CULLMAN, Ala. – The Cullman County Sheriff's Office deputies stayed busy last week with multiple drug-related arrests and seeking out warrants.

On March 14, CCSO deputies made contact with Jason Tyler Crawford, 33, of Vinemont at a West Point business. Crawford had multiple warrants stemming from 2019 and 2020. He was arrested and transported to the Cullman County Detention Center. Crawford was charged with failure to appear on - possession of heroin (two counts) and possession of drug paraphernalia (four counts).

Also on Monday, CCSO deputies conducted a traffic stop in the Holly Pond area, whereupon Kayla Ashlei Marie Hanson, 30, of Hanceville, was found to be the driver of the vehicle. A search of the vehicle yielded various forms of drug paraphernalia as well as methamphetamine. Hanson was arrested and charged with possession of methamphetamine and possession of drug paraphernalia.

Wednesday, March 16, CCSO deputies stopped a vehicle for a traffic violation in the Berlin Community. Kelly Benard Graves was a passenger in the vehicle. Illegal narcotics were located during a search of the vehicle.

COVID-19 BY THE NUMBERS

Monday, March 21, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

Along with decreases in COVID-19 cases, hospitalizations and deaths, ADPH will be updating its dashboard less frequently. Effective June 7, the Data and Surveillance Dashboard will update Monday, Wednesday and Friday; the Vaccine Distribution Dashboard will update Tuesday and Thursday and no weekend updates will be made. Additional information may be provided in the future as ADPH gathers more data on the pandemic.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

In other business:

• The council voted to surplus several items including a 2021 Kenworth dump truck, nine 0.45 mm Glock pistols to be replaced with the amount of 0.9 mm pistols that can be purchased for the same amount, and 375 SIG ammunition.

• The council discussed Ordinance No. 641 for the implementation of Knox Boxes in all new commercial buildings and existing commercial buildings that have a sprinkler system. The Hanceville Fire Department recommended the installation of the Knox Boxes which are small, wall-mounted safes that hold building keys for fire departments, emergency medical services and occasionally police to retrieve in emergency situations. Auburn's season ends with loss to Miami

Jeff Shearer
AU Athletics

GREENVILLE, S.C. — Auburn rallied late in the first half, but Miami scored the first eight points of the second half and steadily pulled away to advance to the Sweet 16, eliminating the Tigers 79-61 Sunday at Bon Secours Wellness Arena in the second round of the NCAA Tournament Midwest Regional.

"Miami played very well," Auburn coach Bruce Pearl said. "We were disrupted. This is the first time we got it handed to us. We didn't know how to respond. Their experience showed. We hadn't been hit in the mouth all year. They hit us in the mouth again at the beginning of the second half."

It was the only time this season Auburn never led in a game. The second-seeded Tigers ended an SEC championship season with a 28-6 record.

"Our team did an amazing job this year coming together and winning an SEC championship," Pearl said. "It's been a great locker room. Unbelievable character, unbelievable effort and energy."

Two days after needing a trip to dentist after an elbow to the mouth during Auburn's first-round victory over Jacksonville State, Jaylin Williams came off the bench to spark the Tigers with 12 points and four rebounds.

"I felt pretty good and confident with my shot," Williams said. "Played as hard as I could to try to win for my team."

SEC Freshman of the Year Jabari Smith notched his second March Madness double-double, scoring 10 points and grabbing a career-high 15 rebounds.

"Thanking Auburn for everything," Smith said. "If I had to make this decision a thousand times, I wouldn't choose anywhere else but Auburn."

"He's such a great competitor and such a great teammate," Pearl said. "He truly does love his teammates. He's been raised right. He's got great people around him. He's not selfish. He's hard-working, he's disciplined. He's a pro. He had a great experience at Auburn, and he made history at Auburn. I'm obviously very proud of him."

K.D. Johnson shared the team scoring lead with 12 points. Johnson's 3-pointer pulled the Tigers within four at 41-37 early in the second half but Auburn never got closer, shooting 23.7 percent in the half and 30.4 percent for the game. Miami outscored the Tigers 46-29 in the second half.

The 10th-seeded Hurricanes committed only four turnovers while building a decisive 30-1 edge in fastbreak points thanks to their 10 steals, leading to a 17-2 advantage in points off turnovers.

Wendell Green Jr. scored 11 points, adding five rebounds and five assists. Allen Flanigan grabbed eight rebounds.

After trailing by nine with 7:27 left in the first half, Auburn closed the half on an 18-10 run to pull within a point at 33-32 at halftime.

Williams led the Tigers with 10 points in the first half on 4-for-5 shooting, including both of his 3-point attempts.

With Walker Kessler picking up two early fouls, Williams played 10 minutes in the half, sharing the 5 position with Dylan Cardwell.

MATTHEW SHANNON/AU ATHLETICS

Auburn Forward Jabari Smith posted 10 points and 15 rebounds in the Tigers' loss to Miami.

The Tigers outrebounded Miami 23-16 in the half to help overcome an 8-2 turnover disadvantage that gave the Hurricanes an 8-0 edge in points off turnovers.

Auburn fans made their presence felt, bringing a touch of Neville Arena to Greenville by cheering loudly when Devan Cambridge soared to slam an offensive rebound and again when Williams hit both of his 3-pointers.

The loss ended a historic season for Auburn, one in which the Tigers won the SEC regular season championship for the fourth time, the second under Pearl in the past five seasons.

"We have been the winningest program in the SEC over the last five years," Pearl said. "We've won three championships in five years. I take great pride in the consistency of our program's success, and I'm ready to build it back."

Alabama falls to Notre Dame 78-64 in NCAA Tournament first round

Aaron Jordan
UA Athletics

SAN DIEGO, Calif. — The sixth-seeded Alabama men's basketball team's season came to a close in the NCAA Tournament First Round Friday, as the Crimson Tide fell to No. 11 seed Notre Dame 78-64 at Viejas Arena.

Keon Ellis led the Crimson Tide (19-14) in the loss with 16 points, nine rebounds and two steals in 39 minutes of action. Jaden Shackelford had 13 points and three steals while JD Davison posted 11 points and nine assists.

Alabama was forced to play a majority of the contest without starting point guard Jahvon Quinerly, who injured his left knee a little more than three minutes into the contest. He was the team's second-leading scorer (14.3 ppg) and led UA in assists per game (4.2) entering the contest.

Cormac Ryan paced Notre Dame with 29 points and six rebounds while Blake Wesley posted 18 points and three steals.

Head Coach Nate Oats postgame comments

"Tough loss. I mean, you've gotta give Notre Dame a lot of credit to play in a play-in game and go double overtime, fly in here as late as they did, play with one-day rest and give the energy they gave.

"It shows they've got some veteran, mature guys that can execute a game plan off a day prep. I saw a stat in one of their games, I think they four or five 1,000 scorers. We've got one on our team.

"We talk in college about veteran college players. I think it showed today. I feel for Jahvon. I don't know exactly what it is, but it's a significant knee injury. I thought he was ready to play, and three minutes into the game he gets the knee injury, can't play the rest of the game. Life happens. Adversity hits and you've got to face it. I thought JD played well in his 36 minutes. A good game for a freshman in an NCAA Tournament. We couldn't make shots. They made shots. Obviously, Cormac going 7-of-9 from 3 was a huge factor in the game. He had 29 points. He's obviously really good and we didn't play well enough to win."

Team stats

- Notre Dame used an 11-3 second half run to turn a 44-42 lead into a 55-44 advantage at the under 12 media timeout
- The Irish would lead by as many as 16 points (76-60) with 1:24 to play
- Despite the loss, Alabama led in bench points, 27-10
- With his 10 three-point attempts, Jaden Shackelford became the program's single-season record holder for threes attempted in a season (288) while also finishing second in the UA annals in threes made for a year (101)

First half

- After a slow opening five minutes, Alabama and Notre Dame traded points with the Irish holding a slight advantage
- A dunk by Charles Bediako opened an 8-0 run by the Tide, which included threes from Ellis and Davison, which gave UA a 25-21 lead at the 6:58 mark
- The Irish would tie the game at 25-25 (5:21), marking the first of three ties and five lead changes over the final few minutes of the half, before ND found a 9-3 spurt to take a 41-36 into the break
- In all, the first half featured seven ties and 11 lead changes
- Shackelford led the team with eight points as Juwan Gary added seven points and Ellis added six points and five rebounds

UA ATHLETICS

Alabama Guard JD Davison finished with 11 points in the Crimson Tide's loss to Notre Dame.

Second half

- Davison sparked the Tide's offense scoring six straight points to move UA within one possession 44-42 (17:57)
- Including the 11-2 run, Notre Dame would outscore Alabama 17-5 over the next 8:36 to take a 61-47 lead with 8:18 on the clock
- Alabama battled back using an 11-5 run to close the gap to eight, 66-58, with 4:38 remaining
- That's as close as the Tide would get as Notre Dame held a 12-6 advantage over the final minutes of the game for the win
- Ellis paced the team with 10 points and four rebounds
- Alabama shot 12-of-32 from the floor and hit just 3-of-13 from distance

CULLMAN, Ala. — The Bearcats collected a lot of hardware throughout this past season on the hardwood, but they aren't quite done yet.

The latest prize to make its way to Cullman this year belongs to Head Coach Stu Stuedeman, who after his first season with the Bearcats has been selected as the Alabama Sports Writers Association's Class 6A Coach of the Year.

In his first season at Cullman, Stuedeman and the 'Cats posted a 29-3 record, collected an Area 14 regular season and tournament championship, won the Northwest Regional Championship, advanced to the Final 4 for the first time in 90 years and brought home the first state title in school history.

day care for children 6 weeks to 5 years old, a summer program for school aged children with disabilities and a work center.

Executive Director of the Margaret Jean Jones Center Charese Morris said, "What we are here for is to help people with developmental disabilities reach their maximum level of independence, so we want them to be able to get a job and live on their own. They need to be able to make their own sandwich, maybe clean up after themselves. It's different levels of what you can accomplish to be independent."

The CCCDD has a contract through the State of Alabama, so each applicant needs to go through a case management agency to be approved for the program. Certain criteria need to be met to participate. Since the program is for development disabilities, the disability should have occurred prior to the age of 18. Residential services can be obtained by calling 1-800-361-4491. This call will instruct clients on how to proceed with the required documents needed for admission to the programs. Applicants can also visit http://www.cccdd.com/about-us.html.

"Each person has an individual plan so their families can get together and know what the goals set for each person need to be," Morris adds.

Since the CCCDD is a nonprofit which depends on donations, Morris continued, "We are a United Way agency. We recommend that if you were going to give to us to give to United Way because United Way, the City of Cullman, and the Cullman County Commission gives us funds that we use as matching funds through our state contracts, so we are able to match that money, so if it comes through United Way then we're able to match that at three-to-one so they're very important to us."

The clients and residents of the organization participate in several volunteer endeavors. They provide care at eight group homes, fill up various food pantries, visit the animal shelter to assist with animal care and do Meals on Wheels four days a week. "Our people rush the bus to get on to do that because we want to serve this community," Morris concluded.

CULLMAN, Ala. — Cullman-based Throwback Outdoor Cinema is returning with some spring throwback films for the next two weekends at the Cullman County Fairgrounds.

The pop-up drive-in cinema was brought to Cullman by Seth and Brandi Powell last year.

They will be able to use the fairgrounds as their main location until time for the county fair set up.

Tickets are $25 plus tax per vehicle and can be purchased in advance at: https://www.eventbrite.com/o/throwback-outdoor-cinema-36125439233.

The Spring Break Throwback film schedule:

- Friday, March 25 – Twister at 7:30 p.m.
- Saturday, March 26 – Hook at 7:30 p.m.
- Thursday, March 31 – The Lion King at 7:30 p.m.
- Friday, April 1 – Mrs. Doubtfire at 7:30 p.m.
- Saturday, April 2 – Back to the Future at 7:30 p.m.

"We've got summer through fall confirmed with the fairgrounds, so we'll have lots more dates coming up," said Brandi.

The movies at the drive-in are for all ages to watch. Brandi says that maybe during Halloween there could be one that is R-rated "but for the most part everything is going to be PG-13, very family friendly."

The Powell's have recently had an issue with scammers on Facebook commenting that they have tickets for purchase that they cannot use anymore, but Brandi responded saying it is impossible for anyone to have extra tickets for sale since the tickets are only available on EventBrite and at the gate as long as advance isn't sold out.

"I'm doing my best to take care of it as soon as I notice a comment like that and delete them," says Brandi.

Seth and Brandi would appreciate getting support from customers by purchasing concessions.

They will have popcorn, candy and drinks available. They are working on building a full concession trailer for the summer that the funds from their concession sales will go toward.

The movie licensing cost requires most of the ticket sale profits that are made, so concession sales are what helps fund the growth of the drive-in.
