**CULLMAN, Ala.** — The Cullman City Council on Monday evening welcomed Boy Scout Troop 219 from First United Methodist Church and said the Pledge of Allegiance under the direction of Scout Jon Haynes, before getting down to business, approving resolutions to move closer to a $2,000,000 plan for improvements and expansion at the Cullman Regional Airport. The council approved an obligation warrant for $2 million for construction of a 100-by-100-foot hangar "and the purchase of property," naming Peoples Bank as the bidder offering the lowest interest rate. The council also approved a contract with Goodwyn, Mills and Cawood for engineering services at the airport.

**The council also voted:**

• To approve an additional one-time appropriation of $66,000 to CCCDD

• To provide life insurance for employees through Byars Wright Insurance, agreeing to terminate its previous agreement with the Prewitt Group "as soon as possible."

• To award the bid for a 22-foot trailer to Better Built Trailers in the amount of $21,000

• To adopt the American Rescue Plan Act Allocation Plan, simplifying its method of reporting claimed losses

The council also passed an ordinance to adopt the 2022 Back-to-School Sales Tax Holiday, July 15-17.

# Addison's Roberts signs with Samford

**Todd Walker**
Tribune Correspondent

**ADDISON, Ala.** — On a cloudy, drizzly Monday with overcast skies, it was nothing but sunshine and rainbows in the Library of Addison High School. Senior Christian Roberts signed his letter to play football for the Samford Bulldogs. Christian, a three-year starter and All-State quarterback, had a highly productive high school career for the blue and gold Bulldogs of Addison. Christian will now take his talents to the navy and red of the Bulldogs of Samford. Incidentally, his parents, Chris and Danna Roberts, both met and graduated at Samford.

Christian was happy about being able to continue his athletic career at his parents' alma mater.

"I knew I was going to continue my education at Samford regardless of athletics, but I started talking to Coach (Chris) Hatcher, Samford Head Coach, in March and one thing led to another and here we are," Roberts said. "Coach Hatcher asked me if I was set on playing quarterback and I told him I would like to compete there but would be open to playing anywhere that would get me on the field quicker and where I could help the team the most. I believe to start with it could possibly be QB or OLB, that is what has been talked about the most."

Christian thanked his parents, family, friends, teammates and Coaches but most of all he thanked his Lord and Savior Jesus Christ for giving him the opportunity to excel on the athletic field, life, as well as the classroom.

Christian was especially thankful to his family and Pastor for helping him get through an injury plagued senior season. Not only the physical obstacles but the mental as well.

"I just know that I could have never made it back on the field without the help of all the people that gave their time and effort to assist me, and I am thankful to each and every one of them."

Christian's Father, Chris was elated at the opportunity that his son will have playing for Samford.

"I am so proud of Christian at not just the athlete and student but as the man that he has turned out to be," Chris said. "He has faced adversity and with the help of God he has risen to each and every challenge that has been placed before him. We, as a family, believe that God puts you in positions to succeed and it is up to you to do what is necessary to achieve success at whatever you do. Christian has a tremendous attitude, work ethic and a strong foundation in Christ so his mother and I know that in a Christian environment like Samford he will have the best opportunity to succeed."

Christian finishes his career at Addison with several excellent achievements. He rushed and passed for over 2,000 yards each and scored 46 combined touchdowns.

Christian "Ice Man" Roberts is an excellent young man and is destined to succeed at Samford both athletically and more importantly academically. I am sure that politics are in his future and I for one, would gladly support him. Roberts for Governor 2040!

# 'Cats fall to No. 1 Hartselle 13-3

**Todd Walker**
Tribune Correspondent

**CULLMAN, Ala.** — The Bearcats were back home at Bill Shelton Field Tuesday night for a big area matchup with the top-ranked Hartselle Tigers. Cullman plated two runs in the fifth and another one in the sixth to get on the board but couldn't overcome the early Hartselle lead and the Tigers held on to win it 13-3.

Riley Jackson led off the bottom of the first with a single into right field, but three strikeouts left him stranded at third base. After a scoreless second inning, the Tigers pulled ahead in the top of the third. A pair of RBI singles put Hartselle in front 3-0 going into the bottom half of the inning. The Bearcats went three-up, three-down in their half of the third and the Tigers stretched their lead to 5-0 with a 2-run homerun in the top of the fourth.

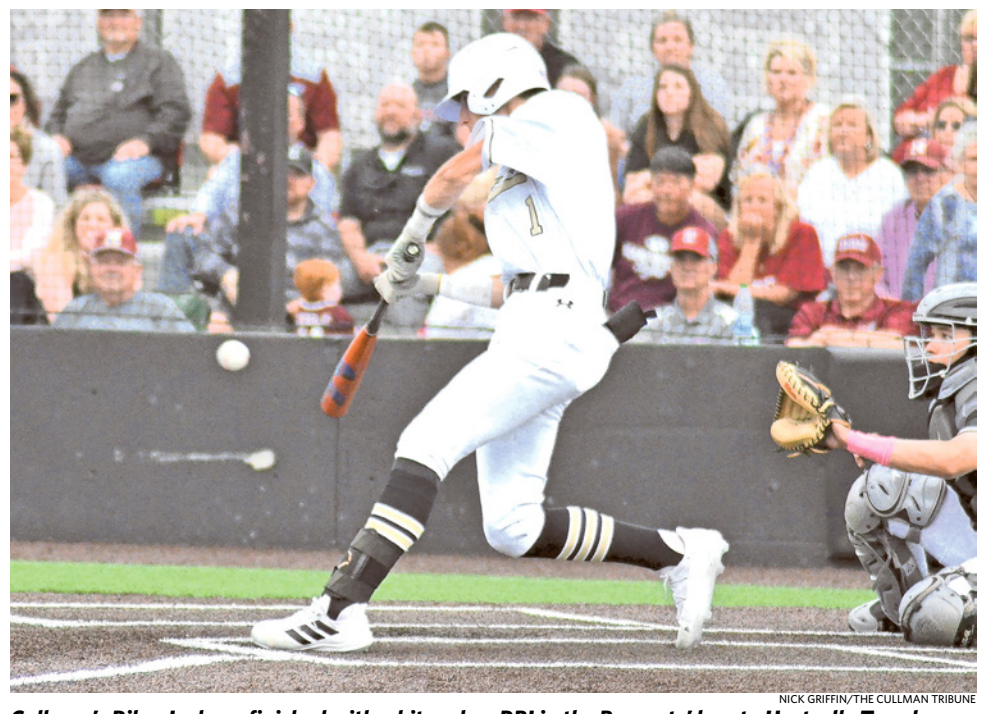

Cullman was able to chip away in the bottom of the fifth. A double off the bat of Tucker Cagle and a single by Zane Watwood gave the 'Cats a pair of runners and Jake Dueland drew a walk to load the bases.

Jackson lifted a sacrifice fly into center field to score Cagle and cut the lead to 5-1 and Watwood scored on a wild pitch to make it a 5-2 game going into the sixth.

However, the Tigers responded in the top half of the sixth, knocking two more homeruns over the wall in left field and building a 12-2 lead. Easton Peed led off the top of the sixth with a double to left-center field and Cole Robertson singled to right to give Cullman a pair of base runners. Peed scored on a wild pitch later in the inning to trim the lead to 12-3 but that was the only run the Bearcats could push across the plate.

Hartselle tacked on one more run in the top of the seventh and went on to defeat Cullman 13-3 and take a 1-0 lead in the series.

Jackson (one RBI), Peed, Robertson, Watwood, Dueland and Cagle each posted a hit in the loss. The 'Cats will head to Hartselle Thursday, looking to bounce back against the Tigers and win another area title.

# Cullman falls to Decatur at home 8-4

**Sammy Confer**
sammy@cullmantribune.com

**CULLMAN, Ala.** — After celebrating their first game on their new turf with a 9-3 win over Gardendale last week, the Lady Bearcats returned home Monday night to take on Decatur. Unfortunately for the home crowd, Cullman suffered its first loss on its new field, falling to the Lady Red Raiders 8-4. Decatur built a big lead early and the Lady Bearcats weren't able to climb all the way back.

Both starters had the strikeout pitch working to start out the game as five of the six outs in the first inning came via strikeout. Cullman starter Brooklyn Morton worked around a two-out single in the second inning to get out of it unscathed.

The Lady Bearcats looked to get on the scoreboard in their half of the second. Olivia Britton and Morton each drew one-out walks, then Britton and Kathryn Dueland, the courtesy runner for Morton, both moved up to second and third on a passed ball. An RBI groundout by Faith Guest brought home Britton to give Cullman a 1-0 lead.

Decatur got something cooking in the top of the third. A leadoff single, a one-out error, and an intentional walk loaded the bases with two outs.

Another walk brought home a run as that tied the game up at one. Two pitches later, a bases-clearing double gave the Lady Red Raiders a 4-1 lead. Haley Shannon led off the bottom of the third with a single, then Taylor Au drew a walk. A passed ball moved them up to second and third and Shannon later scored on another passed ball to make it a 4-2 game.

Decatur added to their lead in the top of the fourth as an RBI single made it a 5-2 game and later put up some more runs in the sixth inning. A leadoff home run and back-to-back RBI singles with two outs pushed their lead to 8-2. The Lady Bearcats, though, answered in their half as Carlie Burnham hit a leadoff home run to cut it to 8-3, then with one out, Morton reached on a Lady Red Raider error. She moved up to second on a passed ball and later scored on another Decatur error to make it an 8-4 game.

The Lady Bearcats looked for yet another late rally in their final at-bats. Shannon lined a single to left field to lead off the inning and later moved up to second on another passed ball.

Later in the inning, with two outs, Burnham and Britton each drew a walk to load the bases. But a strikeout ended the game as Cullman ended up falling to Decatur, 8-4.

Burnham finished with the home run for Cullman (12-14). Guest added an RBI as well. Shannon collected three hits in the game and Kylie Stracener chipped in with a hit of her own. The Lady Bearcats will look to bounce back Tuesday when they travel to take on Muscle Shoals in a huge area game.

# Vinemont (from Front)

**VINEMONT, Ala.** — The South Vinemont Town Council on Tuesday evening updated the community, confirming an upcoming Movie Night on May 14 at 7:45 p.m. at the Community Center showing the Disney movie "Encanto."

In new business, the council approved the resolution to send Bonnie Goodwin and Nina Justice to be voting delegates at the Alabama League of Municipalities Conference to vote on the resident and other members of the association.

The council renamed the CDBG checking account from 2018 ED Road Improvement Project to SM-ED-PF-21-006 Jack's Improvement Project.

Mike Graves reported that work will begin on the concrete pavement at the fire department before the end of the month. "It's 20-plus years old. I believe that it was a poorly mixed concrete mixture. It's just a chunk in the center of it where one of the loads of concrete wasn't what it was supposed to have been," Mayor Dodson stated.

Most of the existing concrete will be removed but crews will try not to disrupt the efforts of the fire department. New concrete will be added to replace the areas that have deteriorated. He continued, "It's getting worse and worse. We've already been up there trying to patch it, to see if it was even patchable and it held for a while but didn't stay."

The council will have a called meeting/ hearing next Tuesday to allow the council and residents of Vinemont Estates and Vinemont Village to address concerns with owner Kevin Serra.

Residents have raised concerns about sewage issues, lack of access to the property for emergency vehicles and overcharging on water bills among other issues. "This has been like this for too many years for something not to be done," said one resident.

The next regular council meeting will be on May 10 at 6 p.m. with a work session at 5:30 p.m.

## COVID-19 BY THE NUMBERS

Wednesday, April 13, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

**ADPH COVID-19 dashboard changes**
The Alabama Department of Public Health received lab reports from five entities on March 25, 2022. A total of 1,714 positive cases with specimen collection dates from January 2, 2022 to February 28, 2022 were added to the dashboard today. These cases are mostly residents from Barbour, Coffee, Dale, Geneva, and Houston counties. For information related to when a case occurred versus when the case was reported, please view Tab 5. COVID-19 is a notifiable disease and laboratories are mandatory reporters. ADPH does not have control over when results are reported.

*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

# Rodriguez (from Front)

siahs and John Carpenter's Snake Plissken Chronicles. He's drawn comics and comic book covers for Image, Dark Horse, Cross-Gen, Top Cow, Coffin Comics and many more.

Before the pandemic, Camelot owner Greg Patterson met Rodriguez at a Huntsville Comic and Pop Culture Expo. Rodriguez was there drawing sketches and Patterson asked if he could draw his own favorite dog from the Stray Dog series and chatted while he waited.

Tone asked him what he did for a living, after which Patterson told him about his bookstore and the new selection of comics.

Patterson has collected comic books his entire life. Rodriguez's work only took about 15 minutes and Patterson then realized the amount of detail put into the sketch.

Patterson says, "He gets finished, and he has not only drawn the sketch, he has inked it and added color, and in my mind I'm like 'oh man this is going to be really expensive,' and he gave it to me."

Patterson attempted to pay, and Rodriguez said, "No, you're a nice guy, thank you for your service. This one is on the house."

About two weeks after that, Archie Comics gave bookstores an opportunity to put together store exclusive comic book covers for "The Shield," so Patterson contacted Rodriguez for some covers, who got back to him the next day with seven new ones. "This guy would give you the shirt off his back," said Patterson.

When "The Shield" comic released in June of 2021, Patterson was going to have Rodriguez at the store to do signings on the exclusive covers, but "Stray Dogs" got picked up by Netflix and Rodriguez had to go to California to participate in negotiations.

"So, I finally got around to getting him here," said Patterson. There were only 300 copies printed of the cover created by Rodriguez. "This particular cover, the only place you can get it, is at Camelot." Patterson says that the comics have been the most popular part of the business.

"If it wasn't for the comic books, I don't know that the bookstore would still be here. The pandemic caused the older customers to order from Amazon and they just have never come back.

"Comic book fans are a weekly breed. New comics are released every Wednesday and those people are back."

Camelot has all "Stray Dogs" series illustrated by Tone Rodriguez. Patterson says that Rodriguez may bring some copies of other comics with his illustrations to sign. He does not charge for autographs. About the time it takes for commissioned sketches, Patterson says, "He is abnormally fast and there is no drop in quality. He could do a pencil sketch in five or six minutes."
