LOCAL BUSINESS

## The Klein Building renovations to honor Klein family and history

Sara Gladney
sara@cullmantribune.com

**CULLMAN, Ala.** — The historic Klein Dairy building, previously a creamery and ice cream shop, was established in Cullman in 1948 by Charles Klein as a part of his already large dairy business. Klein's Dairy Products building was located on Fifth Street SE, which was formerly the site of Kullman Hall. It played a vital role in the community, replacing Kullman Hall as the site of social gatherings with various clubs, groups and churches holding meetings held there.

**LOUISVILLE, Ky.** — Several local schools were busy at the NASP Eastern Nationals in Louisville this weekend and they brought home a lot of hardware. Vinemont Middle School placed second in the NASP Eastern Nationals, finishing just behind Benton Middle School with a score of 3,373 and the Eagles earned a second-place finish in the NASP Eastern National IBO/3-D Challenge as well, finishing just two points behind Benton with a score of 1,706.

Individually, Vinemont's Tucker Robinson was the NASP IBO/3-D Challenge Middle School Champion after posting a score of 293 with 25 tens and in the NASP Eastern National Bullseye event, Cullman's Will Bolzle came up just two points short of a perfect score with a 298 and 28 tens to claim top honors in the High School division.

In the weekend's Centershot events, East Elementary finished first in the IBO/3-D Challenge after scoring a 1,545 and Cullman Middle School earned first place with a score of 1,652. Vinemont Middle (1,642) and Vinemont Elementary (1,455) placed third and fourth in their respective divisions. East Elementary (1,586) and Vinemont Middle (1,683) both earned second place finishes in the Centershot Bullseye event as well.

**CULLMAN, Ala.** — In the leadup to Memorial Day on May 30, Cullman Veterans of Foreign Wars Post 2214 has a full slate of activities, including its annual placement of American flags along U.S. Highway 31 and on veterans' graves in local cemeteries.

Post Commander Brian Monk shared, "There is a quote by Elie Wiesel: 'Without memory, there is no culture. Without memory there would be no civilization, no future.' That quote I think now more than ever, given the state of the world, is crucial and that we should find reasons not only to honor and observe the fallen, but come out as a community and fellowship as much as possible."

**ADPH COVID-19 dashboard changes**
*The dashboard has been redesigned to help people better understand the current transmission levels in their communities and the impact of COVID-19 in Alabama. The moving 7-day sum is updated daily instead of weekly--instead of a 3, 7 and 14-day average, the dashboard will provide a 7-day moving sum for cases. The 2020 and 2021 breakdowns of cases and deaths will be provided - not just a total sum over both years.

**Case details* (Updated Monday, Wednesday and Friday)**
• Positivity in tests in Alabama: 7.8%
• Confirmed cases in Alabama (2020): 387,852
• Confirmed cases in Alabama (2021): 538,477
• Confirmed cases in Alabama (2022): 379,336 (+953 since Friday)
• Total confirmed deaths in Alabama (2020): 7,189
• Total confirmed deaths in Alabama (2021): 9,555
• Total confirmed deaths in Alabama (2022) 2,887 (+3 since Friday)
• Positivity in tests in Cullman Co.: 2.4%
• Total confirmed cases in Cullman Co. (2020): 7,567
• Total confirmed cases in Cullman Co. (2021): 9,754
• Total confirmed cases in Cullman Co. (2022): 7,338 (+10 since Friday)
• Deaths in Cullman Co. (2020): 128
• Deaths in Cullman Co. (2021): 188
• Deaths in Cullman Co. (2022): 51 (+0 since Friday)
• Total tested in Cullman Co. in the last 7 days: 868
• Total tested positive in Cullman Co. in the last 7 days: 21
• Total tested in Alabama in the last 7 days: 25,003
• Total positive tests in Alabama in the last 7 days: 1,956
• Currently hospitalized in Alabama: 57

**Vaccine details (updated Tuesday and Thursday) No Updates Available**
• Doses delivered to Alabama: 9,403,595
• Doses delivered to Alabama providers: 4,825,665
• Doses administered: 5,979,354
• Additional doses administered: 813,839
• Number of people receiving one or more doses: 2,883,128
• Number of people who have completed vaccine series: 2,363,771
• Doses delivered to federal programs: 4,479,930

Alabamians in Phases 1a, 1b and 1c (including those 12 and older) are now eligible to receive a vaccine.

## Renovations (from Front)

Shane Quick, also known as founder of Rock the South, is currently renovating the Klein building to utilize the 36,000 square feet and bring more commercial space to Cullman.

Quick said, "We know the demand for local companies wanting to move downtown, be close to our cities best local restaurants and to have a cool vibe for their offices and retail spaces, and even restaurants." The renovations are set to be completed in late 2022. Currently, more than 70% of the building is pre-leased or under LOI.

"The greatest challenge is the overwhelming amount of work it takes to renovate a building as large as The Klein Building.

"She's a fortress. The 2011 tornado that devastated our city literally hit the building and did little to no structural damage. The greatest joy is hearing all the great stories and found memories as well as The Klein families' kind words about what we're doing with the building," Quick continued.

"I've been inspired by this building for many years. One of my passions around commercial real estate is dreaming about what needs the space could fill for our local businesses, and how we can make it come back to life, how we can dream up things that inspire people to be excited about living here and moving here and working downtown."

Quick plans to pay tribute to the history of the building and to the Klein family by continuing to call it The Klein Building.

"Even the color white that we're painting the building is a nod to the milk and ice cream that was produced when the building was originally built."

He shared his desire to preserve historical buildings and honor the work of those who originally built Cullman, saying, "For my entire life, I've loved historic buildings. We are blessed to live in a city with beautiful historic houses and buildings—and what a gift, and I can't think of a better way to honor the people who settled Cullman- than to restore our original architecture and breathe new life into it for generations to come."

He concluded, stating, "With The Klein Building, it doesn't get much better than a fully concrete and brick building. We are able to take this foundation, these bones and really add some modern touches that I know will serve the community well."

# Happy Homes hosts Annual Community Appreciation at Festhalle

**Amy Leonard**
amy@cullmantribune.com

**CULLMAN, Ala.** — Happy Homes Real Estate, with lifelong Cullman resident Wes Warren at the helm, hosted the citizens of Cullman to their yearly Community Appreciation event on Friday night at Festhalle.

Entertainment for all ages abound. Children were found in the bouncy house and big inflatable slide, laughing gleefully and bouncing out energy. Classic rock covers filled the air played by Avenue G with Warren even taking the stage to sing along with the band for a song.

Many Generation X parents tutored their little ones on popular games of the 1980s, such as Galaga and Centipede, in the mobile arcade adorned with neon lights reminiscent of decades past. Free hot dogs and chips were provided for attendees to enjoy.

Warren shared why the agency provided the event.

"It's to give back to the community that we love. We started the event several years ago holding it in the back alley behind us.

"It started as a sign of appreciation not just for our customers but for the whole community. It's something that people can come to every year and enjoy without worrying about having to pay for anything to have a good time."

Homed in the building which Warren's grandfather built in 1940, Happy Homes currently has 18 agents, full and part-time, on staff to serve the needs of their clients.

For more information about Happy Homes Real Estate, please visit their website at https://happyhomes-realestate.com/ or call 256-737-3050.

# Hanceville (from Front)

**Amy Leonard**
amy@cullmantribune.com

**HANCEVILLE, Ala.** — The City of Hanceville is getting ready for summer with a calendar full of events for everyone's enjoyment.

Kicking off the entertainment was a bluegrass concert featuring Cotton Pickin' Kids and Bama Blu-Grace this past Saturday night at the Hanceville Civic Center. With online tickets selling out, the only available tickets were at the door for the show.

Next up will be the Memorial Day weekend opening day at the Hanceville Pool at C.W. Day Park on Saturday, May 28 at 10 a.m.

Beginning at 9 a.m. on that same Saturday, Hanceville's popular Grilled Cheese Festival will begin with bands slated to play until 3 p.m. A car and bike show, mobile arcade, bounce house and many food trucks will be on hand as well as the Great Grilled Cheese Cook Off at 11:30 a.m. The festival will be held at Commercial Street and Bangor Avenue.

On Friday, June 10 at 5 p.m. the town will host a Parade of Bulls in downtown Hanceville. Following the free parade at 6 p.m., a barbecue dinner with the cowboys will be held at the Hanceville Civic Center. Tickets for the dinner are available for $12 at City Hall or at the door.

The following day, Saturday, June 11, will see the Hanceville Bull Bash at C.W. Day Park. Professional bull riders will compete at 7 p.m. with the gates opening at 5 p.m. Vendors, food trucks and activities will be a part of the bash. After the competition, American Idol contestant Brandon Elder is set to perform. Tickets for the Bull Bash are available for $12 in advance at City Hall or $15 on the day of the event.

# West Point (from Front)

**Nick Griffin**
nick@cullmantribune.com

**OXFORD, Ala.** — This season has been one to remember for the West Point Lady Warriors. They collected their eighth consecutive Cullman County Championship in April, took down Russellville twice to claim an Area Tournament title, defeated Pleasant Grove and topped Ardmore twice at the North Regional and now they'll be competing at the 5A State Tournament at Oxford's Choccolocco Park for the first time in school history.

After knocking off Pleasant Grove and Ardmore on day one at the North Regional, West Point dropped its first game against Jasper Thursday morning 2-1. However, in an elimination game rematch against Ardmore, the Lady Warriors bounced back to earn a 4-3 win and punch their ticket to the state tournament. West Point Head Coach Steven Harbison was proud but not surprised to see his veteran squad respond and get the win they needed to make history and secure a spot in Oxford.

"They've been battling all season and in the last three of four years we've been in spots like this and came up short, but we've got some grizzled vets that have been here before and they all just pulled together as a team," Harbison said.

"It was just amazing; everybody was contributing, and it was beautiful. There are no words to describe how proud I am of them and how much they deserve this."

West Point (30-14) is scoring just under seven runs per game this season and UAB signee Carlie Wilkins has been dominant in the circle. Since the postseason began with the area tournament, the senior right-hander has held the Lady Warriors' opponents to just six runs in six starts and racked up 32 strikeouts.

Now, West Point will turn its attention to No. 1 Alexandria. The top-ranked Valley Cubs (42-10) will be the first opponent for the Lady Warriors Wednesday at 10:45 a.m. and they've been putting together an outstanding season as well. Alexandria defeated Guntersville, Sardis and Moody by a combined score of 15-0 to cruise through the East Regional unbeaten and finished the regular season on top of the ASWA (Alabama Sports Writers Association) Class 5A rankings.

Following its matchup against the Valley Cubs, West Point will take on either Elmore County or Rehobeth at 2:15 p.m.

Follow The Cullman Tribune on Facebook for updates on the Lady Warriors throughout the State Tournament.

## CHILD DEVELOPMENT CENTER

CLASS OF 2022

**Prom will be Tuesday, May 17 at 1 p.m.**

**Graduation will be on Friday, May 20, at 1 p.m. in the gym**

"The CDC Family would like to congratulate the 2022 seniors and their families on this life changing accomplishment. Graduation has always been special but to reflect on the past two years and the struggles that all have been through adds a little extra to this celebration. Struggle is good, it builds character and without it we do not grow. We have all felt the impact of the constant impact of the uncertainty of the past 2 years but now is a time for celebration. The CDC family and all who have been a part of the support for our graduates get to see the fruits of growing from this struggle. We thank all for their support and salute our graduates because in the end they came out as winners."

# VINEMONT HIGH SCHOOL

## CLASS OF 2022

**Graduation is Sunday, May 22,, at 2 p.m. at Wallace State Coliseum**

"Congratulations to the Vinemont High School class of 2022! This is a special group of young people and we the faculty and staff of Vinemont are so very proud of you all. We have been honored to have been part of your story. As individuals you have achieved many things, but what you have achieved pales in comparison to our expectations for your futures. We encourage you to focus on your character and be the best individual you can. Your successes have been no accident and only came through planning, hard work, and perseverance. Life will not always be easy but know that you have the tools, knowledge, and a community that will support your efforts. We are expecting great things from each and every one of you. Set lofty goals, say humble prayers, and always be the hardest worker in the room."

*Robin Netherton, Principal, Vinemont High School*

# OFFICIAL SUPPLEMENTAL LIST OF CULLMAN COUNTY QUALIFIED VOTERS

State of Alabama
Probate Elections

TO: ALL CULLMAN COUNTY VOTERS

As directed by the Code of Alabama, § 17-4-1, I, Tammy Brown, Judge of Probate, hereby certify that the within constitutes a supplemental and correct list of all qualified electors, registered April 26, 2022 through May 9, 2022, as the same appears from the returns of the Board of Registrars, on file in this office, and who will be entitled to vote in any election held in said county.

This list does not include names of persons who registered on or after May 10, 2022, as they will not be eligible to vote in this Primary Election.

"I would like to extend my congratulations to the Cold Springs High Class of 2022. You are to be commended for the hard work, personal sacrifice, and individual efforts displayed in order to achieve this milestone. Each graduating class that comes through our school leaves an impact and this year's class is no exception. As the next chapter of your life begins, please know that you will always be a part of the Cold Springs High School family and it is our hope that the experiences you have shared will help shape you in a positive manner going forward. You are ready for whatever life throws your way and please do not take for granted the opportunity you have in front of you. I wish you continued success and nothing but the best in your future endeavors."

"Holly Pond High School will graduate seventy-five seniors on Saturday, May 21 in a ceremony conducted at WSCC at 4:00 p.m. This graduating class has the distinction of earning over $1.1 million dollars in scholarships and were accepted into 34 Colleges and universities. This graduating class also has the distinction of receiving numerous job offers to begin employment right after graduation, showing that entering into the workforce is an achievable endeavor for skilled, graduating seniors. These seniors have accumulated workforce skills through our highly ranked Agri-Science Program, FACS, workforce readiness taught on campus and at the nearby CATA center. Some of our students earned athletic scholarships as far away as Indiana Tech. We also had some of our students graduate early through CCBOE's Fast Track Program. Holly Pond High School is very proud of the Class of 2022 and believe they are more than ready to face the challenges they will meet upon graduating, especially as they learn to exercise their freedoms as young adults. We believe they will represent the values of our school very well as they leave Holly Pond High School to make a difference in society."

# Dominant bullpen, resilient offense power No. 20 Auburn past Alabama 6-4

**George Nunnelley**
AU Athletics

**AUBURN, Ala.** — No. 20 Auburn overcame a four-run deficit to defeat Alabama, 6-4, and secure the series win Saturday afternoon at Plainsman Park.

Alabama struck for four runs on four hits in the first inning, but a dominant bullpen allowed Auburn's offense to chip away at the Crimson Tide's lead, eventually coming all the way back to complete the Tigers' 18th come-from-behind victory this year.

"Today was a good day to win a series," head coach Butch Thompson said. "We had a tough start but maintained good composure. It took a long time for us to get back in the ballgame, but those fourth, fifth, sixth, and seventh innings we linked up to score a run every inning.

"Only four baserunners reached the last eight innings," Thompson added. "Our pitching staff just grinded through trying to get us back in this ballgame. Carson Swilling came in and really mixed his pitches before turning it over to Chase Allsup. This was Allsup's moment. We had Burkhalter ready to go, but we ended up not needing him."

Auburn (35-16, 15-11 SEC) was forced to turn to the bullpen in the second inning. Tommy Sheehan, Swilling (3-2, 5.62), and Allsup made up the relief effort and held Alabama scoreless and to only two hits with one walk and seven strikeouts, ultimately facing just three batters over the minimum in their eight innings of work.

"I was just trying to stay within myself and do what I can," Sheehan said. "We knew they were a good fastball hitting team, so we were trying to get a good mix of pitches in there today which worked well for me and the guys that followed me."

After scoring in the fourth, fifth and sixth innings to tie the game, 4-4, Bobby Peirce delivered the go-ahead RBI single to give Auburn the lead for good. The go-ahead hit was Peirce's third in SEC play.

The right fielder continued to make things happen on the base paths, eventually extending the lead to two as he scored on a wild pitch.

"I've said it once and I'll say it again, we never quit," Peirce said. "We just kept chipping away and battling."

Alabama (27-24, 10-16 SEC) jumped out to an early lead after striking for four runs in the first inning.

All four runs were scored with two outs and followed a bang-bang potential double play. The big blow for the Crimson Tide came on a three-run home run.

The big first frame forced Auburn to turn to the bullpen in the second inning. Sheehan entered looking to keep the Tigers in the ballgame, and the graduate transfer did just that by tossing four shutout innings while allowing one hit and one walk with four stirkeouts.

Auburn cut into Alabama's advantage in the fourth inning on Peirce's solo home run. The blast was his sixth of the season and made it a 4-1 ballgame.

The Tigers continued to fight back, adding two more runs in the fifth. With runners on first and second, Sonny DiChiara grounded a ball to first base that was thrown away.

On the play, Garrett Farquhar came around to score. Rambusch then lined a ball to center for an RBI single to cut the Crimson Tide's lead to one.

Sheehan turned the ball over to Swilling in the sixth inning, and the right-hander set Alabama down in order in his first inning of work, ultimately throwing two scoreless innings without allowing a hit or walk and adding a strikeout en route to earning the win.

With the bullpen continuing to put up zeroes, Brooks Carlson led off the bottom half of the sixth inning with a single before Kason Howell delivered a sacrifice bunt to move Carlson to second.

With two outs in the inning, Nate LaRue came up with the game-tying hit on an RBI single to center field to plate Carlson and tie the game at four.

Auburn pushed across a run in the seventh inning to take the lead from Alabama. Rambusch connected on a two out single and then stole second base.

Peirce lined an RBI single into right field to give the Tigers a 5-4 lead. Carlson followed with another single that moved Peirce to third base. Peirce then scored on a wild pitch to increase the Auburn advantage to two.

Chase Allsup worked the final two frames in scoreless fashion to earn his second save of the year. The freshman allowed one hit with no walks and two strikeouts, ultimately facing the minimum in his two innings of work thanks to a timely double play.

Offensively, Rambusch and Peirce led the way for the Tigers. Rambusch collected three hits and an RBI on the way to recording his 25th multi-hit game of the season. Peirce delivered two hits, including a homer, and drove in a pair. Four Auburn players had multiple hits in the win.

# UAB clinches postseason berth with 14-4 victory over FIU

**Ted Feeley**
UAB Athletics

**BIRMINGHAM, Ala.** — First baseman Josh Sears drove in six runs and the UAB baseball team recorded a 14-4 victory over FIU in eight innings on Senior Day at Young Memorial Field.

With the win, UAB improves to 29-21 overall and the 29 wins for Casey Dunn are the most by a first-year head coach in program history.

UAB (29-21, 12-15 C-USA) also clinched a berth in the Conference USA Tournament as the eight-seed and will be playing in the postseason for the first time since 2018.

The Blazers scored their 14 runs on 10 hits, led by Sears who was 3-for-5 with those six runs driven in and two runs scored. Leadoff batter John Marc Mullins concluded his outstanding series by going 1-for-2 today with three walks and three runs scored. He finished the series 7-of-12 (.583) with six runs, two RBI and five walks.

FIU scored one run on four hits in the top of the first inning, but the Blazers then took control of game with five runs in the third inning.

The big hit of the frame came on Sears' 14th home run of the year which scored three runs. UAB then added two unearned runs on a double steal which FIU catcher Matthew Gonzalez threw into left field, allowing Caleb Floyd to score, followed by a fielding error on the first baseman which allowed Henry Hunter to cross the plate.

The Panthers added a second run in the top of the fourth, but the Blazers responded with two runs in the bottom half courtesy of a passed ball and a groundout, making the score 7-2.

FIU inched closer with two runs in the sixth inning on an RBI single from Dante Girardi and heads up base running by Mario Zabala who scored from second as UAB was trying to turn a double play.

However, that would be all the scoring for FIU as UAB added two runs in the bottom of the sixth and five in the eighth to conclude the game. It is a Conference USA rule that if a team is up by 10 runs after seven innings on travel day that the game is over. Matthew Golda's two-RBI single ended the contest.

Starting pitcher Brooks Walton picked up his sixth win of the season by going 5.2 innings and allowing four runs (two earned).

UAB has one final midweek game on Tuesday at Troy, followed by concluding the regular season at UTSA.

# No. 17 Auburn punches postseason ticket to Clemson Regional

**Taylor Shirey**
AU Athletics

**AUBURN, Ala.** — Postseason bound for the 17th time in program history, Auburn softball (39-15) punched its postseason ticket to the Clemson Regional hosted by No. 15 Clemson.

Auburn will face No. 25 Louisiana (45-11) on Friday, May 20. First pitch is slated for 1:30 p.m. on ESPN+. The Ragin' Cajuns are coming off its third consecutive Sun Belt Conference Tournament championship.

The host Tigers of Clemson (39-15) earned the overall 10th seed in the NCAA Tournament and will face UNC Wilmington (32-13). The Seahawks punched their postseason ticket by capturing the program's first Colonial Athletic Association Championship. The two programs will square off Friday at 11 a.m. on the ACC Network.

"We are going to have to be strong in the circle," said head coach Mickey Dean. "There's no doubt about that. This is a great hitting regional. Once you get to championship play, it is about who can play clean defense and not give up those extra bases. Those are the two big things."

Clemson is hosting regionals for the first time in its program's history. Auburn has never met the Tigers of Clemson on the softball field. Auburn has history with both UNCW and Louisiana, but next weekend will mark the first time in program history the Tigers have tangled with either team at an NCAA Regional.

The Tigers are 2-1 all-time against Louisiana. Auburn is meeting the Ragin' Cajuns for the first time since the 2015 Auburn Super Regional.

The Tigers two a pair of games to advance to the program's first Women's College World Series. Auburn is a perfect 5-0 against UNCW. The two teams last met in as the Tigers swept three games against the Seahawks, including two via the run rule.

The winner of the Clemson Regional will face the winner of the Stillwater Regional, which features seventh-seeded Oklahoma State, Fordham, Nebraska and North Texas.

EDUCATION

# Wallace State celebrates commencement for Class of 2022

**Gail Crutchfield**
Wallace State

**HANCEVILLE, Ala.** — Wallace State Community College and President Vicki Karolewics celebrated the college's commencement in Traditions Bank Arena at Tom Drake Coliseum Friday. Two ceremonies were held with Academic and Applied Technologies graduates honored in a morning ceremony, and Health Science graduates honored in the afternoon.

"Congratulations graduates," said Dr. Karolewics. "Today, we celebrate your success, and we excitedly anticipate tomorrow as we watch your journey continue to unfold."

More than 1,300 individuals earned degree or certificates as part of the Class of 2022. More than 550 participated in the two ceremonies on Friday.

"Graduates, you are the future of our state, the workforce of the future," Dr. Karolewics told them. "As you embark on the next chapter of your life, may the education you have earned at Wallace State, one of the top community colleges in the nation, inspire you to be innovative, seek opportunity and influence your world for the better. Continue to set your aspirations high and to be a role model to others. On whatever scale you act, you have the power to make a difference. And we know you will."

Dr. Karolewics shared the stories of several graduates during the ceremonies "because they embody the richness and diversity of the students we serve and the dreams that each of you has for your future."

**Olivia Ball**

Criminal Justice graduate and Wallace State softball player Olivia Ball is about protecting and serving. She will transfer to the Police Academy in Jacksonville after the softball season is over, but first, she and her team will participate in the NJCAA National Tournament in Yuma, Arizona.

But her road to success did not come without a few roadblocks in the form of two season-ending injuries and one season cut short by COVID-19.

"Never give up became her mantra," Dr. Karolewics said. "When asked what inspires her, she said she wants to make an impact, to be a force for good. Congratulations Olivia. You are a shining example of how determination and service above self-lead to success."

**Lisa Markey**

Lisa Markey's road to graduation was a long one. She graduated high school in 1987 and fully intended to earn a college degree, but life got in the way. She kept trying, attending six different universities in four states as her family traveled for employment reasons. She even developed a successful career in human resources, but still wanted to earn that degree.

After meeting and seeing the quality students coming out of Wallace State, Markey decided to enroll at Wallace State to obtain her degree in Business Management and will start classes next week at Athens State to work on a degree in Human Resources Management.

"Lisa believed C.S. Lewis when he said, 'You are never too old to set a new goal or to dream a new dream,'" Dr. Karolewics said. "You are exactly right, Lisa. Congratulations on this accomplishment and those to come."

**Alexander Hamilton**

Like many youngsters, Alexander Hamilton dreamed of being both an astronaut and archeologist when he was a child. By the time he became a junior in high school, he had not settled on a career choice and doing the same thing every day did not appeal. Added to that, Hamilton was diagnosed with Tourette's syndrome when he was in the fourth grade, which manifested itself with a number of tics, anxiety and a stutter. Be he refused to allow that to hold him back.

Hamilton graduates from Wallace State with a degree in General Studies and plans to transfer with a full scholarship to study communications at Middle Tennessee State University, where he will be an honors student and ambassador, a role he also filled at Wallace State.

"You have been a wonderful ambassador to Wallace State, Alexander, and we congratulate you," Dr. Karolewics said.

**Argin Dooley**

Diesel Technology graduate Argin Dooley said he was hooked the first time he took a tour of the program as a high school freshman. He enrolled in the Fast Track to Industry program at Wallace State and graduated from the college more than a week before he graduates from Cold Springs High School.

"He's been working as a Field Technician "C" for Thompson Tractor Company in Huntsville since January, traveling the state to work on and service machines. He says some customers are shocked that someone as young as him has the experience and desire to reach the technician level he has. His goal is to earn the Master Technician status and work with heavy equipment.

"Argin credits the Fast Track to Industry program for helping him pursue his dreams and changing his life for the better," Dr. Karolewics said. "Congratulations, Argin. Your ambition and drive to succeed assure that every goal is within your reach."

**Connor Glass**

Computer Science graduate Connor Glass didn't know where he would be four years ago. He'd just been released from federal custody for a non-violent offense and had to decide in which direction his life would go. He chose the uphill battle of making a better life for himself and his son, who he could then only see during supervised visitations.

Glass followed his passion for computer science and enrolled in Wallace State. He completed his degree and became an entrepreneur, opening his own company that provides network services and installations to his clients.

"Congratulations Connor on making the best choices for you and your son, and good luck in your future endeavors," Dr. Karolewics said.

**Enrique Castro**

Pre-Engineering graduate Enrique Castro made a big impact at Wallace State, but not many people may have realized it. Castro served as Wally, the college mascot.

"He often goes unrecognized because he is always in costume and has done such a great job maintaining anonymity so that Wally can shine," Dr. Karolewics said. "He has represented Wallace State at countless events on campus and in the community. His leadership is remarkable, and he goes out of his way to volunteer for ways to serve.

"Enrique has had an outsized influence on our campus the past two years, and we are so excited to be able to recognize him today," Dr. Karolewics added.

**Kelly Calvert**

Respiratory Therapy graduate Kelly Calvert was recognized for overcoming negativity to complete her education. Calvert started Wallace State as a dual enrollment student. She married young and put aside her dreams for more than four years before deciding to come back to college.

She earned a certificate in Phlebotomy at Wallace State before pursuing her dream to become a respiratory therapist.

WALLACE STATE

"For anyone else facing negative forces in their lives, Kelly would tell them you can accomplish your dream," Dr. Karolewics said. "And we would add that Wallace State is here to help you do just that. Congratulations, Kelly, for achieving your dream."

**Ashley Ball**

Occupational Therapy Assistant graduate Ashely Ball knows exactly how her future patients feel, because she herself benefited from the expertise of OTAs and other medical professionals after she suffered serious injuries in a motor vehicle accident in 2019.

"Ashley entered the Wallace State Occupational Therapy Assistant program knowing that she would need to work harder than an average student," Dr. Karolewics said.

"Her goal is to be encouraging to those who need help overcoming the most difficult situations to achieve their goals. She plans to use her past experiences in her new career to encourage others as they strive to regain their own independence."

**Ebony Crume**

Nursing graduate Ebony Crume overcame failures, depression, anxiety and family responsibilities to complete here degree in nursing.

After not completing at another nursing school in 2017, Crume was crushed and admits she came close to giving up on life itself due to all the burdens she was bearing, but an opportunity arose for her at UAB to complete a degree in Healthcare Management, a four-year degree which she completed in two and a half years, and which led her back to her original dream of becoming a nurse.

After applying and getting accepted into Wallace State's Nursing program, she was determined to finish this time, no matter the obstacles in her way. She was still battling depression, anxiety, illness and was driving back and forth nine hours to Chicago to check on her mother suffering from end-stage Alzheimer's. Her determination and the promise she made to her mother not to quit paid off with her walking across the stage at graduation.

**Nicole Fountain**

Nursing graduate Nicole Fountain dropped out of high school and began raising a family. The mother of seven children ages 8 to 24 years old survived an abusive relationship that defeated her confidence and self-worth.

After a 15-year break from any form of education and years of caring for others, Fountain earned her GED from Wallace State in 2018 and began her journey in nursing school.

It was fraught with personal challenges: her own cancer diagnosis, major surgery for one of her children, the deaths of close family members and helping her children navigate online learning as a result of the COVID-19 pandemic.

Fountain graduated Friday with an associate degree in nursing to accompany her certifications as a phlebotomist, certified nursing assistant and licenses practical nurse.

Special awards were presented to students chosen for the Presidential Award for students in the Academic, Applied Technology and Health Science divisions. These awards go to students of superior achievement in each area and are the highest academic honors presented at graduation.

General Studies graduate Cutter Green was awarded the Presidential Award for Academic Excellence. Green earlier received the President's Cup, the highest honor presented to a student during the Honors Ceremony. Nursing graduate Kelce Byram was awarded the Presidential Award for Health Science Excellence. Mechatronics graduate Juddson Raia was awarded the Presidential Award for Technical Excellence

Kristen Holmes, vice president for students, gave special recognition to students who were wearing medals and pins received during the college's Honors Night for program excellence, leadership and service, as well as recognizing members of Phi Theta Kappa national honor society, Sigma Kappa Delta English honorary society, Mu Alpha Theta mathematics honorary society, Kappa Beta Delta business honor society, state SkillsUSA medalists and other honor graduates with GPAs of at least 3.5 or higher. She also recognized Veterans in the student body.

Music was provided by the Wallace State Concert Choir and Concert Band. Class of 2022 graduate McCoy Cleghorn sang "America" for both audiences.

Students Aubrey Turley, General Studies graduate and SGA President and Trystan Brown, Respiratory Therapy graduate Campus Ministries representative, offered the invocations.

Suzanne Harbin, vice president for advancement and innovation, provided the benediction.

Platform guests included Lisa German, vice president for learning, Dr. Beth Bownes-Johnson, dean of academic affairs, Wes Rakestraw, dean of applied technologies, Mary Helen Ingram, chief financial officer and Matthew McFall, chief information officer.

Other special guests from the Alabama Community College System were also recognized.

Wallace State has educated hundreds of thousands of students since opening its doors in 1966, and tens of thousands have had degrees conferred. The college is nationally recognized for its work in student success. Both events were livestreamed.

# St. Paul's alumni gather for Third Annual Alumni and Friends Dinner and Auction

**Amy Leonard**
amy@cullmantribune.com

**CULLMAN, Ala.** — St. Paul's Lutheran School held their Third Annual Alumni and Friends Dinner and Auction on Saturday evening at Terri Pines Country Club.

Before the dinner, partygoers perused the many auction items donated by local business proprietors, individuals and school students.

Among the items available were a porch swing, antique rifle and both a church and a school quilt.

One of three private Christian schools in Cullman, St. Paul's provides education from age 3 through sixth grade.

"Tonight's event is extremely important because it helps fund the school which is so vital to our community and our children.

"I feel like a Christian education is so important. My daughter tests on a fifth-grade level and she's only in the second grade.

"I think the reason is because the children at St. Paul's get so much one-on-one time with their teachers because of the smaller class sizes.

"This helps keep that excellent education going," shared parent Amanda Lee.

Lee is a proud St. Paul's alumnus and has a reputation for being readily available to help at her alma mater whenever the need arises.

Retired St. Paul's Lutheran School educator Martha Blanton was the recipient of this year's Impact Award.

The school is currently accepting enrollment for the 2022-2023 school year.
