CULLMAN, Ala. — The National, a stylish and fresh new gastropub in the historic district of Cullman has officially opened its doors. The ambience is polished yet industrial, with plush green velvet booths offsetting the whitewashed brick and dark metallic sconces dotting the walls.

Owners Garrett Masters and Michael Locascio shared a vision of bringing a fresh splash of culinary flair to Cullman; a vision, Masters shared, that was months in the making.

"It's been a long journey to get where we are. But we're ecstatic to be open and serving everyone again!" said Masters.

The restaurant boats unique spins on classic southern fare, from gussied-up shrimp and grits and Nashville-style chicken sandwiches to more complex dishes like chicken scallopini and 50-day aged steak; don't be fooled, though, the menu offers a lot more than Alabama staples.

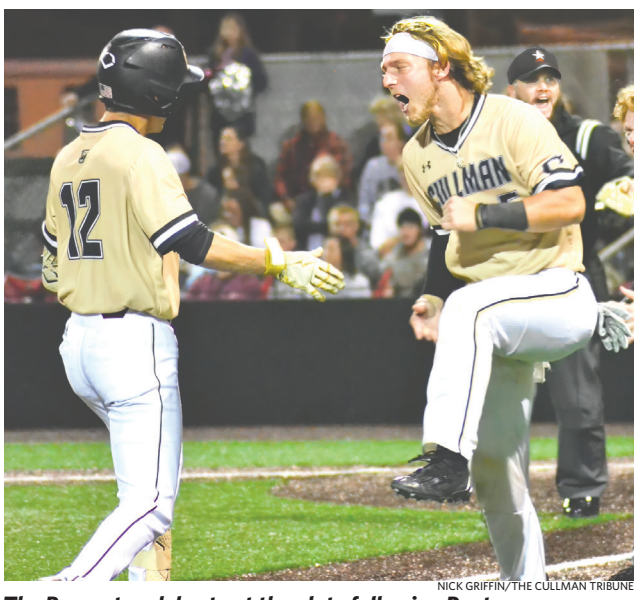

The restaurant will also be hosting live music on Saturdays, as well as Sunday brunch features that are sure to become a staple in your after-church routine.

For more information on The National or to stay updated on live music bookings, check out www.facebook.com/thenationalincullman.

The National is located at 216 First Ave. SE in Cullman.

Bearcats (from Front)

Nick Griffin

CULLMAN, Ala. — The Cullman Bearcats punched their ticket to the 6A State Semifinals with a 4-2 win over Gardendale Friday night and they did it in dramatic fashion. With the score knotted at 2 in the bottom of the sixth inning, Paxton Ponder came to the plate with a runner on first and blasted a 2-run shot out of left-center field to give the 'Cats a late, 4-2 lead. Ponder then went back out onto the mound for the top of the seventh and struck out the final three batters he faced to wrap up a thrilling, 4-2 win for Cullman.

Several factors throughout the game led up to Ponder's fateful at-bat in the sixth and when he got the pitch he was looking for, he took full advantage.

"This place went crazy. I was looking for something down in the zone and they threw me a curveball earlier and I saw it. I knew they wouldn't beat me with a fastball," Ponder said.

"The at-bat before, (Hayes) hit into what we thought was going to be a double play but he busted his tail to get down the line and break it up so I could get that at-bat and without that, I wouldn't have hit that ball. I'd do anything to get another week to play with these guys and we've got one more week of it so I couldn't be more excited.

Patterson could hardly find the words to express his excitement for his team after the game. The 'Cats struggled to turn base runners into runs for most of the night but never lost their focus and capitalized on opportunities in the later innings to come out on top.

"It's hard to say how proud I am. There are no words," Patterson said. "I can't describe to them how proud I am of them.

"We've been in a lot of those kinds of games and we're not an offensive juggernaut and really throughout a lot of the year we struggled in those games because we kept expecting to score nine or 10 runs, not that we can't, but a lot of times we're not going to, and we can pitch and defend it every day and rely on getting a big hit.

"If we keep ourselves in the game, we have to trust that with the game we play, we've got to come up with a big hit. We didn't in game one, but we did in game three, so we get to advance. That's just part of the identity of this team and that's why I'm so proud of them."

Patterson has seen a lot of big hits in big moments during his tenure and Ponder's 2-run shot is right up there with them.

"It's in the all-time greats. I think of so many throughout the years. The Grayson Taylor homerun off of Garrett Wade up in the balcony and the at-bats that led up to that. I think of so many of those Owen Lovell homeruns and Daniel Moore's homerun and there have been so many throughout the years but that's one of them now," Patterson said.

"He'll go down in Cullman Baseball history and its just good to have players that can do that kind of stuff and we get to sit back and watch them."

Both the Rockets and the Bearcats continued to play sound defensively early in game three after a pair of great defensive games on Thursday. After a scoreless first inning, Gardendale put runners on second and third in the top of second but a strikeout from Cullman starter Easton Peed got the 'Cats out of the jam.

Peed worked a 1-2-3 inning in the top of the third and the Bearcats were able to load the bases with two outs in the bottom half of the inning but a ground ball to the second baseman left them stranded and the game remained scoreless going into the fourth.

Hunter Howell ripped a single into right-center field and Cody Jones drew a walk to give Cullman a pair of runners in the bottom of the fourth but a line-out to right field and a strikeout cut the scoring opportunity short.

The Bearcats were finally able to break through in the bottom of the fifth. Elijah Hayes drew a walk, Riley Jackson reached first on an error and Tucker Cagle was intentionally walked to load up the bases.

Zane Watwood then drew a walk to bring Tyler Brock home and make it 1-0 and Wil McCollum lifted a sacrifice fly to left field to plate Jackson and give the 'Cats a 2-0 lead going into the sixth inning.

The Rockets responded with a sac fly of their own in the top of the sixth to trim the lead to 2-1 and tied the game at 2 with an RBI single.

However, Cullman pulled ahead for good in the top of the seventh when Paxton Ponder launched a 2-run bomb to left-center that put the Bearcats in front 4-2. Ponder then struck out the final three batters he faced to secure the win and a final four appearance for Cullman.

Ponder (HR) posted two RBIs for the Bearcats and earned the win on the mound after tossing the final 1.1 innings.

Peed got the start and went the first five innings for Cullman, allowing just two runs (one earned) on five hits and striking out three batters. Hayes and Howell each added hits as well and Watwood finished with an RBI.

The Bearcats will be on the road next week to face Oxford in the 6A State Semifinals.

Staff Reports

CULLMAN, Ala. – An elderly Bremen woman died following a multi-vehicle crash Sunday night. Alabama State Troopers said Ruth C. Graves, 96, was critically injured in the wreck and died at Cullman Regional.

Troopers said the crash happened at approximately 10:09 p.m. Sunday, May 7, when the 1997 Ford F150 Graves was driving collided head-on with a 2017 Chevrolet Silverado driven by Hunter R. Mims, 30, of Northport.

After the initial collision, the Ford struck a 2012 Honda Accord driven by Samuel S. Adkins, 21, of Madison. The Honda was then struck by a 2006 Dodge Charger driven by Javon T. Young, 21, of Birmingham. Troopers said Graves was not using her seat belt at the time of crash. She was injured and transported to Cullman Regional, where she later succumbed to her injuries and was pronounced deceased.

The crash occurred on Interstate 65 near County Road 436, approximately 3 miles south of Cullman, in Cullman County.

Nothing further is available as Troopers with the Alabama Law Enforcement Agency's (ALEA) Highway Patrol Division continue to investigate.

‘Good Hope will always have a special place in my heart’: Good Hope senior Bonnie Williams reflects on high school career

Sammy Confer
sammy@cullmantribune.com

BONNIE WILLIAMS
Good Hope’s Bonnie Williams with her parents Wes and Lori

GOOD HOPE, Ala. — In this interview, I talked to Good Hope senior Bonnie Williams. She shared some of her best memories during her time at Good Hope and she was a part of some great clubs as well. She learned so much while being in those clubs and that has helped her become the person that she is today.

“One of my favorite memories at Good Hope would have to be winning the Cullman County Track Championship back-to-back for my senior year. I loved making memories with all the sweet girls who helped contribute to the wins. My overall favorite memory happened during my junior year. I drew coach Drew Adams a portrait of himself, and he hung it on his wall for the entire year,” Williams said. “I was in the NHS, Pep Club, FCCLA, and Leo Club. I loved the bonds everyone made through sharing the love of helping others and volunteering our time to those less fortunate. I learned about how important teamwork is and how it is crucial when accomplishing goals, working with the public, and how giving respect to others is how you earn respect from others and for yourself. I have more self-respect and respect for others as I saw people facing obstacles and dealing with the cards they have been dealt. It gave me a sense of caring as well.”

Bonnie was on the track team for six years and was a cheerleader for two years; she took away so much from everyone on the track team and on the cheerleading squad as well.

“On the track team, I learned about how improving yourself can help benefit the team as well as boosting your self-confidence and your self-esteem. During my time on the cheerleading squad, I learned how working with a team and having the same mindset is crucial when working towards one main goal,” Williams said. “I learned from my teammates on the track team that it is good to have a team standing behind you and cheering for you for all of your events, making it possible for everyone to believe in themselves and make their goals become a reality. What I learned from the coaches is that you need someone who cares for how you do and your well-being as much as you do. It is crucial to have someone who pushes you as well as show how proud they are of you.”

She added,

“One of my favorite cheerleading memories would have to be when we stayed at the University of Alabama for cheer camp. We made life-long friends with girls I still talk to to this very day.

“We would share rooms and play games together, creating a bond that will last a lifetime. What I learned from my teammates is that you have to support each other, no matter what, to accomplish the main goal. What I learned from the coaches is that it’s okay to make mistakes as long as you grow as a person and learn how to avoid them in the future.”

Bonnie took away some things during her time at Good Hope. She also talked about what made it a special place to go to and what she’ll miss the most about going there.

“I learned that it is alright to step out of your comfort zone and make new friends,” Williams said. “Good Hope will always have a special place in my heart. It is like a second home to me. I feel safe and embraced by all the faculty and administrators. All of the staff have been warm and caring towards all of the students. I will miss the people that have made me into the young lady I am today. They are a great foundation to any young boy or girl to start their path into becoming young adults.”

Bonnie gave some advice to those students that will be starting high school in August. She talked about one of her favorite memories during her time in Pep Club, plus what she will remember the most about going to Good Hope.

“I would say participate in all the student activities and extracurriculars that you can because that is where you will make life-long friends and memories you will never forget. You don’t realize how fast the four years will go by until you are ready to graduate, so make the most out of your high school experience,” she said.

“I loved making signs in Pep Club because it let my creativity flow and we always had good laughs when a sign didn’t turn out as planned. I will remember all the laughs and good times that we had. We managed to put aside our differences to accomplish our main goal of graduating together.”

‘We absolutely showed up’: Auburn run rules No. 1 LSU to clinch series

George Nunnelley
AU Athletics

AUBURN, Ala. – Auburn became the first team to defeat No. 1 LSU in a series this season by run-ruling the top-ranked Tigers 12-2 in eight innings Sunday afternoon at Plainsman Park.

After holding LSU to three runs Friday, Auburn held the visiting Tigers to a season-low two runs in the series finale and a season low 11 runs in the three-game series.

“I thought all three games, even our loss, our processes were good,” head coach Butch Thompson said. “We absolutely showed up in a big way today.”

Leading 11-2 in the bottom of the eighth, Cooper McMurray laced a ball down the first base line to score Bobby Peirce from second base and send his teammates pouring out of the dugout to celebrate with him at first base.

“I’m standing right there with them, so I know when they’re connected, and it’s nice that we hooked it up,” Thompson added. “We’ve done an amazing job at figuring out who we are, getting marginally better in a couple spots and staying together. That’s what we have to do moving forward.”

Starting pitcher Christian Herberholz and freshman lefty Drew Nelson combined to hold the nation’s second-highest scoring offense to two runs, including just one earned, on six hits with two walks and seven strikeouts.

“I felt great,” Herberholz said of his outing. “Strike one is huge. I think if you get strike one you can do just about anything. Strike one is the biggest strike for sure.”

Herberholz (1-3) matched a season-high with 5.0 innings pitched and earned his first win in an Auburn uniform. Nelson retired the last nine batters he faced and earned his first career save in his 3.0 innings of work.

“Just trust your stuff and let your defense work behind you,” Herberholz added. “It was a good feeling, being able to trust every pitch you have and trust your defense behind you. I just try to give it my all and give our team the best chance to win.”

Senior captain Kason Howell delivered a pair of two-out, two-run triples to distance the ballgame in the middle innings and matched a career-high with five RBI in the game.

It marked Howell’s third game with four or more RBI in the last 11 contests.

“Yeah, it was an unbelievable weekend,” Howell said. “Our fans were unbelievable, me and my close friend graduating, it’s been a great weekend.

“This team has always fought,” Howell added. “That’s been a staple of our program ever since Coach Thompson took over. We’re fighters. Now we’re just doing it with a little bit of precision and skill that we’ve acquired. We’re just continuing to fight and give everything we have.”

LSU (37-10, 16-7 SEC) jumped out to an early lead with a solo home run on the third pitch of the game. However, Auburn (27-19-1, 11-13 SEC) responded in a big way as the first eight batters reached and six of them came in to score.

After three straight walks to begin the bottom of the first, Ike Irish got the scoring started with a RBI single to right. Three straight bases-loaded walks to Bryson Ware, McMurray and Howell gave Auburn the lead, and a two-RBI single from Caden Green made it 6-1.

The home Tigers went back to work in their next at-bat as Peirce hit a leadoff single and came in to score three batters later on a RBI single from McMurray, his second RBI of the game.

After the leadoff home run, Herberholz worked around doubles in the first and second innings, a single in the third, and a walk in the fourth to keep the damage at a minimum.

Taking advantage of an extended inning due to a pair of fielding errors from LSU, Auburn added to its lead on the first two-RBI triple from Howell to make it a 9-1 game in the bottom of the fourth.

LSU got back on the scoreboard with a run on a single from Tommy White after a passed ball in the top of the fifth, but Herberholz buckled down and stranded a pair to get through five complete.

Nelson entered the relief of Herberholz in the sixth and retired nine straight LSU hitters after allowing a leadoff single on a good piece of hitting.

Nelson’s 3.0 innings of work marked his longest outing since his 7.0-inning complete game vs. North Alabama on Mar. 28.

Leading 9-2, Howell delivered his second two-out, two-RBI triple in as many at-bats to nearly the same spot in left center field to extend the lead to 11-2 in the bottom of the sixth.

With Nelson cruising on the mound, Peirce drew a leadoff hit-by-pitch in the eighth and moved to second on a ground ball. LSU intentionally walked Ware, and McMurray made them pay with his aforementioned walk-off to put the 10-run rule into effect.

Howell and McMurray combined to go 5-for-8 with eight RBI in the game.

The Tigers begin a four-game week on the road with a midweek contest vs. Samford at Hoover Met on Tuesday at 6 p.m.

GOOD HOPE, Ala. — Good Hope's City Council hosted its first May meeting at Good Hope City Hall Monday night and the main topic was Good Hope High School's Peyton Caudle. Caudle was recognized by the council at Monday night's meeting after being awarded the City of Good Hope Endowed Scholarship at Wallace State's Future Foundation Scholarship Celebration in April. The Council approved the scholarship in 2021 and Caudle is the second Good Hope student to receive it after Allie Sartin was awarded the inaugural scholarship last year.

Scholarship guidelines:

- Recipient will receive a scholarship award to fund up to full tuition, fees, books and supplies.
- Open to all graduating seniors from Good Hope High School
- Recipient must have a cumulative GPA of 2.75 or higher
- Recipient must demonstrate financial need (as determined by the FAFSA and additional funds awarded from other sources) and an essay explaining their need for scholarship assistance and why they have chosen their career field.

Caudle plans to begin studying graphic design at Wallace State before finishing up at UAB and she couldn't be more excited to get started.

"I'm planning to go to Wallace State for as many classes as I can because I have the City of Good Hope's scholarship and I also got the Cullman Savings Bank Foundation scholarship. I want to go for graphic design at Wallace and do as much of it as I can at Wallace before moving to UAB and finishing up there," Caudle said. "I'm really excited. I'm just so excited to be able to learn about something that really interests me. I've always been very big into art and I'm really excited."

80 YEARS ANNIVERSARY
1943-2023

Thank you, Cullman, for the best 80 years of our lives.

In 1943, when the Paul R. Knight Insurance Company opened its doors in downtown Cullman, there was no way of knowing what the future would bring. Paul Knight was a 30-something father of of three, registered for the World War II draft, with no idea that his new venture would not only succeed but would ultimately pass down through three generations of his family. Then his son-in-law Elliot Free joined the business in 1970, the agency was re-named Knight-Free, and the rest is history.

But it's a history that wouldn't have happened without you, Cullman. We never forget that. For 80 years, you've trusted us to insure your homes, your cars, your businesses, your lives. You've become our friends, our neighbors, and our reason to turn up at the office every day. You're also the reason that, after all these years, Elliot's son Wescoat Free is still running the independent insurance agency that bears his family name. And, for that, we can't thank you enough.

KNIGHT-FREE INSURANCE AGENCY

Your agents. Your neighbors. Your friends. For three generations.

Parent Seth Johnson, at the Hats, Horses and Hope fundraiser Saturday, May 6, 2023, shares how Hope Horses, Inc. has impacted his son's life.

CULLMAN, Ala. — Local nonprofit Hope Horses, Inc. hosted its popular Kentucky Derby-themed fundraiser, Hats, Horses and Hope, Saturday evening, May 6. The event was held at Camp Meadowbrook, and attendees dressed in their best Derby fashions.

Seth Johnson, whose son Nate participates in the Hope Horses therapeutic riding program, shared his son's story with attendees and said Hope Horses has changed their lives.

Johnson said his son was diagnosed with autism when he was 18 months old. Johnson noticed that, as time went on, other parents were enrolling their kids in sports while Nate was taken to various therapy appointments. Johnson discovered Hope Horses and enrolled his son.

"His behaviors have decreased tremendously over the years, and we have noticed an improvement in spine and motor skills," said Johnson.

"Nate finally had something to participate in, and we will forever be indebted to Hope Horses."

Johnson continued, "Today, after seven years of riding, Nate still gets excited and has the biggest smile on his face when you turn off (Highway) 278 onto Convent Road. He absolutely loves it. He knows exactly where we are going."

The evening also included a live and silent auction to raise funds for the program. Live music was provided by Avenue G.

phy and aggravated surveillance," said Cullman County District Attorney Champ Crocker.

"These charges arise after an investigation by the Cullman Police Department discovered 18 additional victims."

Cullman Police Department Public Relations Officer Sgt. Adam Clark said, "I know there were some concerns that Richardson had got out and maybe had some more victims once he got out, but that's not the case here.

"These new charges stemmed from the prior arrest and investigation. More victims were discovered which led to the 53 additional charges."

Cullman Police Chief David Nassetta said he is grateful that this was reported to the police and that they had the opportunity to investigate and uncover what happened.

"This is an example where you have people who were very observant, and they were well aware of their surroundings and what was going on and they were able to alert us to a dangerous situation, and that led to the uncovering of a much larger span of crime that occurred," he said.

Clark commended the district attorney's office and Wal-Mart (Richardson's former place of employment) for their cooperation throughout the entire process.

Clark also thanked lead investigator, Sgt Shannon Cheatwood, the rest of the Investigation Division and Officer Rob Long, who was the initial responding officer.

Olean Harper, 84
Our dear mother, grandmother, aunt, and friend, Olean Harper, was called home to glory on May 7, 2023, and she will be sorely missed. Olean was well-loved and respected by her large family, many friends, and those in the community. She was a hard worker, a good friend, and a Godly example. She worked for 26 years at Fairview High School, and she affected many lives with her sweet and gentle spirit. No one could cook like Olean, and she could grow anything in her garden. She loved flowers and had a talent for making her yard blossom with color. Her home was a safe haven for family and friends. Babies and animals were instinctively drawn to her, and she never met a stranger. If you agreed to play a board game, card game, or video game with her, you had to be prepared to lose because she would win every, single time, even after dementia had started to set in. In the years when dementia sometimes robbed her of her short-term memories, she remained sweet, gentle, and loving. Olean was preceded in death by her husband of 58 years, T.Q. Harper, and by her siblings, Helen Holloway, Hubert "Red" Hampton, Daryl Hampton, Clara Faith Hampton, Dorothy Miller, and Joan Bryant. She is survived by her siblings, Jim (Renee) Hampton, Lester (Janice) Hampton, and Bernice (Donnie) Lambert, and by her children, Debbie (Cliff) Smith, Johnny Harper, Loretta (Robert) Rigdon, Jeff Harper, and JoAnn (Scott) Miller. Olean was known as "Mawmaw" to her 11 grandchildren: Amy (Bo) Alexander, Brent Smith, Laura Rigdon, Chase (Carmella) Rigdon, Stephanie (Jessie) Rodenberry, Freedom Harper, Meagan (Nick) Marion, Levi (Ally) Harper, Braxton Miller, Gage Miller, and Trey Miller. She was also a wonderful "Mawmaw" to her 9 great-grandchildren: Case, Noelle, Langley Alexander/Callen and Harper Rigdon/Annie and Carter Rodenberry/Callie and Colton Marion. Visitation will be from 11 a.m. until 1 p.m. on Tuesday, May 9, 2023, at Cornerstone Revival Center, with the funeral service immediately following.

CULLMAN, Ala. — Another state track meet is in the books and this year the Cold Springs Eagles and Lady Eagles are your Class 2A state champions. The Eagles outpaced Sand Rock by 45 points to claim their state title and the Lady Eagles raced past Francis Marion by 34 points. Addison's boys put on a great performance in Class 1A as well, finishing second behind Loachapoka by just two points and in Class 3A, Vinemont's boys placed third just behind Flomaton and Madison Academy.

There were a lot of gold medals won and new records set by locals over the weekend. Cold Springs' Ethan Edgeworth won gold and set new 2A state records in the 800-meter dash, 1600-meter run and 3200-meter run. Edgeworth was also part of the Eagles 4x800 meter relay team that claimed gold as well. Cameron Nunn collected a gold medal for Cold Springs by besting the field in the pole vault and Reagan Parris brought home gold with a win in the 3200-meter run. Parris also helped lead the Lady Eagles' 4x800 meter relay team to a gold medal as well.

Holly Pond's Daniel Figueroa had a big weekend in Class 2A too, racking up four gold medals in the ambulatory javelin throw, discus throw, 200-meter dash and 100-meter dash.

In Class 1A, Addison's Bradley Willette and Brian Berry each won gold medals in the discus throw and long jump, respectively while the Bulldogs' 4x100 meter relay team placed first as well. Vinemont's Ethan Lemons had another standout performance at the state meet in Class 3A, winning gold medals and setting new state records in both the 1600-meter and 3200-meter runs.

In Gulf Shores, West Point's Aiden Dujoud topped the rest of the 5A field to bring home a gold medal in the discus throw.
