GOOD HOPE, Ala. — Details are still coming in following what many on the scene called an alleged road rage shooting near Good Hope Baptist Church.

According to a Tribune crew member on the scene, the alleged shooter fled in a White Buick Enclave but later returned to the scene, where he was placed under arrest by a Cullman County Sheriff's deputy. The Tribune is awaiting confirmation on the man's name and age who allegedly shot another driver.

The CCSO said the incident resulted in an altercation with a person being shot.

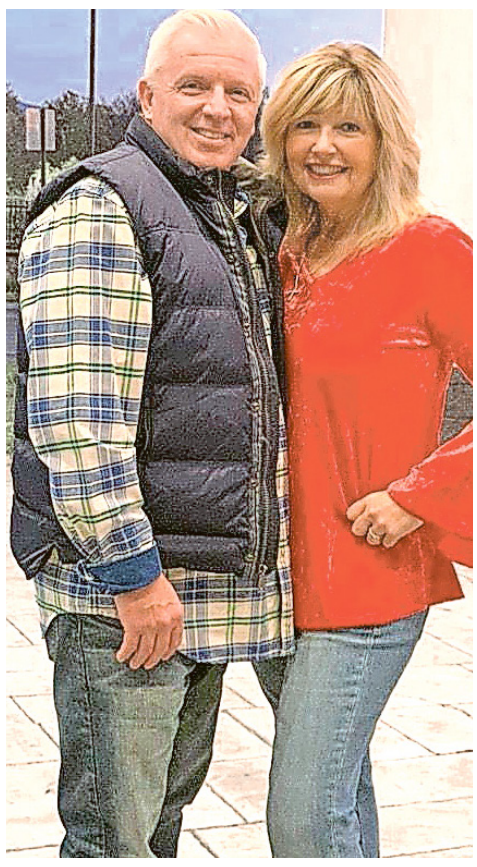

As of Monday morning, Cullman County Deputies arrested James Allen Milligan, 72, of Hunts- » PAGE 8

CULLMAN, Ala. — Local nonprofit organization Kids Loving Kids, founded by Pam Dodd, is in need of 85 dolls for giveaways on Dec. 11 in Winston, Cullman and Walker counties. The organization also needs any baby and toddler items like baby blankets, diapers, rattles and teething rings, but specifically baby dolls. Toys like Lego sets, Xbox games, board games and art sets are always needed, as are necessities for children and teenagers such as underwear, deodorant and body wash.

The organization leaves boxes to collect toys at several local locations before Christmas. The organization accepts donations throughout the year and stores them at their warehouse facility which was provided by Gateway in Curry. Families then reach out by filling out an online form to request specific gifts and items. The organization partners with a group called Santa's Workshop which cleans and fixes any used toys before they distribute them.

This year, Kids Loving Kids is celebrating its 10th anniversary. Pam Dodd began the organization in 2011 in Cullman. Dodd said, "I didn't have any children. I grew up as one of those kids [who's] mom was a single parent. And so had we not had other people helping during the Christmas season, then our Christmas wouldn't have been so bright."

Dodd continued, "Our first Christmas we had 30 kids, we didn't have any teenagers, and this past year in 2020, probably because of COVID and a lot of parents at that time being out of work, we had 3,300 kids and teenagers."

The organization does not have the funds available to fulfill some requests from families in need and would appreciate help from the community. Dodd says, "We've been buying throughout the year getting ready for Christmas season and we have been accepting donations. So now we have exhausted all of our » PAGE 6

COVID-19 BY THE NUMBERS

Monday, Dec. 6, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)

- Positivity in tests in Alabama: 4.8%
- Confirmed cases in Alabama (2020): 387,651
- Confirmed cases in Alabama (2021): 461,128 (+3,558 since Friday)
- Total confirmed deaths in Alabama (2020): 7,186
- Total confirmed deaths in Alabama (2021): 8,999 (+13 since Friday)
- Positivity in tests in Cullman Co.: 4.6%
- Total confirmed cases in Cullman Co. (2020): 7,570
- Total confirmed cases in Cullman Co. (2021): 8,600 (+30 since Friday)
- Deaths in Cullman Co. (2020): 128
- Deaths in Cullman Co. (2021): 178 (+1 since Friday)
- Total tested in Cullman Co. in the last 7 days: 1,357
- Total tested positive in Cullman Co. in the last 7 days: 62
- Total tested in Alabama in the last 7 days: 43,172
- Total positive tests in Alabama in the last 7 days: 2,072
- Currently hospitalized in Alabama: 343

Vaccine details (updated Tuesday and Thursday)

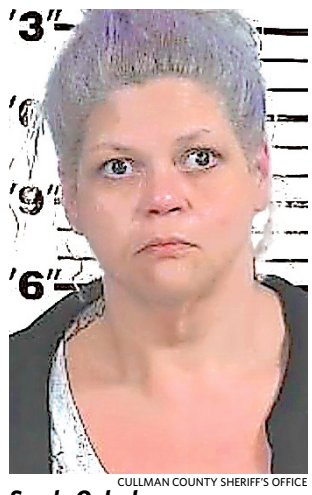

- Doses delivered to Alabama: 7,604,455 (No update available)
- Doses delivered to Alabama providers: 4,211,385 (No update available)
- Doses administered: 5,048,144
- Additional doses administered: 374,026 (No update available)
- Number of people receiving one or more doses: 2,625,046 (No update available)
- Number of people who have completed vaccine series: 2,147,581 (No update available)
- Doses delivered to federal programs: 3,393,070 (No update available)

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

FAIRVIEW, Ala. — This season was a special one for the Fairview Aggies. The purple and gold posted a school-record 12 wins, scored a school-record 584 points and advanced to the 5A state semifinals for the first time in school history. The Alabama Football Coaches Association saw how the season played out for the Aggies too and have selected Head Coach George Redding as this season's Class 5A Coach of the Year.

Redding also collected his 100th career win with Fairview's 35-21 victory at Russellville in the second round of the state playoffs.

This season was Redding's 15th as the head coach at his alma mater and in the last three seasons, he's led the Aggies to a record of 31-7, averaging better than 10 wins per year and winning five playoff games in that stretch.

West Point sweeps Friday night matchups with Brewer

Sammy Confer
sammy@cullmantribune.com

WEST POINT, Ala. — Fans packed Jim Boyd Gymnasium Friday night to see the West Point Warriors and Lady Warriors square off against Brewer and both teams were able to pick up wins over the Patriots. The Lady Warriors downed Brewer 55-36 and the Warriors handled the Patriots 71-60.

West Point 55 - Brewer 36 (Varsity Girls)

West Point got off to a good start on both sides of the ball, holding Brewer to just two points in the opening period, and four different Lady Warriors found the scoring column in the first period as they took a 12-2 lead into the second period. The Lady Patriots trimmed into the West Point lead a little bit in the second quarter and the Lady Warriors took a 23-15 lead into the locker room at halftime.

Ryleigh Jones and Braelee Quinn combined for 13 of West Point's 19 third-quarter points as the Lady Warriors added on to their lead and held a 42-27 advantage after three periods. West Point went 11-of-13 from the free throw line in the final period and that kept Brewer at arm's length the rest of the way as the Lady Warriors ended up defeating the Lady Patriots, 55-36.

Summer Mendoza finished with 19 points for West Point (4-3). Quinn added 15 points. Jones ended up with 11 points. Liberty Shadix added five points. Hallie Wheeler finished with three points and Laklin Shadix chipped in with two points.

West Point 71 - Brewer 60 (Varsity Boys)

Just like in the girls' game, West Point got off to a very strong start on both sides of the ball. Jay Lamar collected back-to-back baskets to put West Point on the board with a little over four minutes to go in the opening period. Five different players scored in the first period for the Warriors. A Cade Simmons trey gave West Point a 14-0 lead, but Brewer nailed a trey to put themselves on the scoreboard. The Warriors would go into the second period with a 14-3 lead.

West Point added onto their lead in the second quarter. Ethan Gammon nailed a trey to start the period, then later on, a Kanaan Sutter basket made it 21-3.

The Patriots slowly started to trim into the deficit as a three, later followed by four straight free throws, cut the Warrior lead to 23-10. West Point got a three each from Lamar and Andrew Lynn and that helped push their lead to 30-12. The Patriots nailed one of their own from long-range to end the half as the Warriors would take a 32-16 lead into the locker room.

Simmons and Lamar each hit a three to start out the second half as West Point's lead ballooned to 20 at 38-18. The Patriots went on a mini 6-2 run to make it a 40-24 game, but Kanen Trussell took over for several possessions as he put up 10 points and grabbed several huge offensive rebounds. His last basket gave the Warriors a 50-33 lead late in the third period. But the Patriots scored eight in a row to make it a nine-point game, but Lynn drilled yet another three to push West Point's lead to 53-41 going into the final period.

Brewer simply wouldn't go away as a layup, followed by a three, made it 55-47 to start out the final period. But Lynn countered with back-to-back treys to increase the West Point lead to 61-47.

The Patriots drilled a trio of threes to kept themselves in the game as their third one made it a 64-56 contest with almost three and a half minutes to go in the game.

But Sam Wheeler and Trussell hit back-to-back layups to put an end to any attempt of a Brewer comeback as the Warriors ended up picking up the win, 71-60, to improve to 3-5 on the season.

SAMMY CONFER/THE CULLMAN TRIBUNE

West Point's Jay Lamar finished with 10 points in the Warriors' 71-60 win over Brewer.

Lynn led the way for West Point with 19 points as he finished with six treys on the night. Trussell added 12 points, 10 rebounds, and a steal. Lamar ended up with 10 points. Simmons (steal) and Gammon each finished with seven points. Perry added six points, six rebounds, three blocks, and a steal. Wheeler also ended up with six points, along with a pair of steals. Sutter and Aiden Dujoud each chipped in with two points.

West Point will host West Morgan Monday.

AUBURN, Ala. — The Cullman High School swim team competed at this weekend's AHSAA State Championship Swim Meet at Auburn University. Among the 10 qualifying Bearcat swimmers, eight secured a place in Saturday's finals following the preliminary meet on Friday. Throughout the weekend, each swimmer was able to leave competition with a season best in at least one event (relay or individual), representing the culmination of a season of hard work. Madison Clements collected two new school records in the 100-yard butterfly and 200-yard freestyle, along with a new school record in the 50-yard backstroke by Chase Duncan during an explosive 200-yard medley opener in Saturday's finals.

Overall, Cullman's girls finished 18th in the combined 6A/7A category and third among 6A schools.

The boys finished 24th overall, placing eighth among 6A school.

Madison Clements, Morgan Fuller, Ruby Hudson, and Anna Page took the girls group to finals in both the 200-yard medley relay (13th overall) and the 200-yard freestyle relay (11th overall).

On the guy's side, CJ Arnold, Hilson Cole, Chase Duncan, and Brody Schaefer represented CHS in finals in the 200-yard medley relay (16th overall), the 200-yard freestyle relay (12th overall) and the 400-yard freestyle relay (15th overall).

Individually, Madison Clements rounded out competition ninth overall in both her 200-yard freestyle and 100-yard butterfly record-breaking performances.

Cullman High School Swim Coach Cory Goble is proud of the way his teams performed all season and the example they set competing at the highest level.

"I am very proud of the way our group represented Cullman High School in both sportsmanship and performance," Goble said.

"In addition to a great season finale for our two senior guys (Brody and CJ), this meet served to expose our younger swimmers to competition against the state's best in a world-class facility.

"Congrats to all CHS swimmers on an awesome 2021 season. Go Bearcats!"

ATLANTA, Ga. — In the 30th Southeastern Conference Championship Game, the No. 3/4/2 Alabama football team beat No. 1/1/1 Georgia, 41-24 in Mercedes Benz Stadium Saturday. With the win, the Crimson Tide has now won 29 SEC Championships, including 10 coming via the SEC Championship Game.

After falling behind 10-0 to start the game, Alabama exploded in the second quarter, piling on 24 points, before adding 17 more in the second half to account for the final 17-point win.

Quarterback Bryce Young was named the game's MVP after setting an SEC Championship Game record with 421 passing yards on a night when he completed 26-of-44 passes for three touchdowns. He added 40 rushing yards on three attempts including a touchdown.

Young's 461 yards of total offense (421 pass, 40 rush) is also a championship game record.

Wide receiver Jameson Williams hauled in 184 receiving yards on seven catches, including two touchdowns, while John Metchie III added 97 yards and a touchdown on six catches. Brian Robinson Jr. tallied 55 rushing yards on 16 carries. Williams' 184 yards receiving ties for the second-most in the championship game with Alabama's DeVonta Smith (184 in 2020).

Defensive back Jordan Battle returned an interception 42 yards for a pick-six, the Tide's final touchdown of the day.

Defensive back DeMarcco Hellams led the Alabama defense with nine total tackles.

Hellams, Henry To'oTo'o and Josh Jobe all tallied six solo stops against Georgia to lead the Tide. Will Anderson Jr. totaled six tackles including two tackles for loss and a sack.

Will Reichard added a pair of field goals (33 and 41 yards) and five extra points on the day.

Postgame notes

• Saturday's win gave the Crimson Tide the most wins all-time over the Associated Press' No. 1-ranked team with 10, breaking the tie it was previously in with Miami.

• Alabama's 365 yards of total offense in the first half is more than all but one of Georgia's opponents recorded in an entire game this season (11 of 12 opponents). The Tide finished with 536 yards of offense.

• After punting on its first two drives in the game, the Crimson Tide scored on its next five straight (three touchdowns receiving, one touchdown rushing, one field goal).

• Alabama bettered its season record for passing touchdowns, notching three in the SEC Championship Game.

• In the first half, Bryce Young had 286 passing yards (17-of-27), scoring a pair of touchdowns.

• That is more passing yards than all but one of Georgia's opponents recorded in an entire game this season (11 of 12 opponents).

• His 286 passing yards set the Southeastern Conference Championship Game record for most passing yards in the first half. Cam Newton of Auburn previously held the record on 281 first half passing yards in 2010.

• Jameson Williams hauled in a 67-yard touchdown pass in the first half and a 55-yard touchdown pass in the second half of the SEC Championship Game.

• Williams has caught 11 passes of 50 yards or more this season, with 10 of those resulting in a touchdown, while he has caught eight passes of 65 yards or more this season, with seven of those resulting in a touchdown.

• Williams has caught seven passes of 67 yards or more this season, with all seven of those resulting in a touchdown.

• Williams' 67-yard touchdown catch in the first half is the longest in SEC Championship Game history.

• Jameson Williams had 112 yards receiving in the first half.

• It marked the sixth time a player recorded 100-plus receiving yards at the half.

• It marked the third consecutive championship game Alabama has had a 100-yard receiver (DeVonta Smith 184 in 2020, Jaylen Waddle 113 in 2018).

• DeMarcco Hellams recorded his third interception this season, tying a team high, taking over the ball on Alabama's 12-yard line on Georgia's first drive in the third quarter.

• It marked the Crimson Tide's 14th interception this season.

• Jordan Battle recorded a 42-yard interception return for a touchdown in the third quarter, his second interception return for a touchdown this season.

• It marked the 12th interception return for a touchdown in the SEC Championship Game, with the last instance happening by Alabama against Florida in 2016.

CULLMAN, Ala. — Fishing 4 a Cure 4 ALS, is a 501c3 nonprofit organization began by the Harris family in honor of Danny Harris, who is battling amyotrophic lateral sclerosis. The group hosts several fundraisers throughout the year with their main one being the annual Bass Tournament at Smith Lake in Cullman. All of the proceeds go to the Alabama Chapter of the ALS Association.

The family has set up a memorial fund in Marc Harris' name for Fishing 4 a Cure 4 ALS. Marc passed away Nov. 29 from cancer.

Marc was the president of the organization and was dedicated to raising money for ALS research to help find a cure.

He held nine successful bass tournaments and never missed the annual Walk to Defeat ALS. Donations can be mailed to: Fishing 4 a Cure 4 ALS, Inc., P.O. Box 322, Crane Hill, AL 35053.

Fishing 4 a Cure 4 ALS is dedicated to raising awareness about ALS, which is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord.

With progressive degeneration of the motor neurons, they begin to die.

When the neurons die, it greatly affects a person's motor functions including speaking, eating and even breathing.

ALS has no cure, and the exact causes remain unknown.

The disease can affect anyone, although it more commonly affects males between the ages of 40-70.

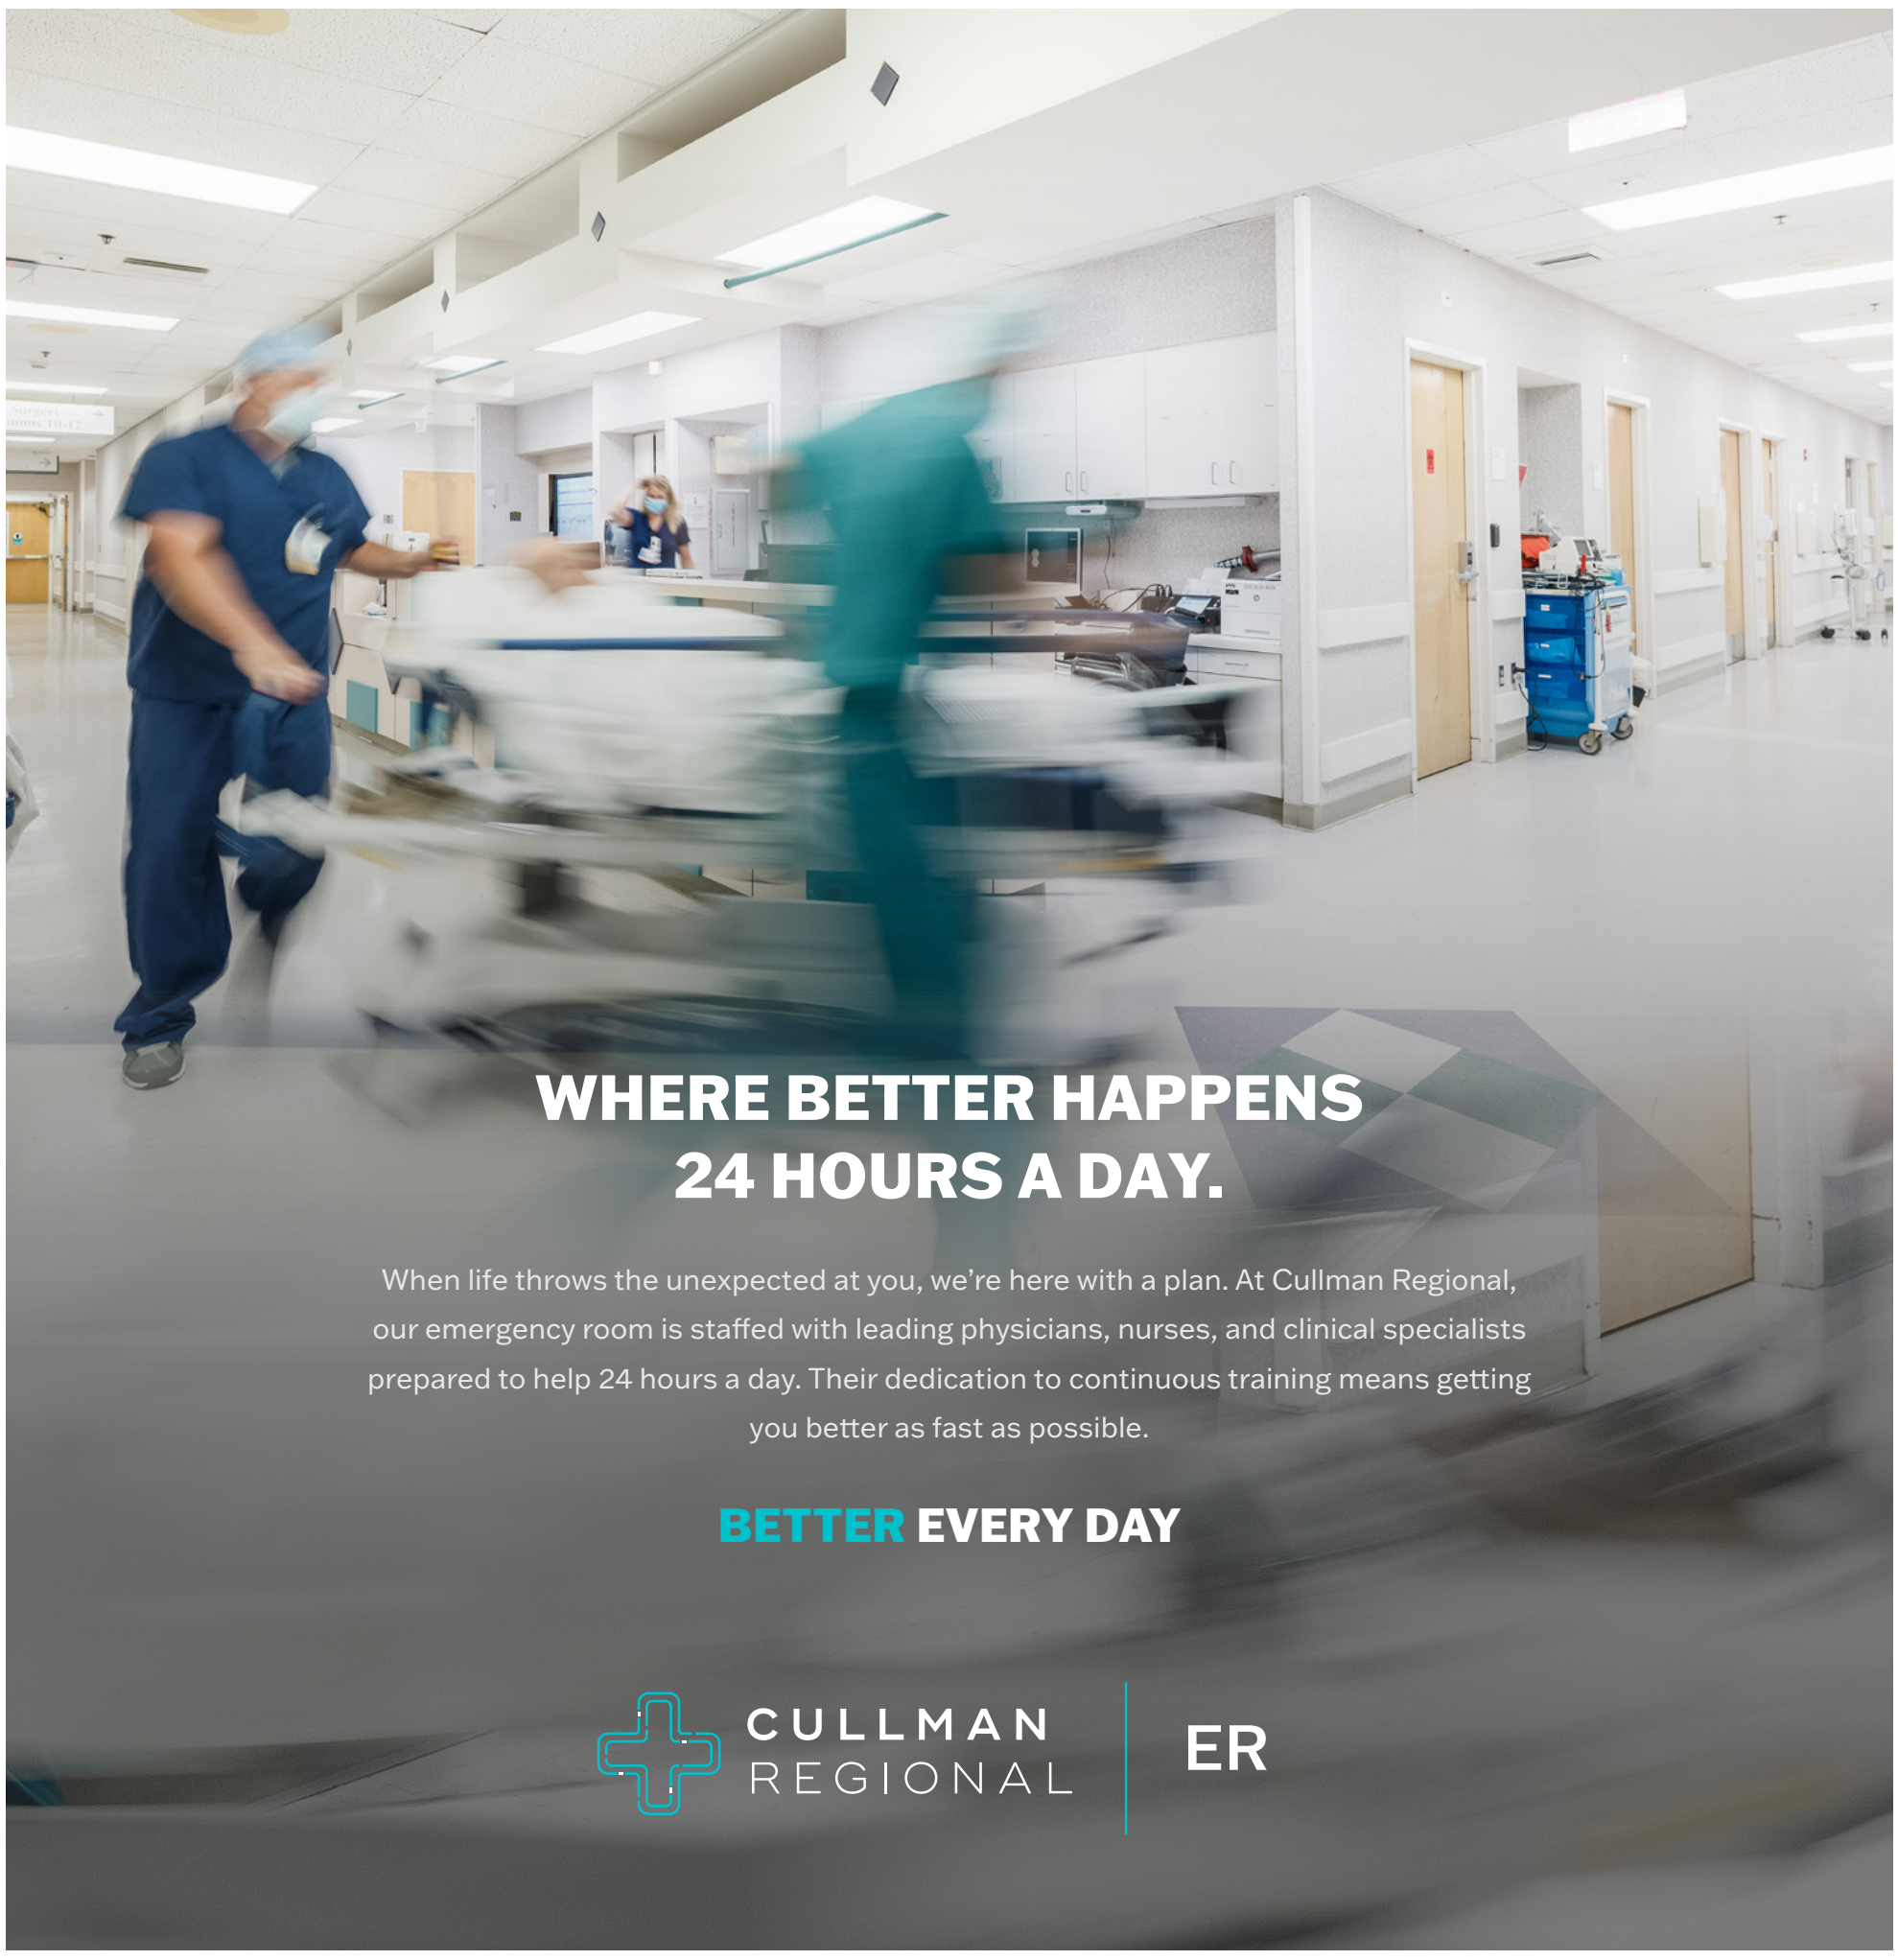

For unknown reasons, military veterans are more likely to be diagnosed with the disease than the general public.

For more information about the disease, visit https://www.als.org/ (ALS Association).

St. Bernard '30 Days of Thanks and Giving' fundraiser exceeds $25,000 goal

Joyce Nix
St. Bernard Prep

CULLMAN, Ala. — "Thirty Days of Thanks and Giving" - a seasonal online campaign that celebrates St. Bernard - has exceeded its goal of $25,000 under the leadership of Director of Development Tyler Hooper, (PS'07). Each day in November leading up to Giving Tuesday, Hooper celebrated St. Bernard and shared some of the many reasons to be thankful.

Hooper said Saint Bernard has many reasons to celebrate, but the main reason is "our people." Hooper sent out an email each day to school parents, friends and alumni spotlighting an important person, mission, event or happening at St. Bernard.

This year, "30 Days of Thanks and Giving's" emphasis was on the classroom - raising money for the new Classroom Grant Program. Earlier in the year, Hooper reached out to all SBP teachers to develop a "wish list" of up to three of the most needed items for their classrooms.

All items requested through this project have undergone an approval process.

Hooper said, "Every item that a teacher, nurse, or librarian will purchase with our donors' gifts as part of this program has been reviewed and determined to be an actual need by our school leadership. We were very intentional in making sure every dollar a donor gives will be used on classroom needs by our teachers."

Items approved through this grant program include math kits and graphing calculators, copies of novels and textbooks for several classes, Chromebook charging carts, science lab balances and safety aprons, geography map making software, new sheet sets for the nurses' office, band chairs and instruments, photography equipment for journalism, costumes for the spring drama production and Wall Street Journal subscriptions to supplement economics classes.

Eighty-seven donors made gifts totaling $28,269, 113% of the goal. Every single dollar raised goes directly to fund school grants for our teachers, nurses' office and the library.

Hooper stated St. Bernard can now provide for every item on teachers', nurses' and librarians' wish lists, and then some.

"Because friends answered our call and gave so generously, grants will be awarded for approximately $1,200 each - $200 more than anticipated!

"On behalf of Abbot Marcus, Fr. Joel and the entire administration, faculty, staff and students of SBP, thanks you for giving, thank you for supporting us and most of all, thank you for loving St. Bernard. Your philanthropy has made a true difference here at SBP," Hooper concluded.

BERLIIN, Ala. — The Berlin Volunteer Fire Department held a Pancake Breakfast with Santa fundraiser on Saturday. The event took place from 7-10 a.m. with a drive-thru and walk-in option for pick up.

"We are doing this for the less fortunate children in Welti, Holly Pond and Fairview schools. We have lists for the kids and everything, and we are going to buy gifts for them and when we get through with buying the gifts, if we have any money left, we are going to divide it up amongst the families and give them gift certificates for the local grocery stores out here, so they can go get groceries," explained Fire Chief Ralph Laney.

This event was completely volunteer based and accepted donations only for entrance into the raffle drawing for the 7-foot-tall stuffed bear from the F.A.O Swartz Toy Store in NYC, which retails for $1,000. Raffle donations were $1 for one entry and $5 for six entries.

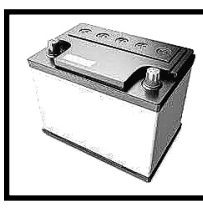

"We know there has been over 300 people because we ran out of syrup packets. There 300 of those," said Chief Laney. "There is more syrup, but that is how we know there has already been more than 300. It has just been busy since 7 a.m. and everything we have taken in is going to go to the kids."

The drawing for the grand prize of the 7-foot stuffed bear took place and was revealed that the winner was 21-year-old Katelin Yahn.

A statement from the Berlin Volunteer Fire Department Facebook page read, "Thank you will never be enough for the amount of support we were shown through this whole process this year. Our community and department members went above and beyond for this. And even though 'thank you' will never be enough, I want to say 'thank you.' Thank you to our department members and others who helped decorate last night and who showed up starting at 4:30 a.m. this morning to prepare for today."

It continued, "Thank you to all of our sponsors for all of your donations, without you this wouldn't have been possible. Thank you to our community for donating and showing up today, we enjoyed seeing each of your faces and hope you enjoyed our event. Thank you to the ones outside of our community who still made the trip to see us today. We can't wait to see what a turn out we have next year!"

Berlin Volunteer Fire Department also offered thanks to its many gracious sponsors, including Goat Island Brewing, The 278 Rock Store, East Point Veterinarian, Rock-n-Roll Sushi, Alfa Insurance – Talisa Shikle, Apel Steele, Happy Homes, CSK Express, Cullman Bowling Alley, Holly Pond Tire and Lube, Affordable Automotive, Branham Accessories, Briscoe Shoe Repair, Holly Pond Marathon, Emergency Equipment Professionals, Van's Sporting Goods, Mount Zion Baptist Church, the Bailey Family, the Richey Family, the Woods Family, and many other anonymous sponsors.
