Child Development Center holds prom for all students

SARA GLADNEY/THE CULLMAN TRIBUNE
There was plenty of dancing at the Cullman County Child Development Center Tuesday afternoon.

CULLMAN, Ala. — Students at the Cullman County Child Development Center on Tuesday attended their very own prom during the school day at 1 p.m. Those from kindergarten to age 21 attended. The prom has always been the Tuesday before graduation which will be on Friday at 1 p.m. The students only had about an hour for the party before returning to class, so Principal Chris Chambers made sure that they made the most of it by dancing with the kids and getting everyone started with some group dances.

Several aides, parents, teachers and about 10 students from Vinemont High School attended the event, as well as the central office staff. Principal Chambers said that the students from Vinemont always partner with the Child Development Center to help out with decorating and dancing with the kids. The theme for the prom was "Patriotic."

SARA GLADNEY/THE CULLMAN TRIBUNE

The kids of all ages had a great time dancing thanks to the DJ for the event, Richie Thompson, Next Generation pastor from Refuge Church, who donated his time to give all the students a great time.

"I'm doing this, volunteering, just to love on them," he said. Thompson is a pastor in Huntsville but grew up in Cullman.

"It's always good to come home and be a part of my community."

CULLMAN, Ala. — Cullman County Sheriff's Office deputies went to a residence in the Vinemont area on Thursday, May 12 in an attempt to serve a warrant. Zackary James Lay, 34, was located at the residence. It was determined that Lay also had outstanding warrants and was found to be in possession of paraphernalia.

He was arrested and charged with: possession of drug paraphernalia, FTA – possession of methamphetamine (two counts) and an FTA – possession of drug paraphernalia.

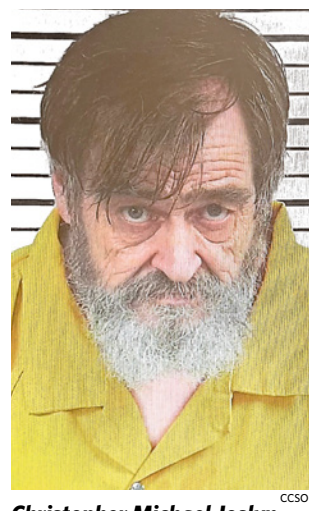

The Cullman County Sheriff's Office deputies responded to a report of burglary in progress in the Vinemont area on Friday, May 13.

Upon arrival, they discovered a vehicle belonging to Willie Green, 38, of Falkville, stuck on the premises.

A short time later, Green was located on the premises as well and placed under arrest.

Narcotics and paraphernalia were located in Green's vehicle as well. He was charged with: burglary, possession of drug paraphernalia, possession of marijuana in the second degree and larceny/theft.

Also on May 13, CCSO deputies arrested Christopher Michael Joslyn, 67, of Cullman for multiple outstanding warrants.

He was arrested and charged with: FTA – possession of dangerous drugs, FTA – possession of marijuana 2nd, FTA – Sex Offense/failure of adult sex offender to register with local law enforcement.

That same day, deputies stopped Frankie Ray South, 57, of Falkville, in the Phelan community for a traffic violation.

A search of the vehicle yielded narcotics and paraphernalia. South was arrested and charged with: possession of methamphetamine and possession of drug paraphernalia.

Finally, Cullman County Sheriff's Office deputies conducted a follow-up investigation in the Valley Grove Community. Jason Lawayne Watwood, 47, of Cullman, was on scene at the residence.

Watwood was found to be in possession of narcotics and paraphernalia.

He was arrested and charged with: possession of methamphetamine, possession of opium or derivative and possession of dangerous drugs.

"Our deputies at the Cullman County Sheriff's Office have been extremely proactive in their work.

"Remaining diligent and getting these drugs off the street is a point of emphasis for the Sheriff's Office. I am proud of the hard work and dedication all of our deputies continue to show," said Sheriff Matt Gentry.

Hanceville wreck leaves man injured

Staff Reports
Contributor

HANCEVILLE, Ala. — According to the Hanceville Police Department, around 12:15 a.m. on Tuesday, a motorcycle passed a sitting patrol vehicle at excess speeds of 120 mph.

HPD Assistant Police Chief Adam Hadder said the officer was stationed on Alabama Highway 91 at the time. By the time he pulled out from his position and turned on his lights, he had already lost sight of the motorcycle.

"Just a couple minutes later, our officer came upon motorcycle parts in the road and found that the motorcyclist had wrecked," Hadder said. "EMS and paramedics responded and the driver was life-flighted out."

The driver of the motorcycle is a Decatur man but otherwise has not been identified. His injuries were labeled critical, but there is currently no update on his state.

Alabama State Troopers were brought on-scene to work the wreck.

Cattlemen's Association Ribeye Sandwich Cookout, May 27-28
The Cullman County Cattlemen's Board of Directors has had to make a difficult decision for our twice a year ribeye steak sandwich cookout. For over a year we have been struggling to continue at $7 for our sandwich. Labor Day weekend 2021 was "The straw that broke the camel's back." We lost over $6,000 with the price of steaks and all the other items we use continuing to remain high our Board decided that for our survival we would have to go to $10 per sandwich. One of our neighbor counties just went to $12. Hopefully our customers will continue to support our effort to promote beef by enjoying sandwiches as they have for 28 years.

Boston Butt Sale
May 27 – The Hanceville Lions Club will hold a Boston Butt sale on Thursday, May 26 and Friday, May 27. Boston Butts will be $35 each and can be picked up at Hanceville Warehouse Grocery. TO pre-order, call Bobby Davis at 256-339-2539.

COVID-19 BY THE NUMBERS

Wednesday, May 18, COVID-19 update from the Alabama Department of Public Health's COVID-19 Dashboard Hub (https://bit.ly/3iVJwXK)

ADPH COVID-19 dashboard changes
*May 18 update: The Alabama Department of Public Health recently merged approximately 50,000 COVID-19 vaccine records. Corresponding data on the Vaccine Distribution Dashboard now reflects these changes. The loss of Doses Administered and Number of People Receiving One or More Doses is a result of duplicated doses in the system being merged together. The increase for Number of People Who Have Completed Vaccine Series is due to the merging of data that made previously incomplete records become complete.

ADDISON HIGH SCHOOL
CLASS OF 2022

Graduation is Tuesday, May 24, at 8 p.m. at AG Hicks football stadium

Not pictured: Kody Estill

"The Addison High School class of 2022 has been one the most successful classes to ever walk the halls of Addison High School. They have displayed success in the classroom as well as in all extracurricular activities. They have received, as a class, over $500,000 in scholarships in academics and athletics to two-year colleges and four-year universities. They won the Winston County scholar's bowl competition, had several students score in the upper twenties on the ACT and one with a perfect score of thirty-six in English, and played a part in Addison High School being named by US News and World Report as the number one school in Winston County. In athletics they have been a part of two straight 2A State Volleyball Championships, Girl's Area Basketball Champions and Regional Girl's Basketball Tournament appearance, State Baseball Playoff appearance, and State Playoff appearances in football. I cannot wait to see what this class accomplishes after high school and the difference they can and will make in society. I will continue to pray for this class as they go out into the world and embark on what I hope is a successful journey through life. Thank you for the great memories we have shared and know that my doors will always open to you if there is anything you need.""

Cullman City Schools names new principals for CHS, CCPS

Trent Moore
Cullman City Schools

CULLMAN, Ala. — Cullman City Schools has named the new principals who will take over at Cullman High School and Cullman City Primary School next school year.

Allison Tuggle, the current Cullman High School assistant principal, will be the new principal at Cullman High School following the departure of current principal Kim Hall.

Elizabeth Shaddix, the former guidance counselor at West Elementary School and current math coach at Cullman City Primary School, will be the new principal at Cullman City Primary School. Shaddix will take over following the departure of current Cullman City Primary School principal Tricia Culpepper.

Cullman City Schools Superintendent Kyle Kallhoff noted the school board had more than 30 applicants for the Cullman High vacancy and more than 40 applicants for the Cullman City Primary School opening — and he is confident the board has made the right selections.

"Throughout the interview process we had in-depth educational conversations with some amazing administrators. I want to thank all who applied and more importantly those who we had the opportunity to interview. As we conclude these searches, I'm excited about the two principals approved this evening," Kallhoff said.

"Both Mrs. Shaddix and Mrs. Tuggle are already in our school system and have proven records of making a difference in the lives of the students we serve.

"I truly believe both of these administrators will value, protect, and promote the Cullman City School System standard that has made us one of the top school systems in Alabama. Congratulations to them both."

Tuggle said she is humbled and thankful to be taking the reins at Cullman High School, and said she believes her experience as an assistant principal at the school in recent years will serve her well in the new role.

"It is an honor to be part of a school system with such talented students and community support," she said.

"Serving as CHS assistant principal the last four years has allowed me to build relationships with the faculty and staff that I am honored to serve.

"I want to heartily thank Mrs. Kim Hall without whom it would never have been possible for me to reach this position. I am proud to be a part of the Bearcat Family. Go Bearcats!"

Shaddix said she is honored to be selected as the new principal of Cullman City Primary School and does not take lightly the exciting challenge of maintaining the already high standards set in place by Culpepper.

"I offer my sincere gratitude to the school board and Mr. Kallhoff for their confidence in me to serve alongside the exceptional staff at CCPS," Shaddix said. "It is a privilege to be part of an organization that is so committed to educating and developing children. I will do my best to continue the great work Mrs. Culpepper has done and look forward to being a part of this exciting time in Cullman City Schools."

Flanigan (from Front)

ing months in an Alabama state prison.

Originally indicted on charges including murder by administration of a controlled substance or charges of murder by strangulation or suffocation and reckless manslaughter by administration of a controlled substance.

Flanigan was also charged with corpse abuse, arson and first-degree theft of property.

The autopsy report for Clements was not clear-cut despite the deadly amount of methamphetamines found in Clements' system.

After conferring with the victim's grandmother at the conclusion of Flanigan's arson trial where he was found not guilty, District Attorney Wilson Blaylock offered the plea deal.

As Flanigan acknowledged that he was the person who injected Clements with the drugs, he pleaded guilty to the lesser of the charges relating to her death.

Sentenced to a 20-year split sentence with four years served, Flanigan will serve five years on supervised probation.

Bryant confirmed that Flanigan is registered with the Cullman County Probation Office.

Also indicted in Clements' death was Kayla Thursby who has yet to stand trial due to the docket backlog from COVID-19 per Bryant.

Thursby's charges include murder by strangulation or suffocation, first-degree theft of property, murder by administration of controlled substances, corpse abuse and reckless manslaughter in the same incident.

Thursby is out of jail on bond.

BERLIN, Ala. — The Berlin Town Council on Monday evening approved up to $17,000 in economic development assistance and financial incentives to help Berlin Hardware and Farm Supply alleviate drainage issues under U.S. Highway 278 into the shop's property at the intersection of the highway and County Road 747. The resolution, passed following a public hearing at which no one spoke for or against the measure, is a "722 agreement" that allows municipalities to lend their credit or grant public funds to private entities for economic development of the community.

The council also approved the construction of four new homes on County Road 1615, a development named "Berlin Acres." In a public hearing held before the vote, residents expressed concern over possible damage by heavy equipment on the recently repaved road, but the council determined that the developer could not be held liable for general wear on the road.

A developer's representative told the residents that the company would work with the town to resolve any issues that might arise as a result of the project.

The council gave a first reading to a proposed ordinance to allow the Town to issue business licenses. No action was taken, and the council will hold a public hearing at the next meeting, after which it plans to vote.

The council also scheduled a public hearing to talk with members of the local community about plans to build a playground on the property that houses Berlin Town Hall and the Berlin Farmers Market.

The hearing will be held June 20, at 7 p.m. at the Berlin Community Center with regular council meeting to follow. The public is invited to attend.

HANCEVILLE, Ala. — Hanceville City Council held their meeting on Monday with all council members present.

The council began by honoring the Hanceville High School Math Team who brought home the designation of the 2022 Division III State Champions. The school's Geometry and Algebra II teams both finished in first place in their division. Individual winners for the Geometry team were Logan Lisle in first place and Brady Cleek in third place. Placing for the Algebra II team was Jessica Marshall in seventh place. Rounding out the team were Luke Brown, Ivan Conway, Dalton Pirkle and AJ Stephens. School sponsors were Katie Brewer, Phamie Brown and Dana Lisle.

"We're so proud of you guys. The council and I are so proud of our students and so proud of our teachers and our coaches. I'll put our folks up against anybody. Hanceville is proud of you. I'm so glad y'all are state champs," shared Hanceville Mayor Kenneth Nail as he presented the proclamations to the winners.

In new business, the council approved the paying of the bills including the Workers Compensation final bill of 2021 in the amount of $26,719. Twenty desks, which the city had in storage from the school, were deemed surplus. Council agreed to the purchase of a Kawasaki Gator for $4,000 to be used for trash pickup at the city's parks. The purchase will be deducted from the approved $14,000 authorized for the purchase of a line striper with the remaining $10,000 to go toward the striper.

Afterward, Police Chief Bob Long provided a brief update on the city jail construction with the block work expected to be completed this week.

Following the successful bluegrass performance at the civic center on Saturday night, Hanceville's next event will be the Grilled Cheese Festival and opening of the city's swimming pool on May 28. June 10-11 will see the Parade of the Bulls followed by dinner and the Hanceville Bull Bash.

The kiddie pool will be open this year at C.W. Park for the first time in several years, giving small children their own summer fun while their older counterparts enjoy the big pool.

The next work session will be held Thursday, May 26 at 5 p.m. with the regular council meeting to follow at 5:30 p.m. at Hanceville City Hall. The public is invited to attend.

HOOVER, Ala. — This year's AHSAA State Heptathlon and Decathlon officially wrapped up at Hoover High School Tuesday night after two days of competition and there were plenty of local athletes in the field. One of the most notable performances came from Cullman High School's Banks Baker, who set the new school record with a score of 5,120 points. Baker was also the highest local finisher at 14th place.

Baker was eyeing the record throughout the competition and knew that he was within striking distance going into his final event. Baker posted a time of 5:16.73 in the 1500-Meter Run to claim the new CHS record and he credited his teammates, coaches and parents for helping him get ready for Hoover this week.

"It's super cool to break the Decathlon record. Going into the 1500 I knew that I was close enough to get it, so I gave it my all," Baker said. "Encouragement from my teammates and racing strategies from my coaches really helped me the most leading up to the events and my parents have been keeping me focused these past few days."

Fairview High School's Kabri Redding was the highest local finisher in the Heptathlon, posting a score of 2,433 to place 45th.

"It's hard to believe that another year is about to wrap up. Each year seems to go by faster and faster. The Class of 2022 is a special group of young men and women. A class made up of students that has seen success as individuals and teams. With the success they have enjoyed and the educational foundation each received at Fairview High School, the future is bright. Graduation is a way that our students honor their parents and grandparents by achieving this tremendous milestone. We will be honored to call each of the graduates of 2022 alumni of Fairview High School."

PREP SOCCER

Harbin stepping down as Bearcats Head Coach

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. — After spending 12 seasons at the helm of Cullman's Men's varsity soccer program, Head Coach Casey Harbin is stepping aside. Harbin announced the decision in a post on social media Tuesday afternoon.

The statement reads,
I, Casey Harbin, hereby resign from my position as Cullman High School varsity boys head soccer coach effective immediately.

I leave the Cullman Boys soccer program at a major crossroads, but the future is bright. I see great potential in some of the young players. For them to reach their full potential, they need an energetic, patient, disciplined and knowledgeable coach to guide them and I feel I no longer possess those attributes.

I will never forget the memories and friendships I have made through this opportunity nor the people who supported me along this remarkable journey. Thank you so much! I am forever grateful to Mrs. Hall and the administration for taking a huge risk on a 21-year-old with little coaching experience as their head soccer coach.

I was never easy, but through the highs and lows, I have always done my best to honor your faith in me and I hope I have made you proud.

I owe everything I have to this position including my teaching career. My role as a teacher at Cullman High School means the world to me; however, I soon became aware of how much my position as head soccer coach interfered with my responsibilities as a teacher.

I once had a student leave a Psychology class review that said, "You're a way better teacher when it's not soccer season."

That resonated with me for years. It forced me to assess my time commitments to both teaching and coaching. Upon reflection, I now truly believe it is impossible to simultaneously be a phenomenal head coach and a phenomenal teacher. In my experience, great success at one requires great sacrifice at the other.

In that analysis, I also finally acknowledged the staggering disproportion between the time required for executing all of a head coach's duties (just to name a few: administrator, clerk, negotiator, event planner, accountant, mediator, PR consultant) and the time spent actually coaching.

I never noticed this discrepancy in the early years, and I wondered why it went unnoticed for such a long time... and then it hit me. Coaches overcome all of these difficult, often unexpected, aspects of the job for the fire of competition, investment, hard work, but most of all, player development. We love developing students as athletes as well as people. That is the fire that supersedes all else. When the fire is out, it is time to move on.

NICK GRIFFIN/THE CULLMAN TRIBUNE

Cullman Varsity Boys Head Coach Casey Harbin announced Tuesday that he would be stepping down as head coach of the Bearcats.

Cullman Boys Soccer was under my watch for 12 years. In that span we made the playoffs nine times, won five area championships, went to four Final 4's, finished state runner-up in 2017 and won the state championship in 2016. The coaching fire burned inside of me for those 12 years. But now my fire is out and now my watch is ended."

In his 12 seasons at Cullman, Harbin compiled a 133-115-19 record and helped lead the Bearcats to nine playoff appearances, five area titles, four different trips to the Final 4, a state runner-up finish in 2017 and a Class 6A State Championship in 2016. Harbin was also selected as one of the North All-Star coaches in 2016.

HANCEVILLE, Ala. – Wallace State's baseball team had its season end on Monday in the Alabama Community College Conference (ACCC) Tournament after stringing together two impressive victories in the elimination bracket.

The Lions finished the 2022 campaign with a 34-22 record – marking another postseason appearance for Wallace State Hall of Fame coach Randy Putman, now in his 33rd season.

Wallace State opened the tournament with an 11-1 loss to Wallace Community College-Dothan last Friday before rallying with wins over Shelton State (11-8) and Lawson State (8-5, 11 innings) in consecutive days.

The Lions ran out of gas against Coastal Alabama-South on Monday, losing 12-4 in eight innings. The Sun Chiefs broke a 4-4 tie in the sixth, scoring six runs with two outs.

Sophomore Colson Lawrence was spectacular at the plate in the tournament, blasting four home runs, including a go-ahead, three-run blast in the Lawson State game in extra innings. The Hoover native finished with seven RBIs, adding a pair of singles and a double throughout.

Jayce Guyette had two doubles among his six hits, adding five RBIs; while Mason Mann finished with a triple, double, four singles and a pair of RBIs.

Ben Arnett collected seven hits over the four-game stretch, including two doubles. Freshman catcher Dan Stewart had four doubles and an RBI, while Austin Roberts tallied five singles.

Presley Walker had four RBIs in Monday's loss, including a three-run home run, and Mitchell Heer accounted for a pair of doubles, a single, and an RBI in the tournament.

Prior to the tournament, Wallace State's Heer was named the ACCC All-North's Division Player of the Year. Heer and Arnett were each named to the All-South District and All-ACCC North Division first teams.

Heer was on pace to contend for the ACCC Triple Crown before suffering an illness at the midway point of the conference slate. He finished the season hitting .387 with 11 homers and 52 RBIs, and, on the mound, was 4-1 with six saves and 0.64 ERA in 28 1/3 innings.

Lawrence clubbed a team-high 12 home runs for Wallace State, adding a .368 average and 47 RBIs. On the mound, Lawrence was 2-2 with three complete games and a 0.78 ERA in 23 innings pitched.

Putman now has a career record of 1,167-542 in 33 seasons with Wallace State baseball.

Wallace State women's golf
Wallace State's golf teams concluded their spring seasons last week at their respective National Junior College Athletic Association (NJCAA) Championships.

Wallace State's women's team finished 13th overall at Mayfair Country Club in Sanford, Fla.

Sophomore Hannah Sanders was the Lady Lions' top finisher at nationals, placing 37th overall with a 335 (87-84-87-88). Sanders was also the 2022 Alabama Community College Conference (ACCC) Women's Golfer of the Year, finishing as the conference tournament low medalist.

Hope Harrell was among the top 50 finishers, carding a 341. The freshman from Guntersville won a pair of events this spring, being named to the ACCC Tournament and NJCAA South District teams.

Abby Brown, Abigail Baker and Brileigh Roberts rounded out the Wallace State field.

Wallace State advanced to nationals after finishing runner-up at the NJCAA South District Tournament.

The Lady Lions also captured their fifth straight ACCC Tournament title this postseason.

Wallace State coach J.J. Adams was named the ACCC Coach of the Year.

Wallace State men's golf
Davis Aaron and George Law each finished with Wallace State's best individual finish at the men's NJCAA National Championship in Odessa, Texas.

Aaron, a sophomore from Tuscaloosa, and Law carded a 14-over par 302 (78-79-74-71) apiece for Wallace State, which was making the program's 27th appearance at the national event.

Joshua Darracott was five strokes behind his teammates, finishing with a 19-over 307. Darracott was coming off All-District recognition at the NJCAA South District Tournament.

Allen Michael Burnett and Zackary Coker rounded out the Wallace State field.

The Lions finished 19th overall.

Wallace State's best finish this season was at the ACCC Tournament (3rd).

Coach Sylas Elliott wrapped up his fourth season with the Lions.

Commission (from Front)

CULLMAN, Ala. — The Cullman County Commission met on Tuesday evening at the Cullman County Courthouse with a hefty agenda to review.

Resolution 2022-37: Revenue Sharing arrangement for Simplified Sellers Use Tax was approved unanimously despite the concerns that Place 2 Commissioner Garry Marchman voiced during the earlier work session.

The sales tax, which has been in place since 2019, will officially be split with the commission receiving 70% and the schools receiving 30%.

Marchman stated, "I feel like there's been a push to get this changed before we go to a five-man commission, and I don't like that. I don't think that's a good way to do business."

He continued, "Another thing is how is the money going to be used? Why is the education system asking for the money?

"Is it going to be used for classrooms, teachers increase in salary? Is it going to be used for sports and academic programs?

"You know, I have no problem supporting all of that or any of that. I think we need to. There're just too many unanswered questions."

Noting that this is an established tax already in place, Cullman County School Board Superintendent Shane Barnette addressed the commission and said, "I appreciate the partnership. The sales tax, when it was first put in the place, was to support the commissions and the county school systems throughout the state.

"I think this just clarifies the division of the online sales tax as it continues to grow. I think it's great to be clear to the people of Cullman County that it's not a new tax. It's just clarifying and setting up a sharing agreement.

"As we all know in Cullman County, we have a lot of old buildings. Our intention is to use that for capital projects going forward.

"We have a lot of projects going on right now and we hope to continue to upgrade our buildings."

After the meeting, Barnette shared, "We appreciate the Cullman County Commission agreeing to share a percentage of the Simplified Sellers Use Tax with our students.

"The collected sales tax has always been used to support the County Commission and the school system. This agreement simply clarifies the portion of the sales tax that is collected from online purchases.

"Our portion of these funds will be used for capital improvements throughout our district."

In other business, the commission recognized the Cullman County 4-H Shotgun Team for their state championship win.

Celebrating retirements were Mary Frances Brock who has retired from the Probate Office after 16 years of service and Joe Perry who served 11 years with the County Garage before his recent retirement.

In other business, the following were approved:

• Resolution 2022-44 to approve Cullman County Road 68 Economic Development Project Amendment and authorize Chairman to sign all related documents

• Resolution 2022-45 to change speed limit to 25 mph on County Road 226

• Resolution 2022-46 to change speed limit to 15 mph on County Road 1208

• Resolution 2022-47 to change speed limit to 35 mph on County Road 1598

• Resolution 2022-48 to change speed limit to 30 mph on County Road 1866

• Resolution 2022-49 to enter into contract with Goodwyn, Mills & Cawood for Engineering Services for the Cullman Regional Airport and authorize Chairman to sign all related documents

• Resolution 2022-50 to adopt Act 2022-229 (Local Unit Retirees and Beneficiaries receiving one-time lump sum payment at the expense to the Commission of $116,126)

• Reappointment of Annette Parker to the DHR Board for a 6-year term to expire May 15, 2028

• Appointment of Caleb Elrod to the DHR Board for a 6-year term to expire May 15, 2028

• Application for Homeland Security Grant 2022

• Update to the Travel Policy Handbook setting the maximum room rate at the highest room rate

• Contract for the Airport Layout Plan for the FY2022 Project

• Stone's All Fired Up food truck to use the south parking lot of the courthouse on May 20

• The surplus and auction of nine vehicles and pieces of equipment

The next commission work session will be held Thursday, June 23, at 4 p.m. in the Commission Meeting Room and the commission meeting will follow at 6 p.m. The public is invited to attend.

NOTICE OF
MORTGAGE FORECLOSURE SALE

STATE OF Alabama
COUNTY OF CULLMAN

Default having been made of the terms of the loan documents secured by that certain mortgage executed by Gerald M. Yarbrough Husband Stephanie M. Yarbrough Wife to Wells Fargo Bank, N.A. dated May 29, 2013; said mortgage being recorded on June 18, 2013, in Book 1710, Page 152 in the Office of the Judge of Probate of Cullman County, Alabama. Said Mortgage was last sold, assigned and transferred to U.S. Bank National Association, not in its individual capacity but solely as trustee for the RMAC Trust, Series 2016-CTT by assignment recorded in Deed Book 336, Page 498 in the Office of the Judge of Probate of Cullman County, Alabama.

Fairview High School celebrates graduating seniors with awards night

Sara Gladney
sara@cullmantribune.com

FAIRVIEW, Ala. — Fairview High School held a Senior Awards Night Celebration on Monday at 6 p.m. to recognize the scholarships and personal awards given to each senior from various universities and local businesses.

Fairview 2022 Senior Class President Ben Tankersley opened the ceremony with a statement, "I would like to say thank you to all of our supporters: parents, guardians, teachers and mentors. All of you played a huge part in the awards being given out tonight. In fact, you may have played the biggest part. Without your guidance, we would not be sitting here tonight. Next, I would like to congratulate the senior class on our accomplishments. Whether its going into the workforce, going to college or serving the armed forces, you matter."

Principal Chris Gambrill presented the first award, Student of the Year, to Peyton Trotter saying, "She is going to go places in life. I can't wait to see where she goes because she's driven and she is ambitious, but the most important part is she has a loving heart. This year, she was chosen as the Cullman County Chamber of Commerce Student of the Year."

Stanley Burden and Mrs. Pattillo presented the Keith Pattillo Memorial Scholarship in honor of former Fairview High principal Mr. Pattillo who passed away in April of this year. Burden knew Pattillo for over 50 years and worked as his assistant principal. He said, "Mr. Pattillo loved Fairview School—the students and the staff—and he loved the community. He continuously pushed for excellence academically and personally. He formed long lasting relationships with his students and staff and compelled us to take ownership of our own education and life. Two things he adamantly believed in—a strong work ethic and education. The purpose of this scholarship is to afford a deserving student through hard work and education an opportunity to achieve their particular goal in life." The award was presented to Tessa Buckelew.

Claire Johnson presented the Central Alabama Community Foundation Fran Kay Schwaiger Scholarship to Ben Tankersley. Schwaiger was a 1975 Cullman High School graduate and valedictorian. She also attended Vanderbilt Universities' College of Engineering. Her scholarship went to a student pursuing a STEM career. Johnson said about Schwaiger, "She wanted to give back to Cullman County because she felt like it was her foundation that allowed her to succeed."

Other scholarship awards included:

- Wanda Walker Clay C. Buck Walker Scholarship - Kaitlyn Benson
- Heather Walker Scholarship - Michael Chambers
- First Congregational Methodist Church Scholarship - Allie Scott
- Legacy Scholarship – Brianna Carroll
- Home Builders Association – Cody Butler
- Don Gant Scholarship – Cameron Shedd
- Cullman Lions Club Lioness Scholarship – Arleigh Scott
- Cullman County Electric Cooperative – Ben Tankersley
- Cullman County Conservation District Area 1 – Ben Tankersley
- Bates Masonic Scholarship – Cameron Shedd
- Distinguished Young Women – Brianna Carroll
- Distinguished Young Women – Peyton Trotter
- Cullman Lions Club – Arleigh Scott

There were several additional awards presented from the FHS Alumni Association, WSCC Future Foundation, Cullman Savings Bank, UAH, Auburn University, Alabama University, University of West Alabama, JSU, UNA and SkillsUSA.

Valedictorian Kayrie Weldon closed the ceremony stating, "Tonight is one of the last times our whole class will ever be at the same place at the same time. It is truly hard to believe that we will not spend every weekday with this group of people ever again. Over the next few days leading up to graduation, I encourage you all to reflect over the past four years we have spent together. Reflect on the relationships you have built with your peers and teachers, the goals we have achieved and the memories you made on our campus. Whether your time here was good or bad, we are about to leave this chapter of our lives in the past. Finally, I would like to leave you with a quote: 'Graduation is not the end, it's merely the beginning.' Even though I have gone on and on about how this time of our lives is over, it is just the beginning of the rest of our lives."

Arley prepares for 49th annual Arley Day Festival taking place May 21

Sara Gladney
sara@cullmantribune.com

ARLEY, Ala. — The Town of Arley's 49th Annual Arley Day community festival will be Saturday, May 21. The all-day event will last from 8 a.m. – 3 p.m. at Hamner Park kicking off with a parade line up in the Dollar General parking lot at 7:30 a.m. The Meek Band of Champions, who usually leads the parade, will be joined by the Addison Marching Band this year with a host of emergency service vehicles and classic cars. The parade will end at the park where there will be approximately 100 food, craft and community service vendors. The classic car show featured 80 cars last year, and there is expected to be 100 this year.

Admission to the event and all activities are free. There will be carnival rides, horse and pony rides, a mechanical bull, a water slide and more.

Since the usual parking at Hamner Park will be taken up by the car show, parking will be located at Meek Baptist Church and at Meek High School and Elementary. An air-conditioned shuttle will be available to travel between the park and the parking areas.

For anyone looking to get the day started early, the 5K Fun Run to benefit the Meek Band of Champions will begin at 5:30 a.m. starting line will be behind the Freedom Worship Center located at 6901 County Road 41. Participants can sign up at Arley Day 5K (https://runsignup.com/Race/AL/Arley/Arley-Day5K) for a $15 registration fee. A pancake breakfast will be held at the Arley Fire Station starting at 7 a.m. hosted by Arley First Baptist Church with donations being accepted to benefit the fire department. Another Community Breakfast will be held at the nearby Meek Baptist Church serving various breakfast foods.

The festival is organized by the Arley Women's Club who is celebrating their 50th anniversary. On their website, the club provides the statement, "The Arley Day Festival began over 40 years ago because a small group of women wanted the town to celebrate with a fun day of games and musical entertainment. Since then, over 100 members strong, the AWC partners with the Arley Town Council, and continues its efforts to make our community the best it can be."
