Holly Pond gears up for recreation, mulls fate of town deputy

W.C. Mann

HOLLY POND, Ala. — The Holly Pond Town Council on Monday evening laid out plans for upcoming events and improvements to its recreational facilities, as teams launched their season on the town's adjoining ball field.

Councilwoman Gladys Wisener remarked, "The park is full. If that's an indication of things to come, yay!"

When Councilwoman Julie Ray shared plans for the upcoming Easter egg hunt on April 16 – including a basket competition, food, games, live music and photos with the Easter Bunny – the council approved a request for $400 to bring in a kiddie train to carry little ones around the town park. The event will start at 1 p.m., and the egg hunt will begin at 2 p.m.

The council also approved concrete work » PAGE 8

Youth Miracle League season blasts off at Field of Miracles

SAMMY CONFER/THE CULLMAN TRIBUNE

CULLMAN, Ala. — Baseball season is now in full swing across the city and county school systems, as well as a very special one for disabled kids. On Monday night, the Youth Miracle League got underway at the Field of Miracles. The Phillies took on the Diamondbacks, while the Mets faced off against the Mariners.

Each player from all four teams had big smiles on their faces as they felt the joy of not only hitting a home run, but simply having fun. There were a lot of comedic moments on the field and that had the crowd, as well as the parents, laughing.

Each game ended in a tie, but that didn't seem to matter to anyone. All of the huge smiles spoke for themselves.

Kelly Pulliam, who oversees the program, is very blessed to start a league like this for disabled » PAGE 2

kids. She also works with Cullman Therapeutic Recreation, which is the Earth Special Needs Group.

"It started about 15 years ago with the Miracle League, so it's been around for a while." Pulliam said.

"Then they built the Field of Miracles with the adaptive field, so they started then when they built this field.

"The best part about starting this league is so that people with all abilities can play ball. I also love the smiles on their face, how excited they get when they hit the ball and make a home run.

"My favorite part about working with Therapeutic Recreation is getting to meet and getting to know all of the families."

Pulliam is always looking to see some more people join the youth Miracle League, disability or not, and lets them know how they can become a part of the next season.

"You can follow our Facebook page, Cullman Therapeutic Recreation and we'll have another season in the fall." Pulliam said.

COVID-19 BY THE NUMBERS

Wednesday, April 6, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes

The Alabama Department of Public Health received lab reports from five entities on March 25, 2022. A total of 1,714 positive cases with specimen collection dates from January 2, 2022 to February 28, 2022 were added to the dashboard today. These cases are mostly residents from Barbour, Coffee, Dale, Geneva, and Houston counties. For information related to when a case occurred versus when the case was reported, please view Tab 5. COVID-19 is a notifiable disease and laboratories are mandatory reporters. ADPH does not have control over when results are reported.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

Case details* (Updated Monday, Wednesday and Friday)

• Positivity in tests in Alabama: 2.5%

• Confirmed cases in Alabama (2020): 387,666

• Confirmed cases in Alabama (2021): 537,813

• Confirmed cases in Alabama (2022): 370,869 (+463 since Monday)

• Total confirmed deaths in Alabama (2020): 7,188

• Total confirmed deaths in Alabama (2021): 9,541

• Total confirmed deaths in Alabama (2022) 2,645 (+28 since Monday)

• Positivity in tests in Cullman Co.: 0.5%

• Total confirmed cases in Cullman Co. (2020): 7,567

• Total confirmed cases in Cullman Co. (2021): 9,739

• Total confirmed cases in Cullman Co. (2022): 7,198 (+3 since Monday)

• Deaths in Cullman Co. (2020): 128

• Deaths in Cullman Co. (2021): 188

• Deaths in Cullman Co. (2022): 48 (+0 since Monday)

• Total tested in Cullman Co. in the last 7 days: 424

• Total tested positive in Cullman Co. in the last 7 days: 2

• Total tested in Alabama in the last 7 days: 21,843

• Total positive tests in Alabama in the last 7 days: 541

• Currently hospitalized in Alabama: 79

Vaccine details (updated Tuesday and Thursday)

COUNTY SOFTBALL TOURNAMENT

West Point, Holly Pond advance on day 1

Nick Griffin
nick@cullmantribune.com

WEST POINT, Ala. — This year's Cullman County Softball Tournament officially got underway Monday night and after the first six games of competition, we're a few steps closer to crowning this year's champion. West Point and Holly Pond each posted wins to advance in the winner's bracket and after falling to the Lady Broncos in the opening round, Fairview bounced back with a win over Hanceville to stay alive. The Lady Bulldogs fell to Vinemont in the opening round, but the Lady Eagles dropped their next game to Holly Pond. Cold Springs defeated Good Hope in the opening round but was sent to the loser's bracket by the Lady Warriors and will have to get by Fairview to survive and advance.

County tournament action will resume Thursday afternoon.

Cold Springs 6 – Good Hope 3 (Game One)

An RBI single from Brooklyn Ingram put the Lady Eagles in front 1-0 in the top of the first and they added to their lead in the second. Heidi Nichols drove a single up the middle and an error in the outfield allowed another run to score and make it 2-0. Adriana Young tacked on another run with an RBI single into right field and Cold Springs led the way 3-0 going into the bottom of the second.

After a scoreless third inning, a fielder's choice and an error stretched the Lady Eagles' lead to 5-0 in the top of the fourth. Good Hope was able to get on the board in the bottom half of the fourth when Carley Adams ripped an RBI single into right field, but the Lady Raiders still trailed 5-1 going into the fifth.

Nichols was hit by a pitch with the bases loaded to bring another Cold Springs run across the plate in the top of the seventh. Good Hope didn't go down quietly in the final frame, cutting into the lead with an RBI double from Natalie Miller and an RBI single by Lizzy Steed but it wasn't enough to overcome the early lead and the Lady Eagles held on to win it 6-3.

Emma Black earned the win for Cold Springs, tossing a complete game, allowing three runs on seven hits and striking out nine batters. Nichols (one RBI) finished with three hits in the win and Young (two RBIs) and Black added a pair of hits as well.

Adams and Campbell Koch each posted a pair of hits for the Lady Raiders in the loss.

Holly Pond 6 – Fairview 4 (Game Two)

After a scoreless opening inning, the Lady Aggies took a 2-0 lead in the bottom of the second with a 2-run double off the bat of Allison Davis. Fairview added to its lead in the third when Emily Benson came home to score on a wild pitch but after a scoreless fourth frame, Holly Pond began to chip away.

Addison Armstrong scored on a passed ball to trim the lead to 3-1 but the Lady Aggies got the run back with an RBI single from Kaitlyn Benson in the bottom of the fifth to make it a 4-1 game. The Lady Broncos' bats came alive in the top of the sixth, starting with an RBI double from Madyson Rickman that cut the lead to two runs. After a walk loaded the bases, Kaylee Stallings blasted a grand slam over the center field fence to put Holly Pond in front 6-4 going into the bottom half of the inning.

The Lady Aggies were only able to get one more runner on base in the final two innings and the Lady Broncos completed the comeback over Fairview 6-4.

Emmaray Spitzer went the distance for Fairview, allowing just one earned run in seven innings on four hits and racking up 11 strikeouts. Stallings (grand slam) led the way with four RBIs in the win and Rickman (one hit) drove in a run as well.

Davis (two RBIs), Benson (one RBI) and Jaycee Aleman each posted a pair of hits for the Lady Aggies in the loss.

Vinemont 17 – Hanceville 2 (Game Three)

An RBI groundout from Faith Rusk gave the Lady Eagles an early, 1-0 lead over Hanceville and an error during the next at bat allowed another run to score and make it 2-0. The Lady Bulldogs were able to take advantage of an error and trim the lead to 2-1 in the top of the second, but Vinemont got that run back and then some in the bottom half of the second.

An error, followed by a 2-run double from Abigail Cody stretched the lead to 5-1. Back to back RBI singles by Emillie Hoffman and Angela Harris plated three more runs and the Lady Eagles went into the third with an 8-1 lead over the Lady Bulldogs.

RBI singles by Reagan Robinson and Rusk added two more runs to the lead in the bottom of the third but the Lady Eagles weren't done working in the inning. A 2-run double from Cody made it a 12-1 game and an RBI single by Harris stretched the lead to 13-1. Another error allowed another Vinemont run to cross the plate and the Lady Eagles led the way 14-1 going into the fourth.

A bases-loaded walk for Hanceville cut the lead to 14-2 in the top of the fourth but Vinemont put things away in the bottom half of the inning. Another RBI double off the bat of Cody, a passed ball and an RBI triple from Hoffman secured a 17-2 victory for the Lady Eagles in four innings.

Cody finished 4-for-4 at the plate and racked up five RBIs. Hoffman (three RBIs), Harris (two RBIs) and Berkley Gable each posted a pair of hits in the win.

West Point 12 - Cold Springs 1 (Game Four)

The Lady Warriors got off to a fast start in their opening round matchup against Cold Springs. Bethany Minck ripped a line drive down the third base line into the corner in left field and raced around the bags to score an inside the park homerun and put West Point in front 1-0 right out of the gate. An RBI single from Carlee Wilkins made it a 2-0 game a few pitches later and Braelee Quinn drove an RBI double into left field to make it 3-0. An error extended the lead to 4-0 and an RBI triple off the bat of Brindlee Phillips gave the Lady Warriors a 6-0 lead going into the second inning.

In the bottom of the second, Wilkins came just a few feet short of clearing the batter's eye on a solo shot to center field and stretched the lead to 6-0 going into the third inning. After a scoreless third, an error allowed a run to score for the Lady Eagles in the top of the fourth and cut the lead to 6-1. However, West Point responded in a big way in the bottom half of the inning.

An RBI double by Macayla Wilkins made it a 7-1 game and an error allowed another run to score and make it 8-1. Sidney Burks blasted a 2-run bomb over the wall in left field to give the Lady Warriors a 10-1 advantage and a sacrifice fly by Phillips, followed by another error, made it a 12-1 game going into the fifth inning.

Quinn collected three strikeouts in the top of the fifth to put things away and West Point advanced in the winner's bracket with a 12-1 win over Cold Springs.

Wilkins tossed three hitless innings, striking out seven of the 10 batters she faced. Quinn pitched the final two innings, allowed one run (unearned) on one hit and struck out five of the nine batters she faced. Phillips (two hits) and Wilkins (two hits) each posted a pair of RBIs in the win and Wilkins (one RBI) added a pair of hits as well.

The Lady Warriors will face Holly Pond next in the winner's bracket.

Holly Pond 11 – Vinemont 0 (Game Five)

An error gave the Lady Broncos a 1-0 lead in the top of the first and in the top of the second, a bases-loaded walk and another error extended Holly Pond's lead to 3-0. Kaylee Stallings scored on an error to make it a 4-0 game in the top of the third and in the fourth, a 2-run double by Mattie Earl stretched the lead to 6-0.

NICK GRIFFIN/THE CULLMAN TRIBUNE

West Point's Bethany Minck (24) and Macayla Wilkins (5) celebrate after Minck's inside the park homerun against Cold Springs Monday.

NICK GRIFFIN/THE CULLMAN TRIBUNE

Holly Pond's Emmaray Spitzer tossed a complete game in the Lady Broncos' win over Fairview Monday.

A 2-run bomb off the bat of Emmaray Spitzer gave the Lady Broncos an 8-0 advantage in the top of the fifth and Maggie Nail kept the inning going with a 3-run homer of her won to make it 11-0. Earl struck out the final three batters in the bottom of the fifth to wrap up an 11-0 win for Holly Pond.

Earl was flawless in her five innings of work, allowing zero runs on zero hits and striking out six Vinemont batters. Neal (one hit) posted four RBIs in the win and Spitzer (one hit) and Earl (one hit) each finished with a pair of RBIs as well.

The Lady Broncos will advance to face West Point in the winner's bracket.

Fairview 14 – Hanceville 2 (Game Six)

Emily Benson scored on a passed ball to put Fairview on top 1-0 in the top of the first and Kaitlyn Benson drove an RBI double down the first base line to make it 2-0. An error allowed the Lady Aggies to add another run to their lead, but Hanceville managed to limit the damage to 3-0 going into the bottom half of the first.

An error and a passed ball allowed the Lady Bulldogs to trim the lead to 3-2 in the bottom of the first, but Fairview responded right away in the top of the second. A passed ball and an error extended the Lady Aggies' lead to 5-2 and an RBI double from Emma Roberts made it a 6-2 game. Two more runs scored on another Hanceville error put Fairview on top 8-2 going into the third inning.

A passed ball gave the Lady Aggies a 9-2 advantage in the top of the third and an RBI triple by Kaitlyn Benson made it 10-2. Another passed ball allowed an 11th run to score for Fairview and the Lady Bulldogs trailed 11-2 going into the bottom half of the inning. The Lady Aggies tacked on two more runs in the top of the fourth to stretch their lead to 13-2 and an RBI double by Roberts made it a 14-2 game in the fifth.

Fairview put away the final three outs in the bottom of the fifth to secure a 14-2 win over Hanceville.

Roberts tossed a complete game, not-hitter for Fairview, striking out six batters in the process. Roberts (two hits) also posted three RBIs in the win and Emily Benson (one hit) and Kaitlyn Benson (two hits) each drove in a pair of runs as well.

The Lady Aggies will advance to play Cold Springs in the next round.

PREP BASEBALL

Heatherly's walk-off leads Cullman past Muscle Shoals 2-1

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – After a spring break week packed with games, the Cullman Bearcats returned home Tuesday night for an area battle with Muscle Shoals. Runs were tough to come by in this one and it took more than seven innings to settle things but in the bottom of the eighth Kaleb Heatherly drove in the game-winning run with a single to left field and led the 'Cats to a 2-1 win. Easton Peed got the start on the mound and tossed 5.2 innings in the win, allowing one run (unearned) on six hits and striking out three batters.

Neither team had much success getting the bats going in the first couple innings but a double from Riley Jackson and a single by Zane Watwood put runners on the corners for Cullman in the bottom of the third. An error from the Trojans' catcher allowed Jackson to score form third and the 'Cats went into the fourth with a 1-0 lead.

Muscle Shoals was able to load the bases in the top of the fourth but a ground ball to Zac Edwards at second base got Cullman out of the jam. The Bearcats led off the bottom of the fourth and fifth innings with singles but couldn't push any more runs across the plate.

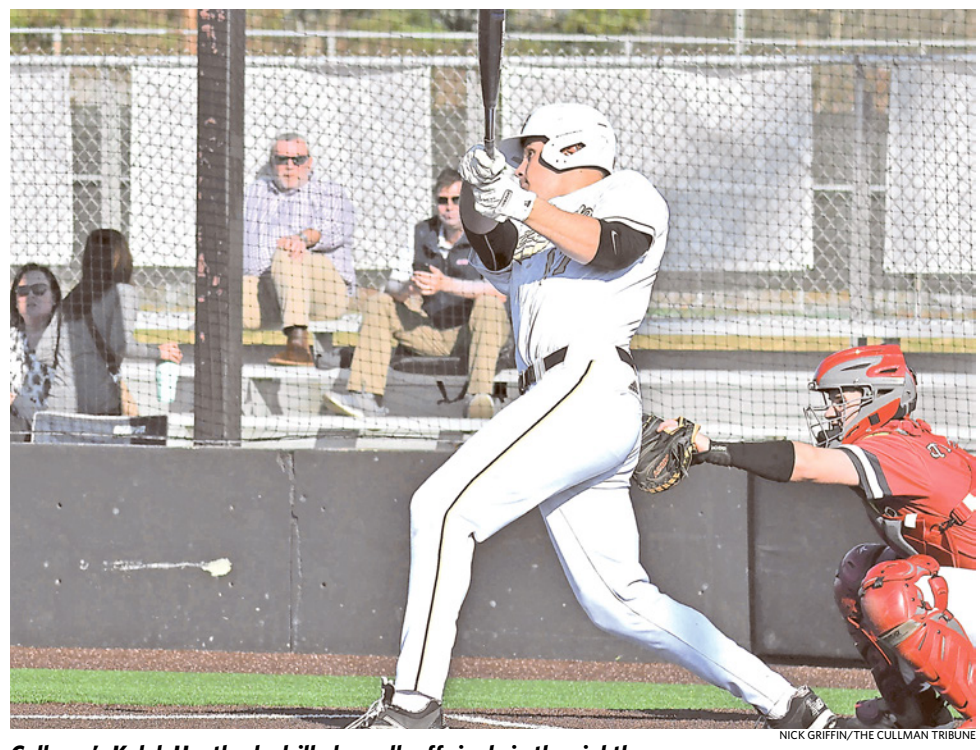

The Trojans loaded up the bases again in the top half of the sixth and an error by the 'Cats tied the game at 1. A Tucker Apel strikeout got Cullman out of the inning without any further damage.

Neither side could get any runs on the board in the seventh and the game went into extra innings.

Muscle Shoals went three-up, three-down in the top of the eighth and the Bearcats led off the bottom half of the inning with a single from Watwood. Hayden Stancil was hit by a pitch to put a pair of runners on base and Tucker Cagle drew a walk to load the bases. That's when Heatherly ended the game with a walk-off single into left field and secured a 2-1 area win for Cullman.

Heatherly finished the day 3-for-4 at the plate and knocked in the game-winning RBI. Jackson and Watwood each posted a pair of hits in the win as well.

Cullman will travel to finish the area series at Muscle Shoals later this week.

CULLMAN, Ala. — In the south, it's commonly known that weather is never a guarantee from day to day, something that keeps crews at the Cullman Electric Cooperative always on their toes.

Brian Lacy, manager of Communications and External Affairs at CEC, said weather is unpredictable, which is why they always prepare for the worst and hope for the best. The same advice goes for the public.

"Have a plan in place for severe weather. Make sure you have access to a safe location, and if that means visiting a storm shelter, make sure you know where the closest one is located.

"Have a supply of food and water and a way to receive news and weather updates," said Lacy.

"Being prepared for power outages helps the co-op respond quicker and get power restored faster. When our members are prepared, it makes it easier to manage the time until power is restored."

One of the reasons CEC stays prepared are due to the relationships with other agencies.

"We work closely with the Cullman County EMA and National Weather Service to keep our linemen safe during severe weather," he said.

"Obviously if lightning is in the area our crews will not start working outside, but wind and heavy rain can also make it difficult to work productively."

In the event that the weather has become too rough to continue repair, crews wait on standby until the dangerous portions of the storm pass.

"If more bad weather enters the area, our crews will stop working and seek shelter until it is safe to work again. We all want to get power restored as quickly as possible, but our top priority is always the safety of our linemen," he said.

Lacy said members can report a power outage by calling 256-737-3201.

A member with a CEC online account can log in to their account and report an outage.

"We also have a text message system members can register for in advance and then use to report an outage. Text CECIN to 85700 and confirm your address to register.

"To report a power outage, text #OUT to 85700 and confirm your address to register your outage."

BAILEYTON, Ala. — The Baileyton Town Council on Monday evening confirmed the Family Fun Day date has been changed from May 14 to May 28 due to conflicts. Mayor Calloway said, "What we are going to try to do next year is just set a date and go with it regardless of any conflicts." The event used to be around July, the council plans to keep the day in May when the weather is cooler for next year. The Family Fun Day at Baileyton Park starts at 10 a.m. and will feature arts and crafts, food, music and activities for kids, as well as a car show. General admission is free. Craft or food vendors can contact the Town Hall at 256-796-6447.

The mayor also talked about replacing the old road culverts on Schoolhouse Road and Oliver Road. "Every time it rains, they fill with water and by the time it gets drained out where we can actually dig the culverts out and set the other ones in, it starts raining again. It should have been done a long time ago, but we're going to fix them."

Councilmember Dewayne Sumner updated the council on the Easter Egg hunt this Saturday, "All the eggs are stuffed, all the prizes are taken care of. We set a budget of $500. I'm picking up the Easter bunny costume on Friday, that'll be another $50, so we came in at $450."

In new business:

• Parkside Elementary will be having a Volunteer Day on May 6 instead of the usual Career Day. Volunteer organizations will come to the school to show the kids how they operate. Sumner suggested making a donation of $500 to the school. He said, "I had addressed a while back about a donation for the community center, and then we found out that we could not give that donation to a private entity, but we can make a donation to the school." However, the council cannot dictate how the school uses the money.

• A request was submitted to the council to set up a table to sell ball shirts at the home games. The council voted not to grant the request because they would have to allow all vendors to sell their items which may take away from concession sales. "If you open it for one, you open it for everybody," said the mayor.

• The council thanked Garlan Gudger, Randall Shedd and Mike Knopp, as well as Charlie Whitehead, for helping them to secure funding to pave and stripe an area at the top of the hill beside the school.

• Phillip, Diane, and Tanner Whitehead were also recognized for upgrading and repairing the concession stands to get them ready for the ball season.

• Ron Woods with the Cullman County Sheriff's Department came out with some inmates during the March Spring Clean Up and picked up trash. Mayor Calloway said, "They were good enough to do that. It saved us a lot of money not having to hire somebody."

The next Baileyton council meeting will be held May 2 at 7 p.m. at Baileyton Town Hall. The public is invited to attend.

Fair (from Front)

Noah Galilee
noah@cullmantribune.com

CULLMAN, Ala. — Cullman County Schools will host a Career Fair on the campus of Good Hope High School in the school's gym on Friday.

Richard Orr, assistant superintendent Cullman County Schools, said the Career Fair is great opportunity for principals to meet future applicants in person.

"The Cullman County Schools Career Fair is a huge opportunity for our principals to get to meet face to face with educators, maintenance and bus drivers seeking employment in the district.

"The career fair will feature a table with representatives from every school in the Cullman County School District and allow applicants the opportunity to hand out resumes, showcase their abilities and meet potential employers," said Orr.

"We are excited about this event because it allows our principals to meet the best candidates early in the job searching process and hopefully secure those individuals for future openings."

While many will attend the event, Orr said there are not specific positions open to fill.

However, he said as the school year draws to a close there's anticipation of many open positions.

"We will not have specific positions that will be filled the day of the Career Fair. What we anticipate is that we will have a great number of openings as the school year comes to an end as employees retire or change positions," he said.

"The goal of our Career Fair is to create an opportunity for employers and potential employees the chance to meet and interview and leave a lasting impression when the positions do become available."

Besides principals being on location, representatives from the Cullman County Maintenance and Transportation Departments.

While being the first year for the Career Fair, Orr stated he hopes it will become a yearly event.

"This past year has been unique in the fact that we have never experienced a staffing shortage like we have had this year and anticipate in the year to come.

"Our hope is that this opportunity allows us to recruit the best and brightest teachers and support staff to provide the best education possible for the students of Cullman County," he said.

When posed what the most important element you'd like for all those coming out to know about the importance of working for Cullman County Schools, Orr stated the school system is looking for those passionate about their work.

"There are so many great things happening at all of the schools in Cullman County and we want to find people who will help continue and improve on those great things.

"We are looking for teachers that are passionate about teaching our students, loving them, preparing them for the future every single day and creating new opportunities for our students," he said.

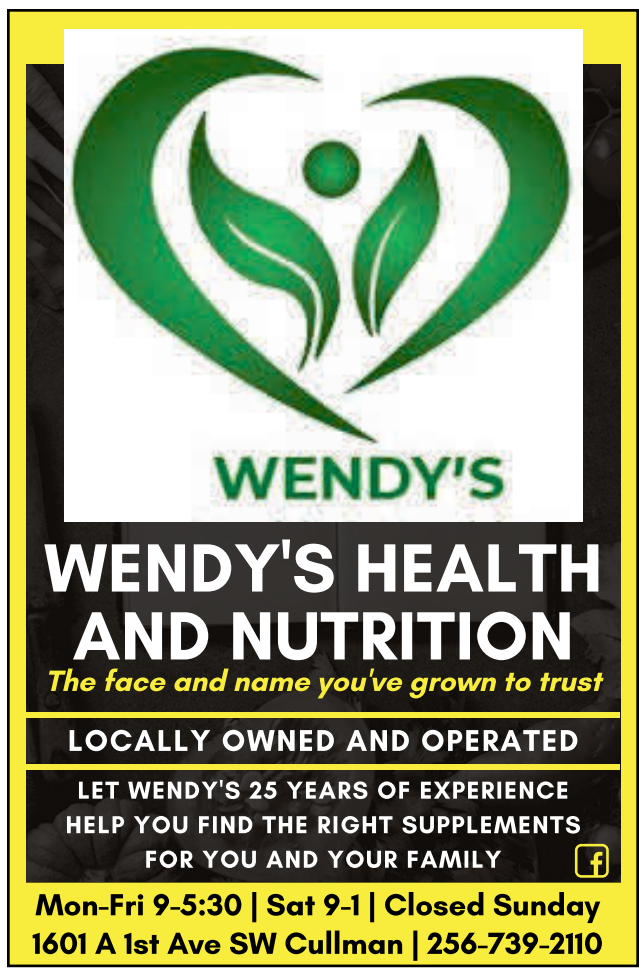

"We are looking for drivers that place a priority on safety and maintenance staff that work hard to make sure our facilities are in the best possible condition to making learning for our students possible."

The Cullman County Career Fair will be hosted in the Good Hope High School gym this Friday, April 8 from 2-5:30 p.m.

Parking will be in the rear of the gym and prospective employees can enter from the rear door of the gym.

CULLMAN COUNTY, Ala. – Over the past week, drug possession, failure to appear warrants and traffic stops leading to multiple felony arrests was the main workload of the Cullman County Sheriff's Office.

On Friday, April 1, Jennifer Renae Allen, 46, of Cullman was arrested by CCSO deputies at her residence for outstanding warrants.

She was charged with failures to appear for: possession of drug paraphernalia and a traffic violation and probation revocation/possession of dangerous drugs.

CCSO deputies also conducted a traffic stop in the Battleground area on Friday.

Felipe Torres Lopez, 32, of Tanner was a passenger in the vehicle, of which a search yielded drugs and paraphernalia, which Lopez claimed.

He was arrested and charged with: possession of methamphetamine, possession of marijuana and possession of drug paraphernalia.

On Saturday, April 2, CCSO deputies arrested Byron Timothy Addison, 47, of Cullman for multiple outstanding warrants.

He was charged with failure to appear for: burglary, possession of dangerous drugs (two counts), possession of drug paraphernalia (two counts), attempting to elude, promoting prison contraband and a traffic violation.

Anthony Ray Beasley of Cullman was arrested by CCSO deputies on April 3 for multiple outstanding warrants.

He was charged with failure to appear of: distribution of dangerous drugs (three counts), possession of dangerous drugs (two counts), possession of drug paraphernalia, possession of a forged instrument, larceny, receiving stolen property, traffic violation (two counts), escape, possession of stolen property and shoplifting. He was also arrested for larceny (warrant) and trespassing (warrant).

Also on Saturday, CCSO deputies conducted a traffic stop in north Cullman due to traffic violations.

Faith Marie Bogart, 39, of Cullman was the driver of the vehicle.

A search of the vehicle yielded marijuana and paraphernalia.

She was arrested and charged with: possession of marijuana and possession of drug paraphernalia.

Saturday, CCSO deputies also arrested Jesse Caleb Glasgow, 26, of Cullman with an outstanding warrant for failure to register/sex offense.

Another traffic violation stop led Cullman County Sheriff's Office deputies to a drug arrest in the West Point area on Saturday.

Casey Alex Gray, 39, of Vinemont was the driver of the vehicle.

A search of the vehicle yielded drugs and paraphernalia.

He was arrested and charged with: possession of a controlled substance and possession of drug paraphernalia.

Lastly, Cullman County Sheriff's Office deputies conducted a traffic stop in the Fairview area also due to traffic violations.

Walnetia Louise Peace Noe, 42, of Cullman was the driver of the vehicle. A search of the vehicle yielded drugs and paraphernalia.

She was arrested and charged with: possession of a controlled substance and possession of drug paraphernalia.

"Our deputies at the Cullman County Sheriff's Office have been extremely proactive in their work," Sheriff Matt Gentry said.

"Remaining diligent and getting these drugs off the street is a point of emphasis for the Sheriff's Office. I am proud of the hard work and dedication all of our deputies continue to show."

Obituary Announcements: April 5-6

Reviel Jean Phillips, 90
Reviel Jean Phillips was ushered into heaven from her home on April 6 after an extended illness with Parkinson's disease. Born in Tompkinsville, Kentucky on March 23, 1932, at home. She was preceded in death by her parents: Dewey and Gladys Ward, as well as her siblings: older brother, Earston Ward and older sister, Myrtle Morgan. Mom is survived by her husband: Marcen Phillips; children: Debbie (Steve) Ratliff, Dana Clarke (Marshall) and Doug Phillips (Kathy); grandchildren: Matthew Ratliff (Stacey), Clint Ratliff, Patrick Phillips, Katie (Nick) Williams, Luke (Paula) Clarke, Kallie Jean Phillips and Marcus Graham (Anna) Clarke; great-grandchildren: Saige Ratliff, Amberlyn Ratliff, Lake Ratliff, Keegan Phillips, Liam Phillips, Addie Williams, Blakely Lane Clarke, Carter Williams and Aubrey Clarke and great-great-granddaughter: Greylynn Hanson. She graduated from Gamaliel Kentucky High School in 1950, then went to work as a LPN. She met dad in Anderson, Indiana and then they were later married in 1954. They immediately started a family. Mom taught Sunday School and was a true servant as well as a deacon's wife at Anderson First Freewill Baptist Church for approximately 20 years. In 1977, they moved to Cullman, Alabama and for the last 37 plus years they have been members at Bethel Freewill Baptist Church. Mom was a full-time mother first and foremost, a fabulous cook in which she grew almost everything in her garden. She once canned at least 120 quarts of her green beans one summer. Her family and friends were so fortunate to eat her wonderful cooking, but our richest blessings came from hearing her pray. She would shake the gates of heaven in a way that none of us will ever forget. The funeral service will be Friday, April 8, at 11 a.m. at Cullman Funeral Home Chapel. The interment will follow at Enon Baptist Church. Rev. Lamar Cox will officiate the service. The family will receive friends from 9-11 a.m. prior to the service Friday morning. Pallbearers will be Luke Clarke, Marcus Clarke, Matthew Ratliff, Clint Ratliff, Nick Williams and Patrick Williams. Cullman Funeral Home is honored to serve the Phillips family.

Keith E. Pattillo, 75
My loving husband, Keith E. Pattillo, passed through the gates of Heaven on Tuesday, April 5, after succumbing to a sudden illness at the age of 75. Keith was known for never having met a stranger, and everyone who crossed paths with him knew he had a friend in Keith. He was a loving husband, father, grandfather, uncle, brother and son-in-law. Keith graduated from Cullman High School in 1964. He received his bachelor's degree from St. Bernard and his master's degree from Alabama A&M. Keith wore many hats. He taught and coached at Baileyton Junior High for six years. He worked for Cullman County Commission on Education Office for four years and was the principal at Fairview High School for the last 25 years of his career, where he touched the lives of students, faculty, staff and the community. He was known for giving his students what they needed: discipline and love. During his college years, Keith began working part-time at Moss Funeral Home. After his retirement from education, he began to work full time at Moss Service Funeral Home, where he worked his last day on April 5. Keith was an avid baseball fan. His favorite team was the Cincinnati Reds. He was a member of the "Fab Five," a group of principals who traveled each summer to baseball stadiums around the country, eventually seeing all 30 major league parks. He remained convinced to the end that he would have made a better general manager of the Reds than the poor excuse they had. Keith loved traveling with his wife. He even became an honorary member of her Elvis fan club, surprising her by holding their wedding ceremony in the Elvis Chapel on the grounds of Elvis's birthplace in Tupelo, Mississippi. They also frequently traveled with a group of close friends, eventually visiting 40 of the 50 states. Keith is survived by his wife: Debra Dobbs Pattillo; granddaughters: Ashley (Will) Hasenbein and Taylor (Chris) Felkins; great-granddaughters: Violet Felkins and Ruth Hasenbein; daughter-in-law: Kimberly Pattillo (Ryan) Lambert; brother: Ronald (Virginia) Pattillo; nephews: Clark (Daphne) Pattillo, Patrick Pattillo and Carson Dobbs; niece: Madison Dobbs; great-nephew: Justin Pattillo; father-in-law: Preston Dobbs; mother-in-law: Frances Dobbs and brother-in-law: Mark (Tammy) Dobbs. Visitation will be Friday evening at 5 p.m. for family and 5:30 p.m. for friends at Moss Service Funeral Home. The funeral will be Saturday afternoon at 2 p.m. at Moss Service Funeral Home. Burial will be at Center Grove Baptist Church. Moss Service Funeral Home Directing.

to be done on the ball field's batting cage and basketball court, and tabled discussion of repaving the tennis courts until Mayor Carla Hart can get prices for the work.

During the public comment portion of the meeting, the mayor and council were questioned about the status of the town's assigned Cullman County Sheriff's Office deputy, and whether the town would stop collecting the tax used to pay for the deputy if no new deputy is hired.

When the previous deputy's contract ran out last fall, the council approved the hiring of a new one on a split 3-2 vote after much debate, but Holly Pond still has no deputy.

Mayor Hart said she would talk to the Sheriff's Office again. Asked about the tax money that has been collected, Hart said that it would be used for projects to benefit the town if it does not go for a deputy.

The Holly Pond Town Council meets at 6 p.m. on the first Monday of each month at the Guy Hunt Library. The public is invited to attend.

CULLMAN, Ala. – Entering the third week of enforcement of the Cullman City School System's preexisting cellphone policy has yielded positive results so far, according to Superintendent Kyle Kallhoff.

"To be clear, this isn't a ban, we're just enforcing our existing policies on cellphone use in Cullman City Schools during school hours as it impacts instruction," said Kallhoff. "This approach is in place at all Cullman City Schools, though most relevant and impactful at Cullman High School and Cullman Middle School, where we have adolescent and teenage students."

On March 21, an email was sent out to all parents or guardians of students at CMS and CHS by Kallhoff asking for their assistance in controlling the issue of cellphones on campus.

When asked why the ban was being implemented, Kallhoff reiterated that it's not a ban.

"In an effort to address cyberbullying and harassment through mobile apps such as Yik Yak, administrators and staff have had numerous conversations with students encouraging positivity and kindness. Cell phones, cyberbullying, harassment and a lack of kindness is becoming a distraction on our campuses, especially among our adolescent and young adult students," he said.

Kallhoff said the distraction was impacting the learning and teaching process, which must stop immediately.

"So, in an effort to address that, cell phones and electronic devices can now be used prior to the instructional day and after the conclusion of the instructional day. But devices must be turned off, stored and inaccessible during instructional hours unless permission is granted by an authorized school employee," he said. "Students who drive to school are asked to leave their phones in their vehicles. Younger students, or students who do not drive, are asked to put their cell phones away for the duration of the school day."

Since the new application of the preexisting policy, Kallhoff said teachers and students have noticed an immediate positive impact.

"This approach is being made in an effort to address cyberbullying and harassment. We've actually already seen increased face-to-face social interactions among students, which is great! Like anything, we'll monitor the situation and make any changes as deemed necessary in the future," he said.

With enforcement of a new policy or preexisting one regarding cellphones, some parents or students may challenge the validity of the rule citing emergency calls as a necessity for always having the device on.

Kallhoff was asked about concerned parents or students who may have this particular issue of emergency calls.

He assured that there are several ways for a student or parent to contact one another during the school day.

"Of course, as always, parents can reach their student by calling the front office of the school in the event of an emergency," he said. "Students are also able to call their parents from the front office, as always, if an emergency arises."
