Heather Mann
heather@cullmantribune.com

JONES CHAPEL, Ala. — The Jones Chapel Fire Department announced the retirement of Chief Micah Netherton after 30 years of service to the community Tuesday, Jan. 4. The Tribune reached out to the JCFD after the announcement so the members could share their stories of Netherton's impact on them and the department.

"Micah has served this community for 30 years and served as the chief of the fire department for the last two years. He has been instrumental in the progress we have made during that time," said Clint Thrasher, who was the assistant chief under Netherton and has since been elected to take his place as chief.

Brad Atkins, the new assistant chief under Thrasher, stated, "He has followed in his grandfather's footsteps as he was one of the founding members of the department back in the late 1970s. Chief Netherton has been a great asset to the department over the years as a firefighter and in the last couple years as a leader. He has » PAGE 3

CULLMAN, Ala. — At Cullman City Council's Monday meeting, Councilman John Cook recognized the members of law enforcement, saying, "I do have one brief thing that I want to say and that's on behalf of Coach Page, he would be reminding us sorely and scolding us if we didn't recognize our police officers, thank them for their service with it being law enforcement appreciation week." Cook asked Cullman City Police Chief Kenny Culpepper to pass along the appreciation of the council and the mayor.

The council set public hearings for Feb. 14 at 7 p.m. for ordinances to rezone a vacant lot on Main Street SW from R-4 to B-2, to rezone a vacant lot on Main Street SW from B-1 to B-2 and to vacate a 50 foot right of way located on Fourth Street SW (U.S. Highway 278) and Rosemont Avenue SW.

All ordinances received a favorable recommendation from the Planning Commission.

A special event request from Grace Drovet for a wedding rehearsal dinner at Festhalle on Friday, Feb. 25, from 7-11 p.m. was approved by the council.

In other business, the council adopted a resolution to authorize the mayor to enter into a contract with St. John & Associates for engineering and design services for a new access drive from Oak Drive NE to Cullman City Primary School.

tems, also known as Inland Buildings.

Council President Folsom clarified that the company has a $3.5 million expansion so the resolution is to abate the taxes on that amount.

A first reading of the ordinance was given to confirm and ratify the levy of a 7.5 mill ad valorem school tax in the City of Cullman. Folsom stated, "This is not a new tax. It has already been in place for a long time.

"This is just to renew it for the school system." The council approved the ordinance.

Cullman City Mayor Woody Jacobs updated the council that West Main and 24th Street are semi-complete with asphalt and temporary striping, though there is still cleanup to complete. "Second Avenue right here that just got closed is about a six-month project.

"When we're finished, it will be a great project, but in the meantime, it is going to be frustrating.

"That's part of progress," Jacobs stated.

Cullman City Council meets the second and fourth Monday of each month at 7 p.m. at Cullman City Hall. The public is invited to attend.

been very instrumental in getting equipment on grants to further provide the quality of service that the community needs."

Some of the progress made under Netherton's leadership includes updates to many pieces of critical equipment, including PPE like turnout packs and self-contained breathing apparatuses and communication equipment such as new radios and tablets in the fire trucks with important information like hydrant locations.

During his time, the department also received $225,000 worth of grants, including the largest grant the department has ever received in the amount of $175,000 from the Assistance to Firefighters Grant in 2021.

Netherton was sent off with many well-wishes from the members of the fire department.

Thrasher commented, "He has been a mentor to me for many years and I appreciate his leadership," while Atkins stated, "We would like to congratulate Chief Netherton on his retirement from the Jones Chapel Fire Department for over 30 years of service. We hope that he will have time now to enjoy his grandson and we wish him the best."

Department member Morris Williams said, "Micah Netherton has served this community and county for 30 years as a volunteer fireman and chief. He had set example for all of us to follow. Great man, great heart, great friend to me."

Bulldogs fend off Raider rally to earn 66-60 win, Lady Raiders rout Hanceville 69-20

Nick Griffin
nick@cullmantribune.com

GOOD HOPE, Ala. – The Hanceville Bulldogs made the short trip over to Good Hope High School Friday night for a pair of varsity matchups and the two local squads split the area battles. The second-ranked Good Hope Lady Raiders dominated Hanceville and collected a 69-20 win while the sixth-ranked Hanceville Bulldogs had to hold off a massive Good Hope scoring run in the fourth quarter to escape with a 66-60 win.

Good Hope 69 – Hanceville 20 (varsity girls)

The Lady Raiders scored early and often during their area matchup with Hanceville Friday night and put the Lady Bulldogs in a deep hole in the opening period. A three-pointer by Ivey Maddox and a pair of baskets from Rudi Derrick made it a 7-0 game right out of the gate and Derrick went on to score six of the next eight points for Good Hope to help make it 15-0. Hanceville was able to get on the board late in the first quarter when Katelyn Boyd knocked down a jumper to make it 15-2 but an 8-0 run by the Lady Raiders stretched the lead to 23-2 at the end of the first quarter.

Baskets from Emma Sterling and Jolee McHan trimmed the lead to 25-4 early in the second but after a layup by Derrick, Maddox drilled back to back three-pointers to give Good Hope a 33-6 advantage midway through the quarter. A couple of baskets by Renee Mcleod made it a 37-7 game with two minutes remaining in the first half but a jumper from Victoria Stanley and a basket by Savanna McAnnally just before the buzzer cut the lead to 39-10 going into the halftime break.

The Lady Raiders continued to widen the gap in the third quarter, extending their lead to 25 with three-pointers from Bailey Tetro and Maddox. Good Hope maintained a comfortable lead throughout the period and after a McAnnally basket just before the buzzer, Hanceville went into the fourth trailing Good Hope 59-16.

With the clock running, Desiree Odachowski and McHan exchanged baskets during the final period and the Lady Raiders went on to collect a 69-20 win over the Lady Bulldogs. Maddox led Good Hope with 19 points in the win, followed by Derrick with 15, all of which came in the first half. Odachowski added 10 points and Bailey Tetro posted nine.

McHan led Hanceville with eight points in the loss. McAnnally and Sterling each finished with four.

The Lady Raiders will be back on the court next Tuesday night when they travel to Curry and Hanceville will look to bounce back next Thursday on the road against Corner.

Hanceville 66 – Good Hope 60 (varsity boys)

Friday's nightcap between the Hanceville and Good Hope boys' squads was a fast and physical one that the Bulldogs led big going into the final frame, but the Raiders refused to lay down. A pair of free throws by Colton Lindsey and a Charlie O'Neil basket gave Good Hope an early, 4-0 lead but Hanceville responded quickly. A layup and a three-pointer by Zach Campbell cut the lead to 8-6 and Carson Garrett scored inside to tie the game at 8 midway through the first. A pair of Tanner Malin free throws and a basket by Campbell kept the score knotted at 10 before Tyler Cone drained a three to give the Raider a 13-10 lead. Noah Jones scored to make it a 1-point game late in the period, but Tucker Malin laid one in at the buzzer to put Good Hope in front 15-12 going into the second.

A couple minutes into the second quarter, Tristan Herrera buried a three-pointer of his own to give the Bulldogs a 17-15 lead and Jones followed him with another three to make it 20-15. Tanner Malin hit a pair of free throws and O'Neil scored inside to cut the lead to 20-19 midway through the second, but Garrett finished an and-one play at the line on the other end to make it a 23-19 game. Campbell and Cone exchanged baskets to keep the lead at four but back to back buckets by Brayden Harris in the final moments of the period gave Hanceville a 29-21 lead going into the locker room at halftime.

Campbell and the Bulldogs got red-hot from three-point range in the third quarter. After a three by O'Neil cut the lead to five at the start of the third, Campbell knocked down three consecutive deep balls to stretch the Hanceville lead to 38-24. Harris followed with a three of his own to make it a 41-24 lead before Lindsey was able to score on the other end and stop the Bulldog run. Herrera knocked down another three on the next possession to put Hanceville in front by 18 points and after a pair of steals and baskets by Braxton Broad in the final minute of the third, the Bulldogs went into the fourth quarter with a commanding, 50-28 lead over Good Hope.

However, the Raiders weren't done yet. Jones drained another three-pointer for Hanceville to start the final period and add to the lead, but Good Hope answered in a big way after that. Jacob Haynes scored through a foul and added the free throw to kick-start the Raider run and O'Neil buried a three to make it a 53-34 game. After cutting the lead to 14, Tanner Malin scored six straight points for Good Hope to cut the lead to 54-46 midway through the fourth and Cone and Weston Hancock each scored to make it a 56-50 game with just under three minutes to play. A pair of Campbell free throws and a jumper by Harris on the other end kept the Bulldogs ahead 60-52 but a basket by K'mal Bell and a pair of free throws from Cone kept Hanceville from pulling away. Harris netted two free throws with 36 seconds on the clock to make it a 10-point game. The Raiders battled until the last possession but couldn't completely chip away at the lead and the Bulldogs were able to hold and win it 66-60.

Campbell led Hanceville with 23 points in the win, followed by Harris with 16 and Jones with eight. Malin led the way for Good Hope with 18 points. O'Neil posted 14 and Cone finished with nine.

Hanceville will be back in action Tuesday night to host Vinemont and Good Hope will head to the BJCC in Birmingham Saturday to take on Cordova.

Cold Springs sweeps area matchups with Falkville

Sammy Confer
sammy@cullmantribune.com

BREMEN, Ala. — Cold Springs hosted a pair of big area showdowns against Falkville Friday night and both Eagles squads earned hard-fought wins. The Lady Eagles rallied from an early deficit to top Falkville 50-46 and the Eagles outscored the Blue Devils 11-6 in the fourth quarter to pull away and collect a 48-39 win.

Cold Springs 50 - Falkville 46 (varsity girls)

Falkville got off to a very strong start to the game as a trio of threes gave them a quick 9-0 lead, then a pair of baskets down low saw Cold Springs looking at a 13-0 deficit late in the first quarter. Malaya Taylor got the Lady Eagles on the scoreboard with a layup with six seconds left, but Cold Springs trailed, 13-2, after one.

The second quarter was a different story, though. Ella Bruer drilled a trey to make it a 13-5 game, then Calvert hit a layup to make it a six-point game. After forcing a Falkville turnover, Paisley Whitlow got fouled and made the basket. She completed the three-point play to cut the Lady Blue Devil lead to 13-10 early in the second period. Kenady Graves then nailed a long-range shot of her own to tie the game up at 13 with a little over four minutes to go in the first half. Falkville broke the tie with five straight points and that gave them an 18-13 lead. After the Lady Eagles tied it up at 18 on a pair of Calvert free throws, a pair of Lady Blue Devil threes gave them a 24-20 lead and Cold Springs would go into the locker room down by four.

Falkville held a 27-24 lead early in the third period, but a Calvert three tied things up at 27 with less than six minutes to go in the third quarter. The Blue Devils would later hit a pair of threes to help push their lead from 30-29 to 36-29.

But late in the third period, the Lady Eagles cut into the deficit as Taylor, Whitlow, and Calvert each hit a basket down to make it a 36-35 game. Falkville added a layup before the end of the quarter and Cold Springs would go into the final period down by three at 38-35.

Taylor hit a pair of free throws to make it a one-point game, then later added a layup to give Cold Springs a 39-38 lead early in the fourth quarter. The Lady Blue Devils, though, answered right back with six straight points of their own to give them a 44-39 lead with a little over three minutes to go in the game. Cold Springs got huge baskets from Calvert and Taylor as that tied the game up at 44 with a little over a minute left. Erin Bailey put in a big basket as well to give the Lady Eagles a 46-44 lead. Falkville tied it up at 46 on a pair of free throws, but back-to-back enormous baskets by Calvert and Bailey would help seal the 50-46 win for Cold Springs.

Taylor finished the game with 18 points and 12 rebounds for Cold Springs (7-10). Calvert added 15 points and 15 rebounds. Whitlow ended up with seven points and a pair of steals. Bailey added four points, while Graves and Bruer each finished with three points.

Cold Springs 48 - Falkville 39 (varsity boys)

Each team would trade threes to start out the game. A pair of Falkville threes gave them a 6-3 lead early in the first quarter, but Cody Bales nailed one of his own from long range to tie the game up at six. A driving layup by Seth Williams gave Cold Springs an 8-6 lead with a little over four minutes to go in the first period. A shot down low by Brody Peppers gave the Eagles a 10-9 lead late in the first period, but a Falkville basket down low would give them an 11-10 lead going into the second period.

A three-point play by Peppers gave Cold Springs the lead right back at 13-11 early in the second quarter. After the Blue Devils tied it up at 13 on a basket down low, three free throws by Williams and two by Kilgo broke the tie and gave the Eagles an 18-13 lead with four minutes left to go until the half. A Tanner Kilgo layup made it a 20-15 game, but a huge run by the Blue Devils saw them get the lead right back at 24-20 late in the second quarter. After a Williams free throw trimmed the deficit to just three at 24-21, Peppers nailed a shot from long-range just before the buzzer as that tied the game up at 24.

Back-to-back baskets down low by Kilgo gave Cold Springs a 29-27 lead, then a Williams trey pushed their lead to 32-28 late in the third period. The Blue Devils grabbed a 33-32 lead on a layup, but shots down low by Bales, Williams, and Kilgo gave the Eagles a 37-33 lead going into the final period.

Cold Springs looked to finally create some distance between them and the Blue Devils as a pair of driving layups by Williams, plus one by John Mark Smith, helped increase the Eagle lead to 43-33. But Falkville cut it to 43-37 on a pair of free throws. One of Falkville's players, though, got called for a technical foul and Smith nailed both free throws to make it a 45-37 game. The Blue Devils never got any closer after that as the Eagles picked up a huge 48-39 region win.

Williams finished the game with 17 points, five rebounds and five steals for Cold Springs (12-6). Kilgo added 10 points, eight rebounds, two steals, and a block. Peppers ended up with eight points, eight rebounds, a steal, and a block. Smith also finished with eight points, along with a steal. Bales ended up with five points and a pair of steals.

Cold Springs will travel to take on Winston County on Tuesday night in another pair of huge region games.

MARTHA NEEDHAM/THE CULLMAN TRIBUNE

Cold Springs' Tanner Kilgo finished with 10 points in the Eagles' 48-39 win over Falkville.

Cullman mayor proclaims Jan. 11 'Human Trafficking Awareness Day'

Leanne West
City of Cullman

CULLMAN, Ala. — Cullman Mayor Woody Jacobs officially proclaimed Jan. 11, 2022, "Human Trafficking Awareness Day" in the City of Cullman Monday, Jan. 10. On hand to accept the proclamation were Cullman County Human Trafficking Task Force members Cullman County Juvenile Probation Officer & Task Force Chairperson Kathy Wilson, District Judge Chad Floyd, Haley Harris and Jill Herring from Brooks' Place/CAC and Assistant District Attorney Jeremy Cline.

"This is an issue people are becoming more aware of," said Jacobs. "And that's because of the work that all of you [Human Trafficking Awareness Day] are doing."

Human trafficking, often referred to as "modern-day slavery," involves the use of coercion, force or fraud to get victims to perform labor or commercial sex acts against their will. It is a thriving criminal industry globally.

It can take many forms (debt bondage, forced marriage, slavery, commercial sexual exploitation), but in every case, goes against the core principles of individual freedom and civil rights this nation was built upon.

The majority of human trafficking victims are preteens or teenagers. Young victims are often lured into traps by people they consider friends, or even by family members.

With Cullman's close proximity to the Interstate and other major highways, it is a prime location for perpetrators of human trafficking.

The Cullman County Human Trafficking Task Force was organized to work with local law enforcement and other agencies to help prevent human trafficking in our community.

The first step to prevent human trafficking is to educate the public.

The task force strives to do that through holding public meetings and by sponsoring community events designed to explain what human trafficking is and how people can recognize the signs.

The task force also advocates for changes in local, regional and state policies related to human trafficking. The volunteer task force is made up of individuals from various departments and agencies throughout the community.

Chase (from Front)

Lauren Estes

CULLMAN COUNTY, Ala. — The suspect involved in a multiple county car chase and manhunt was apprehended following the assistance of multiple law enforcement agencies on Thursday, Jan. 6.

The suspect, Joseph Wise, 29, of Huntsville, was taken into custody without further incident once apprehended.

The Cullman County Sheriff's Office said the pursuit ended in Cullman County.

"Blount County began the pursuit following an armed robbery in their county," Cullman County Sheriff Matt Gentry said.

"We became involved once they entered our county. He is a suspect in crimes here in Cullman and will likely have charges but is currently in Blount County Jail at this time. Blount County may have more info at this time."

The Blount County Sheriff's Office said they were notified of a car chase that had begun elsewhere, but led into Blount County.

Blount County deputies and officers from the Blountsville Police Department responded to the northwest area of the county.

The chase from another county went from a car chase to a manhunt in which all these mentioned above assisted the initial responding agency.

After searching for the subject for some time, the search was called off and all agencies went back to regular patrol duties.

The Blount County Sheriff's Office stated that some time later, law enforcement was called to an address on Bangor Hollow Road for a stolen vehicle complaint.

During that time another chase began with the listed stolen vehicle.

The suspect ran from law enforcement on County Road 26 and crashed at Jenkins Road but was able to flee on foot and avoid capture.

The suspect was able to make his way back to an address on County Road 26 where he stole a vehicle at knife point from the victim.

The suspect then, in an attempt to leave the address, was seen leaving the address on County Road 26 by Officer Best with the Blountsville Police Department at a high rate of speed.

Officer Best was able to get behind the vehicle immediately and a pursuit began from there.

Best, Mullins, Burney, Sanders and Green, as well as Lt. Wes Neill, chased the suspect into Cullman County where spike strips were deployed, and the pursuit ended.

The suspect, Joseph Wise, 29, of Huntsville, was taken into custody without further incident.

After originally not cooperating with law enforcement, the suspect has now agreed to help retrieve other stolen merchandise that he discarded throughout the day.

The BCSO said they are thankful that no one was injured during this event.

"A special thanks to Officer Best of the Blountsville Police Department and the Cullman County Sheriff's Office, if not for them, this pursuit may not have ended as smoothly, and the outcome could have been much different," Sheriff Mark Moon said.

2022 Annual Polar Bear Plunge draws first-time divers at the Cullman Wellness and Aquatic Center

Sara Gladney
sara@cullmantribune.com

CULLMAN, Ala. — The Cullman Wellness & Aquatic Center held its annual Polar Bear Plunge Saturday morning, Jan. 8. The event allows anyone willing to jump into the outside pool in frigid temperatures to be entered for a chance to win a 12-month family membership to the center.

There were several first-time divers as well as some who had taken the plunge multiple times before. The day was sunny but chilly, with the temperature at about 45 degrees at 10 a.m.

After the countdown, most participants quickly jumped in the water and then hurried out just as fast as they entered.

Only a few lingered, trying to get comfortable in the icy water. Everyone was advised to wait 10 minutes to warm up slowly before getting into the hot tubs so as not to shock anyone's system by changing temperature too drastically. The Polar Bear mascot was available for pictures with kids after they took the Plunge.

All participants were asked to sign waivers and release forms the morning of the event. Aquatics admissions were also free until 11 a.m. that morning.

The CWAC offers a broad variety of group classes, equipment, free weights, machine weights, indoor competition pool, an indoor rubberized walking track and more. The facility also offers child care, and the indoor pool is available for rent after hours.
