Sammy Confer
sammy@cullmantribune.com

FAIRVIEW, Ala. — Fairview hosted the Holly Pond Lady Broncos on a cold, windy Thursday afternoon and the Lady Aggies dominated this one, jumping out to an early lead and taking advantage of a great pitching performance from Mali Gregory to put together a 10-0 shutout win.

Emily Benson drew a leadoff walk to lead off the bottom of the first for the Lady Aggies. She stole second and moved up to third on a passed ball, then a sacrifice fly by Kylie Kovar gave them the early lead. After another walk, Ayda Payne lined an RBI single to left field to make it 2-0. Fairview quickly broke the game wide open in the second.

They put a pair of runners on with one out, then an RBI single by Benson gave them a 3-0 lead. Kovar added an RBI double, and Ava Pruett hit a two-run double to put the Lady Aggies ahead, 6-0. One out later, Addison Phillips lined an RBI single to right field to extend their lead to 7-0. Fairview made it 8-0 in the third on an RBI double by Benson. Ralie Gaines added an RBI double of her own in the fourth to make it 9-0. The Lady Aggies ended the game in their final at-bats. They put runners on the corners to lead off the fifth, and a passed ball allowed Benson to score to give Fairview the 10-0 shutout win over the Lady Broncos.

Benson and Kovar each finished with three hits and two RBIs for the Lady Aggies. Pruett collected a hit and two RBIs, while Gaines (two hits), Payne (one hit), and Phillips (one hit) all drove in a run in the win. Sumiton Christan 4 - Cold Springs 0 (Baseball)
Sumiton Christian 13 – Cold Springs 3 (Baseball)
Cold Springs got no-hit in the first game of their doubleheader at Sumiton Christian. The second game saw them get out to a quick lead. They loaded the bases with two outs in the top of the first, and Boston Archer drew a walk to give Cold Springs the early lead. A few pitches later, Mason Gable lined a two-run single to right field to make it 3-0. Their lead would be short-lived, though, as Sumiton Christian would score the final 13 runs of the game, and Cold Springs ended up dropping the second game to Sumiton Christian 13-3.

Gable finished with a pair of hits and two RBIs for Cold Springs. Archer added an RBI, while Ayden Black, Cooper Johnson, and Matt Williams all collected a hit in the loss.

Cold Springs 5 - Meek 3 (Softball)

Back-to-back doubles by Brooke Rowan and Sadie Smith extend their lead to 3-1.

Meek hit an RBI single in the top of the fifth to cut it to a one-run game, and in the seventh, they tied the game up at three on an RBI double. The Lady Eagles looked to end things in their final at-bats. Young lined a single to left field to lead off their half of the seventh. Kloe Light, the pinch runner for Young, stole second. Maddie Davis drew a walk, and Light moved up to third on a passed ball. Four pitches later, Smith ended the game, as her two-run walk-off triple gave Cold Springs the 5-3 win over the Lady Tigers.

Their lead would be short-lived, though, as Oak Grove put up six runs in their half to take a 6-4 lead into the second inning.

A pair of sacrifice flies by Josi Jones and Spinks tied the game up at six in the top of the second. That would be the last runs they would score in the game, as the Lady Tigers scored the final four runs of the game, and they would go on to knock off Hanceville 10-6.

Thursday night against the Patriots, the 'Cats took an early, 1-0 lead on a free kick from Josue Sanchez. Brewer was able to tie things up at 1 after scoring on a ball to the left corner that they slotted back across the box. Cullman responded with a goal from Jack McDowell to move back in front 2-1 just before halftime.

Brewer took advantage of a foul and a yellow card against the Bearcats near midfield, hitting the ball long into the box and scoring to tie the game at 2.

Later in the second half, Grayson Meharg came on and put one in the back of the net off a pass across the box from Gianpaolo Cipollari to make it a 3-2 game. The 'Cats put the game away with a goal from Brandon Peña, also assisted by Gianpaolo Cipollari, wrapping up a 4-2 road win.

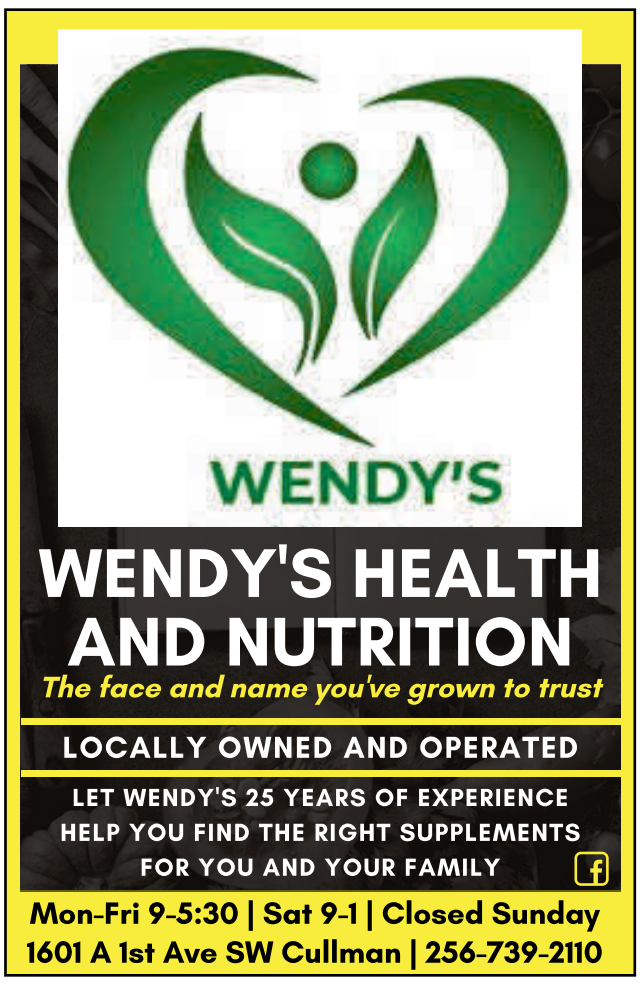

The Bearcats are 11-3 and are on the way to their best season since the 2017. They are currently just two wins away from the most wins they've posted in the last eight seasons and are sitting atop the area standings at 3-0 with three area games remaining.

"We closed out this first half of the season strong this week. We've gone deep in the roster. We feel that, in games and in practice both," Cullman Head Coach Will Drake said.

"All the boys train with intensity and with focus, and they bring that to the games. Every one of them contributes something important to the team. It's an exciting moment to be a part of, every player believing in the program and our methods and giving themselves for the badge on the shirt."

After spring break, the Bearcats will head to Boaz to play the Pirates on April 1.

Vinemont to host 3rd annual Easter Egg Hunt and Easter Egg Trail April 12

Gauge Day
gauge@cullmantribune.com

VINEMONT, Ala. — The Town of South Vinemont is set to host its third annual Easter Egg Hunt on Saturday, April 12, from 3-5 p.m. at the Vinemont Community Center. The event will feature separate hunts for age groups 0-3, 4-6 and 7 and older, with around 200-300 eggs hidden for each group. Additionally, the Vinemont Easter Egg Trail will be on full display with a special appearance by the Easter Bunny. Participants are required to bring their Easter baskets for the hunt.

Assistant Town Clerk Madison Stewart emphasized the community spirit behind the event. "What makes the Town of South Vinemont Easter Egg Hunt special is that everyone comes together to socialize and the kids always have a great time."

In addition to the traditional egg hunts, the Easter Egg Trail will return this year, offering a unique way for residents, businesses, nonprofit organizations and school clubs to get involved.

Participants can purchase large wooden egg cutouts to paint and decorate — whether to remember a loved one, advertise a business or showcase school spirit. These decorated eggs will be displayed along the Vinemont Walking Trail/Art Park throughout April.

Participants interested in decorating an egg must place their orders by Monday, March 24, at www.southvinemont.recdesk.com/Community/Program.

Participants from last year are also encouraged to fill out the form to help ensure an accurate count. The opportunity to decorate an egg is open to anyone, not just local residents.

"We can't wait to see your creativity shine as you decorate these large wooden eggs," Stewart stated.

"The decorated eggs will be displayed throughout the month of April and will be judged, with winners announced at the third annual Easter Egg Hunt on April 12 at the Vinemont Community Center."

For more information about the Easter Egg Hunt or the Easter Egg Trail, contact the Town of South Vinemont at 256-737-5411 or info@townofsouthvinemont.com.

The Vinemont Community Center is located at 88 Ridgeway St., Cullman, AL 35058.

Fallin (from Front)

W.C. Mann
craig@cullmantribune.com

CULLMAN, Ala. — After a pause to make sure he was ready, Retired U.S. Army Col. Don Fallin has reentered the campaign for the Alabama House District 11 seat vacated when former Rep. Randall Shedd, R-Fairview, moved to a position in the office of Sen. Garlan Gudger, R-Cullman.

Fallin is a Fairview native who graduated from Fairview High School before attending the United States Military Academy at West Point. After a 30-year career in the Army he came back home to the Cullman area, where he joined Cullman VFW Post 2214 and became active in local veterans' affairs. He first announced his candidacy in early March.

"I want to start by saying thank you to our local conservative Republicans and dedicated citizens for rallying around our cause," said Fallin. "This is a grassroots effort, truly focused on being a voice for the community, and I am humbled by the overwhelming support I have received."

Asked about making the move from military life to politics, Fallin responded, "I believe it is a seamless transition; fighting for the citizens of Cullman and Blount County is no different than fighting for our country. The principles are the same: surround yourself with a great team, put the mission first, talk to and listen to the people in our community, and be a leader who is not afraid to make hard decisions.

"I spent over three decades serving my country, now I want to serve my district and state. I want to stand with our veterans. It is time to send a veteran to Montgomery, because I will serve our communities with the same energy and integrity that I have served my country for over three decades. Additionally, I want to be a voice to our citizens in District 11 and provide transparency of all actions in Montgomery, improve our quality of life, shrink state government, demand that we are fiscally responsible, cut taxes, protect local business and protect our Alabama values.

"The folks I have talked to want a reform candidate, someone who is willing to stand up for our rights and principles with no outside influence."

Fallin has had volunteers going door to door around the area this week, and launched a website for those wanting more information: https://donfallin.com.

Gov. Kay Ivey set the special primary election for Tuesday, May 13, 2025; the special primary runoff, if necessary, for Tuesday, June 10, 2025; and the special general election for Tuesday, Aug. 26, 2025.

Meeting (from Front)

Anabelle Howze

CULLMAN, Ala. — The Cullman City School Board at its meeting on Tuesday, March 18, began with awards and recognitions.

Jonathan Hayes was recognized as the AmFirst Teacher of the Month for serving the city school system as a teacher and coach for 20 years. Hayes comes from a family with a combined 106 years in education. He also established Cullman's Special Olympics and teaches PE at East Elementary.

Emily Smith is a special education paraprofessional and after-school teacher at East Elementary. She was recognized as the AmFirst Staff Member of the Month for her willingness to work as a team member and dedication to helping each student succeed.

Several students were recognized for their character and accomplishments. A sixth-grade student at East Elementary was recognized for her kind character and respectfulness. Two West Elementary students were recognized for winning in the Governor's App Challenge, a statewide computer programming competition. According to Cullman City Schools Superintendent Kyle Kallhoff at the previous night's meeting of the Cullman City Council, "The goal of the challenge is to allow more students to gain recognition for their mastery and application of computer programming and design."

- Elementary division winner Lauren Hughes, fourth grader from West Elementary, for her app "Presidential Brain Busters"

- Middle School division winner Kinslee Barnett, sixth grader from West Elementary, for her app "Daily Devotions"

Both won at the District 6 competition, and will represent Cullman on April 15, 2025, at the Alabama Computer Science Summit in Montgomery.

The January 2025 financial report was presented. According to the board, this fiscal year the system has received 44% of its revenues due to early property tax payments, with only motor vehicle taxes remaining. It said the system is currently under budget, with expenditures at 31%. Total operations for the year come to $4.3 million, with a fund balance of $18.2 million and reserves arriving in five months. Sales tax revenues are up 9% compared to last year, contributing to a 6% increase in overall revenue.

Updates on current construction projects were provided on subjects like the new STEM expansion at CHS.

At the intermediate school, the replacement and removal of unsuitable soil with the storm shelter and gym foundation are set to begin soon.

The middle school now has third-floor windows in place, and the decision was made to postpone moving the sixth grade to join the middle school due to constructions delays.

Renovations at the central office will replace the outdated elevator and repair the roof. Both projects are expected to be completed in six months with a combined cost of over $700,000, approximately $100,000 under budget.

Additional updates include information on the upcoming accreditation progress with Cognia and the reminder that the district was to host its second annual job fair at Cullman City Primary School on Thursday, March 20. Spring break is scheduled for March 24-28, and there is no school on Friday, April 18, due to a weather make-up day and Friday, May 2, for the State Track Meet.

The next Cullman City School Board meeting will be Tuesday, April 15, at 5 p.m. at the central office.

Manslaughter (from Front)

GOOD HOPE, Ala. – A Cullman County man is now facing a manslaughter charge in connection with the death of a man in Good Hope last month.

On Wednesday, March 19, Cullman County Sheriff's Office deputies arrested Gregory Wayne Aycock, 55, of Cullman, on a new charge in connection with the death of Anthony Mark Sturgeon, 29, of Cullman. Sturgeon's body was found at a Good Hope park on Saturday, Feb. 8.

According to court documents, Aycock was previously charged with first-degree hindering prosecution and corpse abuse.

Court documents state: "On or about February 7, 2025, while at or near 2445 County Road 437, Cullman, County, Alabama, a person committed the crime of hindering the prosecution in the first degree with the intent to hinder the apprehension, prosecution, conviction or punishment of another for conduct constituting a murder or a Class A or B felony, to-wit: DISPOSING OF BODY BY AIDING INVOLVMENT THAT PROVIDED FENTANYL, in violation of 13A-6-3, MANSLAUGHTER, in violation of 13A-10-43, Code of Alabama."

And, "On or about February 7, 2025, while at or near 2445 County Road 437, Cullman County, Alabama, committed the crime of abuse of a corpse, he knowingly treated a human corpse in a way that would outrage ordinary family sensibilities, to-wit: THOWING OUT A BODY AT A PUBLIC PARK FROM A VEHICLE, in violation of 13A-11-13, Code of Alabama."

Sturgeon's body was found at a Good Hope park Saturday, Feb. 8.

His body was identified by Cullman County Coroner Jeremy Kilpatrick.

Cullman County Sheriff Matt Gentry told The Tribune in February, "Preliminary indications are believed to be a drug overdose. It is believed that Aycock moved the body in question."

Aycock is currently being held at the Cullman County Detention Center without bond.

BILLY BOB'S STORIES AND STUFF

I hear that mailman coming

Bill King
Tribune
Contributor

Well, I hear that mailman coming, he's rolling around the bend, and I ain't seen a letter, since 2010. That's because the mail doesn't deliver personalized letters and cards like it once did. I miss that. That's not the mail carrier's fault, but the mail sender's fault.

I'm not necessarily proud of this, but I must admit, I still get a little excited when I hear the mail truck coming up the street. I'm not the only one. Cocoa, our slightly overweight former "miniature" dachshund, whom we nicknamed Fifteen, does too. She gets excited because she knows

I'm going to let her walk with me to the mailbox. Actually, she doesn't care a thing in the world about the mail, unless someone happened to send us something to eat. She just likes to get out of the house, soak up a little sunshine, if there is any, and sniff who has trespassed through her yard since the last time she sniffed who trespassed through her yard.

I, on the other hand, am slightly excited about what's in the box. For the life of me I can't tell you why, because these days it's rarely ever anything good or personal. Some of it doesn't even have my name on it, but is addressed to "Occupant," "Resident" or "Resident Sucker."

If it does have my name on it, someone either wants to sell me something, or wants me to pay for something they've already sold me.

Back in the old days, the mailman brought fun things. Besides the personal letters or cards, he left cool stuff like Grit Magazine or The Weekly Reader. He also brought the Sears or J.C. Penney catalog. Those things were so big the mailman could barely squeeze them inside the box. It was trying to put a school bus inside a lunch box! They were filled with all kinds of things I knew I couldn't have, but dreamt about anyway.

Children these days have no interest in the mail...at least not the snail mail. Why would they, no one sends them anything by mail anymore anyway.

From what I understand, they aren't even interested in email anymore. They've moved on to faster and better means of communication and entertainment...things like texting, YouTube or Instagram. But you see, back when I was growing up, in a small town like mine, there wasn't much to do. If someone said YouTube, we thought they wanted us to ride an innertube.

We never surfed on an internet. Life moved at a different pace. To even call it a "pace" might have been a bit of a stretch. Especially in the summertime, when school was out, the mail delivery may have been the most excitement of the day.

After Captain Kangaroo went off for the day, if the fish weren't biting, it was either cut the grass, help Mama in her 100-acre garden or go get the mail.

Granted, when I hear that mail truck coming, it's not the quite the same as when Johnny sang, "I hear that train a coming," but then, I'm not stuck in Folsom Prison either. Still, there is that slight sense of anticipation that some big surprise might be in the mail today. Well, no, it's not as exciting as hearing the ice cream truck coming. The mail truck doesn't play music or ring bells.

The only sound it makes it the hum of the engine when it starts and stops at each mailbox. But, sometimes, even the small things on some days can bring a little pleasure...even if it is a decreased electric bill... but, then there is Amazon!

POET'S CORNER

On the Vanity of Earthly Greatness | By: Arthur Guiterman, 1971-1943

The tusks which clashed in mighty brawls
Of mastodons, are billiard balls.

The sword of Charlemagne the Just
Is Ferric Oxide, known as rust.

The grizzly bear, whose potent hug,
Was feared by all, is now a rug.

Great Caesar's bust is on the shelf,
And I don't feel so well myself.

community and we want to make sure we are holding onto our roots and providing a place for our students to learn and grow," Stapler said.

"We are looking at providing more classes in our school to go along with our new facility. This whole process has meant so much for everyone involved — even our alumni. It was really neat to see graduates come back and experience this today.

"I was so thankful for all the memories I made here and the things I learned. I want our kids to have that same opportunity and on an even larger scale. "

Family & Consumer Sciences Teacher Whitney Haynes said this year it's been difficult being out of the classroom. Now, she said, students are excited about doing hands-on work again.

"They are thrilled about being able to cook, prepare meals and do projects and things in the kitchen," Haynes said.

"With this new venue we will be able to do even more than hands-on work, we will be able to serve the school and the community. Mr. (Wesley) Laney and Dr. Barnette have done a great job with this and truly try and meet the needs for all students, with ACT prep and that are college bound.

"Adding this for our large range of career tech students really says how they see the value in our programs. It makes me want to be better a teacher."

Barnette shared in the excited, saying this day was a long time in the making.

"Agriculture is very important for Cullman County and this community is one of our highest with a focus in agriculture," he said. "This has been a priority to us; keeping a rich tradition of excellence in agriculture and family consumer sciences is great for our community and they will use these skills for the rest of their lives."

The building will be officially named at a later date.
