Cullman Hoop Stars kickoff season with more members than ever

CULLMAN, Ala. — The Cullman Therapeutic Recreation Hoop Stars basketball team held their first game of the season at the Cullman Wellness and Aquatic Center Saturday morning. The adult games begin at 9 a.m. and the youth games start at 11 a.m. The ages of the members range from four to about 65. This year's spots on the team were quickly filled in November with many new participants. The Hoop Stars have eight adult teams and four youth teams.

The Angling for Autism group provided funding to the Therapeutic Recreation program for their Hoop Stars team and covered the cost of over 80 members that signed up, and is the most that has ever been registered to participate.

Director Kelly Pulliam said, "We have a couple coaches who are actual basketball coaches from some different high schools and then we just have other volunteers. Some are parents, but most are just people who are willing to volunteer."

Pulliam also said that the games went better than expected with a bigger crowd than anticipated. "I definitely could not have done this without the coaches because it's very hands on with the basketball. Definitely having experienced coaches and coaches willing to learn and help, it makes all the difference."

All games in February will be held at 9 a.m., 10 a.m. and 11 a.m. on Saturdays. Practices are held every Tuesday at 5:30 p.m. at the Aquatic Center gym. Everyone is encouraged to attend and cheer on the team. Coaches will be available to lead each practice.

CULLMAN, Ala. — Nonprofit Flourish of Cullman Inc. held their Flourishing the Night Together fundraising event Saturday evening, Feb. 5, at the Terri Pines Country Club. The event was a fundraiser to help build the Robert Squires Independent Living Skills Apartment which will be next to the Flourish offices in Welti. Flourish of Cullman Director Melissa Dew stated, "Individuals that have disabilities can come and spend the night or spend a few hours there and see what they need to work on to be independent and live independently."

Flourish of Cullman provides empowerment to people with disabilities and offers life coaching, job placement assistance, structured play and social activities for its clients.

The new apartment building is named in honor of former Flourish client Robert Squires who passed in January of 2021.

Dew says, "Robert was somebody that came into our program that touched our hearts. He lived independently.

He was always willing to help other people, and that's why when he passed, we named the Independent Living Skills apartment after him."

The 80s themed event offered bingo prizes of a $50 AMC gift card, a $100 Ledgers gift card, a $100 gift card to Drehers, a 40" Vizio TV and some cash prizes.

Some of the items featured at the silent auction were an Alabama football signed by Nick Saban, a Smith Farms basket donated by realtor Robbie Downs, a Child Protection Will package from attorney Blake West, a Warehouse District basket with items from several businesses, a one-hour golf lesson with Beau Bryan, Thomas Moore Chardonnay casks and Nicole Miller glasses donated by Melissa Dew.

Tickets for the event were $75 individually and $500 per table.

A few of the businesses that were present for the event were R.E. Garrison, Cullman Electric Co-op, Ray's Tire, Kilgo Law Firm, Karma's Coffee House and Cullman Savings Bank, with a total of about 200 people in attendance.

All proceeds from the event will go toward the completion of the Robert Squires Independent Living Skills Apartment.

CULLMAN, Ala. — The Kiwanis Club held their regular meeting at Freddie Day catering Monday, Feb. 7 at noon to hear from a couple different speakers. One address came from Pilot Light Home Board Chairman Peggy Harris, who spoke about the Cullman Pilot Club's contributions to the community and their ongoing need for funding at their Pilot Light Home, which is a 24/7 foster home and emergency care facility licensed by the Department of Human Resources. The home currently has room for six children and is managed by a salaried house parent. The home's purpose is to offer abused and neglected children a secure living space.

The Pilot Light Home runs on funding from DHR, United Way of Cullman County and donations from churches and the community. The Pilot Club budgets $5,000 a year to the Pilot Light Home. Harris said, "When we have been down to the point when we didn't have the money to pay our bills the next month, we had some of the banks make donations. We're doing pretty good, when we are able to cover our expenses."

The Kiwanis Club presented Harris with a check for $250. The Club generally provides crates of food, but this year the number of members without COVID-19 and able to gather the food had dwindled significantly.

The Kiwanis Club provides funding for children in need by hosting community events, raising money for scholarships and supporting Key Clubs.

The group also heard a presentation from LifeSouth of Cullman. The blood donation centers are in need of new donors. They are looking for churches or establishments to allow the bloodmobile to set up and collect blood donations. "We need more than retail spots, we need organizations."

Kami Mitchell of LifeSouth said, "There is a blood shortage that we are dealing with and it's nationwide. In the U.S., every two seconds, someone is in need of a blood transfusion.

"Also in the U.S., 30% of the U.S. population is eligible to give blood, but less than 5% actually do so annually."

Cullman Regional receives 10 pints of blood every single day from LifeSouth. Decatur receives 15, and Huntsville receives 70 - 90 pints of blood every day according to Mitchell.

"Sometimes, Huntsville Hospital receives more blood in one day than some of our smaller hospitals do in an entire week."

"What sets LifeSouth apart from a lot of other blood centers is we are your local blood center.

"We're Cullman's local blood center, so when you give blood, you can make sure that that blood stays right here in your community saving local lives."

COVID-19 BY THE NUMBERS

Monday, Feb. 7, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. No. 9 Cullman collects 85-63 senior night win over Gardendale

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. — The Cullman Bearcats were back home Friday night for their regular season finale against Gardendale and after celebrating senior night, the 'Cats collected an 85-63 win over the Rockets. Cullman seniors Jamar Kay, Tucker Gambrill, Tucker Apel and Max Gambrill were all recognized along with senior members of the cheerleaders and the dance team before tipping things off.

The Bearcats got off to a fast start, jumping ahead 5-0 after a three-pointer and a layup from Tucker Gambrill. Jamar Kay added a three of his own to make it 8-2 and Garrison Sharpe scored to stretch the lead to eight.

Baskets by Tucker Cagle and Nills made it a 14-2 game and Sharpe drilled a three-pointer to give the 'Cats a 17-2 lead just three minutes into the opening period. In the final minute of the first quarter, Kay nailed two more threes to stretch the lead to 25-6 and give Cullman a 21-point lead going into the second.

Sharpe split a pair of free throws before knocking down another three-pointer to make it 30-11 and baskets from Cagle and Zills extended the lead to 34-15 midway through the second quarter. Sharpe's third trey of the night made it a 37-15 game and in the final seconds of the period, Zills and Sharpe each laid one in to give the Bearcats a 44-24 lead at halftime.

A pair of Tucker Gambrill buckets and another putback by Zills stretched the lead to 50-24 at the start of the third quarter but the Rockets went on a 9-0 run to cut the lead to 17 midway through the period.

That's when Sam Duskin drained a three and scored inside on the next possession to end the Gardendale run and Tucker Gambrill added another three to make it a 58-33 game. Max Gambrill and Sharpe each knocked down three-pointers late in the third to add to the lead and Max Gambrill scored one more at the rim just before the buzzer to put Cullman in front 67-36 going into the final frame.

The hot clock was running throughout the fourth quarter but the 'Cats were still able to add to their lead. Garrett Hall buried a three to make it 76-47 a few minutes into the fourth and Duskin and Arden Crane each followed with threes of their own to extend the lead to 82-56.

To wrap up a successful senior night, Bearcats senior manager Roy Grimmett entered the game, drew a foul and knocked down a pair of free throws to make it an 84-58 game. Cullman went on to defeat the Rockets 85-63 and finish the regular season with an impressive mark of 22-3.

Sharpe led the way for the 'Cats with 19 points in the win, followed by Tucker Gambrill with 14, Zills with 12 and Kay with nine. Cullman will be back home Tuesday night at 7:30 to host an area tournament battle against Decatur.

Green's game winner lifts No. 1 Auburn in 74-72 win at Georgia

Greg Ostendorf
AU Athletics

ATHENS, Ga. — Wendell Green Jr. made just one field goal in the second half Saturday. It was the game-winning field goal with three seconds left to lift No. 1 Auburn to a 74-72 road victory at Georgia and extend their winning streak to 19 games.

After a Georgia miss on the other end, Walker Kessler pulled down the rebound and handed it off to Green. The sophomore point guard immediately pushed it the other way and went coast to coast. He made a spin move in the lane, lost control of the ball, gathered it and put it in off the glass to give the Tigers the lead.

"Once Walker got the rebound, I looked at the clock. I knew I had 10 seconds," Green said. "I just wanted to go down there and get the ball up on the rim and score. I knew they were going to be trailing me if I missed, but thankfully, I went up there and got the basket."

Georgia missed a half-court heave at the buzzer, clinching the win for Auburn.

"To come in here and get a road win when we had at least three or four guys have what you would consider an off night is pretty good," Auburn head coach Bruce Pearl said. "I'm not sure any one of our guys would feel like this is one of our better nights.

"We missed Zep Jasper, our best perimeter defender, in a big way,"

Jasper, the team's starting point guard, missed the game with an illness (non-COVID related). Green got the start in his place and finished with 19 points – 15 of those coming in the first half. He's now scored in double figures in 17 of Auburn's 23 games.

Green's backcourt mate, K.D. Johnson, led the Tigers with 20 points. It was Johnson's first game back in Stegeman Coliseum after playing his freshman year at Georgia last year. The sophomore tied the game at 72-72 with a tough drive and lay-up in the final minute.

"It felt OK," Johnson said about being back. "I wanted the team to play a lot better, but we came in here and got the W in a tough Georgia stadium."

Kessler also scored in double figures with 10 points on 5 of 7 shooting from the field. He led the team with nine rebounds and four blocks.

As a team, Auburn outrebounded Georgia, 46-35, and also blocked nine shots.

The Tigers jumped out to a 15-point lead in the first half behind the play of Green and Johnson who combined to score 27 points in the first 20 minutes. Green knocked down a 3 on the opening possession, one of three he connected on in the first half. Johnson did most of his damage around the rim and twice turned steals into points on the other end.

The highlight of the game came at the 7:58 mark in the first half when Green threw an alley-oop off the backboard for Devan Cambridge who slammed it home with one hand. It was Cambridge's lone bucket, but the junior added three rebounds and two steals.

Auburn led 42-30 at halftime, but Georgia used an 11-0 run early in the second half to cut the advantage to one and grabbed its first lead at 58-56 with just over eight minutes left.

Georgia's Kario Qquendo led all scorers with 25 points.

MATTHEW SHANNON/AU ATHLETICS

Auburn's Wendell Green Jr. hits the game-winning shot in the Tigers' 74-72 win at Georgia Saturday.

With the win at Georgia on Saturday and Tuesday's win against Alabama, Auburn swept the season series against both its rivals for the first time since the 2018-19 season and for only the second time in the last 50 years.

"We've just got winners," Green said. "No matter what the circumstance is, we believe in each other. We're 22-1 for a reason. We've got winners. We believe we can win against any team in the country, and we've got big-time players who are going to make big-time plays."

The Tigers will get a short reprieve before traveling to Arkansas on Tuesday night. The game in Fayetteville is scheduled to tip off at 8 p.m..

Alabama falls to No. 5 Kentucky 66-55 at home Saturday night

Aaron Jordan
UA Athletics

TUSCALOOSA, Ala. — The Alabama men's basketball team fell to No. 5/7 Kentucky, 66-55, in Coleman Coliseum Saturday night.

Not only was it a season low in points scored for the Crimson Tide, which came into the game ranked 12th nationally in scoring average (81.4 ppg), but UA also set low marks for field goals made (18), field goal percentage (28.1 percent) and three-pointers made (3).

Freshman Charles Bediako led the Tide (14-9, 4-6 SEC) in scoring and rebounding on the night, matching his career-high in both points with 12 and rebounds with eight. Guard Jahvon Quinerly added seven points, five rebounds and four assists.

Kentucky (19-4, 8-2) was led by freshman TyTy Washington's 15 points while forward Oscar Tshiebwe added 10 points and 15 rebounds.

Head Coach Nate Oats postgame comments

"It was a frustrating shooting night for us. It's hard to win games going 3-of-30 from three. I thought we had some good looks. Our missed shots affected us on the defensive end of the floor as the game wore on. I thought we played hard on defense for the most part. We can't let missing shots affect how hard you play on the other end. We started to think about it too much. We just needed to lose ourselves in the game. If you miss some shots, you miss some shots and that's just the game of basketball. But when you start overthinking all of your missed shots, it affects your effort on defense, and you start to feel a little bit of a tail spin. I think then you begin to overthink your offensive stuff, and it turned into one of those nights. We have got to be a little more mentally tough. We have to be able to handle the bad shooting nights and still play hard. I mean we have won big games where we didn't shoot it well, and some of our bad loses was where we did shoot it well. So, I thought our defense was better overall than it had been in some of our loses which was a good thing. Otherwise, we would have gotten blown out, but our offense really failed us tonight."

Team stats

- The matchup marked the Crimson Tide's third-straight game against an Associated Press Top-5 opponent, which is the first time it's occurred since the 2008-09 season when Rutgers played consecutive games against No. 1 North Carolina (12/28/08), No. 3 Pitt (12/31/08) and No. 2 UConn (1/3/09)
- Alabama outrebounded Kentucky, 47-44, to become only the third team this season to win the battle of the boards over the nation's top rebounding team
- Bediako, the only Alabama player to post double-digits, finished a perfect 4-of-4 from the field and 4-of-4 from the charity stripe while also leading the team in offensive rebounding (4)
- The Crimson Tide went 8:31 during the second half without making a field goal (0-of-12 over the stretch) while the Wildcats went on a 15-4 run between Alabama field goals made

First half

- Alabama came out of the gate hot, scoring nine of the first 10 points for a 9-1 lead in the opening 2:23 to force an early Kentucky timeout
- The Wildcats responded with a 14-5 run over the next 8:39 to take a one-point lead, 25-24, with 8:55 remaining
- The teams continued to trade baskets until the Wildcats finished the opening stanza on a 14-6 run over the final 5:13 to carry a 33-27 lead into the break
- Bediako led all scorers in the half, shooting 4-of-4 from the field and knocking down a pair of free throws to total 10 points
- The Tide outrebounded the Wildcats 23-17 in the opening half, pulling down eight offensive boards to Kentucky's three

UA ATHLETICS

Alabama's Charles Bediako led the Crimson Tide with 12 points in their loss to Kentucky Saturday night.

Second half

- After a back-and-forth start to the half, Kentucky went on a 11-2 run to establish a 13-point lead, 50-37, with 10:22 left to play
- The Tide would cut the lead to single digits at 50-41 at the 9:14 mark, however, the Wildcats went on an 11-3 spurt to give UK its largest lead of the contest at 17, 61-44, with 2:53 remaining

Up next

Alabama will travel to Oxford, Miss., to take on the Ole Miss Rebels Wednesday night at 7:30 p.m.

The game will be broadcast live on SEC Network and will be the lone meeting between the two teams this season.

Hard at work: Blue collar Alabama in photographs

Lorna Fisher
Guest Columnist

Each and every job is different and unless you have done that occupation, you may not realize the challenges involved. My page, Alabama at Work, is a salute to the hardworking people of this state.

An Alabama power crew of men, all leaning on a pole soon to be installed in the ground, enjoying the last few minutes of conversation before the hard work began. A few miles down the road, I spotted a farmer planting in tidy practiced rows, and then, a friendly lady holding up a stop sign for road construction. An idea began to form that these jobs needed to be photographed. As they say, there is beauty in the everyday. The more I drove, the more I noticed people at work, all facing their day and what lay ahead.

Later that day, I approached a gas station employee and asked if I could photograph him for a project I was working on and he said, "But I'm in old work clothes," and I replied, "Exactly!"

Since then, I have photographed dozens of workers and talked with them about all the challenges they face. A few folks have declined to participate, but most are glad someone is interested in what they do and are happy to contribute to Alabama at Work.

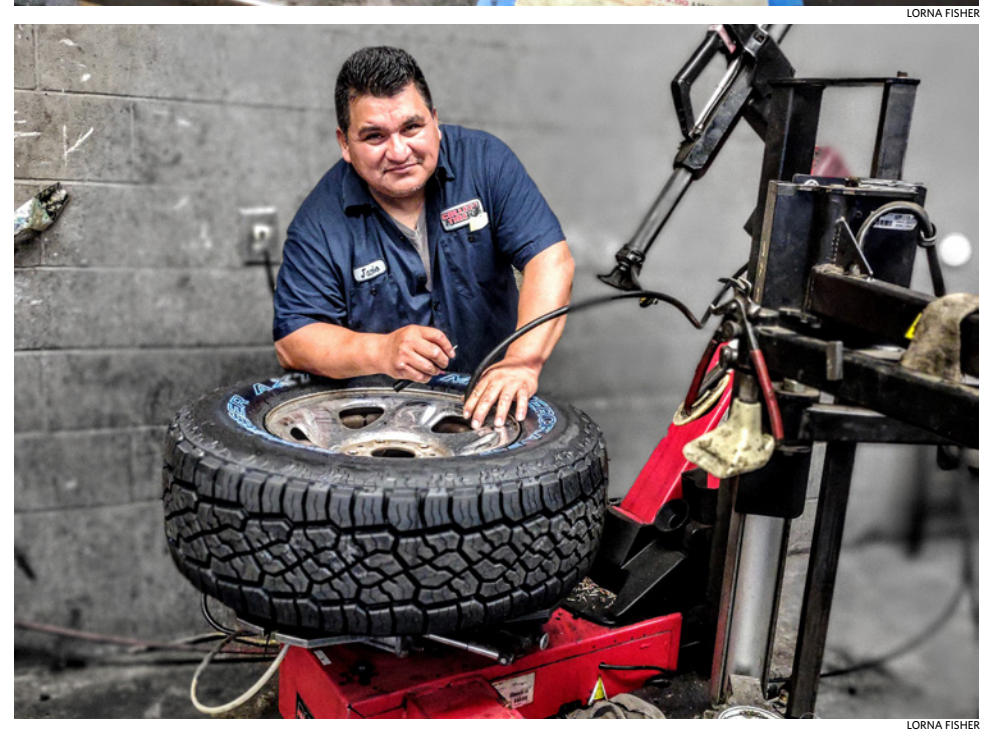

LORNA FISHER

I've always been impressed with the gentle humor and friendly nature of Alabama folks since I arrived here 32 years ago. I have felt so welcomed and this photo project has reinforced this sentiment. I am so happy to live in "Sweet Home Alabama" where people are committed to providing for their families and stay dedicated. I feel blessed to record the various occupations found here and to experience a small portion of their day. Keep your chin up and keep moving forward Alabama!

Holly Pond (from Front)

coupled with supply chain and other issues have made such overages commonplace in recent days.

Plans for a 2,000 square foot building, which the town hoped to build for a little over $300,000 – including $250,000 received through a grant – came in at $529,344.18, even if the town did its own sewer lines and parking lot construction. In all, the lowest bid still left Holly Pond having to come up with another $231,224.18 out of pocket. The council voted instead to reject all three bids and return the grant money to the State, with hopes of reapplying for a higher grant amount in an upcoming cycle.

The town will still have to pay $30,417.72 in fees to Community Consultants and St. John and Associates but, as one councilman remarked, "That's a lot better than $231,000."

The council also voted to:

- Donate $700 to the Cullman County Library System's summer program

- Accept all future money from the American Rescue Plan as a standard allowance that will allow the town to use all received money with less necessity for itemized reporting

- Authorize Mayor Carla Hart to contract for repairs to the town's storm shelter, which has suffered water damage from leaks

- Adopt a resolution calling on the Alabama Department of Transportation to widen U.S. Highway 278 to four lanes between East Point and downtown Cullman, and build a new bridge at St. Bernard. State Rep. Randall Shedd is circulating the resolution among municipal councils in the county.

The Holly Pond Town Council meets at 6 p.m. on the first Monday of each month at the Guy Hunt Library. The public is invited to attend.
