Cullman independent pharmacies unaffected by supply chain disturbances

Sara Gladney
sara@cullmantribune.com

CULLMAN, Ala. — There have been recent reported shortages of some prescription drug medications in North Alabama due to supply chain disturbances. The Food and Drug Administration says over 100 drugs are in short supply nationally. Causes of shortages include natural disasters, manufacturing problems, discontinuations and a short supply of raw materials. Drug shortages were exacerbated by the worldwide pandemic, but have been an ongoing problem for the medical community for decades.

Many pharmacies in Cullman have so far been unaffected by the shortage. Heritage, Borden, McSwain and Specialty pharmacies of Cullman reported no issues in receiving medication. These pharmacies are all independent pharmacies which, according to Chris Borden of Borden Family Pharmacy, gives them an advantage over chain pharmacies when it comes to acquiring prescription medication.

Cullman City Council moves forward on relocation of new Sports and Civic Complex

W.C. MANN/THE CULLMAN TRIBUNE

The Cullman City Council met Monday evening.

craig@cullmantribune.com

CULLMAN, Ala. — The Cullman City Council on Monday evening approved supplemental engineering services for the city's new Sports and Civic Complex, to be performed by St. John and Associates. The contract modifications are for both the complex itself and a new parking lot to accompany the complex.

According to Councilman Johnny Cook, the complex, originally slated for the old Marvin's on Main Avenue between Heritage Park and the Cullman Wellness and Aquatic Center, will be relocated to an undeveloped site between the Aquatic Center and the Donald Green Active Adult Center. The new parking lot addressed in Monday's resolution will be for the complex and will open onto Field of Miracles Drive.

The council also passed a resolution to authorize Mayor Woody Jacobs to apply for Consolidated Rail Infrastructure grant funds for improvements to the railroad crossings at Ninth Street Southeast, Eighth Street Northwest and Arnold Street rail crossings, all crossings in downtown Cullman without viaducts. The city seeks funds in the amount of $546,676.20 to construct "improvements to the Ninth Street SE, Eighth Street NW, and Arnold Street Rail Crossings which will provide supplemental safety measures and improvements in the form of additional gates for access control, electrical upgrades, and warn time upgrades." The city will provide a local match of $234,289.80 of the total project cost in support of this project.

Christmas is getting closer!

The council approved a special event request from Christy Turner of Cullman Parks, Recreation, and Sports Tourism to hold the annual Christmas Parade and Tree Lighting Ceremony in Depot Park on Friday, Dec. 3, from 4 p.m. until 11 p.m.

The Cullman City Council meets at 7 p.m. on the second and fourth Mondays of each month, unless otherwise posted on the city's website, in the auditorium at City Hall. The public is invited to attend.

COVID-19 BY THE NUMBERS

Monday, Nov. 15, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes
Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)
• Positivity in tests in Alabama: 4.2%
• Confirmed cases in Alabama (2020): 387,871
• Confirmed cases in Alabama (2021): 452,082 (+1,135 since Friday)
• Total confirmed deaths in Alabama (2020): 7,190
• Total confirmed deaths in Alabama (2021): 8,791 (+47 since Friday)
• Positivity in tests in Cullman Co.: 2.4%
• Total confirmed cases in Cullman Co. (2020): 7,575
• Total confirmed cases in Cullman Co. (2021): 8,331 (+19 since Friday)
• Deaths in Cullman Co. (2020): 128
• Deaths in Cullman Co. (2021): 171 (+0 since Friday)
• Total tested in Cullman Co. in the last 7 days: 1,207
• Total tested positive in Cullman Co. in the last 7 days: 29
• Total tested in Alabama in the last 7 days: 50,583
• Total positive tests in Alabama in the last 7 days: 2,104
• Currently hospitalized in Alabama: 297

Vaccine details (updated Tuesday and Thursday) No update available
• Doses delivered to Alabama: 7,128,615
• Doses delivered to Alabama providers: 3,996,945
• Doses administered: 4,821,481
• Additional doses administered: 263,568
• Number of people receiving one or more doses: 2,559,711
• Number of people who have completed vaccine series: 2,104,728
• Doses delivered to federal programs: 3,131,670

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

Fairview, Cullman, Good Hope compete in Fairview Tip-Off Classic

Sammy Confer
sammy@cullmantribune.com

FAIRVIEW, Ala. — The Fairview Lady Aggies hosted the Tip-Off Classic Saturday and they, along with the Cullman Lady Bearcats and the Good Hope Lady Raiders, were three of the local teams that took part in this year's event. Cullman and Good Hope dropped their games by single digits to Rogers and Pisgah, respectively while Fairview ended the night by taking down Fyffe 43-32.

Fairview 43 - Fyffe 32 (Varsity Girls)

Jayla Gorham hit the first basket of the game for Fairview. Another Gorham basket gave the Lady Aggies a 6-3 lead, but a pair of Fyffe free throws cut it to one. Emma Garcia drilled one from deep to make it 9-5, but later in the period, a basket down low by the Lady Red Devils made it a 11-8 lead. The Lady Aggies finished the quarter out strong, though, as Somer Harris hit a three just before the buzzer to give them a 14-8 lead after one.

The Lady Aggies' suffocating defense gave Fyffe fits in the second quarter and that helped them increase their lead even more. After a Lady Red Devil free throw cut the Fairview lead to 14-9, Morgan Lindsay got the steal and then hit a layup on the other end; that started an 8-0 Lady Aggie run and a pair of Sadie Smith free throws helped Fairview increase their lead to 22-9. Later on, baskets by Allison Davis and Jaycee Aleman made it a 26-11 game and the Lady Aggies took a 27-11 lead into the locker room. Fairview held Fyffe to just one made basket in the second quarter.

A Smith trey increased the Lady Aggie lead to 32-13 and their defense continued to play lights out as they forced the Lady Red Devils to take tough shots and they forced their fair share of turnovers as well. A Gorham basket down low, later followed by another Smith three, pushed Fairview's lead to 37-18 going into the final period. A huge fourth quarter run by Fyffe saw them cut the Lady Aggie lead to 41-30, but it would be too little, too late, as Fairview ended up taking their first game of the season, 43-32.

Smith finished with 13 points, nine rebounds, three steals, and a block for Fairview (1-0). Gorham ended up with eight points, four rebounds, and a pair of steals. Lindsay added seven points, three rebounds, two steals, and a block. Davis ended up with four points and five rebounds. Harris finished with three points, three rebounds, and a trio of steals. Aleman added three points, three rebounds, and two steals. Garcia also finished with three points as well, while Kabri Redding chipped in with two points, three rebounds, and a steal. The Lady Aggies will host Holly Pond Tuesday.

Rogers 44 - Cullman 39 (Varsity Girls)

Cullman couldn't have asked for a better start to their game against the reigning Class 4A champions, Rogers. Regan Quattlebaum got the scoring starting for the Lady Bearcats with a free throw less than a minute into the game, then Maci Brown drilled a three. That followed with back-to-back baskets down low by Ella Collum and Ava McSwain and that gave Cullman a quick 8-0 lead with a little over five minutes to go in the opening period. Rogers scored the next seven points to make it a one-point game, but Brown drilled another one from deep and Quattlebaum added another free throw to push the Lady Bearcat lead to 12-7 and Cullman went into the second quarter with a five-point lead.

Back-to-back baskets by Collum and McSwain increased the Lady Bearcat lead to 16-7 to start out the second period. A three by the Lady Pirates cut the lead to six, but another layup by McSwain made it 18-10. It would be all Rogers after that as they went on a 15-0 run to end the first half and Cullman quickly found themselves down, 25-18, at the half.

The Lady Bearcats started out the second half the same way that they started out the game as they scored the first seven points of the period to tie the game up at 25. Rogers quickly broke the tie as they scored the next eight points to take a 33-25 lead. Baskets down low by Quattlebaum and Stella Smith cut the deficit to four at 33-29 and the Lady Bearcats found themselves down by four going into the final period.

The Lady Pirates pushed their lead to 38-33 to start out the fourth quarter, but later on, back-to-back tough shots down low by Winfrey made it a 40-38 game with 2:54 remaining in the game. Three free throws later, the Lady Bearcats trailed 42-39 with 13 seconds left in the contest, but Rogers hit a pair from the line to seal the 44-39 win over Cullman.

McSwain led the way for Cullman (2-2) with 10 points and three rebounds. Brown added nine points and three rebounds. Quattlebaum (seven rebounds), Collum (four rebounds), and Winfrey (five rebounds and two steals) all ended up with six points, while Smith ended up with two points. The Lady Bearcats will travel to Decatur Heritage Christian Academy Tuesday.

Pisgah 54 - Good Hope 48 (Varsity Girls)

Good Hope got off to a slow start against Pisgah as the Lady Eagles jumped out to a quick 10-0 lead in a little over three minutes. The Lady Raiders finally got on the scoreboard to fall as Heather Tetro hit a layup with 4:25 to go in the first quarter, then later on, Charly Johnson hit a shot down low to make it a 11-4 game. Back-to-back treys by Pisgah quickly pushed the Good Hope deficit to 13 at 17-4. Another Johnson basket made it a 17-6 game after one.

Good Hope got off to a red-hot start in the second quarter as an Ivey Maddox trey got their offense jump-started, then Johnson and Bailey Tetro hit the next three baskets down low to make it a 17-15 game with a little less than six minutes to go in the first half.

Later on, another Maddox shot from deep gave the Lady Raiders a 20-19 lead with 4:37 remaining in the half. The Lady Eagles got the lead right back and later on, increased it to 25-22. Johnson continued her red-hot shooting as she hit yet another basket down low and Bailey Tetro drilled a three to give Good Hope a 26-25 lead at the half.

A pair of Bailey Tetro free throws made it 28-25, but the Lady Eagles went on another one of their runs as they scored the next eight points to take a 33-28 lead. Another Maddox trey made it a two-point game, but later, a Pisgah three helped pushed their lead to eight at 42-34. A Bailey Tetro trey trimmed the deficit to five as Good Hope went into the final period trailing, 42-37.

The Lady Raiders got red-hot from deep to start out the fourth quarter as Bailey Tetro and Maddox hit a trio of treys combined; Maddox then added a shot down low to give Good Hope a 48-42 lead. But sadly, they couldn't hold onto the lead as the Lady Eagles scored the final 12 points of the game and Good Hope ended up losing a heartbreaker to Pisgah, 54-48.

Maddox led the way for Good Hope (0-1) with 17 points, nine rebounds, and a steal. Bailey Tetro added 16 points, seven rebounds, and a block. Johnson had a huge game off the bench for the Lady Raiders as she ended up with 12 points, nine rebounds, and a pair of steals. Heather Tetro added two points, three rebounds, and a steal, while Rudi Derrick chipped in with a point, five rebounds, two assists, and a steal. The Lady Raiders will be back in action at home next Friday against Susan Moore.

Bearcats tip off season with 95-72 win over Calera

Nick Griffin
nick@cullmantribune.com

HANCEVILLE, Ala. – Basketball season has arrived, and the Cullman Bearcats tipped off their season at Wallace State's Tom Drake Coliseum Thursday night against the Calera Eagles. The 'Cats jumped out to an early lead in the opening quarter and ending up putting 95 points on the board to race past the Eagles 95-72 and collect Head Coach Stu Stuedeman's first win in his first game on the Cullman sideline.

Stuedeman liked his team's effort and intensity in the season opener but knows there are several ways the Bearcats can continue to improve as the season goes on.

"I love how our guys came out and were ready to compete in the game. They were just ready to go. They're tired of beating up on each other in practice and they've been itching to get out there, so they competed really hard. We rebounded offensively like crazy, we shared the ball and played pretty good defense," Stuedeman said. "Not exactly to my liking but close so we need to get better on defense, get better with our pressure and we have to get healthy, that's the main thing. We have some guys out right now that unfortunately couldn't be part of the first game but when we get them back and get our depth where we want it, it's going to be a lot more of a defensive show and that'll be great."

Stuedeman is happy to get the first win out of the way in his first game but wants his team to focus on improving every day to continue seeing the fruits of their labor.

"What's the saying, 'You can't go undefeated unless you win the first one.'," Stuedeman joked. "Obviously we're not worried about wins right now, we're worried about getting better every single day and becoming the best version of ourselves, but it is always nice to get the first one. It's good for the kids to see their hard work be rewarded immediately. It's great for them and it's awesome for me as long as we're getting better."

A basket from Tucker Apel gave the Bearcats a 4-2 lead early in the first quarter and back to back layups from Kase Nixon and Tucker Cagle stretched the lead to 8-2. Apel finished a three-point play at the free throw line to make it 11-6 midway through the first and a three-pointer by Jamar Kay gave Cullman a 14-6 lead.

A pair of steals and easy baskets for Tucker Gambrill and Cagle gave the 'Cats an 18-8 advantage and buckets from Sam Duskin and Nate Zills helped build a 27-12 advantage for Cullman by the end of the opening quarter. Nine different Bearcats scored at least two points in the first quarter.

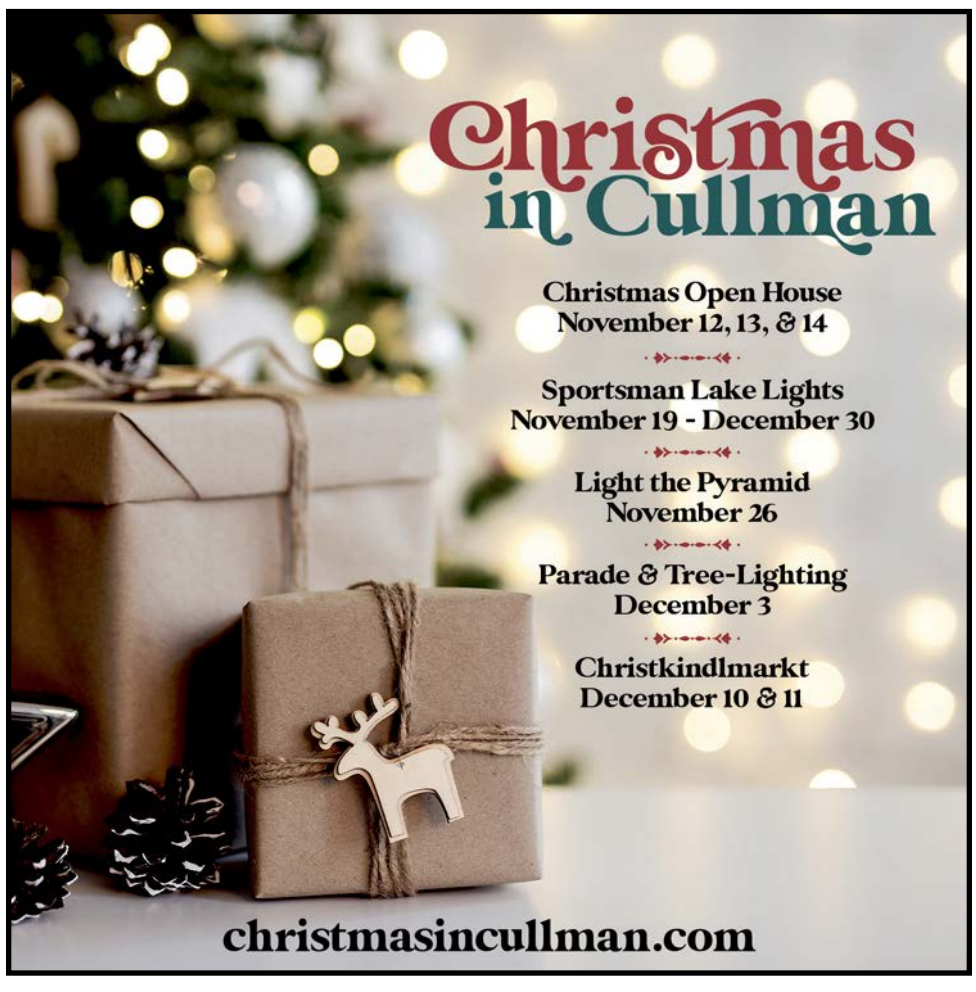

A three-pointer from Apel followed by six straight points from Garrison Sharpe extended the lead to 36-16 early in the second quarter and two more free throws by Cagle made it a 43-20 game with four minutes remaining in the half. A three-pointer from Gambrill stretched the lead to 48-25 late in the second but the Eagles ended the half with a 9-4 run to cut the lead to 52-34 at the break.

After a basket from Cagle and a free throw by Apel to start the third quarter, Sharpe ran off nine straight points for Cullman to make it 64-36 early in the period. Back to back buckets from Nixon and Duskin made it a 68-39 game with less than three minutes to play in the third but Calera was able to end another quarter on a big run to trim the lead to 72-53 going into the final frame.

Sharpe, Cagle and Gambrill each scored to start the fourth quarter and give the Bearcats a 78-57 advantage. Baskets from Cagle and Sharpe made it 83-63 with four minutes to play and Apel scored seven straight after that to extend the lead to 90-67 with less than three minutes on the clock. With the game out of reach, Cullman pulled away to win it 95-72 and start the season 1-0.

Sharpe led the Bearcats with 25 points in the win, followed by Apel with 16 and Cagle with 14. Gambrill and Nixon each posted 11 points, Zills added six, Duskin finished with four, Arden Crane and Jamar Kay each scored three and Garrett Hall finished with two.

Cullman will be on the road Tuesday night to take on Decatur Heritage.

Governor Ivey taps Liz Filmore to be new Chief of Staff

Office of Gov. Kay Ivey
Contributor

MONTGOMERY, Ala. — Governor Kay Ivey has named Liz Dowe Filmore, currently her top deputy, to replace former Congressman Jo Bonner as the governor's next chief of staff, effective Dec. 1. Bonner has served in the Governor's Office for the past three years. Last Wednesday, he was named the fourth president of the University of South Alabama by the university's Board of Trustees.

Filmore has been a close confidant and adviser to the governor since Ivey's reelection campaign for lieutenant governor in 2013. She holds two degrees from Troy University, a bachelor's degree in Journalism and a Master of Public Administration.

"Loyalty and integrity are two of the most important qualifications needed to be an effective chief of staff," Governor Ivey said. "Liz possesses both of these qualities and more. I am proud she has agreed to take on the critical responsibilities that accompany this position."

Filmore is well respected throughout state government and in political circles. Alabama political commentator Steve Flowers wrote of Filmore in May 2020, "she commands the governor's respect because of her unwavering loyalty and keen political senses."

Bonner, who will remain on Governor Ivey's staff and transition through the end of the year, said, "I've been fortunate to work with a lot of really smart, talented young leaders throughout the years, but Liz Filmore is the best of the best. Governor Ivey couldn't have found a brighter or more dedicated person to lead her team than Liz."

Filmore will become the first female chief of staff to any Alabama governor in the state's history.

Other key staff announcements will be made during the coming weeks.
