Vinemont Town Council approves use of community center for inaugural Pinnacle Place Exchange; Nina Justice sworn in as new councilmember

Sara Gladney
sara@cullmantribune.com

VINEMONT, Ala. — The South Vinemont town council met last Tuesday evening to swear in new councilmember Nina Justice. Cullman County Probate Judge Tammy Brown administered the oath of office. Justice will fill Place No. 2 on the council.

The council approved the use of the town community center for an event hosted by the Vinemont Youth Football Association on May 14 from 10 a.m. - 2 p.m. The group will be selling vendor spots of 12 feet by 12 feet for $25 and 15 feet by 15 feet for $40.

Treasurer Katie Millwood and other officers with the Youth Football Association attended the meeting to discuss the event. Millwood said, "We are here to today to ask for your permission and support in starting the first annual Pinnacle Place Exchange.

"We have chosen this name because pinnacle means the best or most important part of something or the point of greatest success and achievement. At this exchange, we would invite all small businesses to set up for the community to come and see what goods or services they have to offer. A few examples of businesses we would invite are ones that have food trucks, who sell Popsicles or snow cones, make shirts or signs, sell make up or other beauty products, or maybe even candles. The profit we would make would be the spots that we sell. Our goal is to get the community as a whole involved with the youth, as well as all the small businesses in and around Vinemont."

The mayor stated that he had visited the Vinemont trailer parks for the third time about the ongoing community issue of overflowing dumpsters. The council made a motion to begin a process to revoke the business license of the trailer park owners due to the public nuisance safety issue.

The council also adopted the resolution 2022 Division F Phase I Regional Hazard Mitigation Plan.

Also adopted was the Proclamation recognizing the month of April as Child Abuse Awareness Month.

The Vinemont Town Council meets the second Tuesday of each month at 6 p.m. at Vinemont Town Hall. The public is invited to attend.

COVID-19 BY THE NUMBERS

Monday, March 14, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Good Hope rolls past Locust Fork 17-7

Sammy Confer
sammy@cullmantribune.com

GOOD HOPE, Ala. — The Good Hope Raiders rolled past the Meek Tigers 14-6 in their last game and looked to continue swinging hot bats Friday against Locust Fork. The Raiders did just that, jumping out to a quick 4-0 lead and continuing to put runs on the board throughout the game on their way to a 17-7 win over Locust Fork.

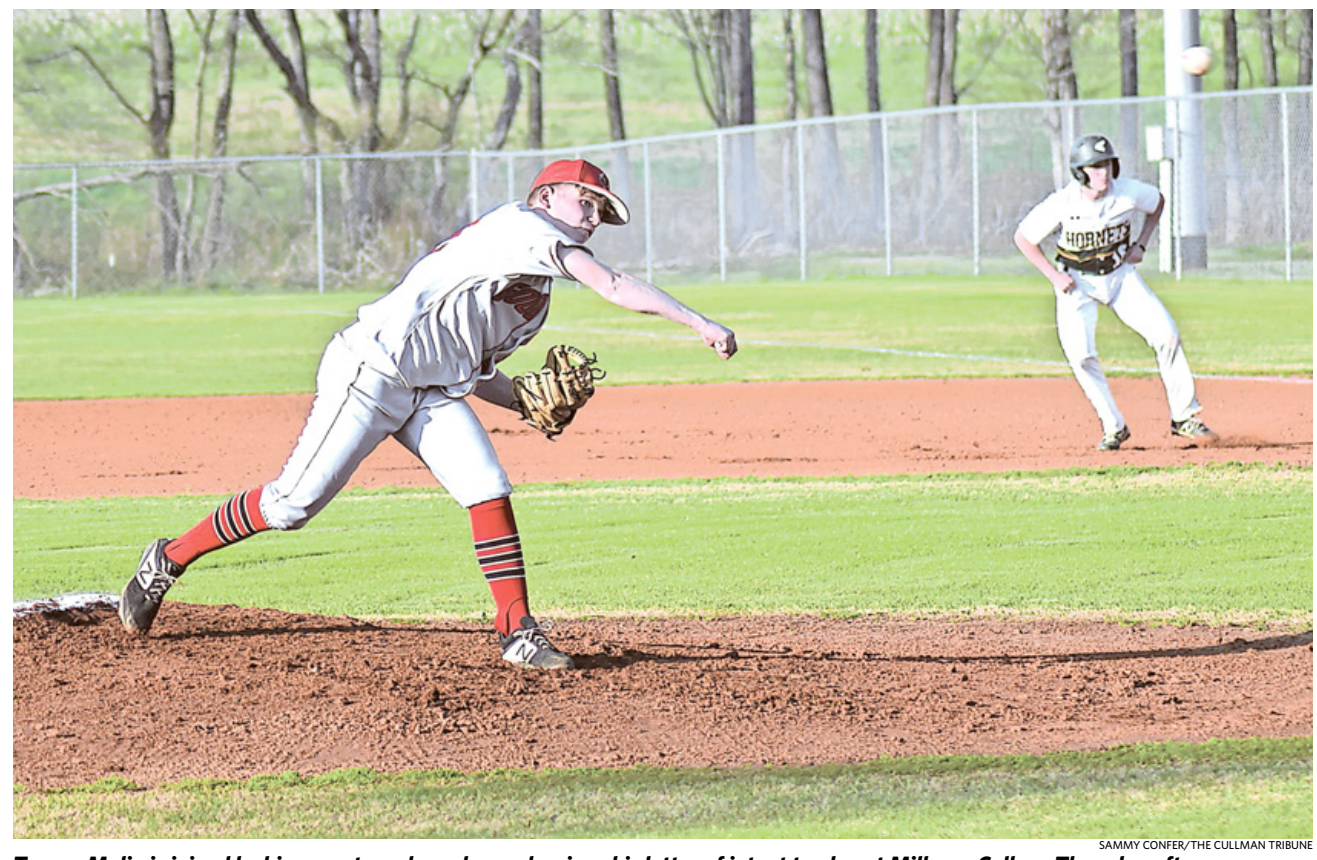

Colten Whatley got the start for the Raiders and worked around a leadoff error to get out of the inning unscathed. Good Hope got off to a very strong start offensively as Paydon Bagwell got hit by the pitch to lead off the inning.

Whatley then reached on an error and Braxton Marshall drew a walk to load the bases with no outs. Jed Clements drew another walk to bring home Bagwell to put Good Hope on the scoreboard first.

One out later, Russ Wooten and Tyler Black each got hit by the pitch to force home two runs as that made it 3-0. Later in the inning, Dakota Overton hit an RBI infield single to push the Raider advantage to 4-0.

Good Hope broke the game wide open in the bottom of the second inning. A single, a walk, and an error loaded the bases once again with no outs. Caden Drake, Wooten, and Black all drew walks to push their lead to 7-0. One out later, Overton and Bagwell each drew one of their own to make it 9-0 and Whatley made it 10-0 on an RBI groundout. Marshall lined a two-run double to center field to increase the Raider lead to 12-0. The Hornets got on the scoreboard in the top of the third as a pair of doubles cut Good Hope's lead to 12-1.

Locust Fork loaded the bases in the top of the fourth and a two-run double, followed by a Raider error, made it a 12-5 game. The Raiders looked to widen their lead in their half of the fourth. Michael Barrett hit a single to center field, then Overton drew another walk. Bagwell reached on an error and that allowed Barrett to score as that made it 13-5. Whatley hit an RBI groundout to push Good Hope's lead to 14-5 and they loaded the bases with two outs. Wooten cleared the bases with a three-run double to right field to give them a 17-5 lead. The Hornets cut the Raider lead to 17-7 on a throwing error, but a nice throw by Clements to Drake allowed him to tag the Locust Fork runner as that ended the game. Good Hope picks up a 17-7 win over the Hornets as that stretches their winning streak to three games.

Tanner Malin is joined by his parents and coaches as he signs his letter of intent to play at Millsaps College Thursday afternoon.

Wooten finished with a hit and five RBIs for Good Hope (4-3). Whatley, Marshall, and Overton each added a hit and two RBIs in the contest. Black ended up with a pair of RBIs. Bagwell, Clements, and Drake each finished with an RBI, while Barrett added a hit and a run scored.

The Raiders will start area play on Tuesday on the road against Oneonta.

Haynes and Thomas follow Herring for Bassmaster High School Series win on Smith Lake; Cullman's Vest, Ward place 5th

CULLMAN, Ala. — When Will Haynes and Austin Thomas found the food, they found enough bass to catch a 13-pound, 8-ounce limit that delivered a narrow victory at the Abu Garcia Bassmaster High School Series at Lewis Smith Lake presented by Academy Sports + Outdoors.

Spending their day in the mid-lake region, Haynes and Thomas, both Curry High School seniors, edged Benjamin Travis and Andrew Kunz of Spain Park High School by 8 ounces.

"We got a bite in 30 to 40 feet, and we were fishing in ditches for fish suspended under blueback herring," Thomas said. "We found the key areas in practice, but we just didn't know that amount of fish was there until today.

"We caught two right off the bat and then it was kind of slow until about 11 o'clock. We finally got it keyed in and that's when we got our keeper bites."

The winners caught their bass on Reaction Innovations Little Dipper swimbaits fished on 8-pound fluorocarbon. Haynes said the smoke gray color best matched the natural forage.

"We used the Garmin LiveScope a pretty good bit today," Haynes said. "We would find them suspended and throw about 5 to 10 yards past them and bring it right in front of their face and they would just kill it.

"We had to throw at some of them more than once, but eventually, we got them to bite."

Haynes said he and his partner caught seven of the nine fish that bit. They had their limit by noon and amassed their winning total, which included a 3-6, by 2 p.m.

"We rotated between two to three main areas," Thomas said. "One spot ended up being more productive. It was a high spot in a ditch with brush on top. The herring would suspend over the brush and that's where we caught our fish."

Haynes said that, while he and Thomas tried multiple techniques in practice, they realized the fish were not biting larger baits. They entered the tournament knowing smaller presentations on light line would be their best option.

Joe Vaulton and Walker LaRue of Alcoa High School finished third with 11-15.

Tanner Mason and Landon Sims of DAR High School won the Big Bass award for their 4-5.

The tournament was hosted by the Cullman Area Chamber of Commerce.

EMILY HAND/B.A.S.S.

Will Haynes and Austin Thomas of Curry High School have won the Abu Garcia Bassmaster High School Series at Lewis Smith Lake presented by Academy Sports + Outdoors with a total of 13 pounds, 8 ounces.

Supper (from Front)

Chittlin Eater's Association Facebook page had over 700 views last week." The group includes many Meek band members and teachers, but Adair continued, "There are also other people from all over the state and Mississippi and Tennessee that come to this every year just to eat these chitlins."

The supper is an annual fundraiser for the Meek High School band, so the band members will set up the tables and chairs in the gym and help to prepare the food.

The band and band boosters clean and cut the chitlins on an early Saturday morning every year before the supper. The chitlins are boiled, pressure cooked and prepared to be breaded and fried the day of the supper.

The band members will also be serving food and waiting tables the day of the supper.

With this year being a political year, the association expects to have an even larger crowd than usual because many visitors come especially for the political forum. Political figures can pay $100 for a five-minute speaking slot.

They can also purchase advertisements to be placed on the annual chitlin supper T-shirts with prices varying depending on the placement and font of the advertisement.

To purchase an advertisement, organizations can contact band director Zach Cleghorn by calling Meek High School at 205-384-5825 or messaging the Winston County Chittlin Eater's Association Facebook page: https://www.facebook.com/winstoncountychittlineaters.

In addition to the annual supper, this year a Shrimp and Crawfish lunch will be available from 11 a.m. - 4 p.m. in front of Meek High School, and a new spring market will be set up with vendors in the MHS Gym from 8:30 a.m. – 2 p.m.

To sign up as a vendor, email meekholidaymarket@gmail.com. Booth rental is $30 for a 10 feet by 10 feet space.

CULLMAN, Ala. — The Cullman City Council held a special called meeting Friday to rescind a previous Change Order made Dec. 13 for Aquatic Development Group for the "Wild Water" water park expansion project at Cullman Wellness and Aquatic Center.

The council originally awarded the bid for the expansion project to ADG in the amount of $6,736,000. Change Order No. 1 was approved in December in the amount of $636,360 for additional and improved features at the "Wild Water" water park including a larger wave pool. Also approved, but not mutually agreed upon by both parties, was the Change Order No. 2 the City of Cullman approved to increase the project cost by $37,240 for additional structural supports for a LED video wall at the water park, bringing the total cost of the contract to $7,409,600.

At the special called meeting, the council rescinded Change Order No. 2 and approved a new reductive Change Order proposed by ADG to mutually benefit both parties to decrease the project cost by $212,000 by removing the concessions building and removing perimeter and interior fencing from the contract. Council President Jenny Folsom said, "This is basically to reduce the cost to the contractor by a little over $200,000 and the city will be assuming the fencing, the concession stand and the landscaping." Mayor Jacobs added that the reductive change order is to help the contractor complete the project in a timely manner. Folsom said, "We're looking at opening by Memorial Day weekend."

MONTGOMERY, Ala. — Governor Kay Ivey on Monday awarded $30 million of the State Fiscal Recovery Fund from the American Rescue Plan Act to establish COVID recovery grants for rural hospitals. This program is an initiative of Governor Ivey and the Alabama Legislature to provide support to Alabama's rural hospitals impacted by the COVID-19 pandemic.

"Being someone who calls the Black Belt home, it is important for me to ensure the folks in our state's rural areas have the resources they need. Rural hospitals are the primary health care for so many of our citizens, and I know this funding will go a long way," said Ivey.

The state of Alabama will offer grants in an amount based on bed count for providers that meet eligibility requirements.

The application period for the Rural Hospitals COVID Recovery Grant program will be open from noon, March 14 – noon, April 1.

This is in addition to the $40 million allocated to the Alabama Hospital Association last week for the state' hospitals.

Alabama received $2.1 billion in ARPA funds, and the Alabama Legislature appropriated $136,796,346 from Alabama's State Fiscal Recovery Revenue Replacement Fund for this program.

General information and application materials is available here: https://frf.alabama.gov/.

Mandate (from Front)

Mike Lewis
Contributor

MONTGOMERY, Ala. — Attorney General Steve Marshall has filed a brief in support of a lawsuit led by Kentucky seeking a permanent end to President Biden's mandate that federal contractors and their employees receive the COVID-19 vaccine.

"On Dec. 7, a federal district court granted the State of Alabama's motion to enjoin President Biden's federal-contractor vaccine mandate," said Attorney General Marshall. "Meanwhile, the Biden administration continues to fight in court to lift the injunction and force this ill-conceived and unlawful mandate on millions of federal contractors and their employees. In response, I've joined with other attorneys general in supporting Kentucky's lawsuit to permanently block Biden's mandate."

Attorney General Marshall and his colleagues from 20 other states filed an amicus brief in the U.S. Court of Appeals for the Sixth Circuit on March 9.

The brief highlights the fact that President Biden's executive order mandating vaccines for federal contractors represents an unauthorized exercise of regulatory power.

The president's authority in this case is limited to "prescribing policies and directives"—he may not issue procurement regulations. In the executive order, President Biden unlawfully delegated authority to the director of the Office of Management and Budget and a White House Task Force, away from the entity created by Congress to establish such procurement regulations.

In addition, the brief argues that the president failed to show that the mandate promotes economy and efficiency. The brief states: "Neither the Executive Order nor any subsequent agency actions 'identify any instance in which absenteeism attributable to COVID-19 among contractor employees resulted in delayed procurement or increased costs.' . . Moreover, a vague interest in preventing 'absenteeism' in federal contractors in and of itself is not sufficiently related to the government's general procurement policies to justify such a 'sweeping, invasive, and unprecedented public health requirement imposed unilaterally by President Biden.'" Finally, the brief argues that "the challenged actions seek to regulate public health, not improve the efficiency of contracting, rendering the actions blatantly pretextual."

Attorney General Marshall joined attorneys general from Alaska, Arizona, Arkansas, Florida, Georgia, Idaho, Indiana, Iowa, Kansas, Louisiana, Mississippi, Missouri, Montana, Nebraska, Oklahoma, South Carolina, South Dakota, Texas, Utah and West Virginia in filing the amicus brief (https://www.alabamaag.gov/Documents/news/Federal%20Contractor%20Vaccine%20Mandate%20Amicus%20Brief.pdf).
