Cullman City Council recognizes wastewater plant, rated top in state

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. — The Cullman City Council on Monday took a moment in its meeting to recognize the city's wastewater treatment plant, which was recently rated the best in Alabama.

Council Utilities Committee Chairman David Moss told the council and audience, "For the second time in three years, Cullman's wastewater treatment plant is recognized as the best operated plant in the state of Alabama, in its category. This is based on test results, the safety, overall operations. So they finished in the top three the last four years, but they're recognized as the No. 1 plant in the state, and it's a very competitive thing, and it's something to be very proud of."

CULLMAN, Ala. — Cross Creek Golf Course hosted the 4th annual John E. Hunt Memorial Golf Tournament Saturday and 30 teams consisting of more than 100 players entered to participate. Proceeds from the event go toward funding the Hunt Family Foundation's scholarship programs as well as supporting other community events and athletes.

The tournament was first held in 2021 after longtime Cullman Parks and Recreation Director John Hunt passed away in March 2020. The Hunt Family Foundation runs the event each year and the proceeds from the tournament go toward funding scholarships to Auburn University and Wallace State Community College for Cullman County Students. John's wife, Elizabeth Hunt was happy to report another great turnout for this year's tournament and thanked the community for its continued support of their family's cause.

"We are so overwhelmed, blessed and grateful. This has exceeded all of our goals. We didn't have any expectations and didn't know where it would lead but it has continued to grow and people still want to come out," Hunt said. "I think it just goes back to how John touched the community and how he left his fingerprints on the things he was able to assist with bringing to the Cullman community. That's what we want to do. We want to keep that going on his behalf and the community's as well. I also want to thank Cullman Parks & Rec and all of our sponsors for helping make this possible."

Over the past year the Hunt Family Foundation has been able to contribute to several causes in the community including a couple of parks & rec projects. The foundation is also continuing to fund scholarships for local students at Wallace State and Auburn University.

Good Hope City Council approves geotechnical engineering services for multiuse storm shelter/community center project

Nick Griffin
nick@cullmantribune.com

GOOD HOPE, Ala. — The Good Hope City Council held its second August meeting at Good Hope City Hall Monday night and approved a new resolution to take the next step in its multiuse storm shelter/community center project. The council approved Resolution No: 021-2024 to enter into a contract with Terracon Consultants, Inc. to provide Geotechnical Engineering Services on the site. The project is located west of the intersection between Beech Grove Road and Daystar Drive.

The council also shared that the joint effort with the City of Cullman to prep and pave Industrial Park Road from REHAU in the Cullman city limits to Lindsey Road in Good Hope city limits got underway Monday as well.

Good Hope also recently completed a project to connect the sewer lines from County Road 222 to the subdivision being built on Mize Road North.

City Planner Corey Harbison said the developer is putting in sewer lines and a pump station, and after the City completes its inspections, the developer will be able hook its lines directly into the City's existing gravity lines.

The council also granted a manufacturing license to Ethos Craft Brewing LLC and Bloom Winery to change their names to E and B LLC as one entity.

The Good Hope City Council will hold its next regularly scheduled meeting Monday, Sept. 9, at 6:30 p.m.

Buck is unassuming and gentle, understands personal space and is truly the quintessential companion/therapy fellow.

Come save Buck and enjoy his loving company!

Sammy Confer

WEST POINT, Ala. — The West Point Lady Warriors hosted Clay-Chalkville and Corner for a tri-match Tuesday night. West Point swept the Lady Cougars in two sets but fell to the Lady Yellow Jackets in a hard-fought, three-set second match.

West Point 2 - Clay-Chalkville 0 (First Match)
West Point jumped out to a quick 4-0 lead behind a kill and a pair of points by Macie Brown and an ace by Patton Fell. Their lead continued to grow throughout the first set. A point and a kill by Laklin Shadix, plus an ace by Charli Aris, stretched the Lady Warrior lead to 10-3. Katie Beth Yovino collected a pair of aces and Caitlee Simmons added a point, as West Point's lead swelled to 17-4. Violet Riddle put up a point and a pair of aces to make it a 23-8 game, and the Lady Warriors would go on to win the first set, 25-9.

The second set was a little closer than the first one. West Point held a 6-3 lead behind a point by Simmons, but Clay-Chalkville came back to tie things up at eight. Shadix put up a kill and an ace, and Yovino added a kill as well, as the Lady Warriors took a 12-8 lead. Just like the first set, they added onto their lead. West Point held a 14-10 lead, but they scored the next five points, one on a point by Simmons, and the next three on a point and back-to-back kills by Adrianna Owens, to help stretch their lead to 19-10. The Lady Cougars cut it to five later in the set, but they wouldn't get any closer after that, as Anna Taylor's ace helped seal the 25-16 win for the Lady Warriors.

In the first set, Brown finished with a pair of points and a kill. Riddle added a pair of aces and a point, while Yovino collected a pair of aces of her own in the win. In the second set, Shadix led the way with a pair of kills, an ace, and a point. Aris added a pair of kills and an ace. Owens collected a pair of kills and a point, while Simmons put up a trio of points in the win.

Corner 2 - West Point 1 (Second Match)
Both teams went back-and-forth to start out the first set, then West Point broke a 4-4 tie in a big way. They went on an 8-0 run, as five different players helped the Lady Warriors take a 12-4 lead. They later pushed their lead to 15-6, and despite a late push by Corner to get back in the game, West Point was able to hang out and get the 25-17 win over the Lady Yellow Jackets.

The second set saw Corner jump out to a quick 6-1 lead and later pushed their lead to 12-3. The Lady Warriors went on a huge rally to get back in the game, as they scored the next seven points, which included a trio of aces by Yovino, and a point by Simmons, to cut it to 12-10. Later on in the match, an ace and a point by Simmons made it a 14-13 game. The Lady Yellow Jackets held a 21-17 lead, but behind a kill by Bella Thornton, a point by Simmons, and an ace by Aris, Corner's lead was cut to one at 21-20. Later on in the set, a pair of kills by Shadix gave West Point a 23-22 lead, but Corner collected the final three points of the set to win, 25-23.

It was close throughout the third and deciding set. Corner held onto a 6-4 lead, but a kill by Simmons cut it to 6-5. The Lady Yellow Jackets scored the next five points to take an 11-5 lead, but the Lady Warriors cut it to 12-9 on a point by Patton Fell. West Point didn't get any closer after that, though, as Corner would go on to take the third set, 15-10.

CULLMAN, Ala. — Cullman Volleyball kicked off their season with a resounding victory against rival Hartselle, sweeping the Tigers 2-0 in their opening tri-match. This win was particularly significant as it marked Coach Amy Hudson's first career victory as the head coach of the Bearcats. Cullman came out strong right from the start, setting the tone for the match with an aggressive and well-coordinated team performance.

In the first game, the Bearcats showcased their dominance, racing ahead to a comfortable 25-17 win. Their offensive power was on full display, with key players delivering powerful spikes and precise serves that kept Hartselle on the defensive. Cullman's defense was equally impressive, consistently shutting down Hartselle's attempts to mount a comeback. The Bearcats' teamwork and communication were evident as they moved seamlessly on the court, executing plays with precision and confidence.

The second game saw Cullman continue their aggressive play, maintaining their momentum and energy. Hartselle tried to regroup and put up a stronger fight, but Cullman's relentless attack and solid defensive strategies proved too much for them. The Bearcats sealed the second game and the match, earning a decisive victory that highlighted their potential for the season.

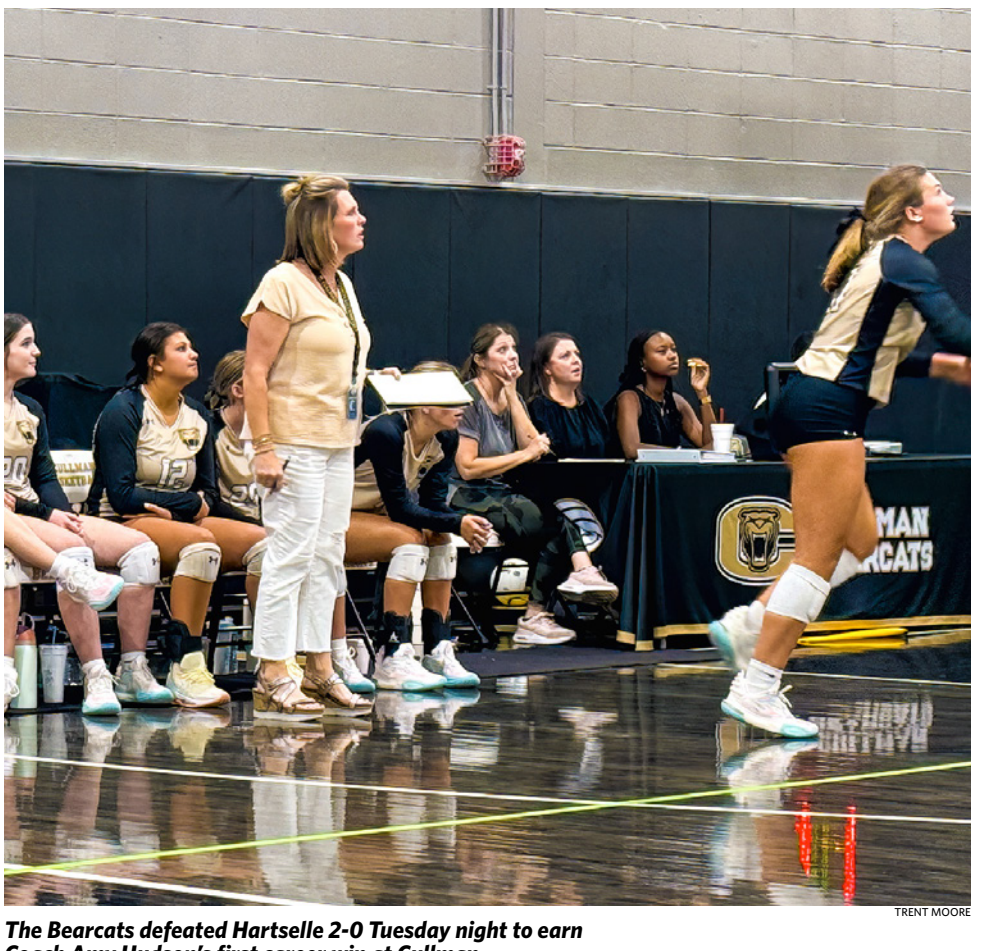

This triumph not only gave Coach Amy Hudson her first win as a Bearcat but also set a strong foundation for Cullman's season. The team's performance against a rival like Hartselle suggests that they are well-prepared and determined to make a mark this year.

With their eyes set on more victories, the Bearcats have clearly established themselves as a formidable force to be reckoned with.

In the second match of their opening season tri-match, the Cullman Bearcats faced off against Springville in an intense, three-game showdown that kept fans on the edge of their seats. After an initial win in the first set, Cullman found themselves locked in a tight battle as Springville fought back to claim the second set. With the match tied at one set apiece, the deciding third set was a nail-biter that demonstrated the Bearcats' grit and determination.

As the third set unfolded, both teams exchanged points with neither side able to establish a clear lead. With the score at 13-11 in favor of Springville, Cullman found themselves on the brink of defeat. However, the Bearcats showed incredible resilience and poise under pressure. Rallying together with impressive teamwork and a never-give-up attitude, they managed to score four unanswered points, turning the game around and securing a thrilling victory.

The Bearcats' ability to come from behind and clinch the win was a testament to their mental toughness and unity as a team. Key players stepped up when it mattered most, delivering crucial serves, blocks, and attacks that kept Springville on their heels. The crowd erupted in cheers as Cullman closed out the match, showcasing not only their physical skills but also their strategic prowess and composure in high-stakes situations.

TRENT MOORE

The Bearcats defeated Hartselle 2-0 Tuesday night to earn Coach Amy Hudson's first career win at Cullman.

This victory over Springville, coming on the heels of their win against Hartselle, marked an impressive start to Cullman's season. The Bearcats' performance in both matches highlighted their potential and the effectiveness of Coach Amy Hudson's leadership. With two hard-fought wins under their belt, Cullman has set a strong foundation for what promises to be an exciting year in volleyball.

Iron Sharpening Crew hosting Young Men Brotherhood Breakfast Sept. 7

Gauge Day
gauge@cullmantribune.com

The upcoming Young Men Brotherhood Breakfast is set for Sept. 7 at 8 a.m. at the Crane Hill Community Center. This event, organized by the Iron Sharpening Crew, offers a unique opportunity for young men to gather for fellowship and Jesus, enjoy a free breakfast and have a chance to win door prizes.

Noah Henderson, founder of the Iron Sharpening Crew ministry and a local youth leader, shared the vision behind the event: " I have been a youth leader for roughly three years now. I was approached by my brother-in-law and we discussed the need for fellowship with other young men.

"There are so many people who think you can only meet Jesus in a church, and I believe that God will use this ministry to show people that God will meet you wherever you're at."

The Iron Sharp Crew plans to hold monthly gatherings at various locations to foster fellowship and spiritual growth in Jesus among young men.

"We plan on meeting monthly at different locations such as houses, community centers and hunting camps to prove that God is present where one or more is gathered in his name," Henderson shared.

This month's breakfast coincides with the opening day of dove season, and door prizes will include dove decoys, hunting backpacks and skeet throwers.

Last month's event saw several men gather and win prizes such as grills, binoculars and coolers.

Henderson emphasized the importance of the community aspect and extended an invitation to any young man who may want to attend: "I can't take credit for any of it though because God has already moved so much and I have incredible friends that have put so much time, effort and money into making it all happen so far.

GAUGE DAY/THE CULLMAN TRIBUNE

The Young Men Brotherhood Breakfast will take place on Sept. 7, at 8 a.m. at the Crane Hill Community Center. Any young men interested in building their relationship with God is invited. Free breakfast and door prizes will be available to attendees.

"I'm thankful for this opportunity and want to extend the invitation to any young man who is interested in hanging out and strengthening their relationship with God."

For more information or updates on upcoming events, follow the "Iron Sharpening Crew" on Facebook, or contact Noah Henderson at 256-531-4049. The Crane Hill Community Center is located at 15123 County Road 222, Crane Hill, AL, 35053.

CULLMAN, Ala. — The Cullman County Commission on Aging operates seven full-time senior centers in the area: Colony, Crane Hill, Cullman, Fairview, Hanceville, Holly Pond and West Point. Each center is open Monday-Friday and offers area seniors a place of respite with fellowship, fun and food with their peers and neighbors.

Staff and volunteers operate the hubs daily, and each center provides elderly residents a hot and homemade meal Monday-Friday. Volunteers are desperately needed to deliver meals to homebound seniors who cannot attend in person.

Cullman County Commission on Aging Nutrition Coordinator Laurie Knight said, "We would not be able to provide these meals without the help of volunteers."

Meal delivery volunteers should be able to donate two to three hours of their time on any given day, Monday through Friday.

Typically, volunteers arrive at their chosen center between 9:45-10 a.m. to pick up the prepared hot meals along with a delivery list with recipients and addresses. Volunteers usually complete their routes by noon.

Meals delivered to the doorstep of a homebound senior provide more than just sustenance and nutrition.

Explained Knight, "They are also providing a daily wellness check and some socialization to our homebound, which is very important as well."

Having the additional hands and help of community volunteers to deliver meals also allows each center's staff more time to spend planning and overseeing activities for participants who attend the center on a regular basis.

Individuals interested in meal delivery volunteer opportunities should contact Laurie Knight at lknight@co.cullman.al.us.

of Miracles and help with the refurbishing of that. We were also able to make a donation to the new splash pad at Heritage Park and we had several opportunities throughout the year to buy sports equipment and help pay registration fees for some kids to play their chosen sport with parks & rec," Hunt said. "This year we will focus a lot on paying registration fees in the spring. We have endowed the scholarship at Auburn and then we continue to give to Wallace State for Cullman County students as well. John's passion was to make sure that families had the opportunity for their kids to play sports and he considered it his mission to work in that field. He wanted to help remove obstacles for them to play, and we are very touched that people continue to come out and support those causes."

CULLMAN, Ala. — St. Bernard Prep School will host the eighth annual Bernard Blues & BBQ Arts & Crafts Festival Saturday and Sunday, Sept. 7-8, from 9 a.m.-4 p.m. each day, on the grounds of St. Bernard Abbey and Prep School. It will be, according to organizers, "an unforgettable weekend of mouthwatering barbecue, artisanal crafts and soul-stirring blues music."

"The festival promises a sizzling spectacle with dozens of Kansas City Barbeque Society (KCBS) Backyard Cook teams igniting the school parking lot in heated battles of BBQ chicken and ribs. Talented teams from across the Southeastern United States will compete in the 2nd Annual Bernard Blues and BBQ Competition, earning points on the KSBS circuit. Many will be vying for glory in the epic Battle Royal with five other competitions in Tennessee, Alabama and Georgia," said a press release from the school.

Friday evening, Sept. 6, will see a sanctioned one-meat chicken contest. On Saturday, teams will go head-to-head in a Backyard competition featuring chicken and ribs.

"Artisans will transform the campus into a vibrant marketplace, offering a treasure trove of handmade wares and specialty food items. Attendees can savor delectable treats like fresh-baked goods, strawberry waffles, fresh-squeezed lemonade, classic monks' bread, cookies and, of course, BBQ chicken, ribs and pulled pork. Save room for a funnel cake, ice cream cone or half dozen mini donuts," continued the release.

The festival lineup includes four blues bands set to perform throughout the weekend:

Festival Director Joyce Nix expressed her excitement, saying, "We have a fantastic lineup of artisans, and I'm sure everyone will find special gifts for Christmas, birthdays or simply because they like it."

Festival T-shirts and sweepstakes tickets are available for early purchase on the festival website or at the Administration Building office.

There will be a chance to win over $10,000 in cash prizes during the sweepstakes drawing at 4 p.m. on Sunday.

Nix emphasized the importance of the festival, stating, "The school relies on the festivals held annually at St. Bernard to carry out our mission to cultivate a love of learning and a life of virtue in young men and women within a community of faith and scholarship."

"The festival is staffed by dedicated volunteers, including students, parents, faculty, staff, alumni, and friends of St. Bernard. Melba Carter Yancy Kane, 88
Our beloved mother, grandmother, sister and friend, Melba Carter Yancy Kane of Bluff Park, Alabama passed away surrounded by her three daughters Aug. 26, 2024. She was 88. Melba spent fifty years in the Automobile Industry. Owning her own business as well as working for others. She spent the last thirty plus years with Susan Schein Automotive. Melba led by example, enriching and inspiring countless lives of those she knew. Her unwavering love for her family and friends will live on in our hearts forever. Melba attended Trinity United Methodist Church in Homewood and loved spending time with her Cartwright Class at church and hosting them on Lake Guntersville and her home on Shades Mountain. Bluff Park Historical Society Linger Longer Spring Fling, church socials, college a cappella groups, company parties and most memorably her annual Christmas parties where friends and family gathered for a feast and sang Christmas Carols around the piano. After her children were grown, she looked for another creative outlet. Though she continued her passion for selling cars, always calling at day's end to ask "How many did we sell today?" Melba began buying, remodeling and selling homes. She had a keen eye for architecture and design. Melba loved all things pretty. Billie Marie Aldridge (Hammond), 82
Billie Marie Aldridge (Hammond) departed this Earth on Aug. 19, 2024. She was born in Decatur, Alabama, on Oct. 31, 1941, and married the love of her life, Jackson Kelley Aldridge, on Nov. 24, 1963. Billie and Jack loved to travel, going on many trips along the East coast visiting lighthouses and traveling abroad to Europe and Australia.
