CULLMAN, Ala. — Depot Park was packed Saturday afternoon with locals coming out to show their support for cancer survivors, to remember the ones we've lost and to help those still fighting at Relay for Life's Party in the Park.

The day got started with an opening ceremony from master of ceremonies Rebekah Cash, then the color guard from the Cullman Area Technology Academy came out. After the National Anthem, Matt Smith from East Side Baptist Church led everyone in prayer. A special guest speaker was in town at the event, WVTM 13 co-host, Rick Karle.

Karle talked to the crowd about his battle with cancer and what we should all learn.

"In 1987, I'm a hotshot sports anchor in Jacksonville, Florida." Karle said. "I'm at the CBS station. I'm covering the Gators in the NCAA tournament. I'm at the Carrier Dome in Syracuse and I just didn't feel well. I went home and I talked to my doctor. He said, 'Well, you probably just got the crud. Don't worry about it. He gave me some penicillin and told me to call him in the morning. I continued to feel bad, and I went back to him. He discovered that I had » PAGE 5

Expo (from Front)

Sara Gladney
sara@cullmantribune.com

CULLMAN, Ala. — Brook's Place Child Advocacy Center hosted on Saturday the first Safe Kids Expo at Sportsman Lake Park since the pandemic began. The expo annually takes place in April for Child Abuse Prevention Month. The sponsors including Pepsi, Colvard Insurance Group, Walmart Distribution, Desperation Church, Lions Club, Cullman County District Attorney's Office and more helped to make the event a fun and free activity for families. Kids could ride the train, play putt-putt golf and enjoy an obstacle course at no cost. Kids could explore the fire truck and helicopter brought by the Cullman Police and Fire Departments. Free hot dogs, drinks and popcorn were provided for everyone.

"It's a good turnout for having not had it for a couple years. We're getting back into the swing of things," said founder of Brook's Place Gail Swafford. She said the event generally attracted about 500 kids, and this year it was around 350. Brook's Place was created in 1997 and has held this event for more than 20 years. The event was originally created by retired District Judge Kim Chaney. Swafford said, "It was his baby in the beginning."

While enjoying the park festivities, families could visit the various child safety groups—DHR, Cullman Caring for Kids, Bikers Against Child Abuse and The Link—set up in pavilions for information about child safety. "We want to lead these families to resources. You can't get the counseling you need if you're worried about your lights being turned off," said Swafford. The sponsors of the event shared the different ways in which they can help families and especially children in need.

Brook's Place specifically provides practical medical and mental health assistance to child victims of abuse. Swafford said, "The services we provide is to child victims of sexual or physical abuse. We are there from the onset of the outcry, and so we do the forensic interviews, and we provide counseling and medicals that we do at our office. Nothing that we do is charged to the victims."

Brook's Place can provide specialized child abuse service. Swafford would like to encourage families to visit their facility instead of going to the emergency room with sexual or physical assault so children do not experience the trauma of going through one medical exam after another.

She also shared victims should fill out the Alabama Crime Victims Compensation application. "A lot of people don't realize that they need to do that because even if you don't use anything now, if you have that on file, years down the road if you're having mental health issues and it's linked to the abuse, that counseling can be paid for as an adult."

For more information about Brook's Place services please visit their website at: http://www.caccullman.org. Brook's Place is located at 1003 Fourth Ave. NE in Cullman.

PREP BASEBALL PLAYOFFS

Chelsea takes game 3 from Cullman 7-2

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. – The Bearcats climbed back and won their second game against Chelsea Friday night to force a game three Saturday but unfortunately for the home crowd, Cullman wasn't able to get the bats going against the Hornets and Chelsea took game three 7-2 to advance to the next round.

Cullman collected two quick outs to start the top of the first, but a solo homerun kept the inning alive for the Hornets and gave them an early 1-0 lead. A single, an error and a walk loaded the bases for Chelsea and two more walks stretched the lead to 3-0 going into the bottom half of the inning. A double off the bat of Hayden Stancil gave the 'Cats a runner in scoring position and he came home to score on a wild pitch later in the inning to trim the lead to 3-1.

However, the Hornets responded right away in the top of the second, building the lead back up to 6-1 after another pair of homeruns.

They added to the lead with an RBI single in the top of the third that made it a 7-1 game, but the Bearcats got the run back in the bottom of the fourth when Jackson Stanford lifted a solo shot over the left field fence and cut the lead to 7-2. Unfortunately, Cullman was never able to get a rally started and only managed one more hit the rest of the way, allowing Chelsea to hold on and win it 7-2.

Kaleb Heatherly posted a pair of hits in the loss and tossed the final five innings on the mound, allowing one run (unearned) on just three hits and striking out four batters. Stanford (HR) finished with a hit and an RBI for Cullman and Stancil added a double as well.

The Bearcats finish the season 22-19 and with a big class of seniors preparing to collect their diplomas in May, there will be plenty of room for new faces to step in for Cullman next season.

The Cullman Bearcats dropped game three of their second-round playoff matchup against Chelsea Saturday afternoon.

No. 19 Auburn battles No. 1 Tennessee to brink in series finale

George Nunnelley
AU Athletics

KNOXVILLE, Tenn. — No. 19 Auburn and No. 1 Tennessee battled back and forth in the series finale with the Volunteers ultimately winning the decisive game, 5-3, Sunday in Knoxville.

Tied 3-3 with one out in the bottom of the eighth inning, Tennessee hit a two-run home run that proved to be the difference.

"It was a battle all the way through," head coach Butch Thompson said. "The effort was tremendous. We fought in our at-bats, and Joseph gave us an unbelievable opportunity like he does every third game. Credit to our guys who didn't blink after Friday and pushed this series all the way to late Sunday to give us a chance to win."

Auburn sophomore Joseph Gonzalez (6-1, 2.30) suffered the tough-luck loss, pitching 7.1 innings and allowing five runs on seven hits with one walk and two strikeouts. Gonzalez faced just three batters over the minimum from the second through the seventh innings.

"I was so excited to get to the ballpark today with Joseph on the mound," Thompson said.

"We'll continue the same mindset and keep moving forward and try to put our best foot forward anytime we step on the field with an Auburn uniform on."

Tennessee (40-4, 19-2 SEC) scored first for the third straight game, plating a run on a sacrifice fly before scoring two more on a two-out, two-run home run to right field to take a 3-0 lead in the first.

After allowing the home run, Gonzalez responded by retiring nine of the next 10 batters he faced. Tennessee put a pair of baserunners aboard with a two-out error and walk in the fourth, but the sophomore right-hander stranded them both.

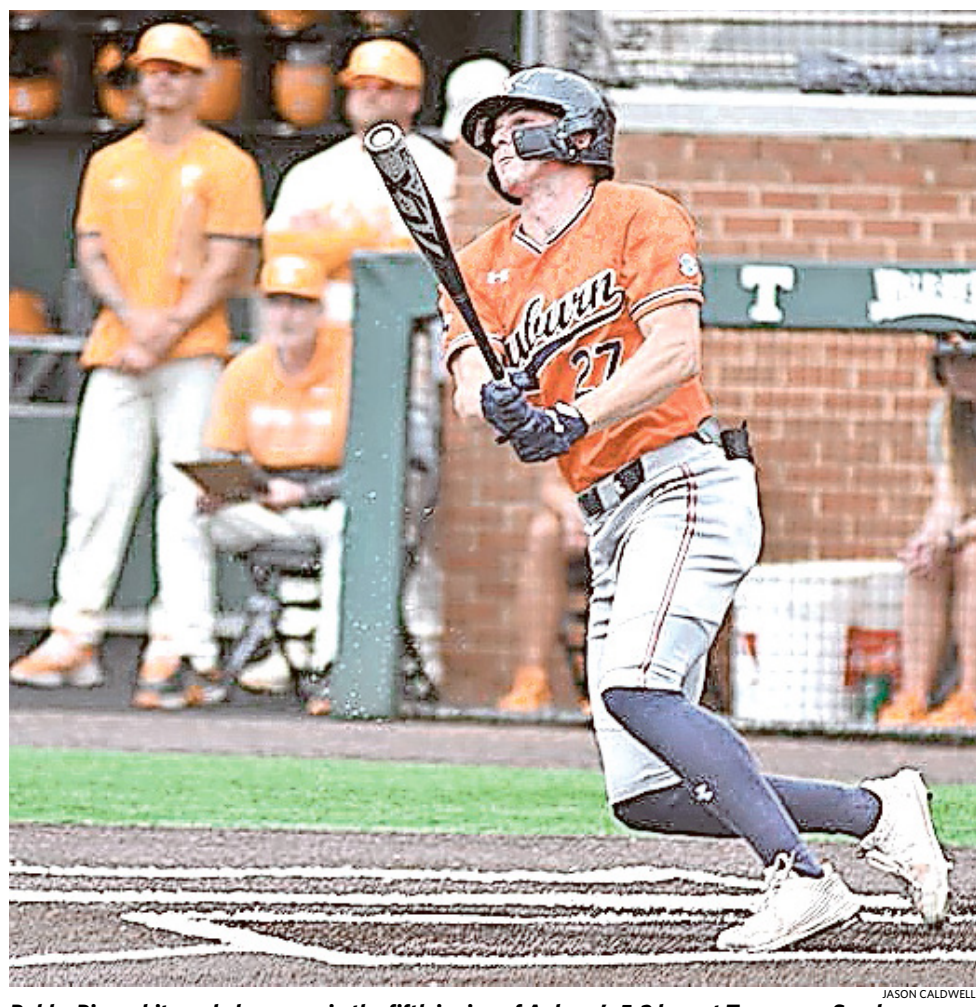

Auburn (31-14, 12-9 SEC) got its first hit in the fourth and cracked the scoreboard in the fifth. Bobby Peirce hit a solo homer off the scoreboard in right, his fourth homer of the season and second in his last three at-bats, to start the scoring. The Tigers proceeded to load the bases with three straight one-out singles and made it a 3-2 ballgame on a sacrifice fly from Cole Foster.

Gonzalez set the Volunteers top of the lineup down in order in the fifth and Auburn tied the game with a run in the top of the sixth. Kason Howell drew a leadoff walk and came around to score on Peirce's RBI single, his fifth run driven in in the last two games.

The Tigers put two aboard with nobody out, but a pair of ground ball resulted in three outs and kept the scored tied, 3-3.

The Tigers managed a two-out hit in the seventh, but that was all against hard-throwing righty Ben Joyce, who recorded the final 12 outs for Tennessee.

Auburn returns to the Plains for final exams this week before hosting No. 4 Arkansas (34-10, 14-7 SEC) in a three-game series from Friday through Sunday.

JASON CALDWELL

Bobby Pierce hit a solo homerun in the fifth inning of Auburn's 5-3 loss at Tennessee Sunday.

Alabama suffers 11-5 Loss at South Carolina Saturday

Alex Thompson
UA Athletics

COLUMBIA, S.C. – Alabama baseball came up short on Saturday, suffering an 11-5 loss to South Carolina. The Crimson Tide is now 25-20 on the season and 9-12 in Southeastern Conference play.

Alabama took the early lead with two runs in the first, but South Carolina came right back with three in the home half. The Gamecocks then added six runs across the third, fourth and fifth innings to put the game out of reach. Alabama continued to fight, using a three-run home run from Dominic Tamez in the sixth to make it a 9-5 ballgame, but the Tide would get no closer. SC added single tallies in the seventh and eighth for the eventual 11-5 final. South Carolina starter Will Sanders (6-2) picked up the win, allowing five runs over 7.0 innings on Saturday. Grayson Hitt (4-2) suffered the loss for UA.

How it happened

- T1 | Jim Jarvis started the game with a single. A double from Andrew Pinckney in the next at-bat put two in scoring position for Drew Williamson. The senior sent a sac fly to center to get the Tide on the board. After a groundout moved Pinckney to third, William Hamiter brought him in with a double to the corner in right. (2-0, Alabama)
- B1 | The Gamecocks used three hits and a walk to plate three runs. (3-2, South Carolina)
- B3 | A leadoff single followed by a home run from Andrew Eyster added a pair for SC. (5-2, South Carolina)
- B4 | The Gamecocks loaded the bases before a groundout scored one followed by a two-run double to widen the gap. (8-2, South Carolina)
- B5 | With two on, a single up the middle for SC added to their lead. (9-2, South Carolina)
- T6 | Pinckney and Williamson led off the inning with singles. Dominic Tamez then brought the pair home in the next at-bat with a three-run home run. (9-5, South Carolina)
- B7 | A one-out double to right added a run for the Gamecocks. (10-5, South Carolina)
- B8 | With runners at second and third, a sacrifice fly crossed one run. (11-5, South Carolina)

Alabama will now take an extended break as the University enters exam week. The Crimson Tide will return to the diamond on Friday, May 6 to open a three-game series with the LSU Tigers.

Game one is set for a 6 p.m. start followed by a 7:30 p.m. first pitch on Saturday. The series wraps up on Sunday at 1 p.m. The first and third games will air on SEC Network+ with game two receiving national attention on SEC Network.

testicular cancer. The good news is, for the most part, it's pretty treatable. This is why I'm lucky. I went in, 29 years old, and underwent surgery the next day. He put me on radiation and very strong chemotherapy. I lost my hair, lost about 20 pounds. I thought the chemotherapy was going to kill me and not the cancer. Here's why I was lucky and here's a lesson that we should all learn from all of this."

He added, "I walked into his office, and he told me, 'The good news is, we're giving you a 90% chance to survive. I take that in a heartbeat. I was a good patient, went through all of the radiation and the chemo. I got better. He said, 'Take a good look at this.' This is how far cancer development has come. If you were sick 10 years prior in 1977, you've have had a 30% chance to survive. If you were sick in 1967, you've would have had a 10% chance. The moral of the story is while many of us have lost loved ones, many of us have been sick and have been lucky enough to survive, I think, as we look down the road, there's some promise there. As we continue to battle with this and researchers get more money from the cancer society to people worldwide, I think we're going to beat this. I got lucky with timing, and I think if we all stay positive and continue to support the cancer society, continue to support funding, research, and development, I think we can beat this. I really do."

Peyton Pate then went onstage and performed from 4-5 p.m., then came the survivor dinner from 5-6 at the Desperation Church College Campus. The survivor lap started at 6 p.m., then at 6:30 p.m., the caregiver lap began. The cancer teams then did their lap at 6:45 p.m. Trifecta took the stage at 7 p.m. and got done performing at 8:30 p.m. The Luminaria Service started at 9 p.m. and it ended at 10 p.m.

Deanna Leavitt, who is now a three-year breast cancer survivor, shared her story and how much she had to overcome.

"It was a long road," Leavitt said. "I work at the Walmart on 157 and there were days, I worked most of the time, and there were days that I could barely even walk. They were so good to me. They made me sit and answer the phone because I was trying to do my job. They were very, very good to me and my doctor even said that I had a lot more side effects than most people. But, even with all of my support and everything, I've been in remission for three years. It's just been a blessing. I couldn't walk at the time and every day, when I go in that store, I think of how blessed I am that I can walk all over the place now. I couldn't even walk a few feet without having to sit down."

Deanna's reaction to learning that she was cancer-free was not surprising at all and she gave those people that are going through what she had to go through some advice.

"I was excited." Leavitt said. "We went out and celebrated. They had a party for me at work. It was great. I was so excited and just feeling blessed. God is good. My advice to those people would be you have to have hope. Just know that a better day is coming because it is. You just keep pushing and there's a better day coming. You'll make it. You just have to stick with it and be strong."

Robert Motter, a four-year survivor of bladder cancer, talked about what he's had to overcome during his cancer battle and his reaction to being cancer-free.

"I was diagnosed initially with a urinary tract infection," Motter said. "A couple of months later, I was urinating really bright red blood and I had a greater than five-centimeter tumor in my bladder. They removed it and later on, they removed the second small part. They got the rest of it. My reaction to being cancer-free was amazement and I was glad. My wife cried. I was very happy. We got very lucky that it was caught early and remissed quickly without any chemo. It was all surgically done."

His wife, Carol, stood by his side during those hard times and never gave up hope.

"My reaction was seeing absolute total fear in my husband's eyes and knowing I had no control. I can't fix this." she said. "All I can do is stand by his side and love him. That's what I did."

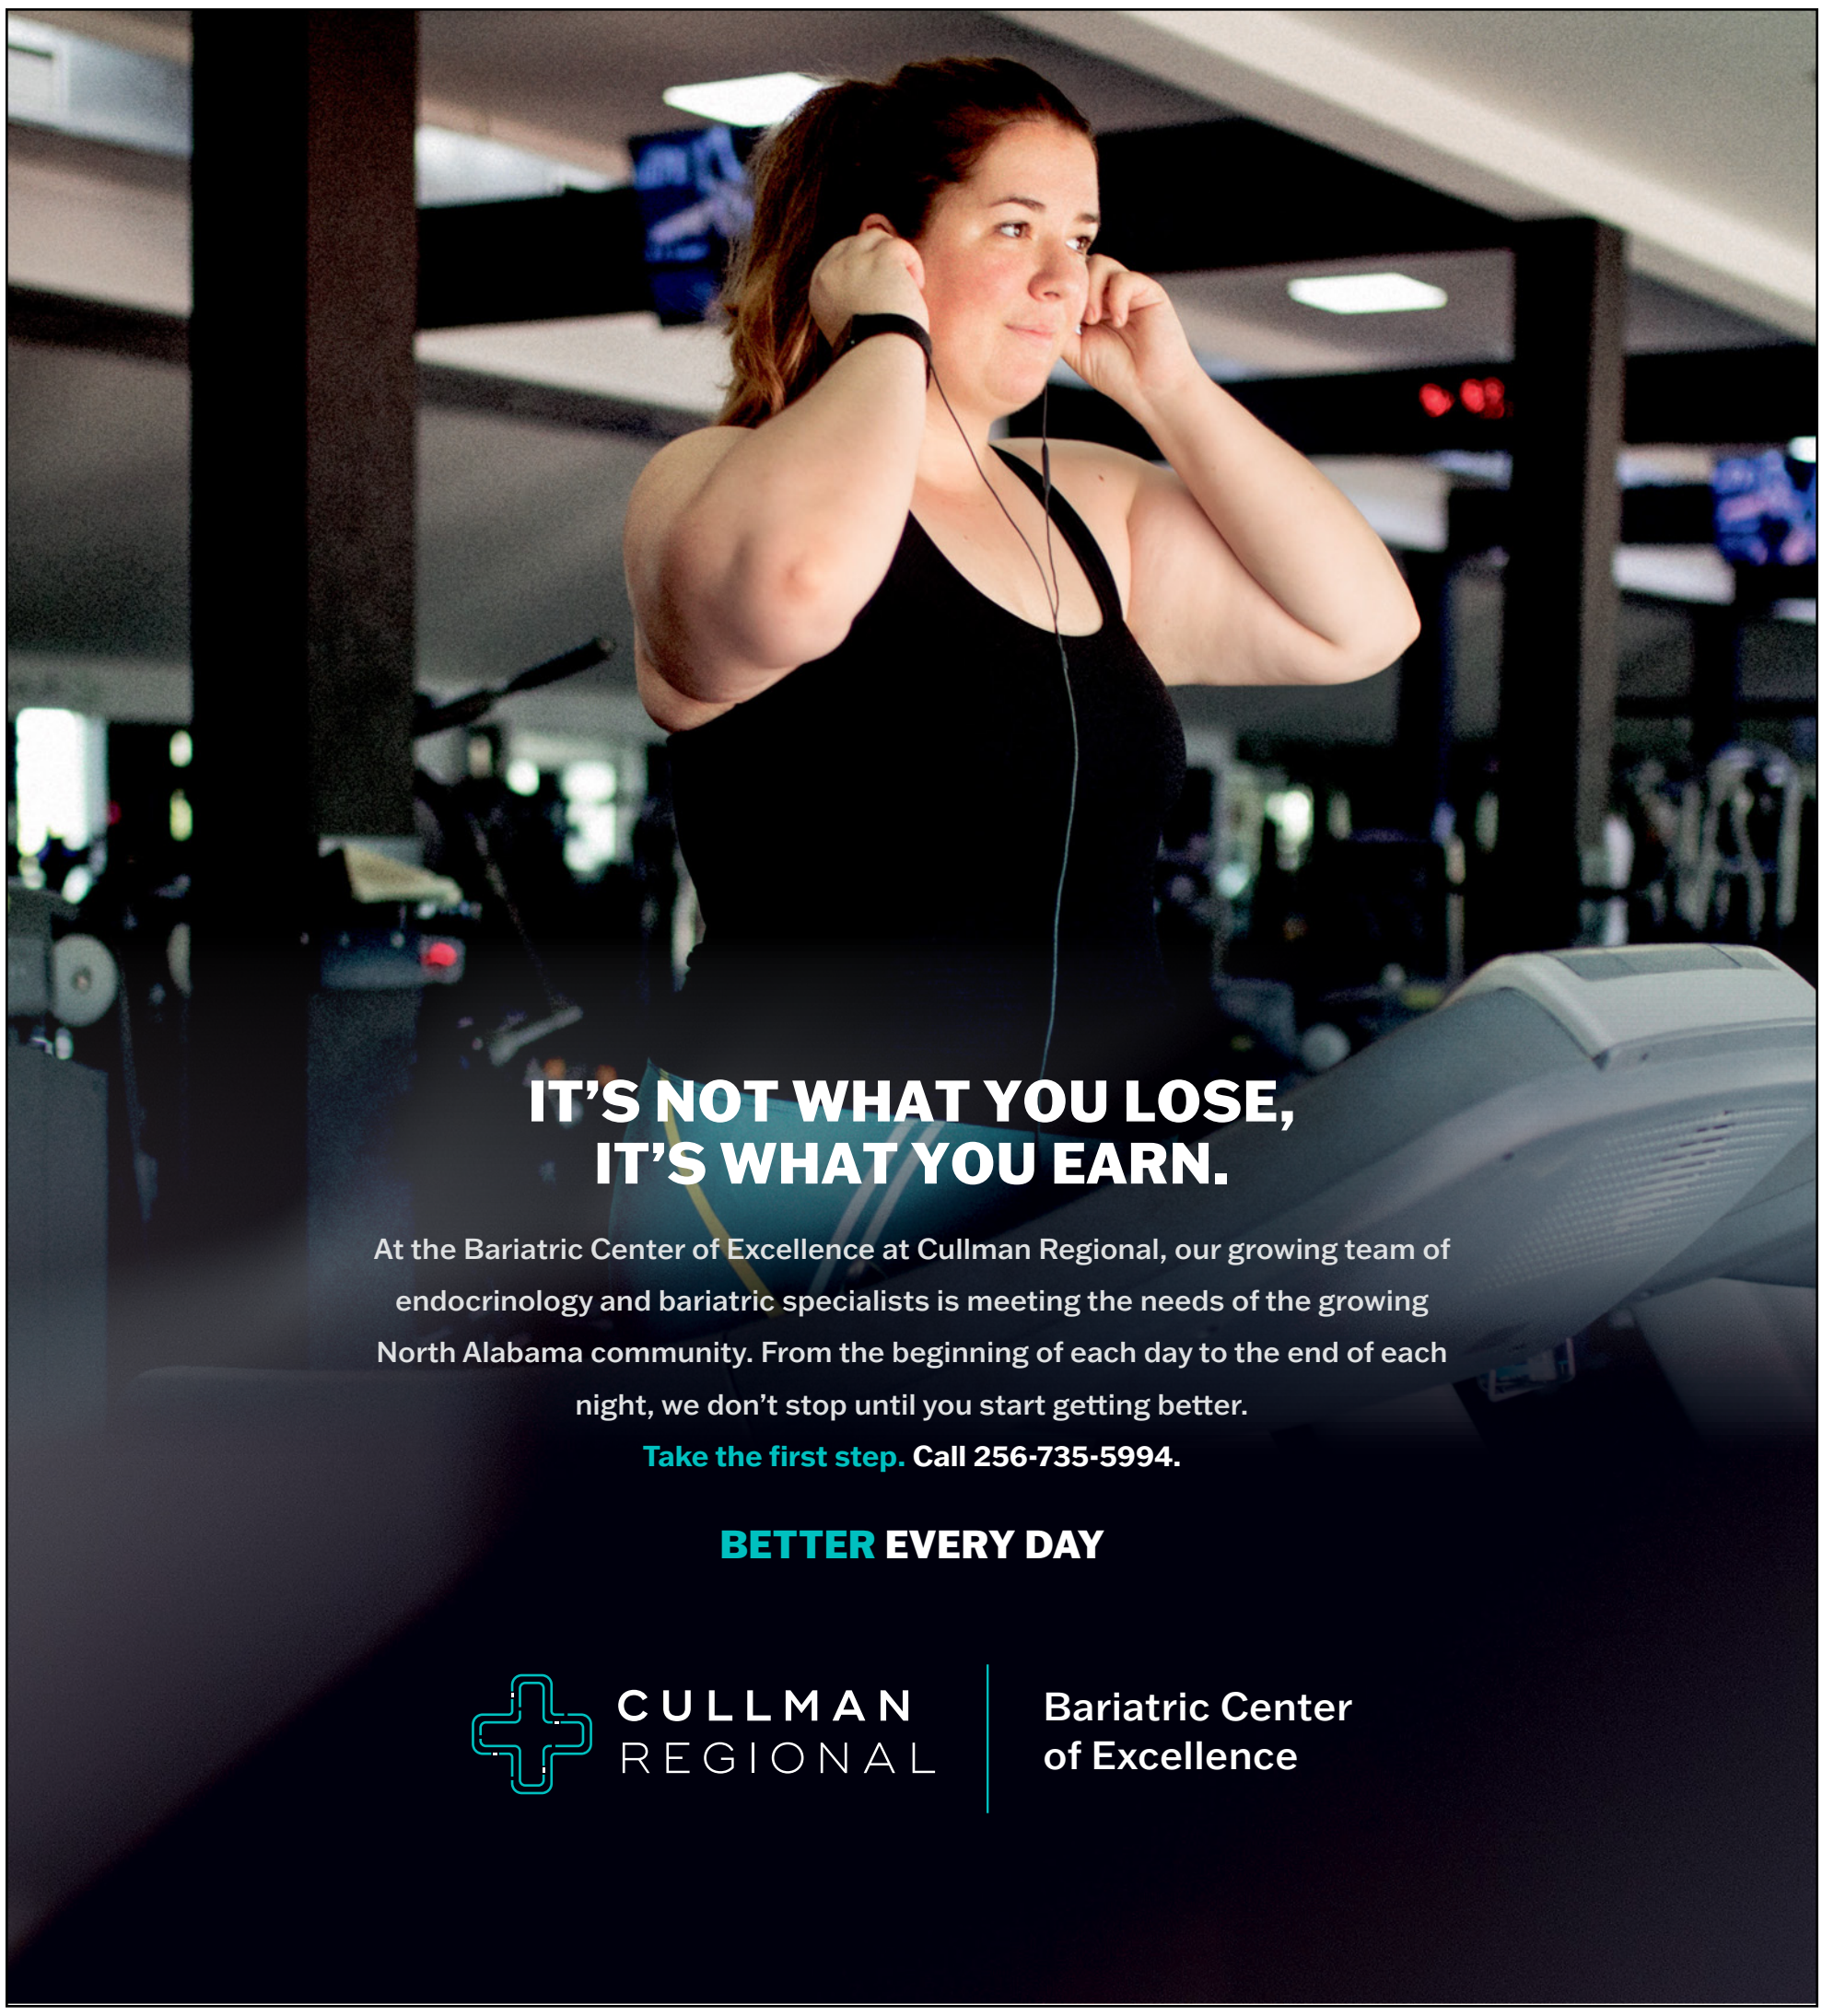

Robert gave some advice to those people who are battling through cancer.

"Just stay strong. Be positive and don't ever give up. It can be beaten." he said.

The event raised between $700 and $750.

CULLMAN, Ala. — It was announced on Saturday that local attorney and Cullman County District Attorney Republican candidate Champ Crocker has garnered the endorsement of Alabama Republican Assembly.

Crocker welcomed the endorsement stating, "Today, I was pleased to accept the endorsement of the Alabama Republican Assembly. As we are seeing all across the country, who you elect as District Attorney is likely to have a more of a practical impact on your quality of life than any other elected official. I believe we need a change in leadership in the District Attorney's office, and I am grateful for the support of my fellow conservatives."

Speaking to The Tribune, he continued, "I'm honored by this endorsement. Any time you receive the endorsement of a respected conservative organization, it's a victory. With BamaCarry endorsing our campaign a few weeks ago, and now Alabama Republican Assembly, we believe conservatives everywhere are ready for change in 2022."

A grassroots group of Reagan conservatives with a goal of reforming the Republican Party, the ALRA promotes constitutional values through small government, lower taxes, right to life, strong defense and free market capitalism.

ALRA board member John Killian spoke of the organization's endorsement of Crocker saying, "We are conservatives committed to the Constitution, conservative values and the rule of law. This is why we enthusiastically endorse Champ Crocker for District Attorney in Cullman County because he shares our principles. We believe in the concept of victims' rights over the rights of any criminal, and so does Champ. We encourage the voters of Cullman County to vote for Champ Crocker for District Attorney in the primary election on May 24."

In a previous interview with The Tribune, Crocker shared, "I will establish a Victims Advisory Council on my first day in office and will take other measures to give victims the priority, acknowledgement and justice they deserve. I will use my training and experience and that of my staff so we can win our cases at trial. The people should expect nothing less."

Crocker will be facing incumbent Wilson Blaylock in the May 24 election for the 32nd Judicial Circuit District Attorney race for Cullman County.

New baby and children's boutique Willow Dean + Co. open in Cullman

Sara Gladney
sara@cullmantribune.com

SARA GLADNEY/THE CULLMAN TRIBUNE

CULLMAN, Ala. — Mother and daughter team Kristie Moss and Lauren Earwood recently opened Willow Dean + Co., a new baby and children's boutique in Cullman. The inspiration for the shop came from Earwood who has a 2-year-old son who she loves to dress up. "I have a 2-year-old and I loved putting all kinds of different brands on him when he was little, and my mom has always wanted to open a boutique, so when I mentioned a baby boutique, she was like 'let's do it.'"

They started out selling clothes online, but some of the brands they wanted to purchase would not sell to customers who did not own a storefront, so they decided to go ahead and open their own brick-and-mortar store. The boutique has high quality clothes for newborns up to 4 years old. The sleepers for babies are made of super-soft bamboo. Most of the clothing materials are made from cotton for babies' sensitive skin. Earwood worked as a cosmetologist for two years before becoming a stay-at-home mom in early 2020 right at the beginning of COVID-19. After spending her time mostly at home with her newborn, she came up with the idea of creating a boutique for parents to have fun with their kids by dressing them up even when they could not get out much.

Willow Dean + Co. is located at 1704 Cherokee Ave. SW. To shop online, visit: https://willowdeanandco.com/.

Proposed by: Act No. 2021-326 (House Bill 565, 2021 Regular Legislative Session)
Bill Sponsor: Representative Ledbetter
Cosponsor: Representative Kitchens
Proposing an amendment to the Constitution of Alabama of 1901, authorizing the issuance and sale of general obligation bonds of the State of Alabama of up to $85,000,000 for the purposes of the improvement, renovation, equipping, acquisition, provision, construction, and maintenance of Alabama state parks under the jurisdiction of the Department of Conservation and Natural Resources, and public historical sites and public historical parks under the jurisdiction of the Alabama Historical Commission.
Proposed by Act 2021-326.
This description shall be followed by the following language: "Yes ( ) No ( )."

2. A summary of and the text of any implementing legislation directly related to the statewide ballot measure:

The Alabama Legislature enacted Act 2021-409 which would implement this constitutional amendment if it is approved by the voters. Act 2021-409 will provide for the organization and powers of the Alabama State Parks Enhancement Authority and provide the necessary framework prescribing how the bonds, authorized by Act 2021-326, are sold.

3. The placement of the statewide ballot measure on the statewide ballot:

This proposed Constitutional Amendment will appear on the Ballot after election of statewide and local offices and will be the first constitutional amendment for voter consideration. The proposed Constitutional Amendment will be listed as "Statewide Amendment 1."

4. A plain language summary of the statewide ballot measure, which shall include, at a minimum, the legal or constitutional authority for its passage, the effect of the statewide ballot measure if it is passed, including its cost and source of funding, and the effect of the statewide ballot measure if it is defeated.

This amendment will authorize the State of Alabama to borrow money to improve, renovate, equip, acquire, provide, construct and maintain state parks, public historical sites and public historical parks.
The total amount the State may borrow will not exceed $85,000,000.00.
Of this total amount:
1. $80,000,000.00 shall be used to improve, renovate, equip, acquire, provide, construct and maintain state parks under the Alabama Department of Conservation and Natural Resources.
2. $5,000,000.00 shall be used to improve, renovate, equip, acquire, provide, construct and maintain public historical sites and public historical parks under the Alabama Historical Commission. The Alabama Historical Commission cannot use any part of the borrowed money at the Confederate Memorial Park in Marbury, Alabama.
Any additional funds will be given to the Alabama Forestry Commission for it to improve, renovate, acquire, provide, construct, equip and maintain state forests.
If the majority of the voters vote "yes" on Amendment 1, the State of Alabama can borrow $85,000,000.00 to benefit Alabama's state parks, public historical sites and public historical parks.
If the majority of the voters vote "no" on Amendment 1, the State of Alabama cannot borrow $85,000,000.00 to benefit Alabama's state parks, public historical sites and public historical parks.
There are no costs to Amendment 1.
The Constitutional authority for passage of Amendment 1 is set forth in accordance with Sections 284 and 285 of the Constitution of Alabama of 1901. These sections outline the method a constitutional amendment may be put to the people of the State for a vote.
