills. He very much enjoys being close to his people.

Skippy is already showing all the signs of being a promising therapy, reading or hiking dog!

Skippy's adoption fee is $100 which includes DHLPP vaccine, Bordetella vaccines, rabies vaccine, wormer, general exam at the vet, spaying, microchip, free 30-day health insurance policy issued by 24PetWatch (with valid email only) and a free bag of food from Cullman Pet Depot (you must pay sales tax).

Animal shelter staff and volunteers work with their dogs to make sure they are accustomed to being around people, walking on a leash and practicing good behavior.

Several of the shelter's canine friends have even been "hired" to work as therapy and special needs service dogs.

Please consider adopting to give a rescued pet a chance at a happy and healthy life.

Contact the Cullman County Animal Shelter at 256-734-5448 or visit them at 935 Convent Road NE. Reach them by email at cullmancountyanimalshelter@gmail.com.

Good news!

Ruttkay shared with us that recent POTW Alphie has been adopted!

Thanks to the whole community for making forever homes a regular destination for our furry friends.

Howl-o-ween (from Front)

CULLMAN, Ala. — Dirty Dawg Pet Spa & Rescue gathered beside the local Busy Bee Café and set up their tent to participate in the pet-friendly Howl-O-Ween event Saturday evening. While the festivities had a bit of a slow start due to the weather, attendance picked up quickly throughout the evening. Dirty Dawg Pet Spa & Rescue owner Stephanie Hill decorated their booth with an assortment of baskets that, she explained, they were selling in support of the rescue's bills.

She also spoke with The Tribune on the rescue's mission, sharing, "We were going to bring some cats and dogs for people to look at adopting but because the weather was getting bad, we did not want them to get rained on. So, we are actually just selling these baskets and stuff to raise money for our vet bill. The dogs and cats that come in get anything that they need. We have a little schnauzer right now that is being treated for heartworms and stuff and so we have a huge vet bill."

Hill continued, "We take a lot of the animals that are going to be euthanized at the shelter. We are located in Vinemont, down by the school. It isn't even that far away, but a lot of people do not even know about us. We are hoping by springtime to have a spay and neuter clinic started. It will probably be in Vinemont, but we are looking for a bigger building."

The adoption process begins once the animals have been treated and rehabilitated; however, the rescue is currently limited to a smaller space. "We have so many animals. People leave them and actually the shelter, the officers bring us animals if we have room because they know they will be euthanized. We do most of our adoptions on Petfinder and they go all over. One actually went to Virginia," she explained.Dirty Dawgs Pet Spa & Rescue is located at 19030 U.S. Highway 31, Vinemont, AL 35179, and can be found online at https://www.petfinder.com/member/us/al/vinemont/dirty-dawg-rescue-al236/ and on Facebook.

Crocker (from Front)

CULLMAN, Ala. — Local attorney Champ Crocker recently shared that he will be included on the 2022 election ballots.

"Today, I'm proud to announce that I am running for District Attorney in the May 24, 2022 election," Crocker said.

"I have spent my adult life after college—the past 20 years—working for the citizens of Cullman County as a full-time practicing attorney, while also serving as assistant attorney general, municipal court judge and law enforcement training instructor.

"There is nothing greater a public servant can do than to help people, which I have done through my church, as a volunteer firefighter, as a youth sports coach and as a member of the Cullman County Industrial Development Authority," Crocker said.

He continued, "My family and I made this decision for me to run after several months of prayer, thought and talking with the citizens of this county.

"I'm running because we need a conservative, full-time D.A. to serve the people who live and work in this community.

"I'm running because I want my two children to grow up in a safe community here like I did. I'm running because I am concerned when the system rewards lawbreakers with free bail," Crocker said.

He concluded by saying, "I will be a partner with local law enforcement to solve crimes and bring career criminals to justice and put them where they belong—in jail.

"Crime victims will have a seat at the table in my administration. I will establish a Victims Advisory Council and will ensure victims receive the priority, acknowledgement and justice they and their families deserve. Another issue is transparency. Access to elected officials should not be hard.

"I will have an open-door policy to meet with citizens and attend community meetings and events," Crocker resolved.
