CULLMAN, Ala. — Cullman County District Attorney Wilson Blaylock and Sheriff Matt Gentry announce that Shannon James and Leslie Johnson have been arrested on felony charges concerning the theft of public funds from the Town of Garden City.

The arrests come after a nearly three-month investigation by the Cullman County Sheriff's Office, Alabama Ethics Commission and District Attorney's Office. The investigation revealed that James and Johnson, who are both former employees of the Town of Garden City, stole more than $200,000 from the town by forging checks, making fraudulent debit/credit card purchases and fabricating work time.

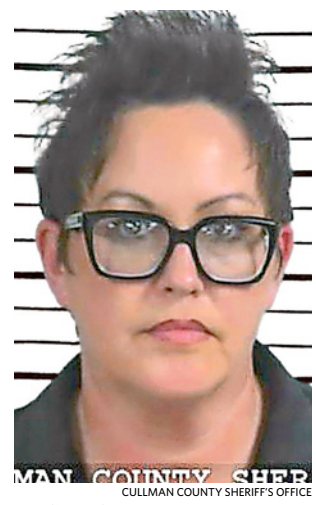

Shannon James is charged with two felony ethics violations, aggravated theft of public funds and six counts of possession of forged instrument 3rd degree.

Leslie Johnson is charged with two felony ethics violations, aggravated theft of public funds and three counts of possession of forged instrument 3rd degree. At the request of the District Attorney's Office, investigators submitted a bail request. A judge will determine the suspects' bond amounts.

Additional details will be released at a joint press conference held on Thursday, Nov. 18 at 10 a.m. in the Small Courtroom on the third floor of the Cullman County Courthouse District Attorney Wilson Blaylock, Sheriff Matt Gentry and representatives from the Alabama Ethics Commission and the Town of Garden City will be in attendance.

WEST POINT, Ala. — At the West Point Town Council's meeting Monday evening, their application for a grant to pave County Road 1246 was not approved; however, they did pass a resolution to apply for a grant to be used on County Road 1141, which is more heavily traveled. The council hopes to be able to have County Road 1246 paved in the spring.

The council passed a resolution to approve the use of American Rescue Act funds on a ditch flume repair on County Road 1141. The council also passed a resolution to use the American Rescue Act funds on this year's community meal.

Councilman Timmy Smith proposed the purchase of new Christmas lights once the season ends when lights are on sale to make the lights more uniform for the 2022 holidays.

The council agreed and planned to discuss the matter further.

In other news, the Thanksgiving meal at first Baptist Church has been changed to a holiday meal set for Dec. 11.

The West Point Town Council meets on the third Monday of each month at 6 p.m. at West Point Town Hall. The public is invited to attend.

COVID-19 BY THE NUMBERS

Wednesday, Nov. 17, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly - instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)

- Positivity in tests in Alabama: 4.5%
- Confirmed cases in Alabama (2020): 387,841
- Confirmed cases in Alabama (2021): 453,150 (+1,068 since Monday)
- Total confirmed deaths in Alabama (2020): 7,187
- Total confirmed deaths in Alabama (2021): 8,838 (+47 since Monday)
- Positivity in tests in Cullman Co.: 3.2%

- Total confirmed cases in Cullman Co. (2021): 8,363 (+32 since Monday)
- Deaths in Cullman Co. (2020): 128
- Deaths in Cullman Co. (2021): 172 (+1 since Monday)
- Total tested in Cullman Co. in the last 7 days: 1,201
- Total tested positive in Cullman Co. in the last 7 days: 39
- Total tested in Alabama in the last 7 days: 42,028
- Total positive tests in Alabama in the last 7 days: 1,896
- Currently hospitalized in Alabama: 315

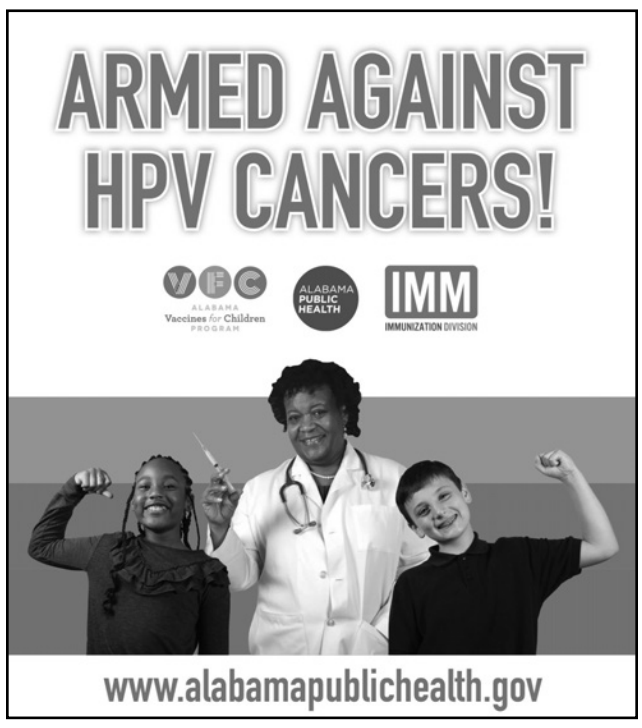

Vaccine details (updated Tuesday and Thursday)

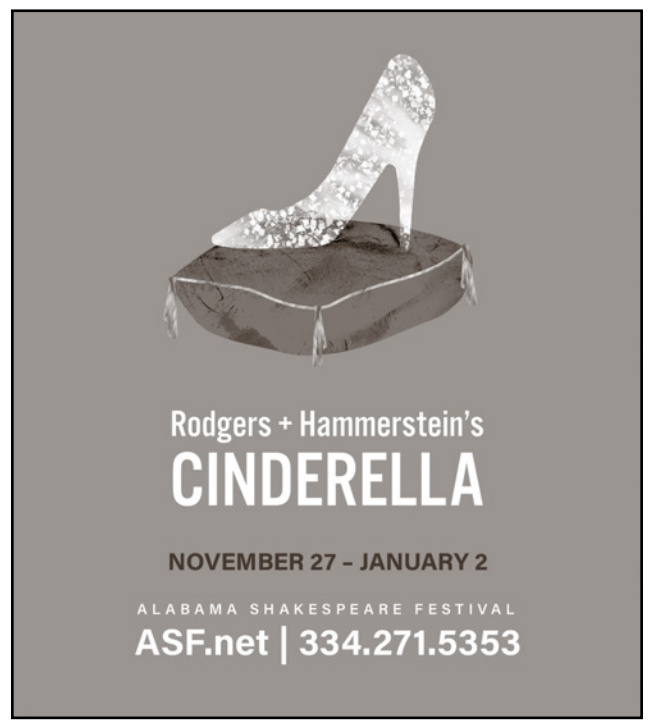

- Doses delivered to Alabama: 7,416,9557,128,615
- Doses delivered to Alabama providers: 4,143,585
- Doses administered: 4,882,409
- Additional doses administered: 293,950
- Number of people receiving one or more doses: 2,576,527
- Number of people who have completed vaccine series: 2,115,960

Cold Springs sweeps varsity matchups at Hanceville

Sammy Confer
sammy@cullmantribune.com

HANCEVILLE, Ala. – The Hanceville Bulldogs and Lady Bulldogs returned to Lane Horton Gymnasium Tuesday night to host Cold Springs but unfortunately for the home crowd, the Eagles and Lady Eagles were able to leave with a pair of wins. The Lady Eagles downed the Lady Bulldogs 54-22 and the Eagles held off a strong comeback effort from Hanceville to escape with a 47-44 victory.

Cold Springs 54 - Hanceville 22 (Varsity Girls)
The first points for Cold Springs came on a long jumper by Ella Bruer, then Ella Dickerson drilled a three from the top of the key to give the Lady Eagles a 5-0 lead. A short jumper by Hanceville's Victoria Stanley got the Lady Bulldogs on the scoreboard with 4:57 remaining in the first period. The Lady Eagles made it 8-2 on a three by Ciara Calvert, but Hanceville's defense kept them scoreless for the rest of the quarter as a basket by Kate Sterling, followed by a Stanley trey, cut the Hanceville deficit to 8-7 after one.

Cold Springs started to create some distance from the Lady Bulldogs to start out the second period as a Calvert three, followed by four straight free throws from Dickerson increased the Lady Eagle lead to 15-7 with 4:43 remaining in the first half. A Jolee McHan layup made it a six-point game, but the Lady Eagles went on a 9-0 run to push their lead to 24-9. Hanceville did finish the first half strong, though, as Jessica Marshall scored the final four points of the half, including a three that she banked off the backboard, to make it a 26-15 game at the half.

During the halftime break, the Hanceville Lady Bulldogs' 2001 State Championship team was recognized at half court.

The second half would be all Cold Springs as their pressure defense bothered Hanceville all night; Ella Bruer had a huge second half as she drilled five shots from deep and Dickerson, along with Taylor, had some strong games as well. The Lady Eagles outscored the Lady Bulldogs, 28-7, in the second half, en route to a 54-22 win as they improve to 2-0 on the young season.

Dickerson finished with 20 points and a pair of steals for Cold Springs. Bruer added 17 points and four steals. Taylor ended up with eight points, 11 rebounds and a pair of blocks. Calvert added six points, five rebounds and a steal, while Erin Bailey chipped in with two points, eight rebounds, two steals and a block.

For Hanceville (2-2), Stanley finished with seven points. Sterling added six points. Marshall and McHan (seven rebounds, three blocks and a pair of steals) each ended up with four points, while Katelyn Boyd chipped in with a point and four rebounds.

Cold Springs 47 - Hanceville 44 (Varsity Boys)
Hanceville's Brayden Harris got the Bulldogs off to a quick start as he scored the first five points of the game to give them a 5-0 lead. Cold Springs got on the board on a Seth Williams layup; that started a 12-0 Eagle run and a Coleton Bales trey gave them an 12-5 lead. A layup by Hanceville's Drew Campbell put a stop to Cold Springs' run for now, but that didn't stop the Eagles from finishing the quarter strong as baskets by Cody Bales and Tanner Kilgo pushed their lead to 16-7 lead after one.

Hanceville cut the deficit to 18-12 to start out the second quarter on a basket by Will Calvert and a trey by Harris. Later on, though, the trio of Cody Bales, Brody Peppers, and Kilgo scored all Cold Springs' 11 points as part of an 11-2 run to help stretch the lead to 29-14 and the Eagles held a 29-16 lead at the half.

Both teams traded baskets and points for most of the third period. After a Harris basket made it a 36-22 game, a layup by Kilgo and two free throws by Peppers pushed the lead up to 18.

Noah Jones drilled a three and Carson Garrett added a free throw for Hanceville as they found themselves down, 40-26, going into the final period.

SAMMY CONFER/THE CULLMAN TRIBUNE
Cold Springs' Ella Bruer finished with 19 points in the Lady Eagles' 54-22 win over Hanceville.

Harris made it a 41-28 game to start out the fourth quarter. After three Cold Springs free throws made it 44-28, the Bulldogs started a furious rally to get back in the game and it was led by none other than Harris. He scored the next six points, including a huge three from the left wing, to make it a ten-point game with 3:43 remaining in the game. 31 seconds later, Jones got fouled while shooting a three and he hit all three free throws to make it a seven-point game. Later on, a Zach Campbell layup, followed by a huge three from Braxton Broad, made it a 45-42 game with 1:12 remaining in the contest. Kilgo and Peppers split their attempts at the free throw line to make it a five-point game, but a pair of Harris free throws cut the deficit to three with 19 seconds remaining in the contest.

The Bulldogs forced a turnover, and they had a great opportunity to tie the game, but Zach Campbell's three-point shot got blocked, and Cold Springs held off a feisty Hanceville squad at the end, 47-44.

Peppers led the way for Cold Springs (2-0) with 21 points and two steals. Kilgo added 11 points, eight rebounds, and a block. Cody Bales ended up with nine points and seven rebounds. Seth Williams and Coleton Bales each chipped in with three points. For Hanceville (3-1), Harris ended up with a game-high 24 points and five steals. Jones added six points. Zach Campbell ended up with four points, seven rebounds and three steals. Broad added three points and a steal. Drew Campbell, Calvert (four rebounds), and Tristan Herrera (three rebounds) each ended up with two points, while Garrett chipped in with a point, four rebounds, a steal and a block.

Cold Springs will travel to take on Holly Pond Friday, while Hanceville will host West Point Thursday.

HANCEVILLE, Ala. – Wallace State's women's cross country team secured a program-best fifth-place finish at the National Junior College Athletic Association Division II Cross Country National Championships over the weekend in Richmond, Va.

Meanwhile, the Wallace State men finished 15th overall.

Vega was a second behind Ellis, registering a 19:27.4 for 13th place.

Ellis, the 2021 ACCC Runner of the Year, improved on her conference meet time of 19:57.13, which earned her the individual title in October. Vega, a Fort Payne native, was the Alabama Community College Conference (ACCC) meet individual runner-up.

At nationals, 47-year-old Dani Akridge had Wallace State's third-best finish, clocking in with a 20:13.5 for 30th overall. Read more about Akridge's unconventional journey to joining the team | https://news.wallacestate.edu/?p=18359

For the Wallace State men, sophomore Raleigh Stamps registered the team's best time. He clocked in with a 27:46.9, finishing among the top 50 individuals, in a field of 221 runners. Stamps was the ACCC meet individual runner-up in October.

Dakota Sheppard was next for the Lions, finishing with a 28:14.1. Jonathan Collett was five spots behind his teammate with a 28:20.2.

Aggies, Raiders preparing to host quarterfinals Friday

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – The first two rounds of the state playoffs are in the books and two local squads remain. The Fairview Aggies and Good Hope Raiders are putting together special seasons and they both plan on keeping things rolling with wins Friday night. Both Fairview and Good Hope knocked off ranked teams in round two to advance and they'll have two more ranked teams coming to town this week. The Aggies will take on No. 7 Parker while the Raiders prepare to face the top-ranked Mustangs of Madison Academy.

Fairview (11-) v. Parker (11-1)
The Aggies raced past No. 9 Russellville on the road 35-21 last week to secure their spot in the third round and they have another tough test in front of them this week. Parker knocked off Alexandria 41-34 on the road last week to advance and now the Thundering Herd are coming to Dafford Smith Stadium. Parker's only loss came at Pleasant Grove earlier in the regular season and the Thundering Herd have been scoring more than 40 points per game this year. The Aggies are also putting up 43 points per game so don't be surprised if this one turns into a shootout.

Fairview's offense, led by quarterback Parker Martin, a talented group of skill players and a physical offensive line, has shown its capable of putting up some gaudy numbers this season. Another big offensive performance from the Aggies could be necessary against a Parker team that can really put points on the board as well. This matchup may come down to which defense can step up and make the most stops in key moments.

This will be the first time Fairview has ever met the Thundering Herd on the field and if the Aggies can make enough plays to win yet again, they'll be moving on to the Class 5A semi-finals for the first time in school history.

Good Hope (9-3) v. Madison Academy (11-1)
The Good Hope Raiders toppled No. 4 Northside on its home field 35-21 last week to extend their playoff run and now they'll get the chance to take on the No. 1 team in Class 4A at James W. Shabel Stadium Friday night. Madison Academy has dominated its first two postseason opponents by a combined score of 90-7 and has won its last 11 games after dropping the season opener at Briarwood Christian.

The Mustangs are putting up over 40 points per game this season while holding their opponents to just 11 points per game on the defensive side of the ball. However, the Raiders haven't lost on their home field since the season opener against West Morgan and have been finding different ways to win games each week since.

An opportunistic defense and an explosive running game have led Good Hope to this point and playing in front of its home crowd Friday night won't hurt either.

The Raiders have only been to the semi-finals twice in school history but if they can continue to ride their postseason momentum and take down the top-ranked Mustangs this week, they'll be back into the final four for the first time since 1997.

Good Hope (from Front)

we wanted to get it re-finished and then we started looking into it and knew that we needed two more lanes in order to be able to host meets here like we want to," Hood said.

"So, we got with some donors that got us some grants and we were able to get the money together and get it done."

With the new track complete, Hood is looking forward to hosting different events on campus including Sectional and County track meets.

"We would love to host Sectional meets here. We're able to host them now and we would love to have the Sectionals here and that's something we're going to be striving to do," Hood said. "And then the County Championship too, we'd love to have everyone here for that and be able to host different meets throughout the season."

Mel's celebration of life service will be held at Joppa Church of God on Nov. 18, at 2 p.m. Visitation for family and friends will be held at the church from noon - 2 p.m. Mel will then be laid to rest next to her husband at Etha Baptist Church Cemetery following the service. The family would like to extend a special thanks to Ms. Judy Pilkington, Mel's dearest friend and sister in the Lord, for her constant love, compassion and companionship she provided to Mel in the past few weeks following Greg's unexpected passing. Ms. Judy will forever hold a special place with the family, and they will be forever grateful. Mel's children would also like to thank the Cullman Regional staff, and most significantly Ms. Rachel of the Palliative Care Team for ensure that Mel passed away with dignity and comfort, and for providing such excellent support to Ashley and Jason during her stay. Alison Bates
Cullman Primary School

CULLMAN, Ala. — A first-grade student in Mrs. Allison Bates' class at Cullman Primary School will be a stem cell donor this week for his younger brother, who was born with severe sickle cell disease. Azrael Coleman is a 100% match for his 5-year-old brother, Kasseus, who will receive the potentially life-saving bone marrow transplant this week. Azrael, while only 7 years old, realizes the surgery is very important for his brother. "It will change his life. There's lots of things he's never gotten to do," Azrael said.

To celebrate Azrael's bravery, his first-grade class hosted a surprise superhero-themed party in his honor. The students wore superhero capes and provided gifts for Azrael and his family. Mrs. Allison Bates said, "The outpouring of support for Azrael and his family has been incredible to see.

"These students and their families were moved by his courage and generously donated to this family. We all want Azrael to know just how much we love and support him."

The class would like to thank Chick-fil-a Cullman for providing the class with kids' meals, Magnolia Monograms for printing the superhero capes and Desperation Church for sending Captain America to the party.

This has covered all the needs of our community, making Cullman County sustainable for the future."

Also presented, on behalf of commissioner Rick Pate and the Alabama Dept. of Agriculture and Industry, was the Century Farm award to the Haynes family.

The Charlie Gorham homeplace and Haynes Farms were selected as the Alabama Century and Heritage farms.

Both farms are owned by Haynes Farms LLC with partners Lydia and Darrel Haynes and their sons Ben and Bart Haynes.

Lydia said a few words as she accepted the award: "This is actually the third farm. My homeplace, The Lovelady Farm was recognized in 1985 as a century farm, so we own or partly own three farms that have been in our family for over 100 years.

"If you total the years of agriculture, its 371 years of farming in Cullman County."

"You think about the Great Depression, two wars, all of these farms sent their oldest sons to WWII. It's a commitment. The posters and the theme this year was sustainability in agriculture. I call that sustainable agriculture."
