"Ever since around September, I was always struggling with thoughts of not being good enough in anything I do, whether it was sports or just like classes in school. I was always thinking that I wasn't good enough, and I just couldn't shake it. Yovino (from Front)

said that worldly things will satisfy you for a moment, but when you have God, nothing in the world compares. This made me think about if I was chasing worldly things to try and satisfy me, which I was. I have now come to realize that is why I never felt like enough. However, I just put it in the back of my mind and tried not to think about it, because, for a long time, I have told myself that I am saved and that I got saved when I was young."

Yovino added, "Then, I realized that I really didn't know what it meant to have a true personal relationship with Jesus. I always felt like a part of me was just missing, and then, I realized I still wasn't giving it my all. I wasn't fully surrendered. On a Thursday night at Mission Blitz, Matt Brown was preaching, and he said to stop being on the fence and just fully submit to God. It made me think about if I was really saved.

"The next day, I couldn't help but think about how I wasn't truly saved and how I couldn't live another day without being fully surrendered to God. On Friday, June 21st, I made the decision to follow Christ. At first, I was scared to get saved, because I thought I already was, and I was scared of what people would think. I didn't want them to think that I've lied about it this whole time.

"It's safe to say that it's been the best decision I've ever made. Since making this decision, I've had so much peace and joy that I can't put into words. I'm so thankful for all of the people who have helped me along the way. I'm so glad that I have the love and support that my church family gives me on a daily basis, and I'm excited to live for the Lord every day."

Yovino learned a couple of important things during that experience and shared some of her favorite Bible verses.

"I learned that God is always by your side, no matter what you do, and that things will happen on His timing only, so don't rush it," Yovino said."

My favorite Bible verses are Proverbs 3:5-6, because it reminds me to put my trust in God, and everything will work out how's it supposed to, 1 Corinthians 10:31, because it reminds me that everything I do should be for the glory of God and not myself, and 1 Corinthians 16:14, which reminds me to do everything with love. These have changed my life, because they change my perspective on the way that I should do things and how I should carry myself through life."

She talked being that Godly role model for so many people and has been on a couple of missions that really changed her life.

"Mainly, I try to be very positive, even in hard situations, and keep a positive outlook on life," she said.

"Every year since I've been old enough, I have participated in Mission Blitz, which is basically where we go around the Cullman community and do mission work in Cullman, so that is one of my favorites. I went on a mission trip to Panama City a few years ago, and that was a great experience. The Panama City trip was really an eye-opener of how good I have things and helped me not take things for granted."

Yovino wants impact on a lot of kids as well and she gave advice to those people that want a relationship with God but are new to that experience. She feels blessed to have a lot of Godly role models in her own life

"It means the world to me. The thought of steering one person towards the Lord would be enough, so to think that there are a bunch makes me happy," she said.

"Ask somebody. If they know anybody who goes to church, and they have questions, then they should feel more than welcome to ask about it. I've learned to trust God, no matter the circumstances."

Library (from Front)

Lauren Estes
lauren@cullmantribune.com

FAIRVIEW, Ala. — Fairview's Randall Shedd Community Park will soon be home to a Little Free Library after resident Stephanie Sprouse presented the idea at the last Fairview Town Council meeting.

"We enjoy visiting Fairview park and the Little Free Library is an opportunity for each child who comes to the playground to leave with a book," Sprouse said.

The council approved the location at the park near the veterans pavilion.

Sprouse said the idea for the Little Free Library came from her job at a local used bookstore in Cullman.

"Books are discarded weekly. I have been filling up many free libraries around Cullman with these discards, but wanted a sharing box closer to our home and community in Fairview," she said. "The Little Free Library book-sharing boxes are open 24/7 and are freely accessible to all. A Little Free Library is a free book-sharing box where anyone may take a book or share a book. These boxes function on the honor system. You do not need to share a book in order to take one. If you take a book or two from a little library, try to bring some to share to that same library, or another in your area, when you can."

She said the way to keep these sharing boxes going for years to come is by donating good condition books for others to enjoy.

"Each LFL will have a charter sign and number," Sprouse said. "If you notice a box is damaged you can log into the LFL app and contact the steward of the box to notify them of any needed repairs. Some little libraries will have a guest book to sign. Your words to a local volunteer steward can encourage them to continue their service to the community."

Sprouse said she previously enjoyed taking her children to Little Free Libraries around Florida when she lived there during Covid because many libraries were closed.

"The free little libraries remained a place where we could borrow and share books," she said.

"I approached our HOA board in our Florida neighborhood and presented the idea of positioning a library sharing box, by our pavilion. The idea was approved, but funds weren't available.

"I raised funds by selling baked goods to the neighborhood. Neighbors placed their orders on Facebook and I delivered. When the funds were raised, I hired a local carpenter to build the box. Our family and neighbors filled the box with books from our homes. When we moved, a neighbor volunteered to take our place as the steward of the library."

Little Free Libraries aren't free to build. Fundraising has begun for purchasing the kit and materials. All Little Free Libraries are high-quality, Amish-crafted boxes that should last for years in any environment.

"Total cost for Composite Little Free Library kit, post, shipping and installation is $600," Sprouse said. "If you would like to support, donations can be made to Venmo to @Stephanie-Sprouse-6 or PayPal @stephcreatingbeauty. You can also support the building of this LFL by purchasing Creating Beauty arts and crafts."

All proceeds from Sprouse's September sales will go toward this project. You can purchase items at Branch Bookstore (bookmarks $3-$7) and Haynes Market in Fairview (fall decor, handmade jewelry, sugar scrubs and more). Items are also at Urban Pine and Mustard Seed Nursery.

"As of yesterday's generous donation, the LFL kit is fully funded," Sprouse said. "Any additional donations can go towards add-ons: solar panel light, paint, concrete, books to fill library, etc."

LittleFreeLibrary.org provides information on how to get a little free library started and information to support a library steward.

You can use the Little Free Library mobile app (https://littlefreelibrary.org/app) or web map (https://littlefreelibrary.org/map) to find Little Free Libraries near you.

9 local teams earn wins in rainy week 4

Nick Griffin
nick@cullmantribune.com

CULLMAN, Ala. — Week four was a wet, but successful one for nearly all of our local teams. Cullman, Fairview, Good Hope, Hanceville, Vinemont, Cold Springs, Addison and Meek all hit the road Friday night and all of them returned home with region wins. Holly Pond hosted Brindlee Mountain for homecoming and after a two-hour weather delay, the Broncos were finally able to celebrate the occasion with a win.

Cullman 21 – Jasper 20

After exchanging punts to start the game, Jasper scored on a long touchdown run to take a 6-0 lead late in the first quarter. The Bearcats answered later in the second quarter when Cooper Loftin punched one into the end zone from a yard out to tie the game at 6 and JD Ellerbee's extra point gave the 'Cats a 7-6 lead. However, Jasper was able to get on the scoreboard again before the end of the period and Cullman went into the locker room trailing 12-7 at halftime.

The Vikings pulled ahead 20-7 later in the third quarter and power outages in the stadium began to cause delays but the Bearcats were unfazed. Preston Gay pushed his way into the end zone from the 1-yard line to trim the lead to 20-13 with 8:30 to play and Gay wasn't done making big plays yet.

Cullman's defense forced the Vikings to punt the ball away with just under six minutes remaining and the 'Cats put together one of their best drives of the night. Gay scrambled for a big gain to move the chains on a 3rd and 16 play and he found Asher Drake for a 15-yard gain through the air on the next play to move the chains again.

With just over a minute on the clock, Gay took off again, weaving through defenders and spinning into the end zone to make it a 20-19 game with 59 seconds to play. Cullman decided to go for two and Gay found Drake wide open in the middle of the end zone for an easy completion, putting the 'Cats in front 21-20.

Jasper managed to drive the ball down into field goal range, but a 36-yard attempt sailed wide left as time expired and Cullman held on to secure a dramatic, 21-20 comeback win.

The Bearcats improve to 2-2 with the win and they'll be back on the road Friday to take on Muscle Shoals.

Fairview 28 – Ardmore 6

An 86-yard touchdown run by Jake Harper put Fairview in front 7-0 early in the first quarter. Just before halftime, Harper's second touchdown run, this time from 60 yards out, stretched the lead to 14-0 in the final seconds of the second quarter. Both teams turned the ball over multiple times in the opening half, but the Aggie defense was able to keep Ardmore off the board.

Harper's third touchdown of the night was a 24-yard scoring run that extended Fairview's lead to 21-0 in the third quarter but the Tigers were finally able to get on the board early in the fourth to trim the lead to 21-6. The Aggies got the points back later in the game when Carson Jones scored on a 4-yard run midway through the fourth quarter and wrapped up a 28-6 region win for Fairview.

Harper racked up 309 yards and three touchdowns in the win on just 15 carries. Jones added another 126 and a touchdown on the ground.

The Aggies will be back on the road Friday for another region game at Lawrence County.

Good Hope 27 – Haleyville 7

Haleyville got on the board first with a half back pass that led to a touchdown, giving the Lions a 7-0 lead midway through the first quarter. Good Hope answered late in the second quarter when Tyler Cone lined up under center near the goal line and pushed his way into the end zone for a touchdown, tying the game at 7 going into the halftime break.

Cone's second touchdown run of the night put the Raiders in front 13-7 later in the third quarter and Mason Drake ran one into the end zone from 5 yards out to make it a 19-7 game early in the fourth. Cone found Tucker Screws with a pass in the end zone to pick up the two-point conversion and extended Good Hope's lead to 21-7.

Cone put the finishing touches on the win later in the fourth when he broke free for a 57-yard touchdown run, his third of the night, stretching the lead to 27-7 with five minutes to play. Neither team was able to get on the board again the rest of the way and the Raiders returned home with a 27-7 region win over the Lions.

Good Hope improves to 3-0 with the win and the Raiders will be back on the road Friday to face Cordova.

Hanceville 24 – Carbon Hill 0

The Hanceville Bulldogs were on the road Friday night for a regional matchup at Carbon Hill and after struggling in their first three games this fall, the Bulldogs returned home from Carbon Hill with their first win of the season. The win over Carbon Hill is the first of Head Coach Levi Estes' tenure.

After a scoreless opening quarter, Marquies Leeth capped a Bulldogs scoring drive with a 5-yard touchdown run to put Hanceville in front 6-0 midway through the second. Ashton Hurst punched one into the end zone from a yard out in the final seconds of the second quarter and Hanceville went into the locker room leading 12-0 at the halftime break.

After a scoreless third quarter, Hurst dove into the end zone for his second touchdown of the night to make it an 18-0 game with a little over 10 minutes remaining in the fourth. Leeth's second touchdown of the night came in the final moments of the game and capped a 24-0 road win for the Bulldogs.

Hanceville will return home this week to host another regional matchup against Oakman.

Vinemont 32 – Midfield 28

Midfield scored quickly to take an 8-0 lead, but Vinemont answered midway through the first quarter when Chad Reynolds scored from 5 yards out to tie the game at 8. Midfield regained the lead midway through the second quarter 16-8. Late in the first half Kayden Henderson raced into the end zone from 29 yards out to tie the game at 16.

Vinemont received the second half kick-off and pounded its way down the field but eventually fell a yard short on fourth down. Four plays later, the Eagles defense got the ball back thanks to a Kayden Henderson interception.

The Eagles capitalized on the turnover when Chad Reynolds scored from 9 yards out to put the Eagles up 24-16 late in the third quarter.

Midfield answered quickly to pull to within two at 24-22. Four plays later, Vinemont answered when Josh Rhodes raced in from 6 yards out to put the Eagles up 32-22.

Midway through the fourth quarter the Patriots cut the lead to 32-28.

Vinemont's offense chewed up clock but eventually stalled out to give the ball back to the Patriots with 30 seconds remaining in the game. The Eagles' defense stepped up and Chad Reynolds sealed the game with an interception, securing a 32-28 region win for Vinemont.

The Eagles improve to 3-1 with the win and they'll be back home Friday to host Carbon Hill.

Holly Pond 54 – Brindlee Mountain 8

After waiting through a couple hours of weather delays, the Holly Pond Broncos hit the field for a homecoming matchup against Brindlee Mountain and they celebrated the occasion with a dominant, 54-8 win over the Lions.

Olinger went 3/5 for 64 yards and a score and added 63 more on the ground and a pair of touchdowns for Holly Pond (2-2, 1-1). Gibbs collected 82 yards on the ground and a touchdown. Howard added 48 rushing yards and a touchdown and finished with the 21-yard receiving touchdown. Faulkner ended up with 26 yards on the ground and a touchdown. Motsinger, Grazer, Jordan, and Anthony Reyes all had fumble recoveries in the game for the Broncos.

The Broncos will continue region play Friday night when they go to Geraldine.

Cold Springs 46 – Cleveland 0

The Cold Springs Eagles were back on the road for a region matchup at Cleveland Friday night and after more than two hours of lighting delays, the Eagles dominated the Panthers once they hit the field. Cold Springs jumped out to a 30-0 lead in the first half and cruised past Cleveland in the second half on its way to a 46-0 region win.

Matt Williams got the Eagles' opening drive started with a 30-yard run and finished things off in the end zone a few plays later to put Cold Springs in front 8-0. Williams' second touchdown of the night came later in the first quarter and gave the Eagles a 16-0 lead going into the second.

Williams broke free for a 40-yard touchdown run early in the second quarter to stretch the lead to 22-0. His fourth rushing touchdown of the first half came just before the end of the second quarter and gave Cold Springs a commanding, 30-0 lead at the halftime break.

After a scoreless third quarter, Cooper Johnson punched one into the end zone to make it a 38-0 game early in the fourth. The Eagles put the finishing touches on the win later in the fourth when Tidus Light ran one into the end zone to cap a dominant, 46-0 performance from Cold Springs.

The Eagles improve to 3-1 with the win and they'll be back home this week to take on Winston County.

Addison 39 – Cherokee 6

Addison traveled to the quaint town of Cherokee in Northwest Alabama Friday night to take on the Indians in a region game at a surprisingly dry William Lyle Harris Stadium.

If Addison was expecting to play the Cherokee teams of old, they were in for a surprise. This Indian team was much better than in past years, though Addison wore them down as the night went on as the Indians had only 19 players on the field. Addison went on to win 39-6 but the Bulldogs led just 16-0 at the half.

Addison goes to 3-1 (2-0 region) with the win and will host Hackleburg Friday night in a game with big region championship implications.

Meek 37 – Phillips Bear Creek 8

The Meek Tigers were back on the road Friday night for a regional matchup at Phillips Bear Creek and after falling to Hackleburg last week, the Tigers bounced back with an impressive, 37-8 win over the Bears.

A 50-yard touchdown pass from Evan McCay to Ryan Ewing put Meek in front 8-0 early in the first quarter and the Tigers wasted no time in adding to their lead. An 8-yard touchdown run by Conner Lane made it a 16-0 game midway through the first and Brady Baxter ran one into the end zone from 6 yards out to extend the lead to 23-0 going into the second.

A muffed punt was recovered by Aiden Benson and returned 30 yards for a touchdown later in the second quarter to make it 29-0 and McCay found Ewing through the air again for a 28-yard touchdown to give the Tigers a 37-0 lead at the halftime break.

With the hot clock running in the second half, the Bears were able to find the end zone one time, but it wasn't enough to overcome the early lead and Meek left Bear Creek with a 37-8 region win.

The Tigers will be back on the road this week for another region matchup at Waterloo.

RYAN COLE/THE CULLMAN TRIBUNE

Fairview's Jake Harper racked up over 300 yards and three touchdowns on the ground in the Aggies' 28-6 win at Ardmore Friday night.

MIKE WITCHER/THE CULLMAN TRIBUNE

Cold Springs' Matt Williams rushed for four touchdowns in the Eagles' 46-0 win at Cleveland Friday night.

HOWARD COLE/THE CULLMAN TRIBUNE

Holly Pond's Sawyer Olinger dives for the end zone during the Broncos' 54-8 win over Brindlee Mountain Friday night.

Canva Basics workshop Sept. 23 at Chamber of Commerce

Gauge Day
gauge@cullmantribune.com

CULLMAN, Ala. — The Cullman Area Chamber of Commerce is hosting a Lunch & Learn workshop on Canva Basics, part of a series sponsored by Wallace State Community College. This event will take place on Monday, Sept. 23, from 11:30 a.m.-12:30 p.m. Designed for anyone looking to enhance their graphic design skills, the workshop offers a hands-on learning experience with Canva, a user-friendly tool ideal for creating eye-catching visuals for social media, presentations and more.

Katie Walker, director of events & communications for the Chamber, will lead the session.

"We've partnered with Wallace State Community College to host these lunch & learns in hopes that we can help our small businesses learn new skills, enhance current skills, ask questions, get one-on-one help and meet some new people.

"These lunch & learns are for everyone in the community. You do not have to be a Chamber Member to attend," Walker shared.

During the workshop, participants will gain a broad overview of Canva's basic features, from creating Facebook posts and Instagram stories to designing flyers and presentations.

While attendees won't focus on a single project, they're encouraged to bring their laptops to follow along and create their own designs during the session.

Attendees should bring their own lunch, and seating is limited, so early registration is encouraged.

Walker added, "If you have a Canva account, that's a bonus.

"If not, I recommend setting one up beforehand - it's free, and nonprofits can access Canva Pro for free."

The event will take place at the Cullman Area Chamber of Commerce in the Walmart Room, located at 301 Second Ave. SW, Cullman, AL 35055.

To register, go to https://cullmanchamber.chambermaster.com/eventregistration/register/23123.

CULLMAN, Ala. — Hometown Medical Group, a primary care facility in Cullman focusing on senior and individual care, is hosting an informational meeting on Sept. 19, for recipients of Medicare or area seniors 65 and older with an interest in Medicare coverage.

Area seniors and their caregivers are welcome to join the group as they cover and break down Medicare changes, coverage and prescription medication benefits for 2025. The office has chosen to open the meeting to the public to assist seniors in navigating the confusing language and hidden exclusions often found in health insurance contracts.

Baylee Morris, Hometown Medical Group's Cullman office manager shared, "This meeting is free to the public to basically help anyone 65 and older understand insurance better and help the community get the health benefits they need."

Next year will see changes for Medicare recipients thanks to the Inflation Reduction Act of 2022, like an out-of-pocket cap on prescription medication for Part D plan holders and cost-sharing for Part B plan holders. Premiums are expected to increase, alongside the breaks in other costs. For 2025, the base beneficiary premium will be $36.78, which is $2.08 more than 2024. See more at www.cms.gov/newsroom/fact-sheets/cms-releases-2025-medicare-part-d-bid-information-and-announces-premium-stabilization-demonstration.

"Insurance has changed so much and taken away from people without them knowing so we have a Medicare Broker that is coming to speak about nine different insurance plans that will give the elders the healthcare they need," said Morris.

The insurance seminar will be held on Thursday, Sept. 19, at Cullman Church of Christ. The meeting will begin at 6 p.m. with Medicare Broker Richard Lender. An RSVP to 256-965-0340 is requested by the staff.

Cullman Church of Christ is located at 4147 Alabama Highway 157 South.

HANCEVILLE, Ala. — Wallace State Community College's Department of Nursing Education is currently accepting applications for students wishing to enter in the Spring 2025 semester. The deadline to apply for entry is Oct. 1. An informational meeting for prospective students will be held on Monday, Sept. 23, at 2 p.m. in Room 220 of the School of Nursing and Center for Science.

The Nursing program accepts students each fall and spring, with opportunities in the spring for the traditional nursing program and joint enrollment programs with either the University of Alabama at Birmingham (UAB) or Athens State University.

The traditional option is a five-semester program offering a certificate in practical nursing after the first three semesters and an associate degree in nursing at the completion of all five semesters.

The joint enrollment options allow students to complete courses at the Hanceville campus and online courses at either the UAB or Athens State.

Four semesters of pre-requisite courses are required before applying to either program.

At the completion of five semesters of nursing courses, students will have earned both an associate degree from Wallace State and a bachelor's degree from their chosen institution.

He was always bringing treats, vegetables and of course his homemade pepper sauce. He was famous for his grilled cheese sandwiches dripping with butter and parched peanuts. He was an avid University of Alabama football fan and very rarely seen without his Bama cap. Ervin was a faithful member of Truth Church in Arab, Alabama. He served God and the church with a pure heart full of compassion and faith. His famous saying was The Lord is still working! He served in the U.S. Army, Dodge City Volunteer Fire Department for 12 years and Lions Club for 12 years. He had an undying passion for CCCDD and served as a board member for over 30 years where his son Tony, attended for many years. A group home was recently named in his honor. He lived a life of service to his family, friends and community, serving as a councilman for Dodge City Town Hall 30 years. He was a hero in so many forms and we can't imagine our lives without his hugs and smiles. He had a way of making everyone he met feel special. His life is a testimony of how God's love flowed through him. His faithfulness comforts us as he joins loved ones waiting at the pearly gates of Heaven. His memory inspires us all to be a better person, better servant, better friend and carry on the values set forth in the way he lived his life every day. He created his own legacy. He will always be in our hearts and his memory will live on. The viewing will be at Moss Funeral home on Tuesday Sept. 17, 2024, from 6-9 p.m. The service will be held Wednesday, Sept. 18, 2024, at 2 p.m. with graveside Service at Beech Grove cemetery.
