CULLMAN, Ala. — Guests were greeted by a visual display of statistics celebrating The Link of Cullman County's achievements as its annual gala kicked off giving season Thursday, Nov. 2, 2023. Bright and airy greenery adorned tables and guests mingled, indulged in appetizers and placed bids on silent auction items donated by partners of The Link. Others settled in for an evening of recognition of key players who make The Link's mission happen, and a celebration of the more than 21,000 instances of assistance in the community in the last year.

Executive Director Melissa Betts said the theme for the gala, "Planted," came to her by answering a question she gets repeatedly: "What does The Link do?"

"So often people ask, 'What does The Link do?' We plant seeds in good soil, nurture that seed » PAGE 5

VINEMONT, Ala. — Skies were clear, a pale cerulean and perfect for flight on Saturday morning, Nov. 4, 2023, as hundreds filled the pavement at Cullman Regional Airport to honor, celebrate and recognize the more than 7,000 veterans who call Cullman home. The event was a group effort between the Cullman Elks Lodge, airport director Ben Harrison and a man known as "the colonel," Ken Brown.

Gates opened at 9 a.m. with the opening ceremony following shortly after; Cullman Area Technology Academy's JROTC posted colors while Sharon Elliot belted a classic rendition of the national anthem. Local dignitaries spoke of the grave importance of defending the nation, with Sen. Garlan Gudger, R-Cullman beseeching attendees to continue the work started by veterans in upholding the values and freedoms they fought for.

"Those men and women were ordinary people until they heard the call of duty, and they answered it. They left their families, they left their homes, they left their lives. Not for recognition or fame, or even the honor that we bestow upon them today. They fought to protect our country and » PAGE 8

Pumpkin painting to ring in fall at East Elementary

Staff Reports
Contributor

CULLMAN, Ala. — Students from grades 3-5 at East Elementary School celebrated the arrival of fall recently be decorating their own pumpkins as part of a harvest-themed art project.

The East Elementary PTO provided pumpkins, and students had the opportunity to paint them in whatever style or design they wanted. The only requirement? Be creative.

"Since Halloween was over they could do designs, faces or characters on their pumpkin," Judy McBrayer, the elementary art teacher in Cullman City Schools, explained. "I gave them the primary colors and they were able to mix colors to create more options. They really got creative with stripes, faces and dots. There were silly faces, funny faces and some even chose spooky faces coming out of Halloween."

McBrayer said students had a great time painting, and it provided an excellent opportunity for her young artists to get in the autumn mindset with a quintessential art project perfect for this time of year.

See 'Little Satchmo' at Wallace State Nov. 9

Dalton Bright
Contributor

HANCEVILLE, Ala. — The second of five films in the Southern Circuit Tour of Independent Films to be shown at Wallace State Community College may pique your interest even if you aren't a fan of jazz music.

Emmy Award-winning documentary "Little Satchmo" tells the story of Sharon Preston-Folta, the daughter of Louis Armstrong, and how her life was a secret to the public for over 50 years.

Louis Armstrong is known globally as a representation of musical brilliance, unmatched accomplishment and unwavering character. His trumpeting prowess paired with his wholesome image made him a household name.

In public, Armstrong aimed to put on an unforgettable show for anyone, but when it came to his personal life, he kept things private. Perhaps the most private of these was a child whom he hid from the world.

The acclaimed PBS film "Little Satchmo" outlines the life of total secrecy lived by Preston-Folta. The documentary is based on her memoir of the same title where she reveals her identity as the offspring of a love affair spanning two decades between Armstrong and Harlem-based dancer Lucille "Sweets" Preston.

Throughout the 1960s, Armstrong mailed letters and cassette tape recordings of his voice to Preston and his then-secret daughter.

"Little Satchmo" features a selection of these intimate conversations as well as thoughts from Preston-Folta herself.

She shares her own feelings of love and hope, resentment and disappointment to display the complex family dynamics between her and her father. The documentary resonates with themes such as family, identity, race and belonging.

Armstrong was a present and integral figure in his daughter's life but mention of their relationship never went farther than immediate family.

"Publicly flaunting a child fathered with his mistress wasn't exactly an option for Louis Armstrong," said Preston-Folta in the film's trailer. "He always wanted to be a father, but we had to keep it all secret."

The film made its premiere in Armstrong's hometown of New Orleans in March 2022.

The film is narrated by New Orleans-native John Boutté and features original music from Grammy Award-winning composer Eddie Korvin. Shown globally, "Little Satchmo" has picked up top prizes in France, Switzerland, Spain, Italy, Japan and the USA.

Director John Alexander and producer JC Guest are scheduled to attend the screening on Thursday, Nov. 9 at noon in the Bailey Center Auditorium.

Alexander and Guest previously created "This Is Love," a documentary about the life of soul singer Rudy Love that won the Raindance Spirit Award in 2018.

View the movie trailer at www.littlesatchmodoc.com.

WALLACE STATE

Sharon Preston-Folta holds a photo of her father Louis Armstrong. Preston-Folta spent over five decades of her life not being able to share the truth of who her father was.

Other films scheduled in the series include:

- "Butterfly in the Sky" on Feb. 15
- "Master of Light" on March 14
- "Hollow Tree" on April 18

All films are free and open to the public. They are an extension of Wallace State's Burrow Museum offerings in conjunction with Wallace State Student Engagement.

PREP FOOTBALL RECAP

4 local teams cap regular season with wins

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. — The 2023 regular season is now officially in the books and several local squads wrapped up their campaigns with big wins Friday night. The Hanceville Bulldogs travelled to East Lawrence and returned home with a 41-26 win, Addison routed Shoals Christian 44-6 in its regular season finale, Fairview handled Randolph 41-7 and the Vinemont Eagles capped the regular season with a 40-24 win over the rival Holly Pond Broncos.

Fairview 41 – Randolph 7

Randolph got the ball to start out the game, and a huge 37-yard pass play quickly put them at the 38. They collected two more first downs, as they were now at the 17. A wobbly pass ended up getting picked off by Fairview's Cade Yeager at the four. On the third play of the series, Carson Jones ripped off a 39-yard run to put the Aggies at midfield. Later on during the drive, back-to-back huge runs by Jake Harper, plus a nine-yard pass from Kolt Redding to Ashton Mcleskey, put the Aggies at the eight-yard line. But a fumble backed them up to the 16, and Redding ended up missing the field goal attempt.

The Raiders collected a pair of first downs early on in their next series, but a pair of penalties on the same play quickly pushed them behind the sticks, and they were forced to punt. The Aggies got the ball at the 40, and Harper didn't waste any time finding the end zone, as he ripped off a 60-yard touchdown run on the first play of the series, to give Fairview a 7-0 lead with 1:24 left to go in the first quarter. Randolph converted a huge fourth down play to keep its next series alive, then a face mask penalty on Fairview put the Raiders at the 40. A huge tackle for a loss by Blake Rickard on third down forced Randolph to punt; it was blocked, and the Aggies started their next series at the 46.

Another big run by Harper, plus a 10-yard pass from Redding to Yeager, quickly put them at the 16. Jones ran the ball on the final three plays of the series, including a one-yard score, to give the Aggies a 14-0 lead with 7:33 remaining in the first half. Fairview's defense forced another turnover on its next possession, as Mcleskey picked off a Raider pass at the 46.

Jones ripped off a 41-yard run on the first play, which put the Aggies at the five. On the third play of its series, after a fumbled snap, Redding was able to take it in for the two-yard score to make it a 21-0 lead for Fairview with 4:20 remaining in the first half. After giving up a couple of first downs on its next series, Fairview's defense stiffened and forced Randolph to turn the ball over on downs. The Aggies would take a 21-0 lead into the locker room.

Fairview picked up from where they left off in the first half, as Jones rushed for 43 yards on their opening series of the second half. The drive ended with Redding finding Yeager for a 15-yard score to give the Aggies a 27-0 lead. Randolph, though, avoided the shutout as a 51-yard touchdown pass cut it to 27-7. Fairview had a quick respond on its next series, as Jones started things off with a 30-yard run, then two plays later, Harper ended the drive with a 28-yard score to make it 34-7. Three punts later, the Aggies put up their final touchdown of the night on a 32-yard run by Jase Stevens. Fairview would end up getting a 41-7 win over Randolph to finish their regular season with a 9-1 record.

Jones led the way with 203 yards on 16 carries and a touchdown for the Aggies. Harper added 143 yards and a pair of scores on the ground. Stevens ended up with 63 yards rushing and a score, and Braiden Brooks added 49 more on the ground, as Fairview finished with 468 yards on the ground on the night. Redding finished 5/7 for 40 yards and a touchdown and added a rushing touchdown as well. Yeager finished with a touchdown reception and an interception as well. Mcleskey ended up with an interception as well.

Fairview will now start preparing to host John Carroll in the first round of the Class 5A state playoffs this week.

Vinemont 40 – Holly Pond 24

Vinemont received the ball first and drove right down the field, but the Broncos got on the board first when Juan Yanez recovered a fumble and raced 85 yards the other way to put the Broncos up 8-0 early in the first quarter.

Holly Pond got the ball right back after a successful onside kick, but the Eagles defense stepped up to force a three and out. Vinemont then went on a lengthy drive and tied the game at 8 late in the first quarter when Josh Rhodes scored from 19 yards out. On the ensuing possession the Eagles defense stiffened and got a fourth down stop, their offense converted a fourth down and later found the endzone to go ahead 16-8 when Diego Rodriguez scored on a 4-yard run early in the second quarter.

The Eagles got the ball back after a three and out, midway through the second quarter Rush Sandlin found Dawson Wilhite for a 16-yard touchdown to put the Eagles up 24-8. Vinemont forced an incomplete pass on fourth down to stop a Bronco drive with just under 2 minutes remaining in the first half. The Eagles were driving and looking to extend their lead before halftime but a 61-yard scoop and score by Zane Faulkner cut the lead to 24-16.

Holly Pond came out of the locker room and went on a lengthy drive and tied the game at 24 with just over 5 minutes remaining in the third quarter. Vinemont returned the favor and went on a lengthy drive of their own and regained the lead, 32-24, early in the fourth quarter when Rush Sandlin plunged into the endzone from a yard out.

The Broncos were getting close to the red zone to potentially tie the game, but Kyler Pugh recovered a fumble to give the ball back to the Eagles. Four plays later Kayden Henderson raced 58 yards to put the Eagles up 40-24 with 3:23 remaining in the game. On first down Sawyer Olinger connected with Boston Gibbs for a big gain, on the next play the Broncos went deep and were picked off by Malachi Adams. Vinemont was able to run out the clock to secure a 40-24, senior night victory and finish the regular season 4-6.

The Eagles will now turn their attention to the opening round of the state playoffs. Vinemont will travel to take on Sylvania in round one Nov. 10.

Hanceville 41 – East Lawrence 26

East Lawrence returned the game's opening kickoff back for a touchdown to take an early, 6-0 lead over but the Bulldogs responded quickly. Hanceville drove down the field on its first possession and capped a scoring drive with a 15-yard touchdown pass from Hunter Black to L.J. Smith to tie the game at 6. The Eagles hit back on the ensuing possession, scoring on a 30-yard touchdown pass to move back in front 12-6 with seven minutes to play in the first quarter.

Later in the second quarter, another Eagles touchdown put East Lawrence in font 18-6 but the Bulldogs dominated the final five minutes of the half. After a big gain on a completion to J.T. Davis moved Hanceville across midfield, Black found Leith in the back of the end zone for a touchdown to cut the lead to 18-12 with 3:26 on the clock. The Eagles lined up to punt on their next possession, but the kick was blocked by Smith and scooped up by Leith who ran it into the end zone for another Bulldogs touchdown. After a successful two-point conversion, Hanceville went into the halftime break leading East Lawrence 20-18.

The Bulldogs' first possession of the second half ended with a turnover on downs but after the Eagles moved into Hanceville territory a few plays later, an interception by Smith cut the scoring opportunity short and gave the ball back to the Bulldogs midway through the third quarter. A big gain on a quick screen pass to Davis set up Hanceville's offense deep in Eagles territory and the Bulldogs capped off the drive with a 5-yard touchdown run from Keiton Whaley, stretching the lead 26-18 with less than three minutes remaining in the third.

Hanceville forced a turnover on downs to stop the next East Lawrence possession and the Bulldogs capitalized on the turnover when Eli Clements took a handoff on the next play and went 80 yards to the house for another Hanceville touchdown to make it a 34-18 game with just over 10 minutes to play. An interception by Boston Brewer cut another scoring opportunity for East Lawrence Short and gave the ball back to the Bulldogs with great field position with eight minutes remaining. A few plays later, Leith scored from 10 yards out on a reverse to stretch the Hanceville lead to 41-18. The Eagles found the end zone one more time before the final horn sounded but it wasn't enough to overcome the Hanceville lead and the Bulldogs wrapped up the season with a 41-26 win over East Lawrence.

Addison 44 – Shoals Christian 6

The game started out well for Addison as they kicked off to Shoals Christian and forced a quick three and out. On the Flame punt the snap went over the punters head and Addison got the ball at the Flame 15-yard line. Two plays later, Addison's Jed Wilkins ran it in from 14-yards out for the touchdown. The two-point was no good and with 9:19 to go in the first quarter, Addison led 6-0.

Addison forced another punt, but this time Addison gave the ball right back to Shoals Christian on an interception. Shoals picked up a first down on a penalty, which moved the ball into Bulldog territory, but Addison held them at their own 29-yard line on fourth and two.

Addison took over possession and decided to lean heavily on their offensive line against the overmatched Flame. Five running plays later Addison was down to Flame 35-yard line with a first and ten. The first big play on the drive was a fake punt by Wilkins who on fourth and one ran around the end for 13-yards and a first down. Braden Luker then capped off the drive with a nice cut back run to take it the distance from 35-yards out. Luker then ran in the two-point conversion and with 1:09 to go in the first quarter, Addison had stretched their lead to 14-0.

Addison's Seth Hammack then picked off a Flame pass to end the Flame possession on their second play of their next drive. Mr. Luker, on the very next play, galloped 75-yards for the third Bulldog touchdown of the first quarter. The two-point was no good and with only 29 seconds to go in the first quarter, Addison led 20-0.

Shoals then mounted a quality drive starting at their own 35-yard line. Using the pass, Shoals drove down to the Addison 16-yard line, but Addison held firm. A fourth down Flame pass was batted down in the endzone, and Addison took over at their own 16-yard line.

The Bulldogs took over and again, committed to the ground game. Luker ran for 13, Elijah Roberts for 6, Wilkins for 15 yards and then two Jacob Mauldin runs for 13 yards got the ball down to the Shoals 37-yard line. Addison then had Shoals looking for the run and that is when Wilkins pulled up and hit a wide-open Kayden Dyson down the middle for a 37-yard touchdown catch and run. Dyson was so open he could have crawled the 37-yards and still scored. Hayden Holland ran in the two-point conversion and Addison led 28-0.

Shoals then took over with just a shade over three minutes to go in the first half. The undermanned kids from Shoals didn't quit and quickly drove down the field through the air. Addison had Shoals facing a fourth and eight at the Bulldog 22-yard line when Shoals QB John Bachofer found Sam Storie on an out route and connected for a 14-yard completion and a first down. Bachofer then hit Rylan Pettus for an 8-yard touchdown pass with only five seconds to go in the first half. The extra point was no good and at the half, Addison's lead was cut to 28-6.

Addison received the second half kickoff and was determined to take the momentum back from the Flame. On a third and ten play from the Bulldog 38-yard line, Wilkins ran around left end and following his blocks, jaunted 62-yards for the touchdown. Luker ran in the two-point conversion and Addison had reestablished their momentum. Addison led 36-6 with 10:06 to go in the third quarter.

The Dawg Pound Defense stood tall on the next Shoals possession and then the Flame made the mistake of punting to Wilkins. Wilkins then did his best David Palmer impression by returning the punt 60-yards, untouched, for another Bulldog touchdown. Luker ran in the two-point conversion and Addison had stretched the lead to 44-6. with 7:15 to go in the third quarter. This would be the last of the Addison starters that you would see as Coach David Smothers sent in the young Pups to finish out the game and wrap up a 44-6 win for the Bulldogs.

Addison moves to 8-2 (6-1 region) and will host Pickens County next Friday night in the first round of state playoffs.

MARTHA NEEDHAM/THE CULLMAN TRIBUNE

Fairview's Carson Jones (26) led the Aggies with 203 yards and a touchdown in their 41-7 win over Randolph Friday night.

HOWARD COLE/THE CULLMAN TRIBUNE

Vinemont defeated Holly Pond 40-24 Friday night to finish the regular season at 4-6.

and watch it grow," she explained.

"People come to us in crisis or in need of support, and often in need of both.

"In crisis, we work to help stabilize, and when in need of support, we guide them through long-range planning.

"Either way, we are planting, nurturing and supporting growth in the lives of our Cullman County neighbors."

Betts explained that "seeds" refer to the many programs The Link offers to better the lives of those in need in the community.

"That might be food assistance, rental assistance, counseling or therapy hours, case management, literacy tutoring or renewal or parenting courses," she illustrated, saying that while many may have a vision of what they assume a typical Link client looks like, the nonprofit has ministered to students, youth, teens, adults, seniors and everyone in between.

This kind of full-scale renewal doesn't happen with just the eight members on staff, though, and recognizing the key players was a highlight of the night.

"There are only eight of us on staff and no way we do this on our own," said Betts.

"We have surrounded ourselves with servant-hearted volunteers who have come alongside us as 'staff.'"

Board Chairman Ory Hampton agreed, saying, "We are so blessed with a great staff at The Link, but it takes so much more than a handful of people to assist in meeting the needs of our neighbors around us.

"We had the chance to honor several people whom we would refer to as staff-level volunteers – high-capacity people in the community who use their time, talent and/or treasure to answer the call of meeting our neighbors where they are and planting that seed of hope and relationship."

Seven of those staff-level volunteers were given etched wooden plaques to recognize them for their efforts to better their community, their ability to work in tandem with The Link and the legacy left by them for the volunteers coming after them:

- Personal Pathways Award: Christy Lindsey
- Family Foundations Award: Heath Tinker
- Educational Enrichment Award: Hailey Kilpatrick
- Supportive Services Award: Jennifer Clark
- Youth Legacy Impact Award: Aliyah Guthrie
- Legacy Award: Don and Nancy McKenzie

While these volunteers are giving their all, Betts said there's still room at the table for more people who have lived through the crises of life and want to help pull others out of their own crises, appealing to the community at large to continue planting seeds.

"If you have time to give, call us.

"We need your gifts, time and talents if we are going to continue to reach the big needs our community has," she smiled.

MOBILE, Ala. — Wallace State Community College Volleyball won their 14th conference title in 15 seasons and their 24th overall in a hard-fought battle against Enterprise State Community College at the Alabama Community College Conference/National Junior College Gulf South District Tournament over the weekend in Mobile.

The victory came down to a win in the if-game of the double-elimination tournament after the Boll Weevils gave the Lions their only defeat of the tournament during the first championship-round game. That game was a rematch after the Lions handed the Boll Weevils their first loss of the tournament on Saturday in a five-game set. But Enterprise State bounced back to meet the Lions once again in the championship round, winning that game 3-2 to force a third game between the teams during the tournament. That final match was another five-game set, with the Lions winning 3-2.

"I am very happy with my team because of how tough they are mentally and physically," WSCC Coach Randy Daniel said. "They never gave up and fought extremely hard to earn this championship. Enterprise is a very talented team and challenged us for three matches, but we were able to keep fighting and win."

The tournament win punches Wallace State's ticket to the National Junior College Athletic Association's Division II National Tournament Nov. 15-18 in Cedar Rapids, Iowa.

Tournament seedings will be released on Thursday, Nov. 9. The Lions are ranked 16th nationally in the Division II rankings as of the week of Oct. 30.

After the win in Mobile, Daniel was named the Gulf South District Coach of the Year. Sophomore Anna Clare Hutto of Lawrence County was named both the ACCC and Gulf South District Tournament Most Valuable Player, adding to hardware she received at the beginning of the tournament as both the ACCC Player of the Year and North Division Player of the Year.

WSCC

Wallace State's Volleyball Team won this year's ACCC/NJCGS District Tournament in Mobile Sunday.

She was also named to the ACCC All-Region and All-North First Teams.

Fellow sophomores Braelee Quinn of West Point, Lexi Weber of Alexandria and Marley Wakefield of Corner all were named All-Tournament award winners. Quinn, sophomore Makayla Lindsey of Winston County and freshman Choe Jackson of Athens were named to the ACCC All-North Second Team.

"Our sophomores are amazing leaders on and off the court and credit goes to them for leading us," Daniel added. "This team is the hardest working, most disciplined team I've coached. I truly love every minute of being around them because of their dedication to our program. We are not done yet, hopefully we can challenge for a National Championship in Cedar Rapids."

80 YEARS ANNIVERSARY 1943-2023

Thank you, Cullman, for the best 80 years of our lives.

In 1943, when the Paul R. Knight Insurance Company opened its doors in downtown Cullman, there was no way of knowing what the future would bring. Paul Knight was a 30-something father of of three, registered for the World War II draft, with no idea that his new venture would not only succeed but would ultimately pass down through three generations of his family. Then his son-in-law Elliot Free joined the business in 1970, the agency was re-named Knight-Free, and the rest is history.

But it's a history that wouldn't have happened without you, Cullman. We never forget that. For 80 years, you've trusted us to insure your homes, your cars, your businesses, your lives. You've become our friends, our neighbors, and our reason to turn up at the office every day. You're also the reason that, after all these years, Elliot's son Wescoat Free is still running the independent insurance agency that bears his family name. And, for that, we can't thank you enough.

ACES: Master Gardener spring registration now open

Katie Nichols
ACES

AUBURN UNIVERSITY, Ala. — Do you want to take your gardening knowledge to the next level? Do you love volunteering? Are you passionate about your community? Register now to become an Alabama Cooperative Extension System Master Gardener (EMG).

The EMG program is familiar to many Alabama residents. However, the program's delivery methods have recently changed, making attendance and participation easier for those wishing to participate. Emily Burchfield, the EMG program administrator, said the statewide schedule allows individuals from across the state to learn and grow together.

"We have worked hard to make the statewide course schedule something that appeals to all of our EMG interns," Burchfield said. "Encouraging all of our counties to hold classes at the same time brings strength and depth of service. We are looking forward to the fall course and hope to have many Alabama residents join us as EMG volunteers."

Registration and spring courses

Registration for the EMG spring courses opened Nov. 1. Those who are interested need to register online to begin the application process. Registrants will receive an email with instructions for completing the remainder of the process. Applications will be accepted through Nov. 30.

The courses begin Jan. 18, 2024, and wrap up April 11, 2024. To become a certified volunteer, interns must earn an Extension Master Gardener Course Certificate and complete a minimum of 50 Extension volunteer hours within a 12-month period. Attendees do not have to complete an EMG course in their county of residence but should note that travel will be required for any EMG course completion.

To register and to see a comprehensive list of counties facilitating a spring EMG course, visit the Become an Alabama Extension Master Gardener Volunteer web page at www.aces.edu.

About Master Gardeners

The concept of the Master Gardener volunteer program began at Washington State University. In Alabama, it began in 1981 with Gary Murray, an Extension agent, and Mary Lou McNabb, a Cornell Extension Master Gardener who moved to Huntsville.

The EMG program represents an effective partnership between Alabama's land-grant universities, Alabama Extension agents and motivated volunteers. To that end, volunteers have opportunities to work with Extension programs, federal, state and county agencies, and local schools and organizations. Many communities benefit from EMG beautification projects and volunteers. EMG volunteers also devote lots of time and effort to local schools and students.

Garden-U

Not interested in volunteering? Unable to travel? Interested in research-based gardening? Register for the Alabama Extension horticulture training course as a Garden-U participant and receive a certificate upon completion of the training. Because there is no volunteer commitment, Garden-U participants do not become Alabama Master Gardeners. Learn more about Garden-U at www.aces.edu.

One night I dreamed a dream. As I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, One belonging to me and one to my Lord. After the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that at many times along the path of my life, especially at the very lowest and saddest times, there was only one set of footprints. This really troubled me, so I asked the Lord about it. "Lord, you said once I decided to follow you, You'd walk with me all the way. But I noticed that during the saddest and most troublesome times of my life, there was only one set of footprints. I don't understand why, when I needed You the most, You would leave me." He whispered, "My precious child, I love you and will never leave you Never, ever, during your trials and testings." When you saw only one set of footprints, It was then that I carried you."

FAIRVIEW, Ala. — The Fairview Senior Center is looking for a volunteer to deliver meals to local homebound clients.

Fairview Senior Center Manager Angie Carter said the homebound clientele depend on them to deliver meals weekly.

"If you love seniors and want to help deliver meals, please contact the center," Carter said.

"The volunteer would come to the center and pick up your cold and hot items that have to be delivered, then deliver the meals to people that are on the designated route sheet. The volunteer would leave the meal with homebound clients and document how they are doing and that they received the meal."

Carter said the job is not difficult; in fact, it's quite rewarding.

"The volunteer would just have to learn the route," Carter said. "The routes do change from time to time because of a client potentially passing away, going into the nursing home or they could just cancel their meals orders.

We can also add new clients to current routes for the volunteers. But this process is truly a blessing to our homebound people, and the drivers in turn, get a blessing out of it, too."

To volunteer or for more information, contact the Fairview Senior Center at 256-796-6714 between 8 a.m.-2 p.m., Monday through Friday.

Celebration (from Front)

maintain our way of life," said Gudger.

"It's part of who we are, and it's events like this that help us maintain that and honor our veterans," echoed Cullman Mayor Woody Jacobs.

With the closing of the ceremony, the day was free and clear for attendees to check out dozens of historic aircraft, visit booths promoting services for veterans of every era, indulge in delicious burgers and barbecue and even take a ride in a Bell UH-1 Iroquois "Huey" helicopter as they soaked up the autumnal sun.

Brown said the flow of this year's event was par for the course. "We had a fantastic program today at the airport, and we have a lot of great veterans to honor in Cullman County," he said, gesturing to the hundreds of veterans filling the space of the airfield.

Brown touched on the working relationship between himself, the Elks Lodge and the airport, noting the teamwork it takes to make an event of this scale come to life.

"Ben Harrison and his staff (have) done a great job of preparing everything for us and getting these aircraft in and out safely. You know, when you have a crowd of people and a bunch of propellers going, you have to be very, very careful," he laughed. "Ben and his guys do a great job. The Elks Lodge does a great job planning this every year, and we're just very proud to do this every year."

Harrison shared Brown's congeniality, agreeing that the relationship he's enjoyed with Brown and the Elks Lodge has enabled the event to grow bigger and better each year.

CAYLA GRACE MURPHY/THE CULLMAN TRIBUNE

A patch on a veteran's vest serves as a humble reminder, "Freedom isn't free."

"We've been doing this for years; we start the process with the colonel after the first of the year and it's a lot of coordination and understanding, as far as what he needs and what the airport can provide," said Harrison. "Without that coordination and communication, we wouldn't be able to pull this off. Plus, without the help from the City, County and Elks and everyone else involved; it's a team effort to put it all together!"

Harrison touched on the several vintage aircraft at the event, saying that for many Cullman residents, it's a sight they've never seen, and for the honored guests of the day, it's a sight they never thought they'd see again.

"We think it's really great for the general public to come out and see, for these veterans to come out and remember," he smiled. "It's a great way for us to give back to the community and the veterans; without them obviously we wouldn't be able to do this."
